VOLUME FOURTEEN

CLARKSTON, MICHIGAN, FRIDAY, JANUARY 8, 1943

NUMBER 19

## Survey of Nurses To Be Made in January

Early in January a survey of nurses will be made on double cards, the return half of which carries a questionnaire to be filled out and returned immediately. Replies to questions asked will not be treated as a commitment to serve. However, it may make possible an opportunity to help locally that may be directly or indirectly responsible for saving lives.

Nurses not receiving questionnaires, please send your name and address to the Headquarters Office, Michigan State Nurses Association in Lansing, Michigan.

Election of officers of the Pontiac District Nurse Association will be held Tuesday evening, January 12th, at 8 o'clock at Pontiac General Hospital. Mrs. M. A. Colosimo, President, will preside over the business meeting. The Pontiac district covers the entire Oakland County.

## Ann Barrows Is Seven Years Old

Ann Barrows, daughter of Mr. and Mrs. W. S. Barrows celebrated her seventh birthday on Monday of last week when she entertained a number of her little friends at her home from two o'clock until four.

During the afternoon the little folks had a good time playing games. Dainty refreshments were served.

Ann received many pretty gifts and the best wishes of her young friends.

Mrs. Robert Waters assisted Mrs. Barrows.

## Junior Literary Club Met in Drayton

Mrs. Harlan Oakes Was the Hostess

On Tuesday evening the Clarkston Junior Literary Club met at the home of Mrs. Harlan Oakes in Drayton Plains. Roll call was answered by telling about some outstanding gift that was received at Christmas.

After the business meeting Mrs. Earl Card gave an interesting paper on "How We Live in France". Dainty refreshments were served.

## Tin Cans Needed In War Production

Special Collection Centers Are Named in County

To facilitate the collection of tin cans—war production's prime salvage material at this time—53 specially designated collection centers have been established by the Oakland County Salvage committee, it was announced today.

The committee has named certain grocery stores to act as collection centers in communities where no other means of collection are available. Persons living in areas where organized collection drives are scheduled should wait for dates of pickups to turn their cans into the war effort. In other vicinities, persons would take the properly prepared cans immediately to the store in their neighborhood authorized as the collection center.

According to the committee, most communities in the county have already instituted regular collections and residents are preparing the cans properly and eliminating many of the unsatisfactory conditions which were encountered in earlier collections. Cans must be thoroughly washed, labels removed and both top and bottom of the can cut out. The cans then should be flattened with the end pieces inserted between the sides of the can and stored in a container so they will not rust.

Oakland county should produce this year many tons of the vital tin which can be removed at the detinning plants—22 pounds of tin is obtained from one ton of cans, and also cans which may be salvaged almost in full tonnage as steel scrap, the committee said. Arrangements are now being made for the large tonnages from institutions, hotels and restaurants.

Special collection centers in this area and the communities they will serve are:

Waterbury & Terry, Clarkston. Village Market, Clarkston. A. Jacober, Waterford. Mrs. M. Branston, 9419 Dixie highway.

D. W. Smith, Dixie highway. Samuel's Grocery, Davisburg. A. C. Wagner, Davisburg. E. C. Hayhow, Davisburg. McNeive Gas Station, R. F. D., Clarkston. Beebe Trading Post, Route 1, Davisburg.

Miss Velma McIntyre who is home from Washington for the Christmas vacation was a Sunday night visitor of Mrs. Pearl Urch and went with her to Detroit on Monday.

## Our Boys In The Service

Several letters from the boys in the service were received during the past week and we will share them with our readers. Besides receiving a beautiful folder of Duke University and Durham, N. C., from Leo DeClercq who is stationed at Camp Breckinridge, Ky., we received a lovely Christmas menu from Robert Berg who is in the U. S. Navy Hospital Corps School at Portsmouth, Va.

Dec. 29, 1942.

