More Blood Needed For Armed Forces

The American Red Cross is making an appeal to the people of America for 2,500,000 pints of blood. Centers have been established in the larger cities throughout the country and mobile blood banks are set up in the smaller communities. 50,000 donors are needed. According to chairman Norman H. Davis it is the biggest medical undertaking in history.

Mrs. David Newlands, chairman in this district, is making plans for the Blood Bank to visit Clarkston in a few weeks. Watch for further details and be ready to do your part.

Mrs. Alice Wallace Enjoys WAAC Work

Last weekend Mrs. Ben Comstock returned to her home in Clarkston after spending several weeks in Des Moines, Ia. While in Des Moines Mrs. Comstock called on Mrs. Alice Wellington Wallace at Ft. Des Moines. Mrs. Wallace, a former member of the Clarkston School teaching staff, is now all enthused with the work of the WAAC. She is now taking an officer's training course and spends part of the day drilling and a few hours studying. She is well and happy and is enjoying the many brilliant women with whom she associates.

Birth Anniversary Celebrated Sunday

Last Sunday, August 2nd, was an extremely happy day in the life of Norman Davison Sr., when forty of his friends and relatives gathered at the home of his son, Norman E. Davison, to wish him many happy returns of the day. He celebrated his 84th birthday.

A pot-luck dinner of everything good, topped by a three tiered birthday cake, was served. Norma Jean Davison, granddaughter of Mr. Davison, Genemary Cubley and Betty Ash sang two lovely numbers and Betty Ash, a talented young pianist, favored the guests with several fine selections.

Mr. Davison received many nice gifts, among them a gorgeous bouquet of beautiful gladiolas and cards and remembrances from the Clarkston Baptist Church of which he is a loved and honored member.

The guests were from Detroit, Durand, Pontiac, Milford and Highland where Mr. Davison was born and has spent most of his life. A son, Kenneth Davison, and his wife of Red Wing, Minnesota, and his youngest son, Paul, of Detroit, were also present.

Coming Events

Aug. 12th—Wednesday—the Clarkston Royal Neighbors will meet at the home of Mrs. Louella Leighton on Oak street at Williams Lake. There will be a picnic dinner. Any wanting transportation are asked to contact the members who have cars.

The Gardener

Come drive with me through a country lane,

Just any old lane that we know,
Where farmers are cutting fields of grain

And corn and potatoes grow.
Where elms reach out with graceful limbs,

Forming an arch o'er our way,
Arches as only a master trims,
Others can try as they may.

But man 'cannot make shrubbery grow

Blended in beauty so rare,
As He has done in the old fence row,
Beauty, His children might share.

Just to think how He gathered the seeds

And planned the way they would blend,

Drawing no lines 'tween flowers and weeds,
But getting results in the end.

And everything thrives in these plantings He's made,

Though never worked with a hoe,
The flowers bloom in spite of the shade

That shadows the old fence row.
Children of His, He plants here and there

Sending food, their bodies to nourish,

Given a chance, for them He will care
That they might blossom and flourish.

Clarkston Represented In Line of Graduates

Mrs. Emily Beardslee Receives Bachelor of Science Degree

Among the graduates at the summer session at the Michigan State Normal College at Ypsilanti was Mrs. Emily Beardslee of Clarkston who received her Bachelor of Science degree in early elementary education.

Mrs. Beardslee has always felt that an education was something to treasure and she has been willing to spend many hours studying in order to attain that treasure. However, she has enjoyed her college work and feels that she has been repaid. Mrs. Beardslee has attended Wayne University, Northern College of Education at Marquette, Mich., National College of Education at Evanston, Ill., Michigan State Normal College at Ypsilanti and has done extension work at the University of Michigan. She taught for some time in the Farmington city schools and for thirteen years was a member of the teaching staff of the Clarkston public school.

On September 8th Mrs. Beardslee will start her duties as teacher of the second grade in the Grayling City schools.

Flower Show To Be Held In Ortonville

The Brandon Grange will hold a Flower Show and cafeteria supper at their hall in Ortonville on Saturday, August 22nd.

Everyone is welcome to display. Entries to be in by 1:30 o'clock. Anyone interested should see or call Mrs. Carrie Uloth in Ortonville. There will be prizes.

This will be a real treat for all flower lovers. The Grange members are putting forth a special effort to make this a success and are expecting to accommodate a large crowd. Keep the date in mind and plan to attend.

