CLARKSTON, MICHIGAN, FRIDAY, DECEMBER 18, 1942

NUMBER 16

Independence Township Home Front Committee Has Been Working

This committee was formed to help in all drives for anything requested by our Government or local authorities. It consists of the following organizations: Farmers' Club, Seymour Lake Church group, Clarkston Rotary Club, American Legion Post No. 63, Royal Neighbors, Clarkston Literary Clubs, Clarkston Baptist Church Auxiliary, Ladies' Auxiliary of the American Legion, Farm Bureau, Methodist Women's Society for Christian Service, Clarkston Parent-Teachers Association, Joseph C. Bird Chapter O. E. S., Independent Dirt Gardeners, Independence Grange, Sashabaw Community Church, Cedar Lodge, F. & A. M., with two members from each serving as representatives of their group in meetings called by the Home Front Committee. They also direct the efforts of their own Club in the solicitation of their district.

The Township has been divided into districts. Each one of the districts is assigned to one of the above organizations.

Members of the Executive Committee are: Floyd Andrews, Supervisor of the Township; Howard Huttenlocher, President of the Village; and Lloyd C. Megee. Officers were elected as follows: Everett Butters, chairman; Mrs. Mallory Stickney, vice chairman; Mrs. Earl Terry, treasurer; Ralph Habermas, executive secretary; Mrs. Wm. H. Stamp, director of publicity and information.

This committee was very active in the last scrap drive. The scrap has been sold recently and we will soon have a settlement of the sale to report.

Help was also extended to the aid of those in charge of the Blood Donor Bank held in Clarkston.

One of its projects was a dance and solicitation for funds to send everyone in the service of our Country a Christmas box. This required an immense amount of work, all of which was cheerfully performed by all who were asked to help. Mrs. Garnet Poulton greatly assisted by Mrs. C. H. Souby assumed the responsibility for this tribute to those who are to be away from home this Christmas. All of the boxes for those now serving in foreign lands were wrapped and shipped before November 1st. Early this month the rest of the boxes were packed and mailed.

In each box, besides all of the many useful articles, candy and cigarettes, the following poem written for this purpose by our own Bob Beattie, was placed in each box:

Greetings to our Boys and Girls in the Service from the Independence Township Home Front Committee

To you in the service, Best Wishes we're sending, Along with this gift to you We're extending The Spirit of Christmas, In this little token That speaks of love that Never'll be broken, By absence or distance, Or perils of war, These things will unite us, As never before.

That your Christmas be merry, Be assured we are praying, And whereof I speak I know when I'm saying, That here on the home front, We who are stationed Have met in our stride, Gas that is rationed, In all of this town, No one has been shirking At bench or at desk, Each one has been working, More work on his shoulders, The boss has been stacking, And he's come to the point, Where resistance is cracking, To preserve the way of life We are living, Your buddies back home, Their blood have been giving, Amid all the taxes, And strict regulations, All places of business, Are bond-selling stations, Last year on our lot, Where used cars were found showing, Right now there's a scrap pile, Toward heaven that's growing, So don't be discouraged For one single minute, We're back of you girls and boys, Right up to the limit, With what you can do with, What we are sending Hirohito and Hitler, Will soon see their ending.

To those of you who contributed your time and money the Committee feels very sure of your joy on Christmas morning when you have the thought that in the midst of family, friends and security of home, "You did remember" those who are trying to preserve all of this for all of us.

Our Boys In The Service

The Clarkston News is always glad to hear from the boys in the service. We are interested in the welfare of all of our boys and are always pleased to pass along their messages to their friends. This past week we have received Christmas greetings from Robert Berg who is stationed at Portsmouth, Va.; Pte. and Mrs. Marvin (Red) Powell from Camp Shelby, Miss. Letters were welcomed from Roy Spencer and Gerald Davies.

2:00 P. M.

Dear Mr. Stamp:

I am now receiving a copy of the Clarkston News every week and wish to thank you very much for sending it. The News certainly does a lot to make a fellow seem closer to home.

