## Attend Senior Play At School Tonight

What would you do in the same circumstance? This is the question that is brought up by the seniors who are presenting a hilarious comedy entitled "Spring Fever". It tells the happenings at Brookfield College where most anything can happen and it usually does. It provides enjoyable entertainment for every age. Even grandma will get a laugh when the buggie bugologist, Professor Bean, played by Keith Kerton, accidentally insults that strange woman, Mrs. Purcell, portrayed by Evelyn McCann. Vivian George—a typical college girl—is played by Norma Davison.

All will share the joys and griefs of Howard Brant, characterized by Bill O'Rourke, who nearly loses his mind and his girl, Miss Anne Purcell, or better known as Helen Hodges.

You can imagine the uproar which is created when another college boy, Vic Lewis, dramatized by Kenneth Beard, tries to gag Mr. Purcell, portrayed by Stanley Perrin, a well-to-do business man and his pal, Ed Burns (Dave Wainman), who jars all into action by explosions in his laboratory.

Miss Lou Herron, a journalism student, portrayed by Barbara Andrews, finds Ed very interesting and she greatly admires the quick wit and thinking of Howard's Aunt Maude, who, underneath it all, is a pretty good scout. The President of the College, Prexy Dixon, to the kids is a raging character brought to real life by Harold Saunders.

The one who has to put up with all of this under her own roof is Mrs. Spangler, the housekeeper, which part is taken by Mary Edgar.

"All is well that ends well", and that is exactly what happens.

The play will be presented at the Clarkston High School, Clarkston, on Friday, November 20, at 8:00 o'clock. Everyone is welcome.

## Baptist Auxiliary Elects Officers

The Baptist Auxiliary met at the church on Wednesday of last week and held a short business meeting, enjoyed a fine program and spent some time sewing. At the business meeting election of officers was held with the following results: president, Mrs. H. B. Parks; vice-president, Mrs. Fred Boone; secretary-treasurer, Mrs. D. D. Powell; flower chairman, Mrs. Howard Lord; reporter, Mrs. Fred Steiner.

## Clarkston Locals

Mr. and Mrs. Fred Werback of Detroit spent last Saturday at the Fred Stewart home.

Everyone will be sorry to learn that Mrs. L. F. Walter is on the sick list.

Born to Mr. and Mrs. Thomas Corbin of Waterford a son, David Michael, on Monday, November 16.

Mr. and Mrs. Jesse Powell and son, Norman Lee, were guests at the home of Mr. and Mrs. E. E. Wells in Detroit on Sunday.

Born to Mr. and Mrs. Durward Ash a 6 lb. 4 oz. son, Lawrence Durward, Monday, November 9th, at the St. Joseph Mercy Hospital in Pontiac.

Mrs. Iva Miller and Mrs. Russell Maybee returned last week from a visit with George Miller who is stationed at Ft. Leonard Wood, Mo. They found George very busy but feeling fine and enjoying his work.

## Blackout a Success In This Area

But for the moon all lights were out for the ten minute blackout in this area on Wednesday night. Air raid wardens were on the alert and all emergencies were taken care of. Four casualties were taken to the casualty station at the Masonic Temple by the local ambulance and the emergency car belonging to Fred Groves. Quick action was displayed. Only ten minutes elapsed from the time the air raid warden called the medical center and the cases were brought in. A staff of nurses and a doctor were on hand to take care of the emergencies.

There are a few things that are badly needed at the medical center and donations would be greatly appreciated. In order to take care of any casualties in the proper manner the station is in need of single size sheets, blankets, bath towels, wash cloths, pillows and pillow cases. Put your medical emergency station on your Christmas list this year.

## Literary Club Has Thanksgiving Program

Mrs. Glenn Howland Was the Hostess

On Tuesday afternoon the Clarkston Literary Club met at the home of Mrs. Glenn Howland. Roll Call was answered by naming a favorite Thanksgiving dish.

After a short business meeting at which time it was decided to meet once a month on account of conditions, a short program was enjoyed. Mrs. C. H. Souby read a paper on "Michigan" which was written by Mrs. Francis Walter. Several members talked on something interesting about Thanksgiving.

