CLARKSTON, MICHIGAN, FRIDAY, MARCH 19, 1943

NUMBER 29

Would You Like A Free Cup of Coffee?

To Be Served at the Clarkston School On March 29th

Yes, you will get a free cup of coffee at the Clarkston School on Monday afternoon, March 29th, if you are one of the blood donors giving one pint of blood to help save the life of the boy or girl in active service on some far away battlefield or out at sea. We need 200 donors from this district. So far there have been 58 volunteers. If your name is not on this list of 58, you are asked to call Clarkston 4221, at once, in order that the time schedule can be arranged and published in this paper next week. Transportation will be provided for those who wish it.

If you have listened to the stories, told on the radio, by some of the boys who have returned from the battle front on land and sea, then you perhaps have some idea of the importance of blood plasma. Our casualties would mount rapidly if it wasn't that the folks on the home front are anxious to do their part, not only in money and work, but by giving of themselves. The Red Cross is making it possible for you to donate blood to save the lives of those who are fighting so that you can keep on being Americans.

When the Red Cross brings this mobile bank to Clarkston on March 29th it will bring along a corps of nurses. The very best of modern equipment will be used and this community is fortunate in that it has several local nurses who are always on hand to do whatever is required of them. Everything is done in a very capable manner and the donor receives the very best of care. Competent women will be at the school to see that the donor is served a lunch. All in all, the whole program is planned so efficiently that one immediately gets the feeling of safety and realizes that it is a real privilege to be able to help in this great humanitarian way.

Make sure that your name is on the list of donors for March 29th. Call Clarkston 4221 or leave your name at the Clarkston State Bank or at O'Dell's Drug Store.

Home Nursing Classes To Start Soon

Now that the wintry weather is almost over Home Nursing classes are being planned. The classes will meet at the Masonic Temple. Those wishing to register for the course are asked to contact Mrs. Durand Ogden, phone Clarkston 2366.

Girl Scout News

The Girl Scouts are going to see if they can each get a pin by being present at each meeting for a year. We received a letter from the Ford Motor Co., thanking us for all the books we have collected. We are trying the quilt for the Red Cross and hope to have it completed soon. Mary Porritt, Scribe.

If you have a blackboard, a child's blackboard, or any kind that you would care to loan to the Consumers Interest Chairman for the Township you are asked to contact Mrs. Mallory Stickney, phone Clarkston 4296.

Our Boys In The Service

This week Mr. and Mrs. L. H. Kittredge received a letter which might be very interesting to many of our readers.

Headquarters
Army Air Forces Gulf Coast
Training Center
Office of the Commanding General
Randolph Field, Texas
March 12, 1943

Mr. and Mrs. Lee Harvey Kittredge
6140 S. Main St.,
Clarkston, Mich.

Dear Mr. and Mrs. Kittredge:
In a memorandum which has come to my desk this morning I note that your son, Lee, now an Aviation Cadet, has been especially selected for training as a Bombardier in the Army Air Forces.

In order to win this war, it is vital to have the best qualified young men at the bombsights. Upon their precision, accuracy and coolness will depend in large measure the success of our entire war effort.

Bombardier work particularly calls for a high degree of mental and physical alertness, keen vision and unusual manual dexterity. Men who will make good material for training as Bombardiers are rare. The Classification Board believes your boy is one of them. In addition, the Board feels he has the reliability to be entrusted with the carefully-guarded secrets of the famous U. S. Army bomb sight.

If he shows the progress we confidently expect of him, he will in all probability win his wings as a qualified Bombardier. Considering the rigid requirements for this training, you have every reason to be proud of your boy today. I congratulate you and him.

Sincerely yours,
Warren R. Carter,
Brigadier General, U. S. Army,
Commanding.

March 14, 1943

Dear Mr. Stamp:

We are having a swell day down here in Virginia. The sun is shining and the birds are singing. It's a regular June afternoon; so quiet out you would never dream that a war was going on.

