Clarkston School Reopens September 8

The Clarkston School will reopen Wednesday, September 8, at 9:00 o'clock when all students will register for the fall semester. Tuesday will be devoted to teachers' meetings.

Many improvements have been made in the building including the painting of several of the class rooms and the exterior of the building.

The teaching staff is complete with the exception of one high school teacher.

Miss Ethel Balls, the High School Principal, will be in her office Friday, September 3, to consult with High School students who have problems or who are entering from other schools.

Rotary Club Has Ladies' Night

On Monday night the Clarkston Rotarians had a happy time at Indianwood Golf Club when they were hosts to their wives and a few friends. During the afternoon, in spite of the rain, some of the men enjoyed a few holes of golf. At seven o'clock a chicken dinner was served and the group not only partook of a very fine meal but they had a good time visiting.

Among the guests besides the wives of the members, and the speaker of the evening, Congressman George Dondero, were David L. Brown, division manager of the Consumers Power Co., and Mrs. Brown; William Tippy, assistant to division manager of Consumers Power; Mr. and Mrs. Elmer Pettengill, Mr. and Mrs. G. A. Walter, Mr. and Mrs. Robert Waters and Mrs. John DeLind.

Mr. Dondero, who is on a short recess from Washington, is kept busy as a guest speaker at club meetings and although he has only until the 14th of September to be at his home, unless an emergency calls him to Washington, after Monday night he had twenty-one more talks to make. His talk on Monday night was exceptionally interesting in that he made a review of the war situation in the several battle areas. He asked the group as Americans not to be too optimistic and to keep on working hard on the home front. At the conclusion of his talk he answered any questions that were asked.

Jimmy Hack Breaks Leg While Playing Saturday

Ten year old Jimmy Hack, son of Mr. and Mrs. Louis Hack of Springfield, had the misfortune to break his right leg above the knee last Saturday morning while playing with some boys in Sheehy's barn. Jimmy was rushed to Pontiac General Hospital where his leg was put in a cast. He remained in the hospital for the week and if all went well he was to return to his home today or tomorrow.

He will have to be in bed for a while and the days will seem long. He would like to hear from his little friends and his big ones too.

Ralph Hagen and Elton Rouse are enjoying a vacation in Alpena.

Mrs. F. E. Davies spent last week in Bay View and Petoskey.

Mr. and Mrs. Harold Kennedy spent last Sunday in Clarkston. Mr. Kennedy is stationed in Ann Arbor.

Mrs. Stanley White is spending a month with her mother, Mrs. Iva Miller, before going to make her home in Washington, D. C., where her husband is stationed.

Our Boys and Girls In The Service

Hawley Skarritt, who is with the Seabees, is stationed at Williamsburg, Va.

Ralph Tower is enjoying a short furlough at his home here. He has just completed his "boot" training at Great Lakes Naval Training School.

A very pretty card was received from Lt. Mary Gassick this week showing a picture of the River Ouse at Bedford, England. At the top of the card were the words of the Prime Minister, "We shall never stop, never weary, and never give in". Mary is stationed at a hospital somewhere in England.

Bob Reid, son of Mrs. Alma Reid of Scott Lake will leave next Tuesday to start his training with the Seabees. Bob is well known to the young folks here having attended the Clarkston school.

A letter from Ernest Hazlett who is stationed at Norfolk, Va., says he has received the rating of Aviation Ordnance Man 2c and he likes it much better than painting. He says it is a fighting rate and a much more important job. He has been watching for Chuck Beach who is stationed there also but never gets a glimpse of him. He closes his letter by saying "Tell all my friends in Clarkston 'Hello' for me".

Radio Man Hugh Cheeseman, S2c, son of Mr. and Mrs. C. J. Cheeseman of Clarkston made a visit home on Saturday, August 14th, by plane from Baltimore, Md. He only had 48 hours leave so had to return to his base again by plane on Sunday night. It was such a thrill to see the old home town again. He said it was worth the trip even for such a short time.