The next meeting will be the Christmas meeting on December 15th at the home of Mrs. George Slayton. Dinner will be served at noon. The program will be especially interesting. Roll Call will be answered with "Your favorite Christmas Song" and Mrs. J. R. Blakeslee will give a book review.

## Clarkston Locals

Mrs. William Watson left for Dayton, Ohio, this morning where she was called by the critical illness of her brother, George King Ruddell.

Among the lucky deer hunters in the early part of the week were Gene Straub and Jack Chisholm of Clarkston.

Jim Young has been spending a short furlough at his home here. He has been stationed at Great Lakes Naval Training Station.

Mrs. C. J. Cheeseman returned on Monday to Charleston, S. C., after spending a week or ten days with her daughter, Mrs. Frank Powell, and family.

On Tuesday afternoon Mrs. Percy Craven entertained the Margaret Rie Club of Oakland County at her home on Holcomb Street. A lovely pot-luck luncheon was served at one o'clock. In the afternoon a short business meeting was held and plans were started for the Christmas Party.

## This Is War

She married him when they were young.

And on a little farm begun Their life, as countless other couples do,

Seeking their love and life anew. They labored there with common thought,

No greater thing in life they sought Than home and children they adored. For labors done as their reward,

Depression came and reared its head, And on man's fortune it was fed Nor did it overlook this pair,

Who contributed their share Of wealth, to quench the thirst of him,

Who tore wealth's structure limb from limb.

At such a loss they smiled thru tears And bade good-bye to work of years. They smothered out the scorching flame,

Determined that they would regain, From life things they were seeking for,

Unmindful of approaching war. But war came and they met the call, They had two boys and gave them all. The husband sickened, paled and gray,

From world born cares was called away While she thru tears as oft before, Smiled and said, yes this is war.

## Local O.E.S. Chapter Installs Officers

Mrs. Martha Reeves of Pontiac Was Master Of Ceremonies

Mrs. Martha Reeves of Pontiac Chapter presided as Master of Ceremonies at the installation of officers of Joseph C. Bird Chapter in Clarkston on Thursday evening of last week. The installing officers and the past matrons were escorted to the east. After the American and the Eastern Star Flags were presented and all had pledged their allegiance the Rev. W. Harold Pailthorp was escorted to the east and he gave the Invocation.

A short program followed with Doris Boyns playing two numbers on the piano, "Chanson Triste" by Tschalkowsky and "Schmetterling" by Merkel. Frances Ann Reeves played two accordion solos, "White Christmas" and "One Dozen Roses".

The new officers were installed by Mrs. Rie Sanderson of Pontiac. Mrs. Elizabeth Petty acted as installing marshal and Mrs. Evadna Richardson as chaplain. Mrs. Meta McIlroy presided as organist. The Chapter was presented with a Christian Flag from Mrs. Vesta Sheets, the incoming worthy matron, who made the flag but was unable to make the presentation because of illness. Mrs. Laura Perry had the honor of making the presentation. Other gifts were presented to the officers of the past year and an invitation was extended by Past Matron Mrs. Evadna Richardson to the junior matron, Mrs. Marian Terry, to become a member of the Past Matrons' Club. Mrs. Terry was presented with the jewel of the order and past patron, Lloyd Gidley, was presented with the jewel of his office. Norma Terry acted as flower girl and presented victory corsages to the five star points with color appropriate to each office.

The first regular meeting of the year will be held on December 7th.

## Xmas Seal Sale Starts Nov. 23

### CHRISTMAS SEALS

Protect Your Home from Tuberculosis

Carrying the vital war-time message, "Protect Your Home from Tuberculosis," the 36th annual Christmas seal goes on sale Monday, November 23. Its colors form a patriotic motif—red barn, crisp white snow, and bright blue sky.

But although its design is gay, its purpose is as grim as war itself. War conditions aid the spread of tuberculosis germs. The Christmas seal is the voluntary guard, dedicated to "Protect Your Home from Tuberculosis."

