Do you remember

when light bulbs looked like this?

The young lady in the costume of thirty-three years ago is holding a 100-watt light bulb, vintage of 1910. In those days it was considered a wonder and people were glad to pay \$1.45 for it! Yet it gave only half as much light as your 100-watt lamp of 1943.

Yes—you get twice as much light today for the electricity you use. But that's not all: Electricity costs you only about half as much as it did the lady in the picture above.

HOW TO GET THE MOST LIGHT FOR YOUR MONEY

Here are three helpful suggestions that will help your eyes to get all the light they need—without wasting electricity:

1. Avoid glare. Glare from bare bulbs or wrongly placed lamps makes it hard to see with comfort, no matter how much light you have.

2. Avoid shadows. When you read or work in your own shadow you are using only a part of the light that is available. It is just as easy to use it all.

3. Dirt and dust collecting on light bulbs and reflectors can cut your light in half. Clean them regularly.

BAND NEWS

The Clarkston High School Band will march this Friday, June 11. The band will be in uniform and will start from the school about 4:15, march to main street and be there by 4:30. Then march to the street light,

turn left and march to Ford Factory. The rest of the program will be carried out there.

If the weather is bad on Friday the band will not march, but will march the first of next week.

THE LAND BEYOND THE SEA

by Orville DeVaney
American Literature Class
In the land beyond the ocean
Just beyond the rising sun
I can see old Glory waving
Waving 'til this war is won.
I can see my kind old mother
In her cottage by the shore
And I know when it's all over
I'll be going back once more.
There I'll stand beside the river
And I'll watch the world go by
Where old Glory waves forever
In the blue of sunny sky.
Yes, when the war is over
And all the world is free
We will live in peace forever
In the Land beyond the sea.

BOAT TRIP

Great things were in store for the Seniors on Friday, June 4th. Everyone met at the school at 6:30 (army time) and started from the school at 7:00 a. m. It seems we woke a few citizens up while going through town but if you people will recall you did the same thing. We arrived at the wharf in Detroit at 8:45, boarded the boat and set sail for Put-In-Bay. There was dancing on the boat all the way. Of course those who did not care to dance found exploring on the boat most interesting. The boat docked at Put-In-Bay at 1 o'clock leaving us until 4 to enjoy ourselves on the Island. Tandem bikes seemed to be the most popular recreation there. We ate our picnic lunch there. Several of us hired taxis to take us to the caves, which were most amazing.

We also went to the airport where we got the thrill of our lives riding in an open cockpit plane. Many of the girls were clad in slacks and those who wore dresses were sorry when they went to the top of the Memorial Tower as the wind certainly did get around up there.

After enjoying all these things we boarded the boat for Detroit. A couple of Clarkston students almost didn't make it. Certain Seniors must admit that the rocking of the boat on the way back certainly did things to their heads and stomachs. However no one got real sick, what with having to crawl on our hands and knees at times trying to climb the stairs between rocks. I wonder how these sailors manage?

We got back to Detroit at 8:00 and came straight to Clarkston and believe me, we were tired. Everything was just perfect, no rain, no accidents, nothing to spoil our fun.

This trip meant a great deal more than most other Senior trips, because the day after graduation our boys of the Senior Class of '43 leave for the Service. This may be the last time the whole class will be completely together.

CHRISTIAN SCIENCE CHURCHES
"God the Preserver of Man" will be the subject of the Lesson Sermon in all Christian Science Churches throughout the world on Sunday, June 13.

The Golden Text (Proverbs 18:10) is: "The name of the Lord is a strong tower: the righteous runneth into it, and is safe."

Among the Bible citations is this passage (1 John 4:16,19): "And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in

God, and God in him. We love him, because he first loved us." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.6): "God is Love." More than this we cannot ask, higher we cannot look, farther we cannot go."

THE OLD JUDGE SAYS...

"I can't think of anything else you'll need for your Victory garden, Judge... you've got pretty nearly everything."
"I think so, too, John. Ever get your asparagus patch going?"
"I gave that up last year, Judge. Tried it six years in a row with no luck. Just haven't got the right soil, I guess?"
"Well, I think you're wise, John... no use keeping on trying things you know won't work. Just like prohibition. State-wide prohibition has been tried in this country

seventy-two times in the last ninety years. It has been adopted forty-seven times in the past thirty-three years and discarded everywhere except in three states. Same thing was tried in eight provinces in Canada and in Norway, Sweden, Finland and Russia but it was an admitted failure and universally abandoned.

"The reason is prohibition does not prohibit. All you get is bootleg liquor instead of legal liquor, plus no end of crime and corruption."

SENIOR NEWS

As you know the custom has been to give awards to the various students who have shown their best ability in the various activities. The awards were given at the JUNIOR-SENIOR banquet—they were as follows:

Scholastic: Margaret Ann Beattie, Valedictorian
 Mazy Wompole, Salutatorian
 Citizenship: Evelyn McCann
 Athletics: Edward and Edwin Ross
 Music: Mary Edgar
 Band: Stan Perrin
 School Spirit: Kenneth Beard

Dramatics: Helen Hodges
 Dorothy Pacer was presented with a bouquet of roses, for her outstanding work.

SEEN ABOUT THE SENIOR HOME ROOM

Edward Ross, Edwin Ross and Don Boice carrying a Bible (could be that they are getting ready for baccaurate).

Evey McCann and Margaret Beattie's knees shaking as they try to remember the last page of their speech.

Mazy Wompole dreading 4 o'clock—that is when she practices her speech.

Everyone writing invitations to people that they thought of the last minute.

Each Senior, including Jim Moore, studying as hard as they can to avoid taking those dreaded final exams. Nearly every Senior boy waving a draft induction paper in your face.

Clarkston Locals

Born to Mr. and Mrs. Russell Wilson a 9 lb. 12 1/4 oz. son, Russell Ralph, on Saturday, May 22nd, at the Pontiac General Hospital.

One hundred three young people attended the Roller Skating Party Tuesday night at Riggle's Rink which was sponsored by the Senior Hi Youth Fellowship of the Methodist Church. The proceeds were sufficient to finance in part three youth to the Summer Institute at Lake Copneconic.

Twenty-two counties were represented at the 4H Youth Leadership Camp at Waldenwoods last weekend. There were seven representatives from each county. Robert Hubbard of Clarkston was one of the representatives from Oakland County. He says he enjoyed every minute. They had a good full program with many interesting discussions and very fine talks by capable leaders. They went to Camp Friday afternoon and returned home on Sunday night.

ATTENTION!

All civilian defense members are called to a close order drill by Sergeant Charles E. Broegman, Co. F, 33rd Infantry Regiment, Michigan State Troops, at the Clarkston School on Thursday evening, June 24th at

**"OVERLOADS?
 JUST ASK ME!"**

"LAST WEEK I flew forty-five soldiers and a jeep over to Mateur. One more pound of equipment and we'd have had to spit out our chewing gum to get off the ground!"

"So I know what the Telephone Company means by 'overloads.' There's a point beyond which you can't overload a plane—or a long distance switchboard. On top of all the war calls that must go through fast, civilians are doing more calling—some are urgent

calls, others less important. Any call, regardless of its destination, may slow up the handling of other calls."

Remember—you're rendering a public service when you cut down on long distance calling.

Please make only the most necessary long distance calls.

If you must use long distance, do all you can to keep your call brief.
