Mrs. Fern Ludwick, as temporary chairman, announces the following program: (1) An intensely interesting dramatic skit pertaining to the growth and work of the American Red Cross presented by a high school group, under the direction of Miss McKibben. (2) A series of one minute talks suggesting ways of improving community relationship with our youth.
Howard Jewell and Ralph Delay left Friday for Chicago where they will enter the Chicago Evangelistic Institute, where Mr. Jewell will work on his M. S. degree and Mr. Delay will enter as a freshman in a Theological course. Mr. Jewell has sold the stock in his store to Mr. and Mrs. Lewis Hall and it will be known as the Hall Grocery. Mr. and Mrs. Hall and children are living with the latter's mother, Mrs. Eva Lenox.
Mrs. Lester Patton entertained a number of friends at a brush demonstration at her home at Williams Lake at 2 p. m. on Wednesday.
During the two weeks each preceding and following the Christmas holidays \$275 in Defense stamps were purchased by the pupils of the Waterford school.

Drayton Plains

The Adult Bible School Class of the Community United Presbyterian Church held its business meeting and social good time last Thursday evening. The program started promptly at 8 o'clock and was in the form of a candlelight service. Piano duets were played by Mrs. Ward Reid and Mrs. J. R. Berryman; violin solos by Miss Mary Buck, Waterford, accompanied by Mrs. L. G. Rowley; John Watkins and Clayton Purdy, representing two boys from Rumpus Ridge, played several selections. Clarinet duets by two of the Drayton Plains Band, Ila Mae Bailey and Cheri Lou Purdy. Roy Dancey had charge of the Gossip Column and made lots of fun telling tales on different members of the class. Trumpet and violin solos were given by Stan Perrin, accompanied by Miss Betty Ash, both of Clarkston. Refreshments were served after which election was held with the following results: President, Elmer Roadway; vice president, Wesley Stevens; secretary, Mrs. Lelah Wilson, and treasurer, Peder Neilson; teacher, Rev. C. J. Sutton. Two out of town guests, Mr. and Mrs. Lloyd, of Pontiac, were present.
Mr. and Mrs. Earl Paine of 4162 Dixie Highway delightfully entertained at a birthday dinner last Sunday in honor of their daughter, Helen's thirteenth birthday, Mr. and Mrs. Howard Rohm of Maceday Lake, Mr. and Mrs. Myron Friday and daughter Maryland and Mrs. Paine's mother, Mrs. Minnie Rohm, of Davisburg. On Saturday, January 17th, Helen entertained Barbara Krem, Loraine Marvin, Ellabelle Vick, Betty Dewey, Betty Napierki, Dona Latimer, Joan Frizelle, Marjorie Thrasher, Bertie Lou Batchelor, Ila Mae Bailey and Joan Paine. The first part of the afternoon the girls enjoyed skating. Other games were played and at the close refreshments were served.
The Home Demonstration group will hold its next meeting next

Thursday, January 29, in the Community United Presbyterian Church. The meeting will be called to order promptly at ten o'clock. Cooperative luncheon will be served at noon. The leaders, Mrs. Milton Reddeman and Mrs. A. A. Solomon, will give the lesson on "Different Dinners".
The P. T. A. will sponsor a penny supper tonight, Friday, January 23rd, in the school auditorium commencing at 5:30 until 7 o'clock. The public is invited.
The second meeting of the Training Inst. will be held in the 1st Church tonight, Friday, January 23rd. A fine delegation from Drayton Plains attended the first meeting last Friday night.
The annual Communion Service will be held next Sabbath Morning. There will be a class of new members to be received. All others who have accepted Christ are invited to join with us and to find a place of service in our church.
The W. C. T. U. met in the ladies' parlor of the Community United Presbyterian Church last Tuesday afternoon, with twenty-four members present. Mrs. Katherine Cable presided. She called the meeting to order and gave a short outline of the Drayton Plains W. C. T. U. organization which was started on January 25th, 1938, with sixteen members. This union has grown to over forty members. Mrs. William Pelton was the first president, Mrs. Marion Morrow second, Mrs. Alfred Hutchinson third, and Mrs. Katherine Cable now in office. The different chairmen were called upon to give their reports: Mrs. Peder Neilson as social leader; Mrs. Oliver Seibert, house committee; Mrs. L. G. Rowley, leader of the Y. T. C.; Mrs. Grace Barnhart, publicity chairman; Mrs. L. G. Rowley was appointed alcohol and radio critic. The captains appointed to receive points on attendance, punctuality, carrying their Bibles, Michigan Unions and Union signals are Mrs. Roy Dancey, Mrs. Peder Neilson, Mrs. N. W. Morgan, Mrs. Walter Aderholdt. The roll call was answered by quotations from Frances Willard. Mrs. William Pelton introduced Mrs. Ella H. Wood of Detroit, state director of spiritual department. She gave a very interesting message of the crusade history of the Psalm 146, which was started in 1873. She stressed prayer. Mrs. J. R. Berryman played a very lovely piano solo. Mrs. John Watkins introduced Mrs. Elizabeth W. Irwin of Detroit, president of the 17th district, the speaker of the afternoon. Mrs. C. J. Sutton closed the meeting with prayer. Refreshments were served.
Mr. and Mrs. William Pelton and daughter Mary Lou spent last Saturday in Royal Oak as dinner guests of Mr. and Mrs. Victor Wendler.
Mr. and Mrs. Walker Morris moved last Monday into their new home on Dixie Highway.
The Drayton Plains Mother singers held a cooperative dinner and business meeting at the home of Mrs. Eugene Becker last Thursday.
Mrs. Dick Alle and Miss Charlotte Scarrott of Pontiac spent Wednesday with Mrs. Charles Williams of Hatchery Road.
At their regular meeting last Monday night the Drayton Men's Club voted to ask a charter from the Michigan Corporation and Securities Commission in Lansing to enable the club to acquire property and erect a building thereon at some future date. A committee composed of Charles Sniffen, chairman, Leonard Nelson, Earl Paine, Fred Barrett and Willard Lindquist was named to gather information on the subject.

