two local hunters who went North for "First Love". Deer-or at least one deer. Now one of these hunters "went up for the daughter Miss Bettieann were guests conscious chauffeur. And when, after exercise". There is some doubt as to at a Thanksgiving dinner at the a tough day at the office, Borden what would have happened if he had home of Mr. and Mrs. Theo Miller of comes home hoping they will at least bluff, he bravely set out hunting, guests included Mr. and Mrs. George Climbing over the crest of a small Pringle and Dr. and Mrs. George E. hill, a small black object approached him. The small black object was a bear . . . get that . . . a BEAR . . . in person. Afraid that to shoot, he might just injure the animal and he might be attacked by the bear who O'Dea is suffering with arthritis and might get angry at someone shooting it may be some time before the at him, the hunter fired his gun in the air, straight up, to call his hunting partner, and the bear, probably as afraid as the hunter, ran away. At least that is the story as we heard

While we are on the subject of hunting let's be real outdoor sportsmen and talk about fishing. We understand that last Saturday afternoon, Ralph Minnis and A. T. Stewart of the Fish Hatchery at Drayton Plains, placed 500, legal size, trout in Deer Lake. No need to go North fishing next season.

Some time ago, Superintendent D. M. Winn and yours truly were discussing fire drills in schools. We both agreed that even in "Fireproof" schools such as the Clarkston building, drills were necessary because son. figures showed that more were killed and injured in the panic that generally ensued than were burned. Wednesday when I called at the school on business and dropped into D. M.'s office to pass the time of day, he remarked how nice the weather was. I agreed. He remarked that the pupils would probably like to get out of doors for a few seconds. Remembering how such a gesture had been very welcome in my classes, again I agreed. He suggested a fire drill, and eager to see news in the making, again I agreed. So we walked down to the fire box, the alarm was sounded-and did that school empty. Quietly, quickly and very efficiently ways in double column, each class Winn remarked "I felt that I could only a few pennies. show, rather than tell about how fire drills were carried out." We believe that the children are safe while at-

#### HOLLY THEATRE

Pioneering a new type of screen comedy, RKO Radio stars Ginger Rogers in "Fifth Avenue Girl", an uproarious tale of a sidewalk Cinder ella who brings about a revolution among the members of a rich but unhappy New York family.

The picture revolves around the manifold activities of the Bordens in their Fifth Avenue home facing Central Park. The father, who has made millions with his pump-manufacturing company, suddenly realizes that his family thinks of him only as a one-man mint.

His wife is carrying on with playboy, plans to go to Reno and get a divorce. His son neglects the business to play polo. His daughter travels with a dizzy crowd of nit-wits, but is in love with Borden's classthey have forgotten that too, and have gone elsewhere for the evening.

Despondent, he strolls into the park and encounters a jobless but that he would report the incident to Bowden, Supt. cheerful working girl. He joins her, the State Police and there would hectic evening of night-clubbing, takes her home with him as a guest. Her presence scandalizes the wife, amuses the daughter but it centers the family attention on the father for the first time in years.

Accordingly, he secretly hires her to stay and help him put on an elaborate act, calculated to unite his disintegrating home. Under protest, she agrees-but the results are somewhat unexpected. She finds herself mixed up in the daughter's romance and as the object of the son's exasperation as well as interest, while the mother frantically tries every method to bring her husband to his senses.

The upshot of it is that the whole family has its respective troubles solved, although the process nearly makes a wreck out of the solver, and the picture takes its stand as one of the season's most sprightly offerings. Miss Rogers is perfectly cast as the heroine of the hilarious story, and Walter Connolly heads the featured players as the pump-making

With its elaborate settings, which include the complete reproduction of a Fifth Avenue mansion from roof to basement, and a section of Central week. Clarkston Methodist Church. As the Park, the film has been made on a scale comparable with the importance of this, Miss Rogers' solo star ring vehicle.

Rev. Taylor officiating. Mr. and Mrs. Harris will make their home on Burlingame Ave., in Detroit.

#### The Hilltopper

SENIOR PLAY POSTPONED UNTIL DECEMBER 9

Because of the delay in receiving tage directions, it has been necessary to postpone the Senior Play 'The Admirable Crichton" by James Barrie, until Saturday, December 9. The play will be presented in the school auditorium at 8 o'clock. Keep the date in mind!