Dear Mr. Stamp: I have wanted to write this letter for some time to thank you for sending me the paper and now I have another reason for writing: to notify you that I will not be here after this week. I have been getting the paper for almost six months now, time has gone awfully fast for me since I have been in the service.

I have enjoyed every issue and especially so since I have been out here. Something like that always means more the further one gets away from home. I think you are doing a very fine thing for the men in the services, there must be a great many of them by now and no doubt is a lot of extra work for you. It's nice to read what the others are doing and where they are located. I hope that in another year we will all be home reading your paper there and for good.

I have been in training here for almost 4 months now and I have just this week of school left. When I got here and looked forward to the time ahead, it seemed like an awful long time but instead it has gone fast, mainly because they have kept us very busy.

This Boatswain's school is the largest of its kind and there are men here from all over the country, many of them with years of service behind them. We are slated to go back to the stations or ships from which we came but of course we won't know for certain until we get there.

After active duty starts for us again we expect to get our ratings. This school is different in that instead of getting our ratings when we finish we are recommended for one. It is up to the men who we are placed under to decide whether we have earned or deserve a rating (I hope it won't take them too long to make up their minds). We have received a very fine training and I believe better qualified to become petty officers. I have had courses in Seamanship, Piloting, Navigation, Charts, Regulations and laws, Boats, Signaling, Gunnery and Chemical Warfare. We go to classes five and a half days a week and get liberty from Sat. noon until Mon. morning.

I have spent my liberties seeing New York City and believe me it's a very large one. I still haven't begun to see half of it but have seen many interesting things and have had lots of fun. Their weather here has surprised me. I had always thought of New York having winters such as the one you are having now but instead it has been mild and lots of rain (I would prefer the snow myself). It didn't seem much like Christmas without it and being away from home besides but then we must forget our small complaints when we compare them to the ones the boys in the Solomons and Africa must have.

I hope this letter finds Mrs. Stamp and you in the best of health and spirits. When I become stationed permanently again I will send you my address so that I can keep up on the home town news. I received a very thoughtful and useful box from the Ind. Home Front Committee and wish to thank all who were responsible for it. Many others here received similar boxes and they brought the Christmas spirit a little closer to us. Again I want to thank you for your fine gesture.

Sincerely,  
Bill Parker

Edward Thomas Grahl 526 Co. 5, sect. H billet no. 236 Navy Pier Chicago, Illinois Dec. 31, '42

Dear Mr. Stamp: I have received your interesting paper regularly and it has been greatly appreciated.

I would also like to thank the members of the Independence Township Home Front Committee for the nice Christmas box. This was quite a surprise as well as being a swell gift.

I am stationed at the Navy Pier in Chicago for the schooling of Aviation Machinist Mate.

Our company has been on K. P. for the last two weeks but Saturday is the lucky day when we finished.

I had my boot training at Great Lakes and from there qualified and was shipped to school the 17th of December.

In school we have the finest equipment and are taught plane structure, fabrics, drawing and major overhaul-

## Another Local Girl Enlists For Service

The appointment of Miss Bettieann Comstock, daughter of Mr. and Mrs. Benjamin H. Comstock of Clarkston, to the Army Nurse Corps with relative rank of second lieutenant has been announced by Major General H. S. Abrand, commanding general of the Sixth Service Command with headquarters in Chicago.

BETTIEANN COMSTOCK

Miss Comstock left Clarkston on Saturday to start her duties in the Percy Jones Hospital in Battle Creek.

Bettieann graduated from the Clarkston High School in the class of '38 and from the Mercy College of Nursing in '41. Following her nurse's training she worked as the night supervisor of pediatrics at the St. Joseph Mercy Hospital in Pontiac for about ten months when she went to the Mel-drum plant of the Briggs Manufacturing in Detroit as an industrial nurse.

A week ago Monday night Bettieann was initiated into the Joseph C. Bird Chapter, O. E. S. The chapter presented her with a lovely white Bible which she was very proud to take with her. She received many other lovely gifts from her parents and her many friends.