I like the army fine and think that every young fellow should have some military training. It gets him off on the right foot I am, as you probably know, in the medical corps. It is a fine outfit. I like it very much and it is something that will help me in later life. I am also on boxing and basketball teams and we have a swell time here. I was on the train 4 days and 4 nights from Michigan. It was a trip that was fine and one that I will never forget. We came thru ten States and also the very scenic Rocky Mts. They were beautiful with their color and snow covered peaks. (description and location of Camp).

At the present we are having a rainy season but on clear days the mountains which surround the camp are beautiful. The mascot of our medical battalion is a little deer which came from the mountains and we call her "Susie". She is very friendly. When I get some pictures I will send you some pictures of the camp and surroundings. We are nine miles from a little town where lumbering is the main business. On weekends we are allowed to go to town and get away from army life for a few hours. I got a 30 hour pass for personal appearance and equipment inspection and spent Saturday night, Dec. 5, in town. The people here are fine and the U.S.O. is doing great work. They have dances every Saturday night and supply the boys with candy, cigarettes, etc. On Thanksgiving Day I was invited to a civilian home and had a very pleasant day.

We have to serve time on KP and also guard duty every month and each man has his turn. Today is Sunday and a nice day and I am trying to get some pictures if it doesn't get too cloudy. So I'll thank you again for the News and wish you and Mrs. Stamp a very Merry Christmas and a Happy New Year.

Sincerely yours,
Gerald Davies.

(Gerald's letter was especially interesting as he is located in the district that Mr. Stamp was in during World War I.)

Wednesday, Dec. 9, '42.

Dear Mr. Stamp:

I received my first issue of the Clarkston News last week and I want you to know how grateful I am to you for the "Hometown Newspaper". I certainly enjoy sitting down and reading what all of my friends back home are doing, as you probably know I was always interested in the town affairs and by reading the Clarkston News I can keep up on them.

It was also through the Clarkston News that I got the job that I had after I graduated from High School and before I entered the army. I am certainly grateful for that. By reading through the want ads section entitled "The Market Place", I received my job with the Michigan Bell Telephone Co., otherwise I probably would not have ever been employed by that Company. So you can see how much I owe to you and the Clarkston News.

I also want to thank the Clarkston Rotary Club for the fine send-off they gave me. It certainly is a fine organization and does so many fine things, such as the Christmas parties for the youngsters, the war bond drives, etc. The weather here is very mild compared to the weather back home, although it gets rather cold at night, but we have no freezing weather here.

This is an Infantry Replacement training center, one of the toughest branches of the service. We get plenty of drilling every day with lots of marching.

I guess I had better close now as I have a pretty full schedule for tomorrow. I would like to have all of my friends in Clarkston drop me a line if they have a minute to spare. My address is,

Pte Roy Spencer
Co. B, 65th Bn, 4th Ptn

Sincerely yours,
Roy Spencer, Jr.

The folks in this vicinity are glad to welcome Glenn Putnam home from active service in the Pacific. Glenn has been in the Marine Corps for 17 months and lacked two weeks of being out of the country for one year. He arrived in California on November 3rd. During the time he has been gone he has had some strange experiences but he says that he has been well fed and has nothing to complain about. He spent some time in Hawaii and left there just a day or so before the arrival of his brother. He spent three weeks in New Zealand and the remainder of the time at New Hebrides. He, perhaps, would have been there yet, except for the fact that he had his fourth attack of malaria and was sent to the hospital at Mare Island, Calif. He is on a fifteen day leave and is thoroughly enjoying the short rest at his home here.

Aviation Cadet Herbert R. Beach, class of 43-B, has completed his basic training in December 1942 at the Army Air Forces Basic Flying School, Gardner Field, California. He has been sent to an advanced flying school to finish his pilot training.

We received a Christmas card this week from Burton Steiner who is stationed at the Navy Pier in Chicago.

We have enjoyed all the mail from "Our Boys in the Service" and this week we were pleased to get a copy of the camp paper "The Claiborne News" from Roy A. Alger who is stationed there. It is a very fine five column, 8 page tabloid.

