NUMBER 39

Inez Miller Presented In Graduation Recital

Will Receive Diploma from Detroit Institute of Musical Art in June

There are not many places the size of Clarkston that have the privilege of enjoying a treat such as the folks in this community enjoyed on Tuesday evening when Miss Inez Mae Miller, daughter of Mr. and Mrs. Seymour Miller, was presented in a Graduation Dance—Art Recital by Mrs. Violette Armand of the Detroit Institute of Musical Art in the school auditorium. A lovely arrangement of tulips, peonies, hydrangea and dogwood branches made the auditorium very attractive.

The program was a delight from start to finish and, although there were many small children in the interested audience, quietness prevailed throughout the evening. To those who know that the ballet is a story told in music, gestures and dance then they realize and appreciate just how much time Miss Miller must have spent practicing and studying the Mazurkas, Polkas and Waltzes she danced so beautifully. One of the outstanding classical numbers was Chopin's Waltz No. 3, in A. Minor. For this dance Miss Miller chose an all white costume, so appropriate for the graceful movements of the waltz, and with her lovely dark hair seemed to complete a picture which made this number one of the prettiest of the evening. Another outstanding dance was a Polka, "Thunder and Lightning" by Strauss. For this dance she was charming in a red costume. Although this dance required quick action from head to toe yet the ease and grace with which Miss Miller performed was marvellous.

Miss Miller's dancing success, so far, is credited to Mrs. Violette Armand of Detroit who has been her teacher for the past twelve years. Mrs. Armand received her training in Europe. She came to this continent bringing her own Company and toured Canada and the United States. Before being associated with the Detroit Institute of Musical Art she had her own Ballet School. Mrs. Armand's experience in ballet is wide. She has been associated and travelled in many parts of Europe where the ballet originated, with some of the most noted dancers and teachers. And so while the Clarkston folks are proud of Miss Miller, she is proud of her teacher, Mrs. Violette Armand. Miss Miller has been conducting her own ballet school in Clarkston for the past four years.

Assisting artists at the recital in Clarkston were Virginia Theresia Page of Detroit who gave two readings and Mary Louise Buck of Waterford who sang four very pretty numbers. Helen Sanders of Pontiac was Miss Buck's piano accompanist. Last Friday night the same program was presented to a Detroit audience in the auditorium of Detroit Federation of Women's Clubs with the exception of the vocal numbers which were replaced by piano selections by Loretta Petrosky of Detroit.

The formal graduation will take place at the Detroit Institute of Musical Art in June when Dr. Francis York and Dr. Edward Manville will present the diplomas to a large class.

The Post Office will be open all day, Monday, May 31.

At 9 o'clock on Sunday morning those wishing to be in the parade to Lakeview cemetery will assemble at the corner of Church and Buffalo Streets. The High School Band directed by Walter Wainowski will lead the parade.

The regular Memorial Day observance will take place at the cemetery under the auspices of the Campbell-Richmond Post 63 of the American Legion. Dr. Eugene Allen will be the Speaker of the Day.

The hour for the program has been set early enough to prevent any conflict with the regular Sunday morning Church services. In case of rain the program will be held in the school auditorium.

Our Boys In The Service

How many letters do you write to the boys in the service? They do enjoy mail. Many of them say "You write and we'll fight". The letter we received this week from G. M. Hendrick is proof that mail is appreciated.

April 19, 1943

Mr. Wm. Stamp
Clarkston, Mich.
Dear Folks:

Here I am about 50,000 miles from home and as homesick as they make them. I was reading in the paper about the boys that have enlisted and have been called away.

The paper is as good news to me as most letters that I have received. I guess Don Steiner is having the time of his life, in the islands. I only wish I was as close to home as he is. I am very sorry to hear about Sergeant Ganther. He joined the best outfit there is, the U.S.M.C. and I am very sure they lost a good man. The marines on the islands now are doing a good job defending themselves. I hope some day I get that far.

Well I guess that is all for now except I want to thank everybody for their kind letters and packages.

As Ever
Pvt. G. M. Hendrick

May 19, 1943

Dear Mr. Stamp: I have finally arrived safely at my destination overseas and have settled down, so I thought I would drop you a few lines to give you my new address.

I am very anxious to get the Clarkston News. It has been quite a while since I have read a copy and I think I am getting stale as to the news from the old home town. I can't tell you much about where I am except that I am somewhere in the southwest Pacific. There are natives here that do some of our hauntings, etc. They are quite hard to understand but we manage to do business with them. Weather conditions are strictly out. I cannot tell you anything concerning weather.

I can tell you I am feeling fine and am anxiously waiting for the time to come back to Clarkston. When all of the boys come back to Clarkston after this is over we should be able to enlarge the Campbell-Richmond Post quite a bit and do some pretty nice things.

If it is possible at all please send the home town paper to me.

Well, I guess this is all the news from here. Give my regards to the people of Clarkston.

Very truly yours
Pfc Roy Spencer, Jr.

