Mr. and Mrs. H. B. Mehlberg spent Sunday in Detroit.

The Lovell Spalding family is moving into Pontiac this week. Ernest Stevens left Friday for Whitefish Pt. where he will spend some time hunting.

A daughter was born to Mr. and Mrs. Sam Miller on Thursday at the home of the latter's parents.

Mrs. Charles Roehm and daughter, Marian, of Lansing, spent the weekend as guests of Dr. and Mrs. A. W. Emery and family.

Marie Allen, daughter of Mr. and Mrs. Thomas Owen, entered St. Joseph Mercy Hospital on Monday for observation.

Mr. and Mrs. Casper Whalen of Cass City were weekend guests of their daughter, Mr. and Mrs. Lyle Biddle and family.

Mrs. Ida Hayden went to Detroit on Friday where she will spend the winter months with her daughter, Mrs. Clarence Hays, and family.

The regular meeting of the Sunday School officers and teachers will be at the H. B. Mehlberg home Thursday evening at 8 p. m.

Mrs. Frank Shultz, who has been a patient at the General Hospital for the past two weeks, returned home Wednesday.

Donald Anderson, son of Mr. and Mrs. O. D. Anderson, underwent an appendectomy in General Hospital on Monday evening.

Mrs. Gertrude Griffen, who has been a guest of her daughter, Mrs. Charles Maxwell, and family, left Wednesday for Detroit.

Mr. and Mrs. Daniel Combs of Fenton are visiting at the home of their daughter, Mrs. Lyman Grist, and family.

Nancy Shock, infant daughter of Rev. and Mrs. Charles Shock, is in University Hospital, Ann Arbor, for observation.

The H. F. Buck and William Poland families, who spent the past week near Rose City hunting, returned home the last of the week.

Maxine Wilcox, a student nurse in St. Joseph Mercy Hospital, who has been ill with pneumonia, is convalescing at the home of her mother, Mrs. Lillian Wilcox.

Mrs. Robert Hickson and Mrs. Earl Schwalm attended a meeting at the Bailey School on Tuesday afternoon and organized a Parent-Teachers association.

The Sunshine Club will meet on

Wednesday evening at 8 o'clock at the home of Mrs. Dale McClelland with Mrs. Francis McWhinney as assistant hostess.

Fred S. Chase of Cheboygan and Wesley Smith of Manton are visiting at the home of the former's son, William Chase, and daughter, Mrs. Glenn Howland, of Clarkston.

The Good Will Club will meet on Friday, Nov. 20, at the home of Mrs. Kenneth McVittie, at one o'clock, for a co-operative luncheon.

Twenty-four members answered to Roll Call at the Bible class party on Tuesday evening at the home of Mr. and Mrs. George Carter with Mr. Charles Maxwell as co-hostess.

Richard Davidson, son of Mr. and Mrs. Arthur Davidson of Van Syckle St., left for Fort Custer where he will be assigned to a motor division in the Army.

On Saturday morning at 11:30 Ann Robertson, daughter of Mr. and Mrs. Robert Robertson of Grosse Pointe, and Kenneth McVittie Jr., son of Mr. and Mrs. Kenneth McVittie, were married in the Central Methodist Church by the Rev. Ernie B. Frye.

The couple was attended by Miss Bea Morrison of Grosse Pointe Park and Warren McVittie, brother of the groom. A luncheon was served to 15 guests at Devon Gables following the ceremony.

The young couple have taken an apartment in Birmingham until he is called into service in the Air Corps where he enlisted some time ago.

Grand Blanc Farmer Has Unusual Luck

E. B. (Bert) Rogers, owner of Walnut Farm near Grand Blanc, Mich., has been farming only one year but he already is known as "Michigan's luckiest farmer".

Rogers, who specializes in registered Guernsey cattle, stocked his 83-acre farm with Guernseys. During the past 12 months 17 of his cows dropped calves and—to the amazement of his neighbors—15 of the 17 were heifers.

Although four registered bulls were used, one of the bulls, Bancroft Wonder Boy, sired 14 of the 17 calves. The two bull calves among the 17, incidentally, were sired by Bancroft Wonder Boy.

Rogers, traffic manager of Pontiac Motors, offers no explanation for his unusual cattle breeding luck.

POLA NEGRIS TEMPESTUOUS LIFE STORY

The famous screen actress, Pola Negri, who defied fate in a search for love, is telling... in her own words... the story of her tempestuous life... in The American Weekly with The Detroit Sunday Times.