On his return trip the flight ahead of him from Pittsburgh had to return because of a burned out motor and only those on Hugh's plane with priorities were allowed to go on. Fortunately Hugh had a priority so was able to get back to his base on time.

On Friday night after his return Hugh and his seven piece orchestra assisted in an entertainment given for the benefit of the graduates' smoker. The Commandant of the base was so impressed with the program that he is giving the show personnel extra liberty this next weekend to present the program at another base. Hugh played two trumpet solos, "Star Dust" and "9-20 Special", which were received with great applause.

The next morning, after the fun of Friday night, it was appalling to have a disastrous fire strike Bainbridge. The Signal Man's School, the Quartermaster's School and the Cooks' and Bakers' School, including the offices with all the records were destroyed. Some estimated the loss at about \$50,000.

This letter was sent to the Service Mothers Club and read at the meeting Aug. 12 by Mrs. Clifford Bennett, Ft. Devens, Mass.

July 22, 1943

Service Mothers Club:

I wish to thank all of you for the lovely birthday card I received the other day. It is a wonderful thing you mothers are doing. If everyone in the service feels as I do, to be remembered by the people from home means a lot. The saying—mail from home is an important morale builder is really true. No one can realize how much it does mean until you are in the receiving line at "Mail Call".

Life in an Army Post is very interesting. During our "Basic Training" which is a four week period, we have classes in First Aid, Defense Against Air Attack, Mess Management, Chemical Warfare, Physical Training are just a few subjects we are given. Sometimes, we get awfully tired but with good food and proper rest we soon get over our tiredness.

We have almost every facility here on the post for entertainment. We have six modern theatres which only cost 15c to go to a show. There is also a Service Club where there is writing materials, library, food and other things to make people comfortable. As far as I can realize I wouldn't like to go back to civilian life now—the work the girls in the service are doing is very important and most of them are doing a wonderful job of it.

Undoubtedly you have all heard of all the clothes we receive. Most of it is issued the first day we arrive at our destination. Every bit of it is of the best quality and I know I do take pride in my uniform.

Again, may I say thanks for the card, I certainly did appreciate it. Sincerely,

Aux. Marian Yost

Many are interested in what is keeping Bill Parker busy. The following letter to his mother and dad will give them some idea of just what he is doing.

Sat. P. M.

Dearest Mother and Dad, I hope that this will be worth waiting for. I am writing this while on my new job—I'm now on the fire boat

A Letter From Home

Dear Boys, Although you are here, there, and everywhere, we can still do a little talking via the mail. The Sunday morning services look rather bare without you. Once in awhile the pews are sprinkled with uniforms here and there, but it isn't the same as having all of you filling up the seats.

We are going to have a service flag and the stars have multiplied rapidly. Each star represents to us someone to be proud of—a man who has gone from us to tackle a task that will not be easy and a job that he would not have chosen for his life occupation.

You have probably all had letters telling you about the English lads who are being entertained here in Clarkston. Jitterbugging evidently is not their dish, but they all make a stab at it and hot "dogs" are a common occurrence. I'll bet the girls are all counting on the day when you come home and get in the groove again. The girls are not the only ones either; all of us will be mighty glad to see you.

When you left us, there were no flags waving, no bands playing and no glory to war, because you realized as everyone else that war was a serious business and could not be taken lightly. The farewells of this era were not gay, grandstand shows, but a more sincere pat on the back and "So long for awhile, son; we're all behind you and here to wish you, not luck, but the faith and courage to face whatever comes your way. You've got what it takes, and we are all well aware of it."

Many of you are climbing into the ranks of officers and you deserve all of the credit that is due to you. You are accepting these commissions, knowing that your gold bar or silver eagle means more than a decoration and an added amount of prestige—but a symbol of leadership and extra responsibility.

