Good Politics

Mv Uncle Sam has been accused of politics because he's used the soldier boys just like his sons. As they go out to man his guns— Rut Uncle Sam, I think you're grand To give these boys a friendly hand For boys give up their homes and jobs

To be our soldiers and our gobs. They push aside their pen and chair And all the things placed in their care.

I never saw a soldier go To join the army for the dough; Or give up comforts of his home That foreign countries he might roam Or saw a sweetheart feel real gay With thoughts of soldiers far away. So Uncle Sam use these boys right. While you are training them to fight. I care not what your motives are As kindness is the best-by far: And boys I hope you'll never damn The cruelty of your Uncle Sam— Although some people have these hopes,

That Uncle Sam might lose your votes,

Ordinarily it would be very difficult to hire a competent instructor during the school year, but Mr. Gibson is convalescing from an operation and because his duties would be too strenuous at the Academy he decided to teach here. Mr. Gibson has his degree and the school can be well satisfied that they were able to get a man of his ability during the year.

Among the Bible citations is this passage (Prov.16:1,3): "The preparations of the heart in man, and the answer of the tongue, is from the Lord. Commit thy works unto the Lord, and thy thoughts shall be established."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 259): "Immortal ideas, pure, perfect, and enduring, are transmitted by the divine Mind through divine Science, which corrects error with truth and demands spiritual thoughts, divine concepts, to the end that they may produce harmonious results."

Metropolitan "Torpedo" Six Four-Door Sedan, \$921* (white sidewall tires extra)

Addition of **New Metropolitan "Torpedo"** Sedan increases De Luxe Series to 6 Models with prices as low as \$828*

WITH THE INTRODUCTION of its glamorous new Metropolitan "Torpedo" Sedan, Pontiac rounds out the most complete line of low-priced cars in its entire history—six big, handsome De Luxe models with bodies by Fisher, every one available with either a six-cylinder or an eight-cylinder engine.

The new Metropolitan Sedan takes its place among the motor car style hits of all time. Patterned after a higher-priced and sensationally successful Pontiac model, it combines unusual rear-compartment spaciousness with the privacy possible only in 4-door, 4-window design.

In addition to the new Metropolitan, Pontiac's De Luxe series now includes the 4-door 6-window Sedan; the Sedan Coupe; the 2-door Sedan; the Business Coupe and the very smart Convertible Sedan Coupe.

All six of these lowest-priced Pontiacs offer the sound, time-tried engineering principles which have won Pontiac such an excellent reputation for riding comfort, handling ease and long, trouble-free service. And all of them are exceptionally economical to own and drive.

Plan to see the Metropolitan Sedan—as well as the Pontiac "Torpedoes"—which are offered in a wide range of prices. And remember... if you can afford any new car, you can afford a Pontiac.