Vacation Church School Demonstration

The third annual Daily Vacation Church School will be concluded this year with a Sunday night demonstration, August 9th at 7:30 o'clock. All of the parents and friends of the boys and girls in the school are cordially invited. The presentation of the Vacation Church School will consist of the Hymns and Songs learned in the school, a magic project with Children's Sermon, the Salute to the Christian Flag, and a part for the Beginners, Primary, Juniors and Intermediates. Then the display of the handicraft work will be shown in the basement of the church.

Drayton Plains

The First Aid Class under its instructor, Dr. L. G. Rowley, held its regular meeting last Wednesday evening. After the lesson was finished the class enjoyed refreshments at the Soda Grill. Sixteen were present.

Mr. and Mrs. Ray Thrasher spent the weekend with Mr. and Mrs. Joseph Solomon at Toledo, Ohio.

Miss Fern Hockey of Oakland Lake is helping in the Dell Beauty Shop while Mrs. Mabel Wilson is on her vacation.

Miss Marjorie Thrasher is a guest of Miss Mary Solomon at Toledo, Ohio.

Several cases of whooping cough have broken out in Drayton Plains. Mr. and Mrs. Alfred Hutchinson and daughter, Irene, spent over the weekend on a trip to Niagara Falls.

Mrs. Mae Hall was unexpectedly called to Platte Lake on business last Saturday. Mrs. Grace Barnhart accompanied her. They returned late on Tuesday evening, after visiting at Beulah, Frankfort and Travers City.

Osmun Barnhart of Lansing visited his mother last Saturday.

Mrs. Maynard Hutchinson was a guest of her nephew, Jerry Kidder, at Muskegon, on Monday.

Mr. and Mrs. Roy Tewellager and family of Birmingham spent the weekend with Mr. and Mrs. Gara Tewellager.

Jack Roosa, son of Mrs. Elizabeth Wood of Oakland Lake, has been promoted to assistant manager in the Nisley's Shoe Store in Pontiac. His promotion was given him last Monday.

Mrs. Gerald (Mabel) Green of Oakland Lake is nursing at the T. B. Sanatorium.

Edward Deery, of the U. S. Coast Guard Recruiting Office, Columbus, Ohio, is on a ten day furlough and visiting his parents, Mr. and Mrs. Ray Thrasher, on Seeley Ave.

Mrs. Mike Wall and Dona Lou spent last Wednesday with Mrs.

Know The Men In Service From Your Township

See Their Pictures in Drugstore Window

The patriotic window display at the O'Dell Drugstore in Clarkston is shaping up in fine style. Many soldier boys' pictures are already placed and it is hoped that before long you will be able to see the picture of every boy in the Service from Independence Township. This is sponsored by the Clarkston Rotary Club and Mr. O'Dell has graciously donated the window space.

The idea is not just for the village of Clarkston but for the entire Township. There are many pictures in the window now but there are a great many more that could be there. If you have a picture of your boy or boys, who are in the armed forces, or even a snapshot, you are asked to leave it at the drugstore. If you have no way to get to the drugstore and you have a picture for the window call the drugstore or the News Office and someone will call at your home.

J. Royal Blakeslee Dies Suddenly Monday

Funeral Was Held Thursday

J. Royal Blakeslee, 64 years old, passed away suddenly at his home in Waterford on Monday.

Mr. Blakeslee was born in Birmingham, March 29, 1878. He graduated from the Birmingham High School and became a hardware merchant in that city. Later he went to Detroit as manager of a hardware store. After a short time in Detroit he was employed by the Studebaker Corporation where he worked for eleven years until he came to Waterford twenty-one years ago and started the plumbing business which he followed until his death.

In 1901 he married Elva Daniels, a schoolgirl sweetheart. She passed away in 1931 and in 1933 he married Marion E. Daniels, his wife's sister, who had made her home with them for many years.

Mr. Blakeslee was a member of the Central Methodist Church in Pontiac. He was a man who not only loved his home, his garden and his flowers but he loved people and was always happy when friends called to visit.

He is survived by his widow and one sister, Mrs. Emma Quarton, of Birmingham.

The funeral service was held at the residence on Thursday afternoon at 2:00 o'clock with Dr. Eugene Allen of Clarkston assisted by Rev. Howard Jewell of Waterford officiating. Interment was in Greenwood cemetery in Birmingham.

A Bicycle Hike

A bicycle hike will be conducted from the Methodist Church for boys and girls with bicycles able to ride to the Ortonville State Park. The jaunt will leave the church at nine o'clock. Everyone should take a lunch. Those planning to go should notify on Sunday or Monday, Rev. W. Harold Pailthorpe.

Wall's sister, Mrs. Leo Motter, at Flint.

Donald Wall is at present stationed at Camp Robinson, Ark. He writes it is very hot there.

Get in the Scrap!

