Windstorm on Tuesday Does Much Damage

Many Folks Without Light And Telephone Service

The severe wind and electrical storm that swept over Oakland County on Tuesday afternoon uprooted trees, shattered windows, overturned buildings and broke the utility lines. It is reported that when the storm broke the wind had reached a velocity of 60 miles an hour.

Many in this district were without electricity for a few hours in the late afternoon while others were forced to use candles, flashlights or the old fashioned lamps and were without electricity until Wednesday morning. Repair men were kept busy along most of the lines and their claim damage was worse in other parts of the State. Telephone service in a great many sections was cut off and repair crews were summoned from Saginaw to assist where the damage was the worst.

Shortly after the storm started, the roof on the Riksen place at the corner of US-10 and M-15 was torn from the building and swept into the middle of the highway. Windows in the Gulf Station at the same corner were smashed. Two tall cedar trees that have stood for a great many years in front of the J. Thompson Miller house on South Main Street were broken off just above the ground and were toppled over against the house. In Drayton Plains many trees were uprooted and windows were smashed. The highways and County roads were strewn with branches of trees and motorists had to drive with caution for fear of lives being taken.

The electrical storm lasted most of Tuesday night and was followed by another one on Wednesday morning.

Poppy Sale Gets Fine Response

The response this year to the sale of poppies was excellent. Folks were really generous. The Campbell-Richmond Post and Auxiliary sold one thousand poppies and could have disposed of more if they had had them. The local Post and Auxiliary wish to thank all those who bought the poppies and those who sold them. By your generous cooperation Poppy Day was a success.

Marriage Announced

Mr. and Mrs. Arthur Tondt of Clarkston announce the marriage of their daughter, Virginia, to Daniel A. Addis, son of Mr. and Mrs. LeRoy Addis, also of Clarkston.

Clarkston Locals

A newspaper office without telephone service is a real predicament. This happened at The News office this week when telephone lines were hampered by the storm on Tuesday afternoon. For several hours during the afternoon on Tuesday, all day and night Wednesday and Thursday morning until 9 o'clock we were without the telephone. Many news items are apt to be missing from our columns this week.

Our Boys In The Service

Francis Tindall enlisted in the Navy and left for the Great Lakes Naval Training Station last Saturday.

Pfc. Bud Harris, former manager of the Drayton Theatre, is spending a short furlough from Camp Claiborne, La., at his home in Keego Harbor.

Sgt. N. H. Boyns is home from Scott Field to enjoy ten or twelve days with his parents, relatives and friends.

Bartlett Mann, who is stationed with the Navy in Detroit, spent Memorial Day at his home here and took part in the Memorial Day program held at the school on Sunday morning.

Hugh A. Preston Jr., son of Mr. and Mrs. Hugh A. Preston of 6470 Walden Rd., enlisted in the Navy and left last Friday to start his training at the Great Lakes Naval Training Station.

Charles Galbraith, Sergeant Technician, at Ft. Dupont, Delaware, is enjoying a ten day furlough with his parents in Pontiac and his friends in Clarkston. Everyone here remembers "Chuck" as their former telephone repair man. He had charge of the service in this district.

Editor, The Clarkston News

Dear Sir:

It is very kind of you to send me The Clarkston News, and I am anxious to express my appreciation of your thoughtfulness.

I can hardly say how much it means to us in the service to receive the latest word on what our friends and relatives are doing in "the old home town". No surroundings can seem really strange or foreign while I am thus kept in contact with the people and places I know so well, and no barracks can seem bleak or comfortless when an edition of my old home paper lies upon my bunk.

Last and most important of all, this evidence of your concern for my happiness and welfare is an additional indication that the folks back home are behind us in this fight and will support us to the triumphant finish.

Sincerely yours,

Jack Skarritt

Dear Mr. Stamp:

Today is a very fine day. The sun is shining very bright. Of course it gets very hot here in Southern California. I am up in some very high hills. I think if we had them in Michigan we would call them mountains. Back in the hills away from the ocean breezes it gets much hotter than along the coast. There are no trees here. The grass is all burned up on these hills already. I think things at home are very green about now. (Description of camp). From my barracks I can see Mt. ... with the snow on its top. This peak is about 65 miles away. There are many peaks here but they don't have snow on them at this time of year.