I have observed that men are inclined to be more religious after entering the armed forces. A soldier or sailor seems to discover that he needs a Faith to stand on, a God to believe in and a Christ to follow. This is really a great thing for our country, but at times I wonder if you are not too apt to consider your religion more as a life preserver than a permanent thing. Men in the fox holes, lone sailors on a lonely raft, and pilots in the sky call on God for help, and call it their religion because their lives were saved. That religion must go deeper; it must penetrate your lives before it will become a vital part of you.

Those who will become more readily rechristened after this war will be the Christians who have the roots of religion firmly imbedded in their lives. I hope that you will all be classified in that category, and you will know as soon as you can answer this question truthfully and honestly. Is your God a life preserver or a life necessity to you?

Think it over, boys, and the rest of us will be "thinking things over" with you. You are a great bunch of boys and we do miss you.

So long for a while,

Harold Pailthorp

instead of the patrol boat.

Mother Beardslee told me when she first got here that you were expecting to hear from me. I didn't mean to make you wait so long for a letter but as usual just couldn't find time.

We are awfully happy to have her here with us. I'm afraid though she won't find it as interesting as her trip west. This will be a good rest for her before she has to go back to work. Gen and I are gone all day and she has time pretty much to herself. She has cooked some mighty fine meals for us and they certainly taste good after going so long without home cooking.

We would very much like to have you down for a visit, Mother, and Dad too if the trip wouldn't be too much for you. The only way we could accommodate you would be to have the same room we now have for her. Our landlady has the room ready for light housekeeping and seems anxious to rent it for that, perhaps we can talk her into letting us have it for an extra week. You write and let us know for sure if you are planning on coming and then we will try to make arrangements. I think Mother B. is planning on staying at least another week.

I'm finally sending you those pictures I promised sometime ago. The others are the boys I had on the boat with me. Big fellows, aren't they? Bud was my mechanic, he's from Detroit. Eddie was my seaman, he's from Toledo. We were taken off last Sat. when the Coast Guard Auxiliary men took over patrol duties, it had been going to take place some time ago. I was at the station for awhile this week until I was put on the fire boat. It is a much larger boat, fully equipped for fighting large harbor fires and our work is mainly standing by for calls, have very few here though. My liberty is the same as I

More and More Lives Saved by Blood Plasma

The Red Cross will set up the blood bank equipment in Drayton Plains on September 13th and will remain there for 3 days. Four Townships will participate in this great work, collecting blood so that more lives will be saved in the battle areas. Independence, Waterford, Springfield and White Lake Townships will have a chance to send as many donors as possible during these three days.

In Independence Township Mrs. John Shaughnessy has charge and Tuesday, September 14th is the day set aside for all from this district to make their donation. At least 300 donors from this section are needed. If you are healthy then there is no need of fearing any harmful effects. Call Mrs. Shaughnessy at once and give your name and the time of day you would prefer to visit the station. Also let her know if you will need transportation to Drayton Plains. If it is not convenient to call Mrs. Shaughnessy then leave your name and the necessary information at O'Dell's Drugstore. The work at the blood bank will start at 2:30 in the afternoon and continue until 7:30 in the evening. Just make sure that your name is on the list. If it is impossible for you to be there on Tuesday and you care to help, then you can make an appointment for Monday or Wednesday.

Mrs. Ralph Minnis will be in charge of transportation; Mrs. Thomas Boothby will manage the canteen and Mrs. Gerald O'Dell will act as supervisor of nurses.

It takes time to make out the time schedule so be sure and get your name in at once. Every pint of blood is needed.

Prospective Bride Honored Last Friday

Last Friday evening Mrs. Ralph Minnis and Mrs. N. E. Maytag entertained at the Maytag home at 99 N. Main Street at a miscellaneous shower honoring Miss Evelyn Davies who will become the bride of William Hungerford on September 4th.

During the evening Miss Davies was presented with many very lovely gifts. Refreshments were served from a table attractively centered with a miniature bridal party. Mrs. Minnie Davies, mother of the honoree, presided.