Theo. J. Werle, executive secretary of the Michigan Tuberculosis Association, reminds us that we, in Michigan, now face greater public health problems than in World War I, when Michigan's tuberculosis deaths increased 29 per cent.

In order to finance a more intensive attack on the disease, more Christmas seals will be placed in outgoing envelopes this year.

## Another Clarkston Boy In U. S. Navy

Now a member of America's fighting sea forces, Edward T. Grahl, 20, husband of Mrs. June Grahl, 127 N. Holcomb Street, Clarkston, Michigan, reported to the U. S. Naval Training Station at Great Lakes, Ill., last week for a period of recruit training.

Instruction for recruits—known as "boot" training—includes drilling, vigorous physical conditioning, seamanship, and Naval customs and procedure.

Recruits are given a series of aptitude tests through which they may qualify for advanced training at one of the Navy's many service schools with an opportunity of obtaining a petty officer rating. Some, also, are selected for immediate active duty at sea or some other shore station.

Upon completion of the training period a nine-day leave is granted.

## Day of Prayer Held Thursday

On Thursday a Day of Prayer was held at the Clarkston Baptist Church. In the morning the Rev. Carl Moses of Ortonville and Mrs. Wilma Norton of Sashabaw were the speakers. Luncheon was served at noon and in the afternoon the Rev. Robert Ibach of Waterford was in charge.

## Weddings in Methodist Church

Ivan Hollis Lowers of Ann Arbor and Margaret Louise McLott of Farmdale, Michigan were married by Rev. W. Harold Pailthorp before the altar of the church on Saturday afternoon, November 14th.

Frank Durling, Jr., of Bancroft and Clara Shofnitz of Lennon were married Wednesday morning at ten o'clock in the Methodist Church by the minister, Rev. W. Harold Pailthorp. They were accompanied by Marion Conrad and Fred Durling.

## Clarkston Locals

Mr. and Mrs. William Johnston went north last weekend on a deer hunting trip. Mrs. Johnston returned home on Tuesday night.

Mr. and Mrs. Glenn Howland had as guests during the past week the latter's father, Fred S. Chase, of Cheboygan, and uncle, Wesley Smith, of Cadillac.

Corp. Howard Boyns spent a few hours during the past weekend with his folks in Clarkston. Howard certainly looks well and says he feels just fine.

Mr. and Mrs. John Breakey and daughter, Barbara, expect to make their home in Detroit after the first of December. They have been fortunate in securing a house there.

Mrs. H. B. Yoh and Mrs. Arthur Schurz were hostesses at an afternoon tea at the Yoh home on Wednesday afternoon. Mrs. Lida Weighel and Mrs. Milan Vliet presided at the refreshment table.

Funeral service was held for Edward C. Baynes of Southfield Township on Tuesday afternoon. Besides leaving one son, Herbert T. Baynes, of Clarkston he is survived by four other sons, two daughters, two brothers, one sister and four grandchildren.

### CHRISTIAN SCIENCE CHURCHES

"Soul and Body" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, Nov. 22.

The Golden Text (I Cor. 3:16) is: "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?"

Among the Bible citations is this passage (Matthew 6:22,23): "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!"

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.215): "Spiritual vision is not subordinate to geometric altitudes. Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life."

### SYNOPSIS OF SCENES

## Telephone Company Asks Cooperation

Cut Out or Make Short Phone Calls on Thanksgiving

The Michigan Bell Telephone Company today urged its customers to refrain from making social long distance calls on Thanksgiving Day to prevent possibly dangerous congestion of the circuits.

Walter B. Fauser, manager for the company, pointed out that the wires will be crowded with military and war production calls, and calls home by men in the service.

He particularly urged users not to make social calls over transcontinental or interstate long distance lines involving distances of more than 300 miles, where the traffic normally is heaviest. He also suggested that a person having an urgent call to make, give the operator the number of the distant telephone if possible and keep the conversation short.

## The Hilltopper

The Home Ec. Club of Clarkston High School had its club initiation last Thursday afternoon and the school was in quite an uproar with all or practically all of its girls wearing their clothes backwards, their hair up in pig-tails and their faces with no make up whatsoever. They surely did look funny.