Norfolk is a poor liberty town but I'm sure that most of the fellows would trade places with me for a while. I would be willing to trade because so far I haven't had a crack at the Hitlerites or the Japs and I sure would like at least one.

I guess all of the boys here in the States are itching to get into the battle zones and maybe our chance will come yet.

I suppose that by now you know that I was hit by a bus on December 7 and was in the hospital for six long weeks but I came out O. K. Just had a broken collarbone, so I guess it takes more than a bus to put me out of commission. I know that if a bus going 25 an hour can't do it the Japs can't.

I sure like to read the Clarkston News. A fellow gets kind of lonesome for the home news when he gets out here with strangers. The fellows here swap hometown papers, so we get a look at their home papers as well as ours.

Well I will close for now and look for the next issue of the Clarkston News.

So long for now,
Ernest O. Hazlett

Lewis Warden is home from Florida on a short furlough.

Edwin Beattie of Columbiaville and Clarkston, an aviation cadet, spent a day or two here the first of the week.

William "Bill" Parker, who is with the Coast Guard, is spending a short furlough in Clarkston with his parents.

Stanley White who has been stationed at Ft. Devens, Mass., for many months is ill and confined to the hospital there.

George Miller, son of Mrs. Iva Miller, is graduating from Officers' Training School at Ft. Belvoir, Va., this week as a second lieutenant. George expects to come home this weekend for a short leave.

Clarkston Locals

Mrs. Stanley White is spending a short time with her mother, Mrs. Iva Miller.

Mallory Stickney of Pine Knob Road has gone to Ionia to inaugurate a farm-wood-lot forestry project for the Michigan State College Extension Service. He expects to be away at least three months.

Have you noticed the bulletins posted in the Clarkston Post Office? It would be worth your while to read them. You will find many timely hints on gardening, conserving of food, etc.

Red Cross Drive Over the Top

In Clarkston and Independence Township

Our quota for this district was \$1,476.00 and Robert C. Beattie was selected by the Oakland County Red Cross Committee to be the Chairman for Independence Township, which includes Clarkston. The campaign was to run for the month of March and it will require that much time for the entire County canvass. On March 1st, Mr. Beattie met with the members of the Independence Township Home Front Committee, who were already organized by reason of their work in the past with Scrap Drives and their very fine work in sending to every one in the service a Christmas Box.

This Committee, which is composed of members from every organization in our community, was enthusiastic in their support of this very worthy cause. They, together with some very public spirited individuals who were present, worked out a plan that would have every one in the Township contacted, by a worker, for his or her contribution. Fortunately the district had been divided in advance by the workers of the Home Front Committee, so little time was lost at the meeting in assigning each group a territory. Mr. Beattie was well prepared with all the necessary forms and pledges to be signed by the contributors and in less than an hour's time, the meeting adjourned with the Township to be covered in two weeks.

In spite of the weather, gas rationing, and many demands on the time of all, the end of the first week showed very clearly the success of the drive, we were well within the goal of our quota.

In order to have a check up on the whole County drive a meeting was called for last Saturday in Pontiac and we were able to report then our being well over the quota.

By Thursday noon we had collected a total of \$1938.00 which included an allotment of \$420.00 from the General Motors Corporation to cover the employees of that organization who are residents of this Township.

We are not yet in a position to make known much of the details of this wonderful spirit of the people of this community, when there is a job to do; about the ones who solicited in their territories, or the ones who were on duty in the Clarkston State Bank, or even the Bank in its efforts to help with their full facilities, and the Merchants who placed a call in their weekly advertisements. Everywhere in the Township, which is very appropriately named "Independence" there was that ever ready response from both the worker and the donor, which means only one thing—We do things and we do not forget the names of the Boys and Girls on that HONOR ROLL in our Village. The Red Cross is our agent of mercy to them and we have given more than they asked of us willingly, because the Red Cross will look after them.

A special meeting of the Independence Township Home Front Committee will be held in the Township Hall, Monday, March 22nd, at 8:30 p. m. Every member is urged to be present and any other person desiring to join this organization. Final reports are requested from each group on the Red Cross Drive. Come prepared to report in full all that you have collected. BE SURE TO BE THERE.

