## The Hilltopper

### HIGH SCHOOL TEAM WINS AGAIN!

On Friday, October 10, Clarkston's football team trounced Bloomfield soundly, 24-0, on a rain-soaked field. Three cheers for the cheer-leaders! Evelyn McCann, Norma Davison and Margaret Ann Beattie, under the direction of Royal McGill, Boys' Commissioner of Activities, journeyed to Bloomfield for the game. They made a nice appearance, and a sizeable group of the student body were there to help them.

Appleton—L. Guard  
Sutton—R. Guard  
Boice—R. Tackle  
Berg—L. Tackle  
Cheeseman—Center  
Perrin—R. End  
Baynes—L. End  
Ross—Quarterback  
O'Roark—Halfback  
Ross—Halfback  
Wainman—Fullback

Substitutions were: Rouse, Cooper, Smith, Waid, Miller, Ream, R. Henry, Mitchell and Hagen.

The first touchdown was set up when a punt was blocked by Hugh Cheeseman, and recovered by Paul Sutton. After two unsuccessful plays, Edwin Ross forward passed to Edward Ross, who ran 15 yards for the touchdown. Then, in the second quarter, Bill O'Roark gathered in a pass from Edwin Ross and sprinted at least 30 up the sidelines for a touchdown.

At the half, the score stood 12-0. Clarkston tallied twice in the 4th quarter. The redoubtable O'Roark, behind perfect interference, rounded right end and ran up the sidelines again for 40 yards and another touchdown. The last score came when Miller intercepted a Bloomfield pass and took it back to their 30-yard line. Perrin caught a short pass over the center, which netted us about 10 yards. Edwin then took the ball on an off-tackle play and went over the line.

We failed to convert on any of the 4 touchdowns. Bloomfield played good football, but showed weakness in forward pass and end run defense.

We are looking forward to a good game Wednesday afternoon with Auburn Heights. We have not beaten them in three years, but we are in the mood to upset them.

After the game, the boys went to Cheeseman's for their treat. Mr. Cheeseman has had a standing offer for two years of a treat for a winning team. He has not had to come through very often, but he has been willing to do so, and we want him to know that we appreciate it. We also like seeing the Cheesemans at the games, and we only wish that more parents were as interested in the team.

### HOME EC. CLUB

The Clarkston Home Ec. Club initiated the newcomers of the club Oct. 8, 1941. They wore unmade shoes and stockings, corsages made of carrots, onions and lettuce. After a candle light service, the girls took off their corsages and we had a celebration.

### CLARKSTON HIGH GIRL BRINGS HONOR TO SCHOOL

The Home Economics Department was very proud to be informed recently that the summer project undertaken by Evelyn McCann, a junior from Waterford, is to receive state recognition. The inspector for the Smith-Hughes division of Home Economics has requested Evelyn's picture and a copy of the project report for the Vocational Journal.

The inspector liked the pinafores, which our eighth grade girls are making, so well that she asked for a picture of the girls, when the dresses are finished.

### SAFETY CLUB NEWS

Last Friday afternoon the driving class met under the supervision of Mr. Fischer and Mr. Winn. The meeting was held to elect a committee to decide on the best drivers for the month of October. The members were: Tom Waid, Eldon Rouse, Donald Boice, Charles Smith, and Stewart Baynes. The class also took a test to decide who should get the cash award for the month of September.

### PHOTOGRAPHY CLUB NEWS

The final group of Mr. Fischer's Photography Club will meet on Monday, October 13. The club will take up the study of printing and developing pictures. At the next meeting the group will learn how to enlarge prints. The other groups of the club have already met.

### FIRST ASSEMBLY HELD

Clarkston students met Thursday, October 9th, for their first assembly and pep meeting. Royal McGill introduced the cheer leaders and the band played for us. While there was much that could be improved in this first student-planned assembly, we liked it and we want more of them. With our Student Council to plan assemblies, and provide the leadership, surely we can have frequent meetings that are worth-while and enjoyable.