The club has started its sales of potato chips, peanuts and a very small assortment of candy at noon. The potato chips are going very well and the profits will be used for the Christmas basket which the club will start planning at their next meeting.

## Urge 18-19 Year Boys To Enlist Now

Recruiting Will Precede Selective Service Calls

Passage by Congress of the selective service act for 18 and 19 year old men in no way will affect the Sixth Service Command Campaign to recruit men of those ages, it was announced by Major General H. S. Aurand, commanding general of the Service Command with headquarters in Chicago.

General Aurand ordered the recruiting drive intensified at a meeting of staff officers, declaring "we need these men now and will make every effort to have them in training before the new selective service act is put into operation."

"From now until the new selective service measure is put into effect we intend to recruit as many of these men as possible. Men who enlist now will be far advanced on their training over the first 18 and 19-year-old selectees and thus sooner able to qualify for advancement."

The General also pointed out that these young enlistees have the opportunity to select the branch in which they want to serve, an opportunity given to this group only.

## Clarkston Locals

Among the hunters who returned with some of the finest deer that they have seen in many years were Ed. Seeterlin, Sam Morgan, Don Mitchell and Harry Merritt. They were real lucky and each in the party got a deer. They hunted in Delta County north of Rapid River in the upper peninsula.

Christmas lighting will burn dimmer this year, further emphasizing the impact of total war. The War Production Board has asked city officials, civic clubs, Chambers of Commerce, merchants and citizens generally to dispense with outdoor decorative lighting this Christmas. W.P.B. points out that Yuletide lighting requires use of critical materials, electricity and manpower and is not in line with general conservation programs already under way.

WPB Order Affects Cooking

Available Facilities Must Be Utilized

Families or persons planning to change their residence were urged Saturday by the War Production Board to investigate thoroughly the utilities available for cooking in prospective living quarters.
This precautionary advice was given by James E. Wilson, WPB's deputy regional director in charge of the priorities division, in explaining a WPB order which prohibits connection of an electric range where complete gas facilities are available and the connection of a gas range where complete electric facilities are already installed.

TODAY'S BEST ADVICE:

GET OUT OF DEBT

Any extra money coming your way as a result of today's huge War expenditures? Then use it to pay off your obligations and get out of debt. You will benefit . . . today and tomorrow. And you'll be doing your part to prevent inflation.

A Nation of solvent, debt-free families is one way to guarantee that while we win the War from our enemies we won't lose it to ourselves . . . lose it in the chaos of depression that so often follows War.

War calls must go through this Thanksgiving

Please do not make social Long Distance calls

War goes right on, despite Thanksgiving. And messages essential to the war effort will crowd the wires as on other days.

War-loaded Long Distance lines cannot carry the usual flood of social calls this Thanksgiving.

Therefore, please make only the most urgent Long Distance calls on Thanksgiving Day, and keep those calls as brief as possible.

ELECTION NOTICE To the electors of the Township of Independence, Oakland County, Michigan.

NOTICE IS HEREBY GIVEN, that a special election to be held at Independence Township Hall, Village of Clarkston, in said Township of Independence, on Tuesday, the 29th day of December, 1942, the following question will be submitted to you:

Do you favor the confirming of a franchise to THE DETROIT EDISON COMPANY, ANY granting permission to erect, construct, lay, operate and maintain, within the TOWNSHIP OF INDEPENDENCE, all needed and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission and distribution of electricity for public and private use, subject however, to all conditions and restrictions of said franchise, as passed at a session of the Township Board of said Township, held Monday, the 16th day of November, 1942.

A copy of said franchise is on file with the Township Clerk, and it is open to the inspection of the electors of said Township.

At said election the form of ballot will be as follows:

I hereby grant of franchise to THE DETROIT EDISON COMPANY, for the purpose of the erection, construction and maintenance of towers, poles, mains, wires, pipes, conduits, apparatus, etc., requisite for the transmission and distribution of electricity for public and private use.

NO The polls of said special election will be opened at 7 o'clock a. m. and will remain open until 6 o'clock p. m. of said day of election.

