Thirty-Six Attend Water Safety Class

44 participants and 10 spectators attended the water safety program of the Oakland County Chapter, American Red Cross, at its regular summer program at Springwater Beach, last week, according to Kline B. Hartman, chairman of water safety and lifesaving. 36 participants and 15 spectators attended the classes at Deer Lake. 34 participants and 8 spectators attended the classes at Bald Eagle Lake. Water safety classes, which are held once a week for 8 weeks at 17 beaches of the county, are open to adults as well as children. Fundamental swimming skills as well as senior and junior life saving will be included in the classes. Elements of personal safety and rescue are taught and practical tests passed before certificates can be secured. Various carries, releases, approaches, and artificial respiration are included in the course. Miss Ruth Kimball, executive secretary of the chapter, states that Miss Dorothea Lawrence, water safety director of the chapter, is assisted by Mrs. Mary Richardson, water safety instructor of the W. P. A. educational program, and Miss Marian Chase, water safety instructor. The water safety class meets at Springwater Beach at 12:30 each Thursday; at Deer Lake at 2:30 each Thursday; and at Bald Eagle Lake at 4:30 each Thursday.

Politics

Clarkston is well represented in the County Political fight this year. Joseph Seeterlin will run for the office of Sheriff on the Democratic ticket, while Chester Taylor will seek the office of State representative on the Republican ticket. Frank Perrin is in the race for the office of Prosecuting attorney on the Democratic ticket.

Prepare for Cold Weather

For those suffering with the heat we have been requested by one of our urgent boosters to remind them that it will soon be Christmas, and probably a cold, white one.

Clarkston Locals

Miss Martha Miller is spending her vacation in East Elmhurst, L. I.

Guests at the A. B. Wompole home on Sunday were Mr. and Mrs. Lyle Connolly and daughter of Detroit.

Mrs. Herbert LaVigne Is Hostess to G. O. P. Women

Louis Cohane, Detroit Attorney, Was the Speaker for the Afternoon

On Tuesday afternoon the executive board of the Oakland County Federation of Republican Women met at the home of Mrs. Herbert LaVigne on Bridge Lake Road.

At one o'clock a group of about sixty-five enjoyed a cooperative luncheon on the spacious grounds.

Mrs. Bert Norton, of Rochester, chairman of the organization presided over the meeting which opened with "God Bless America" sung by Master Garland Wells of Pontiac. This young singer stood beneath the Stars and Stripes while he sang and his clear, strong voice could be heard for quite a distance. He invited the group to join in the singing of the chorus.

Several speakers were introduced including Rep. George A. Dondero; Lynn D. Allen, Oakland County clerk; Orrin McQuaid, register of deeds; Vern C. Hampton, circuit court commissioner; Justice Edmund J. Donahue and Louis Cohane, Detroit attorney, who was the main speaker of the afternoon. Mr. Donahue and Mr. Hampton explained the new non-partisan election of probate judges and circuit court commissioners. Mr. McQuaid gave an interesting description of the Republican convention in Philadelphia and most of the other talks dealt with American democracy.

After the addresses the regular business meeting took place. Everyone was invited to attend a picnic at the home of Mrs. Arlene Plank on Edgeworth Avenue in Royal Oak on Wednesday, August 7th. A cooperative lunch will be served at 12:30.

HOLLY THEATRE

Bob Burns, with his bazooka and his homely, humorous stories about the kinfolk back yonder, returns to the screen in the new Universal comedy, "Alias the Deacon," which opens Sunday at the Holly Theatre.

In contrast to his more recent screen roles, Burns is distinctly himself in "Alias the Deacon."

Comedy situations are heightened by the presence of Mischa Auer, who appears with Burns for the first time. As the volatile barber of an oil boom town, Auer helps Burns solve the difficulties of some troubled friends by outwitting a group of small-time crooks.

Dennis O'Keefe and Peggy Moran provide the romantic interest, and O'Keefe pairs with Guinn "Big Boy" Williams in a desperate ten-round prizefight that proves the action highlight of the picture.

Stars! Stars! Stars! That's whom you will see in the mammoth parade of Academy Award winners in the extra added screen attraction, "Cavalcade of Academy Awards," coming to the Holly Theatre, starting Sunday.