## Clarkston Defeats Auburn Heights

### Final Game Next Week at South Lyon

The team won Wednesday afternoon by a score of 38-13, scoring four touchdowns in the first half and two in the second. Lack of space prohibits our giving you the details of this glorious victory, but further information will be given next week.

On Friday, October 24, our team travels to South Lyon for its final appearance of the season. The Student Council is planning to make this quite an affair, with "doins" before and after the game. It is most unfortunate that our last and most important game should be played away. We want very much to have a crowd at that game. Any townspeople who can come will be more than welcome, and good citizens, many a worthy student who is "lying" to go to that game would appreciate a ride! Let it become known a few days before the game that you are even thinking of going over, and see how popular you become overnight!

More about the "grand finale" in next week's issue.

## Commander Appoints Committee Chairmen

Lyman Girst, Commander of Campbell-Richmond Post No. 63 of the American Legion, has appointed the following as chairmen of the committees for the year: Service and Welfare, Herbert Baynes; Americanism, John Alander; Boy Scout, James Hemingway; Junior Baseball, Frank Perrin; Employment, Ben Comstock; Membership, Henri Buck; Publicity and Radio, William H. Stamp; National Defense, Elmer Collins; Graves Registration, Percy Craven.

## Six Year Old Lad Fights for Life

### Was Hurt While Playing in Yard Last Sunday

Six year old Daniel Guillette of Royal Oak Township was seriously injured last Sunday morning when he was run over by a machine used for leveling the grounds around a house construction project.

It seems the little lad had crawled into a small depression and the machine passed over him, scraping the blade across his head and partially burying him. He was taken to Mt. Carmel Mercy Hospital and it was found he suffered a fractured skull and severe scalp lacerations.

This little fellow will be remembered by many in Clarkston for it was only a few years ago that he came to live with his mother's uncle and aunt, Mr. and Mrs. Ray Clark. He lived at the Clark home for about a year and a half.

The last report was that the lad was putting up a brave fight and if no infection set in during the next few days he would have a fine chance of recovery.

## You Are Invited To the School Dance On Friday Night

All interested in a good time with young people are invited to attend the school dance in the Clarkston School Auditorium tonight starting at 9:00 o'clock.

The music will be furnished by Joe Boeberitz. The sponsors of these school dances are anxious to make them a success and so furnish good, clean entertainment for the young people of the community once a week.

## Brave Men

A man must have a lot of nerve when duty calls for him to serve, His country when it comes to strife. If needs be with his very life.

When man receives an urgent call And stands with back against the wall,

The spot he's in he finds is tight, To save his life, he has to fight.

Then man, that his own life might save

Just has no choice for being brave, And though it goes against his will, An enemy he has to kill.

Bravery, we find is thrust On men who fight for what is just, Who battle fierce with gun and knife Protecting thus a human life.

But braver yet a thousand fold Is this great army young and old, Who sally forth with loaded gun, To shoot some pheasants just for fun.

A man is very brave indeed, To take a life when not in need, A mammoth cuss with strength immense

Just shooting birds in self defense. Robert C. Beattie.

## 86th Birthday Celebrated Sunday

### Family and Friends Visited Mrs. Ann Serace

Last Sunday afternoon twenty-one guests from Flint, Drayton Plains, Lansing and Clarkston gathered at the home of Mrs. Ann Serace and helped her celebrate her 86th birthday.

Dinner was served at two o'clock and the afternoon was spent visiting and taking pictures.

Mrs. Serace received many lovely gifts, among them was a beautiful bouquet of mums.

Later in the day Mr. and Mrs. Bruce Chapman of Rochester called at the Serace home to extend best wishes.