March 24th—Wednesday the Royal Neighbor Sewing Club will meet at the home of Mrs. John Alander. Members intending to be present are asked to contact Miss Ada Scrace or Mrs. Alander before the meeting.

Peace at Home

Our men on foreign shores must fight
And in their fighting have no choice,
But conquer everything in sight
Without a protest in their voice.

Let us hereby be resolved
As long as men in battles roam,
And in conflicts are involved
That there'll be peace with us at home.

We cannot govern foreign powers
Or regulate the lives they live,
But thanks to God the right is ours
Thoughts of peace at home to give.
An angry word can start a war
Where all is loss and none is gain,
Where few know what they're fighting for
And millions of our men are slain.

At church, at home or public school
To one and all let us extend,
The workings of the golden rule
Striving ever toward the end,
When hostile nations spend their might
And bombing of the people cease,
There'll be one star a-glowing bright
If we at home will live in peace.

Robert C. Beattie.

Noted Novel "The Robe" to Be Reviewed

The new and widely acclaimed novel, "The Robe" by Lloyd Douglas will be reviewed at the Sunday Night Lenten Service of the Methodist Church at eight o'clock by The Rev. W. Harold Pailthorp. This novel is at once the longest story written by Lloyd Douglas and easily the best of all the things he has written among which are "Magnificent Obsession", "Forgive Us Our Trespases" and "Green Light". As anyone might surmise, "The Robe" is the seamless robe of Jesus for which his killers threw dice to settle who would get it. The story is what happened to the Roman Tribune who first put it on, having won it, after it had been worn by Jesus.

Junior Club Met Wednesday

The Clarkston Junior Literary Club met at the home of Mrs. Charles St. John in Drayton Plains on Wednesday night. All members and the sponsor answered Roll Call with a joke.

After the regular business meeting two interesting papers were given: one given by Mrs. Gwendie Parkiss on "Blame it on the Weather" by Clarence A. Mills and the other given by Mrs. Gordon Parker on "Are You a Typical American Woman?" by Dr. George Gallup.

Dainty refreshments were served. The next meeting will be held at the home of Mrs. Guy Scott on Wednesday night, March 31st.

No Need to Wonder

Many folks about town have wondered how it is that Charles Robinson of Robertson Court could be so active. He is always willing to help with civic affairs, church or school projects and anything he can do about his home is a real pleasure. He is always cheerful and has a smile for everyone.

There is no need to wonder about these characteristics any longer. Charlie cannot help being this kind of person, because we understand that his mother, Mrs. Laura A. Robinson of Mt. Pleasant, who is 68 years old, is still studying at Central Michigan College and is one of the most active women in Mt. Pleasant civic life. She is president of her Sunday School class and an energetic church worker.

Mrs. Robinson was born in California. She attended Ferris Institute in Big Rapids and taught for several years in rural schools. In 1901 she married Prof. Frank W. Robinson, who is now head of the commerce department at the Central College and mayor of Mt. Pleasant. In 1904 Mrs. Robinson started her course in Manual Arts I and took her first baby to class with her. She took another course the following year and a third in 1923 and now she claims she will attend college until she gets a degree equal to the seven held by others in the family.

With this background how can Charlie ever stop?

Literary Club Elects Officers

The Clarkston Literary Club met at the home of Miss Ada Scrace on Tuesday afternoon for the regular meeting. The Roll Call was answered with an Irish joke.

Election of officers was held with the following results: president, Mrs. Glenn Howland; vice president, Mrs. John Shaughnessy; recording secretary, Mrs. Carl Irish; corresponding secretary, Miss Ada Scrace; treasurer, Mrs. C. H. Souby.

After the business meeting Mrs. Harlan Oakes of Drayton Plains gave an interesting account of a trip she made through the western States. To make the trip more interesting she showed colored movies they took along the way.

A Word to the People of Independence Township

It is with mixed feelings of gratitude and sorrow that I write this note.