It's the "who's who" of filmland gathered from every studio. Every star who ever won an Academy Award is in it. Never before have so many stars been assembled in one film.

As a fitting climax to the parade of screen favorites, the camera plays on the recent Academy Award dinner in the Cocoanut Grove of the Hotel Ambassador in Los Angeles. Filmed on the spot, it spotlights behind the scenes action of the awarding of the famous "Oscars."

This Warner Bros. short was produced by the Academy of Motion Picture Arts and Sciences under the personal supervision of Frank Capra, well-known director of many outstanding motion picture productions.

August 14th—Wednesday—the Clarkston Royal Neighbors will hold their annual picnic at the home of Mrs. Louella Leighton at Williams Lake. Those wishing to go will be at the Clarkston Dry goods store at 10:30 a. m.

HOLLY THEATRE

"The Friendly Playhouse"

Fri.-Sat., July 26-27—Richard Arlen, Andy Devine in "DANGER ON WHEELS"; William Boyd, Steffi Duna in "LAW OF THE PAMPAS".

Sun.-Mon., July 28-29—Bob Burns, Mischa Auer, Peggy Moran in "ALIAS THE DEACON"; Extra attraction: Cavalcade of Academy Awards.

Tues.-Wed.-Thurs., July 30-31—Aug. 1—Douglas Fairbanks Jr., Madeline Carroll in "SAFARI".

News of Rotary

Robert C. Beattie Read Two of His Poems

The weekly meeting and program of the Clarkston Rotary Club was well attended and enjoyed by the members.

The Orion Rotarians were present and presented the local group with a cabinet to hold their badges. Acceptance was made for the club on the part of Ray C. Ainsley.

Dr. A. W. Schurz gave interesting facts of his life as did Robert C. Beattie. Bob explained how he happened to start writing those poems that appear in the News each week and read two of his best liked efforts in an interesting manner.

Clarkston Can Boast Another Pharmacist

Stanley Spencer, having completed a four year course and having passed the State Examination is now a registered pharmacist. While at School he secured his B. S. degree.

He is now employed at the O'Dell Drug Store.

Mrs. Roderick Muma Honored at Shower

On Friday evening of last week the officers of the local O. E. S. chapter gathered at the home of Mrs. Frank Petty and honored Mrs. Roderick Muma at a Pink and Blue shower.

During the evening three tables of "Bug" were in play. At the close of the evening light refreshments were served.

Sturgeon on Increase in Big Lakes

The sturgeon, largest fish known to the Great Lakes, is staging a comeback in those waters where it is protected.

Veteran commercial fishermen of Manistee have been taking three or more small sturgeon in their gill nets daily and claim that in all their years of fishing they have never caught so many.

Twelve sturgeon ranging to 130 pounds in weight were taken in a single day in a single nine-foot dip net below the Allegan dam on the Kalamazoo river while men of the fish division were securing adult black bass for brood stock.

Recently, a 160-pound sturgeon was lifted in a sucker trap in Suttons Bay.

Not so many years ago, these fish were threatened with extinction. The fish fouled and tore the nets of commercial fishermen who destroyed them in large numbers. They are now protected in all except Canadian waters of the Great Lakes and Lake St. Clair, Ontario and Erie, and in Ohio waters.

County Candidates to Be Questioned

A committee on "Candidates and Issues" has been appointed by the Board of Directors of the Oakland Citizens League. This committee is to submit questionnaires to candidates who file nominating petitions for various offices that are to be voted on at the primary election. A report of the findings of the committee and of the reported qualifications of the various candidates is to be published and given wide distribution previous to September 10.

Happy Hunting Ground

A hungry soul had drunk his fill, And watched the sun sink 'neath the hill.

The glorious colors it did make, When casting shadows on a Torch Lake.

Produced a most fantastic sight, To tell of the approaching night. As I drank all this beauty in, My soul was stirred down deep within.

A multitude stood on that shore— A thousand Indians or more. It seems to me that they have found, This is their happy hunting ground.

And generations by the score, Each night assemble on this shore, And view the beauties of the sun. Across Torch Lake when day is done, Here are the finer things in life.