Now to get to the purpose of this letter. I wish to thank you so much for this Clarkston paper that I receive each week. I think I have about 6 or 8 copies in my locker by now. I get them out every so often and just go thru them again. I enjoy very much reading about the rest of the fellows in the service.

Last week I obtained Chuck Beach's address and plan on meeting him down in San Diego some night this week. It will be so good to see some of the old gang once again. I must close now and thank a lot for the good old Clarkston News.

As ever

Obituary

David Jones

David Jones, a lifelong resident of Oakland County, passed away on Monday at the County Infirmary at the age of 75 years. He had been ill about two weeks.

Mr. Jones was born March 17, 1868, in Clarkston. He attended school here. Mrs. Jones, the former Frances Dilly, died in 1933. Mr. Jones was a retired farmer.

The funeral service was held at the Ogden-Kennedy Funeral Home in Clarkston on Thursday afternoon at 2:30 with the Rev. W. Harold Pailthorp, pastor of the Methodist Church, officiating. Burial was in Lakeview cemetery.

About 8 billion points on the red ration stamps, and approximately 6 billion points on the blue stamps are put into circulation monthly by consumers of rationed foods.

Farm Labor Committee Ready For Work

Home Front Committee Willing to Help

On Monday night the Home Front Committee met with the Farm-Labor Committee and discussed ways and means to help the farmers. K. D. Bailey, County Agricultural Agent, was present and he presented the farm situation and just how the folks in the cities, towns and villages could help. He commended the Home Front Committee for the work they had already done and he said he was quite confident that this organization would be a big help to the Farm Labor Committee and he was sure that with the cooperation of the townspeople the farmers in this district would be able to produce as much food as they had in previous years.

Everyone realizes that if this nation is not going to suffer a food shortage then the farms must produce and if they are going to produce then farm help must be available. When you consider that many men from 18 years of age to 60 years of age are in the armed services and in the industrial plants that it leaves only the young boys and girls and the women and men with perhaps a few spare hours to help the farmers. This must be done and we must assure the farmers that their crops will be harvested.

The Farm Labor Committee is already working. Any farmer who needs help is urged to contact Robert C. Beattie, who is in charge of placement.

Roller Skating Party

The last Roller Skating Party of the School year will be a benefit Party sponsored by the Senior High Youth Fellowship of the Methodist Church. Mr. Wm. Howland will have charge of the sale of tickets and Mr. Raymond Smith, of the publicity.

For transportation various people are planning to drive, and for those who may not have a way to go, a truck that will hold twenty will leave the Church at 7:30 o'clock Tuesday night, June 8th.

The proceeds of the benefit will be used for the Youth Fellowship to defray the cost of sending young people to Institute. Tickets should be secured from the Members of the Youth Fellowship. Adults as well as School people are cordially invited.

Clarkston Locals

Rev. and Mrs. N. M. Pritchard and Mrs. Robert Davies of Freeland, Mich., are guests of Rev. and Mrs. W. Harold Pailthorp today.

The annual meeting of the Detroit Rotarians, honoring Eddie Guest, was held on Wednesday at the Statler Hotel. Malcolm Bingay was the Master of ceremonies. Among the guests were Dr. Arthur Schurz and Charles D. Carr of Clarkston.

Jay Oustrander, teacher in the Hunter School, route 1 Clarkston, together with several of his pupils spent several days during the last week sight-seeing in Chicago. Mrs. J. McIlrath accompanied the party to aid in caring for the girls. The highlights of the trip included: Field Museum of Natural History; Shedd Aquarium; Tribune Tower; Planetarium; Chinatown; Loop; Lincoln Park Zoo; Riverview Park (144 acres of playground). Mr. Oustrander left for his home in Alpena on Saturday.

Coming Events

June 4th—TODAY—see that your wastepaper is at the school. The truck will be there to pick it up.

June 5th—Saturday — the Martha Circle of the Methodist W. S. C. S. of Clarkston will hold a Bake Sale at the Waterbury and Terry Market starting at 11:00 a. m.

June 5th, — Saturday morning at 10:45, "Insects Now in the Victory Garden" will be discussed by Mrs. E. G. Grunau over WCAR on the program sponsored by the County Victory Garden Committee.