Drayton Plains

Mrs. Lloyd Bowden is convalescing at her home on Baldwin Ave.

Mrs. Lois Barnard is improving although she is still confined to her bed at her home on Sashabaw Road.

R. D. Morgan, son of Mrs. Mertie Strong, left for Fort Custer last Monday, for Army service.

The Drayton Willard Y. T. C. was entertained at the home of their sponsor, Mrs. Floyd Wilson, on Hatfield Dr., last Tuesday evening.

Mrs. O. O. Borst of Drayton Woods was moved to Harper Hospital last Sunday where she underwent a major operation on Monday morning.

Mrs. Forest Ogg of Oxbow Lake was a guest of her mother, Mrs. Gara Twelliager, on Thursday of last week.

Mr. and Mrs. Julius Schipper and family of near Grand Rapids were guests of Mr. and Mrs. Glenn Nykerk and family last week.

Mrs. M. M. Stein was called to Detroit last Monday afternoon by the serious illness of her sister, Mrs. Sarah Syers.

Mr. and Mrs. Kenneth Willings received a telegram last Monday from their son, Max, that he had arrived safely somewhere over seas, and was well.

Staff Sergt. Allen Twelliager of Arkansas is home on a ten day furlough and spent last Thursday with his grandparents, Mrs. Gara Twelliager, Dixie Highway.

Dr. L. G. Rowley was moved from the General Hospital, Pontiac, last Tuesday, Nov. 3rd, to Ford Hospital, Detroit, where he underwent a major operation last Friday morning.

Louie Thrasher of Seeley Ave. underwent a very serious operation in General Hospital last Friday morning, November 6th. He is slowly improving.

Tuesday, November 17th, is the W. C. T. U. meeting to be held in the church. The meeting will be called promptly at 2 o'clock.

Mrs. Roy Cole of Benton Harbor was moved from the University Hospital, Ann Arbor, to her sister's, Mrs. Anna Losche, on Dixie Highway. Mrs. Cole is recovering from a very serious operation.

Miss Mildred Westover, daughter of Mr. and Mrs. Charles Westover of Drayton Plains, and Charles Broadway of Arkansas were united in marriage in the Lutheran Church at Detroit last Saturday night at 8 o'clock. After a short wedding trip the young couple will make their home in Pontiac.

Julius Lipsky of Chicago was called to Detroit by the serious illness of his sister, Mrs. Sarah Syers, who is in Blaine Hospital, and also spent Tuesday night with Mr. and Mrs. M. M. Stein of the Soda Grill. Mrs. Stein is also a sister of Mr. Lipsky.

Mrs. Floyd Wilson and Mrs. Clayton Purdy were co-hostesses at Mrs. Wilson's home on Hatfield Drive for the Community United Presbyterian Church Choir last Thursday evening.

Twenty members were present to enjoy a good supper and the evening was spent in singing. Professor Archie Harrod, tenor from Washington, D. C., was a guest of the evening.

A social and business meeting of the Drayton Plains Air Raid Warden class was held in the auditorium of the school last Thursday night, November 5th. After the business meeting was over the guest speaker of the evening, Pfc. Duard Miller of Fort Hancock, New Jersey, was introduced.

Election of officers followed with Mrs. Earl Hayden as social chairman and Mrs. Howard Guelker secretary and treasurer. A buffet luncheon was served by the Blue Star Mothers.

Don't forget tonight is the big chicken supper at the Community United Presbyterian Church starting at 5:30 p. m. There will also be plenty of baked goods for sale; also a fancy work booth.

The Drayton P. T. A. met Monday afternoon in the school auditorium with about 100 in attendance. Mrs. Waldron Keasey presided at the business meeting.

Mrs. Cecil Morrow gave the invocation. Mrs. James Boaz gave an interesting report on the P. T. A. Institute at Ann Arbor. Mrs. Edward Krem, membership chairman, announced the membership so far this year as numbering 157.

A 65-year-old Michigan gatherer collected 150 pounds of scrap metal and wheeled it by barrow to the village collection center five miles away.

For Homemakers

Are you cooking with gas? Seriously, Mrs. Michigan, conservation of gas is one way you can help the war effort.

To help keep Americans warm this winter the War Production Board has ordered an additional 6,000,000 pounds of wool made available for manufacturing sweaters, shawls, and knitted underwear.

Take good care of your vacuum cleaner, Mrs. Michigan, or expect to be back to the old days of broom sweeping. Present stocks of new vacuum cleaners have been frozen for the armed services and may not be released to civilians unless stocks are later found to be sufficient.

