## Girl Scouts Will Try To Buy Uniforms

### Ask the Cooperation of the Public

On Wednesday afternoon the Clarkston Girl Scouts met at the school for their regular meeting. A party for the members was planned for Saturday. Uniforms were discussed and it was decided that the girls would earn the money for their own uniforms by doing odd jobs. It is hoped that the public will cooperate with the girls in this project. Shirley Terry is in charge and her telephone number is Clarkston 4421. These girls are capable of doing dishes, caring for small children, dusting and doing numerous other small jobs. The group of girls includes Phyllis Markel, Mary Drake, Doris Boyns, Katherine LaPlante, Shirley Terry, Barbara Lindahl, Barbara Craven, Sara Nell Watson, Adrienne Volberding, Marian Skinner, Patricia Flynn, Jeanine Flynn, Joann Fuller, Patsy Straub and Ida Mae Beattie.

## School Dancing Parties Gain in Popularity

The youth of Clarkston are enjoying an evening of good, clean entertainment every Friday night at the Clarkston School. Dancing instructions are given from 8:00 o'clock until 9:00 to those who wish to pay the small fee to cover expenses. At 9 the dancing party begins and continues until 12. Don Smith's orchestra furnishes the music and the young people seem quite pleased. During the evening frost-bites and gingerale are sold.

Last Friday night there was a splendid attendance. Many young folk attended from Holly and Waterford.

All students of the junior and senior High School, alumni, parents and friends are invited to these parties. Tables and cards are furnished for those who do not care to dance.

### Mrs. Herbert LaVigne Was the Hostess

On Thursday of last week Mrs. Herbert LaVigne entertained a group of friends at a luncheon and afternoon bridge.

Twenty-four guests enjoyed the luncheon at one o'clock served "smorgasbord" style. The dining table with a beautiful arrangement of fruits and vegetables as a centerpiece was attractive with amber glassware, orange candles, small lighted pumpkins and cathedral linen napkins. The dining-room was decorated with mums and autumn leaves while in the living-room mums and coral gladioli were used in profusion.

Following the luncheon bridge games were played with the honors going to Mrs. William Dunston, Mrs. D. C. Miller, Mrs. Marguerite Miller, Mrs. John DeLind and Mrs. Gerald O'Dell.

## Alexander J. Smith Drowned in Loon Lake

Alexander J. Smith, 69 years old, of Lake Orion, was found in Loon Lake, Drayton Plains, last Monday afternoon. A heavy iron had been tied to his wrist and he was attached to a small boat by a rope.

There seems to be some mystery connected with the case as his family had received a communication from him in Minneapolis on Saturday.

Melvin Spicer of Seeley Street, Drayton Plains, was returning from a hunting trip about five o'clock Monday afternoon when he noticed the boat and a hat floating about two hundred feet off shore in the north-west corner of the lake. Obtaining a boat Melvin rowed out to the scene and thinking he would do the owner a favor he would return the boat to shore and began to haul up what he thought was the anchor line. He had pulled only a few feet of the line when a hand around which the rope was tied appeared above the surface.

Young Spicer, very frightened, dropped the rope and returned to shore and reported to the authorities.

A native of Buffalo, N. Y., Mr. Smith had resided in Oakland County for a number of years. He lived in Pontiac for about fifteen years and a year ago he moved to Lake Orion where he operated the Smith Clothing Store.

In 1905 he married Miss Carrie Christensen at Gaylord. He is survived by his widow, two sons, Dean Smith of Lapeer and Desmond Smith of Highland Park; one daughter, Mrs. Catherine Green of Lake Orion; one brother, Edward Smith of Detroit and one granddaughter, Julie Green of Lake Orion.

The funeral was held on Thursday in Pontiac with burial in Perry Mount cemetery.

The A. B. Wompoles are not going to occupy the John Mann home as was announced last week. They are in hopes that the weather will be fine for a few weeks and possibly their new home will be far enough along to enable them to occupy it.