Without a trace of man made strife. A gorgeous sun and waves that roll— A perfect place to rest the soul. What greater beauties could be found

In any happy hunting ground, Than this magnificent sight I see, As I sit 'neath the old oak tree, And with these multitudes I share, God's glories far beyond compare. Robert C. Beattie.

Death Claims Former Clarkston Girl

Funeral for Mrs. Dorothy Powers Halverson Will Be Held on Friday Afternoon

Mrs. Dorothy Powers Halverson, 26 years old, of Pontiac passed away Wednesday at the Pontiac General Hospital during childbirth. The baby died ten hours later.

Mrs. Halverson was born in Ortonville on May 10th, 1914. She resided there until she was ten years old when she came to Clarkston with her parents. She graduated from the Clarkston High School in 1932. In 1934 she married Lewis Halverson and went to live in Pontiac.

Surviving are her husband; three children, Winifred, 6 years old, Russell, 4, and Raymond, 2; her parents, Mr. and Mrs. Andrew Powers of Clarkston; two sisters, Mrs. Bernice Wright of Clarkston and Mrs. Myrtle Barrett of Leonard, and two brothers, Howard and Floyd Powers of Clarkston.

The funeral services will be held at the home of her parents, 5888 Orion Road, Clarkston, at 2:00 p. m. on Friday with Rev. Frank Hemingway, Pastor of the Lapeer Methodist Church officiating. Interment will be in Ottawa Park cemetery.

County Farmer's Picnic July 31

How is the American farmer going to feel the effect of the war abroad and what can he do about it?

Dean Ernest L. Anthony of the Agricultural Division of the Michigan State College will discuss the effects of war upon agriculture before members of the local granges, farm bureau, farmer's clubs, milk locals, members of the Agricultural Conservation Program and 4-H clubs at a farmer's picnic, scheduled for Wednesday, July 31 at the Davisburg Park. The event is sponsored by various farm organizations and farmers. Everyone interested is invited to bring the family and a basket lunch.

Other features of the picnic include a farm machinery exhibit which will be made by farm implement dealers throughout the county. The Clarkston band will give a concert at 12 o'clock. The sports program includes a soft-ball competition between three teams made up of farmers. Harold Albertson of Oxford is in charge of the baseball tournament.

Ralph Brown of Davisburg and Herbert Baynes of Clarkston are in charge of a sports program for children while Fred G. Beardsley of Oxford will assist with the machinery exhibit.

Walter Cook, chairman of the County Soil Conservation Committee, has arranged for exhibits on milk cooling, educational material on the Soil Conservation Program and exhibits from the Michigan Milk Producers Association. James S. Mitchell of Holly is general chairman of the event.

License Plates for 1941 Selected

Names of counties will not appear on the 1941 maroon and white Michigan license plates, Harry F. Kelly, Secretary of State, announces.

This decision was reached following tests at the General Motors Testing ground at Milford, which showed that the name of the county would fill up the plate and therefore, reduce the visibility.

"There is no need for the county name on a plate, anyway," said Mr. Kelly, "because the serial letters tell law enforcement officers or any one else who is interested enough to inquire, what county and branch office the plates came from."

Mr. Kelly has been appointed chairman of a committee of the American Association of Motor Vehicle Administrators to continue experiments as to what license plate sizes and colors are most readily visible. Michigan received this honor because it is the first state to adopt a uniform licensing system under which special plates are not issued, even to the highest officials or most prominent and influential citizens.

Clarkston Locals

Funeral service was held for Louis Pierson, 70 years old, of Flint on Wednesday afternoon with burial in Green's cemetery at Hadley. Mr. Pierson passed away on Monday after an illness of three weeks. He is survived by his widow, Lizzie Pierson and one sister, Mrs. A. B. Hubbard of Clarkston.

Rev. W. Harold Pailthorp, Pastor of the Clarkston Methodist Church officiated Sunday afternoon at the marriage of Miss Phyllis Gibbs of Birmingham and John J. Orr of Romeo. Miss Phyllis Waggener of Ferndale and Robert S. Buritz attended the young couple. Mr. and Mrs. Orr will reside in Detroit.

