Large Crowd Attends Church Centennial

More than 200 Were Served at Banquet on Saturday Night

Saturday and Sunday were busy days at the Clarkston Methodist Church. Early in the afternoon on Saturday many guests arrived and registered and had a happy time visiting until time for the banquet which was served shortly after six o'clock. The dining room was attractive with fall flowers in every nook and corner and on the north wall hung "1840" in marigolds on an evergreen background while on the south wall was "1940" designed in the same fashion. The dining tables were graced with fall flowers and green candles in apple candle-holders. At each place was a booklet containing the history of the Clarkston Methodist Church besides a menu and program for the evening. Rev. Edwin Stephens gave the invocation. The dinner was everything that could be desired and those in charge are to be complimented.

Those responsible for the church decorations certainly did a very fine job. The hallways and the auditorium were bedecked with gladioli, asters, marigolds, evergreens and colored leaves.

Following the dinner the group went to the church auditorium where they enjoyed a very fine program as follows: orchestra selections by the High School orchestra directed by Mr. Orlo Willoughby; Organ Moods by Mr. H. W. Schaffer; A Word of Welcome, Mr. Ronald Walter, chairman of Centennial Committee; Choral Music—"God of Our Nation"—adult mixed voices directed by Mrs. Charles Matthews; A Century of Service—Rev. W. Harold Pailthorp; Address, Rev. Dwight S. Large of the Port Huron Methodist Church; Men's Chorus—"The Heavens Are Telling"; Benediction, Rev. Fred Townsend; Hymns of a Hundred Years—The Organ. Everyone had such a good time on Saturday night that they were fully convinced they would be at the church on Sunday morning at 10:30.

Much favorable comment was heard about the landscaping at the front and rear of the church and everyone seemed pleased with the very attractive bulletin board that had been placed on the front lawn. Mr. Durand Ogden was responsible for this very fine addition to the church's appearance.

Sunday morning the church was crowded. They had been called to worship by the beautiful chimes that are a part of the new Hammond organ that the church may purchase. Rev. John E. Marvin, editor of the Michigan Christian Advocate, of Detroit, preached on the theme "The Message of the Church of Today". The mixed choir, the Men's Chorus, a solo by Mrs. Orlo Willoughby and the organ music added considerably to the service.

After the morning worship an informal cooperative dinner was served in the church parlor. At two o'clock, John Hammond, concert organist, of Detroit, gave an organ recital and everyone was thrilled with his performance. At the reunion service at three o'clock, former pastor, Rev. Ira Cargo of Fowlerville, took charge. This was a happy occasion indeed because on the platform were several former pastors including, besides Rev. Cargo who served during September 1917 to 1922; Rev. J. B. Wallace who was in charge of this pastorate from September 1910 to 1913; Rev. Romily Prouse who served from September 1922 to 1923; Rev. Fred Townsend who substituted for a few months during 1927. Each minister had a part in this service. The mixed choir sang two anthems and Manley Walter sang a solo. Mrs. Charles Matthews presided at the organ. Mrs. Matthews is a daughter of the late Rev. D. H. Yokum, former pastor of the Clarkston Methodist Church.

Many from out of town attended the Centennial. Among the guests were Mrs. S. H. Reynolds and daughter, Mrs. Ethel Mott, of Pontiac; Mr. and Mrs. Irving Ronk and family of Lansing; Mr. and Mrs. George Poss of Alma; Dr. and Mrs. C. B. Fulkerson of Kalamazoo; Rev. and Mrs. Edwin Stephens and daughter Miss Nellie Stephens, of Stockbridge; Rev. and Mrs. Fred Townsend of Davison; Rev. and Mrs. Dwight S. Large of Port Huron and Mrs. Edward Owen of Auburn Heights.

Over 900 sacks of mail were lost when the Belgian steamship Ville de Mons out of New York and bound for Liverpool was sunk about September 2. The steamship left New York on Aug. 24 and carried 22 sacks of registered mail, 159 sacks of ordinary mail and 5 sacks of diplomatic mail from the United States that had been accumulating in New York from Aug. 22 to 24, the time of sailing. Besides that there was much parcel post for Great Britain and Ireland and Malta, all of which was lost.

Two Barns Burn On Teggerdine Farm

Last Sunday night the folks living in the vicinity of the Crosby Lake Road saw a very bright reflection as if from a forest fire. On investigating they found the two large barns on what is known as the Teggerdine farm, now owned by Franklin Stibbert of Canada, were in flames. The barns had been bought by George Bettler about a year ago and he had intended to remove the buildings and use the lumber. The barns which were built in an L shape extended about 80 feet in each direction. They were totally destroyed and burned rapidly with the flames roaring into the air for many feet.

VESPERS CONCERTS TO START SUNDAY

First of Season Is Scheduled at Hartland Music Hall

Hartland Music Hall will be the scene of the first Vesper Concert of the 1940-41 series on Sunday afternoon, October 6, at 3:30 p. m.