## My Prayer

Sturdy limbs and tumbled hair,  
My little boy as you stand there,  
I pray some guiding force will keep  
You from darting 'cross the street.  
I know you little realize  
The speeds of cars and kind of guys,  
That drive these monsters open wide—  
At breakneck speed just for the ride.  
I pray no thoughts will come to you  
That there's some job that you must do—  
To guide you on your faltering feet  
All the way across the street.  
And there's no way that you can know  
Which way a maniac will go,  
When he is placed behind the wheel  
Of a speeding automobile.  
To all great forces now I pray—  
In my most humble kind of way,  
That you will guard these little feet,  
And please don't let them cross the street.  
Your chance with them is best by far,  
That with the driver of a car,  
Who thinks he's driving in a race,  
And isn't going any place!

Robert C. Beattie,

## Registrations Rise in Township

We are informed that new registrations for the primary and national elections total 229. Considering that the last number for elections totaled about 900, this number of new registrations seems to show an unusual interest in this election. According to county figures about 60 per cent of those eligible to vote do so.

## WILSON DESERVES TO BE RE-ELECTED

### PROSECUTING ATTORNEY HAS SUCCESSFULLY CARRIED ON FIGHT AGAINST NAZI BUND AND COMMUNIST CAMPS

### COURTS PRAISE HIS RECORD

Prosecuting Attorney, Charles L. Wilson, who is seeking reelection on the Republican ballot November 5th should receive the careful consideration of every citizen in Oakland County regardless of whether he is a Democrat, a Republican, or an independent voter, for the following reasons:

His constant fight, against Nazi Bund and Communist Camps and other fifth-column groups who have banded together with the sole purpose of overthrowing our democratic form of government has won him the recognition of not only the Federal Bureau of Investigation and the State Police, but of civic and religious organizations as well.

When greedy finance companies who had already taken the money from laboring men because through no fault of their own they were unable to pay for them and then started to sue them for deficiency judgments, Mr. Wilson stepped in and carried on a rigid investigation and saved thousands of dollars for working men. He supplied the Court evidence which previously had not been placed before it.

CHARLES L. WILSON

He drafted and had introduced, a bill in the legislature which through its enactment has stopped these unethical practices of finance companies.

His constant drive and fight against marijuana dope peddlers broke up the operation of a large ring not only operating in Oakland County but throughout the State. He vigorously prosecuted these dope ring leaders and sent them to prison.

For this fight he has won high praise from the United States Commissioner of the Bureau of Narcotics. In the next session of the Michigan Legislature, Mr. Wilson proposes to sponsor a bill he has drafted which will forever put an end to Nazi Bund and Communist groups who promote and create class hatred and if this law is passed prosecutors and the courts will have the necessary machinery to drive these fifth-columnists out of existence.

Another step Mr. Wilson took to protect the citizens of Oakland County was that of driving out racketeering criminals. As a result of a joint meeting called by Wilson, of all police chiefs and the sheriff, racketeering criminals have not been allowed to operate. Only those under the supervision of responsible civic organizations and properly policed have been permitted to operate since Mr. Wilson has been Prosecuting Attorney.

This has saved thousands of dollars for citizens who were not aware of the fleeing methods and trickery used by some criminals.

Any local police officer, deputy sheriff or state police officer will verify the fact that Prosecuting Attorney Charles L. Wilson has given 100% cooperation in the past two years in all matters of enforcing the law. Any justice of the peace or any of the three Circuit Court Judges in Oakland County will attest to the efficient way in which he has handled all cases which have come before their court.

Mr. Wilson is Secretary of the American Citizens Defense League of Michigan; he is chairman of the Board of Directors of the Michigan Prosecuting Attorneys Association, and President of the Oakland County Law Enforcement League.

## URGES EFFORT TO GET VOTERS OUT

### Citizens' League Calls Attention to Apathy in the County

In the Bulletin of the Oakland Citizens League to be issued today there will be a long article calling attention in detail to the neglectful attitude of many voters at the primary last September. It states that while accurate figures are not available it is estimated that 25 to 30 out of every 100 adults in the county do not qualify as voters.