June 7th—Monday night the local O. E. S. Chapter will hold the regular meeting. There will be a pot-luck supper at 6:30. The Past Matrons and Past Patrons will be guests.

June 9th—Wednesday the Clarkston Royal Neighbors will meet at the home of Mrs. William Goulet. There will be a pot-luck luncheon at noon.

June 10th—Thursday afternoon the Mary Circle of the Methodist W. S. C. S. will meet at the home of Mrs. Watson on E. Washington. This meeting was to have been held on Tuesday, June 1st, and had to be postponed on account of sickness.

Red Cross Work-Room Closes For Summer

The Red Cross work-room in Clarkston is closed for the summer months. Those who have given their time have worked faithfully. Since last September they have sewed a total of 791 hours. They have made 247 garments and 120 kit bags. In addition about 79 knitted garments have been made.

Mrs. Robert Waters who has had charge of the work wishes to thank all who gave their time and helped with this necessary work. She wishes to especially thank Mrs. Thayer and Mrs. Gindry who took charge of the sewing-room and the Girl Scouts who were ever ready to do what they could.

The work will be resumed in the Fall and notice will be given as to the date.

Local Girl Weds in Alabama

On Saturday, May 22nd, at 4:30 in the afternoon, at Anniston, Alabama, Miss Ruth Geraldine Walter, daughter of Mrs. Carrie Walter and the late Earl Walter of Clarkston, became the bride of Pfc. Lloyd Gudgell of Detroit.

The rites were read by the Rev. Henry, pastor of the Anniston Methodist Church, at the home of friends of the groom.

The bride wore a two piece rose colored dress with navy accessories.

Pfc. Gudgell is stationed at Ft. McClellan just 7 miles from Anniston. Before her marriage Mrs. Gudgell was feted at many showers; one of these was a miscellaneous shower at the home of Mrs. Iva Miller of Clarkston.

Dorcas Circle Met Wednesday

On Wednesday afternoon the Dorcas Circle of the Methodist W. S. C. S. met at the home of Mrs. LeRoy Addis. There were ten members present.

The resignation of Mrs. Glenn Howland as secretary was accepted and Mrs. John Alander was elected to fill the vacancy. This group is sponsoring a Food Sale at the Waterbury and Terry Market on Thursday afternoon, June 10th starting at 3:30.

It was decided that each member would make an apron and take it to the general W. S. C. S. meeting at the Church in July.

Rotary Club News

Monday night, June 7th, will be Ladies' Night at the Club. The members and their wives are asked to bring a picnic box lunch or dinner and enjoy their own preparation. They will assemble at the usual Club time, 6:30. The Club will furnish coffee and dessert.

This meeting is being held indoors on account of the unusual program that will furnish the entertainment.

Turtle Trapping Is Regulated

After returning to persons in Connecticut and Tennessee the cash sent in with requests for information on construction and use of turtle traps, the conservation department's fish division announces again that the little four-page instruction leaflet is available without cost.

Proper construction, baiting and setting of the traps is essential to prevent waste of effort among the many novices who are planning to supplement rationed meat supplies with tasty turtle stock this summer. The conservation department also is interested in seeing that the traps are so made they will not take fish. In Michigan no turtle trap may be set unless the owner, who must have a fishing license, first informs the local conservation officer where he is setting it, and unless the trap has a tag bearing the owner's name and address attached.

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, June 6.

The Golden Text (Ecc. 3:14) is: "Whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it."

Among the Bible citations is this passage (Gen. 1:1): "In the beginning God created the heaven, and the earth."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.502): "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God."

Victory Gardens Necessary This Year

Entry Cards for Contest Must Be in June 10th

Governor Kelly has recently urged Michigan people to expand their plans for Victory Gardens, increasing both the size and number of gardens planted.

In the face of the highly unfavorable weather prevailing, the food situation is growing more critical as the season progresses. Thus it becomes more important than ever that all who can possibly do so should raise a Victory Garden this year. While the season is advancing rapidly there is still time to start a garden as the importance this year should be placed on crops for winter use—potatoes, tomatoes, root crops, squash—anything which can be canned or stored. It is imperative that we plan not only for a summer garden but more important that we be thinking about getting a food supply for next winter.