The Board of Registration will be in session at the L. F. Walter Store, Clarkston, Michigan, on Wednesday, the 10th day of December, 1942, from eight o'clock in the forenoon until six o'clock in the evening, for the purpose of completing the registration of electors of said Township.

Dated this 16th day of November, 1942. Louis F. Walter, Township Clerk Nov. 20-27

L. hereby certify that the foregoing is a true copy of resolutions adopted by the Township Board of Independence Township, Oakland County, Michigan, at a special meeting held Monday, the 16th day of November, 1942.

Louis F. Walter, Township Clerk Nov. 20-27

TOWNSHIP OF INDEPENDENCE COUNTY OF OAKLAND THE TOWNSHIP OF INDEPENDENCE ORDAINS:

SECTION 1—Permission is hereby granted to THE DETROIT EDISON COMPANY a New York Corporation, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of Independence, Oakland County, Michigan, all needed and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission and distribution of electricity for public and private use, subject however, to all conditions and restrictions hereinafter contained.

SECTION 2—The conditions of the foregoing grant are as follows:

A—The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B—The Highway Commissioner may in his discretion grant permission for the trimming of trees when necessary to make the lines safe and accessible such trimming to be done under his supervision.

C—The construction work of the said lines shall be under the supervision of the Highway Commissioner, and the grantee shall pay to the Township, upon presentation of an itemized bill, the cost of such supervision at the legal rate of charge for the same.

D—The said grantee before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, mains, wires, pipes, conduits or other apparatus shall in writing notify the Highway Commissioner or his representatives of the proposed construction and obtain his approval thereof, and shall if the Commissioner so requires, file with him a sufficient plan and specification showing the nature and extent of the proposed erection and construction. The cost of inspection shall be held to be part of the cost of supervision.

E—No street, highway, alley, or public place shall be allowed to remain open or encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the Highway Commissioner shall determine the question of such necessity, and the grantee shall at all times conform to all ordinances of the Township, now or hereafter in force relative to the fencing and lighting of obstructions and excavations.

F—The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrong doing or negligence of the said grantee in the erection and maintenance of said poles, mains, wires and other apparatus or construction.

G—Said grantee shall make due provision upon forty-eight hours' notice in writing by raising its wires or other structure for the passage of any barn, building or other structure on or over any street, highway or public place occupied by the mains, wires, poles, and other apparatus of said grantee.

H—In case the office of Highway Commissioner should hereafter be abolished, then in such case the duties, powers and rights of such Highway Commissioner shall be performed by an officer to be appointed and designated by the Township Board.

SECTION 3—The rates charged by the grantee herein, its successors and assigns, shall not at any time be greater than the current rates charged by THE DETROIT EDISON COMPANY, its successors and assigns in the City of Detroit, for similar service.

SECTION 4—This grant shall take effect, if said grantee shall, within fifteen days from the date of the passage of this ordinance, file with the Township Clerk its written acceptance of the terms of the same, and upon the confirmation of the grant, by the affirmative vote of a majority of the electors of said Township, voting thereon at a special election, to be held on Tuesday, the 29th day of December, 1942, as provided for by the statutes and the State Constitution.

If not confirmed by the electors voting at said election, this ordinance shall be null and void.

FOOTBALL NEWS

The Clarkston High School football season ended last Friday, November 13, when we played Bloomfield in a cold wind plus snow. The Clarkston squad ended the season gloriously with a 32-7 win over Bloomfield and by winning 6 out of 7 games played. This is probably the finest football season Clarkston has ever had.

The weather was blustery and the football teams played hard to keep warm. In the first quarter Edwin Ross hit the line for a touchdown. Shortly after this, Bill O'Roark made an end run. By fast running and quick thinking he avoided many men and carried the ball over for a touchdown and the second score. When Edwin Ross passed into the wind Bloomfield intercepted and ran the length of the field for a score. The extra point was good. The score, when the half ended, was Clarkston 12—Bloomfield 7.