An analysis of what happened at the primary election is made, showing a great divergence in cities and townships. For instance, in townships in this part of the county, Holly had the best record, with a 55% vote; Braithorn had only 17.7%, Groveland 22%, Springfield 34.1% and Rose 18%.

Among the Bible citations is this passage (I Corinthians 15:19-20): "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the first-fruits of them that slept."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.45): "Jesus' deed was for the enlightenment of men and for the salvation of the whole world from sin, sickness, and death."

## San Francisco Man Lectures on Christian Science

"Man is the indisputable witness to the presence of Life," said Peter V. Ross, C. S. B., of San Francisco, in a lecture on Christian Science given last Sunday afternoon at Pontiac High School Auditorium.

Mr. Ross, a member of The Christian Science Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, spoke here under the auspices of the First Church of Christ, Scientist, of Pontiac.

## Man an Exhibit of Life

"It is through man," Mr. Ross continued, "that everlasting Life is made manifest. Man therefore cannot do otherwise than feel the constant exuberance of life. Really then he cannot know suffering because Life can brook no opposition. The functions of Life cannot be silenced or slowed down. They are in perpetual and unlabored operation even to the uttermost recesses of real being. One who meditates on these truths, reasons them out, and assimilates them, will gradually prove the Christian Science proposition that disease is belief, mesmerism, appearance, ignorance as distinguished from actuality.

## His Presence

Speaking of the availability of divine intelligence, Mr. Ross proceeded: "When Moses was engaged in the giant enterprise of leading his people from Egypt through the desert up to the gates of the Promised Land, he at times wavered. He doubted his capacity for the undertaking. Then came to him the word from God, 'My presence shall go with thee'. How many times have you, when faced with sudden danger, acted with 'presence of mind'? You did what 'unseen intelligence directed you to do.'"

During a very interesting talk, Mr. Perry displayed hides of caracul sheep, the least in value being around \$50.00. One hide made into a small jacket was valued at \$400.

Perhaps the most interesting part of the talk was the fact that such an enterprise exists so close to Clarkston.

Miss Helen Kent has returned from Lapeer where she has been spending the past month. Mr. and Mrs. James Overly entertained several relatives at dinner on Sunday.

Work is nearing completion on the Ortonville school building. The young people of the Methodist church will have charge of the Sunday service. Dr. and Mrs. M. J. Uloth have returned from Cleveland, Ohio, where Dr. Uloth has been attending a medi-

cal convention. Ortonville school children enjoyed a two day vacation last week when their teachers attended the teachers' institute at Detroit. Mrs. B. L. Hamilton entertained several friends of her son, Loren, in honor of his fifth birthday, on Saturday afternoon. Games were enjoyed and refreshments served.

Several Ortonville residents attended the wedding of Jeanette Zimmerman, oldest daughter of Mr. and Mrs. Claude Zimmerman, and Douglas Pierson, son of Mr. and Mrs. Ephraim Pierson of Goodrich, Friday evening.

On Wednesday the girls must wear short torn dresses, pigtails in their hair, and carry a pail. The boys must wear torn shirts, overalls with the legs rolled up, and carry a pail. The party will be held Wednesday night at the school.

**HOLLY THEATRE**

Three of Hollywood's leading personalities, Rosalind Russell, Brian Aherne and Virginia Bruce, have the starring roles in Universal's "Hired Wife," which comes to the Holly Theatre on Sunday, October 27.

Miss Russell, who has become very well known as a comedienne in such pictures as "The Women" and "His Girl Friday," again is brought to the screen in this type of characterization. Incidentally, she says it's the sort of acting she prefers.

Aherne's role, on the other hand, is declared to be a distinct departure from the serious characters he played in "Vigil in the Night" and "My Son, My Son".