## Shower Honors Bride-Elect Friday

### Miss Vivian O'Roark Was the Hostess

Honoring Miss Evelyn Walz, daughter of Mr. and Mrs. Oscar Walz, of Davisburg, who will be married to Merle Riddle, son of Mr. and Mrs. Clyde Riddle, also of Davisburg, at the Methodist church in that village on Friday, Oct. 16, Vivian O'Roark, of Clarkston, was hostess at a miscellaneous shower last Friday night.

The guest list included Miss Walz' mother, Mrs. Oscar Walz, and the hostess' mother, Mrs. Edward O'Roark. Others were Mrs. Ben Comstock, Bettieann Comstock, Betty Cole, Mary Gassick, Lucille Sommers, Mrs. John Keith, Mrs. Ronald Walter, Mrs. Warren Strait, Muriel Boyns, Mrs. Russell Wilson, Mary Jane Gullick, Mrs. Kenneth Axford and Mrs. J. D. Powell.

Games were played during the evening and refreshments served at small tables. Pretty corsages were used as favors. A color scheme of pink and white was used. Gifts were presented to the bride-elect in a pink umbrella.

Miss Walz is a graduate of the Clarkston High School.

## Hot School Lunches Are Popular

Those familiar-looking tin dinner pails swinging from the arms of boys and girls headed for rural schools are going out of style in many Michigan communities. In place of the traditional lunchbox is the hot school lunch, more popular than ever this fall, comment members of the home economics extension service at Michigan State College.

Since 1939, millions of undernourished children have been added to those receiving school lunches, thanks to surplus farm foods made available for that use. This year, the Surplus Marketing Administration of the U. S. Department of Agriculture expects the school lunch program to reach nearly five million American children. Almost as many more "eligible" children can be served, if more communities provide the sponsorship for such projects.

However, no matter who oversees the school lunch or how it is financed, it should be well-balanced to do the most good. Ideally, the menu includes one nourishing main dish, a glass or two of milk, fruit or vegetable in some form, bread and butter or a sandwich, and a simple dessert.

On this one theme there may be a thousand variations. The menu varies according to the food value of the main dish and the cooking equipment and other facilities at hand. Most ambitious school lunches are built around a substantial main dish with the rest of the meal of lighter foods. Or a lighter main dish such as a salad, cooked vegetable, or vegetable soup is served in combination with other heavier foods to support it.

## DEFENSE BOND QUIZ

Q. How many Defense Savings Stamps does it take to fill an album?

A. Seventy-five 25-cent stamps; seventy-five 50-cent stamps; seventy-five \$1 stamps; or fifteen \$5 stamps. The completed albums are immediately exchangeable for Defense Bonds (Series E) at your post office, or through your bank.

Q. Who directs the National movement to sell Defense Savings Stamps in retail stores?

A. The Treasury's Retail Advisory Committee. Officers of 14 great national retail organizations comprise the committee.

NOTE—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.

## Rev. W. C. Ballagh To Stay in Clarkston

At the annual business meeting held at the Clarkston Baptist Church last Friday night Rev. Walter C. Ballagh was invited to remain as Pastor for another year. This will start Rev. Ballagh's fourth year of service in this community.

## Students' League To Visit Clarkston

### Program Will Be Presented at Baptist Church on October 24

On Friday evening, October 24, at 7:30, sixteen young people of all nationalities from the Students' League of Many Nations at the Practical Bible Training School in Johnson City, N. Y., with their Pastor, Dr. John A. Davis, will present a program at the Clarkston Baptist Church. These young people will dress in native costume and will play musical instruments, sing and tell of some of their experiences.

Everyone in the community is invited to attend this interesting meeting. Remember the date, Friday, October 24.

## Michael Thayer Is Six Years Old

Last Saturday afternoon from 3 until 5:30 Michael Thayer, son of Mr. and Mrs. Ralph Thayer, celebrated his sixth birthday when a number of his boy friends were his guests at his home on Miller Road.

As the little folk arrived moving pictures were taken. Mr. Thayer supervised the games which kept the group busy until supper time. The dining table was pretty with an individual birthday cake and lighted candles at each place. When the guests were ready to leave they received a favor.

