CLARKSTON, MICHIGAN, FRIDAY, SEPTEMBER 18, 1942

NUMBER 3

How About the Scrap?

More and More Junk Is Needed

This week many in Independence Township have been busy searching back yards, attics, absements, barns and garages for junk that could be used to help make equipment for our armed forces. Junk depots have been established in every district and a house to house canvass is being made by the organizations who are a part of the "Independence Home Front" Committee.

Everything is working out in fine style and people are gradually realizing the need for scrap, especially metal and rubber. In the village the scrap depot is the lot between Beatrice Motor Sales and the Baptist Church. Everyone in town is asked to make a contribution, regardless of how small it is. One dear, elderly lady in town felt she wanted to have a share in this scrap drive and she donated an old fashioned crocheted needle that she had used years ago. Yes, we must all realize that we have a part in this great struggle if we are to be victorious. As long as we have boys guarding our country and fighting in other lands we must constantly be on the watch for material that will help keep them equipped.

Another donation to the scrap pile is an 8 lb. cannon ball which Floyd Morgan of Holcomb Street dug up in his garden. The ball is an old one perhaps used in the Revolutionary War or maybe an earlier war. It most likely was brought to this district by someone as a souvenir.

The representatives of the organizations making the canvass of the district have worked faithfully and some have already completed their district. The Royal Neighbors covered their district No. 5 by Tuesday night. They had a promise of two tons of metal from one farm home; a big iron gate from another and an old tractor from another. A truck will pick up these heavy loads. Most every home promised some scrap and many light loads will be taken to the depot by the donor. The O. E. S. completed their district No. 12 by Wednesday evening. They visited 33 homes and where they found no one home they left a note. They had good results and the depot for their district is at the McNeive Grocery. The Rotary Club had the district to the northeast of the Township. They haven't quite completed their canvass but so far they are pleased with results. They have been promised an old engine, some fencing and many other metal articles. The Farm Bureau had their district covered by Wednesday evening. They had fairly good success although some of the farmers had put their scrap on the heap in the village. However they had the promise from two farmers of 1000 lbs. each besides other smaller donations. WPA trucks are gathering the large donations.

If you have a load too heavy to take to the scrap depot just call the Home Front Committee or The News Office, Clarkston 4321, and a truck will make the collection.

Miss Cleota Vernon of Pontiac, formerly of Clarkston, returned to her home on Sunday after spending several weeks at the Alfred Amy home.

The Farm Bureau Discussion Group will meet at the home of Mrs. Iva Miller next Wednesday night, September 23rd.

Next Sunday afternoon starting at 1:30 the Clarkston Merchants will play a doubleheader on the school diamond. Their opponents will be a colored team, the Black Sox, from Detroit.

County Committee To Be Elected Tonight

The election of community committeemen who administer the Agricultural Conservation Program will be held Friday evening, September 18, at 8 p. m. in twenty-one communities in Oakland County. At this time delegates will be elected, who will in turn elect the county committee. Harold Doebler, chairman of the Independence township committee, will be in charge of the election to be held in the Independence Township Hall, in Clarkston.

Any farmer and his wife who are participating or cooperating in any program developed under any act of Congress and administered during the current calendar year (1942) through the Agricultural Conservation Program and who has received or will receive a payment for compliance with such program shall be a member of the association until such time as it is determined that he will not qualify for a payment or grant of conservation materials or services in the county under any such program, and each member upon signing Form NCR-705 shall have the right to vote at the community election meeting.

Blood Mobile Unit Here October 17

The Work to Be Done At the Clarkston School

After an investigation by a representative of the Red Cross the Clarkston school has been designated as the location for the Blood Donor Mobile Unit on Saturday, October 17, from 12 noon until 5 o'clock. Upon inspection the representative remarked that the Clarkston School appeared to be one of the most convenient and one of the finest places they had had to set up the unit.

Regardless of how much time you have to give for national defense, how much money you can give for Red Cross War Relief or how many defense stamps or bonds you can buy there is one contribution you can make and in making can know that you are giving of yourself for the cause of liberty. This contribution is a pint of your blood to save the life of a wounded soldier or sailor who may be thousands of miles from where you live. It is the blood donor service of the American Red Cross that makes possible your direct contribution to this urgent need of the army and navy.

Do you know that by a miracle of modern science the liquid content of human blood or the plasma can now be prepared so that it can be kept almost indefinitely and be ready at any time for emergency use in transfusion?

Such is actually the case. Then if you could save the life of an American soldier by a blood transfusion you wouldn't hesitate a moment. You can do that by giving a pint of your blood to the Red Cross for emergency use of the army and navy. It is virtually painless and has no ill effects.