In direct contrast to her co-stars, Miss Bruce has one of the few "straight" roles in the entire picture. Long known as one of Hollywood's leading beauties, Virginia is said to have been given an excellent chance to capitalize upon this beauty in her role as a glamorous model.

Additional comedy, it is announced, is dishied up by Robert Benchley, the only man in Hollywood, who can claim to be proficient as an author, actor, playwright, columnist, critic and commentator. He is a success in each of these fields.

An added combination of romance and comedy is delivered by the young and dashing John Carroll, who further complicates the intrigue already surrounding the three stars.

Supporting the above members of the cast are many featured players including Hobart Cavanaugh, William Davidson, Richard Lane and Charles Smith. The picture was produced and directed by William Seiter who garnered considerable praise recently for his direction of Diana Durbin in "As A Dove." Gian Trian was associate producer.

**VOTE YES ON PROPOSAL #3**

**THE CITY OF DETROIT** has long enjoyed certain benefits and privileges. On November Fifth they are seeking through the Detroit Street Railways to further encroach upon out-state territory. Specifically, the City of Detroit wants to run its buses over state highways in or between any communities it may choose without subjecting itself to safety regulations and without payment of highway taxes.

You can stop this unfair practice by voting "yes" on State Proposal Number 3.

Proposal Number 3 provides that buses owned by a city or village must first get permission from the Public Service Commission in order to operate two miles beyond city or village limits on state highways. The law affirms the principles under which Michigan's great highway system has been built—that highway users shall pay highway taxes and that highway taxes shall be used for highways.

In fairness to everyone and above all to yourself, cast your vote on this special ballot at the election November Fifth. And be sure to vote "YES".

**Dairy Bull Sale Next Week**

More than 40 entries are included in a sale of purebred dairy herd sires to be conducted by a group of Oakland County dairymen, October 31 and November 1, at the horse barn of the Ferry-Morse Farm at Rochester. These animals come from some of the outstanding herds in Oakland County and include bull calves from the age of six months on up to two years of such breeds as Guernsey, Jersey, Holstein and Brown Swiss.

The idea back of this sale is to make available superior breeding at prices farmers can afford to pay. Some of these prospective herd sires are from proved sires, one of which has an index of 9900 lbs. of milk and 451 lbs. of butterfat. One way in which dairymen can improve the production level of their herds is to use a sire with high-producing ancestry.

Sales will be by private treaty, there being no auctioneer. Each animal will have its price tag labeled above the stall, and dairymen will come any time during the two days to make their selections.

Consignors to the sale include: Pontiac State Hospital and Russell Porritt of Pontiac; Kenneth Korison of Ortonville; Alec Gordon and J. A. Appelhof of South Lyon; Spencer Dairy Farm of Wixom; Ethmead Farm of Northville; Dr. L. F. Cobb of Goodrich; Floyd Vergin of Davisburg; Fred G. Beardley of Oxford; Glackmore Farm, W. D. McCullough Farm, Van Hoosen Farm, Howard Hodges, and Meadowbrook Farm of Rochester; William E. Scripps of Lake Orion; John Lessiter of Clarkston; and Meri-Hill Farm of Birmingham.

For the 5th consecutive year Drayton Plains is planning a Community Hallow'e'n party for the entertainment of the younger people of the community. The party, which is to be held Thursday, Oct. 31, is being sponsored by the local Men's Club but leaders from various groups are helping to make it a community project.

Mr. C. L. Tucker, general chairman, states that the party will be held in three divisions according to age. Their program of movies, etc., will begin at 7:00 with Roy Dancy and Burl Morris in charge.

The young people will have their party in the form of a Masquerade Ball in the school auditorium beginning at 9:30 o'clock. Al Bornack and Gerry Manning are in charge of the arrangements for this group and reports are that an orchestra has been engaged to provide the music for the evening.

Mr. Harry Fowler, as representative of the Men's Club, will contact the various merchants of the Community for contributions. The celebrating parties should remember that the merchants by their generous donations are making these parties possible.

