## Fire Association Has Meeting

The February meeting of the Clarkston Fire Association was held Wednesday evening. About twenty members were present to discuss the business of the evening and to make plans for the future.

Entertainment for the evening consisted of a motion picture program. One reel dealt on local pictures taken by Lloyd Sibley. They featured Frank Molter rabbit hunting and activities of other members. Three reels of Gulf fishing—from tuna to capturing a whale—proved interesting. Editor's note: Regardless of how good a motion picture show is, someone will shout "What—no Mickey Mouse." So—comics followed including Mickey Mouse.

## BROWN EXPLAINS 'SCAVENGER' SALE

### Auditor General Elucidates Several Important Points

Auditor General Vernon J. Brown today expressed gratification at the interest being shown in the coming auction sale of state-owned properties which one-time owners lost because of tax-delinquencies.

"Judging by reports," said Mr. Brown, "former owners are crowding the offices of their county treasurers to learn the procedure of the sale so that they may plan to repurchase their properties. It is gratifying that these people are accepting the generous provisions of the State Land Office Board Act which offers them this final opportunity to regain their properties."

"It is not the desire of the Board or the State of Michigan to dispossess any owner. For that reason, we have adopted very liberal terms which should meet every reasonable request."

"Owners may bid at the auction sale and if other bidders appear, they need not enter into competitive bidding, but may within 30 days meet the bid of any other bidder. Purchasers who had no previous interest in the property must pay cash, but the Board is extending a liberal contract to former owners so that they may pay the amount of their bid over a period of time in monthly installments."

"One word of warning should be issued, however; the owner should be certain that at least the minimum bid of 25% is made at the sale. While it is true that the owner has the right to meet any bid during the 30 days following such bid, it is entirely possible that some properties may be offered upon which no bids will be made. In such cases the owner would not have the privilege of meeting a bid because no bid had been offered. The owner should, therefore, protect himself by seeing that at least the minimum bid of 25% of the 1938 assessed valuation is submitted.

"No written bids or prior bids can be accepted."

Lists of properties offered for sale, and detailed information are available at the offices of the county treasurers of the counties under the jurisdiction of the State Land Office Board. Mr. Brown suggested that all those who are not entirely familiar with the procedure concerning the sale should immediately contact their county treasurer for details.

Mr. and Mrs. Alfred Lee and son, David, of Orion Road left last Saturday to spend a short time in Florida.

## Odds and Ends

Recent opinion from the national capital seems to hold that the proposal to put the government into the business of making loans to small businesses has a poor chance of being approved at the present time.

Going by the available evidence, there seems to be practically no good reason why the proposal should have been made in the first place. There have been numerous recent surveys of the character of the service today performed by private banking on behalf of the small borrower. They all indicate that this service is better than at any time in the past, and is steadily improving. It is doubtful if ever in our history banks sought so eagerly for loans, in either large or small amounts.

Many banks have gone in for personal loans. Others are financing the purchase of automobiles on terms. Practically all banks are vitally interested in serving the small business, which may need a few hundred or a few thousand dollars for expansion, or for some other legitimate purpose. And interest rates, as everyone knows, are unusually low.

Government in the small loan business could very well develop a dangerous political machine—one you control a nation's money, it isn't hard to control everything else. The private banker is responsible to the people. Government banking would be directly responsible to no one save the political party in power at the moment, which is always expert in whitewashing its errors. We already have far too much government in business.

## Rabbi Friedland Forum Speaker

If one is interested in how the rest of the world gets along, he would be interested in the series of four discussion groups to be held during the four Sundays of February at the Clarkston Methodist Church.

The first speaker was Rabbi Eric Friedland of Pontiac and his talk was given Sunday evening. The Jew and his place in the world was the subject and it presented a brief for the Jew, his faith and his right to exist in a world which throughout the ages had proven hostile to the Jewish Faith.

E. C. Robinson, Negro Lecturer, will speak at the Second Forum Meeting. On Sunday night another outstanding presentation will be made at the Methodist Church by a man of slave parentage, educated in the deep south at a Protestant Mission School. The subject will be THE BLACK MAN IN A WHITE MAN'S WORLD. Following his speech, you will have the opportunity to present questions. You will discover the unusual merit of these Forum Meetings if you attend any one of them.