Just received a line from Bettieann yesterday. She says she is fairly settled in her new home and everything is just grand. She feels quite sure that she is going to enjoy her work and she is quite happy to be so near Clarkston, at least for a while.

The people of Chicago really treat the service men swell. We have several service men's centers and U. S. O. clubs which help in entertainment a great deal.

That is all from here so thanks again and wishing everyone the best of '43 I remain,

Gratefully yours,  
Edward Thomas Grahl.

Dec. 27, 1942.

Dear Friends of the Home Front Committee:

I wish to thank you for the lovely Xmas box. It arrived in plenty of time for Xmas, and was in as good condition when received as when packed.

I wish to thank Mrs. Lee Clark especially for packing my particular box, and all the rest of the people who took part in the preparation of the boxes.

I am sure that all the boys who were sent boxes appreciated them as much as I.

Your friend, one of your representatives serving for our God and our country.

Pvt. Henry F. Hoyt.

Clark Souly was home for several days last week. He is feeling fine. He was kept quite busy while here, so he said, just before leaving, that if he had missed seeing some of his friends he was sorry but he knew they would understand.

Lt. (jg) B. C. Rasmuson has changed his address. He would like his friends to write. Call his mother, phone 4977, or this office, 4321, for his new address.

Word from Robert Johnson says he spent Christmas Day in the hospital. Robert left Clarkston just a few days after he had recovered from pneumonia. He caught cold and was sent to the hospital. He is getting well and hoped to be back into training very soon.

King McIntyre left Pontiac on Wednesday afternoon for Ft. Custer. King expects to be in the finance department, Quartermaster Corps. Of course he did not know just where he would be stationed. He was the dinner guest of the Clarkston Rotary Club on Monday night.

## Dance Postponed

The dance in the Clarkston School auditorium tonight sponsored by the Rotary Club has been postponed until Saturday night, January 9th from 9 until 12 o'clock. Circumstances forced the Rotarians to change their plans. This is basketball season for the schools and many of the musicians are on the local team and games are usually scheduled for Friday nights.

## Seymour Lake Country Dinner

The Ladies of the Seymour Lake Methodist Church will serve a dinner, country style, all you can eat, at the Church House Wednesday, January 13th at noon. The public is cordially invited.

The Clarkston Red Cross Club will meet at the Township Hall in Clarkston for work on Monday of next week instead of Tuesday. The time, 1:00 p. m., will remain the same. Remember that date, Monday, Jan. 11th.

## Obituary

Ellen L. Clark

Mrs. Ellen L. Clark, aged 91 years, passed away at the home of her son, Wallace Clark, just north of Clarkston, on Monday morning after a two-year illness.

Mrs. Clark was born in Groveland Township on October 2, 1851, the daughter of Mr. and Mrs. Hiram Maltby. She was married to Wilder Clark, who died in 1940, and since then she has made her home with her son. She lived her entire life in Oakland County.

She is survived by her son, one grandchild, a sister and a brother.

The funeral service was held at the Ogden-Kennedy Funeral Home on Wednesday afternoon with the Rev. Pratt of Ortonville officiating. Burial was in the Ortonville cemetery.

Jan. 3-43

Dear Mr. and Mrs. Stamp: I have received two copies of the Clarkston News and it is really swell to read a paper from home and find out how everyone is and what they are doing.

I like the Navy real well and it's doing wonders for me. I've gained weight on their food and feel really up to par. I'm going to radio school to be a radio technician. It's hard but I am learning a lot.

I want to thank you a lot for the News because I really enjoy reading it. We get liberty quite often and I have one this afternoon.

I'll thank you again for the News.  
Yours,  
Seaman Richard Craven

Dec. 13-42

Independence Township Home Front Committee:

I received your package yesterday. I want to thank you very much for showing your appreciation to the men in the service.