Tomorrow Is Poppy Day in This District

When you know how much good the money you spend for a Poppy on "Poppy Day" does the disabled war veteran in some hospital and when you realize that the numbers of disabled are increasing then you are proud to wear a poppy and let everyone know that you too are helping to brighten the hours that these fellows spend in the hospitals. A part of this money is paid to the men who sit for hours making these little red flowers that you will see on the streets tomorrow. And a part is spent by the organizations, who started Poppy Day, to distribute packages in the hospitals.

Make sure that you buy a Poppy tomorrow. Be as generous as possible.

Rotary Club News

Last Monday night was celebrated with a DINNER DELUXE, to the winners of a recent attendance contest, in which the losing side, not only planned the dinner, but PAID for it and then perfectly served it to their winning brothers.

As the members and guests arrived they found at each place a very appetizing shrimp cocktail, made as only you would find in the best places, alongside was a beautifully made salad, rich with the color of peach. On top of each salad, a flag congratulating the winners.

The piece de resistance, was fricassee of chicken, that would melt in your mouth, plenty of old fashioned biscuit and chicken gravy, a vegetable of small green peas, cold slaw, bread and butter, with coffee and dessert apple pie. Space does not permit us all the good things this bunch of good losers did to make the winners, very happy they won. Jerry O'Dell was a fine chef in cap and apron and was assisted by Bob Beattie, Ed. Davies, Ray Ainsley, Dan Winn, Harry Yoh, Durand Ogden, Everett Butters, Garnet Poulton and Joe Seeterlin. We understand another loser Pete Terry, combed the countryside for the very tender chickens. They certainly showed their good home training in the way they served this dinner.

Their program speaker was Harold Pailthorp, another one of the losers, after helping to serve. He then proceeded to do a job himself on the chicken, as only a minister can do. In this, he was pushed hard by honorary member Dr. Eugene Allen, who almost forgot he was retired from the ministry and chicken dinners, and ran brother Harold a close second. The subject selected for the talk, was the work of the Chaplains in the present war and was most interesting.

A couple of orchids go to Jeff Hubbell and Bob Parker, who prepared this fine dinner for us. Thanks boys. Guests present were Duane Hursfall, of Clarkston; Federal Judge Arthur J. Tuttle, Detroit; Alfred Gale, Supervisor, Waterford Township; Waterford, and E. J. Lederle, County Supt. of Schools.

The meeting next Monday evening was cancelled due to the holiday. The next meeting of the club, will be on Monday, June 7th, at 6:30 p. m. This will be a Ladies' Night, in which the members and their wives are asked to bring a picnic box lunch or dinner, from which they will enjoy their own preparation. The club will furnish the dessert. This is necessary due to the ration restrictions. This meeting is being held indoors, instead of a picnic at some distant place, to provide a proper background for a very unusual and outstanding program, which must remain for the present a deep dark secret.

Coming Events

No paper is to be taken to the school until June 4th. However the children can gather papers in a location convenient for them and then must make sure they are taken to the school on the set day. Everyone is asked to help make this a success. See that your bundles are neatly tied and help the children as much as possible.

NEW FERRY SCHEDULE IS NOW IN EFFECT.

The State Highway Department has announced a summer schedule for the operation of the state ferries at the Straits of Mackinac, effective May 27, providing for north and southbound daytime departures at intervals of one and a half hours beginning at 6:00 a. m. Summer schedules in previous years provided for hourly service.

Because of the sharp decrease in travel, Commissioner Ziegler said that the state ferries "City of Cheboygan" and "Straits of Mackinac" are expected to give completely adequate service this summer at the Straits. However, the railroad car ferry "Sainte Marie" is under contract for standby service at short notice in event of an emergency.

Fourteen crossings daily are scheduled from St. Ignace southbound and fourteen from Mackinac City northbound.

Among the Bible citations is this passage (II Tim. 4:18): "And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.569): "He that touches the hem of Christ's robe and masters his mortal beliefs, animality, and hate, rejoices in the proof of healing,—in a sweet and certain sense that God is Love."

Farm Labor Committee Has Been Organized

A committee known as the Clarkston Farm Labor Committee has been organized for the purpose of helping to provide labor for any farmers that may need additional help to produce food. The purpose of this committee is to recruit men, high school boys, or women to help in any way that they may be needed on the farms. Due to the drafting of farmers, the transfer to industrial positions, and the heavy rains, the farmer's work has been seriously retarded. It is the hope of this committee to render whatever service is possible to any farmers needing help to supply them with help when needed. Anyone able to work full or part time or any farmer needing farm help should get in touch with Robert C. Beattie who is in charge of the placement of the farm help. The committee is composed of Robert C. Beattie in charge of Placement; Lloyd C. Megee in charge of recruiting help; Joseph Hubbard, farmer representative; Mrs. Ora Adams, advisor; Ethel Balls, in charge of training, and D. M. Winn, chairman. Beyond The Gates

This sacred ground with markers filled
Bespeaks of things that God has willed.