The Independence Home Front Committee has kindly offered to contact every home in Independence Township by distributing registration cards to be filled out by those wishing to donate a pint of blood on October 17.

Mrs. C. Roehm Honored At Farewell Party

Last Friday evening Mrs. Ashton Emery, Mrs. Lyman Girst, Mrs. Henri Buck and Mrs. James Sutton were hostesses at a farewell party for Mrs. Charles Roehm in the parlors of the Community Church in Waterford. Mrs. Roehm has accepted a position in Lansing and will make her home in East Lansing. Her daughter, Katherine will leave the beginning of the week to resume her studies at Michigan State College and her daughter, Barbara, will go to Ann Arbor in another week to start her studies at the University of Michigan. Her youngest daughter, Marian, will attend school in East Lansing.

A very lovely evening was spent with Mrs. Roehm. Appropriate games were played and the group presented her with a beautiful floor lamp.

To close the evening the guests were seated at a T-shaped table attractively decorated with garden flowers and centered with a large cake on the top of which was a spray of roses made with white and pink icing and the name "Ione". Dainty refreshments were served.

Hugh Cheeseman is attending South Carolina's Military College, The Citadel, at Charleston.

On Sunday Honor Stickney, Malvina Smith and Stewart Baynes will go to East Lansing to start their studies at Michigan State College on Monday. Honor and Malvina will start a Home Economics course and Stewart intends to study engineering.

Faith

Disasters come to one and all About our heads our castles fall. The clouds of sorrow, everywhere Are apt to fill us with despair. If we don't place in God the trust, That what he wills is always just. Though steep the grade and long the hill

If we should ever have the thrill, That comes with climbing to the top, We must have faith and falter not. For he who lets his courage slip, Might just as well abandon ship. To keep your ship thru tempest gale, And hold your course when others fail,

Is proof you have inherent strength To carry you for any length Required, until the storm abates, And peaceful seas your ship awaits. Let's marvel at the faith of man, Who's learned thru life to understand, That life's uncertain at its best And those who stand its acid test Will never let their courage slip, Or in a storm abandon ship.

"Get Acquainted" Dinner Thursday, September 24

On Thursday evening, September 24, the Clarkston P. T. A. will sponsor a "Get Acquainted" Dinner at the school at 6:30.

This dinner is for all teachers and parents and friends who are interested in the school. The number of tickets is limited. They may be secured from Mrs. Lindahl at Rudy's Market, at the school, at O'Dell's Drug store or from the members of the publicity and membership committees.

Penny Milk to Be Supplied to Clarkston Students

Application has been made to the Agricultural Marketing Administration of the United States Department of Agriculture to supply the students in the Clarkston school with milk at a price of one cent per half pint bottle. The program will begin about September 21. Milk will be supplied by a local dairy and purchased from farmers in this vicinity.

Church News

ANDERSONVILLE CHURCH

Howard Jewell, Pastor
10:30 a. m. Preaching service.
Sunday School convenes at 11:30. The local Sunday School orchestra will assist in this service.

CHRISTIAN SCIENCE CHURCHES
"Matter" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, September 20.

The Golden Text (II Cor. 6:16) is: "What agreement hath the temple of God with idols?"

Among the Bible citations is this passage (Psalm 46:1,2): "God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.228): "Peals that should startle the slumbering thought from its erroneous dream are partially unheeded; but the last trump has not sounded, or this would not be so. Marvels, calamities, and sin will much more abound as truth urges upon mortals its resisted claims; but the awful darning of sin destroys sin, and foreshadows the triumph of truth. God will overturn, until 'He come whose right it is.'"

Rep. Dondero Addresses Rotary

Last Monday night members of the Clarkston Rotary Club were given a fine talk on world conditions by Representative George A. Dondero, Congressman from the 17th District. He discussed the rubber and sugar rationing and dealt at length on different aspects of the war. The talk was 55 minutes in length but most of the members wished he could have talked longer.

Ralph Yost, Corporal in the Motor Repair of the Army was a guest of the club.

Next Monday night, Sept. 21, the Rotarians and their wives will enjoy a picnic at Davisburg Park. In case of inclement weather they will meet in the Rotary Club Room. You are asked to bring along your plate and silverware.

Mrs. Ralph Habermas Answers Last Call

Sadness visited the Ralph Habermas home last Saturday morning when death summoned Mrs. Habermas in Grace Memorial Hospital in Detroit.