The boys and myself enjoyed the package very much. Of course we are just one big happy family fighting for the same cause so we share and share alike.

The Marine Corps is a very fine outfit and I find it a pleasure to work with such a swell bunch of men and officers.

There are a lot of things I could say about this beautiful island I am located on but the censor may strike some of it out. So I will just say thank you and hope the war will be over soon.

Yours respectfully,  
Pfc Wilson J. Denton, U.S.M.C.  
Anyone wishing Wilson Denton's address can get it by calling the News office.

Mrs. James Young was thrilled on New Year's to talk by phone to her son, James, who is in the armed forces.

Stanley Beemer, son of Mr. and Mrs. John Beemer, enjoyed a short furlough at his home here. He is feeling fine although working hard.

George Miller is now stationed at Ft. Belvoir, Va., where his cousin, R. M. Wille is a Captain.

Sgt. Arthur Keeley who is stationed at Tucson, Arizona, received his box from the Home Front Committee and was greatly pleased. He wishes to thank the committee and wants every member of the committee to know that the box was appreciated.

Aviation mechanic Ernie Esper has returned to his station after spending a five day furlough visiting with his friend Air Cadet Bill Cobb. Since enlisting two years ago Ernie has had training in several schools. He also had some experience piloting the Normandie in New York Harbor. Ernie's furlough was not long enough to allow him to visit his parents in Dakota but he did enjoy seeing his many friends here and in Pontiac where for some years he was employed at Yellow Cab.

## Clarkston P. T. A. To Combine Meetings

At a meeting of P. T. A. committee this week it was decided, on account of gas and rubber conservation, to combine the January and February meetings. So, the next P. T. A. meeting will be held on Wednesday night, February 17th. There will be a fine program planned and it is hoped that everyone will keep the date in mind and plan to attend.

## Papers 100 Years Old Brought to News Office

Last week Mr. Charles Simerson of Davisburg called at the News office and left for our inspection two newspapers over one hundred years old. These papers, "The Philadelphia Saturday Courier", were received every week by Mr. Simerson's father. He subscribed to this paper because it was devoted to Literature, Science, The Arts, Mechanics, Agriculture, Health, Domestic and Foreign Intelligence, Education, &c.

The front pages of both of these papers is devoted entirely to Literature. They are both four pages with eight columns and the type is very small. One is dated February 18, 1837 and the other is May 28, 1838. One article from England was very interesting. It read in part: "The snow storm which occurred in England between the 24th and 26th Dec., was one of the most severe ever experienced. Drifts were from 10 to 15 feet deep. The mails were entirely interrupted in every direction. The carriages and horses were blocked up in the snow, and in many cases extricated with extreme peril.

The non-arrival of the mail at Crawley induced the Postmaster there to send a man in a gig to ascertain the cause on Monday afternoon. No tidings being heard of man, gig, or horse, for several hours, another man was despatched on horseback, and after a long search, he found the horse and gig completely buried in the snow. The man was in an exhausted state. After considerable difficulty the horse and gig were extricated and the party returned to Crawley. The man had learned no tidings of the mail, and refused to go out again on any such exploring mission."

## To Pick Hundreds For War Farming

Hundreds of topnotch farmers including individuals in every county in the state where rural war production has been above average are to be named and honored as a special feature of the 1943 Farmers' Week at Michigan State College Feb. 23-4.

In Oakland county, nominations with descriptions of noteworthy 1942 productions of foods and feeds grown in this county are to be received from local war clubs, A.A.A. community committees and others, and then approved by the county war board before Jan. 9, according to Karl D. Bailey, county agricultural agent.

No set standards have been devised for selections. E. L. Anthony, dean of the college's agricultural division, suggests that farmers known to have produced 300 bushels of potatoes to the acre, 18 tons of sugar beets to the acre, 80 bushels of shelled corn to the acre, 190 egg-hen average, 350 pound butterfat average in the dairy herd, large yields of muck crops, effective meat and wool production or outstanding work in producing food for the family comprise those with achievements deserving honor.