I am grateful to the members of the democrat party for their expression of faith in me by placing my name on their ticket for Independence twp. two years, in succession without solicitation on my part.

I am sorry I must violate that faith by not seeking office. I am aware of the fact that it is the duty of each and every citizen to assume his or her share of responsibility in running the government of a democracy.

At the present time I feel there is no need for a change in the office for which I have been nominated and while I do not approve of running out on one's party, neither do I approve of needlessly disrupting the operation of an efficient office.

Respectfully yours,
Robert C. Beattie

Caucuses Held Last Saturday

Little interest was shown in the caucuses held last Saturday. Robert C. Beattie, who was nominated for the office of Treasurer on the Democrat ticket, has dropped out of the race, as per statement in this issue.

The candidates chosen are as follows:

Republican
Supervisor: Floyd Andrews
Clerk: Harold Doebler
Treasurer: Carrie A. Walter
Highway Commissioner: J. D. Ogden

Justice of the Peace: Ronald A. Walter
Constables: C. Hubbell, L. Sibley, E. Baker and F. Holcomb

Democrat
Supervisor: Roy Spencer
Clerk: Ward Dunston
Treasurer: Robert C. Beattie
Highway Commissioner: John Beemer

Justice of the Peace: Jos. S. Seeterlin
Constables: E. Garwood, H. Boice, C. Engel, C. Irish

Rotary Club News

The members of the Clarkston School Board will be special guests of the club. The program will be furnished by Mr. Winn, Supt., and students from the High School. This meeting was planned to bring a closer tie between members of the club and the school activities.

We hope to follow this meeting with others in the near future when the club will entertain, separately, the members of the Village Board of Trustees, the Township Board and the Firemen's Association.

On Wednesday evening last, Ronald Walter, Chairman of the Crippled Children Committee of the club, together with Earl Terry, Garnet Poulton, William Vliet, Ralph Marshall and Robert C. Beattie, attended a meeting in the office of William H. "Bill" Wilmot, where they helped to prepare sixty thousand pieces of mailing literature, covering the activities of this committee, for Oakland County.

The speaker for our last meeting was the Rev. H. B. Johnson, pastor of the Congregational Church, Oxford, Michigan, who gave an inspiring talk on Rotary in this war time. He was accompanied by Harold Campbell, President of the Oxford Rotary Club and Fred F. Stevens, Chairman of the Crippled Children Committee of the Oxford Club and Vice President of the County Committee. Special guests of the club were Edwin J. Beattie, who is a Naval Aviation Cadet, Coxswain William Parker, of the Coast Guard, who is home on a short furlough, and Byron Miller, also on furlough from How Military Academy, and Charles Carr, a visiting Rotarian, from the Detroit Rotary Club.

We extend a cordial invitation to any of our boys in service, who are home on a furlough, to have dinner with us on any Monday that they are at home.

Dorman-White Rites Read Saturday

Dorothy Jane Dorman, daughter of Mr. and Mrs. Louis Dorman Sr., of Waterford, and Pvt. Donald White, son of Mr. and Mrs. Burt C. White, of Detroit, were united in marriage Saturday evening at 6 o'clock in the Waterford Community church. The bride was attended by her sister, Mrs. Warren Weber, and Barbara Hood of Pontiac. The bridegroom was attended by Warren Weber, and Robert Draher was usher. The Rev. Robert Ibach officiated.

The bride, given in marriage by her father, wore white heirloom lace over white satin. She carried gardenias and roses. The matron of honor wore pink chiffon and carried carnations and roses. The maid of honor was in cornflower blue and also carried carnations and roses.

The bride's mother was dressed in blue chiffon with white accessories and the bridegroom's mother wore a blue silk print dress. Both mothers wore corsages of roses and sweet peas.

A reception was held at the Old Mill Tavern with 125 guests present. Out of town guests were from Marion, Indiana; Cincinnati, O.; Muskegon and Detroit.