The State Victory Garden Contest should offer an added incentive to many gardeners. It is hoped that there will be many gardens entered in the contest from this locality. The deadline for entries is June 10th. Entry cards and Victory Garden window stickers may be had from your local Victory Garden Committee. Why not fill out one of these cards today and return it to your Committee? This will enter your garden in both County and State contests.

More New Books Given To School

In addition to the list of new books added to the school library a couple of weeks ago the following new books have been added: Life with Father by Day; Adventures of David Grayson; Grayson; Big Doc's Girl; Medicaris; Son of the Smoky Sea; Oliver; Kabloona; Poncins; Northwest Passage; Roberts; Lays of the New Land; Simon; They were Expendable; White.

These new books were given to the school by the committee who sponsored the dances at the High School a year ago last winter. This committee included: Mr. and Mrs. Seymour Miller, Mr. and Mrs. A. E. Butters, Mr. and Mrs. Lee Volberding, Mr. and Mrs. H. W. Huttenlocher, Mr. and Mrs. William Edgar, Mr. and Mrs. M. N. Stickney, and Mr. and Mrs. Norman Davison.

More Than Enough

Eventide finds mother weary,
When everything is ordinary,
Finds her words a bit less cheery,
Due to work she's had to carry
Cleaning, scrubbing, washing, baking,
Reaching, lifting, moving, bending;
Each day's a great big undertaking,
Work on work and never ending.

That's her life when things are normal

Evenly her life is going,
Pressing, fixing, dresses formal

Late at night we find her sewing,
Past her strength each day she's giving

Soul and body she's abusing
Giving succor to the living

Every ounce of strength she's using

Sickness in the family enters
Who will nurse the one who's pailing?

Care around the mother centers
She'll come thru and never failing,

Meeting burdens more gigantic
All her duties multiplying.

Making her seem more titanic
Wants of all, she's satisfying.

YOUR household electric servants work for a few cents a day. They do such a big job in the average home — washing and ironing and cleaning and cooking — that most people simply cannot realize how little they cost to operate. Actually, 2 cents an hour represents top wages for many appliances: A number of them operate for only a fraction of a cent per hour. Look at some of the common electric servants listed below: See how cheaply they work for you, in average use, at the thrifty "Bargain" step in your residence rate, 2 1/4 cents net per unit.

Drayton Plains-Waterford School Band Sponsors Bond Drive

The students of the Drayton Plains-Waterford school band, under the direction of Mr. Arthur Hesburn, are sponsoring a bond drive in Drayton Plains, Monday and Tuesday, June 7th and 8th.

The band will parade Monday, June 7th at 4 o'clock from the Keego Hardware to the Square Deal Garage. Neighborhood War Club leaders will solicit bonds and sell stamps in the stores as the band plays.

Tuesday evening at 8 o'clock on the church lawn the Band will play a concert of military and patriotic music. Although no admission will be charged the minimum cost of a chair will be a 25c. defense stamp. Between numbers valuable articles will be auctioned off and presented to the highest bidder in defense stamps and war bonds. The public is urged to come and Buy Bonds!

Mrs. William Brown Jr. was honored at a pink and blue shower last Saturday evening at the home of Mrs. Anna Brown on Meinrad drive. Guests were from Canada, Detroit and Ferndale.

Donald Appleton who has been attending Bob Jones College, Cleveland, Tennessee, arrived home to spend the summer vacation with his parents, Mr. and Mrs. Fred Appleton, on Dixie Highway.

Mrs. Margaret Thrasher and Mrs. Elizabeth Wood will represent the Blue Star Mothers, Chapter No. 10, at the State Convention being held in Saginaw, Thursday, Friday and Saturday of this week.

Julia Farnham, New York business expert, writing in The American Weekly with this Sunday's (June 6) issue of The Detroit Sunday Times, offers some tips on HOW and WHERE to meet... and MARRY... the right fellow, and gives some expert advice on which men do and don't make the best husbands. JUNIOR AND SENIOR BANQUET

The Junior and Senior Banquet last Friday, May 28, was a great success with all the plans working as the Juniors expected. The meal was served about 7:00. The menu was well planned and all the food was good with enough for everyone. The dinner was followed by a very interesting program at which time the medals for scholarship, music, band, school spirit, athletics, and citizenship were awarded the seniors.