In the second half Clarkston really put on some of their steam. Bloomfield rarely got inside of the Clarkston 50 yard line. Stan Perrin, our right end, intercepted a Bloomfield pass, avoided many would-be tacklers, and with good interference, ran 30 yards for a score and 6 more points. Edwin Ross caught a pass from his twin brother and ran 20 yards for another touchdown. The time was getting short and it looked as if that were all the scoring for the day, but Bill O'Roark snaggged a pass from Edwin Ross and made a run of 15 yards for another touchdown. The extra points were made by Ross and O'Roark. The game ended Clarkston 32, Bloomfield 7.

Here are the boys that played their last game for dear old Clarkston High:

Stan Perrin—Right End—Senior. Keith Kerton—Guard—Senior. Ken Beard—Tackle—Senior. Don Boice—Center—Senior. Bud Berg—Guard—Another year. Tom Waid—Tackle—Two more years.

Eldon Rouse—Left End—One more year. Edward Ross—Quarterback—Senior. Edwin Ross—Left Half—Senior. Bill O'Roark—Right Half—Senior. Dave Wainman—Fullback—Senior. Edwin Ross was elected Captain of this squad, an honor he justly deserved.

Two-thirds of our great team's credit goes to our fine coach, Ralph "Doc" Thayer.

The Subs were: Bob Henry, Walt Henry, Jack Baughman, Ralph Hagen, Don Bird, J. Tee, K. Cooper and

Drayton Plains

Edward Deery Y2c from Columbus, Ohio, spent the weekend with his parents, Mr. and Mrs. Ray Thrasher, Seelye Ave.

The Drayton Plains Needle Work Guild of America Executive Committee held its final meeting last Thursday at the home of the president, Mrs. Robert Garrison, 400 garments were taken in at the gathering.

Mrs. Roy Dancy was appointed to work with the Men's Club in distributing the garments this year. The officers and directors are as follows: President, Mrs. Robert Garrison; 1st vice president, Mrs. Charles Nolan Sr.; 2nd vice president, Mrs. Frank Jeffery; 3rd vice president, Mrs. Roy Dancy; 4th vice president, Mrs. C. J. Sutton; recording secretary, Mrs. Earl Grah; treasurer, Mrs. Oscar Ream; directors, Mrs. Elmer Roadway, Mrs. Earl Springer, Mrs. Kenneth See, Mrs. Waldron Keasey, Mrs. Harry Fowler, Mrs. Grace Barnhart, Mrs. Frank Duncan and Mrs. Earl Hayden. Mr. James DenHerder and the boys in the shop division of the Drayton School were responsible for making the frame for the Baby Incubator and the rest was furnished by the Needle Work Guild. Due to the illness of Dr. L. G. Rowley, Dr. Jones very graciously accepted the gift for the Clinic.

The W. C. T. U. met in the parlors of the Community United Presbyterian Church last Tuesday afternoon. Mrs. Katherine Cable, president, opened the meeting, with prayer. After the business meeting was over, Mrs. Marion Morrow had charge of the devotions. Mrs. Floyd Wilson sang "My Task". Mrs. Howard Mader gave an illustrated talk on "The Enduring Symbol, the Flag". Mrs. Floyd Wilson again sang "Open the Gates of the Temple" accompanied by Mrs. L. G. Rowley. Mrs. Grace Barnhart gave a review of the sixty-Eighth Annual Convention of the W. C. T. U. held in Lansing October 28-29-30. Lovely refreshments were served at the close of the meeting.

Mrs. William Chamberlain had the misfortune last week to fall down the basement steps breaking some ribs and bruising her quite badly.

W. E. Oakes of Drayton Woods was treated at General Hospital last Monday afternoon for a fractured rib and minor cuts suffered in an auto accident at the traffic light at Dixie Highway and Hathery Road.

JUNIOR CLASS PARTY

Monday night, November 16th, the Juniors met at the school for a class party, and almost all the students were there. Miss Tew and Mr. Fortress, their sponsors, were also present.

The evening started out with an intensive game of Volley Ball, which ended with nobody winning. One comical consequence was the one Bob Henry had. Dressed in girl's clothes, he ballet danced for us and created quite an uproar.