Pvt. and Mrs. White left immediately after the reception for his post in East Hartford, Conn.

Supplies of essential garden tools, seed, and insecticides are reported to be sufficient to meet the needs of the expanded victory garden program, but there are none to waste, the USDA has announced. Wasting seeds, tools, fertilizer and insecticides is never desirable and in wartime is to be condemned.

Scrap Metals Are Desperately Needed

"The War Production Board has asked Michigan for a collection of 45,000 tons of scrap metal during the first six months' period ending June 30, and nearly all of this amount is to come from farms," T. S. Boyns, chairman of the Clarkston Salvage Committee, said today. "This means that we will need an average of 500 pounds per farm to reach this goal."

"The farm scrap drive is being held early in the year, so that farmers can have time to scour their farms thoroughly before the plowing and planting season begins. Every farmer or farm owner is being asked to collect all unusable scrap metal from the fence rows, ditches and barnlots and place it near the road, so that trucks may pick it up without delay. The collection will be made with volunteer trucks beginning April 5th."

Many folks in town are thinking of Spring housecleaning. During the next two weeks it would be a grand idea to search the basement, attic, cupboard and drawers or trunks for any old metal scrap that would help to equip our boys so that it will not be necessary for them to fight with their bare hands. Get together small metal parts such as locks, keys, door knobs, &c., anything that contains copper, brass, zinc, iron. A house to house canvass will be made soon. Watch for the date.

"Hitler's European fortress is still intact — Hirohito's is even tougher. Our boys have just started their offensives—we have just begun to fight. They need a continuous flow of ammunition and other war supplies to support them."

"Michigan still has a few piles of 'Reserve Scrap', but we must keep those piles growing. It is becoming more evident that we may have a long fight to do so we may require more implements of war than seemed evident not even a few months ago. We must not let down for one moment in any phase of the salvage program."

"This county did a wonderfully fine job in its salvage collection last Fall. Let's do an even better one this Spring. Let's make it possible to write our boys and girls at the front that we have done our part."

"We urge your wholehearted support to your local committee and workers who are donating their time and trucks to make this drive a success."

"Every pound will help, and it is desperately needed. It may save the life of a boy. It will hasten the day when they will all come back to their families. If snow and bad weather has kept you from making this collection, please do it at the earliest possible moment."

Remember . . . it is the wornout, idle scrap . . . not old farm machinery that can be repaired and put into service . . . or old parts that may be needed in the early future to make repairs . . . but the heavy scrap that is worthless to everybody except the Axis in its present form. A few pounds of this old scrap from your farm might supply the needed equipment or ammunition to win a decisive battle that could determine the future trend of the war. Let's make this a scrap clean-up that will be heard around the world, like that famous shot fired by our Minute Men forefathers at Lexington in 1775!

"We extend a cordial invitation to any of our boys in service, who are home on a furlough, to have dinner with us on any Monday that they are at home."

Clarkston Locals

Mr. and Mrs. Arthur Frank and daughter, Jean, of Ypsilanti, spent Sunday in Clarkston with Mrs. Elizabeth Rockwell.

Virginia Tondy, a student at Olivet College, is at her home here convalescing after undergoing an appendectomy at a Battle Creek Hospital a couple of weeks ago. She will remain at home until after the Spring vacation.

Welch; member of the board of review, Frank Dolan; justice of the peace to fill the vacancy created by the enlistment of Donald E. Adams in the naval reserve, Elizabeth S. Adams; justice of the peace for the full term, Paul Wright; constables, Fred Smiley, Eddie Fox, George Mize and Arnold W. Hardley.

The Democratic township committee elected by the caucus includes Mrs. Donald E. Adams, Mrs. Clark J. Adams, William Van Zandt, Fred Smiley and Ralph Doughty. Clark J. Adams, who presided at the caucus, called particular attention to an amendment to the constitution which will be submitted to the electorate this spring providing for the extension of the term of most township officers to two years.