Valentine Habermas was born in Toledo, Ohio, Feb. 15, 1912, the daughter of Mr. and Mrs. John Price. On Nov. 24, 1932, she married Ralph Habermas in Detroit where they operated a radio business on Cass Ave. Mr. and Mrs. Habermas came to Clarkston five years ago.

Besides her husband, she is survived by one son, Gary Ralph; her parents, two sisters and one brother, all of Detroit.

The funeral service was held on Tuesday afternoon at the Ogden-Kennedy Funeral Home with the Rev. Walter Ballagh, pastor of the Clarkston Baptist Church officiating. Burial was in Lakeview cemetery.

Legion Post Installs New Officers

Campbell-Richmond Post No. 63 American Legion, in a military ceremony brilliantly performed by the Ritual Team of Voiture No. 811 of the Legion Forty and Eight Society, installed officers for the year 1942-43 at Maccabees Hall on Tuesday evening the 15th. Installation was preceded by a banquet served by the ladies of the Legion Auxiliary and an address by Dr. Eugene Allen on the subject "What the Community expects of the Legion". Dr. Allen's inspiring talk struck the keynote of the evening's proceedings. Invited guests included Township Supervisor Floyd Andrews, Village President Howard Huttenlocher, Section Chiefs Gerard Dark, Edward Seeterlin, Gerald O'Dell and Donald G. Beach of the Citizens Defense Corps, representatives of the Clarkston Ford interests, representatives of every business house in the Village and Officers of the American Legion 17th District of Michigan.

The incoming Officers of the Holly Post of the Legion were simultaneously installed. The roster of the 1942-3 Officers of Campbell-Richmond Post of Clarkston is as follows:

Commander, A. E. Butters.
Vice Commander, Elmer Collins.
Adjutant, James Sutton.
Finance Officer, Lyman Girst.
Chaplain, Wm. H. Stamp.
Historian, Percy Craven.
Sergeant at Arms, Harry Hinman.

Obituary

Rose E. Herbert
Rose E. Herbert, aged 82 years, of Traverse City, passed away in Traverse City on Saturday, September 12.

Mrs. Herbert was born in Boston, Mass., August 28, 1860. In 1884 she married Francis Herbert. He died 40 years ago. Mrs. Herbert was a member of the Episcopal Church and the Rebekah Lodge. She is survived by one son, Fred, of Clarkston.

The funeral service was held at the Ogden Funeral Home in Clarkston on Wednesday afternoon with the Rev. Bates Burt officiating. Interment was in Lakeview cemetery.

Sailor From Clarkston Seems to Enjoy Work

The following interesting letter was written by a sailor known to many in and around Clarkston:

I am Robert Ermil Berg, regiment 1, Batt. 4, Co. 788, U. S. Navy. I thought that maybe you would like to know something of the daily life at the training station, so I took the liberty of giving you just a bit of it.

We start off in the morning by getting up at 5 o'clock, which is disagreeable with me by about an hour as we eat chow at that time. After chow we go back to the barracks and go to work steel wooling the decks, as the U. S. Navy says "Cleanliness is the first line of defense". After we get the decks clean we get a fifteen minute smoke.

Some of us stand guard and so learn to self guard or protect those who have stood guard for us. This is rather difficult to do as the Navy is very particular about the technique of guarding. What a predicament a crew on one of our large ships would be in if the guards did not know the technique of good guarding, especially at the present time. Next comes the marching, which the boys don't like at first, but as time goes on and they get the idea of it they begin to like it much better and do much better work. However, now and then, we run across fellows who just can't catch on, but a nice cold shower with their clothes on changes their mind most of the time.

It now draws noon and we go for our chow and we sure look forward to that time as we feel hungry after so much marching and exercise. When the noon chow is over we get another fifteen minute smoke. Next we get a lecture on something or another and that allows time for the food to settle in your stomach.

Now for the fun. We all get together and march out to the drill field and do a bit of exercise to loosen us up. We all get in position and wait until the one in charge gives us orders to commence exercise. First we put our arms around each other and see who can pull the other fellow when the instructor gives the command and push him when the command is given. Next we have pairs as horse and horse rider to see which rider can pull the other rider off of his horse and this usually ends up in a nice brawl or something of the sort. We have many other exercises on the order of these only a little rougher. What, time for chow again? Well come to think of it we are hungry again after all this. Now we go back to the barracks and get into our dress uniform. Oh yes, we must be dressed to go into chow as it would not be sanitary to go to chow in the same clothes that you work or exercise in. Oh you, the rest of the day is ours. Well, that is the most of the rest of the day. It is now 4:30 and we don't have to clean the decks, windows and clothes until 7:30.