Recognition of the farmers will serve as a keynote for stimulating necessary production in 1943. Special invitations will be issued to farmers selected to get them and their families to attend the Farmers' Week program.

Another recognition program, in which county war boards will participate involves a nationwide plan to pick a typical wartime farm family in every county in this and other states. Activities of the entire family in food and feed production and community wartime service are to be honored and publicized as a sample of what will be needed in 1943 to attain the volume of production and service necessary to the war effort.

## Farmers Attention!

Jan. 12—Farm Mobilization Day is to be observed on a nation wide basis. Independence Township War Club Board invites all farmers to meet at the Township Hall in Clarkston—date, January 12—time, 2:30 p. m.

Forms are to be distributed which one must fill out in order to buy fencing and farm equipment this year. A coast to coast broadcast will be heard. Everyone please tell his neighbors.

Kathryn M. Stickney, secretary

## Methodist W.S.C.S. Met Wednesday

The Women's Society of the Methodist Church has divided the membership of the organization into four circles known as the Marthas, Marys, Priscillas and Dorcas. Actually the basis of the division voted at the January meeting was geographical, Washington Street running east and west, and Main Street running north and south are the lines of demarcation for the four circles.

All the members of the society will gather for a general meeting quarterly at the Church with a dinner and special missionary program and speaker. At the quarterly general meeting the reports of the circles will be given as to their activity, members present, calls upon the sick, new members, missionary study work, and their special church project.

In February when the circles meet for the first time, a chairman and necessary officers will be selected for each circle.

## Armed Forces Need Registered Nurses

Five thousand registered nurses are needed urgently for duty with the nation's armed forces. The Oakland county chapter, American Red Cross announced today that it is recruiting nurses for military service. Miss Mildred Marshall heads the chapter recruiting committee and is aided by Mrs. Avis Green and Mrs. Stanley Rogers. Miss Marshall is a member of the District Nurses association.

The Red Cross will have a nurse recruiting booth in downtown Pontiac and also give information to nurses at Chapter headquarters, 12 Seneca street, Pontiac. The volunteer recruiting staff will receive instruction from Mrs. Mary Burke at three classes next week.

## Wedding Vows Spoken Last Saturday Evening

The Seymour Lake Methodist Church was the scene of a colorful wedding last Saturday evening at 7:30 when June Jessie McIntyre, daughter of Mr. and Mrs. Lee McIntyre, and Harold J. Feldmann, son of Mr. and Mrs. John Feldmann of Oxford, spoke their vows.

The rites were read by the Rev. W. Harold Pailthorpe before an altar graced with palms, candelabra and white flowers.

The bride, who was given in marriage by her father, wore a Victorian styled ivory satin gown. Her long veil was caught to a tiara of seed pearls and her flowers were calla lilies. Her only jewelry was a strand of pearls.

Velma McIntyre of Washington, D. C., sister of the bride as maid of honor wore a yellow marquisette gown with lace trim and a matching veil. The bridesmaids, Loretta and Vera Feldmann, sisters of the bridegroom, wore pink and blue gowns respectively with matching veils. Their flowers were purple iris. Barbara Archer of Pontiac, cousin of the bride, was the flower girl. She wore a blue gown with a pink tiara and carried a basket of sweet peas.

William Katch of Oxford assisted Mr. Feldmann as best man and Donald Carlson and Russell Tolfree of Oxford were groomsmen. Sanford Rus of Almont, Ralph Jones of Clarkston and Ray Bromley of Lakeville seated the guests.

Mrs. William Mansfield of Clarkston sang "I Love You Truly" accompanied at the piano by Mrs. Clark Miller of Seymour Lake.

Following a reception at the home of the bride's parents the couple left for a honeymoon in northern Michigan.

Guests were from Oxford, Clarkston, Drayton Plains, Pontiac, Detroit, Washington, D. C., and Ontario.