The colorful W. P. A. Tamburizza orchestra of Detroit under the direction of Peter Metikos will offer a program of folk songs and instrumental selections typical of the Balkan countries. This talented group of some 12 musicians will appear in costume playing the unusual instruments to be seen in the everyday life of any Balkan country. An interesting feature of the program will be the short explanations given regarding the origin of these instruments. This orchestra has achieved an enviable reputation throughout the state for its fine work in reviving and keeping alive the folk music of the Southern European countries. It will be an unusual program musically and a colorful sight, so plan now to attend.

The program will be preceded by a fifteen minute organ prelude with Bernice McCoy at the console of the Kilgen Organ. There is no admission charge, however, a free will offering will be taken up at the end of the program to help defray the expenses of the concert. The program will begin promptly at 3:30 and will be approximately one hour in length. Bring your family and your friends.

"How Old?"

How long have you lived, Old Church?
Today, they say one hundred years. But they count years on a calendar. Not so I, I count my age On the Kingdom's clock.
How many have found their Lord, And having found Him here Have passed His way of Life To sons and daughters?
How many strangers and neighbors, How many heavy laden Have found the Peace of God here? Through my portals thus have passed A modest host of the Church of God Which was founded on the witness of Peter,
And brought down to our time By the people called Methodists, Serving thus the living Church, I have eternal life
And I am both old and young I count my age in the deeds Done in His Name and Way. I am eternally the Church in Clarkston.
—Delbert Ullrick.

Let's Move

I think at last I've found the cure—For folks with means who think they're poor,
Who in one house have lived for years;
And reached the point when it appears
That all their work has been for naught
"Accumulations long forgot".

If you belong among these folk—Who think this life is just a joke,
And at the end of each long day
You cast your eyes the poor house way,
And you think things are not too smug—
Just pack your goods and start to move.

In packing up the good and bad—You'll find things you'd forgot you had,
You'll wonder how you bought it all;
Some twenty dolls when kids were small;
Tables, chairs, and dolly beds—
Assorted hats for women's heads.

If you can't move, just count your stock,
Dig up these things that you've forgot—
Figure the worth at what you paid,
And then you'll know just what you've made,
And this you'll find a darned good cure—
If you're a guy who thinks he's poor.

Robert C. Beattie.

Waterford

On Saturday morning at 5:30 Mrs. John Watchpocket and her sixteen Girl Scouts left Waterford for a 500 mile trip to be the weekend guests of Mr. and Mrs. Deo Bunker at the beautiful log cabins on the lovely Six Mile Lake which is one of a chain of seventy-five miles of lakes. Mr. and Mrs. Howard Burt and Mrs. Fern Ludwig helped to make this trip possible by so willingly contributing their cars and their services as chaperones. The Bunker's car loaded with provisions for the twenty-three guests and girls led the way. Mrs. Ludwig with her girls came next. Mrs. Watchpocket with her car load were third in line and Mr. and Mrs. Burt with their load of girls brought up the rear to see that all went well. After a glorious morning on the way they ate huge bowls of chili, etc., at the cabin just as soon as it could be prepared at noon. The afternoon was interest-

ing. A hike was planned and was carried out from a spot so high that one could see about 40 miles in all directions. The night seemed weird as wild calls from the forest—wampus cats and owls, called to the group as they roasted weinies at an out-door fire. Then an indoor amateur show furnished a lot of fun. Guitar playing by the neighbors of the Bunkers was enjoyed and pranks that kept up far into the night gave everyone a thrill. The girls were grateful to their hosts or chaperones who carefully planned the meals and the fun. On Sunday all went to Church at East Jordan and Ellsworth after a big breakfast of pancakes and sausages. A train of boats, all hooked together, five in number, made a trip on the lake before a dinner which crowned all of the delicious meals. Mr. Bunker and Mr. Burt presided at the oars of the boats and took the group over the lovely lake and to the park. When the crowd was ready to leave they were conducted back by the hunting grounds where they saw a buck and a doe and a treed porcupine. They saw many deer tracks. The woods were beautiful as the leaves were just starting to put on their fall garb. The time seemed too short for such a wonderful time. The scouts are very thankful to Mr. and Mrs. Bunker and all who made the trip possible. The group included Dorothy Bunker, Doris Eakle, Audrey Williams, Virginia Hall, Barbara Beedle, Marjorie Anderson, Mary Beth Schenk, Virginia Carter, Evelyn Sanford, Sarah Lou Lehman, Ruth Wood, Helen McEvers, Henrietta Watson, Marian Roehm, Joanne Spalding, Margaret Dailey, Doris Bunker, Mr. and Mrs. Howard Burt, Mrs. Fern Ludwig, Mrs. John Watchpocket and Mr. and Mrs. Deo Bunker.

