CLARKSTON, MICHIGAN, FRIDAY, OCTOBER 3, 1941

NUMBER 5

The Hilltopper

Tonight, Friday, at 9 o'clock, the first school dance of the season will begin. Smitty's orchestra, better than ever, will play and you may be sure of an enjoyable evening if you attend. Please do!

CLARKSTON TEAM WINS EASILY!

After three lean years (and were they lean, Doc?) our high school football players pulled a Brooklyn! Yes, they did! Before a silent crowd of no fewer than thirty enthusiastic supporters, at least ten of whom braved the cold to sit through the entire game, Clarkston won last Friday's game by two touchdowns. All football aside, our boys won their second game by a score of 20-6, in a well-played contest with New Hudson.

These are the boys who started:

- Appleton—Guard
- Sutton—Guard
- Boice—Tackle
- Berg—Tackle
- Cheeseman—Center
- Perrin—End
- Baynes—End
- Rose—Quarterback
- O'Roark—Halfback
- Ross—Halfback
- Wainman—Fullback

Substitutions were Miller, Cooper, Smith, Wade, Reems, Mitchel, Henry, Hagen and Rouse.

The first touchdown was made after Sutton of Clarkston recovered a fumble. O'Roark caught a pass that gave Clarkston 20 yards. The next play was made by O'Roark, who ran around left end, making the touchdown.

In the second quarter Edwin Ross pulled a "fake substitution play" and caught a pass, giving us another touchdown, making the score Clarkston 14; New Hudson 0.

Wainman kicked the extra points. The last touchdown was made by Edward Ross who caught a pass and smashed 10 yards for 6 more points. Wainman then kicked another point but both teams were offside. At this point of the game all of the substitutes entered the game and held New Hudson to only one touchdown.

We are very pleased with the showing of the line, and our backfield men seem able and resourceful ball-carriers. This Friday Clarkston plays at Linden. Please try to get over there to see the game and give our team the support it has earned by its performance last Friday. How's about seeing a townspeople or two over there Friday afternoon?

STUDENT COUNCIL FORMED

On Monday afternoon the student body met and chose two slates of candidates for a student council. The Victory Party has nominated:

- President—Virginia Tondou
- Business Manager—Paul Sutton
- Boy's Commissioner of Buildings and Grounds—Don Appleton
- Girl's Commissioner of Buildings and Grounds—Evelyn McCann
- Boy's Commissioner of Activities—Bob Bennett
- Girl's Commissioner of Activities—Margaret Ann Beattie

The Citizen's Party nominated:

- President—Honor Stickney
- Business Manager—Claude Koop
- Boy's Commissioner of Buildings and Grounds—Stanley Perrin
- Girl's Commissioner of Buildings and Grounds—Inez Miller
- Boy's Commissioner of Activities—Royal McGill
- Girl's Commissioner of Activities—Marjorie Moore

On Tuesday the student body was to register, and on Wednesday the election was to be held.

SENIOR CLASS CHOOSES OFFICERS

The senior class organized for the year's activities on Thursday the 25th. Alice Rose, of Deer Lake Farms, was chosen President. Alice is an "all-A" student and a splendid citizen of our high school. She should prove a real leader, and we expect fine things from the Class of '42."

Virginia Tondou and Don Smith, both of Clarkston, were elected Vice-President and Treasurer respectively, and Charles Wilcox, of Waterford, is the class Secretary.

The first senior activity of the year will be the annual class play; to be given late in November. The President has chosen a play committee, which will read plays and select one adaptable to our class. Miss Cohen, co-sponsor (with Mr. Winn) of the senior class, will direct the play.

STUDENTS HEAR NAVY BAND ON Friday afternoon, 48 students of our high school journeyed to Pontiac to hear the U. S. Navy Band. Several members of our local band, when interviewed, admitted the superiority of the Navy Band to ours, but thought the concert an inspiration to high school players.

