Clarence J. Sutton, Minister MOTHER'S DAY? Yes a worthy day. The ideal mother is the most Christ-like individual in her sacrifice and devotion that the world knows. But, "There are many kinds of mothers". Not all of them to-day are Christ's ideal. Worldly, unbelieving, beer - drinking, cigarette - smoking, painted mothers are never a blessing to any home, or community, and are greater menace to the future of America than all the foreign powers. Nations are more often destroyed

from within than from without. 'The prayer "God give us men", will never be answered, until another, "God give us Mothers", has been realized. "God give us mothers", godly mothers, faithful mothers, praying mothers,

Inside the car, where bigness really counts, you find a Ford V-8 extra "big for its size." Big by any measure, it's especially so at the important comfort points shown below. Check them now, then come in and try a Ford. It's got a lot of things like this that are just too good to miss!

Measured from windshield to rear window, a Ford Sedan is 100¼ inches ... this is longer than in a number of much higherpriced cars today!

**B** Kneeroom for rear-seat passengers in a Ford is considerably greater than that of any other car in its price class!

With its compact V-type engine, the Ford is designed to carry rearseat passengers farther ahead of the rear spring, than any other car at this price-toward the center of the car where riding quality is best!

so much you wouldn't expect at its low its price in the Gilmore-Yosemite Econprice. Surprising all-round perform- omy Run. Surprising in its big-car ride ance, as proved when it won the big and room.