Michael was the recipient of many lovely gifts and best wishes of his little friends. The guests included Walter Jones, Douglas Larson, Johnny Walter, George Mann, Russell Litchcock, Jackie Beach, Richard Huttenlocher, Charles Roberston, Tommy Bullen, Lanny Leak, and Billy Dunatton.

## Recruiting Committees Appointed

### Clarkston Legion Post and Rotary Club Appoint Defense Committees

Roy Alger, President of the Clarkston Rotary Club and Lyman Girst of the Clarkston Legion Post has appointed committees to assist in presenting news of the Navy Recruiting Campaign in this section.

On the Legion committee: Elmer Collins, Chairman, R. C. Ainsley and Wm. H. Stamp. On the Rotary Committee: W. H. Stamp, Chairman, Fred Beckman and Seymour Miller.

At the suggestion of Secretary of Navy Knox, Wm. H. Stamp of the Clarkston News has been made Navy Editor, to help the Navy in giving ambitious local young men information about the opportunities the "Two-Ocean" Navy offers them for technical training and advancement as they serve their country in its emergency.

According to an announcement made public in Washington, a limited number of additional men between the ages of 17 and 50 will be given a chance, by enlistment in the Navy or Naval Reserve, to get to the top, with big pay, in jobs which by their aptitude and as a result of examination they show themselves fitted, from among nearly 50 different trades and vocations. These include such callings as aviation machinist, dental technician, photographer, diesel engineer, radio technician, electrician, welder, storekeeper, and baker. Enlisted men may also qualify for commissions as officers.

Beginning this week, the Navy plans for a limited time to accept new qualified men for training. These men will be sent to one of four Naval Training Stations and may have a chance to go to a Navy Trade School even before assignment to the fleet. During this period they will be given regular Navy pay and the Navy's free schooling is valued at hundreds of dollars.

"Never in the history of the United States has there been greater opportunity for loyal young Americans to serve their country and build their futures than right now," said Secretary Knox.

In outlining the many advantages offered by enlistment in the United States Navy, Mr. Wm. H. Stamp, Navy Editor of the News, said, "It is possible for a bright young man to increase his pay seven times during his first enlistment and he can earn as much as \$126 a month. This monthly figure is actually worth much more when it is remembered that the man has few living expenses and is provided with the finest of medical and dental care.

"You have all your food and lodging, and also your original outfit of clothing provided by Uncle Sam free," Mr. Stamp continued. "In addition there are free sports and entertainment—even to the latest Hollywood pictures. On top of this you get free travel and adventure in colorful places—a thing few civilians can afford.

"When you consider the size of this country and the fact that the Navy will select only 15,000 applicants a month from many times that number throughout the United States, the quotation, 'Many are called but few are chosen,' will apply to local young men interested.

"Navy men are a 'hand-picked' lot. Candidates must be men of more than average intelligence and ambition, of fine moral character and must have the written recommendation of at least two local townspeople."

As Navy Editor, Mr. Stamp has just received from Washington a supply of free illustrated booklets for all men interested and, in addition will welcome inquiries from young men who wish to look into the new and greater opportunities the Navy now offers for training for future civilian careers as they serve their country now in its emergency.

## HOLLY THEATRE

"Sun Valley Serenade" 20th Century-Fox's new entertainment inspiration starring Sonja Henie and John Payne and featuring the irresistible rhythms of Glen Miller and his Orchestra is the new attraction due Sunday at the Holly Theatre.

With most of the scenes set on the sunny, snowy slopes of the nation's glorious vacation land, "Sun Valley Serenade" is a gay, romantic musical with new skate and ski surprises.

Sonja is featured in two new skating ballets and several skiing routines. She is again given the opportunity to show the mastery on ice which won her renown as the World and Olympic Figure Skating Champion.