At the Waterford township Republican caucus held Saturday, the following nominations were made: Supervisor, Norman Roth; clerk, Alex Lindsay; treasurer, Keith Riley; highway commissioner, Frank Mack; justice of peace, Walter Barningham; for unexpired term, Lloyd E. Gidley; board of review, Marshall Smith; constables, Glen Featherston, Ed Smith, Martin Donahue and Ronald Hardley.

The Birthday Club met on Monday for a 1 o'clock luncheon at the home of Mrs. Otto Duguid on Dixie Hwy. with twelve members present. The afternoon was spent sewing.

Clarence Woodruff who has been a patient in Alexander Blaine Hospital, Detroit, returned home Thursday of last week.

The O. D. O. Club will hold their regular monthly meeting on Thursday afternoon at the home of Mrs. Otto Duguid.

Mr. and Mrs. Rodney Dory of

Drayton Plains were dinner guests at the home of Mrs. Emaline Hurd on Saturday.

Auxiliary Alma F. Bluhm has begun training at the WAAC training center, Fort Des Moines, Iowa.

Mrs. Walter Watson of Williams Lake entertained a group of friends and neighbors recently in honor of Mrs. Jack Timmons who will move to Detroit soon.

Mr. and Mrs. John Myers entertained at a birthday dinner party recently in honor of Mrs. George King.

Mrs. James Paulins left last week for Texas where she will join her husband who has been employed there for some time.

Mr. and Mrs. H. F. Buck spent Sunday in Detroit.

The Intermediate and Primary Mothers' Clubs are sponsoring an old time dance at the Waterford school from 9 p. m. until 12 p. m. on Saturday. Music will be furnished by an orchestra from Milford. Soft drinks will be sold by the tenth grade graduating class. Each family is asked to bring their own basket lunch. Coffee will be furnished by the club.

Mrs. Cedric Knowlton entertained eight of the girls on Monday afternoon in honor of her daughter Janice's birthday. Games were played, after which refreshments were served. Guests included, besides the honoree, Gail Putman, Janet Corbin, Betty Williams, Sandra Frack, Patsy Raymond, Marion Knox, Sandra Workman and Shirley Knowlton.

Mrs. Harry Harrup returned Sunday from a three weeks visit with her son, Lawrence, and family in Cleveland.

The Community Club will meet on Monday evening at 8 o'clock at the home of Mr. and Mrs. Otto Duguid on Dixie Highway. This club has been inactive throughout the winter and plans are to be made for future meetings. All in the community who are interested are welcome to attend.

Mrs. Glenn Campbell is teaching at the Webster School this week, substituting for the principal who was called to the Upper Peninsula by the death of his father.

A meeting was held on Wednesday to make arrangements for a Cheery Chum party tentatively planned for Tuesday evening, March 23.

Pvt. Lyman Girst Jr. was called home from Lexington, Ky., by the death of his grandfather, Daniel Combs, whose burial took place on Saturday at Fenton.

At a meeting at the Waterford school on Tuesday afternoon plans were made for a Home Salvage Drive for the collection of waste fats on March 25, 26 and 27. These fats can be left at Jacob's store on Monday, March 29. Anyone wishing the Girl Scouts to call for them may call Mrs. H. T. Burt and Mrs. Earl Schwalm.

Pvt. Kuga Kojima is home on furlough from a camp in Minnesota.

Mr. Clarence Dooley, Supt. of the County Juvenile Home, will speak on "Juvenile Delinquency" at the meeting of the Parent Teachers Association on Thursday, March 25. During the business meeting the election and installation of officers will take place. Mr. R. N. Hickson, president of the Oakland County Council, will have charge of the installation. The nominating committee consisted of Mrs.

O. L. Siegman, Mrs. Frances Kinkle and Mrs. Lloyd Eaton. A social hour will follow during which time refreshments will be served.

Drayton Plains

Born to Mr. and Mrs. Clyde Jewell a daughter in General Hospital last Wednesday, March 10th.

Born to Mr. and Mrs. Kenneth Kelley a daughter in General Hospital last Wednesday, March 10th.