We can go swimming from 6 until 7, or we can go over to the canteen and get some of that delicious ice-cream and pie as long as we don't get too hoggly and want too much. On Monday, Wednesday and Friday we get to see a movie. We get the newest of movies. There is also a library where we can get any book that we want and if they don't have such a book and the book exists they will get it for us.

It is now 9 o'clock and that means muster and anyone not here is AWOL and you surely know what that means. We can read, smoke, or sit down and rest until 9:20 and then off comes the clothes before 9:30 when "Taps" sounds and then not a sound is to be heard after that, or else.

Some, such as I usually am, have to stand guard all night, but get to go to bed at 4 in the morning.

What is that I hear already? Why that is reveille and I just got to sleep. I can't get up as I can't get my eyes open. Ops, there I go on the floor from my hammock. Well, I eat soon, so that is all right.

Boy, take it from me and join the Navy. Go in as a boy and come out as a man. What is that? You say (Concluded on page four)

Light Vote Cast In Election

Less than three hundred voted at the Primary Election held on Tuesday, in Independence Township. But the election in November looks as if it might be some better. Already political advertisements are beginning to appear in the papers for state offices.

County results of the Primary are as follows:

REPUBLICAN PARTY	
NATIONAL	
United States Senator	
Homer Ferguson	10,633
STATE	
Lieutenant Governor	
Eugene C. Keyes	5,526
CONGRESSIONAL	
Representative in Congress	
Seventeenth District	
George A. Dondero	20,719
LEGISLATIVE	
State Senator	
Twelfth District	
George P. McCallum	14,059
COUNTY	
Prosecuting Attorney	
Charles L. Wilson	7,361
Sheriff	
Spencer C. Howarth	7,421
DEMOCRATIC PARTY	
CONGRESSIONAL	
Representative in Congress	
Seventeenth District	
Dorothy K. Roosevelt	5,283
COUNTY	
Prosecuting Attorney	
Wm. F. Dohany	2,279
Sheriff	
Percy G. Newman	2,603

Clinton Russell Receives Wings

Clinton W. Russell, Jr., son of C. W. Russell, Deer Lake, Clarkston, Michigan, received his wings September 11 and was commissioned an Ensign in the U. S. Naval Reserve.

The graduation ceremonies this morning marked the completion of a long, strenuous training course designed to fit him for duty with the fleet.

Ensign Russell volunteered for flight training in Sept. 1941. He received his preliminary instruction at the U. S. Naval Reserve Air Base, Kansas City, Kans., and was then transferred to the "University of the Air" at Corpus Christi.

Supplementing his actual flying hours here, he has gone through ground school courses and learned the theories behind modern aviation warfare. He learned to fly "blind" while still in a hangar; became familiar with radio code, receiving and sending; came to realize the necessity of navigation procedure.

Now, a finished specialist in flying the Navy's planes, he is ready to match his aerial prowess with the best that Hitler and Hirohito have to offer.

Ensign Russell attended the University of Michigan.

Methodist Preaching Mission

A preaching mission will be held in the Methodist Church the week of September 28th to October 4th each evening at eight o'clock, except Saturday. The preacher for the week in the Clarkston Church will be the Rev. Ralph Brown of Davisburg. Mr. Pailthorp will be preaching the same week in a mission at the Davisburg Methodist Church.

This preaching mission is preparation for the succeeding week of "Layman Missioners" who will go out into the highways and hedges seeking to bring people to Christ. These Laymen will be taught about their work by a visiting Pastor from the Michigan Conference. The Laymen will go out "Two by two" as teams in their evangelizing for Christ and the Church.

Notice

No canning sugar will be issued after Saturday, September 19th, 1942. Oakland County Rationing Board.

Citizens of Tomorrow

From left to right:

Jimmie, son of Mr. and Mrs. Ronald Weber.

Sylvia, daughter of L. D. Hemingway.

Donald Appleton left last Monday for Bob Jones College, Cleveland, Tennessee.

Mrs. Bert Hawley spent last Sunday in Detroit guest of Mrs. Thelma Walker and Mrs. Ruth Fisher.

Mrs. Sarah Seyers returned from a three weeks visit with relatives at Fredericton, New Brunswick, Canada.

Billie Floyd is still confined to his bed at his home on Seeley Ave. from a severe fall he had three weeks ago.

William Ainsley of Flint was a weekend guest of Charles Jankawske at his home on South Drive.

Mrs. Olive Boardman and Mrs. Blanch Richmond were guests of friends at Plymouth last Sunday.

