REMEMBRANCE

Ah yes! my friend some time I'll spare
To place a wreath with utmost care.
Upon this tomb placed at your head
Although I know that you're not dead.

Oh now! my friend please patient be
And don't be too disturbed with me.
If on your grave I come and lay
Some roses red or pansies gay.

I know, right well you don't rest here
Upon this spot that I hold dear.
But just the house that held your soul

Before the reaper took his toll.
I feel, your presence at my side
And know you really never died,
And hope your spirit will rejoice
At these few flowers of my choice.

I bring them here, because I know
Of no more fitting place to go.
To place this token of my love
Where you can see them from above.

Ah yes! my friend, I am aware
Our world's the one that's full of care,
That you, are happy now instead
Of being buried here and dead.

—Robert C. Beattie.

24 hours A DAY YOU CAN ENJOY HOT WATER

As carefree and automatic as only ELECTRICITY can make it, this new hot water service frees you from even *thinking* about heating water. It requires no attention whatever. Ask about it at any Detroit Edison office—or see your plumber, electrical dealer, hardware or department store today. The Detroit Edison Company.

Smart... AND IT COSTS ONLY... \$4.95

This electric teakettle belongs at the head of the class. It turns off the electricity *automatically* if negligence allows it to boil dry. Use it anywhere in the house... simply plug into the nearest convenience outlet, and you have hot water in a jiffy. Only \$4.95 at any Detroit Edison office (for Detroit Edison customers only).