Born to Mr. and Mrs. Willard Verhey a son in General Hospital, March 16th.

Mrs. Dona Grieg has recovered from an attack of measles.

Dr. and Mrs. L. G. Rowley left last Tuesday night for Florida to be gone until the first of April.

Mrs. Sarah Myers returned to her home here from a business trip to California. She will return to California in a few days and expects to make her permanent home there.

Mrs. Emiel Koop continues ill at her home on Sashabaw Road. Mrs. Eugene Becker is recovering from a severe case of flu and is still confined to her home.

Mrs. James Boaz has been confined to her home for the past several days recovering from a fall.

Mrs. Rome S. Smith of Kenmore, N. Y., is a guest of her aunt, Mrs. Katherine Cable, Williams Lake.

The National Blue Star Mothers Convention will be held in Flint at the Durant Hotel next week, March 26-27-28th.

The Drayton Plains Home Demonstration Group held an all day meeting at the home of Mrs. Michael Wall on Farmer St.

The Women's Missionary Society of the Community United Presbyterian Church met in the church parlors last Thursday for a cooperative dinner and business meeting. The tables were set for thirty members. At 2:00 o'clock Mrs. Russell Maybee, president of the society, opened the business meeting. Mrs. Katherine Cable, in charge of the devotions, introduced Rev. and Mrs. George Dibble, the evangelists who have been holding meetings the past two weeks in the

ESTES & COONEY, Attorneys, Peoples State Bank Building, Pontiac, Mich. STATE OF MICHIGAN—The Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County on the 10th day of March, A. D. 1943.

Present, Honorable Arthur E. Moore, Judge of Probate.

In the Matter of the Estate of Byron W. Howland, Deceased.

Helen Melberg having filed a petition praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased, and that administration of said estate be granted to the petitioner, executrix named in said will or to some other suitable person.

It is ordered, That the 19th day of April, A. D. 1943 at 9 o'clock, in the forenoon, at said Probate Office, is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy hereof, for three successive weeks, previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said County, and that proponent cause a copy of this notice to be served personally or by registered mail, return receipt demanded, to each of the known heirs at law, legatees and devisees at their last known place of address at least ten days prior to said day of hearing.

ARTHUR E. MOORE, Judge of Probate

Estes & Cooney, Attorneys at Law, 312 Peoples State Building, Pontiac, Mich. Mar 19-26 Apr 2-9

We've Got Good Roads — Let's Keep Them!

GOOD ROADS don't just happen. Michigan highways are the best in the nation today because they were planned by able men who knew how to build them — how to maintain them.

Knows the Job!

Lloyd Reid, present State Highway Commissioner, has made a career of building good roads for Michigan. His ten-year experience up through the ranks of the highway department is your assurance that he knows the job—that he will continue to give the same fine highway service that you have a right to expect.

REID
HIGHWAY COMMISSIONER

"INFORMATION"

Q. How many of the telephone calls to "Information" are unnecessary?

A. Six out of ten calls to "Information" are for numbers listed in the directory. Each one increases the load on war-busy wires — may slow up other calls.

Q. How much time is lost by such needless calls?

A. A total each day of 1,450 hours of operator and switchboard time for this company alone.

PLEASE -

Look in the telephone directory first. If the number you want is not listed, and you must call "Information," write it down so you won't have to ask for it again.

* WAR IS ON THE WIRES *

MICHIGAN BELL TELEPHONE COMPANY

church. Mr. Dibble had charge of the singing and Mrs. Dibble took for her text "The call of the Twelve Disciples" 6th chapter of St. Luke and followed with prayer. Mrs. Katherine Cable gave an interesting review on the book, "Latin America". In reviewing her book a large map was pinned on the wall so as she read each member could trace the wonderful work being done there. Mrs. Anna Brown gave an outline of the homes of Latin America and Mrs. Roy Dancy discussed "The Pan-American Highways". After the program the meeting was turned over to the president, Mrs. Maybee. Reports of the different committees were given and election of officers were held as follows: President, Mrs. Russell Maybee; vice-president, Mrs. Katherine Cable; sec-