Mr. and Mrs. Pierce Boutin of Hadden St. have returned from a week's vacation at their cottage near Au Gres, Michigan.

Mr. and Mrs. Claude Beals of Gaylord, formerly of Waterford, were guests of Mr. and Mrs. Irving King over the weekend.

Mrs. A. T. Stewart left last Tuesday morning for South Carolina, to spend a month with her son, Russell, and family.

Mr. and Mrs. Eugene Becker and son, Robert, spent last Sunday in Detroit guests of Mr. and Mrs. Alvin Barnes.

Miss Martha Mosier of Detroit was a guest of her mother, Mrs. Bert Hawley, on Dixie Highway last Monday.

Mrs. Nettie Zollner has returned to her home in Pontiac after spending a few days with her sister, Mrs. Gara Tewelliger.

Mr. and Mrs. James Florian and daughter, Janet Lucille, from St. Joseph, Mich., is visiting Mr. and Mrs. James DenHerder.

Mrs. Alfred Hutchinson had the misfortune to fall on the stair steps last Tuesday morning, spraining her ankle.

Mr. and Mrs. Ray Cole of Benton Harbor are guests of Mrs. Anna Losche for a few days while Mrs. Cole is under observation at the University Hospital, Ann Arbor.

Mr. and Mrs. Gerald Green of Lake Oakland left last Friday for Windsor where Mrs. Green entered the Hotel Dieu Hospital for a slight operation.

Charles Jankawske had the misfortune last Monday morning while helping his mother do the washing to tip a pail of boiling water on his right leg causing a severe burn.

Mr. and Mrs. Walker Morris and Mr. and Mrs. William Chamberlain spent last Sunday afternoon at Port Huron, guests of Mr. and Mrs. Manley Chamberlain.

A meeting of the Blue-Star Mothers was held in the Salvation Army Hall last Thursday evening for the purpose of sewing on the service quilt to raise money to pack boxes for the boys in the service.

Charles Nolan Jr., U. S. S. Vestal, who has been home on a ten day furlough, went last Tuesday to Seattle, Washington, where he expects to be stationed for a few months before leaving for parts unknown. Mrs. Nolan accompanied him.

Mrs. Harry Price, daughter Janis, and son, Jim, of Pontiac, and Mrs. Anna Losche spent from last Friday until Tuesday at Ludington, Mich., guests of Mrs. Taylor. Mrs. Price also visited her husband who is employed at Ludington.

The P. T. A. Mother Singers enjoyed a lovely cooperative dinner at the home of their teacher, Mrs. L. N. Angleton, on Emily Court last Thursday. Twenty-one members were present. A business meeting was held after the dinner was over and it was decided that the Drayton Plains Mother Singers will practice each Wednesday morning in the Community United Presbyterian Church at 9:30 and will meet with the Pontiac singers

once a month. Mrs. Angleton will instruct both classes. The next meeting will start Wednesday morning, September 23rd. Anyone wishing to join the class may get in touch with Mrs. Grace Reddeman, Mrs. Grace Barnhart, Mrs. Emiel Koop, Mrs. Waife Springer or Mrs. Matilda Becker.

The Women's Missionary Society held its September meeting at the home of Mrs. Burl Morris on Warren Drive last Thursday evening, September 10th. Twenty-one members were present. After the regular business meeting was over, the president turned the meeting over to Mrs. Ina Hutchinson, program chairman. Singing opened the program after which Mrs. Hutchinson took charge of devotions. Mrs. John Watkins and Mrs. Walter Aderholdt reviewed the book, "In the Shadow of the Himalayas" by Miss Emma Dean Anderson and Miss Mary J. Campbell. The October meeting will be held at the home of Mrs. M. Morrow with Mrs. Wesley Stevens as program chairman. The third and fourth chapters of this book will be reviewed.

After Choir rehearsal last Wednesday evening, the members, numbering about twenty-five, were invited to the home of Mr. and Mrs. Ransom Robb for a get-together and to bid Miss Edith Sutton goodbye as she left for Sandusky last Saturday to teach again this year. A game "The Wishing Well" was something new for the entertainment of the evening. Names were given each member present, and before the game was started Mrs. L. G. Rowley gave a lovely description of the Wishing Well. She and her party visited at St. Augustine last Spring. Each member was to find the name corresponding with the one they held taking them to where little Charlotte Ellen filled small glasses with cold water. After the drinking of the water wishes were made. This game was lots of fun and the evening closed with the eating of watermelon.

