## Liberty's Life Stream Keep It Flowing

The chairman of the Red Cross Blood Donor Unit in Independence Township is more than pleased with the response she has received for donors.

An aroused America is set grimly for war to the finish. The United States are truly united as never before.

From every corner comes the cry "What can I do for National Defense?" We want to give an answer to that question which will effect every one of you in a very personal way. Particularly we want to answer it for every man and woman between the ages of 21 and 60 who live in Independence Township. One contribution you can make on October 17th for National Defense that no one on earth can make for you. Like many other services that give humanity a lift you'll find the American Red Cross behind this one. We are referring to the Red Cross Blood Donor Service which will be in operation at the Clarkston High School on Saturday, October 17th.

Please keep the date in mind.

## More Clarkston Boys Join the Navy

Spectacular rise in the number of recruits from smaller communities in Oakland County was credited for a record monthly enlistment rate for this area by Carl Hansen, officer in charge of the Navy Recruiting Substation in the YMCA Building, Pontiac.

The previous mark of 90 enlistments in a single month was established in January. This figure has already been surpassed and Hansen announced that a drive for 125 men for September is now underway.

Two Clarkston men now in training who helped set the new mark are William Henry Wagner, 17, of 94 Orion Road, and Charles L. Pennell, 18, of Route No. 2.

Efforts to secure recruits for special duty in construction battalions and as motor mechanics have been intensified, Hansen said. A quota of 200 men per week for construction duty has been set for Michigan. Petty officer ratings which pay from \$78 to \$126 per month are now open in this division. Experienced auto mechanics and diesel engine men can qualify for ratings which pay from \$96 to \$126 per month upon enlistment. Those accepted will be trained for four weeks in Detroit.

Men interested in the above classifications may apply at the recruiting substation in Pontiac, Hansen stated.

On Tuesday afternoon Gail Weston, daughter of Mr. and Mrs. Harold Weston was honored on her second birthday when her mother entertained ten of her little friends at their home on Wompole Drive. The children had a happy afternoon and enjoyed ice-cream and cake. The invited guests included: Barbara Sue Rockwell, Mary Lynn Muma, Jimmy Weber, Cecil Weber, Bobby Jones, Ann Lowrie, Tommy McNeive of Clarkston Station, Michael Ferguson of Andersonville, Bonny Lou Brookbank of Pontiac and Margery MacArthur of Holly.

Mr. and Mrs. Arthur Frank and daughter, Jean, have rented an apartment in Ypsilanti for the winter.

## Scrapping Mad

If it takes junk to lick the Japs, And send old Adolf reeling, Right here in Clarkston are the chaps Possessed with all the feeling, Required to clear our country side Of scrap that's long forgotten. We'll take old Hitler for a ride, For prizes ill begotten.

We'll build that pile with bit by bit, Toward heaven it's ascending, And every piece put on to it, Will closer bring the ending

Of pirating of people's lives, Of crushing domination, And blessed be when there arrives The end to such damnation.

Do you suppose Japan had thought, With all her crafty cunning That all our scrap that she had bought,

Would keep our plants from running? Well! she had better think some more, And not get too elated,

'Cause she has got us good and sore Our efforts concentrated. We'll bring in cannon, trucks, and cars,

Detracting from our scenery. We'll build that scrap pile to the stars,

With worn out farm machinery. We're thankful too for lesser things, That earnest souls contribute

For they might build a bomber's wings, Munitions to distribute.

## Scrap Harvest Parade Saturday Afternoon

The intensive junk campaign that has been going on here for the last two weeks is drawing to a close. Have you picked every little bit of available scrap from your home or farm and made sure that it got to the scrap depot?

Take another look about your place and see if there isn't something more that would help make steel. We must have steel to win this war. We must have scrap to make steel. For a long time now you've been saying, "What can I do to help win the war?" and "I'll do whatever I am told to do to help lick Hitler and the Japs." Well there is one thing that everyone can do and that is to collect all the scrap metal they can find and see that it is turned in to the government.

Saturday afternoon at two o'clock there is going to be a Junk parade in Clarkston. It will start at Miller Road on Main Street and will be led by the Clarkston School Band to the Beattie Motor Sales at the corner of Main and Church Streets.