retary, Mrs. Peder Neilson; treasurer, Mrs. John Watkins; thank offering, Mrs. Clarence J. Sutton; literature, Mrs. Walter Aderholdt; efficiency, Mrs. Frank Jones; Junior supt., Mrs. Virginia Hanggee; associate, Mrs. Edward Krem; Pearl Sutton missionary, Mrs. Mamie O'Boyle; extension, Mrs. N. W. Morgan; sunshine, Mrs. Anna Brown.
Mr. and Mrs. Charles Williams spent the weekend with Mrs. Williams' brother, Osmun R. Barnhart, and family in Lansing.
The George Dibble Evangelist meetings will close on Sabbath night, March 21st. There has been a wonderful awakening. Mrs. Dibble is a dynamic speaker, and all who have heard her have received a wonderful blessing.

WHEN YOU FLY KITES, PLAY SAFE—THIS WAY

SPRING WEATHER brings out kites, of course. It's fun to fly them—but be sure to see that it's done safely! When the youngsters go out with kites, see that these safety rules are observed for the children's sake:

Fly kites only in the open fields, entirely away from any electric line. This is safer for the kite, too; it doesn't get tangled with wires and lost or broken.

String containing metal (such as Christmas tinsel cord) should not be used. If it should come in contact with an electric line, serious injury might result. Even plain cotton cord conducts electricity when wet, so don't allow kite-flying during a rain. String that has fallen into puddles should be well dried out before use. Don't use metal frames in kites.

A live wire looks like any other wire. It may not be an electric line, but another wire carrying electricity can charge it by touching it some place that you cannot see. So teach children to stay clear of any wires while flying kites.

Kite flying is fun—and it's safe, when you're careful.

11:30 A. M. Sunday School.

CHRISTIAN SCIENCE CHURCHES

"Matter" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, March 21.

The Golden Text (John 6:63) is: "It is the spirit that quickeneth; the flesh profiteth nothing."

Among the Bible citations is this passage (Jeremiah 2:4,5): "Hear ye the word of the Lord, O house of Jacob, and all the families of the house of Israel: Thus saith the Lord, What iniquity have your fathers in me, that they are gone far from me, and have walked after vanity, and are become vain?"

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.95): "Material sense does not unfold the facts of existence; but spiritual sense lifts human consciousness into eternal Truth."

Clarkston Locals

William Buzzard who has been in ill health for the last few weeks is making his home with his daughter, Mrs. Iva Miller.

Honor Stickney and Malvina Smith, students at Michigan State College will return to their homes this weekend for their Spring vacations.

Drayton Plains

The Pearl Sutton Missionary Society will meet at the home of Mrs. Charles Williams on March 22nd. The organization will celebrate its 10th anniversary. Installation of officers will take place with Mrs. C. J. Sutton in charge.

The Blue Star Mothers of Drayton Plains, Chapter 10, held a business meeting on Thursday evening at the school. All mothers of service boys or girls in this district are invited to join this chapter. Please send names and addresses or changes in addresses of the boys and girls in the service to the president, Mrs. John Scott, Drayton Plains, phone 3-1308.

FUEL GIVING OUT?

TRY "BUNDLING"
An amusing and informative article by E. C. Schnurmacher, in The American Weekly with this Sunday's (March 21) issue of The Detroit Sunday Times, relates how the old colonial custom that ingeniously combined fuel saving with courtship may become popular again, but slightly modernized to conform with 1943 conditions. Be sure to get The Detroit Sunday Times this week and every week.

Wanted—Man or boy, part time. Phone Clarkston 3502.

Another delightful work of art by the famous painter, Henry Clive, in the series of pictures portraying exotic types of feminine loveliness from neighboring lands... depicts a charming Brazilian attractively attired in native costume. Phyllis McGinley, noted poetess, has written appropriate verses to describe the fascinating subject. In The American Weekly, the magazine distributed with next Sunday's Chicago Herald-American.