## Scavenger Sale Drawing Interest

In addition to individuals seeking to increase their individual wealth, the Village of Clarkston, School District and Township of Independence are considering securing certain properties that might be valuable for the three governmental bodies.

## Junior Literary Club Met Tuesday Evening

### Mrs. Stanley Henderson Was the Hostess

On Tuesday evening the Clarkston Junior Literary Club met at the home of Mrs. Stanley Henderson. Roll Call was answered by giving a "household hint."

The program dealt with "The House." Mrs. Gordon Parker gave an interesting paper on "Interior Decorating" and Mrs. Stanley Henderson gave a very fine paper on "Making a Happy Home."

At the business meeting it was decided to again remind the public that the Literary Club is a member of the "Book of the Month Club" consequently they have some extra good books to rent. Anyone wishing to get one of these splendid books should call at the home of Mrs. Henderson, 74 East Washington, or phone Clarkston 3891. The group also decided to start a sale of playing cards and birthday cards. These can be obtained from any member of the club. At the close of a very pleasant evening the hostess served dainty refreshments.

## PORT HURON TO HONOR EDISON

Plans are now being completed for Port Huron's tribute to the memory of Thomas A. Edison on Saturday, February 10, and Sunday, February 11, and as a part of this commemoration a train of unusual interest will be operated from Brush Street station, Detroit, to Port Huron, according to A. B. Chown, passenger traffic manager of the Grand Trunk Western Railroad. The special train, leaving Detroit at 9:00 a. m., Feb. 10, will be hauled by a wood-burning engine and will carry equipment typical of the period when Edison was a young man, including a replica of the actual Grand Trunk baggage car on which Edison conducted his early experiments while working as a newsboy over that route. Riding in the train with Mickey Rooney, star of the film "Young Tom Edison", which will have its premier in Port Huron that evening, will be Henry Ford, Gov. Dickinson of Michigan, J. A. Clancey, General Manager of the Grand Trunk Western, and other notables.

In contrast to this old-time equipment, a fast, modern train of the Grand Trunk Western Railroad will act as a pilot to the "special" and as the latter will be placed on exhibition at Port Huron, passengers will return to Detroit in up-to-date speed and comfort, leaving Port Huron at 10:30 p. m., or directly after the film premier.

On the occasion of Port Huron's remembrance to Mr. Edison, whose boyhood and early manhood were lived in that community, located on the banks of the St. Clair River and Lake Huron, across from the Canadian boundary, fronts of stores will represent the city of Edison's day; there will be a "We knew Edison" luncheon; a public dinner; a reception; a ball in the evening, and other events.

Mr. and Mrs. Maurice Orden and son Jimmy spent the weekend at the Bille Lake with her brother, Maurice Kerton.

## "Trial By Jury" Presented Last Friday

The choir of the Central Methodist Church, Pontiac, under the direction of Rev. Herbert Hausser, associate pastor of the church, presented the Gilbert and Sullivan operetta "Trial By Jury" at the Clarkston Methodist Church on Friday night of last week.

This musical treat was without a doubt one of the best that has ever been in Clarkston. Before starting the operetta the choir sang several more-serious numbers and the church quartet, Mrs. Lola Wright, Miss Stella Lou Hammond, George Puddick and Rev. Hausser, offered a very beautiful selection. Along with the adult choir came little Miss Dorothy Wright, a member of the junior choir, who sang two very lovely solos.

The operetta was humorous and by all appearances was enjoyed not only by the audience but by every member of the cast. The leading parts were taken by Rev. Hausser, Marian Bennett, George Puddick, Hilton Phipps, Ted Linabury and Robert Field. The piano accompanist was Mrs. W. Henry Sink.

On Friday night of last week about thirty-five friends of Mr. and Mrs. Leslie Alward and family gathered at the Alward home to honor Mr. and Mrs. George Alward, whose marriage was just recently announced.