To save metals and rubber, typewriter manufacture stopped at the end of October. But the government needs 600,000 typewriters, chiefly for the use of the Army and Navy.

Housewives have a special assignment in the share-the-meat campaign according to the Michigan Department of Health. They must plan meals carefully to make less meat go farther.

By combining a small amount of meat with eggs, dried beans and peas, cheese and milk, for example, the main dish will have the same food nourishment that would be contained in the usual serving of meat.

Nuts Help Solve Food Problem

Meaning, of Course, the Kind That Grow on Trees

Three hundred million pounds, unshelled, form the total for estimates of the four principal kinds of domestic tree nuts available for food in Michigan and other states from the 1942 crops.

Use of the nuts for food variety and for the fat and protein that will substitute for some of that normally obtained from meats is suggested by members of the home economics extension staff at Michigan State College.

Half of the commercial supply produced in 1942 comes from the English walnut trees. Pecans rank next in importance by volume with a crop slightly under average.

Tree nuts are considered concentrated food. Proteins and fats as well as vitamins and minerals are contained. As such, the tree nuts are recommended as occasional dietary substitutes for eggs and dairy products.

Suggestions for use include stuffing and flavor in meats, sprinkling chopped nuts over salads and for simple desserts.

HOLLY THEATRE

Walter Wanger's new Universal production, "Eagle Squadron," the first screen story of American fighter pilots in the Royal Air Force, will be the next attraction at the Holly Theatre starting Sunday for 3 days.

Heading a long and imposing cast are Robert Stack and Diana Barrymore, youngest member of America's celebrated "royal family" of stage and screen, who is making her motion picture debut in "Eagle Squadron."

Record War Bond Sales Is Goal Of Women At War Week Nov. 22

WASHINGTON, D. C.—America's women in the cities and on the farms—in war factories and in their homes—are determined to make Women At War Week the greatest War Bond selling effort since Pearl Harbor.

Mrs. Franklin D. Roosevelt sounded the keynote for the Treasury Department's Women At War Week, Nov. 22 to 28, with an appeal to women to save on "little things" to provide money for War Bonds.

"We women want to work hard, we want to be a part of this strenuous period because unless we are, we will not be able to face the men when they return and claim our share of the future responsibility for building a peaceful world," the First Lady declared.

The overall direction of Women At War Week rests with the Women's Section of the War Savings Staff under the leadership of Miss Harriet Elliott, Associate Field Director, and Mrs. Henry Morgenthau, Jr., Chief of the Special Activities Unit.

From coast to coast women in every community have made plans for torchlight parades, fashion shows, teas, rallies, store window displays, Stamp and Bond booths, pageants, civic sings, balls and mardi gras.

Mrs. Morgenthau, in a special message for Women At War Week, declared that the spirit of America's pioneer women lives today more strongly than ever. "The average American woman began to rise to new heights on Sunday, Dec. 7, 1941," Mrs. Morgenthau said.

During Women At War Week volunteer War Bond saleswomen will wear an armband similar to the one being attached to the sleeve of Mrs. Henry Morgenthau, Jr., by Miss Harriet Elliott.

WOMEN AT WAR—Overalls, wrenches and an Army Arsenal march to tank factories as these war workers in an Army Arsenal march to tank factories. These women are typical of hundreds of thousands of women investing part of their earnings in War Bonds.

actual experiences of many American aviators who preceded their own country's entrance into the war by joining the RAF's Eagle Squadron in October, 1940. Flying their famous Spitfires, the Eagle Squadron since then has written many memorable chapters of the modern war in the clouds.

In addition, "Eagle Squadron" brings to the screen for the first time scenes showing the widespread activities of British women in wartime, which include flying transport planes, operating radio directional apparatus and firing anti-aircraft guns.

The authenticity of "Eagle Squadron" was assured by many thousands of feet of film taken by a camera crew sent to England by Producer Wanger, on permission granted by the British Ministry of Information.

Arthur Lubin directed the picture from a screen play by Norman Reilly Raine, based on the Cosmopolitan magazine story by C. S. Forester. The photography, designed to strike a new note in realistic screen presentation, was by Stanley Cortez, while the sets were designed by Jack Otterson. Added realism comes from the foreword spoken by Quentin Reynolds, famous American war correspondent.

SCRAP SCRAP SCRAP THE BOYS ARE MARCHING. THEY'RE DOING THEIR PART We can do ours by Giving them the Weapons they need for VICTORY! On farms, in factories, in homes and places of business all over the country, one material we need to win this war is lying rusting and dormant. Eight to ten million tons of it! Enough to offset our present loss of production. Enough to boost our war output of steel up to a Victory level!