Besides his wife he is survived by a two-day old daughter, Bonnie Lee, his parents, two brothers and two sisters.

Dance at School Friday Night

Everyone is invited to attend the dance at the Clarkston school on Friday night. This is one of a series of dances sponsored by the Clarkston Rotary Club. The school orchestra furnishes the music.

On account of everyone being busy this holiday season the committee in charge had decided to postpone the dance this week but so many requests were made that they were forced to change their minds. So, let's crowd the auditorium and have a good time with the young people. You know the music will be good because the school orchestra is improving each week and we wonder how they can get any better.

Literary Club Has Christmas Meeting

Mrs. George Slayton Was the Hostess

On Tuesday afternoon Mrs. George Slayton opened her home to the Clarkston Literary Club for their Christmas dinner and meeting. There was a splendid attendance.

At 1:30 a delicious cooperative dinner was served at two long tables centered with lovely arrangements of chrysanthemums and snapdragons. Flowers and Christmas decorations were used about the living-room.

Everyone named her favorite Christmas song and this made the Roll Call very interesting. A short business meeting was held. Mrs. Roy Blakeslee of Waterford gave a splendid review of the book, "Everyone's Lonesome". It was a beautiful story. The High School quartet, Mary Edgar, Helen Hodges, Margaret Ann Beattie and Norma Davison, sang three pretty numbers, "Silent Night", "Send Forth Thy Spirit" and "The Lord's Prayer".

Papers to Sell

The working together of men of good cheer is a symbol of Christmas at this time of year. Their unselfish efforts all thru the long day will help to make someone a little more gay, a little more glad. Will keep a child's heart from being too sad. So there's Slip and there's Dan, there's Arthur and Harry. Each doing a job to make Christmas merry. There's Bills and there's Freds and there's Seymour and Pete. With sacks full of papers to sell on the street, There's Bobs and there's Rays, there's Harolds and Joe. Each one doing his bit to put on the show. There's Ralph and there's Geo. and there's Earl and there's Ed. Whose actions speak louder than all that I've said, There's Durand and Jerry, there's Byron and Ron. With Gerald and Garnet to keep pushing on, To do the best job that has ever been done. The doing of which is a bag full of fun. But we need the help of the folks in our town In spreading the good cheer of Christmas around, Each coin that you spend for a paper today Each smile that you give each kind word that you say, Will help us old youngsters our message to tell While we're out on the street with papers to sell.

Christmas Program Presented Wednesday

On Wednesday night the music department of the Clarkston School under the direction of Mr. Walter Wainowski presented a Christmas program at the school. The setting was the living-room in a home on Christmas Eve where a mother and father with their son and daughter and a grandmother and grandfather were enjoying a little Christmas conversation when carolers were heard outside. The singing sounded so good to the family that the group was invited to enter and an evening of singing Christmas songs was enjoyed. Tableaux added to the impressiveness of some of the carols. To open the program an orchestra directed by Stanley Perrin played several selections.

Santa Claus will be there and requests that every boy and girl in the whole community be present, as he intends to have for each a present. A beautiful tree will be lighted and a program has been arranged, as follows:

Motion picture of a Christmas story, "A Child of Bethlehem".

Group singing, "Silent Night".

Arrival of Santa Claus in the little house, built on the auditorium floor. He will distribute gifts to a little boy who is sleeping there.

Santa will then appear and distribute a gift to every child who is present.

No admission charge, the program and all the costs have been taken care of by the club. The annual Christmas party for Rotarians will be held on their next regular meeting night, Monday, December 21st. Each man has drawn a member's name from a hat and it is his obligation to provide a present for this member. The present will be given with a short talk from each member to the one receiving the gift. Christmas songs will be sung and final plans for the Community Christmas party will be made.

The Board of Directors at their last meeting voted twenty-five dollars to help pay for the Christmas boxes, that have already been sent to every one in the service of our Country. The Home Front Committee found with the higher costs of articles, that they had a deficit after all the boxes were mailed and this contribution was made to help wipe out this amount.