Bill Radoye, president of the Juniors, acted as toastmaster of the evening. Wilbur Adams gave the Toast to the seniors followed by the Response by Stan Perrin. Bill Clement gave two readings which added very much to the humor of the program. The Farewell to the Seniors was given by Jean Girst.

As usual, a Dance followed. The Gym was nicely decorated in red, white, and blue with everything being carried out in a military manner. The Grand march was at 10:45 with each person receiving a soldier or sailor pin. The music was by Tommy Legacy.

The Junior class should be highly commended on their presentation of this banquet. Every senior was graciously received. We had a good time and we thank you, Juniors, more than we can say.

Stan Perrin, president Senior Class P. S. News of the awards presented will be printed next week.

Michigan Provides Big Game Total

Hunting, Trapping Records Present Amazing Figures

Compared with modern hunters and trappers and considered collectively, the Indians who roamed Michigan before white men came were pikers. For while Indian legend abounds in tales of scarcity, Michigan hunters and trappers last year brought home 6,600 tons of edible meat.

Rationed equally among the 7,700 aborigines (Schoolcraft's population estimate, the best available) this would be nearly a ton of meat apiece, to say nothing of fish. Obviously the Indians did not get so much, as they sometimes went hungry, even without coupons.

The 6,600 ton estimate for the fall and winter game harvest in the "civilized" years 1942 and 1943 is announced in a conservatively calculated report of the conservation department's game division. From hunters' and trappers' report cards the game men first figured the number of each kind of game taken, then multiplied this by a reasonable average amount of edible meat each should yield. Meat rationing makes the totals especially impressive, while experienced sportsmen declare the quality of much of it is unmatched.

By species, the hunting and trapping harvest of 1942-43 provided meat as follows: 62,821 deer at 80 pounds, 5,025,680 pounds; 1,200,595 pheasants at 2 pounds, 2,401,190 pounds; 2,322,170 rabbits and hares, at 1 1/2 pounds, 3,096,227 pounds; 644,825 fox squirrels at a pound apiece, 644,825 pounds; 49,602 gray squirrels at a pound apiece, 49,602 pounds; 381,602 partridge at a pound apiece, 381,602 pounds; 30,330 prairie chickens and sharp-tails, at 1 1/2

pounds, 49,287 pounds; 35,591 raccoons at 5 pounds, 177,955 pounds; 343,834 muskrats at 1 1/2 pounds, 515,751 pounds; 552,335 ducks at a pound apiece, 552,335 pounds; 2,899 geese at 4 pounds, 11,596 pounds; 31,505 woodcock at 1/4 pound, 7,876 pounds; 95,765 coot at a pound each, 95,765 pounds; 6,464 beaver at 20 pounds, 129,280 pounds; 657 bears at 75 pounds, 49,275 pounds; 7,461 opossums at a pound apiece, 7,461 pounds; and 8,180 woodchucks at a pound each, 8,180 pounds. Grand total, 13,198,887 pounds.

Compare your troubles with what is happening to Americans in Manila. Over 3000 captives of the Japs live in crowded barracks, with poor food, inadequate medicine and pitiful sanitation, and are forced to broadcast pleasant lies about their miserable existence. THE OLD JUDGE SAYS...

"Glad we ran into you, Judge. I was just tryin' to set Helen straight on this business about sugar. I wish you'd tell her what you told me last night down at lodge."

"Glad to, Jim. I told him, Helen, that there's not a single bit of truth to the rumor that the distillers use sugar in making whiskey. They make it exclusively from grain. Only bootleggers use sugar to make whiskey. I read an article in the paper just last week that goes to prove

it. It told how a confessed bootlegger in a Federal court testified to the fact that another bootlegger, also on trial, had bought a million pounds of sugar a few years ago.

"As a matter of fact, Helen, no distiller is making whiskey today and hasn't for many months. All distillers are working night and day producing war alcohol for the government. And they make every drop of it exclusively from grain, too."

How Farmers Can Help Each Other

Farmers in Oakland county can lend or borrow farm machinery on a fair basis for wartime food production if they refer to a suggested rental schedule approved by the American Society of Agricultural Engineering and recommended by the agricultural

engineering department at Michigan State College, according to K. D. Bailey, county agricultural agent. Owners deserve compensation when they lend machinery and this fee should cover cost of repairs, depreciation and interest on the investment, plus an additional cost for risk and the responsibility of ownership, the engineers recommend.