bride of Robert Lee Huey of Detroit, son of Mrs. H. A. Huey of Ann Arbor and Max Huey of Detroit. Rev. H. A. Huey of Ann Arbor officiated in the presence of approximately 60 guests. Preceding the ceremony, Mary Louise Buck of Waterford played "O Promise Me" and "I Love You Truly". The bride was lovely in a floor length gown of ivory brocaded satin made with a high neckline and a full skirt which extended into a short train. The sleeves of the gown were full and puffed at the shoulder and fitted from elbow to wrist terminating in points over the hands. Self-covered buttons extended from the neckline to the waist at the back of the fitted bodice. Her fingertip length veil fell from a Juliet cap of lace trimmed with orange blossoms and she wore a double strand of pearls, a gift of the bridegroom. Her bouquet was American pride and Johanna Hill roses and swansonia tied with ivory satin.

Barbara Ann Stewart of Detroit, her only attendant, wore a full skirted dress of ice blue taffeta fashioned with a sweetheart neckline and short puffed sleeves. Narrow darker blue velvet ribbon encircled the skirt just above the hemline and formed a graceful bow at one side. She wore a broad brimmed off the face hat of ice blue taffeta with velvet streamers and carried a colonial bouquet of pink roses tied with pink satin. Charles Harris of Waterford assisted Mr. Huey as best man. The ceremony was performed before an improvised altar banked with palms, and arrangements of Easter lilies, white gladioli and asters. Cathedral tapers in tall standards provided illumination. Following the ceremony, a reception was held at the residence where the bride's table was centered with a

four tiered cake flanked by tall ivory tapers in crystal holders. White asters and white gladioli were used for floral decorations. Mrs. Stewart selected a dress of soldier blue with a short jacket and wore black accessories and a corsage of Briarcliff roses. Mrs. Huey wore a rose jacket dress and a corsage of rapture roses. The couple planned to leave following the reception for a southern motor trip and on their return will reside in Pontiac. For her going away outfit, the bride chose a copper earth alpaca dress and jacket with a matching raccoon trimmed coat. She selected dark brown accessories and a corsage of bronze bebe chrysanthemums. The bride is a graduate of Cleary College, Ypsilanti, and Mr. Huey, a

graduate of the University of Michigan where he was a member of Kappa Delta Rho fraternity. Both are graduates of Pontiac High School. Out of town guests were present from Clarkston, Detroit, Ann Arbor, Jackson, Grosse Pointe, Hubbard Lake and Buffalo, N. Y. Robert Smithson Jr. expects to be home from East St. Louis, Ill., next weekend. He has been there for a month taking training at Curtiss Field to qualify as an instructor in the Army Air Corps. William Spalding entertained a group of young people on Friday evening at his home at Maceday Lake as a Farewell party for Bob Underwood and August Jacober Jr. who have enlisted in the United States Air Corps.

Mrs. Elizabeth Britten returned to her home on Sunday following a trip to Mackinaw City with Mr. and Mrs. Walter Shield and Mr. and Mrs. Earl Britten.

Same amount of electricity—
TWICE AS MUCH
LIGHT!

For the same amount of electricity, you can get **TWICE THE ILLUMINATION** by using new fluorescent tube lights in your factory, store or office. But a word of caution is advisable:

Fluorescent lighting is so new and there are so many fixtures on the market, so many claims being made, that it is hard for the inexperienced buyer to know what to buy. At present fluorescent fixtures are more expensive than other types, and special auxiliary equipment is needed to operate them, so that getting your money's worth is especially important.

One way you can be **SURE** of getting proper fixtures is to insist on certified **Fleur-O-Liers**. This is not a fixture made by any one manufacturer: It is the **brand name** used by over 17 companies on fixtures built to **rigid specifications** for your protection... specifications carefully drawn up by Mazda Lamp manufacturers and checked by Electrical Testing Laboratories. Look for the label—the mark of certified **Fleur-O-Liers**. It is your assurance of quality and dependability. Corresponding fixtures for **industrial use** are identified by the name "R. L. M. Fluorescent."

Our experienced lighting staff will be glad to give you full information about this revolutionary new lighting. Call your Detroit Edison office. There is no charge or obligation. The Detroit Edison Company does not sell **Fleur-O-Lier** fixtures or fluorescent lamps. See your electrical contractor or lighting fixture dealer. The Detroit Edison Company.

CHRISTIAN SCIENCE CHURCHES

"Unreality" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, October 6.
 The Golden Text (Deuteronomy 4:39) is: "Know therefore this day, and consider it in thine heart, that the Lord he is God in heaven above, and upon the earth beneath: there is none else."
 Among the Bible citations is this passage (Matthew 11:29): "Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls."
 Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.249): "Let us feel the divine energy of Spirit, bringing us into newness of life and recognizing no mortal nor material power as able to destroy."