NEWS OF FIRST GRADE

Hope

Oh! Sun so red slip off to bed
Beyond horizons sinking,
You seem to smile, most all the while
As if you have been thinking,
About the views put in the news
With history in the making,
By men who feel a crisis real
And our foundations shaking.

Oh! Sun for years so it appears
You've shone down on our people,
Each dawn you've kissed and never missed
To shine on rock and steeple,
All down the line you've been on time

Just like a clock a ticking,
Men never doubt that you'll come out
You've done a job of sticking.
Oh! Sun I know as down you go
And leave me stand here thinking,
That there comes hope from yonder slope

I feel the world's not sinking,
That men will fight for what is right
And at the battles ending,
A better place for all our race
We'll buy with what we're spending.

CHRISTIAN SCIENCE CHURCHES

"Unreality" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, October 5.

The Golden Text (I John 2:16,17) is: "All that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof; but he that doeth the will of God abideth for ever."

Among the Bible citations is this passage (Rev. 4:11): "Thou art worthy, O Lord, to receive glory and honour and power: for thou has created all things, and for thy pleasure they are and were created."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.207): "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause."

Cars Crash On Dixie

The worst accident in years happened on the Dixie Highway near the Davisburg road in front of the tank factory Sunday morning at 10:45. A family trip was planned by Mr. Horan, of Essexville, to the blue grass country of Kentucky. After a lifetime of labor it was the first trip Mr. Horan ever took. Mr. and Mrs. Horan, with their son-in-law and daughter, Mr. and Mrs. Edward Neering, of 2309 Zimmerman St., Flint, had proceeded on the Dixie highway as far as the tank factory when their plans were blasted by the accident.

According to reports the collision occurred between the Neering car and the car driven by Jess Lockmer, 48 years old, of 230 Oakland Ave., Pontiac, a naval inspector of the Pontiac Motor division, and formerly of Gaithersburg, Md. Lockmer's car, witnesses told State Police, after swaying along the highway had gone on the shoulder at the right, then careened to the extreme left and collided with the southbound car, killing Mr. Horan instantly and injuring Mrs. Horan seriously. She was almost scalped and has a fractured skull. Mrs. Neering has a fractured left jaw and a leg fracture. Mr. Neering was treated for lacerations on the face and knees. Carol Ann, the 22-months-old baby of the Neerings, was not injured. Lockmer has a dislocated right hip and face cuts.

Assistant Prosecutor Harvey L. Lodge will seek a warrant for Lockmer charging him with involuntary manslaughter.

Mr. Horan was born in Bay county Nov. 8, 1876. He leaves his widow and three sons and three daughters. The funeral will be held from St. John's church with burial at Essexville cemetery.

Attention Football Fans

Clarkston Plays Linden at Linden This Afternoon at 3:30

Perhaps there is more "color" at what you call a "big" game at a college stadium than at a game at a small town high school, but remember the football players get their start on a high school team.

To be sure Clarkston has a high school football team and they would appreciate a few good rooters.

The local lads go to Linden this afternoon to play the Linden squad at 3:30. Make an effort to go along and do some shouting for the home team.

First Dance at School Tonight

The first school dance of the season will be held in the Clarkston School auditorium tonight beginning at 9:00 o'clock. The orchestra that pleased the crowd last year will furnish the music.

HOLLY THEATRE

Laughter and romance are the happy combination used in "Affectionately Yours", the new comedy scheduled to open on Tuesday at the Holly Theatre with Merle Oberon, Dennis Morgan and Rita Hayworth heading the large and able cast.

With Dennis (Kitty Foyle's boy friend) Morgan in the middle of a triangle completed by the Misses Oberon and Hayworth, the story gets off to an hilarious start. It seems that Dennis, having a wonderful time as a playboy foreign correspondent in Lisbon, Portugal, gets word from New York that his wife, Merle Oberon is going to remarry. In spite of his own philandering he is horrified at his wife's "unfaithfulness" and immediately boards a clipper for America, hotly pursued by his girl colleague, played by Rita Hayworth.