Announcement

VERNE C. HAMPTON

(Announcement of Verne C. Hampton for Circuit Court Commissioner)
I am announcing my candidacy for reelection to one of the two offices of Circuit Court Commissioner. I desire to point out to the voters that this year for the first time the office to be voted upon will be found upon the separate JUDICIAL BALLOT and not on the regular party ballot. This change was brought about by a Constitutional amendment approved at the State spring election in 1939.

During the three and one-half years I have served the northern section of the county as Circuit Court Commissioner, there have been filed over 3,900 rent and land contract cases. Of this number, only two have been appealed to the Circuit Court, and the decisions were in each instance affirmed. This is given to show the savings to taxpayers in keeping down the expense of the operation of the Circuit Court and giving to that court more time to spend upon matters originally arising in the Circuit Court. Under my direction, by decree of the Circuit Court, over \$3,000,000.00 in bids have been received for real estate sold in Oakland County, and it is most important that the reports and instruments of sale be drawn by one schooled in real estate law. It has always been my desire to conscientiously serve you as your commissioner, and I would appreciate your further consideration at this Fall's election.

OLD BILL says "Here's what I think"

"I have been watching, closely, the affairs of our state for twenty years. Yes, in all that time there has never been a governor so determined to do the right thing for the people as Luren D. Dickinson. He has been as firm as a rock. His forthrightness has been amazing. In making decisions Governor Dickinson seriously and earnestly considers every side of every problem with a single thought—'What is best for the people?' Having made up his mind he drives a straight, clean furrow to his goal. No politician, no influence, can shunt him off the course.

"Without fanfare or hullabaloo Governor Dickinson has put every state department to work. He has ordered expenditures cut, and they are being cut. He is boring steadily into the towering deficit left by the previous New Deal administration.

"A governor, to deserve the office, must appreciate that 'all' the people are a part of Michigan. Some of the governors of the past seemed to think that certain groups were the whole state. Governor Dickinson has the fine faculty of recognizing his responsibility to every man, woman and child.

"No man ever had greater sympathy for labor. He wants workingmen and women to have jobs, at good pay and with decent hours. He wants them to have good homes, and good living. He has worked hard to keep men em-

ployed, and to smooth out disputes. Honest labor will get fat pay envelopes as long as Governor Dickinson has anything to say about it.

"In Governor Dickinson's administration there has been none of the fantastic experiments which discouraged business and industry and decreased employment. He wants labor to work, and prosper.

"The incumbent governor is a farmer, and he knows the problems of the farmer. He is the kind of a farmer who gets in the fields and works, and who earns a living from the land.

"He is a taxpayer, and he wants taxes reduced wherever possible. We don't have to worry about taxes being increased under Governor Dickinson. His philosophy of government is to eliminate extravagances so we may have ample funds to care for the needy and the aged, and still give those who must pay the bill a chance to keep their heads above water.

"The biggest items in Governor Dickinson's program for the conduct of state government are honesty and uprightiness. They cover a lot of ground. They just about sum up everything that is necessary to good government. As I see it, we can feel very safe with the steady hand of a man like that at the helm.

"Let's finish the job on Nov. 5!"

There's a lot of domestic insurance in good pies, and the woman who can make them has been celebrated by word of mouth — even in poetry — since pie became America's top dessert.

When it comes to lemon pie, ranking favorite according to the inquiring reporters, too many women give up, saying, "I just can't make it like Tom's mother used to make." It's really quite simple if you know the secret. Don't cook the lemon juice! Add it last, after the filling has cooked. Then you'll have a pie with that fresh lemon flavor.

If you think you can't make pie crust, try adding fresh lemon juice and a beaten egg to your pastry mix. This trick gives a flaky crust that literally melts in your mouth — and you can use it, regardless of the variety of filling in the pie. Here are full directions for making the pie crust with lemon, and a real old-fashioned lemon pie filling as they do it in California, which supplies the rest of the country and Canada with lemons.