The happy comedy starts when John Payne, piano player for Glen Miller's band, finds that the "little" refugee he has offered to care for is really Sonja. He tries to duck out of the agreement, but Sonja keeps after him to his discomfort and to the annoyance of his fiancée, Lynn Bari.

This gay romance is helped to its unusual climax by the popular rhythms of America's number one band, Glenn Miller and his Orchestra. In addition to playing seven new tunes by Mack Gordon and Harry Warren, Glenn and the boys handle acting roles. They also present their already famous arrangement of "In The Mood," which has sold over half a million records. This is the band's first feature picture appearance.

The new Gordon and Warren tunes, played in the inimitable Glenn Miller style, had preview audiences humming and whistling. Written especially for "Sun Valley Serenade," they are "I Know Why And So Do You," "It Happened In Sun Valley," "Chattanooga Choo Choo," and "The Kiss Polka."

"I'm Lena The Ballerina" serves as a novelty number for comedienne Joan Davis, who with Milton Berle provides the comedy in the film. "Chattanooga Choo Choo" is used by the Nicholas Brothers in their unusual style of dancing.

Pvt. Stanley Beemer is home from Camp Livingston, La., to spend an 18 days' furlough with his parents, Mr. and Mrs. John Beemer.

## Air Raid Kits To Go to England

The air raid kits are designed for use of women who are forced to leave their homes without warning or preparation. Such items as toilet articles, sewing and personal necessities are included. Directing this project in Oakland county are Mrs. Sheldon Noble, director of volunteer service, and Mrs. O. W. Kay, production chairman.

The local chapter of the Red Cross also is participating in a program to provide comfort items for the large number of men in the United States army and navy who will be hospitalized at some period during the fiscal year. The expansion of the nation's armed forces has made it necessary for the Red Cross to expand its hospital production program for the army and navy.

The government provides essential articles, but by agreement, the Red Cross supplies specific articles which add to the comfort and pleasure of hospitalized men. The Oakland county chapter has agreed to send 650 articles including bedside bags, card table covers, cushion covers, socks, etc. for this purpose.

The Women's Missionary society held an all day meeting in the church parlors last Thursday. A lovely potluck dinner was served at noon. The meeting was called to order by its president, Mrs. Frank Jones. Prayer and the scripture were taken from II Cor. 4:1-13. Several ladies led in prayer. Mrs. Eva Mae Rowley had charge of the devotionals. Theme: "The Pathway to the Tepee; the North American Indian". A special program was given with Mrs. Wesley Stevens, Mrs. Ann Robb, Mrs. Beatrice Burdy, Mrs. Helena Lewis and Mrs. Ethel Aderholdt taking part. The next meeting will be the Silver Tea to be held in the afternoon of Thursday, November 13th. Mrs. Russell Maybee is the program chairman and the hostesses are Mrs. Lloyd Bowden, Mrs. Alfred Hutchinson, Mrs. Wesley Stevens, Mrs. Grace Barnhart and Mrs. Howard Keepin.

Sgt. John L. Mumro of Port Leonard Wood, Mo., arrived home last Saturday to spend two weeks with his parents, Mr. and Mrs. R. B. Mumro, on Dixie Highway.

The knitting class met with its instructor, Mrs. Ross Pearson, at 2942 Hadden St.

The Junior Missionary Society had a meeting and party at the home of their leader, Mrs. A. A. Solomon, last Tuesday night with twenty members being present. Officers were elected as follows: President, Lucille Hanggee; vice president, Rosemary Wilson; secretary, Dolores Huntler; treasurer, Roberta Dean; librarian, Matilda Neilson. After the meeting games were played and refreshments were served. Halloween decorations were used through the house. Mrs. Virginia Hanggee was present at the meeting and is the new associate leader with Mrs. A. A. Solomon.

Nineteen members of the Jr. Missionary Society and six adults went to the Junior Rally last Saturday. The Rally was held at the Littlefield Blvd. Church in Detroit and lasted from 10:30 a. m. until 3:00 o'clock in the afternoon. A good time was had by all. The Juniors are starting the study of their Foreign Missions study book, "We Gather Together", this coming Sunday evening.

