School will open Wednesday, September 8 at 9:00 o'clock with registration of pupils in all grades. All classes will meet regularly on Thursday. Both forenoon and afternoon Tuesday will be devoted to teacher's meetings. Miss Balls will be in her office Friday, September 3 to consult with new high school students about credits and schedules.

D. M. Winn is becoming his new tenth year as superintendent.

All new teachers employed have A.B. or M.A. degrees. This will be the first year that we have had a grade school principal and a teacher for each grade.

The Clarkston school is one of the few small schools enjoying a three year accreditation by the University of Michigan. This is an honor usually earned only by city schools that have generous sums of money to spend to build an outstanding school. With limited funds, the Clarkston School has been built up by hard work and a generally high caliber band of teachers. According to the accreditation it is the policy of the school to reduce teachers who do not meet these standards and to encourage outstanding teachers to return, although these teachers are free to also receive attractive offers from other schools.

The Board of Education is planning an open house for Wednesday, September 22 to acquaint citizens with the improvements that have been made in the various rooms of the building. The formation of the new teachers will be a part of the program. A banquet for the teachers is being planned by the P. T. A.

## An Important Meeting Wednesday, Sept. 8th

They are asked to meet at the Township Hall in Clarkston on Wednesday night, September 8th, at 8 o'clock. This is an important meeting so make an effort to attend.

Mr. and Mrs. Ronald Walter spent a few days the first of the week in Berea, Ohio, with Mr. and Mrs. Manley Walter.

## Baptist Church Will Celebrate 100th Anniversary

On Sunday and Monday, Sept. 12 and 13, the Clarkston Baptist Church will celebrate its one-hundredth anniversary. It is the desire of the membership that you and your family be present and participate in the services on this happy occasion.

Sunday, Sept. 12, there will be three services, 10:45 a. m., 3 p. m., and 7:45 p. m.

Monday evening will be a time of fellowship with a pot-luck supper on the grounds at the rear of the church or in the basement, as the weather permits, followed by a service dedicating the church to the service of our Lord and Saviour Jesus Christ.

Provisions will be made for those desiring meals or overnight lodging. If the committee is notified in advance. Address letters to Program Committee, c/o Mrs. F. H. Steiner, Clarkston Baptist Church, Clarkston, Michigan.

## Part of Township To Be Zoned

The special election held on Tuesday to consider zoning the West part of the Township of Independence, exclusive of the Village of Clarkston, drew very little attention.

Only 77 votes were cast and the vote carried with 67 votes for and 6 votes against the measure.

## Former Clarkston Folks Have Get-Together

A few weeks ago Miss Betty Walter who is living in Venice, Calif., went to Los Angeles to see the C. G. Fiskes. While there they enjoyed a Clarkston picnic in the mountains. At this picnic besides Betty and the Fiskes were folks who used to live in Clarkston. They included Mr. and Mrs. Ed. Stett, Mr. and Mrs. Leo Knecks and baby, and Mr. and Mrs. Kenneth Rockwell and family.

The group had a grand time reminiscing and looking over snapshots of the place they all call home.

## Are You Willing To Save a Life?

If you are willing to help save the life of maybe your son or your neighbor's son, then make sure that your name is on the list of blood donors for September 14th at Drayton Plains. Blood plasma is needed in the battle areas where wounded soldiers, sailors or marines are crying for help. Many many lives have been saved because folks at home have been willing to give blood. However, more and more is needed and we must not "let them down".

Call Mrs. John Shaughnessy, who is in charge in this district, or leave your name at O'Dell's Drug Store. Clarkston's schedule must be ready for headquarters by September 6th. The drive is shut so get your name in NOW.

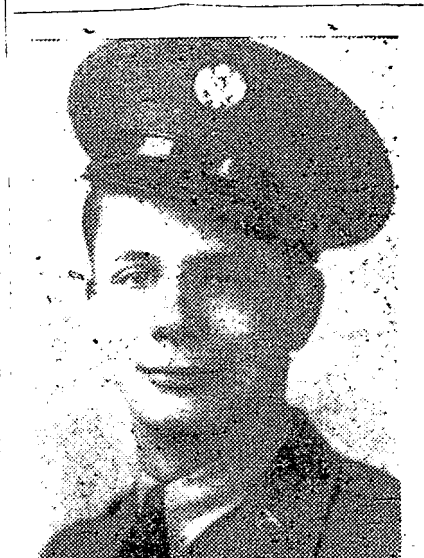

## Contributions Asked For Christmas Boxes For Service Boys

The Independence Township Home Front Committee have started their campaign to raise money to send Christmas packages to the boys from this Township who are in the service and will not be able to enjoy the comforts of home at Christmastime. To raise the needed funds with as little expense as possible contributions are being asked for. A house to house canvass will be made. If it is possible for you to make your donation inside of the next week you are asked to do so at O'Dell's Drug Store, The Clarkston State Bank, Waterbury & Terry Market, Beattie Motor Sales or the J. H. Alger Hardware. Monday night, the night the campaign started, the sum of \$135 was collected. No doubt the figure has mounted during the week. The overseas boxes are to be mailed as soon after September 15th as possible and the time is short to raise such a large amount of money. Please make a donation as soon as convenient and be as generous as you can.

