**Waterford**

Helen Weaver spent the weekend in Detroit as guest of her cousin.

Mrs. Charles Shock is quarantined in her home with scarlet fever.

The Good Will Club met on Friday for a 1 o'clock co-operative luncheon at the home of Mrs. H. B. Mehlberg.

Mr. and Mrs. Floyd Barkham spent Sunday at the home of Mr. Barkham's brother in Holly.

Mrs. James Stites is confined to her home with a back injury sustained in a fall recently.

William Hunt, who has been confined to his home with illness, is much improved.

Mr. and Mrs. Sam Miller spent the weekend with the latter's parents at Plymouth.

At the Penny Supper held on Friday at the school, sponsored by the P. T. A., over \$50 was netted.

Helen Gillespie, who has been confined to her home with illness the past week, returned to school on Monday.

Mrs. Emaline Hurd spent the past week in Detroit as guest of her son and daughter-in-law, Mr. and Mrs. Lovell Hurd.

Mr. and Mrs. Roy Britton were guests at the home of the former's mother, Mrs. Elizabeth Britton, on Thursday.

Miss Corrine Green of Birmingham and Miss Margaret Green of Sylvan Village were guests of their aunt, Mrs. John Miller, on Sunday.

Grace Stevens received severe injury to her knee and ankle when she fell from a bicycle on Saturday evening.

Mr. and Mrs. Kenneth Miller of Pontiac and Mrs. John Miller visited the latter's aunt in Holly on Sunday evening.

The township officers elected on April 6 are now duly qualified and have taken over their respective duties.

Defense work in the township is now well organized with air raid warden chiefs and their assistants taking over their duties.

Mr. and Mrs. William Poland of Detroit spent the weekend at the home of the latter's parents, Mr. and Mrs. H. F. Buck.

During the recent collection of waste paper through the school more than five tons were gathered. The money will be used to purchase school supplies.

Dickie, the little son of Mr. and Mrs. Leo Baumgartner, a former Waterford teacher, is confined to St. Joseph Mercy Hospital in Pontiac where he underwent an appendectomy recently.

In the District Declamation Contest held Wednesday, April 15, Anne Zander of the Waterford High School placed first in the dramatic division

and Jack McCaffery third. In the oratorical division Patricia Stites placed second and Donald Beedle third.

The fire truck for Waterford township is expected to be delivered to the township hall in the very near future, it was announced today. It will be fully equipped and have two full time drivers, who will alternate working days, to be assisted by a group of volunteer fire fighters.

An alarm system is being installed, to be controlled from the township hall, with sirens for fires and air raid warnings at Waterford, Drayton Plains, Huron Gardens and the township hall. When this is fully equipped and ready for service patrons will be notified.

In celebration of state Latin week the first and second year Latin students of Waterford High School held a Roman banquet. These modern Latins wore the official Roman costumes and ate in the manner of the ancients. After the banquet the second year class presented a musical comedy concerning Julius Caesar while the first year class dramatized an original play written by Linda Jane Myers.

The P. T. A. meeting on Thursday evening at the school was in charge of the fathers. The speakers were Col. Alton T. Roberts, active in the American Legion, who conducted Marshal Poch on a tour of the U. S. A. in 1921, and D. J. Patterson, of the Canadian overseas force, at home on furlough. Refreshments were served by a committee of fathers with George Attwater, newly elected father vice-president, as chairman.

May 8 is the date set for the annual school carnival to be held in the school under the sponsorship of the athletic association. An attractive feature is the selection of a carnival queen. Two contestants from the ninth and tenth grades, each, have been chosen. From the ninth grade are Patricia Stites and Kitty Lou McLaughlin and from the tenth grade Elizabeth Vliet and Claudia Hoadley. Containers have been posted for the votes.

**HOLLY THEATRE**

The Broadway box-office stage hit, "Skylark", has been turned into one of the merriest movie romances of the season, starring Claudette Colbert, Ray Milland and Brian Aherne. "Skylark" opens Sunday at the Holly Theatre.

Claudette Colbert portrays a modern young wife who divorces her advertising-man husband when he places his business career ahead of their love. But she's too deeply in love with him—and vice versa—to make it a permanent arrangement. Dashing Brian Aherne, a bachelor who has a boat, a captivating line and a moon, talks Claudette into a skylark which finally lands her aboard the amorous young man's storm-tossed sloop.