The Juniors held their first class meeting Wednesday noon. They made plans for getting money for the class treasury.

**KGK, & 1ST GRADE NEWS**  
After a "save and conserve" discussion during circle period the other day the kindergarten children decided to bring out-dated magazines to school for experimental paper cutting and folding.

They are also collecting covered glass jars for their easel. Much interest has been shown in developing this activity.

Large tin cans and oatmeal boxes are being collected to be made into drums for the rhythm band.

Nancy Morgan has been enrolled in the kindergarten this week. The First Grade Children have read half of their Dick and Jane books. They are very much interested in learning how to read and are doing very well.

**My Trip**  
We left Tues., Sept. 16, for Wilmington, N. Carolina, by way of Washington, D. C., and got back Wed. of the next week. We went to visit my great uncle who has a brick yard on his farm.

We saw Barbara Fritch's home, the sights of Washington, Mt. Vernon, the Atlantic Ocean, and many other interesting and educational things.

I am very grateful that I had the chance to go, because I know it did me worlds of good. I only wish that I could have taken everyone along.

English 10  
The class has just completed a unit on the short story. As a climax to this work each student wrote an original short story. At present the class is starting a unit on reading patterns and from this will go into a unit on writing composition. The class is enjoying the new grammar text—"Thinking in English" Book II, English 9

The classes have been studying the paragraph as a basis of English composition work. They also enjoy their new text books.  
Latin II

The students have been reviewing first year grammar and are preparing to translate Caesar's "Gallic Wars". The stories they are translating at present are from the familiar stories of Roman Mythology.

**Public Speaking**  
The class is working on a unit on bodily action. We are trying to limber ourselves up so we will be able to gesture correctly. We have been studying for correct posture for sitting and standing positions and we hope to employ these in the future. Each member of the class is making a scrap-book showing bodily action as we see it illustrated today commercially.

English 8  
The class has just completed a scrapbook on poems. Each intends to his own little anthology of poetry. We have been enjoying our Junior Scholastic.

**For Homemakers**

Michigan's reception recently for the winds which arrived in the state from the southern hurricane did not include a warm welcome from fruit growers. Yet most commercial orchards escaped serious losses because the harvest was well under way.  
Food price increases, home economics specialists at Michigan State College point out, indicate the value of housewives utilizing the state's apple crop in more ways than usual. There's apple sauce served fresh or canned for winter use. There's pie, upside down cake, dumplings, salads, mixed fruit desserts, jelly and apple butter—all made with suitable varieties of the Michigan apple crop.  
"A good cook, if she wanted to, could use a barrelful of apples and never repeat a recipe," say the college home economists.  
Apples now rate second only to the citrus fruits in size of American fruit crops. Michigan and nearly all other states produce large enough crops to rate as commercial apple states. Farm orchards kept principally for household use, add to the size of the crop.  
Food value lends justification to the production. Vitamins and minerals are present in small amounts. Best method of getting all the food value from an apple is to eat it raw, including the peel. Even in a salad or a fruit cup, the peel adds to the food value.  
Three rules are suggested for proper use of the crop.  
Rule one advises buying the variety of apple that suits the need.  
Rule two says, use little or no water in cooking because the apple itself is 80 per cent water.  
Rule three advises no overcooking, which means close watching of the apples as they cook on top of the stove or in the oven.

**Your Health**  
Good health is one of the main requisites of a happy life and in the last year we have found that good health is needed for national defense. Oakland County is fortunate in having good medical care, good hospitals, clinics and health department facilities. According to the report of the county department the public health nurse renders a great service in every community. Nurses visit homes and give counsel and deal with problems of the expectant mother, infant, pre-school and school children, communicable diseases, venereal diseases, tuberculosis, crippled children, immunization and adult hygiene. During 1940 such services rendered totaled 26,336 with 6,563 home calls.