The guests included, besides the honoree and her mother, her sister, Nancy Davies and her cousin, Barbara Davies of Lansing; Caroline and Phyllis Walter, Margaret Ann Beattie, Mazy Wompole, Norma Davison, Carmen Clark, Louise and Mary Jane Gulick, Charlotte Sue and Lela Miller, Muriel Boyers, Mrs. Frank Powell, Mrs. Jack Skarritt, Mrs. Lloyd Sibley and Mrs. William Mansfield, all of Clarkston, and Mrs. James Glenn and Mrs. P. J. Vierjech of Pontiac.

Fate

A funny thing the hand of fate That points the way with finger grim, To happenings on future date Controlling deeds of mind and limb. Man bends this finger now and then And deviates from courses set, To muddle up the lives of men Who stray into the master's net. To fight the path that fate decreed Is to lengthen out the road, By act of selfishness or greed And place on man an extra load. We pride ourselves that we can swim And buck the current of the stream, While this is but a stubborn whim And useless as a baby's dream. If we would lend an open ear To voices telling us the way, The goal we seek we'd find was near To where we live day after day. It's grand to buck the river's force Against the hand of fate so grim, But let us just reverse our course And show the world how we can swim.

Robert C. Beattie.

had on the patrol boat so I see Gen just as often. There are five of us on the boat and two crews, we work 12 hrs. on duty and 12 hrs. off on liberty.

I am still playing ball, our team is leading this half race with 6 victories and no defeats. Looks like we will win the championship, only have 6 games left. If we win it we have been promised some games out of state by our commanding officer. Would like to play Great Lakes but I'm afraid they're a little too strong for us—just a "little" hal.

Gen is feeling fine and working every day. She still doesn't take on any weight though.

I guess this will be all for now. I wish I could keep my promise and write to you often. It seems like I have enough time but it manages to pass by awfully fast. Write when you can find time and news. Gen sends her love and best wishes along with mine.

Your loving son, Bill

Special Election Tuesday, Aug. 31st

Zoning Ordinance to Be Presented to Voters

Next Tuesday the voters of Independence township will decide whether the township exclusive of the Village of Clarkston will come under the state law relating to zoning of townships.

Two questions seem to be uppermost in most minds. One is the proper separation of residence and business property, as well as restricting the type of homes in certain districts. The other question deals with the matter of low priced and temporary homes which some believe must be discontinued if such an ordinance is adopted.

Before voting you should investigate every angle.

Read the election notice on page 3.

Several R.A.F. Boys Spend Weekend Here

Last weekend about 34 R.A.F. boys from Ft. Albert, Ontario, arrived in Clarkston and spent a gay time with the young folks here. They were made welcome in many homes and they were not in the least hesitant in expressing their appreciation for the very fine meals and the warm hospitality.

One group attended the "Y" dance in Pontiac on Saturday night while another group gathered at the home of Mr. and Mrs. Seymour Miller on Holcomb Street and enjoyed dancing, singing, a marshmallow roast and a general good time until far into the night.

These boys, who are far from home, are delighted to come to Clarkston where they are made to feel at home and where they learn to do things the American way. If you could accommodate one, two or three boys for overnight some weekend or if you could manage to have them in your home for a meal or two, you, as well as the boys, would have a good time and you would feel happy to think that you were able to lighten the load for these boys who are so apt to get lonely and weary at Camp.

Call Mrs. David Newland, Clarkston 3121, and let her know what you will do for some of the service boys.

P. T. A. Plans Fall Activities

The executive committee of the Clarkston P.T.A. met at the home of the president, Mrs. Leslie T. Shanks, on Thursday night of last week. The activities for the year were discussed and plans were started for a reception of Mr. and Mrs. Ransom Johnson. This reception will be in the form of a dinner with a program following. As far as the program is concerned the School Board will work with the P.T.A. Several recreational projects were discussed such as a civic lecture course, an ice skating rink and a gym class for girls.