## The Testing Pot

In cupolas where steel is made ingredients are deftly weighed. The metal hot from furnace chilled is bent and wrought, and shaped and milled,

Then long before a piece is used by grueling tests it is abused, And measured by a critic's scale To prove that it will never fail When placed in some strategic spot That it will hold and waver not.

The human soul we like to feel Is not unlike the piece of steel, It too must pass the critic's test And found to be the very best, By strength of heart and will displayed.

To fill the job that God has made, And those who brave the testing pot, With steadfast faith and waver not, Will gain the coveted reward To be of service to the Lord.

**Waterford**

Mr. and Mrs. George Chapman of Andersonville Road observed their sixty-third wedding anniversary on Wednesday of last week. They are life-long residents of Waterford and are both eighty-six years of age. They have two children, a son, Claude, at home, and a daughter, Mrs. Bertha Plumb of Pontiac.

Mr. and Mrs. William Gillespie Sr. of LeRoy St. observed their fiftieth wedding anniversary on Dec. 31. They are the parents of three daughters, Mrs. Elizabeth Campbell and Mrs. Christina Brown, both of Waterford, and Mrs. Jean Robertson of Detroit, and three sons, William Jr. and James of Detroit and John of Waterford. They have lived in Waterford fourteen years.

The Adult Bible class will meet on Tuesday evening at 8 o'clock at the home of Mr. and Mrs. Charles Maxwell. The roll call word is "Life". The business meeting will be in charge of Mrs. Ernest Stevens.

David Mephram Jr., son of Mr. and Mrs. David Mephram of Hatfield Drive, left Monday for service in the Navy.

Kenneth McVittie, son of Mr. and Mrs. Kenneth McVittie Sr. of Andersonville Rd., left Wednesday for training in the Army Air Corps.

Mrs. Fred Tuck is attending the Business Institute in Pontiac.

Mrs. George Attwater and children spent several days of the past week at the home of her parents in Pontiac.

**Drayton Plains**

**Mrs. Helen Ayers Dies**  
 Death visited the home of Ernest Ayers, 4271 Dixie Highway, Drayton Plains, when Mrs. Ayers passed away Sunday afternoon.

Mrs. Ayers was the daughter of Mr. and Mrs. Delbert Skinner of Davisburg, born on September 4th, 1892. On January 3rd, 1909, she was married to Alfred (Ernie) Ayers in Detroit, Mich. For the past several years they have lived in Drayton Plains.

Besides her husband she leaves two sons, Delbert of Pontiac and Pvt. Alfred Ayers, Fort Belvoir, Va.; two daughters, Mrs. Helen Terry of Leonard and Mrs. Ella Napersky of Pontiac, and two brothers, Earl, of Dunkirk, N. Y., and Sidney of Holly.

Mrs. Ayers was a member of the United Presbyterian Church of Pontiac, and the Women's Auxiliary of the V. F. W. Post No. 1307.

The funeral was held in Farmer's Funeral Home, Pontiac, last Wednesday, at 2:30 p. m., with Rev. Andrew S. Creswell officiating. The Women's Auxiliary had charge at the Drayton Plains cemetery.

**First Drowning of the Year Occurs on Monday in Drayton Plains**  
 Jimmie Seth Brown, four year old son of Mr. and Mrs. Elwin Brown, 4195 South Drive, was drowned Monday noon when he was playing on the ice on the Clinton River back of his home. The ice broke and he fell in, drifting down the river to near the Fish Hatchery, where the little body was lodged in the branches of a tree. He leaves, besides his parents, two brothers, Frank and Elwin Brown, at home. The funeral was held in the Community United Presbyterian Church last Wednesday afternoon at 1:30 with Rev. C. J. Sutton officiating. Burial was in the Perry Mt. Park cemetery, Pontiac.

