

Photo Club Competition in Clarkston Sunday

To Be Held in the Garden of the George King Home

The Country Photo Club will hold its 1st Annual Outdoor Competition this coming Sunday, Sept. 24, from 12 to 6 p. m., in the garden of the George King home, Main St. Given such a beautiful setting any artistic endeavor would have its beauty enhanced.

Prints have been received from all over the state. One of them by Mr. Edw. Sokolski has won a blue ribbon at the Eastman show and will be on exhibition next month at the New York World's Fair. But every print received is in the running for the prize, so high is their general excellence.

The Hilltopper

Well, our news year has commenced with a BANG! We have thirty-one "newsies" enrolled, eight of which were with us last year. Miss Cohen is again our sponsor. As yet we have not elected our editor and staff but expect to do so very soon.

SUMMER NEWS!

It is very evident that a great deal of the vacations were spent out in the open and in hard work for all around one can see beautiful sun tans and muscles—but the evidence is really a little tricky as you will see in the following—Junior Bird came back this year sporting a very brilliant sun tan and some flashy shirts that look like they might be souvenirs from Honolulu, but upon quizzing Junior, I learned that he spent his vacation in Des Moines, Iowa.

FOOTBALL SEASON

Last Friday Clarkston had its first football game or scrimmage with the Alumni. This game was more for practice than anything else. It was a very hot day and with all the equipment on it was hard to keep pep in the game. However it was not a full game. About 15 or 20 boys are coming out for football this year and are all expecting some new equipment.

Waterford Project Approved

Rep. George A. Dondero has received word from the Works Progress Administration to the effect that Project O. P. 65-1-51-116, carrying an allotment of \$29,017, sponsored by the Waterford Township Board, has been designated as acceptable for inclusion in the W. P. A. program.

The business meeting will be conducted by the president, Mrs. Roy Blakeslee. The program is in charge of Mrs. Eva Reed. Each member is asked to bring an article, preferably an antique, and tell its life history.

Waterford School News

Grade News
In the Primary Dept. the total enrollment was increased to 119 Monday when Elsie Simpson and Dick Barton entered.
The Third Grade is studying Indians. Included in this study are the learning of Indian poems and the drawing of Indian pictures.
The Fourth Grade is making an Indian exhibit. The pupils are making hatchets, bows, arrows, quivers and papooses. Indian clothes have been brought for this exhibit by Joyce Fosdick and Paul Ish.
Five new pupils have entered the Fifth Grade this year making a large class of thirty-nine.
In the Sixth Grade music class the pupils are learning songs from the story of "Jack and the Beanstalk".

As soon as they are finished, they are going to have a play using these songs. In Art the Sixth Grade has learned how to do spatter work. Some of the best pictures have been exhibited on their bulletin board.
Seventh Grade: We now have a good start for the school year of "39" and "40". Thirty-one students were registered as seventh graders on September 6. Five have been transferred leaving a total of 26 to date. In Geography we have been studying about the different forests of the world. Our new unit which we have just started is agriculture. In arithmetic we have been polishing off the rusty spots which were acquired during the summer vacation through drills in multiplication, division, addition and subtraction of fractions. This will enable us to apply these operations in the practical problems of life with better speed and accuracy.
Linda Jane Myers has been appointed librarian for our room for the present time. We hope to make the most of all our library materials that are available.
High School News
The following new students are enrolled in our high school this year: Alexa McManus, Lois Schultz, George Andrews, Shirley Bunyan, Lee Steele and Joyce Steele.
The Tenth Grade had a biology test and the marks seemed to be quite satisfactory to those concerned.
This year the pupils are able to purchase white milk, chocolate milk, or orange at the school. The price is only 15c for the entire week. The Hickory Dairy and the Detroit Creamery supply the milk which is distributed by the Girl Scouts.
The Girl Scouts met for the first time this year Thursday, September 14. The following officers were elected for the coming year: Pres., Audrey Wood; Vice-Pres., Katherine Wildey; Sec., Mary Buck; Treas., Helen Weaver. They plan to sell candy again this year. This week they are planning an outdoor meeting.