In this parade will be some large and some small donations to the scrap pile, posters, floats, in fact everything that will make this a real "Scrap Harvest Parade". Among the donations that will be in the lineup will be the cannon and cannon balls from the Lakeview cemetery. Photographers will be here and like all real parades there will be judges.

A \$25 War Bond will be given to the adult individual having the largest piece of scrap in the parade. For the best original exhibit or float in the parade the first prize will be \$3 in war stamps; second \$2 in war stamps; and five prizes of \$1 in war stamps. The children's prizes will be: for the five best posters, each will get \$1 in war stamps; for the largest amount of scrap in the parade the first prize will be \$3 in war stamps; second \$2 in war stamps and five prizes of \$1 in war stamps.

At the meeting of the Clarkston Rotary Club next Monday night Alex Moore, District Governor of the 153rd district of Rotary International, of Wayne, Mich., will make his official visit.

Every member is requested to be present so that there will be 100% attendance. All officers and committee chairmen and any other members who can, are asked to meet with Mr. Moore in the clubroom at 5:30.

Mary J. E. Woodward, home demonstration agent for Oakland County, conducted a discussion among the women on food preservation and clothing conservation in anticipation of shortages of clothing. Two meetings will be held in the county in the next few weeks to which all women are asked to come. A meeting will be held on October 2nd at Clarkston at 8 P. M. at the High School and at two o'clock that same afternoon at the Birmingham Community House.

Karl D. Bailey, county war board secretary, explained the function of the war clubs.

## Home Nursing Class Soon to Start In Clarkston

The Red Cross is now going to make it possible to give instructions in home nursing. Due to the shortage of Doctors and Nurses and with over-crowded hospitals they are urging all eligible women to avail themselves of this opportunity.

The Red Cross Nursing course teaches the practical facts and procedures that are essential in safeguarding the health of the individual and of the family in giving home nursing care under the guidance of a physician in ordinary illnesses in the home. It does not prepare persons to care for the sick for hire. Such training must be much more complete than that offered here, and must be conducted according to the recommendations of the American Nurses Association.

A minimum of twenty-four hours of instruction, covering a period of not less than six weeks is required.

Transfer to another class due to illness or change of address may be made if it does not interrupt the continuity of the class for the student.

Modern living conditions have become so complicated that no person can live his life without taking into consideration how his thinking, his behavior, and his health will affect other people with whom he comes in contact daily, in home and in community associations.

Happiness is the goal of all human endeavor whether we are aware of it or not. There are four factors, essential to the happiness of every person. These are health, security, self-expression, and congenial companionship. These are so closely related that it is impossible to think of them or consider them as separate subjects. Each is dependent, to some degree, upon the other. Health is basic to them all. When we use the term health we mean physical health, mental health and emotional health.

This course is given with the hopes that one out of every family will be able to attend these classes:

(1) To help you to learn how to take care of your own body so that you may be reasonably certain of having the physical and mental vigor to live successfully;

(2) To help you acquire the knowledge and skill that will enable you to protect the health of those for whom you are responsible, chiefly your own family group.

(3) To encourage you to extend your usefulness beyond the walls of your own home by contributing something to the promotion of healthier and more wholesome conditions in the community in which you live.

Any one wishing to take the course or wanting further information, kindly contact Mrs. Durand Ogden, 43 West Washington St., Clarkston Telephone 4556.

Organization Leaders Discuss Defense Plans

On Tuesday night representatives from the Townships of Brandon, Groveland, Highland, Holly, Independence, Rose, Springfield, White Lake and Waterford met in the Township Hall in Clarkston and discussed the defense activities in their districts.

The feature of the evening's program was a round table discussion led by Milo McClintock, executive secretary of the county defense council, John Millis and Judge Russell Holland. They discussed and outlined plans to coordinate activities between the defense organizations and the war clubs. Mr. Butters of Clarkston told of the organization working in Independence Township known as "The Independence Home Front Committee". He and Mr. Habermas explained the map that is used by this committee and is on display at the Township Hall. Several representatives from other townships told of the work done in their area. One interesting point that was brought out was that the best steel is made from scrap.