LEGALS

EARL L. PHILLIPS, Attorney, 614 Pontiac Bank Bldg., Pontiac, Mich.

STATE OF MICHIGAN—The Probate Court for the County of Oakland. At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the 21st day of October, A. D. 1942.

What You Must Do To Get Rubber Boots

Application for rationing certificates authorizing purchase of men's rubber boots and rubber work shoes may be handled entirely by mail. A. J. Diebel, Chairman of the local War Price and Rationing Board, (or local War Price and Rationing Board No. 3363), said today.

Moreover, where the board approves an application, the certificate may be mailed by the board to the prospective purchaser at his request, Mr. Diebel said. However, the board chairman said that the board reserves the right to have the applicant appear in person if it wishes to question him.

Explaining this provision which has been made to take care of applicants who live in out-of-the-way places or whose working hours are such that getting to the board's offices would be an inconvenience, Mr. Diebel outlined the following procedure—

- 1. Get two copies of the application form, R-603, from the local board. This you may do by going in person, sending someone, phoning, or writing. 2. Fill out both copies of the application—

Where the application form calls for identification, fill in War Ration Book One (Sugar Book) or drivers' license, or social security or selective service card, etc.—something that you can show to your retailer when you go to buy rubber boots or rubber work shoes.

State what kind of work you do and explain in detail why you must have a new pair of rubber boots or rubber work shoes in order to stay on your job.

Agree to turn in any completely worn-out rubber boots or rubber work shoes that you may own.

- 3. Take or mail both copies of

These Biscuits Are "Honies"

By Frances Lee Barton

NOT one grain of your precious sugar supply is required for a batch of hot honey biscuits. Those who crave biscuits often or insist upon serving them to guests will appreciate the following carefully tested recipe:

- Honey Biscuits 2 cups sifted cake flour; 2 teaspoons double-acting baking powder; 1/2 teaspoon salt; 5 table-spoons butter or other shortening; 1/2 cup milk. 4 table-spoons butter; 1/2 cup honey.

Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening. Add milk all at once and stir carefully until all flour is dampened. Then vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out on lightly floured board and knead 30 seconds. Roll 1/4 inch thick and cut with floured 2 1/2 inch biscuit cutter. Bake on ungreased baking sheet in hot oven (450° F.) 12 to 15 minutes.

Cream butter, add honey, and blend. Remove biscuits from oven; split in halves. Spread with honey mixture. Put halves together and serve with remaining honey mixture. Makes 18 biscuits.

your application to your local board.

4. If the board OK's your application, you get a three-part certificate, Form R-605. This permits you to buy the type of footwear you need which will be checked on the certificate.

5. Take or mail parts I and III to the store or company from which you buy. This must be done within 30 days of the date of your certificate.

6. Anyone who goes in person to buy must show the type of identification which is written on the certificate (See 2, above).

7. Turn in your worn-out rubber footwear to the place named on your certificate. The person to whom you turn it in must sign part II of your certificate which you must keep for six months. This is your proof of turn-in.

Need Volunteers for Rationing Work

The need for volunteers to assist in processing applications for B and C gasoline rationing applications is pressing and volunteer offices throughout the state are being urged to step up efforts toward securing enough workers to meet this vital wartime task, according to James H. Cook, Chief of the Field Service, M.C.D.

Volunteer offices of county and local councils of defense have been asked to furnish 11,500 workers, who will work eight hours a day from Nov. 16 to Nov. 21.

International Stock Show Cancelled

Michigan's first entries for the Chicago Market Fat Stock and Carlot Competition, to be held at the Chicago Stock Yards December 2 to 5, were made by William E. Scripps, well known Oakland county farm operator.

Sidney Smith, manager of the farm near Lake Orion, has listed exhibits of the Aberdeen-Angus single steer classes of the show, as well as for a carload of sheep that will be exhibited in the carlot contests. They will also exhibit Shropshire wether lambs in the individual sheep classes.

Sponsored by the Union Stock Yard and Transit Company, operators of the Chicago market, this event will take the place of the 1942 International Live Stock Exposition, which was cancelled by action of its Board of Directors last spring as a war measure.

The show will include a junior live stock feeding contest, featuring baby heaves, lambs, and pigs that have

been fed and fitted by farm boys and girls between 10 and 20 years old. B. H. Heide, for many years manager of the International Live Stock Exposition, and manager of this year's market show, reports that exhibits have been listed from 14 states and two provinces of Canada.