**Drayton Plains Watch Night Services**  
 Watch Night Service was held last Thursday night when nearly one hundred gathered in the Community United Presbyterian Church to enjoy the services of the going out of the Old Year and the coming in of the New Year. The program started promptly at 8:30 with the singing of spiritual songs by Prof. Archie Har-

**Clarkston Locals**

Mr. and Mrs. W. S. Barrows entertained at a Barrows' family dinner on Christmas Day. Guests were from Swartz Creek, Davison and Ann Arbor. Mrs. Lavina Barrows spent Christmas and the week-end here.

Mrs. Pearl Urch's home was the meeting place of the family on Christmas. Mr. and Mrs. Clarence Howland and son of Detroit were guests and Mrs. Howland stayed for the week-end.

**Dirt Farmer's Gratitude**

As we think back down thru the years Of time, we find that it appears It had been long since we'd been down To mix with folks in our home town, And we had thought perhaps that they Had got so set in their own way Of life, that they no longer cared Just how we country people fared. We'd heard of Rotary in town And how they'd spread themselves around, Yet little thought they'd give a cuss For plain farm people just like us. So just imagine our surprise When like the manna from the skies, We were invited to their dance "And not by pure happen stance." Before the party had begun We knew we'd have a barrel of fun, And all the people who were there Had left behind their worlds of care, Every Rotarian intent On showing us how much we meant To him, in this life he leads And how each one the other needs. In these few lines, we wish to state How much we folks appreciate, The thought that there is something grand When all of us can clasp a hand. And let no unseen barrier mar The thoughts of being as we are, Just one big family town and farm Working together arm in arm.

**Drayton Plains**

Born to Mr. and Mrs. Bernie Gould a son in General Hospital, Saturday evening, December 26th.

Mrs. Floyd Werner and daughter, Beverly, are recovering from an attack of the flu.

Mrs. Charlotte Hall left last Wednesday for Dundee, Mich., where she will spend several weeks with relatives.

Mrs. Nettie Zollner of Pontiac is spending several days with Mrs. Myron VanSyckle while Mr. VanSyckle is confined in the Pontiac General Hospital. Mr. VanSyckle underwent an operation last Monday, December 28th.

Charles Jankawske and Bill Hendrickson have returned to the Teachers' State College at Mt. Pleasant, Mich.

**You wouldn't paint piano keys mahogany—**

**Why CAMOUFLAGE your factory machines?**

Piano keys would be difficult to see if they were painted mahogany or walnut, in the same shade as the rest of the piano. But a white and black keyboard provides perfect CONTRAST to make seeing easy and guide fingers quickly and surely.

Why isn't color contrast a good idea for FACTORY MACHINES, where output depends on nimble fingers and the speed and accuracy of machine operators? Actual tests made in industrial plants show that the theory really works: production is increased, errors are cut to a minimum, and improved vision greatly reduces accident hazards.

How is all this accomplished? First, by removing the solid drab color that cloaks most factory machines—the monotonous dull green or gray or black that blends into a solid mass and "camouflages" the working areas from the worker's eyes. (Painting the "danger area" a lighter color provides sharp contrast between the machine and the metal being fabricated.) Second, brightening drab walls and floors and ceilings with a light-colored paint to banish gloomy interiors. Third, furnishing GOOD LIGHT to assure speedy, accurate vision and guide hands safely in their tasks.

For the most effective use of light and color contrast in your plant, let our Detroit Edison Lighting Advisors help you. There is no charge for their services. Call your nearest office, Lighting Division, The Detroit Edison Company.

**THREE CHEERS FOR YOU from our men in uniform!**

*And thanks to you from Greyhound*

★ **for postponing your trip until after the Holiday rush** ★

Thanks to you, a most critical period in wartime bus transportation has been passed with flying colors.

Just before Christmas, Greyhound asked you to "Give your Holiday trips to men in the service". And you who have learned to depend upon Greyhound for travel responded wholeheartedly.