Mary J. E. Woodward, home demonstration agent for Oakland County, conducted a discussion among the women on food preservation and clothing conservation in anticipation of shortages of clothing. Two meetings will be held in the county in the next few weeks to which all women are asked to come. A meeting will be held on October 2nd at Clarkston at 8 P. The Hilltopper

MUSIC

Under Clarkston High School's new music teacher, Mr. Wainowski, the chorus, along with the band and orchestra, are promising real progress.

Mr. Wainowski has introduced a new method of sight reading and although he warned it might be a little boring at first, everyone seems enthusiastic and is looking forward to the time when they will have mastered the art.

He has taken a group of four girls, namely: Helen Hodges, Mary Edgar, Norma Davison and Margaret Beattie to form a quartet. The music will be sung in close harmony, as in the music of the King Sisters (with Alvin Ray's Orchestra). The four girls are plunging into the task with great vigor.

Saturday afternoon, September 26, at 2:30 P. M., the Clarkston High School Band will march downtown in the Victory scrap parade. It will encourage the people to get all the scrap together they possibly can for good old Uncle Sam.

If Mr. Wainowski can find some players who are far enough advanced, he hopes to start a dance band. The music played will be arranged by him. We are all looking forward to this organization.

AMERICAN LITERATURE

Miss Balls, Principal of Clarkston High School, reported today that there is to be a class in Home Nursing and First Aid which will be taught to the Senior girls. This class offers 1/2 credit per year and will meet once a week during school hours.

The class is being formed to teach the younger girls of the community Home Nursing and First Aid which may become very important in the future.

We are urging all senior girls who have the time to take this course.

## Methodist Churches In All Out Evangelistic Crusade

Clarkston Methodist Church Fully Participating

Beginning with a day of prayer and preparation on Sunday, September 27th, a thousand and forty nine Methodist churches in the state of Michigan will gird themselves in spiritual armor for an all out evangelistic crusade. These churches are grouped into 609 pastoral charges, 273 of them in the Michigan Conference and 336 of them in the Detroit Conference.

The Rev. Ralph Brown of Davisburg will be the Preaching Missioner in the Clarkston Methodist Church beginning Monday night, September 29th to October 2nd. The sermon subjects upon which Rev. Brown will preach during the week are "Taunted Bitterly", "Pouring Out the Soul Before God", "Calling Him, God Asks", "The Boy Ministers to God", "God Speaks to a Boy".

This host of 609 Methodist Ministers, under the inspiring leadership of their area head, Bishop Raymond J. Wade, will give themselves fully and freely to the current evangelistic challenge presented in the program adopted by both the Michigan and Detroit Conferences last June. The program was prepared by an area committee composed of the Bishop of the Area, his eleven District Superintendents, the Conference Chairman of Commissioners on Evangelism, Conference Lay Leaders, Youth leaders, Directors of Christian Education and representatives of Women's work. Dr. Lloyd H. Nixon, District Superintendent of the Albion-Lansing District has been the general chairman.

Bishop Wade and the committee will be assisted in the crusade by Dr. Guy Black, one of two Commissioners on Evangelism for the denomination. Dr. Black has his headquarters in Nashville, Tennessee.

The Michigan Crusade will not be simultaneous. It will begin in a great Demonstration Area centering in Lansing and Flint. Into Lansing and Flint will come representative ministers from all over the state where they will be trained in the art of personal visitation and then they will go out to the churches in this demonstration area at night and train teams of laymen who in turn will call on people the church seeks to win to Christ.

**How to AVOID WASTING LIGHT**

and make your rooms

**brighter**  
**AT NO EXTRA COST**

If you could get 25 per cent more light in your rooms without spending ONE CENT more for electricity, would you be interested? In many homes it is possible to do exactly that. And it is due to the fact that dust steals light . . . robbing you of part of the electricity you pay for.

One-fourth of your light is far too great a tribute to pay — and you can avoid it by cleaning your lamps and fixtures regularly. It's easy to overlook this important task, because dust collects on bulbs that are hidden under lamp shades or in semi-enclosed lighting fixtures. And these lights lose their brightness little by little, day by day, so that you scarcely notice it.