Willis D. Lefurgy Is Candidate

In an interview with Willis D. Lefurgy, who will be a candidate for Circuit Court Commissioner, he said,

Willis D. Lefurgy

"I am a lifelong resident of Oakland County, having been born in Pontiac Township, the son of Frank T. Lefurgy and Bertha Willis Lefurgy. The first several years of my life were spent on a farm in Avon Township, following which I moved with my parents to the City of Pontiac, where I have resided ever since.
"Following my graduation from Pontiac High School, I attended the Detroit College of Law where I received my legal training, and graduated with a Bachelor of Laws Degree in June, 1931. I was admitted to practice in County and State Courts in October of that year. Since my admission to the Bar I have been actively engaged in the private practice of law, and am now associated with Earl L. Phillips, Attorney, in offices in the Pontiac Bank Building.
"My education and experience in real estate law qualify me to competently handle the duties of the office I seek, and, since I am not obligated to any group or class, I am confident I can fairly and impartially discharge the duties of a Circuit Court Commissioner."
Mr. Lefurgy is a member of Pontiac Gridiron Club, Member of Michigan State Bar and Oakland County Bar Associations, Member of All Saints Episcopal Church, Pontiac. He is married and resides with his wife at 132 Wenonah Drive, Pontiac.

MODERNIZE YOUR MECHANIZED EQUIPMENT
WITH **CHEVROLET TRUCKS**
at today's low prices!

YOU KNOW THE LEADER IN TRUCK SALES
MUST BE THE LEADER IN TRUCK VALUE

Truck buyers are careful buyers—they thoroughly analyze and compare all types of trucking equipment—they want to make certain that they'll get the make and type of truck best-suited to their business requirements.

It is a significant fact that more truck users choose Chevrolet than any other make of truck... because Chevrolet trucks could not have established their record of leadership in 1940 and maintained it for six out of the last eight years had it not been that Chevrolet trucks deliver more dollar-for-dollar value than any other make.

All models and types of Chevrolet trucks may still be purchased at today's low price levels, so it would be wise to consider replacing some of your trucking equipment with new Chevrolets now.

TRUCK OWNERS WANT FACTS...CHEVROLET GIVES Certified Proof!
On the longest test run ever conducted under the supervision of the American Automobile Association, a stock Chevrolet 1 1/2-ton truck turned in a marvelous performance and economy record. The facts of this test run are clearly outlined in an interesting booklet entitled "Says Who?" You may obtain this booklet from your Chevrolet dealer or by writing to Chevrolet Motor Division, General Motors Sales Corporation, General Motors Bldg., Detroit, Michigan.

ANNUAL MEETING OF SCHOOL DISTRICT NO. 3 FRI. INDEPENDENCE-SPRINGFIELD TOWNSHIPS

July 8, 1940 Attendance 23 Meeting called to order by the President, Joseph P. Hubbard. Minutes of the last annual meeting read by the Secretary, Carrie G. Davies, and approved as read.

The Treasurer's report was read by L. M. Clark, who reported in detail on the debt retirement fund. On motion by Ronald Walter, seconded by Richard Bullen, the Treasurer's report was accepted.

Motion was made by L. M. Clark, supported by H. W. Huttenlocher, that the depository for the ongoing year for the general funds of the district be the Clarkston State Bank, and for the debt service the Community National Bank of Pontiac. Motion carried.

The Chairman called for nominations to fill the office of trustee, the term of R. C. Spencer having expired. Robert Jones and R. Bullen were chosen tellers, and were sworn in by Ronald Walter. H. W. Huttenlocher nominated R. C. Spencer to succeed himself, seconded by Carrie G. Davies. Charles Robinson nominated Robert Jones, seconded by Isabel Bullen. Mr. Spencer asked that his name be withdrawn from the nominations, which was not accepted. K. D. Hemstead was sworn in to act as teller in place of Robert Jones. Isabel Bullen made motion that nominations be closed; H. W. Huttenlocher supported the motion. Votes cast 22. Spencer 13, Jones 9, R. C. Spencer was elected to office for a three year period.

Nominations were then called for to fill vacancy made by expired term of Joseph P. Hubbard. Robert Jones named Mr. Hubbard. D. M. Winn moved that nominations be closed and that tellers be instructed to cast unanimous vote for Mr. Hubbard. Motion was seconded by William Stamp. Tellers declared Mr. Hubbard elected for a three year term.