During the evening the group had a good time playing progressive Five Hundred with the honors going to Mrs. Fred Beckman, Mrs. Rose Mary Sarvis, Halbert Losche and Frea Beckman.

Mr. and Mrs. Alward were the recipients of many very lovely gifts and the best wishes of all of their friends in the neighborhood.

At the close of a delightful evening dainty refreshments were served.

## HOLLY THEATRE

Garbo sings. Garbo dances. and Garbo laughs in her first picture in two years and her first venture into sophisticated modern romantic comedy. The picture is "Ninotchka", in which the Swedish star comes Tuesday to the Holly Theatre.

Teamed with Melvyn Douglas, who also played opposite her in "As You Desire Me" Garbo was directed by Ernst Lubitsch. Many whimsical "Lubitsch touches" enliven the story.

Garbo plays a stern Soviet commissar sent to Paris by the Russian government to sell a noblewoman's confiscated jewels. The noblewoman and a French count fight the deal in court. Garbo and the count fall in love. The noblewoman maneuvers to get Garbo back to Russia but the count maneuvers to have her sent to Constantinople where they are married.

Ina Claire plays Garbo's love rival Bela Lugosi is seen as the stern chief commissar and the picture introduces a new comedy trio in Felix Bressart, Sig Rumann and Alexander Granach as three Russian commissars "gone Paris". Other players include Gregory Gave, Rolfe Sedan, Edwin Maxwell and Richard Carle.

Garbo dances ultra modern swing with Douglas, sings a French chansonette with the three commissars, and introduces a new "Garbo" hat to the world of fashion.

The story abounds in brilliant dialogue, and Garbo learned a hundred new cent more lines than in any of her previous pictures for her first ultra-modern role in some years. It had long been her ambition to play in this type of story.

## NOTICE

Monday, February 12th, is the anniversary of Abraham Lincoln's birth and is a national banking holiday. Consequently the Clarkston State Bank will be closed.

## Thankful I'm Busy

With no dependents on my toil,  
Or no contacts with public life,  
Never again need till the soil—  
To live forever free from strife,  
Upon first thought it seems to me—  
To one who's labored days no end,  
No sweeter thing could ever be  
Than have my life follow this trend.

Yet if I would just close my eyes  
And picture life to be like this,  
I soon would come to realize  
That such a life would not bring bliss.

That I was made to labor long,  
If I would live and be content,  
I get a thrill from being strong—  
To be a shepherd I was meant.

I fill with pride to think that I  
Am trusted with the lives of men,  
And I will labor till I die  
To do my job the best I can.

And thank my God for sacred trust  
That he has placed upon my door,  
I pray that I be kind and just,  
And do my best forever more.

R. C. B.

## School Bonds Are Refined

Miller, Kenower & Co., of Detroit made the best bid for the refunding of \$115,000.00 in school bonds of the Clarkston School. Two other bids were made.

The bid provided interest charges on the bonds as follows: Due April 1st 1942, 2 3/4%, a saving of 1/2%. Due 1947, 3 1/4%, a saving of 1/2%. Due on maturity, 4 1/2%, a saving of 1%. Total savings to the district will be better than 20%. It will be remembered that school taxes this year were the lowest for some years so the savings will not be immediately apparent.

## Methodist Ladies' Aid Met Wednesday

### Plans Were Made for the Annual Father and Son Banquet

The Ladies' Aid of the Clarkston Methodist Church met at the parsonage after noon. There was a splendid attendance.

Mrs. L. F. Walter, the president, conducted the meeting which was opened with the singing of two old familiar hymns and prayer. The minutes of the previous meeting were read and approved. Several matters of interest were discussed, one of them being the annual Father and Son banquet to be held some time this month. The following were appointed on committees: program, John Breaker, chairman, Rev. Pailthorpe and Robert Waters, publicity, W. H. Stamp and F. E. Davies; tickets, Gerald O'Dell and Percy Craven; menu and kitchen, Mrs. Agnes Beardside; dining-room, Mrs. William Dunston, chairman. The date of the banquet will be decided by the program committee. Mrs. L. F. Walter and Mrs. C. J. Cheeseman were chosen as delegates to attend a conference at the Central Methodist Church in Flint on Thursday, Feb. 15. The conference opens at one o'clock and any who are interested are invited to attend. It was decided to hold a Pinnu Supper some time in March. As this was an "Experience Meeting" each member told of their experience in earning some money for the Aid treasury. The amount collected was \$40 and more money is expected.