This play, one of the best to be written in the era, deals with the problem of social equality. The setting is England at the turn of the last century, with an interlude of two vears on a desert isle, where British. class consciousness and social ideals are tested against the most primitive human needs and wants. The plot centers about the conflict between Lady Mary Lasenby, heiress to generations of British aristocratic tradition, and Crichton, the butler, who consents to be a "gentlemans gentleman", just for the voyage. However, we must not forget that Barrie wrote this play, and Barrie's light touch and delightful humor are present in every scene, yes, every line. The cast is working very hard to do justice to this great author Bible School, 10:00 A. M. Lloyd and his play, and we are hoping to play "Admirable Crichton" to a full

house.. STUDENT COUNCIL ELECTION For the past few days Clarkston High School has been the scene of

much heated campaigning. Petitions sponsoring candidates for the student council have been "floating" around. It seems as a result of the melee the following candidates of the Student Council have fulfilled all re-

quirements: For President: Basil Bird Jr., Owen Payne, Irene Walz, Julia Edgar; for Business Manager: Carmen Clark, Doris Batten; for Girl's Commissioner: Rita Wilson, Anne Russell, Bernice Budrow; for Boy's Commissioner: Donald Smith, Richard Baird.

On Thursday an assembly was held during which the various candidates Beardslee, King McIntyre, Arthur did a little "log-rolling" and campaigning, each explaining their platform and stating their qualifications.

On Friday, the final elections will be held under the direction of the Senior Civics class. The secret ballot will be employed and any student who is properly registered may vote for their favorite candidate. Watch for the results in next week's paper!

#### ROLLER-SKATING PARTY

The roller-skating party turned out to be quite a success. The next day most of the students were walking in their sleep. Even the teachers that Smith and son, Donald, and Mr. and went, were too tired to be cross in Mrs. Clifford Bennett and two sons classes. We hope the proceeds, which had dinner on Sunday at the home of were \$22.00, will be sufficient to pay Mrs. Smith's mother, Mrs. Louella for the six majorette costumes. We are sure that everyone had an enjoyable evening.

The eighth grade is preparing for their second marking period tests in English and Civics. They are thinking of putting on a Christmas play. This will probably be the "Christmas Carol". This will be prepared in radio form and will be one of the most interesting things of their class year. At the present it is only rumored but we hope them luck. Mr. Waters

The Biology classes have just finshed the study of vertebraes and have now started to study Invertebrates. We have used the microscope | ginia. and have seen through it, animals so small that hundreds of them exist in a drop of water. These protozoans are the smallest of all animal life. We are now going to begin our study of the higher animals.

The Chemistry class is doing its first work in qualitative analysis in which they determine what materials. are present in substances given them. Junior Class Party:

Wednesday night before Thanksgiving vacation the "Mighty" Juniors had their first class party at the school. Games were played the first part of the evening. Then under the direction of Mr. Waters a Melodrama was presented with the hero being none other than Red Smith making love to the Heroine, Betty Smithson. Many laughs were brought out of the audience by the acting of the cast. Later Hamburgers and coffee were served. Dancing followed until we departed, tired and weary with hopes of future successful parties.

departed, tired and weary with hopes of future successful parties.

Band News: Mr. Willoughby

The band as well as the team was favored with a very beautiful day last Friday afternoon for the last game of the season. Especially those spick and span uniforms!!!!

After saluting the two goal posts they formed a block letter "A" for Auburn Heights and a "C" for our home team. They did it very well and this was the best, fitted performance of the year.

The band also played very well last Friday night after the advertisements of the Michigan Bell Telephone Company.

FOOTBALL!

Friday, Nov. 17, the Clarkston football team played the last game of the season against Auburn Heights. There was quite a large turn out and the High School band player which was quite an attraction. The score was 6 to 0 in favor of our rivals. Now that the football season is over Mr. Thayer can look forward to the Basketball season of which he will also be the coach.

Bathroom Adaptor \$2.00 The BATHROOM

needs the benefit of good lighting, too!

Ask the man who is shaving how important it is to have good lighting! A bathroom with a single glaring lamp bulb—unshaded—is woefully lacking in proper Light Conditioning. Bare lamp bulbs produce harmful glare, and there is no reason why you should put up with them. A clever new adaptor unit is available that screws into the socket of the ceiling fixture, furnishing an abundance of soft, pleasant light, free from glare and harsh contrasts. You can transform your lighting with a twist of the wrist! The Detroit Edison Company does not sell Light Adaptors. See them on display at department stores, hardware stores, lighting fixture stores or electrical dealers.

> Materials suggested by Professor gats or rye if they are free from

Mulching reduces winter damage,

Effectiveness of the mulch depends on the time and manner of application, says Professor Loree. Application should be soon after the soil begins to freeze in the fall, in Michigan in late November or early December.

How thick a mulch? There should Depending on the material, this straw for an acre.

heavy it will be necessary to open the plants try to grow through. turbed until after the harvesting season. This one question is one frequently submitted to the small fruits specialist at the college in meetings and correspondence.

Some delay in spring can retard blossoming and help escape damage at the Edward Fuller home on Fri- from late spring frosts, but this day. On Friday evening Mrs. Fuller must be timed well, otherwise plants will smother. Any of the periodic examinations in spring showing indications of bleaching of the plants means the mulch should be opened regardless of the calendar.