To keep your lighting at top efficiency, wipe all lamp bulbs frequently (also lamp reflector bowls). Dust your lamp shades inside and out. Use the RIGHT SIZE BULBS in your lamps and fixtures—not too large, not too small. Replace dark-colored shades with light shades with white linings, to reflect more light. You'll be amazed at the difference in your rooms—how much brighter and more cheerful they are—if you follow these simple rules. The Detroit Edison Co.

**STUDENT COUNCIL ELECTION**  
 The Senior Civics class has taken the responsibility of running off the Student Council election for this year.

The system of voting has been changed this year. Petitions were circulated for each candidate. Candidates who had 25 or more names on their petitions had their names automatically placed on the Primary Ballot. The petitions were circulated all day Friday, September 18th and Monday, September 21st. Every student cooperated well and signed one petition or another.

The Primary Election was held Wednesday, September 23rd. The two candidates receiving the highest number of votes have their names on the Final Election Ballot on Tuesday, September 29th.

These were the candidates on the Primary Ballot on Wednesday:

President — Stan Perrin, Kenneth Beard, Mary Edgar.

Business Manager — Jack Baughman, Inez Miller, Eldon Rouse.

Boy's Comm. of Buildings and Grounds — Ralph Hagen, Raymond Smith.

Boy's Comm. of Activities — Bill Radoye, Tom Waid.

Girl's Comm. of Buildings and Grounds — Margaret Beattie, Carol Carr, Norma Davison.

Girl's Comm. of Activities—Evelyn McCann, Marilyn Molter, Adrienne Volberding, Barbara Strickland.

The returns will appear in next week's School news. Watch the new

1942-43 Student Council of Clarkston High School.

**SPORTS**

Last Friday, September 18th the Clarkston High School football team met St. Michael's from Pontiac in a scrimmage. In the two previous weeks of practice about 25 regular players have showed up.

This game with St. Mike's was to give each team experience and show the coaches the weak spots. Clarkston went over with 24 points and St. Mike's had 1 touchdown, which gave them only 6 points. Bill O'Roark was high point man with 12 points, Edwin Ross with 6 points, and Dave Wainman also made 6.

In the first scheduled game, Clarkston plays Log Cabin there. The game is this afternoon. Some of the probable players on the line will be:

Rouse—LE

Berg—LT

Boice—LG

Kerton—RG

Waid—RT

Perrin—RE

Edward Ross, Bill O'Roark, and Dave Wainman will probably start in the backfield filling the positions of quarterback, half-back and full-back respectively.

Substitutes: Sharp, Cooper, Baughman, Bird, Ronk, Davis, Floyd, Johnson, Hemmingway, and Henry.

To have a winning team, we need the support from everyone. Let's get out to the game and cheer a winning team to victory.

**No Special Favors!**

Harry F. Kelly is considerate. He is fair-minded. He is helpful. But special favors—at taxpayers' expense—they're OUT!

You remember the low-number automobile licenses that used to go to a privileged few. They seemed harmless—but they cost the State of Michigan \$90,000 a year.

As Secretary of State, Kelly instituted a UNIFORM numbering and issuing system—eliminating "trick" licenses, giving every automobile owner BETTER service, speeding check-ups by law-enforcement officers and saving taxpayers more than a quarter of a million dollars.

As GOVERNOR, HARRY F. KELLY will continue his policy:

Welland Squier has returned to Howe, Ind., to resume his studies at the Howe Military School. Guests at the D. M. Winn home the fore part of the week were Mrs.

Winn's parents, Mr. and Mrs. Harry Colby of New Lothrop, Mich. The Royal Neighbor Sewing Circle met at the home of Mrs. Howard Sage on Wednesday afternoon. The group honored Mrs. Tom Corbin of Waterford at a pink and blue shower. Delicious refreshments were served by the hostess.