The Youth Temperance Council held its regular monthly meeting at the home of Mrs. Lela Bailey last Monday evening. After the regular business meeting Miss Katherine Jones, delegate from the Drayton Plains Y. T. C., gave her report of the encampment held at Tyrone Camp near Fenton. Misses Edith Sutton and Marjorie Reddeman sang a duet. Refreshments were served and the remainder of the evening was spent in singing.

The Adult Bible Class held its regular monthly meeting in the Church Parlors last Friday night. After the business meeting closed an old fashioned spell-down was enjoyed. The teacher was Mrs. Cecil Morrow dressed in old fashioned clothes and to make the picture perfect wore glasses on the end of her nose. School was called by ringing the old cow bell. Sides were chosen and the spelling began. All words were to be spelled backwards. Several had to take their seats and some were sent to sit on the dunce block. Everything was fun and the spell-down was not finished when lunch time was called.

Drayton Plains School
The Drayton Plains School enrollment has shown an increase over last year. This year we have 449 pupils enrolled. We have 136 in the Junior High Department.

Last week Thursday afternoon Dr. Monroe and Mrs. Hummel of the Oakland County Health Dept. were here to give the Junior High pupils their physical examinations. These were necessary before the students could participate in athletics.

The boys speed ball schedule with Waterford and Dublin schools has been arranged. We will play our first game at Waterford next week Wednesday. The week following that Dublin will come to Drayton.

The Safety Patrol has again been organized for the year. At their first meeting the boys elected Billy McReynolds as captain and Donald Neal and Dwane Morse as lieutenants. The other members are: Charles Jankowski, Charles Newman, Charles Oakes, Hugh Doyle, Hubert Jacobson, John Verhey, Wallace Hillman, Hubert Swan, Gayle Scafe. This year the safety boys are stationed at their posts of duty and do not conduct the lower grade pupils from their rooms.

Miss Frances Jones, graduate of Pontiac High School, has been employed by the Board of Education as office clerk.

Miss Bess Green, Eighth Grade Home room teacher, has been kept at home by tonsillitis. Mrs. Hope Goran, one of our former teachers, is substituting for her.

The school library opens this week. There are about five hundred fiction and non-fiction books. The head librarian is Betty Ann Bailey of the tenth grade. Two librarians are appointed to service each hour of the school day. They are: Shirley Sweeney, Cleta Neal, Florence Clark, Elaine Schultz, Virginia Brockman, Wilma Sipperley, Mickey Smart, George Glover, Jack Cline, George Graves, Arthur Buechor, Paul Sutton, Donald Appleton, Francis Graesse.

This year English Literature is taught in place of American Lit. and the classes are now reading Beowulf and Chaucer's "Canterbury Tales."
Miss Wellington:
Our seventh grade classes have started off very nicely. The seventh grade, numbering well over forty in every class, includes a good many students who seem interested and eager to learn. Just now, in English, we are collecting nature poems in both junior high classes, and a nice appreciation is being shown.
In eighth grade civics we are just beginning the study of community health and community society.
Our sophomore geography class has made a slow start, since our books have just arrived, but no doubt we shall accomplish a great deal in these next few weeks.

Tenth Grade Class News:
The tenth grade class had their class meeting on Tuesday, September 12. The following officers were elected:

President—Willard Bain
Vice president—Helen Smithson
Secretary—Malvina Smith
Treasurer—Laura Vliet
It has been settled that there will be no class meeting or class parties until the dues which are ten cents each month, are paid.

GRADE NEWS

Mrs. Beardslee's Room:
The boys and girls in the second and third grade are happy to be back to school again even though many of them had very interesting experiences on their vacation. Their new text books are colorful and interesting. The children are learning September songs and poems.

Miss Martinen's Room:
The kindergarten pupils are learning nursery rhymes. There are 16 kindergarten pupils in the morning and 13 1st grades. In the afternoon there are 26 first graders. The 1st graders are beginning their fun project entitled "Experience on a Farm". Reading in the first grade will start in a week or so. Songs, skipping, marching and games of all kinds keep the pupils busy. Donald Lord is a new 1st grade student.