Here, in an exhibition of slap-stick comedy, Claudette takes a landlubber's beating from the sea during the knockabout scene on Aherne's boat. There are any number of other delightful comic situations, with Ray Milland, Brian Aherne, Binnie Barnes, Walter Abel, Mona Barrie, Ernest Cossart and Grant Mitchell all coming in for their share of the honors.

Miss Colbert puts on a glamorous one-woman fashion show, wearing 18 different wardrobe models of evening gowns, suits, sports wear, negligees and an array of eye-fel accessories designed to make the women sit up and take notice.

**Planting Advice for Victory Gardens**

**M. S. C. Expert Tells How Work Should Be Done**

Actual start of gardening in Michigan's 1942 Victory gardens depends more on the weather and soil conditions than on the calendar.

Unless the job has already been done, some accurate planning on paper comes first. How to plant is one of the secrets of getting the most out of a garden, says Perry Bowser, vegetable gardening specialist at the Michigan State College, and plans ought to be all laid out and ready to

start the minute the weather is right. "If there is room so that companion cropping is not necessary, the succession planting is the best method," Bowser points out. Companion cropping means growing short season crops between rows of long season crops. That method is pushed aside in favor of succession cropping where wider rows are permitted and late crops follow early crops on the same ground. Grouping of the early crops simplifies the process.

No definite date is suggested by Bowser for getting seeds into the soil. He does offer, however, six different groups which should have different treatment in planting.

In group 1 he puts vegetables hardy to frost and planted as soon as the

ground can be worked. These include peas, onions and head lettuce.

Group 2 are those that are hardy, planted early and then replanted later in the summer for fall use. This includes radishes, leaf lettuce, spinach and mustard.

Group 3 also is hardy but is planted early and followed by two or three successive plantings for crops of cabbage, beets and carrots.

Group 4 involves hardy vegetables planted for fall use only and including rutabagas, brussel sprouts, parsnips, cauliflower, and broccoli.

Group 5 are tender ones that have to wait until frost danger is passed. Sweet corn and beans are in this list and may be planted several successive dates.

Group 6 includes the ones that need a long growing season and are not seeded in successive plantings and should be given an early start indoors or plants purchased from the local greenhouse. These include peppers, tomatoes, squash, pumpkin, muskmelons and cucumbers.

**This Week in Defense**

Spring housecleaning is more important this year than it ever has been. Waste 'junk' which is cluttering up your attics, cellars, barns, garages and backyards can be turned into guns, tanks and planes.

What to look for in the attic:—Old beds made of brass or iron, electric cords, toasters, irons, heaters, fans, door knobs, hinges, keys, locks, bed springs, metal ash trays, porch and garden furniture made of metal, broken radio parts, screens made of brass or copper, metal sleds, ice skates, roller skates, broken vacuum cleaner parts, old rubber overshoes, rain coats and bathing caps.

What to look for in the garage or barn: Automobile parts, license plates, parts of motors, tires, tubes, bicycles, tricycles, garden tools, lawn mowers, hoes, pick-axes, rakes and shovels.

What to look for in the yard or on the farm:—Farm, old logging chains, wire fencing and fence posts, well handles, plows and wheelbarrows.

You can help in many more ways. Buy wisely, economize, save and don't hoard. Save your stove pipe. There'll be very little available when needed next fall. Don't make any unnecessary trips in your car or truck. It all helps.

Undaunted by failure of a wildcat well drilled in Rubicon township, Huron county, to produce oil, the driller analyzed the brine it yielded and now is arranging delivery of the brine to the county road department for use as a dust-layer on unpaved roads.

**Sugarless - But NOT Sweetless - Cake**

By BETTY BARCLAY

Sugarless - but OH so good! You'll like all of them. And they don't use up one gram of your precious sugar!

