Four Children Perish in Gas-Filled Home

Four children were found dead last Sunday morning, victims of carbon monoxide gas, which filled the house in which they were sleeping. The home in which the tragedy occurred was that of Mr. and Mrs. Alfred Heck, 4289 West Walton Boulevard, at Sashabaw road, Drayton Plains.

Mr. Heck runs a gas station at the above address, and after closing the station, Mr. and Mrs. Heck, Mr. and Mrs. Harry Hopp, Sr., of Route 1, Orion, Mr. and Mrs. Milton Heck and Mr. and Mrs. Paul Hinska left the children in the care of Miss Margaret Novess while they attended a birthday party at Pontiac Lake. Returning home about four o'clock Sunday morning they found the children unconscious. Investigators found that the furnace had exploded and had loosened a smoke pipe, permitting the coke gas fumes to escape into the living rooms. Coroner Leon F. Cobb said death was caused by asphyxiation.

Miss Novess, 16 years old, who was caring for the children was found lying on the front room floor while the other victims were in their beds. All the victims were removed to St. Joseph Mercy Hospital, Pontiac, where two inhalator squads worked more than an hour in a vain effort to revive four of them.

The others found dead were Harry Hopp Jr., 13, and Blanche Hopp, 10, children of Mr. and Mrs. Harry Hopp Sr., Route 1, Lake Orion; Frances Heck, 10, daughter of Mr. and Mrs. Alfred Heck of 4289 West Walton Boulevard.

Taxes vs Axis

All these figures make me dizzy
And my office force is busy,
Noblest men are apt to madden—
At subtractin' and at addin',
While they're figurin' out their taxes
For defense against the Axis.

Every day you hear men braggin'
With their tongues a loosely waggin';
That they'll do all in creation,
And they'll fortify our nation—
Though it takes a lot of taxes
For defense against the Axis.

But the man with voice so mellow
At the core is often yellow—
And you'll find he'll do some squirm-
in',
When he pays what he's been earnin'
To the government for taxes,
For defense against the Axis.

If they'd quit their brutal ravin',
And the men engaged in battle
Would go home and mind their cat-
tle,
Think of time that they'd be savin'
They'd eliminate the taxes—
That are raised to fight the Axis.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" will be the subject of the Lesson-Sermon in all Christian Science Churches thruout the world on Sunday, March 2.

The Golden Text (Isaiah 9:6,7) is: "Unto us a child is born, unto us a son is given . . . Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever."

Among the Bible citations is this passage (Jer. 23:5): "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 482): "Jesus was the highest human concept of the perfect man. He was inseparable from Christ, the Messiah, the divine idea of 'God outside the flesh.'"

Many of our class can now recognize and classify all the instruments demonstrated—sixteen in number.

During the next four months we plan to issue a bi-weekly newspaper. Doris Boyns has been elected editor for the month of March. Assisting her will be Ida Mae Beattie, Basil Ash, Katherine La Plante, Welling Squier, and Bruce Watson.

the patriotic theme. The boys and girls have made one border of red, white and blue emblems, another one of hatchets and bunches of cherries. A group of 4th grade pupils made a mural of charcoal sketches for the back of our room. Stories, poems and songs have correlated in the study of this unit.

A huge Valentine box filled with all sorts of valentines made all of our boys and girls happy on the 14th of February.

MISS HICKEY'S NEWS
 Three new books have been given to our room by the Home Ec. girls. We have finished reading our pre-summer books and now are reading from our new books, "Fun with Dick and Jane."

MUSIC NEWS
 The cast for the Black face musical comedy which is to be held in the near future and to be presented by the High School chorus is being chosen. A good cast is promised to provide lots of musical entertainment.

ORCHESTRA AND BAND
 The Junior orchestra has enrollment now of 17 players and is coming along fine and is getting so they can play together very nicely.

The High School Orchestra has been asked to play a musical engagement at a P. T. A. banquet to be held early in April.

The High School Band has added to its personnel two sousaphone players which will add to the band a great deal. The band has purchased a new march "On the Mall" by Edward Goldman.

BASKET BALL NEWS
 Alas! The last Basketball game has been played. Clarkston's teams lined up against Keego's men last Friday night. The second team lost, the score being Clarkston 28, Keego 37.

The first team's last league game with Keego ended Clarkston 22 Keego 42. This kept Keego in the reign of no games lost this year.

Clarkston will draw for a match at Farmington. There will be four teams in Class "C" playing in the tournament. Further information about the date and matches will be announced later. Plan to see this contest.

SECRET SERVICE VISITS SCHOOL
 An educational moving picture, sponsored by the Secret Service Bureau of Washington, was shown to the students on Friday afternoon, February 21. The moving picture was "Know Your Money" and explained how our money is made and how it can be distinguished from counterfeit bills.

It was very interesting to see all the difficult processes that money must go through before it is distributed to the people. Several comparisons were made between a real bill and a counterfeit one. The main differences between the bills were the irregular and imperfect lines that the counterfeiter has had skillfully engraved. The engraving of money is such a difficult process that no counterfeiters as yet have been able to pass bills that cannot be detected upon close investigation. Everyone enjoyed the picture.