On Thursday of last week Mr. and Mrs. Harold Weston entertained at a family picnic. Guests included Mr. and Mrs. Walter Perkins of Mazomanie, Wisc., Willard Perkins of New York City, Mr. and Mrs. H. J. Gador and Mr. and Mrs. H. W. Gador of Clarkston Station and Mr. and Mrs. Ross Terry of Pontiac.

On Wednesday afternoon Mrs. Milton Clark was hostess at a tea at her home honoring Mrs. Hattie Walter on her 85th birthday. The group enjoyed visiting. Refreshments were served from a table attractive with a centerpiece of garden flowers in a silver bowl. A very lovely birthday cake made by Mrs. Manley Walter graced the table. Mrs. Louis F. Walter poured.

Mr. and Mrs. Walter Perkins have returned to their home in Mazomanie, Wisc., after spending the past two weeks with Mr. and Mrs. H. J. Gador of Clarkston Station and Mr. and Mrs. Ross Terry of Pontiac. Mrs. Gador and Mrs. Terry are daughters of Mr. Perkins. Their brother, Willard Perkins returned to his home in New York City on Friday after a short visit here.

D. M. Winn, superintendent of Clarkston Schools, attended a State meeting of school superintendents at the Hotel Olds in Lansing last Friday and Saturday. This meeting differed from pre-war conventions in that there was no recreation. Everyone was kept busy attending lectures, discussions, luncheons and dinners. There were many good programs and the superintendents felt that the time was well spent. They got clearer ideas of what is expected of the school in the present emergency and how to plan their programs for the year ahead. Among the fine speakers, and there were many, were Dr. Owen J. Cleary, a lieutenant colonel and chief air raid warden of the State; William Haber of Washington, D. C., who is helping to plan the manpower situation; Dean Edmondson of the State College and Dr. Eugene Elliott.

**Mina Warren**  
Mrs. Mina Warren, 86, of 5815 Andersonville road, Waterford, died at 11 a. m. Wednesday. She was born in London, England, and came here from Toledo, O., a year and a half ago to make her home with her daughter, Mrs. Effie McVittie of Waterford.

She is survived by one son, Carleton of Toledo; two daughters, Mrs. Effie McVittie of Waterford and Mrs. Minnie Micham of Toledo, and one brother, William Clark of Free-land.

The body was taken to the Boyer Mortuary at Toledo, O., for funeral service on Friday afternoon. Burial will be in Toledo.

**Gara Tewelliager**

Gara Allen Tewelliager passed away on Monday morning at St. Joseph Mercy Hospital in Pontiac, following an illness of several months.

Mr. Tewelliager was born in Macomb County, June 19, 1870, the son of Oliver and Sarah A. Tewelliager. On June 29, 1904 he married Martha Alice Clemons in Colerain, Mich., where they lived until 1926 when they moved to Drayton Plains.

Besides his widow he leaves one son, Roy D. Tewelliager of Birmingham; one daughter, Mrs. Lorena Org of Elizabeth Lake Road; two sisters, Mrs. Nora Poole of Hadley, Mich., and Mrs. Clara Price of Pickardville, N. D., and seventeen grandchildren.

The funeral service was held in the Drayton Plains Community United Presbyterian Church on Wednesday afternoon with the Rev. Clarence J. Sutton officiating. Burial was in the Drayton Plains cemetery.

"Don't be scared, lady,  
**I WON'T BITE!**"

"In case you don't recognize me, I'm Bill Smith, the guy who installed your telephone. Now I'm a Ranger. Yes, I was in the Dieppe show, and I'm going back.

"I just dropped in to tell you we boys in the A.E.F. are grateful to the folks back home who are doing everything possible to help war production. Everything that helps war production helps us at the front."

By keeping telephone lines clear for war calls, you are making an important contribution to the speeding up of war production. War calls crowd the telephone lines today. And we can't add enough new lines to handle the increased traffic, because materials are more urgently needed to equip our fighters. But all of us can do our part by making the most efficient use of present facilities.

**HERE'S HOW YOU CAN HELP**

1. Make only the most essential Long Distance calls.
2. Keep all your conversations as brief as you can.
3. When possible, give the number of the distant telephone you are calling.

And please don't call information for a number when it's listed in the directory. The calls you save help speed delivery of the weapons our soldiers need!