**Chocolate Covered Sugarless Cake**  
2 1/2 cups sifted cake flour  
2 1/2 teaspoons double-acting baking powder

1/4 teaspoon salt  
1/2 cup butter or other shortening  
2 teaspoons grated orange rind  
1 cup light corn syrup  
2 eggs, unbeat  
1/2 cup milk  
1 1/2 teaspoons vanilla

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream shortening with orange rind; add syrup gradually, beating well after each addition. Add 1/4 of flour and beat until smooth and well blended. Add eggs, one at a time, beating well after each. Add remaining flour in thirds, alternately with milk in halves, beating very well after each addition. For best results, beat cake very well at each stage of mixing. Add vanilla. Bake in two greased 8-inch layer pans in moderate oven (375° F.) 30 minutes, or until done. Cover with Chocolate Chip Frosting.

**Chocolate Chip Frosting.** Place layers on baking sheet, having one layer top-side down. Cover tops with semi-sweet chocolate chips, using 2 packages. Heat in moderate oven (350° F.) 6 minutes, or until chips are just softened. (Cake may be frosted while warm. Heat only 3 minutes.) Remove from oven. Spread softened chips over bottom layer, letting chocolate run down on sides. Arrange top layer and spread as before. Then spread sides evenly.

**Prune Spice Sugarless Cake**  
2 1/2 cups sifted cake flour  
2 1/2 teaspoons double-acting baking powder  
1/4 teaspoon salt  
1 1/2 teaspoons cinnamon  
1/4 teaspoon nutmeg  
1/4 teaspoon cloves  
1/2 cup butter or other shortening  
1 teaspoon grated lemon rind  
1 cup light corn syrup

2 eggs, unbeat  
1/2 cup milk  
1 teaspoon vanilla

Sift flour once, measure, add baking powder, salt, and spices, and sift together three times. Cream shortening with lemon rind; add syrup gradually, beating well after each addition. Add one quarter of flour and beat until smooth and well blended. Add eggs one at a time, beating well after each. Add remaining flour in thirds, alternately with milk in halves, beating very well after each addition. For best results, beat cake very well at each stage of mixing. Add vanilla. Bake in two greased 8-inch layer pans in moderate oven (375° F.) 30 minutes, or until done. Spread Prune Filling between layers and whipped cream, flavored with vanilla, on top of cake.

**Prune Filling.** Place 3 1/2 tablespoons cornstarch in top of double boiler. Add 1 cup prune juice gradually, then add a dash of salt, 2 teaspoons lemon juice, 1 teaspoon grated orange rind, and 3/4 teaspoon grated lemon rind. Mix thoroughly. Cook over direct heat until thickened, stirring constantly. Add 2 tablespoons corn syrup and 1 cup chopped cooked prunes and mix well. Then cook over boiling water 12 minutes, stirring occasionally. Cool. Add 1/2 cup chopped nut meats, if desired.

**Chocolate Chip Crunchies**  
1 package Semi-sweet Chocolate Chips

5 cups corn flakes  
1 1/2 cups or 1 can sweetened condensed milk

Combine chocolate chips and corn flakes. Add condensed milk and mix well. Drop from teaspoon on greased baking sheet; flatten slightly, shaping edges with spoon. Bake in slow oven (325° F.) 15 minutes, or until done. Remove from baking sheet immediately, using knife or spatula. Makes about 40 crunchies.

Note: If crunchies stick, place pan over very low flame for a few seconds.

**Still Pushing the Swap-Ride Program**

With several swap-ride centers now operating in Oakland County as part of the "Let's Ride Together" program, other business establishments in Pontiac and other localities will follow this phase of the Pontiac Plan this week to conserve tires. Assistance in organizing registration centers for persons who want to swap rides to double-up on the use of cars is being given by the War Transportation Conservation Committee in Pontiac. Radio station WCAR is presenting daily radio programs at 7:05 p. m. listing these neighborhood swap-ride stations.

Four Michigan Bell telephone operators were honored Thursday as citations were awarded them by the Michigan Vail Committee of Award for "noteworthy public service while in the performance of their duties" during 1941.

Miss Mary Deichelbohr, night chief operator at Wyandotte, and Mrs. Mildred M. Todd, agency chief operator at Big Beaver, received individual certificates, and a joint citation was made to Miss Ruth Knudson, Royal Oak operator, and her supervisor, Mrs. Helen Blasko.

Mrs. Deichelbohr, upon hearing a faint cry over the telephone for help, sent police to a Wyandotte home where three persons had been overcome by carbon monoxide gas.

Miss Knudson summoned her supervisor, Mrs. Blasko, when she heard the shout, "This place is being held up", over a filling station telephone New Year's Eve.