Then follows the amusing recital of his efforts to win back his wife, with Rita equally intent on trying to win him. The three-cornered chase resolves itself into one riotous situation after another, climaxing in one of the most amusing "waiting at the church" scenes ever filmed, with veteran waiter-at-the-church Ralph Bellamy as the bridegroom who gets the stand-up.

"Affectionately Yours" marks Dennis Morgan's debut as a star. According to advance reports on his grand performance in the new film, Morgan is destined to be one of the screen's top-ranking male stars. Playing one of the first light comedy roles of her career, Merle Oberon is said to score heavily in her new type of role. Rita Hayworth, the "Strawberry Blonde" who set masculine hearts beating a little faster in her recent picture with Cagney, does it again in "Affectionately Yours".

Red Cross Enlarges Service Program

Mrs. Sheldon Noble of Clarkston Is Director of th Volunteer Service

Heightened interest in the national defense program is evidenced in Oakland county by the announcement that more than 2500 women are giving freely of their time and energy in furthering the volunteer service program of the local chapter of the American Red Cross. Thousands of persons in this county and in the war zone abroad benefit from this service which is one of ten sponsored by the local Red Cross office, according to Mrs. Sheldon Noble, director of the volunteer service.

Mrs. Noble, of Clarkston, is assisted by chairmen of the various branches of the volunteer program, including: Production, Mrs. V. W. Kay, Pleasant Ridge; canteen, Mrs. Lyman Craig and Mrs. Karl D. Bailey, of Bloomfield Hills; hospital and recreation, Mrs. Ferd Brock, Bloomfield Hills; motor corps, Mrs. Earle Kneale, Pontiac; nurses aid, Mrs. E. I. Bradley, Pontiac; home service, Mrs. W. V. Ricketts of Cranbrook school and staff assistant, Mrs. Carlton Patterson, of Birmingham.

Chairmen of the various workrooms, thirty of which are scattered throughout the county, met Monday, Sept. 29, with Mrs. Noble to discuss the fall program. Workrooms, where garments are made for persons of all ages, are located in Pontiac, Bloomfield Hills, Birmingham, Franklin, Novi, Royal Oak, Berkley, Ferndale, Hazel Park, Big Beaver, Rochester, Lake Orion, Oxford, Ortonville, Holly, Milford, Farmington, Keego Harbor, Walled Lake, Springfield township, Southfield township, White Lake, Highland township, Bloomfield Highlands, Auburn Heights and Waterford.

The production department of the volunteer service is responsible for all clothing and surgical dressings. Records show that 1200 Oakland county women are assisting in sewing, etc., and that 1000 are knitting. Aiding Mrs. Kay are the following chairmen: Warehouse, Mrs. Manley Davis, Bloomfield Hills; sewing and cutting, Mrs. J. S. Varon, Pontiac; surgical dressings, Mrs. W. A. McHattie, Bloomfield Hills; knitting, Mrs. Claire Gaukler, Pontiac; inspection, Mrs. Harlan Smith, Mrs. Donald Patterson and Mrs. E. W. Parcells; packing, Mrs. John E. Champ Clark, Mrs. Harold A. Fitzgerald and Mrs. Thomas Hanson.

Volunteers are playing an important role in home service, one of the busiest departments at the present time. This service handles cases of war veterans and active service men besides other local cases. Mrs. Kneale is directing work of the motor corps which includes a group who have offered their services in driving cars and assist in transporting materials between workrooms and warehouse.

Work in the canteen department by 300 volunteers has established centers throughout Oakland county where, if needed, mass feeding would be conducted quickly and efficiently. The hospital and recreation service is one of the newest branches to be formed, and is gradually expanding, with one unit soon to be organized at the Pontiac General Hospital. These volunteers assist in hospitals, performing many helpful contacts with families of patients.

For Homemakers

With every rise in food prices, the army of thifty homemakers gets more recruits. Stopping unnecessary food wastes at home has become a basic step in the nation-wide movement to conserve this country's food resources.

