#### Dear Mr. Stamp:

I thought I would write and tell you how much I enjoy the Clarkston News. It is nice to read all about the things which are going on in Clarkston. I usually get the paper on Tuesday, and that is one day I look forward to every week.

As there are many men from Clarkston in the armed services now, and many of them write to you and tell you what they do, I thought maybe you would like to know what we do here.

ni**c**e. We get up at 6:45 every morning which puts us in shape. If the weathand get dressed for mess, which is at er permits we have to march out to 7:00. After mess we come back to a park which is about 3 miles away, the barracks and do nothing from but the fresh air really feels good. 7:45 until 8:15 but clean up our rooms, fold the beds, and get everything in general inspection order before going to class at 8:20. is a Big Job EVEN IN ORDINARY TIMES the Governorship calls for competent leadership. Now with the Nation at war and with Michigan's impor-tant role in the war effort, the responsibilities of the Governorship can only be met by a man who has the vigor to get things done. Governor Van Wagoner's experience as Governor and as State Highway Commissioner for eight years assures you that he will get things done - and RIGHT!

Your State Government