Mr. and Mrs. Allen Tewellager of Camp Monticello, Minnesota, visited Mr. Tewellager's grandparents, Mr. and Mrs. Gara Tewellager, last weekend.

Lloyd Gesch will leave for Fort Custer tomorrow, Saturday, where he will be inducted into Army service.

Mr. and Mrs. Mike Wall received a long letter from their son, Pat, who is somewhere in Australia. He wrote he was in the best of health and the weather is fine.

Born to Mr. and Mrs. Harold Appleton, a son, Richard Mark, on July 29th.

A new shipment of yarn and sewing material have arrived for the Red Cross, which meets every Wednesday afternoon at the Drayton Plains Clinic, 4400 Dixie Highway. Anyone wishing to join may do so any Wednesday. The Red Cross room opens every Wednesday afternoon at promptly 1:30.

Allen Pearson who was so seriously hurt in an automobile accident ten days ago is very slowly recovering at the Mt. Carmel Mercy Hospital in Detroit.

Mr. and Mrs. Frank Flavin of Ocala, Florida, are spending this week with Mr. and Mrs. Earl Hayden, Hatchery Road.

Seven Year Old Swims Parke Lake

There have been and there are many fine swimmers in Clarkston but we have one in Clarkston at the present time, a seven year old, who will make a good many swimmers open their eyes wide with astonishment.

Judy O'Dell, daughter of Mr. and Mrs. Garald O'Dell, who celebrated her seventh birthday in June, has been taking a few swimming lessons at Parke Lake. She informed her teacher last week that she could swim across the lake. The teacher thought she would give her a chance and of course followed along in a boat in case of an emergency. However, Judy was like a fish in the water and it was not so much of an effort for her to go the whole distance. Wednesday of this week she tried it again and the feat was performed perfectly.

CHRISTIAN SCIENCE CHURCHES

"Spirit" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 9.

The Golden Text (II Cor. 3:17) is: "Where the Spirit of the Lord is, there is liberty."

Among the Bible citations is this passage (I Cor. 2:9,10): "But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man; the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.512): "Spirit blesses the multiplication of its own pure and perfect ideas. From the infinite elements of the one Mind emanate all form, color, quality, and quantity; and these are mental, both primarily and secondarily. Their spiritual nature is discerned only through the spiritual senses."

"They Will Have Music" So Says Clarkston

The people in Clarkston and vicinity should be proud of the success of the phonograph record campaign that was staged during the last week and a half. The quota for the district was 1250 and the grand total that was shipped to Indianapolis on Thursday night was 3000.

This campaign was sponsored by the American Legion with James Sutton and Herbert Baynes acting as chairmen in this district. They had a very capable assistant in the person of Ralph Habermas, who did most of the planning and spent many hours contacting the people. Folks were generous because most of them realized what music might mean to the boys in the armed forces. A great many said "Why should I begrudge a few records to boys who are ready to give their all for me?" Consequently the quota was more than doubled.

The local Legion Post is grateful to all who helped.

Services Held For H. A. Finn

Mrs. Harold Kennedy spent several days in Clio where she was called on account of the illness and death of her father, Mr. Harry A. Finn. The funeral service was held at the Mt. Morris Methodist Church on Wednesday afternoon with burial in the Mt. Morris cemetery. Before the church service, the Rev. Harold Pailthorpe of Clarkston conducted a prayer service at the home.

Those from Clarkston who attended the funeral besides Mr. and Mrs. Kennedy were Mrs. Durand Ogdan, Mrs. Manley Walter, Mrs. Ralph Thayer and A. E. Butters.

Exercise Care in Writing to Men In Service

Letters May Be Damaging to Men's Morale

Be careful what you write to the fighting men of Uncle Sam's armed forces, warns an important bulletin from Washington. This is the advice of hundreds of American Red Cross workers who come into contact daily with the troubles and personal problems of American service men both at home and abroad.

Too many times, they warn, the folks at home pour forth petty family problems in letters to their boys who are away in camp or fighting at the front. The result in many cases is the demoralization of a brave soldier. The loving mother, sweetheart, uncle or aunt unwittingly may be aiding the enemy.

There are too many cases, Red Cross workers declare, of a soldier, sailor or marine receiving a wire, "Come home, mother seriously ill." Verification of the facts often reveal that there was no real reason for alarm. Mother, it appears, had been suffering from an illness for many years. She was no worse, but sent the wire, because she had a motherly desire to see her son.

During the waiting period, while Red Cross home service workers check the facts in the soldier's home town, the army is confronted with a bewildered, worried boy, who but a moment before was a determined soldier.