Machines should be operated by the owner. If the borrower or lessee operates the machine the engineers suggest increases up to double the suggested rate, and in other instances increased rates to cover severe operating conditions.

Rental charges are based on an hourly charge for each \$100 cost of the machine new. This charge ap-

plies for each hour of the first five hours and then is cut in two for each hour after five hours. The expense of sharpening knives, shovels or sickles, or of binding twine, baling wire, fuel and lubrication is borne by the borrower or lessee.

Rates suggested in cents per hour for each \$100 cost of the machine new:

- Riding plow 24; tractor plow 28; disk plow 32; disc harrow, horse 20; disc harrow, tractor 22; field cultivator 24; spring tooth harrow 24; spike-tooth harrow 22; roller 28; soil pulverizer 24; stalk cutter 24; end-gate seeder 52; grain drill 38; corn planter 40; rotary hoe 30; horse cultivator 20; tractor cultivator 20; horse mower 26; tractor mower 28; spray rig 16; potato planter 38; potato delivery rake 36; sulky rake 34; side delivery rake 36; sweep rake 36; overshot stacker 34; hay loader 28; stationary baler 13; pick-up baler 17; grain binder 12; threshing 18; combine 24; corn binder 12; silage cutter 38; field silage harvester 40; silage blower 34; corn picker 28; husker-spreader 20; manure spreader 11; wagon gears and box 04; hay rack 7; tractor 8.

2 GALLONS MAKES 3!

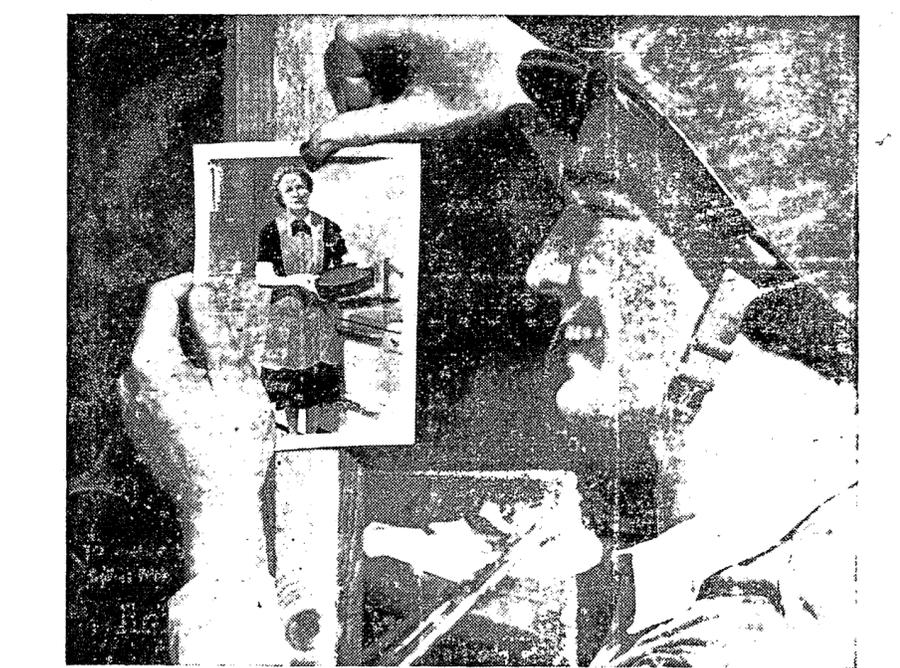

TRUSCON opal-tone

WASHABLE WATER PAINT

Quick-drying. Very economical, because two gallons makes three of wall paint—you thin with hydrant water. Opal-tone is as modern as the four-motored bomber. There are eight lovely pastel tints and a real, PURE WHITE. One coat of OPAL-TONE covers most surfaces. Use it right over wall paper—over wall board, rough or smooth plaster, brick, concrete, or over painted surfaces. Dries in half to one hour—“paint a room after breakfast—move in before lunch”. OPAL-TONE has a clean, pure, healthful odor—no “paint odor”.