Among the other games played was "Electricity", and a few of the students danced for the rest of the evening. Refreshments were served and enjoyed by everyone.

## For Homemakers

Remember poultry, fish, eggs, cheese, beans and nuts. Those are some of the principal alternates, rather than substitutes, suggested by members of the home economics extension staff at Michigan State College as the problem of getting normal meat supplies, becomes more acute in Michigan and other states. Good nutrition can be combined with patriotism in selecting foods that will supply those things that meat normally supplied. Flavor, protein,

iron and three members of the vitamin B complex—thiamin, niacin and riboflavin, are the points to watch. The protein, some iron and some of the B vitamins can be put on the table in the form of poultry, fish, milk, cheese, eggs, dried beans and peas, soybeans and nuts. Additional vitamins and iron can be obtained from servings of whole grain or enriched grain products, dark green leafy vegetables and potatoes. Such a dish as that made from the navy or white pea bean can come to the table in various forms. The navy bean is the one grown principally in Michigan. Beans from the 1942 crop in the state would fill nearly seven million bags holding a hundred pounds each. Beans, it seems, are baked in three styles: New England bakes its beans

slowly to a rich brown, with salt pork and molasses for extra flavor. Michigan has a reputation in bean recipes for baking them in a flat pan and seasoning with salt pork or bacon. Western style adds onion and tomato.

The 1942 Christmas seal features a red barn. Tuberculosis authorities figure that the fine accomplishment in the control of bovine tuberculosis has made the barn safer from tuberculosis than the home.

According to Government estimates, the seasonal kill of waterfowl would provide enough down and feathers for 300,000 aviator's pants and parkas, more than 10,000 sleeping bags or 500,000 sub-zero jackets, if hunters plucked and turned in the down and small body feathers of all birds they killed.

## Rationing May Reveal Price of Gasoline

Computer Pumps Play Part In Concealing Cost

In spite of their knowledge of world affairs if the Quiz Kids were asked the price of the two or three grades of gasoline at their neighborhood service station, it would be safe to say they would not know the answers.

With all of the revealing knowledge placed on the face of a Computer pump the public has acquired the habit of buying in money amounts rather than by gallons, as was the custom before the advent of the calculating electric pump. It is such an easy matter to drive up to the most convenient pump on the island and say "Give me a dollar's worth" that the sight of the price per gallon has, on the most part, passed into oblivion.

With the new rationing coupons coming into use perhaps the motorist will again get back into his old habit of buying 6, 7 or 10 gallons and at the same time he will become conscious of what he has been paying for each gallon. There has been no increase in gasoline prices this year. In the Parks' Service Station, north end Clarkston, two brands of Regular gasolines are sold—Hi-Speed and Economy—at different prices. Both are quality products, refined and blended to give long mileage and top performance, and in spite of the fact that one pump has a clearly posted price of .187 and another of .172, when the tourist drives up to the pump, the money amount of gasoline is generally his order.

With rationing, the tearing out of each stamp from the book will make us all more conscious of what a gallon of gasoline represents—every one of those stamps will mean so many miles of driving. Each purchase will be weighed more carefully and thus rationing will reveal the price of gasoline. Adv.

Salute America's  
Automotive  
Mechanics!

They Serve America  
by Keeping Our Cars  
and Trucks Serving  
for Victory

Why America's  
Cars and Trucks Are  
VEHICLES OF VICTORY\*

- \* Sole transportation for war workers in many communities.
- \* Sole transportation for war materials in many communities.
- \* Six out of every ten farms use one car or more.
- \* 67 per cent of all farm car mileage is necessity driving.
- \* Many war plants depend on trucks to haul all "Victory" freight.
- \* Trucks alone serve 54,000 communities not reached by railroads.

The automotive mechanics of yesterday are the Victory Service Men of today. . . . For it's up to them to maintain the motorized transportation system which carries men and materials to and from America's war plants, America's farms, America's other essential industries. . . . They know their job, and they're doing their job! . . . Help them to keep your car or truck serving for Victory by getting skilled service now and regularly.