When the business meeting had adjourned the members were invited to the dining-room where refreshments were served. Mrs. L. F. Walter and Mrs. J. E. Ammat presided at the tea-table which was attractive with the Valentine color and motif.

Mrs. A. E. Ulrich, Mrs. George Marshall, Mrs. Elizabeth Rockwell and Mrs. William Gulick assisted Mrs. Pailthorpe.

### INTERCLASS BASKET BALL!!!

The interclass basketball has started. The eighth grade boys beat the 7th; the 10th beat the 11th, the 11th girls beat the 9th girls. After this there was a tough game between the 9th and 7th boys. Everyone seems to enjoy these games.

### JUNIOR ASSEMBLY

The mighty Juniors put on an assembly Friday. After spending about three days writing their script they had about two days left to practice, but it seems they had a streak of luck at the last moment and it turned out for the best. Their play, "A Hill-billy Wedding" proved to be successful and they now have more faith in themselves for the Junior play. With Elaine Waterbury as the romantic hillbilly girl and Clifford Bennett as the unromantic boyfriend there were many laughs. The girls playing hill-billys at the wedding proved to be very well fitted for their parts (not meaning anything) having very good costumes. By the way, Mr. Waters coached the play.

We asked some people for their opinions and here are some!

Doc Thayer—Terrible! The only two good things were the dances.

George L.—Good—very clever.

Dick L.—Really Good! Though Russell Dommer was best.

Melvina S.—Real Good—Lot of Life.

Laura V.—Pretty Good.

Barbara A.—Good, but some parts were kind of dumb.

Don Tee—That Cliff is quite a man!

Gerry W.—Can't be beat! Why look who put it on!!

Mrs. Walter: Our English Literature Classes have been studying a group of poets who broke away from the accepted tradition of the age in which they wrote; these authors include Goldsmith, Burns and Gray and others of lesser fame.

We are now at work on selections of some of England's greatest lyric poets—Coleridge, Wordsworth, Byron, Shelley and Keats.

The tenth grade world history class is studying countries of the eighteenth century Europe. This is not an easy task or we have not been able to spend a great amount of time on any one country and it's a bit difficult to keep the Hohenzollerns, Hapsburgs, and Bourbons in their proper places.

Our study of the partitioning of Poland in this century was particularly interesting because of our increased knowledge of Poland because of the recent conquest by the Reich.

The Junior American History class has been writing papers on the Reconstruction of the South after the Civil War while the eighth grades have been studying reforms and reformers in the early nineteenth century.

Mr. Willoughby's News: Shop: As the 8th grade shop boys begin their last semester of woodworking, they are choosing projects ranging in difficulty from broom holders to elab-

orate corner cupboards. Our display at the Achievement Day program should show more variety of patterns, more difficult projects, and more accurate workmanship than those of last year.

The enrollment in both Band and Orchestra for the second semester has increased until there are now thirty-three in band, and thirty-two in orchestra, and several other students should be eligible within a few months.

Persons have made application to begin music lessons this semester but must wait until next year to enter a beginners class.

Mr. Waters' News: In chemistry we are studying Ionization with demonstrations, included in the discussion.

In Algebra we are studying the

fundamentals of fractions. In Biology we are trying to socialize the class, making it more interesting (concluded on supplement)

**YOUR VOICE...YOUR BEST VALENTINE**

Many people are likely to disagree with the old saying that "absence makes the heart grow fonder." They have found it quite the other way! Affections, like friendships, must be kept in repair. And the telephone is ready to help you. If you can't be with some special somebody on Valentine's Day, call her (or him) on the telephone. It will take your voice, a personal gift, across the miles. And there isn't a case on record where a telephoned Valentine has failed to make two hearts glow with added friendliness. Long Distance rates are lowest nights after 7 and on Sundays.