WALLED LAKE SINKS
CLARKSTON, 34-13
RESERVES LOSE, 22-15

Walt La Plante
Clarkston journeyed to Walled Lake Friday and lost both games. Yes, the second team lost too, 22-15. They had a 5 point lead at the quarter; at the half a 1 point lead. But that was the end. In the second half Walled Lake came back and took over from there. Walled Lake's coach must have said something to them because they sure came back inspired to score 16 points to Clarkston's 8 making it, as I said before, 22-15. High point man was Coy, for Walled Lake, with 10 points.

Fourteenth Year of Service

There is not much to say about the varsity game. In the first quarter the closest they got to Walled Lake was 7-3, and that was their best effort. After that it was Walled Lake all the way. One other thing: In my opinion it was very rough, and (censored).

SIXTH GRADE

Mrs. Vliet
Our class made a good contribution to the Junior Red Cross. We wrote the following original jingle to help us remember:

"Let's all do our share,
Help the Red Cross prepare,
Our nickels and dimes
Will jingle like chimes;
So help in this way,
Invest in U. S. of A."

Twelve Winstoh dictionaries have been purchased for our room. It is our aim to learn to use them efficiently.

We have started a citizenship contest. The teams are Shepards, Setters, Cockers, Airedales, and Collies. The class is enjoying a new library book, "Mr. Songcatcher and Company." It is the story of Joe Purdy, a Tennessee Mountain boy. The book is the gift of the Seventh Grade, purchased with the proceeds of the class paper they published while they were in the Sixth Grade.

THEME SONGS

Margaret Beattie—"A Man is a Two Faced—" From "The Blues in the Night"

Mrs. Wallace—"Love Me, Love My Dog"

Gene Cuble—"In His Merry Oldsmobile"

Norma Davison—"A Good Man Is Hard to Find"

Betty A. Bailey—"Rollin' Home"

Jim Moore—"You Are My Sunshine"

Bob McGill—"I Dream of Jeanie"

Dave Wainman, Barbara Andrews—"Star Dust"

Helen Hodges—"Jim"

Bette Davis—"Billy"

Betty Ash—"Anchors Aweigh"

Mr. Fischer—"The Play's the Thing"

Don Smith—"Goofus"

Bob Bennett—"Oh! How I Hate to Get Up in the Morning"

Bob Hanson—"Hot Lips"

Arnold Mann—"I Must See Annie Tonight"

Bill Radoye—"Foot Loose and Fancy Free"

Evelyn McCann—"Do I Worry?"

Frank Ronk—"Jeannine"
Don Appleton—"Ten Pretty Girls"
Roy Spencer Jr.—"Faithful For-ever"
Miss Cohen—"Should I?"
Mr. Thayer—"Down, But Never Out"

HOME ROOM 7

As soon as semester examinations are over, the seventh grade home room will select its best citizen for the first semester. The class president, Glenn Arthur, has chosen a citizenship committee, whose members are Ida Beattie, Doris Boyns, Basil Ash, and James Fuller, this candidate for the award, and the class as a whole will vote to decide which candidate shall receive the citizenship prize. The prize is to be a year's subscription to a magazine. The money for the prize was earned by the sale of Fudge at basketball games.