Home economists at Michigan State College point out that food wastes happen all along the line. They list here some of the ways that such wastes may be prevented.

Much waste occurs in unplanned shopping. Wise buyers base their shopping plans on advance meal plans. They learn to make sure of getting their money's worth by checking both quality and quantity of everything they buy.

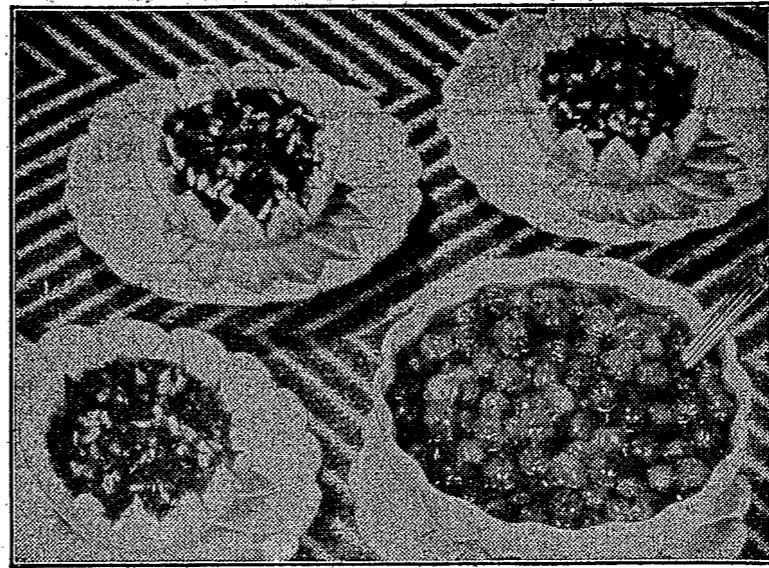

Improper storage is a food thief. Any food keeps better if it is stored the right way. Leftover fat and drippings can be used again, but they must be stored in a cold, dry place.

Some of the most obvious food wastes occur when food is being prepared for cooking. Cases in point are potatoes peeled too thick—oranges and lemons only partially squeezed—outside leaves of lettuce or cabbage thrown away as a matter of habit.

Poor cooking and serving cause other food losses. Indirectly, they may be the reason that the family leaves so much food uneaten on the plate. Burned food can be a total loss. Meat cooked at too high a temperature shrinks more than it should in the process, thus reducing the number of servings per pound of meat.

Surprising new theories about cats. Science finds feline pets are much like human beings, some gogetters, some quitters, and run their communities rather like the army.

Cranberry Relishes You'll Relish

By BETTY BARCLAY

One reason you'll relish these delightful fresh cranberry sauces and preserves, aside from their good taste, is that the tart red cranberry actually stimulates the appetite.

Relishes have a long history—in fact, the Greek philosopher Plato wrote about a relish of salt, olives and cheese.

Cranberry Orange Relish, dressed gaily in orange shells, is a newcomer, while Ten-Minute Cranberry Sauce is almost as old as our country.

Soon after the Pilgrim settlers learned of cranberries from the Indians, they devised this time-tested complement to all meats and steady partner to King Turkey.

Despite its definite personality, the cranberry is the least antisocial of all the berry fruits. It mixes happily with apples, lemons, spices and horseradish.

Try the orange relish with pork or veal, the Spiced Cranberries with lamb and serve the Cranberry Relish Mold with cold meats.

Cranberry Orange Relish (No cooking)

- 1 pound (4 cups) fresh cranberries
2 cups sugar
2 oranges
Put cranberries through food chopper. Quarter whole oranges, remove seeds and put through chopper. Add sugar and mix well. Chill in refrigerator a few hours before serving. Makes one quart relish.

Ten Minute Cranberry Sauce

- 2 cups sugar
2 cups water
1 pound (4 cups) fresh cranberries

Boil sugar and water together 5 minutes. Add cranberries and boil without stirring until all the skins pop open. (5 minutes is usually sufficient). Remove from fire and allow the sauce to remain in saucepan until cool. Makes 1 quart sauce.