The officers and committee chairmen for this year are: president, Mrs. Leslie T. Shanks; vice president, Mrs. Russell Colton; teacher vice president, Mrs. William Vliet; father vice president, Mr. Ami Althouse; treasurer, Mrs. K. L. Johnson; corresponding secretary, Mrs. Carl Lindahl; recording secretary, Mrs. Keith Leak; program, Mrs. Russell Colton; budget and finance, Mrs. K. L. Johnson; ways and means, Mrs. Clarence Drake; hospitality and publicity, Mrs. Gray Robertson; membership, Mrs. Arnold Mann; recreation and entertainment, Mr. Paul Henry; National Parent-Teacher magazine and adult education, Mrs. Howard Huttenlocher; war projects, Mrs. William Johnston; nutrition and school lunch, Mrs. Lee Volberding; home front representative, Mrs. Garnet Poulton.

Large Hawk Caught Stealing Chickens

On Thursday of last week excitement was high for a few minutes at the Bourque Chicken Farm on Orion Road when a large red hawk tried to kill a chicken. When the bird was in the act of taking the chicken Mrs. Bourque's daughter, Mrs. Cameron, appeared on the scene and undertook to chase the hawk away and rescue the chicken. However Mr. hawk decided he would have the bird and he put up a fight. For about fifteen minutes Mrs. Cameron struggled with the thief before Mrs. Bourque, who was in the garden, saw what was happening and went for help. Floyd Powers was summoned and he shot at the bird several times before he was downed.

The hawk measured 44½ inches across the wings and proved to be just as mean as he was mean looking. He was responsible for the loss of many chickens at the farm.

Mrs. Durand Ogden went to Chicago on Tuesday to be with her sister, Mrs. Ella MacArthur, who is very ill.

Many Honors Won By Clarkston 4H

The Clarkston 4H Club was right out in front when it came to winning prizes at the 4H exposition held on Thursday and Friday of last week at the 4H farm on M24. This was the first year in 4H work for some of those whose exhibits took first place. The Clarkston group was represented in the Live-stock show and also the Canning exhibit.

Those who won ribbons in the Live-stock were: Kenneth Beard—second place for a red Poll cow, also 2nd prize for showmanship, mixed breeds; Wilbur Adams—3 Cheviot sheep, all firsts, the 3 sheep to go to the State Fair at Lansing, second prize on fleeces; John Adams—3 Cheviot sheep, 2 seconds and one first, all to go to State Fair, also 1st prize on fleeces; Mary Edgar—Holstein heifer, first prize, to go to State Fair—also 2nd prize for showmanship; Mary Alice Carr—3 Southdown sheep, all first place, to go to State Fair; Marian Emery—Jersey calf, first place, to go to State Fair—this calf will be shown at the Lapeer Fair; Mary Jo Pettengill—2 Shropshire sheep, one 2nd place and one 1st, the one in first place will go to State Fair; Robert Hubbard—a Hereford steer, 1st place; 2 Oxford sheep, both firsts, the steer will go to the Junior Live-stock show in Detroit; Pat Hoyt—2 Shropshire sheep, third place and fifth place; Glenn Arthur—New Hampshire Reds (chickens), 2nd place; Eugene Hubbard—Hereford steer, 2nd place; Oxford sheep, 2nd place, the steer to go to the Junior Live-stock show in Detroit; Jack Ferris—Hereford steer, 6th place.

One interesting feature of the live-stock show was the demonstration of showing and blocking sheep by Wilbur Adams and Robert Hubbard.

Canning: Mary Jo Pettengill, 5 cans of fruit, 1st place—4 cans to go to the State Fair; Katherine LaPlante—1st prize; Patricia Watson, 2nd; Mary Edgar, 2nd; Judy Bevan, 3rd; Marian Emery, 1st; Lois Baynes, 2nd; Martha Clark, 2nd.

NOTICE—The Canning Club will meet at the home of Lois Baynes on Sept. 2nd.

Death Claims Lifelong Resident Of Oakland County

Mrs. Charlotte Smith, 79 years old, passed away at the home of her daughter, Mrs. Jess Vliet, in Rodney, Mich., on Thursday of last week after being ill about a week.