The first meeting of the P. T. A. was held in the school auditorium last Monday afternoon. The president, Mrs. Waldron Keasey, opened the meeting introducing Rev. C. J. Sutton, who led in prayer. After the secretary's and treasurer's reports were read and accepted, Mrs. Keasey gave a review of the convention held at Traverse City last May 20-21-22.

Miss Lela Jeffery had charge of the music. Principal Glenn NyKerk gave an interesting talk on the number of children in school; the time the different grades open for the children to come to the Drayton Plains School; also the time of the buses that will take the older pupils to the Pontiac schools. Mr. NyKerk also introduced the teachers to the mothers. A lovely lunch was served. Next month the P. T. A. meeting will be held in the evening on October 12th at eight o'clock.

The W. C. T. U. met in the parlors of the Community United Presbyterian Church last Tuesday afternoon. The meeting was called to order by Mrs. Katherine Cable, the president. The devotions were the first on the program. Mrs. Grace Ebeby, the devotional chairman, introduced Mrs. Grace Barnhart. She took for her scripture, Isaiah 41:10v. Psalm 37:3-8v. and St. John 15:1-16v. "Near to My Saviour" opened the meeting. Mrs. Roy Dancy and Mrs. Ethel Aderholdt followed in prayer. The meeting was turned back to the president, who asked for the reports of the several committees for the year. The recording secretary read her July report. The treasurer being absent, the report was read by the president, Mrs. Cable. Election of officers for the coming year resulted as follows: President, Mrs. Katherine Cable; vice president, Mrs. Ethel Aderholdt; recording secretary, Mrs. Edith Shell; corresponding secretary, Mrs. Mildred Dancy; treasurer, Mrs. Zella Appleton. The installation of these officers will take place at the October meeting. Miss Alice Marie Nystrom gave a very lovely musical selection on her piano accordion and Miss Doneida Berryman and Mary Jane Lewis played two piano duets. After the W. C. T. U. benediction the meeting was dismissed and the group was taken outside of the church where pictures were taken of the group and also its new officers.

How Farmers May Boost Their Profits

Billions of tons of livestock manure, if properly used, could give American farmers annual crop increases worth three billion dollars in normal times, crops and livestock authorities agree. Drying and leaching and letting lie too long in storage are common losses of plant food especially of nitrogen. Use of bedding material to absorb liquids is recommended, as well as letting animals tramp down the manure to exclude air and by piling in high narrow piles protected on the sides.

—Took the place of the man he murdered. After killing his unsuspecting good samaritan, eluding the police by hiding on the scene of his crime and frightening everyone by his spooky antics, he finally betrayed himself for a glimpse of the sun. Read this strange real-life mystery story in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.

11. NO TIME TO GET PICTURES TAKEN. These youngsters are too engrossed in the appetizing lunch being served them at school to pay full attention to the man who came to take their picture. The School Lunch program provides healthful, nutritious meals for children at a cost of a few cents per day by utilizing American-grown farm products provided gratis by the Agricultural Marketing Administration of the United States Department of Agriculture. The lunch program is considered by public health officials as one of the most direct attacks on the problem of undernourishment known to exist among millions of school children.

Michigan Man Honored by Christian Science Church

Francis Lyster Jandron of Detroit, formerly treasurer and assistant general manager of the Packard Motor Car Company, has been signally honored by his election to the Christian Science Board of Directors of the Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. This is the highest office in the organization to which a Christian Scientist can be advanced.

land. Entering business, Mr. Jandron became associated with the Packard Motor Car Company, resigning his position in 1921 to become a Christian Science practitioner. He served on the Board of Directors and also as First Reader of Third Church of Christ, Scientist, Detroit. In 1926 he was appointed Christian Science Committee on Publication for Michigan, and filled this position until 1935 when he was appointed to the Christian Science Board of Lectureship and traveled extensively throughout the world. In 1939 he resigned as a lecturer to accept an appointment as a Trustee of The Christian Science Publishing Society, where he served until his elevation to The Christian Science Board of Directors.

HARRY F. KELLY
Republican Candidate for Governor

● The first non-incumbent candidate for Governor to be nominated unanimously since enactment of our primary law.

"Why was Harry F. Kelly nominated for Governor without opposition?"

BECAUSE, he entered his first term as Secretary of State with high ideals of public service and PUT THOSE IDEALS INTO ACTION.

BECAUSE, he so won public confidence with his achievements that he was RE-ELECTED WITH THE LARGEST VOTE EVER GIVEN ANY CANDIDATE FOR ANY OFFICE IN MICHIGAN'S HISTORY.

BECAUSE, HARRY F. KELLY as GOVERNOR will exemplify the same fine qualities of fidelity to trust and honest leadership that have characterized his entire public career.