Because you postponed such trips, thousands of men and women in the armed forces were able to go home by bus for Holiday leaves and furloughs. They thank you for the precious hours spent with loved ones — and Greyhound thanks you for cooperating so patriotically.

While helping men in uniform, you also made travel smoother and more convenient for war workers and others

whose trips could not wait. It's cooperation like this that makes it possible for Greyhound and other bus lines to carry on the tremendous mass-transportation job so essential to winning the war.

Now that the Holiday rush is past, Greyhound will make every effort to see that the service you count on is available when you need it—and with all the comfort and convenience that war conditions will permit.

We suggest, however, that you phone or call on your Greyhound agent well in advance of any trip. He can help you choose days and schedules that will be most convenient for you—and best for wartime travel.

Since the calendar says that we are beginning a new year, the teachers and students have decided to bury the hatchet and put away their grudges.

One of the main things which is to be created this year is more work. Of course the students feel that they have already been studying hard but according to the teachers they are going to study even harder.

Each student realizes, however, that

since the war has broken out, we need an education more than ever before.

The new year promises much more work and also more entertainment even though we haven't gasoline and tires. The school promises to keep up a steady flow of entertainment along with a good education.

**NINTH GRADE NEWS**

The ninth grade home room has a new teacher. She is Miss Vincent from Belding, Michigan. We sincerely hope that you will like Clarkston,

Miss Vincent. We like you and we know you will prove as well liked as Mrs. Barrows.

The '43 spirit is evident in our room—our guess is that some resolutions were made this year.

John Atkins

**10TH GRADE NEWS**

We are all fresh, happy, and raring to go now that we are back from our vacation.

We found a new teacher greeting us when we got back, Miss Vincent who instructs our World History Class.

The last week of last year Mrs. Ralph Thayer kept us in order very well while Miss Piatt was gone on an early vacation. I'm sure Miss Piatt appreciated someone watching over her meek little lambs. Anyway they did.

Miss Tew our English teacher asked us to write a theme on the gifts we received for Christmas, or what our New Year's Resolutions were. The resolutions looked good on paper now I wonder if we can keep them. I believe it if we concentrate on it.

By your "T" reporter  
"T" stands for "Tiptop Tee"

to present claims against said estate.

It is Further Ordered, that the first day of March 1943 at nine o'clock in the forenoon, at said probate office, be and is hereby appointed for the examination and adjustment of all claims against said deceased.

ARTHUR E. MOORE,  
Judge of Probate.

**KROGER SELF-SERVE MARKET**

**"What on earth has a battleship got to do with my cooking?"**

**JACK:** Plenty, Mom... plenty! They tell me down at the Navy yard almost everything that goes into making those babies is cooked with Gas.

**MOTHER:** Cooked? What do you mean cooked...

**JACK:** Heat-treated... to give the metal proper toughness. For instance, Gas cooks armor plate so it will shake off big shells and not shatter under gunfire. And the steel for tanks, guns, planes and bombs... they're all cooked with Gas!

**MOTHER:** But why Gas?

**JACK:** Why Gas! You ought to know... because it saves time and money makin' a battleship—just as it saves you time and money cookin' a meal!

**MOTHER:** So that's why they say we may be asked to conserve Gas for home use this winter.

**JACK:** That's it, Mom... Gas is mighty important stuff, and they need lots of it to win the war!

**MOTHER:** Well, if I can help... I'll be glad to do my bit.

**JACK:** Now you're cookin' with Gas... Mom!

\* 85,000,000 Americans depend on Gas to save time, money and food in cooking... to preserve food safely in silent Gas refrigerators... to heat water and homes. That's why they've made the Gas Company community headquarters for cooking and nutrition information! If you want the latest advice on these all-important subjects... consult your Gas Company.

**GAS**

is vital to war production... use it wisely!

**CONSUMERS POWER COMPANY**

Buy War Bonds today—save for the Certified Performance Gas Range of tomorrow.