Sow Thinner, Cut Cost of Alfalfa

Higher prices for alfalfa seed this spring need not discourage Michigan farmers from seeding a full acreage. Neither is it necessary that seed costs per acre be greater than customary.

An explanation of that advice comes from H. C. Rather, head of the Michigan State College farm crops department.

The amount of money that in past years, on the average, bought 10 pounds of seed will buy only eight pounds this spring.

Improvement of meadows of hay and pasture in Michigan continues the increase in popularity of the alfalfa-smooth brome grass mixture. Five to eight pounds of alfalfa seed and five to eight pounds of smooth brome grass seed to the acre are recommended by Rather.

Sweet clover seed also costs a little more this spring. Rather estimates that \$1.50 or \$1.75 will buy enough seed for an acre.

If It Happens Here!

Sudden emergencies must be expected in wartime. The important thing is to be ready—to know what to do.

One of the first rules to fix in your mind is: Leave telephone lines as free as possible to speed the work of rescue and defense.

In black-outs—during air-raid alarms and other local emergencies—you add to public danger if you use your telephone needlessly. You may clog the lines and

hinder the efforts of the fire-fighters, police and rescue squads. In any time of public emergency, use your telephone only for vital messages.

WHILE AMERICA IS AT WAR

Help vital messages go through without delay by: Keeping telephone conversations short. Avoiding the busy hours—10 A. M. to noon, 2 to 4 P. M. Answering your telephone promptly. Giving the number when placing long distance calls.

Michigan Bell Telephone Company

For Homemakers

Higher wool prices give good indications that winter woollens are going to be worth more next fall and thus need extra protection against moth and larvae is the warning issued by the home economics extension service at Michigan State College.

Pointers devised by the U. S. Department of Agriculture are suggested as war measures which homemakers can take in their battle against the moths. Good housekeeping is an essential, as moths may be present in almost any home at any time of the year.

Moths like hair, fur and feathers as well as wool, but usually do not bother with clothing that is worn frequently. Cotton, linen and silk need no protection against moths, so these articles can be stored separately from wool garments, gloves and shoes.

Dry cleaning kills moths. So does a good sunning accompanied by a brisk brushing. Washing with a strong solution of neutral soap is another moth-killing procedure.

Once the clothing is free of moths or eggs, store it once. Containers can include paper bags, paper wrapping, sealed boxes or storage in

"Probation after Death" will be the subject of the Lesson-Sermon in all Christian Science Churches thru out the world on Sunday, April 26.  
The Golden Text (Matthew 24:13) is: "He that shall endure unto the end, the same shall be saved."  
Among the Bible citations is this passage (Psalms 118: 1,13,17): "O give thanks unto the Lord; for he is good; because his mercy endureth for ever. The Lord is my strength and song, and is become my salvation. I shall not die, but live, and declare the works of the Lord."  
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.39): "Now cried the apostle, 'now is the accepted time; behold, now is the day of salvation,'—meaning, not that now men must prepare for a future-world salvation, or safety, but that now is the time in which to experience that salvation in spirit and in life."

**Clarkston Locals**

Several of the farm women in this district went to Lapeer yesterday to hear Mrs. Mies, president of the Federated Women of the Farm Bureau. Her subject was "What the Farm Family can do to aid the War Effort." The Sewing Circle of the Clarkston Royal Neighbors met at the home of Mrs. Allen Secord on Williams Street in Pontiac on Wednesday afternoon. The group enjoyed sewing and visiting. The hostess served delicious refreshments.

**In Memoriam**

In Memory of LaVerne Hoyt, who passed away 2 years ago April 23. "The evening star shines on the grave Of one we loved but could not save; He bade no one a last farewell, He said goodbye to none. His kindly heart has ceased to beat; His stay on earth was done. The flowers placed upon his grave May wither and decay, But our love for you who sleeps beneath, Will never fade away. God grant your soul eternal rest And peace to all who loved you best." Mother, brother, sisters and niece.

**Notice**

To the citizens of Clarkston and Independence Township:

No one wants to lose a tire off of his car.

Here is the solution: No citizen should trespass on anybody's property at night without the consent of the owner. It is dangerous.

Fathers and mothers should know where their children are.