This advertisement is one of a series sponsored and paid for by citizens of this county to make you better acquainted with Harry F. Kelly.

The Hilltopper

Four courses have been added to the Clarkston High School curriculum this year with the aim of fitting the curriculum to war demands: Ninth grade social studies, trigonometry, a one-semester pre-flight course in aerodynamics, and high school art.

Nearly all the boys and girls have an opportunity this year for the first time to enter gymnasium classes. The instructor for the girls is Miss Tew, for the boys, Mr. Thayer. The students have shown splendid enthusiasm towards these classes.

A few of the improvements in the schoolbuilding which the students noticed on their return to school are: the laboratories and kitchens have been newly painted, the desks and table tops have been refinished, and improvements have been made in the locker room.

The enrollment in the upper six grades of the Clarkston School is now 247.

The Homemaking classes have begun work on various projects. The seventh and eighth grades plan to make red and blue pinafores by which teams are to be designated in the gymnasium classes. The first year homemaking students have begun canning tomatoes, pears, etc. The second year homemaking students will design dresses.

The first student assembly of the year was held on Monday morning, September 14. Mr. A. E. Butters, chairman of the Independence Township Home Front Committee, and Mr. Lloyd Megee, President of the Clarkston Rotary Club, asked the aid of the student body in the scrap drive.

RED CROSS NOTES

The regular quarterly meeting of the Board of Directors of the Oakland County Chapter of the American Red Cross will be held Wednesday, Sept. 23, at 6:30 p. m., at the Pontiac Hotel in Pontiac. Mrs. J. E. Clark, of Pontiac, is planning the meeting and Mrs. E. P. Turner, of Birmingham, Home Service chairman, will discuss the Home Service program of the Chapter. All township directors are expected to attend and volunteers in all services are especially invited.

Two Red Cross Nurses Aides classes will begin October 15, according to Mrs. E. L. Bradley, chairman of this program for the Oakland County Chapter American Red Cross. This program, arranged in co-operation with the OCD, functions in two Oakland County hospitals where volunteers receive training, after which they give their services to the hospital.

This program has, due to the shortage of nurses, been of great benefit to the hospitals in which it operates. Sixty-two graduates of the May and August classes have given a total of 3,350 hours to Pontiac General Hospital and St. Joseph Mercy Hospital. One-third of the 62 graduates have each completed the 150 hours pledged to the hospital.

An evening and an afternoon class will function in October and those interested may be interviewed between 7 and 9 Wednesday evening at Volunteer Service Headquarters, 6 Seneca street, Pontiac. The Nurses Aide program functions under the Volunteer Service program of which Mrs. Sheldon Noble is chairman.

The American Red Cross has developed a plan for dispatching messages from relatives and friends to members of the armed forces missing in action, but not yet reported by the Japanese as prisoners of war. This plan was developed jointly by the Red Cross, the State, War, Navy and Post Office departments, the Office of Censorship, Board of Economic Warfare and the Office of Information.

Individuals in Oakland County who have received notice that relatives are missing in action, but not notified that they are prisoners of war, may go to Chapter headquarters, 12 Seneca street, Pontiac, or the Southern Oakland County office, 109 E. Third, Royal Oak.

The messages should be limited to one to each serviceman: Hopeful as this procedure is, the Red Cross can give no guarantee of delivery. However, the early departure of a diplomatic exchange ship has prompted the Red Cross and other organizations involved to get messages through.

LEGALS

Estes and Cooney, Attorneys, 812-15 Peoples State Bldg., Pontiac, Mich. State of Michigan—The Probate court for the County of Oakland.

At a session of said court, held at the Probate Office in the City of Pontiac in said County, on the 4th day of September 1942.

Present, Honorable Arthur E. Moore, Judge of Probate.

In the Matter of the Estate of Ralph B. Ware, Jr., Minor.

Ralph B. Ware, Sr., guardian of said minor, having filed in said Court his petition, praying for license to sell at private sale the interest of said estate in certain real estate therein described.

It is Ordered, That the fifth day of October 1942, at nine o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to sell the interest of said estate in said real estate should not be granted.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once in each week for three weeks consecutively, previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said County.

ARTHUR E. MOORE, Judge of Probate.

We're Busy Helping Uncle Sam

LAST YEAR, America's railroads moved 475 billion ton-miles of freight, history's greatest traffic job. (We'd like to tell you how many millions of soldiers and sailors we carried, but . . .)

This year the railroads may haul 50 million carloads of freight—10% to 15% more than in 1941.