Cases of suicide of service men have been reported as directly traceable to the thoughtless letter of the "girl friend".

By far the majority of the cases investigated by the Red Cross are legitimate, according to Mrs. E. P. Turner of Bloomfield Hills, who is home service chairman for Oakland county chapter. In these instances the Red Cross mobilizes its forces both in the soldier's camp and in his home town to provide financial assistance, arrange for transportation and aid to his family during an emergency.

It is the minority of letter writers who bring about demoralization among the troops. Many of these are unintentionally worrying the service men, a few deliberately. Most of them are merely too prone to seek comfort on small personal problems from a soldier who himself needs the united support of his family at home.

So the next time you write Johnny Doughboy be cheerful and factual, the Red Cross warns. A demoralizing letter is as damaging as an enemy bullet.

Oakland county Red Cross staff members and volunteer home service workers are active day and night fulfilling the obligation of being the means of communication between the service men and their families. Red Cross field directors at camps also are on constant duty aiding the men.

Chicken Dinner And Homecoming At Seymour Lake

The annual Seymour Lake Homecoming will be held on Wednesday, August 12th which is also the Centennial year. Part of the program will consist of the reading of the history of the church from 1842 to 1942 by the minister, W. Harold Pailthorpe.

At noon a delicious fried chicken dinner will be served to all present and the public is cordially invited. Following the dinner will be a program of one hour's length, beginning promptly at two o'clock. After the program will be sports events, contests with prizes to all the boys and girls and people participating, plus ice cream. Everyone is invited to return to the homecoming and visit old friends and have a grand good time.

Notice

The Red Cross work-room in Clarkston will be closed until the second Tuesday in September. At that time there will be a large supply of material and workers will be needed. Keep the date in mind and be ready to help.

Large Group Attends Meeting Wednesday

Bandages Were Rolled For China Relief

On Wednesday afternoon the W S C S of the Clarkston Methodist Church met at the home of Mrs. August Doebler. There were about thirty-seven attendees.

Mrs. Carrie Walter took charge of the devotionals. Mrs. Orlo Willoughby sang a very lovely number with Mrs. Harold Pailthorpe playing the piano accompaniment. Mrs. George Perry, the president, then conducted the business meeting at which time plans were started for a Penny Supper to be served sometime in the very near future.

After the business meeting the group busied themselves rolling 294 bandages for Chinese relief. Mrs. R. H. Colton was the instructor. The women had a pleasant time visiting as they worked.

To close a very profitable afternoon lovely refreshments were served from a table attractive with a centerpiece of garden flowers. Mrs. George Perry and Mrs. August Doebler poured.

Musical People Will Meet at Hartland

Under the direction of Dr. Kenneth N. Westerman, head of the Voice Science Department of the Detroit Institute of Musical Art, high school soloists, adult soloists, public school music teachers, private voice teachers, choir directors and choral conductors meet August 11 to 23 at the Waldenwoods Vocal Music Camp at Waldenwoods, Hartland, Michigan for their second annual session. This unique voice training camp, with its 12 days of concentration on vocal problems in all fields, is filling a definite need, for it gives an opportunity for vocalists to bring their knowledge up to date as to the latest methods of voice training developed through the scientific research of our modern voice scientists. Two free public concerts will be given by the students at the Hartland Music Hall Sunday, August 16 and 23 at 3:30 p. m., to which the public is cordially invited.

Florence and Robert Pierce of Van Hornesville, N. Y., are visiting their cousins, Mr. and Mrs. William Pierce and Mrs. Ada Mills.

Last Sunday Phyllis Markle, Barbara Breakey and Mary Elizabeth Drake went to Camp Sherwood, the Girl Scout Camp, near Lapeer, to spend two weeks.

THIS WAR MUST BE FOUGHT ON TWO FRONTS...

We are in this war side by side with troops and workers

There are two war fronts today. For many a year, you've seen our men busy from one end of town to the other. They've been about your business—building and maintaining the electric and gas services of supply to home and store, shop and factory. The people called for these services—we supplied them.

Those were the daily pursuits of a nation at peace.

But this is WAR! The demands of war production must be met.

Industry goes to longer hours, more shifts, more days, new kinds of production.

And, side by side with industry and our armed forces, we are enlisted in the defense of home and country. Our plant and lines are geared to war work. Twenty-four hours a day, 7 days a week, is being put to work. It has been that way for years. And here is our contribution of your fellow citizens that put us on a war for years, years, until now, we were ready.

This war must be fought on two fronts. Against the enemy, and back of the lines, on the home front of war production. We are in the battle—night and day—to help win on both fronts.