Mrs. Caroline and Phyllis Walter have returned from a very lovely vacation in the south. They visited with their sister, Mrs. Lloyd Gudnell (Ruth Walter) in Anniston, Ala., and Phyllis enjoyed a few days in Gulfport, Miss., as the guest of Staff Sgt. Raymond J. Garcia.

## Boy From Clarkston In Southwest Pacific Seriously Injured

Last week Mrs. Betty Wells received a telegram from Washington, D. C. telling her that her son, Charles VanHeel had been seriously injured on August 13th.

PVT. CHARLES VANHEEL

Pvt. Charles VanHeel, 21 years old, has been in the service for over 2 1/2 years. He has been on overseas duty for a number of months. He is well known in and around Clarkston having lived here for 4 years. Before entering the service he was employed by the Ford Motor Co. in Clarkston.

While he has been away from home he has always written cheerful letters to The Clarkston News. One of his letters, written August 14th, is to be found in the Service Boys' column.

## Miscellaneous Shower Honors Evelyn Davies

On Thursday afternoon of last week, Mrs. Evelyn Davies, who will be a bride on Saturday, was honored at a miscellaneous shower by Mrs. Joseph Stothard and Mrs. H. H. Stothard at the Sorority House, Holmes Street.

During the afternoon the group had a good time playing "Bingo" and card games. Mrs. Davies was presented with many gifts. Refreshments were served from a table with a very nice decoration. A very nice time was enjoyed. The makings of a very good meal of chicken, potatoes, and fruit, lighted candles, Mrs. Davies received.

The guests included, besides the hostess and her mother, Mrs. Gray Walter, Mrs. Ronald Walter, Mrs. Carol Walter, Mrs. L. V. Sauer, Mrs. A. A. M.P., Mrs. Arthur Sauer, Mrs. T. S. Boens, Mrs. Robert Boyens, Mr. Volin Alger, Mrs. A. B. Womack, Mrs. Albin H. Deane, Mrs. D. M. Winn, Mrs. W. H. Stamp, Mrs. Duane Ozden, Mrs. Harold Pailthrop, Mrs. N. E. Mastag, Mrs. Ralph Minnis and Mrs. Beadley Miller.

## More Service Boys Here Last Weekend

Entertaining service boys in Clarkston is done in connection with the U.S.O. in Detroit and the folks here are certainly doing a good job. The U. S. O. is a national organization. They send to Clarkston the boys they think are deserving a few days in the country. Mrs. David Newland, who makes arrangements for the welfare of these boys in Clarkston, never knows what boys are coming out here and sometimes she doesn't know, until the last minute, just how many boys are to be taken care of.

This last weekend several U. S. Navy and Army boys and two or three Canadian boys arrived in town and again they were welcomed in homes here as overnight guests and several other homes were more than pleased to have them as guests for meals.

The U.S.O. in Detroit is satisfied that Clarkston is doing much to alleviate homesickness or any loneliness that might tend to lower the morale of these boys who are far from home. For a couple of weekends we had the honor of entertaining boys from other countries. We hope and pray that our boys from here, whether they be somewhere in the U.S.A. or England or some other far away land that they too will be able once in a while to enjoy a few of the comforts of home.

## Coming Events

Sept. 8th—Wednesday—the Clarkston Royal Neighbors will meet at the home of Mrs. Carl Irish. Members are asked to note the change in the place of meeting.

Sept. 9th—Thursday afternoon at 2:00 o'clock the Service Mothers' Club will meet at the Masonic Temple. All mothers of boys or girls in service are eligible and are cordially invited to attend these meetings.

August 4, 1943

Dear Sir: I haven't written before this but I have been on the go constantly. I am sorry that I can't say anything more but I can tell you something about the life we've been leading. We all have single equipment and it is very handy at the present time. We've been sleeping in hammocks for about a month. We're up at 5:30 and down at 8:00. I'm working as a cook and a motor now and it's very interesting for when I get home, I'll be able to cook very much and hope to be a chef.

I have a place for my fox as space is very short, but I'll keep it with you.

Give my regards to everybody and to the Clarkston paper coming to the boys.

Pvt. Chas. VanHeel.

The first of my mail letter was received last week from Africa: Mrs. M. M. W. Stamp.