We did the 1941 job pretty easily because freight shippers and receivers and the public cooperated. We can do this year's bigger job if we again get that cooperation.

This all-out war requires all-out transportation. Uncle Sam is depending on the railroads for that. We're handling 70% of his military freight. To let him down would be tragic.

So "the tall man in the high hat" comes first.

At any time now there may be one, even two or three fewer cars in your passenger train. You'll excuse it, won't you? Uncle Sam will be using them.

Or your freight may move out, or come to you, a little later than you had hoped. We're certain you'll overlook that, too. We'll be moving important things for Uncle Sam.

We knew you would. And you'll be helping him, too.

THE CLARKSTON NEWS

Clarkston Locals

Mr. and Mrs. C. J. Cheeseman left on Wednesday to spend the winter in Charleston, S. C.
Mr. and Mrs. Charles Wood and son and Miss Jennie Church of Traverse City called at the Floyd Lowery home on Tuesday.
Mrs. Myra Wieland returned to her home on Monday night after enjoying a visit in Holly with Mrs. Julia Addis. Mrs. Wieland and Mrs. Addis

went to Williamston on Saturday and spent the weekend with cousins, Mr. and Mrs. Norton Gregory. On Monday they visited cousins in Grand Blanc and Flint.
The Clarkston nurses attended a Home Nursing Institute held in the Rackham Foundation Building in Detroit on Tuesday, Wednesday and Thursday of this week. The group included Mrs. E. V. Squier, Mrs. R. H. Colton, Mrs. G. O'Dell, Mrs. J. Skinner, Mrs. D. Ogden and Mrs. J. Breakey.

Fellowship Group Organized at Church

On Sunday, September 13th, a Junior High Youth Fellowship Group was organized at the Clarkston Methodist Church. The following officers were elected: president, Ross Kerton; secretary, Shirley Terry; treasurer, Bill Sharp; 1st commissioner, Doris Boyms; 2nd commissioner, Fred Hemingway; 3rd commissioner, Frank Ronk; 4th commissioner, Jeanine Flynn.

This group will meet every Sunday evening at 6:30 at the Church. All young people of Junior High age are invited to attend. Come next Sunday evening and enjoy the new song books.

Penny Supper A Grand Success

The Penny Supper held at the Clarkston Methodist Church last Friday night was a grand success and the WSCS wishes to thank all who made it so, especially the chairmen, Mrs. Craven and Mrs. Breakey and those who worked in the kitchen and dining-room and all contributors.

The women had only one regret and that was the fact that they had not figured on such a large crowd. However, they are starting at once to plan another Penny Supper and this time there will be plenty of food and they hope to have a big attendance. Watch for the date.

The best teacher one can have is necessity.—La Nona.

Sailor From Clarkston Seems to Enjoy Work

(Continued from page one)
you are too young or too old—well buy Defense Bonds and help to make it pleasant for the boys in the Navy. Help them to have enough ammunition to go out and get those guys who are tampering with your freedom and liberty. Give us the things to do it with and I can assure you that we will do it or die.

Wake up America and see what those dogs are trying to do to us. Are we going to let them play around and disturb our dream land—the land everyone is jealous of—yes, I said everyone, as this is the idol of the whole world. It is the only heaven on earth and we want to keep it good—it could very easily go bad. You are right, I am wrong. We are Americans and we are going to fight and stop all of this nonsense so that we can go right on and spend our lives in heaven. God helps those who help themselves. God Bless America as "America is on Guard".

I lived in Clarkston and know many people there and it is one of the ideal American towns. Let us keep it that way.

My home was at 6000 Lakewood Blvd. with my parents.
Sincerely yours,
Robert E. Berg

The Army and Navy are doing their part to ease the Long Distance load... **ARE YOU?**

Our Army and Navy have issued orders to their personnel to restrict the use of Long Distance telephone lines, making only such calls as are absolutely necessary. Officers and men are doing their part. They know the necessity of keeping the lines and central office apparatus clear for vital military and war production calls.

Today, many lines are crowded with war calls. Adding enough new equipment to handle all the increased load is impossible because of material shortages. So it's up to all of us to make the most efficient use of what we have. Here are some of the ways you and all other civilians can help:

1. Make only the most essential Long Distance calls.
2. Keep all your conversations as brief as you can.
3. When possible, give the number of the distant telephone you are calling.

The same kind of cooperation will help improve local service, too. Your own telephone line may never carry a war message, but every call you make passes through a busy central office where it may tie up a war call. Try to keep your calls short. Help save wires for war!

★ War calls must go through ★