NEWS FLASHES

We understand that one eighth-grade boy brought 3 rabbits' feet to his civics test.

Poor Mrs. Wallace is frantic for fear she won't get a chance to play one of the corpses' parts in "Our Town". Question is—can she be still for an entire act?

Quite a to-do over the two-good-looking new students in the seventh-grade. Little competition, eh, Jack?

"FLOWING IN" a new cable line.
These huge machines bury several miles of telephone cable a day.

Cables for America's Battle

- ★ IN THE past year, while the nation was preparing for the present struggle, Michigan Bell spent \$28,000,000 largely to meet the need for increased telephone service.
- ★ Part of that total went into new buildings, additions and new central office equipment. But a large and important share was buried in the ground—in the form of telephone cable. 448,000 miles of new telephone wire were used in the cables placed by Michigan Bell in 1941—enough wire to go more than 18 times around the earth!
- ★ Hundreds of miles of new cable bring telephone service to military bases and munitions plants. Other hundreds supply the swiftly growing districts of defense workers' homes. As long as the necessary materials can be obtained, your Telephone Company will do its level best to provide good telephone service for all who need it.

Clarkston Locals

The company with which Edward Larion is employed has transferred him to Monroe, Mich. He and Mrs. Larion and family are contemplating moving to that city very soon.

At the meeting of the Seymour Lake WSCS held at the home of Mrs. August Doebler last week it was decided to organize a Red Cross work unit.

Everyone will be sorry to learn of the illness of Mrs. George Perry. The last report on Thursday was that she was feeling some better.

Infantile Paralysis Campaign Is On

Theodore L. Degenhardt of Ferris, Oakland County Chairman of the Fight against Infantile Paralysis Drive which opened in Michigan last week, and also chairman for the arrangements for the President's Ball, January 30, is planning the enlistment of civic leaders to assure a greater campaign than ever before.

Mr. Degenhardt said all residents of Oakland County will be asked to help through direct donations to a collection of dimes campaign, through greeting cards to be sent to the President at the White House and by ticket purchases to birthday balls.

Farmers Will Be Hit By Income Tax

For many farmers in Michigan 1942 will be the first year they will have had to make out an income tax report. This information has been revealed by E. B. Hill, head of the farm management department of Michigan State College.

Every farmer who is single, or who is married and not living with his wife, must make a return if his income is more than \$750 a year. If he is married and living with his wife the returnable blank is due if his gross income is \$1500 a year. As his share in the all-out war effort, practically all farmers will welcome the opportunity to share in the tax. Even though they make a return, they will pay no taxes unless there is a balance after personal exemptions and other lawful deductions are taken out of the gross income.

Every farmer should obtain from the collector of internal revenue at Detroit or from one of the 12 field offices in the state, two copies of Form 1040 and 1040F. After that is done, his figuring starts. On Form 1040 everybody determines whether he has to pay an income tax, and in what amount. Fairly complete instructions are presented on a sheet which accompanies the form.

Form 1040F is a schedule of farm income and expense, and is filed with Form 1040 when the form is filed on

the cash basis. Filing of Form 1040F with 1040 is optional if the report is filed on the accrual basis.

Farmers are entitled to certain deductions of farm expenses and depreciation accompanying their operations. Farm expenses include such things as hired labor, feed bought, fertilizer and other expenses of operating the farm. Certain depreciations are also deductible, such as deterioration of buildings, farm machinery, fences, and tile drains.

Finally, the tax payer must attest the correctness of the report before a notary.

For those in doubt as to the procedure of compiling a tax report, Professor Hill suggests they consult their banker, who will be able to give them information and suggestions.

Even Coyotes Have Some Value

In the last 12 years, coyotes have appeared in 13 eastern states, and unless checked, may become established throughout that part of the country, according to a report of the federal fish and wildlife service. The Michigan department of conservation contributed coyote stomachs to the service's 17-state collection of 14,829, the diet analysis of which showed coyotes to be beneficial to man to some extent because of their consumption of pests, rodents, carriots and insects.

Christian Endeavor News

In recognition of Christian Endeavor Week, beginning January 25th radio station WCAR Pontiac will broadcast a special Christian Endeavor program on Saturday afternoon, January 24th. Rev. Cletus Parker, pastor of the Baldwin Evangelical church in Pontiac, will bring a devotional message and there will be musical numbers by Christian Endeavorers of Oakland County.