Students Enroll In Junior Red Cross

More than 2000 students of Waterford township schools have enrolled in the Junior Red Cross this fall, according to Mrs. Perry Reynolds, chairman of the annual membership drive in the township.

Contributions from the ten schools totalled more than \$100.00 from sixty-five school rooms being awarded official Junior Red Cross banners by the Oakland County chapter. Mrs. Reynolds highly complimented students and teachers of the ten schools in the township, including: Drayton Plains, Waterford, Fourtowns, Newberry, Waterford Center, Hudson Covert, Clintonville, Stringham, Lambert and Donelson. Response was considerably greater than in the past.

The Junior Red Cross is a division of the membership of the American Red Cross, and schoolrooms are enrolled as groups, each student receiving an emblem, and the room given a poster, regular magazine and activity chart which suggests special work. Besides being cooperative in community activities, the Junior Red Cross assists in scrap drives, makes garments and articles for army hospitals, designs special menu covers for holiday dinners for both the army and navy and makes gifts for hospitals where servicemen are convalescing.

Trees for Christmas, But Candy Scarce

Santa Claus—and all the kids in Michigan—got a break the other day when three governmental agencies ruled that no restrictions be imposed this year upon the production, distribution and sale of Christmas trees. But the kids, and their mothers and fathers, will have to do without chocolate Santa Clauses, St. Valentine's hearts, Easter bunnies and eggs and other chocolate novelties. The War Production Board is prohibiting

their manufacture after Dec. 15, because of shortage of imported cocoa beans from which chocolate is made.

Troubles of the papa of two glamour girls. They squandered his money, ruined his sleep and made him a stranger in his own house, he complained, but his wife thought he was just an old meanie. THERE'S NO PLACE LIKE HOME

this Christmas Day!

Home is a long way from our men fighting in the jungles of Guadalcanal and the sands of Tunisia—yet not too far for thoughts and hopes to travel on Christmas Eve. But millions of other young men in uniform are closer to the ones they love and the places they want to be—near enough for fleeting visits home before they are called to far battlefields.
 Men on leave deserve first call on transportation—and get it. But because gasoline rationing for private motor cars has added so greatly to the civilian need for Greyhound service, the cooperation of every

traveler is more important now than ever before. You will find it more comfortable to take your trip before the heaviest Holiday rush—and to return after it's over. Voluntarily saving a bus seat for a soldier or sailor the week before Christmas—that's the American way. At the same time, you'll be aiding the buses to carry as many as possible of those who have reason to travel—both military and civilian.
 To help our boys get home, many of us can stay home during the Christmas rush season!

A few suggestions for wartime travel: go on mid-week days whenever possible—avoid holidays and rush periods—take less baggage than usual—get tickets and information in advance.

LIGHT

to help boost
WAR PRODUCTION

No added lamps—no additional electricity—but factory illumination **DOUBLED** by salvaging light! That's the story of the newest tool for increasing war production in plants large and small. Here's how it's done.

Men work better under good light. The easier they can SEE, the more they can accomplish—with fewer mistakes and less accidents. For improving general illumination, light salvaged is just as useful as light added—and it costs much less. How does one salvage light? With soap and water and a paint brush. Soap and water for removing dirt from grimy walls . . . fresh paint (white, cream, or similar shades) to lighten dark walls and ceilings.

Dark walls and ceilings, dark floors and furniture and machines all *soak up* light. If these are painted light in color, they REFLECT most of the light instead of absorbing it, immediately, and you "salvage light." One typical plant increased its light utilization 102 per cent without adding a single lamp bulb, simply by painting the walls and floors and ceilings a lighter color.

For helpful advice on any industrial lighting problem, Detroit Edison Lighting Advisors are at your service, without charge. Make use of their skilled assistance.

Keep Long Distance lines clear for war calls

Among the things we're asked to do without, this War Christmas, is the pleasant custom of making Long Distance calls to greet our friends.

As on other days, the wires will be crowded with war messages, and such calls cannot be delayed.

Therefore, on Christmas Eve and Christmas Day, please do not make Long Distance greeting calls, particularly to points outside of Michigan.