Mrs. Smith was born in Clarkston on November 14, 1863, the daughter of Mr. and Mrs. Ransom Johnson. She was married to John T. P. Smith who died in 1921. Mrs. Smith was a lifelong resident of Oakland County and was a member of the Clarkston Methodist Church.

She is survived by three daughters, Mrs. Jess Vliet of Rodney, Mrs. H. L. Boque of Detroit and Mrs. Julia Yeager of Lapeer; two sons, Sidney Smith of Flint and William Smith of Clarkston; several grandchildren and great grandchildren.

The funeral service took place at the Ogden-Kennedy Funeral Home in Clarkston last Saturday afternoon at 2:30 with the Rev. Robert Bach of Waterford officiating. Burial was in Lakeview cemetery.

Sept. 2nd—Thursday, the Independence Garden Club will meet at the home of Mrs. Lee M. Clark, 38 N. Holcomb, Clarkston. The Roll Call will be answered with "An interesting garden experience".

The annual Victory Vegetable and Flower Show sponsored by the Oxford Garden Club will be held in the Oxford High School Auditorium Wednesday and Thursday, September 1 and 2. All exhibits to be placed by 11:30 a. m. of the first day.

The show this year promises to be exceptionally good on account of the addition of vegetables from many of the Victory Gardens along with the flowers.

Everyone is cordially invited to attend. Admission is free.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 29.

The Golden Text (Micah 5:2) is: "Thou, Beth-lehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been made from of old, from everlasting."

Among the Bible citations is this passage (John 3:14,15): "And as Moses lifted up the serpent in the

wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," (by Mary Baker Eddy, include the following (p.473): "Jesus is the name of the man who, more than all other men, has presented Christ, the true idea of God, healing the sick and the sinning and destroying the power of death."

Leslie Howard knew the enemy would kill him. Curious premonition of Nazi ruthlessness that made the movie star propagandist sure the sculptor's cast of his features would be his death mask. Don't miss this unique feature in The American Weekly, the magazine distributed with next week's Sunday Chicago Herald-American.

You use all these WAR MATERIALS

when you use electricity!

Electricity is not rationed. But each time you turn on an electric light in your home, each time you plug in an electric appliance, you are using vital war materials. Electricity requires coal for its manufacture. Thousands of tons are burned every day in large Detroit Edison power plants—coal that is brought in by boat and by rail. Besides coal, large quantities of other materials are also needed—oil, for example. All of these represent precious manhours of labor.

There is no shortage of generating machinery in this area. But a saving of electricity means a saving of coal . . . and saving coal means releasing more transportation facilities for the job of carrying guns and oil and other war materials to our armed forces. Careful, reasonable use of electricity is a patriotic duty now—in store, office and home. Help conserve electricity by reducing your use. The Detroit Edison Company.

ELECTRICITY IS NOT RATIONED. BUT ITS PRODUCTION REQUIRES COAL AND RAILROAD TRANSPORTATION. DON'T WASTE IT!

2 GALLONS MAKES 3!
COSTS LESS GOES FURTHER

Add 50% Water to OPAL-TONE and You Have a Bucket Full of the Finest Wall and Ceiling Paint You Ever put a Brush Into

Quick-drying. Very economical, because two gallons makes three of wall paint—you thin with hydrant water. Opal-tone is as modern as the four-motored bomber. There are eight lovely pastel tints and a real, PURE WHITE. One coat of OPAL-TONE covers most surfaces. Use it right over wall paper—over wall board, rough or smooth plaster, brick, concrete, or over painted surfaces. Dries in half to one hour—paint a room after breakfast—move in before lunch. OPAL-TONE has a clean, pure, healthful odor—no "paint odor".

THE OLD JUDGE SAYS...

"Anything new, Bert, on that black market trial up at the county seat?"

"The jury came in 'bout an hour ago, Judge. The verdict was 'guilty.' I understand the sentence is going to be a mighty stiff one."