For a Thinner Sauce

Just bring sugar and water to a boil, then add cranberries and cook until they stop popping.

Spiced Cranberries

- 2 1/2 cups sugar
1/2 cup water
2 2-inch sticks cinnamon
1 teaspoon whole cloves
2 tablespoons lemon juice
Grated rind 1 lemon
1 pound (4 cups) fresh cranberries

Combine sugar, water, spices, lemon juice and rind and boil together 5 minutes. Add cranberries and cook slowly, without stirring, until all the skins pop open. Seal in sterilized jars or chill for immediate serving. Makes 1 quart relish.

Cranberry Relish Mold

- 2 cups fresh cranberries
1 package prepared lemon gelatin

New Davisburg P. M. Is Honored

Honoring Mrs. Cynthia Nelsey on her recent appointment as postmaster at Davisburg, Mrs. Franklyn T. Burgess was hostess at a surprise tea at her home on Sherman street Thursday afternoon.

The decorations with red, white and blue flowers carried out a patriotic motif.

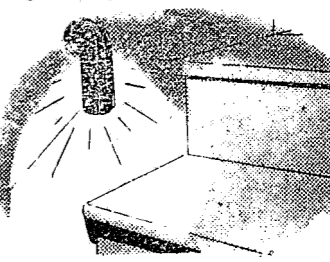

The guests numbered 28, and included Mrs. Elizabeth Belen, of Lansing, State Labor commissioner and a former member of the Legislature, who gave an interesting talk on some of the activities of the commission, especially as related to national defense.

Mrs. Nelsey has resigned as chairman of the Springfield Township Democratic Club, to assume her new duties as custodian of the mail for the people of her community.

You Mortal Fools!

Bleak winds;
Ever harsh,
Like life itself pursuing life.
Raging;
Never caring,
Blindly blowing, causing endless
strife.
Crushing;
Destroying,
Leaving scars until mortal end.
Thoughtless;
So merciless,
Throughout this world you ever rend.
Sinners!
God stop you!
What right have you to walk this
earth?
Vagrants,
Selfish fools,
What Will gave you the right to
birth?
Weak people;
Crying out,
Praying to be relieved of pain,
And you;
Immoral,
Fervently oppose God's will in vain.
Heartless;
Blackguards,
You'll pay for those you've brought
to harm,
Screaming
From Hell;
I'll hear your voices in alarm.
Calling;
For mercy,
Like those you willingly scourged,
Ill sit;
And smile,
Until from you all life has surged.
But lo!
Look about,
All of God's world still seems for-
lorn,
For today,
And tomorrow,
More mortal fools like you are born.

**SOIL CONSERVERS
STUDY PROBLEMS**

Meeting Followed Tour of
Farms in the Fenton Area

Last Thursday evening, J. H. Skinner, Director of the Fenton Soil Conservation District, and S. B. Thomas, County Agricultural Agent, addressed a meeting of District Conservationists held at the Soil Conservation Service offices. This meeting, climaxing an all day tour of the Fenton Soil Conservation District, was attended by soil conservationists who are in charge of erosion control work in eight other districts within the state. During the tour the farms of Dale Sharp, Clare Kirshman, Wheaton Hicks, Lloyd Salmon, Forrest Wyckoff, William Lemen, Emanuel Robinson and Claude Brian were visited and besides the various erosion control practices, proper pasture and woodland practices were seen and discussed by the group.
Mr. Thomas stressed the aid of visual education in promoting soil conservation work within districts and stated that the development of districts must be started by the farmers themselves and that the county agent's office is always ready to aid farmers in organizing districts for the control of erosion.
In his address, Mr. Skinner stated that plans are being made whereby farmers will participate more in the planning of their own farms, and stressed the need for community cooperation in furthering soil conservation practices. He also announced, since the district cooperators were stockholders in their community affairs, that like other business concerns, an annual cooperators' meeting and dinner would be held within the Fenton District, with the first annual dinner meeting being held in early November.