**Pastry**  
 3 cups sifted flour  
 1 teaspoon salt  
 1 cup shortening  
 1 slightly beaten egg  
 3 tablespoons lemon juice  
 Ice water  
 Sift flour and salt together. Cut in shortening. Add egg, combined

with lemon juice. Add gradually just enough ice water to bind dough together. Roll pastry out thin and line pie plates. (This recipe makes three 8-inch single pie shells. Keep unbaked dough in refrigerator until needed.) Bake in hot oven (475° F.) for 15 minutes.

**Lemon Pie Filling**  
 1 cup water or milk  
 3/4 cup sugar  
 1/4 teaspoon salt  
 1 teaspoon grated lemon peel  
 5 tablespoons cornstarch  
 1/2 cup cold water  
 2 well-beaten egg yolks  
 1 tablespoon butter  
 6 tablespoons lemon juice  
 Bring water or milk, sugar, salt and lemon peel to a boil in saucepan on direct heat. Add cornstarch, blended with 1/2 cup cold water. Cook over low heat, until thickened (about 5 minutes), stirring constantly. Remove from heat. Add separately, mixing well after each addition, the egg yolks, butter and lemon juice. Pour filling into baked pastry shell.

A teaspoon of lemon juice added to the whites of 2 eggs and 4 tablespoons of sugar makes a tender meringue. Use the whites left from the lemon filling; beat until frothy; add sugar gradually. Continue beating only until egg holds its shape in peaks. Fold in lemon juice. Brown pie in moderate oven (325° F.) for 15 minutes.

Pour cake batter over fruit, bake in a moderate oven (325 to 350° F.) 50 to 60 minutes. Loosen cake from the pan with a spatula and invert on a large serving platter. Serve hot with or without whipped cream. Yield: 8 to 10 servings.

**Black Magic Frosting**  
 2 squares unsweetened chocolate  
 1 1/4 cups (1 can) sweetened condensed milk  
 1 tablespoon water

Melt chocolate in top of double boiler. Add sweetened condensed milk, stir over boiling water 5 minutes until it thickens. Add water. Cool. Spread on cold cake. Make enough frosting to cover tops and sides of 3 (9-inch) layers, or top and sides of loaf cake generously, or about 24 cup cakes.

**Venison Jelly** (Makes about 11 medium glasses)  
 4 cups juice  
 7 cups sugar  
 1/2 bottle fruit pectin

To prepare juice, stem 3 pounds fully ripe grapes and crush thoroughly. Add 1/2 cup apple vinegar, 1 teaspoon cloves, and 2 teaspoons cinnamon.

Bring to a boil, cover, and simmer 10 minutes. Place fruit in jelly cloth or bag and squeeze out juice. Measure sugar and juice into large saucepan and mix. Bring to a boil over hottest fire and at once add bottled fruit pectin, stirring constantly. Then bring to a full rolling boil and boil hard 1/2 minute. Remove from fire, skim, pour quickly. Paraffin hot jelly at once.

Thoughtful hostesses serve decaffeinated coffee so that guests can enjoy extra cups without losing sleep later on.

**Sweet Dreams Brew**  
 6 cups decaffeinated coffee  
 1/2 cup whipping cream, whipped  
 1/2 teaspoon cinnamon  
 1/2 teaspoon nutmeg  
 Top each cup of coffee with a spoonful of whipped cream into which the spices have been folded. Sugar may be served with the coffee.

**Recipes for Party Fun**  
 A new game craze that will be a special joy to hostesses is Hi-Lo, played with numbered blocks in individual trays. The object is to turn the blocks so as to make a row of the same numbers before anyone else does. No bridge table is needed and anyone can learn the technique in a split second. Monopoly, the classic real estate trading game, continues to be a party favorite. If your guests are intrigued by battle strategy, you might introduce them to Dog Fight, a new game that provides authentic clashes between airplanes and anti-aircraft guns.