On Monday evening, young people from every corner of the county will travel the highways leading to the First Christian Church at Pontiac, to attend the Annual banquet of the Union. Mrs. Herbert Baynes is in charge of the arrangements and the Rev. Harry T. Bridwell of Windsor, Ontario will be the guest speaker. Josephine Emerson heads the decorating committee and Mrs. Orpha Williams will arrange the program.

After sixty highly successful years, Christian Endeavor on this 61st birthday asks only to be more largely useful, more fully trusted, more prayerfully supported and more diligently directed.

THE STORY OF ELECTRICITY

Number Two in a series published by The Detroit Edison Company

For more than 2,000 years after Thales' experiments with amber and lodestone, his discoveries lay dormant. No one recognized their great importance and significance, or troubled to follow them further. Not until the year 1600, in the reign of Queen Elizabeth of England, was the thread of electrical knowledge again picked up.

Dr. William Gilbert, Physician in Ordinary to the Queen, was a far from ordinary person. A doctor by profession, he performed and recorded so many experiments with "electrics" that his observations were published in a book, "De Magnete." This monumental work represented 17 years of study and research, and is a magnificent example of inductive philosophy. Written with the "inquiring mind" of a true scientist, Gilbert's book laid the founda-

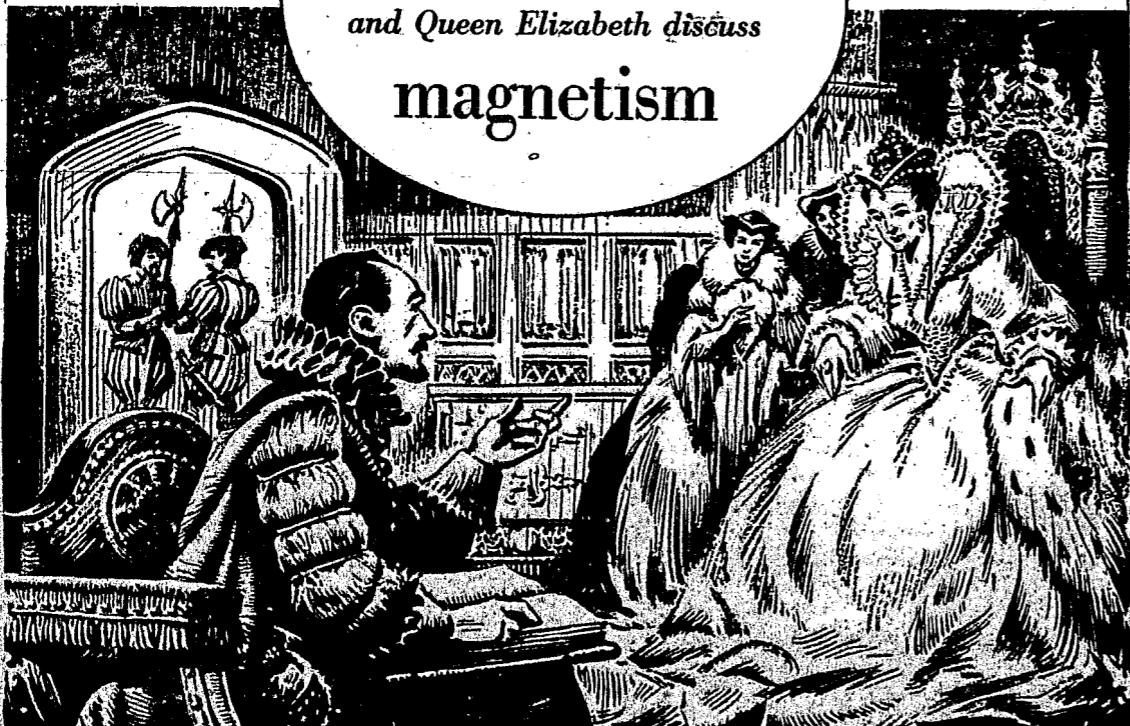

tion of the whole science of magnetism as we know it today. Queen Elizabeth and her Court were so interested in his demonstrations that he was granted a pension of £100 a year to further his studies.

Gilbert took up the study of amber, and showed that its power of attraction was common to many other materials: glass, resin, sulphur, rock crystal, sapphire, diamond. These substances he called "electrics." He also showed that the earth itself is a giant magnet, and that this explained the behaviour of the magnetic compass. He used a sphere of lodestone to demonstrate the earth's magnetism. He also devised the "versorium," a light needle or pointer mounted on a pivot for detecting electric charges. The Great Fire of 1666 destroyed nearly all of Gilbert's instruments.