Word has been received from Marvin (Red) Powell that he is stationed in Mississippi and everything looks good. He has plenty of drilling but doesn't mind it.

Wilton Chamberlain, James and Jeanne Burns were Sunday dinner guests of their parents, Mr. and Mrs. R. J. Burns at Sashabaw Ranch.

Mrs. Mary McCluskey of Pinckney who suffered a stroke last September has been convalescing at the home of her daughter, Mrs. Raymond Burns. Now she is able to sit up a little most every day.

Word has been received from Donald Steiner who is with the U. S. Navy that he has grown about an inch and a half and has gained ten pounds. This is proof that our Navy men are well fed.

Mrs. R. J. Burns had a pleasant surprise on Monday when a very dear friend, Mrs. Irene Smith, of

Akron, Ohio, paid her a visit. Mrs. Burns and Mrs. Smith had not seen each other for more than twenty years.

Arthur Clark, a naval air cadet, is home on a furlough. He is feeling fine and has gained thirteen pounds. He says the training is strenuous but it is toughening and really doesn't do the boys' any harm.

Guests at the home of Mr. and Mrs. R. J. Burns of Sashabaw Ranch over the last weekend were their son-in-law and daughter, Mr. and Mrs. Jack Young of Ann Arbor and Mrs. Burns' uncle and aunt, brother-in-law and sister of Mrs. Mary McCluskey, Mr. and Mrs. Edw. Grogan, of Whitmore Lake.

Horseshoes of Kentucky Derby winners for the past 13 years have been contributed to scrap.

Traveling 10 miles at 35 miles an hour takes two minutes longer than at 40, but two miles of extra tire life are saved at the slower speed.

New York's movie organs have played their tunes, except for Hitler. Turned into the scrap drive, one of them yielded 2,300 pounds of war metals.

Machine Repair Proper Job Now

Efficiency and patriotism are the labels to pin on the Michigan farmer who checks over his machinery, winterizes the parts that need protection and repairs or at least lists needed repair parts as the equipment goes under cover for the winter.

Suggestions of E. G. McKibben, head of the Michigan State College agricultural engineering department, point to the warning that food production in 1943 is expected to play a critical part in conduct of the war.

Under average Michigan conditions, the climate offers only a few days suitable for many of the important farming operations. The failure of an essential machine may see the good working days slip by, says Professor McKibben.

Give every machine a thorough lubrication before it goes into winter storage. Lubricants, under pressure, will keep bearings packed with grease and prevent rusting. Painting critical surfaces on harvest machinery and swabbing bright parts with a covering of heavy oil are other conservation measures.

The Noble Lord who tried everything once. The "Peter Pan" of the British peerage who courted trouble and embarrassment has just died at the age of 92 after pursuing the world's strangest hobby. Read of his eccentric and dramatic career, as told in "The American Weekly," the magazine distributed with next week's Sunday Chicago Herald-American

If all U. S. drivers of passenger autos in 1940 had cut down their driving by 10 per cent, they would have saved 160,000 years of round-the-clock travel time at a rate of 35 miles an hour.

If each of the 31 million U. S. families bought one less can of canned goods per week, the steel saved would meet steel requirements of 5,000 medium tanks, there would be tin for 360,000 75 mm. howitzers, and rubber for 2,000 jeeps.

Not everybody with a dollar to spare can shoot a gun straight—but everybody can shoot straight to the bank and buy War Bonds. Buy your 10% every pay day.

CLARKSTON BEAUTY SALON

This Is War

Our community is faced with unusual problems.

- Defense workers must get to work.
- Trucks must be kept rolling.
- The defense plants and Uncle Sam have taken the mechanics from our local garages.
- The few of us who are left are doing the best in our power to keep these cars and trucks in service.
- We can't do the impossible but we'll try.

We ask you to be as tolerant as possible, and assure you we appreciate your cooperation.

What You Buy With WAR BONDS

It is imperative that the ship lanes be kept free of ice. With American troops occupying Iceland and the Navy using the northern route for transportation of supplies to Russia, ice breakers are essential to Naval operations. The ice breaker is a specially constructed ship with heavily armored bows and powerful engines that crush the ice floes rather than ram through them.

Ice breakers of the Kickapoo class operating in the North Atlantic cost approximately \$10,000,000. You can help our Navy build these ships by investing at least ten percent of your income in War Bonds every pay day. Enroll in the payroll savings plan or apply at the nearest bank or postoffice. U. S. Treasury Department