CONSUMERS POWER

JUNK needed for War

*"What's it good for?"
"Guns, tanks, and maybe part of a plane"*

In the barnyards and gullies of farms and in the basements and attics of homes is a lot of Junk which is doing no good where it is, but which is needed at once to help smash the Japs and Nazis.

Scrap iron and steel, for example. Even in peacetime, scrap provided about 50% of the raw material for steel. It may be rusty, old "scrap" to you, but it is actually refined steel—with most impurities removed, and can be quickly melted with new metal in the form of pig iron to produce highest quality steel for our war machines.

The production of steel has gone up, up, UP, until today America is turning out as much steel as all the rest of the world combined. But unless at least 6,000,000 additional tons of scrap steel is uncovered promptly, the full

rate of production cannot be attained or increased; the necessary tanks, guns and ships cannot be produced.

The rubber situation is also critical. In spite of the recent rubber drive, there is a continuing need for large quantities of scrap rubber. Also for other waste materials and metals like brass, copper, zinc, lead and tin.

The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

Will you help?

First—collect all of your waste material and pile it up.

Then—sell it to a Junk dealer, give it to a charity, take it yourself to the nearest collection point, or get in touch with your Local Salvage Committee.

If you live on a farm, consult your County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

JUNK MAKES FIGHTING WEAPONS

- One old disc will provide scrap steel needed for 210 semi-automatic light carbines.
- One old plow will help make one hundred 75-mm. armor-piercing projectiles.
- One useless old tire provides as much rubber as is used in 12 gas masks.
- One old shovel will help make 4 hand grenades.

MATERIALS NEEDED

- Scrap iron and steel.
- Other metals of all kinds.
- Old rubber.
- Rags, Manila rope, burlap bags.
- Waste Cooking Fats—When you get a pound or more, strain into a large tin can and sell to your meat dealer.

NEEDED ONLY IN CERTAIN LOCALITIES: Waste paper and tin cans—wanted only in certain areas, as announced locally. **NOT NEEDED** (at this time): Razor blades—glass.

Clarkston Locals

Dinner guests of the Clarkston Rotary Club on Monday night were Donald Steiner who is in the U. S. Navy and was home on leave and Jack Hodges who was leaving for Army duty.

William Parker who is stationed at Port Huron with the U. S. Coast Guard had a few hours in Clarkston the first of the week. His short leave

lasted from Monday noon until Tuesday noon.

Everyone will be glad to know that Mrs. Robert Waters who has been ill and confined to her bed this week was feeling much better as we go to press and she expected to get up for a while on Thursday.

Mrs. Lida Weighel entertained her contract club at her home on Tuesday. A lovely luncheon was served at one o'clock. Mrs. D. C. Miller and Mrs. L. I. Coon won the awards for the afternoon bridge games.

Get in the Scrap!
Mr. and Mrs. Fred Steiner and son, Donald, who is in the U. S. Navy and was home on leave, and son, Martin, spent Sunday in Detroit with Mr. Steiner's relatives. Donald reported back at Great Lakes on Thursday. Next Sunday there will be a family reunion at the Steiner home on Orion Road when their son, Burton, who is also in the U. S. Navy, will be home on a short furlough.

For Homemakers

Soaping a fresh fruit stain discovered on table linen or clothes is a mistake, but prompt action with proper methods is not, advise members of the home economics extension service at Michigan State College.

Conservation of fabrics has become a wartime measure, which means that removal of fruit stains is also a part of Michigan's wartime economy.

Start working on stains while they are still fresh and damp, if possible. In any case, remove them before laundering the fabric. Alkalis, such as in soap, and heat from the iron "set" some fruit and berry stains, making them difficult and sometimes even impossible to get out.

Boiling water will remove most fruit stains from white or colorfast cottons or linen. Stretch the stained cloth over a bowl, and fasten with a string so it can not slip off. Then pour on the water from a height of three or four feet. If necessary, rub the fabric between applications of boiling water, to help loosen the stain. Sometimes even warm water will work successfully in removing a stain.

If the stain is not completely gone after the water treatment, put a little lemon juice on the spot and put it in the sun to bleach. Or one can use one of the chemical bleaches such as hydrogen peroxide and sodium perborate; hydrosulphite; or javell water.

Help save wires for war!

Like rubber and steel, telephone service is vitally essential to the war effort. Help conserve it!

The telephone system is now crowded with war messages, and sufficient lines can't be added because materials are needed for war production.

You can help war calls go through by using Long Distance only when you must—and by giving the number of the distant telephone when possible.

Keep all your calls as brief as possible. Remember each time you pick up your telephone that **WAR CALLS MUST GO THROUGH!**