"Can't be too stiff to suit me. Anything those law-flouting racketeers get will be too good for them. How they thrive every time there's an opportunity to sell something illegally instead of legally in this country. Just like the bootleggers did during the 14 years when liquor was sold illegally instead of legally."

"Unless this black market in meat and other commodities is stamped out and stamped out quickly, Bert, we're in for another dose of the crime, corruption and lawlessness we had following the last World War."

Everyone will be sorry to learn that Mrs. Walter LaPlante fell on the stairs in her home last Sunday and broke her right arm in two places. Mr. and Mrs. Simpson are visiting their son in Quebec.

Methodist Youth At Institute

Five Senior High School youth of the Methodist Church will attend the annual Summer Institute at Lake Copneconic next week. The Dean of the Institute is the Pastor of the local Methodist Church, The Rev. W. Harold Pailthorp.

The morning program presents the following selection of courses:

"Worship Through Hymns" (First Commission Course)—Rev. A. Stanley Stone, Flint, Mich.—9:10.

"Boy and Girl Relationships"—Miss Dilys John, Milan, Mich.—9:10.

"Meaning and Purpose of Prayer"—Rev. George M. Jones, Durand, Mich.—9:10.

"What is Right and Wrong"—Rev. Ira W. Cargo, Fowlerville, Mich.—10:10.

"The World's Living Religions at Work" (Second Commission Course)—Rev. Floyd Sullivan, Flint, Mich.—10:10.

"The Christian's Contribution to World Order" (Third Commission Course)—Rev. Mervyn M. Morse, Bancroft, Mich.—10:10.

"The Sermon on the Mount for Today"—Rev. Dean W. Parker, Holly, Mich.—11:20.

"Race Relations in War Time"—Rev. James Farmer, Washington, D. C.—11:20.

"Recreation and Abundant Living" (Fourth Commission Course)—Rev. K. Rex Reid, Genesee, Mich.

In the afternoon Orchestra, Dramatics, First Aid and Camera Club are included in the program.

The evening programs are of an entertainment nature. One hundred youth with a Faculty and Staff of twenty will comprise the Institute.

A Victory Cooperative Supper will be sponsored by the Adult Bible School Class of the Community United Presbyterian Church tonight Friday, August 27th, at 6:30. Every member of the congregation is urged to be present. Bring sandwiches and one other dish. The coffee will be furnished for the supper. A wonderful program has been arranged and a good time will be had.

A business meeting for the P.T.A. Mother singers was held at the home of Mrs. Grace Barnhart last Tuesday evening, for the starting of their fall rehearsals. Mrs. L. M. Angleton will be the instructor again this year.

Mr. and Mrs. John Judd and Mr. and Mrs. Jack Visgatis are spending several weeks at their cottage at Platte Lake.

Inez Holcomb, daughter of Mr. and Mrs. Ferris Holcomb, is having a good time visiting her aunt, Mrs. John D. Kent, at Maceday Lake.

Many here will be interested in knowing that Miss Ada Marie Love, a former member of the Clarkston School faculty, was wed on July 22nd in San Antonio, Texas, to Ray Dennis, who is stationed there with the Air Corps.

Sunday dinner guests at the home of Mr. and Mrs. William Goulet were Mr. and Mrs. Luger LaBarge, Mrs. Hubert LaBarge and Mr. and Mrs.

Louis Goulet and family, all of Pontiac and Mr. and Mrs. Emery Goulet and family and Mrs. Leona Valade and family of Flint. On Monday

guests at the Goulet home were Mr. and Mrs. Thomas Loughlin and family and Mrs. Anna Wangler of Detroit.

Home Owners

Protect Your Present Investment

Small home owners in Independence Township are urged to protect their investment by voting "YES" on the Zoning Ordinance at the Election called for Tuesday, Aug. 31, 1943.

Present small homes are not affected in anyway, and your property will be protected against depreciation by the erection of small value homes by temporary residents.

Investigate and you will find how beneficial this measure can be to you.

The law is to be administered by a board of four appointed by the Probate Judge.