It speaks of sorrow yesterday
When these dear friends were called away.

Beneath this sod by heaven graced
That precious friend of ours was placed.

Our last contact on earth was here
But time will come when clouds will clear.

When death will know its full defeat
When you and I in spirit meet.

When we find loved ones cold and still

We must accept the Master's will,
Must recognize his last decree
In letting spirit life go free.

In many cases we rejoice
That he has made this blessed choice,
For what is there for soul to gain
Engulfed in body racked with pain.

When beauty unsurpassed awaits
Just over there beyond the gates?
Robert C. Beattie.

serve at the Junior and Senior banquet. We hope the people will be pleasantly surprised at the talent some of us have for serving. (The boss said, "no tipping" but use your own judgment.)

This week I have a different poem for you that another talented student of our class has written "I Wish". All rights reserved by Barbara Jean Strickland the author.

I wish I were a poet—so that in the spring

About love and violets—I could blithely sing

I wish I were a painter—so by daubing paint

I'd paint the village brat, and make him look a saint

I wish I were a singer—and sing the highest scale

And from my dainty slipper, have admirers drinking ale

I wish I were a dancer, foot loose and fancy free,

And have movie directors chasing after me.

I wish I were a lot of things, you hear and read about

Instead of being just a plain old ordinary lout.

R. N. I am greatly flattered to think so many of our readers thought I had the intelligence to write last week's poem but due credit must go to the author Ross E. Kerton.

THE ANNUAL JUNIOR-SENIOR BANQUET

The annual Junior-Senior Banquet of Clarkston High School will be held on Friday evening, May 28. The theme of the banquet this year will be strictly military.

An excellent menu has been prepared by the food committee even though rationing made it very difficult.

Grape Fruit—Half Shell
Baked Ham with Raisin Sauce
Salmon Loaf
Escalloped Potatoes
Succotash Buttered Rolls
Cottage Cheese Salad
Jelly Jam
Pickles Relish
Ice Cream Cookies

Coffee—Milk
The entertainment and speakers committee also did a fine job of preparing the program which will follow the banquet.

1. Opening Speech and Welcome..... Bill Radoye

2. Toast to Seniors Wilbur Adams

4. Presentation of Senior Awards Faculty

5. Senior Class Prophecy Elizabeth Vliet

6. Poem Bill Clement

Following the banquet and program, a dance will be held with the music being furnished by Tommy Legacy and his Orchestra. The dance, also, will have its military air with military dances such as the Panzer Stomp, The Military Waltz, The Incendiary Hop, and The Jeep Jump.

The Junior class has been looking forward for many weeks to giving this banquet in honor of the Senior

class of 1943. We sincerely hope that the Seniors enjoy our evening's entertainment and we will do everything in our power to make it a great success.

THE OLD JUDGE SAYS...

"Just one more question before you go, Judge. What is this thing called propaganda you hear so much talk about these days?"
"I'll give you an example, Hank. Last night I was reading an interesting little book called 'Hitler is in Favor'. It told how Hitler would very much like to see Americans fighting among themselves over prohibition because that would create disunity, waste the time of Congress and legislatures in wet-dry arguments and cripple our war effort. It also mentioned a booklet written about Hitler's government telling how Hitler's government wants to maintain contact with foreign temperance organizations and how it contributes annually to an international temperance union."
"You can bet Hitler isn't interested in seeing prohibition advanced in our country for any reason except that he knows it's a good way to stir up trouble. That's what they mean by propaganda, Hank."

 Four dogs that deserve to be saluted as heroes. How the "weakling" of the litter grew up to justify his owner's faith in him; an aged canine screen star came out of retirement to win applause again; and two others led rescue parties to their little lost masters. You can't go to work on tires alone!

Save your tires, sure—but SAVE YOUR WHOLE CAR AS WELL!

NO matter how you nurse your tires along, they won't do you a bit of good if you neglect the car they're mounted on. Not that we're trying to minimize the importance of proper tire care. We ourselves offer as complete a tire-saving program as you could find anywhere—including wheel alignment, wheel balancing and scientific brake equalizing.
 No, we don't want to talk down the importance of your tires—we want to talk up the importance of your whole automobile. Remember, no new cars are being built at all. Your present car must last. That means you need a program of complete, all-round maintenance service. Not just tire inspection. Not just lubrication. But these things plus all the other vital services so necessary to counteract the possible "ill effects" of today's low speeds and limited driving.
 We offer just such a complete, up-to-date service program. Why not see us today!

RUBBER IS VITAL BUT—
DON'T NEGLECT OTHER VITAL PARTS LIKE THESE!

			
Brakes not equalized wear out fast. Worn linings result in scored drums.	Valves improperly adjusted are subject to burning out and must be replaced.	Distributor points, made of vital tungsten steel, must be kept adjusted to prolong life.	Pistons and piston rings will last longer if safeguarded by proper lubrication.