There being no further business motion was made by L. M. Clark, seconded by Charles Robinson that meeting be adjourned. Motion carried and meeting was declared adjourned.

Respectfully submitted Carrie G. Davies Secretary

Fun is where you find it!

Pictureque waterfalls are among the scenic delights that reward vacationists in Michigan.

No one in Michigan need hunt far for vacation fun. This State is one of America's greatest natural playgrounds... with many excellent trout streams... beautiful forests... magnificent State Parks... and five thousand lakes in which to swim, fish and sail.

We residents of Michigan are extremely fortunate in having so many and such fine vacation facilities within our own borders. Being spared the time and expense of traveling to distant States, we have more time and more money to spend on vacation pleasures.

Camping is permitted anywhere in Michigan's 12 State Forests.

Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, July 28.

The Golden Text (Ps. 108:1,4) is: "O God, my heart is fixed; I will sing and give praise, even with my glory . . . For thy mercy is great above the heavens; and thy truth reacheth unto the clouds."

Among the Bible citations in this passage (Ps. 33:1,4): "Rejoice in the Lord, O ye righteous: for praise is comely for the upright. For the word of the Lord is right; and all his works are done in truth."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 287): "Truth cannot be contaminated by error. The statement that Truth is real necessarily includes the correlated statement, that error, Truth's unlikeness, is unreal."

For Homemakers

It takes a little engineering knowledge for a housewife to properly use today's modern electric refrigerator, it is agreed by members of the home economics staff at Michigan State College.

Here are some of the ideas that will make the machine operate more efficiently and serve its purpose of reducing food spoilage:

Convenient location is desirable with a work table nearby to hold food as it is put in or taken out of food storage. The fewer the trips and the fewer times the door must be opened, the more efficient the refrigerator will prove.

More economy is involved in making sure the machine is on the level and in a comparatively cool place away from the stove or from sunny windows, and in the winter away from radiator or heat register.

Temperatures are important. A temperature a little under 50 degrees Fahrenheit will keep most perishable foods a reasonable length of time. There should be one area that is 45 degrees or lower, and service men usually point out this is directly below or beside the ice or freezing unit.

Milk, cream and butter quickly take up odors from other foods, so these perishables should be kept covered and in the coldest part of the refrigerator. Meats, fish and poultry also rate the colder portion of the storage space. Uncooked or cooked, these should be kept covered and until cooked should not be stored very long, especially fresh fish. Eggs should be popped into the refrigerator, too, as a few hours' at room temperature can injure quality.

Cleanliness is essential. Spilled food should be wiped up immediately

and a thorough weekly cleaning is recommended with defrosting, or when the ice is low in an ice refrigerator.

The total quantity of peat in the United States, exclusive of Alaska, is calculated, as air-dry material, at nearly fourteen billion tons by the

United States geological survey. Minnesota has the largest reserves; nearly 50 percent of the total. Wisconsin, Florida and Michigan rank next.

There are approximately 18,200 square miles of deer area in the lower peninsula of Michigan.

SLEEP LIKE A PRINCE

in a house cooled for 5c a night!

If you have ever tossed and turned in a hot, stuffy bedroom until four o'clock in the morning, trying in vain to sleep, you will be thankful for a discovery that brings the cool outdoors right into your room . . . making it refreshingly comfortable. You will be doubly thankful when you find that this method of cooling your entire house costs only about 1/2c an hour!

So effective is this type of cooling—lowering the temperature as much as 7 to 14 degrees in the evening, depending on the outdoor temperature—that it is hard to believe you can accomplish it with nothing more than a giant fan in the attic. Do not confuse this fan with an ordinary fan, however. It is a special type of fan—very large—and its quiet, powerful blades are capable of producing a complete change of air in your house every few minutes. Prices vary from \$50 up (installation extra).

The principle on which it operates is simple. The attic fan draws the warm air in your rooms upward to the attic and discharges it out-of-doors. At the same time, a flood of cool night air is pulled in through the windows and gently circulated through the house—making the rooms delightfully comfortable and assuring long hours of restful sleep.

Department stores, electrical dealers, and fan dealers will gladly give you full information about this low-cost method of house cooling. Telephone today. The Detroit Edison Company. (We do not sell or install this equipment.)