Mrs. Morton:
Last Friday the 5th graders chose the 8 most courteous people in the room and it seems they did pretty well. Those chosen were Katherine La Plante, Jack Walker, Jimmie Fuller, Floyd Marlowe, Bruce Watson, Jack Hagen, Judy Bevans, and Doris Boyens.

They also studied Byrd's Expedition to the North. They have taken an interest in transportation as you can see by the walls of the room which are brilliantly decorated with pictures of cars, trains, etc.

Buy one of these teakettles and you'll WISH YOU HAD TWO!

This clever new teakettle is a real time-saver: It will prove such a help around the house that you'll wish you had two of them—one for the laundry, one for the kitchen. A dozen times a day you'll appreciate this quick, easy source of hot water—for washing dishes, for shaving, bathing, shampoos, for sterilizing bottles, for cooking, making tea and coffee, and countless other tasks. Made of highly polished aluminum, spotlessly clean, the kettle can be used anywhere in the house. Simply connect to the nearest electric outlet. A pop-out plug guards against damaging the element if negligence allows the kettle to boil dry. The connection plug pops out automatically and shuts off the electricity.

On Monday afternoon Clarkston Fire Department was called when a grass fire on the Dixie Highway just north of Depot Road threatened the Boothby barn. It is believed that like

many wayside grass fires this fire was started by some passing motorist who thoughtlessly threw a cigarette stub from his car.

The Seymour Lake Ladies' Aid had its September Birthday Party at the Methodist Parsonage in Clarkston. Mrs. W. Harold Pailthorp was the hostess. There were 25 ladies present. The afternoon was spent in various social games and Mrs. Pailthorp played a piano number.

Miss Joyce Hinkley of Fenton spent several days last week with her uncle and aunt, Mr. and Mrs. K. G. Hempstead, and her cousin, Kenneth. On Thursday evening of last week Mr. and Mrs. M. E. Hinkley, Joyce's parents, came to the Hempstead home and enjoyed a steak roast on the beautiful grounds at the rear of the home. Joyce returned home with her parents and expected to leave this week for Wheaton College.

How Homegrown

Timber May Be Used

For many purposes, homegrown timber can provide lumber as good or sometimes better than standard lumber stocks. Growths of ash, elm, beech, birch, black locust, red oak, hickory and maple in Oakland county offer means of cutting lumber bills if the sawed material is used for pur-

Low-Cost Heat SPRING-FALL ..GAS BURNER

Solves Between-Season Heat Problem

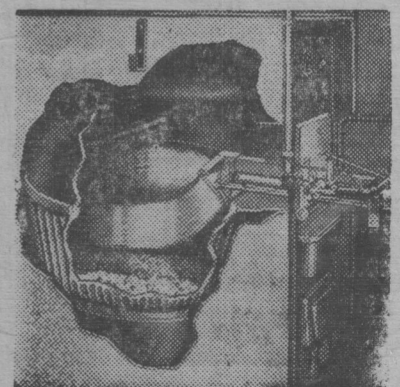

Light one match! . . . that's all your kindling and shoveling during Fall and Spring. End between-season heating troubles. Try this gas burner—see what automatic heat can mean for your family health and comfort during the "cough-and-cold" season.

TRIAL PLAN for you

Try the burner—prove its helpful and healthful benefits right at home. You don't have to buy it now to do this. We will install it for a trial during September and October—April and May. You keep it right there, ready to use, during any of the months in between. There is an installation payment of \$1.50 a month only for these four particular months. Then if you keep the burner, this \$6.00 will be credited as your down payment and the purchase may be completed on regular easy terms.

The burner fits right in your furnace door and goes to work. Can be instantly placed . . . or removed and hung beside the furnace when not in use. No changes needed in furnace. Go back to coal, coke or stoker any time. Thermostat controls heat at any desired level. Patented burner design uses "a little gas for a lot of heat" . . . more efficient than solid fuel. You'll be pleased with the economy of this plan compared with what you pay for solid fuel to cover the entire season. Installations now in use prove it. Let us give you the figures. (Priced at only \$66.50 cash installed complete with thermostat.)