How many few words to express my appreciation for the wonderful things that I have been getting from you. I really enjoy getting them and I'm glad to be back in the hospital. I have been in three weeks of the hospital. In fact I have been in the hospital since May 23rd with the exception of five days. I'm hoping to get out within the next 10 to 15 days.

Send my love to you to give all of the folks around Clarkston my best regards and to them that I hope to see when they are home and that I hope will be in the near future.

Sincerely,  
Richard See

Dear Mr. Stamp:  
I want to thank you for your thoughtful letter in sending me the paper and every week. It means a lot to the fellows in the service and I hope and believe that you will continue sending them to all of the boys.

I am now in Buffalo, N. Y., at the Curtiss-Wright Aircraft Plant for advanced training as airplane mechanic. This school is rated as one of the highest in the country and I believe that you and the others attending here are going to really receive an education. We are here for about 5 weeks.

I hope that everyone at home is well.

Thanks again for sending the paper every week.

Sincerely yours,  
Cpl. Ralph Kennedy

Dear Mr. Stamp:  
I want to thank you for sending me The Clarkston News. I really appreciate it. I thought it was about time for me to send you a letter. I haven't had much time to write since I came aboard ship. I work in the boiler room. It gets hot down there but I really like it. When we are underway I have to stand a watch every three days; 5 hours on and 5 hours off all day long. I saw Bob Johnson a week ago and when I was in Boston I saw Clark Souley. I am on a new ship. It really is swell.

Sincerely yours,  
Alvin Beardslee F3c

Miss Vivian O'Roark and Miss Betty Cole have returned from enjoying a vacation in Chicago and Wisconsin.

## A Letter From Home

Dear Fellows:

A letter from home to the boys in service. What do you usually say in a letter to service boys? Do you tell them that we miss them—wish them back at home—tell them of our prayers for their safety—explain to them about how dead it is here now—how the streets are empty? — No, even though that is all true, the letters from their mothers & sweethearts and wives will tell them all that. What will I say? I can't write very well. I haven't written a good, up-building letter for a long time. All I write about is when a guy won't pay his note—YOU COME IN AND PAY—OR ELSE. The boss says my letters to our customers have a sort of a mechanical touch about them. Get personal, he says, come to the point. That's hard to do — Shall I write the kind of letters I write to Ward Warden — no — they wouldn't print it. How about the type I wrote to Herb Beach when he was in Miami? — no — some of these fellows would feel I was getting too personal. Let's see, would they be interested in my golf game? I've only played twice this year, a 51 and a 55 for nine holes, that's lousy, but gosh last year I played about 60 games, what can you expect out of 2 games, and one of the games played almost after dark, that night Rod Muma and I planned on eating out and then going golfing after dinner, but after sitting out in front of Hack's for about an hour, and waiting in line inside for another 20 minutes—then waiting for service for 30 minutes, it was almost dark before we got started, that game wasn't any fun. I remember when we could round up 8 or 10 fellows in 5 minutes time any day or night for a game but what can you do now, everybody is gone to war. Oh, sure you can get a couple of grandfathers to go with you. Not running down Bob Beattie, but I played a game with him a couple of months ago, I jumped at the chance to play, and didn't take into consideration if he was a good player or not, IT WAS HIS FIRST GAME, and what a time we had, just a pair of Bobs, or should I say BOOBS, looking for his ball. A very beautiful game we had, and me, an experienced hand at the game (I got a 39 once) just wasting away in the sun. No, maybe Beattie would get mad if I wrote about this game. How about my Victory Garden — how I couldn't get it plowed—had to take a forenoon off to plow and fit it and then took two weeks off to recuperate. "FOOD FOR VICTORY" was my cry — that should be interesting to the boys. How I spent every night for 2 months planting and weeding and about the 2 million boulders I took off Ben Powell's field so I could get down to earth—how my hands blistered and my back ached and Uldene telling me that I put in too many radishes and turnips—and now when harvest time is around we are canning a lot of stuff which we purchased from Pete Terry's market. No, I can't tell about my garden because it didn't win any prize; my corn had smut and corn borer; my potatoes are a flop; we are buying tomatoes out of the store—anyway they get enough to eat in the Army and aren't interested in food. How about the bond drive we are holding and about the 1st and 2nd war loan drives? That was a lot of work they ought to appreciate that—about how we sold the bomber up at the school, sold Jerry Dark's pants, and raised about \$10,000.00 bucks, how we saw the bomber fly over Clarkston in appreciation of our efforts—no I can't talk about that as that was in the Clarkston News—Ann Stamp wrote about that in one of her columns. No sir, we don't have anything to write about. I'll just tell Bill Stamp to put in that for us stay-at-homes it is just a drab uneventful existence we are living and by golly if we didn't have all girls in the bank and they wouldn't want me anyway in the army I'd be with them too.

VERY TRULY YOURS  
Bob Jones

**YOU BURN COAL**

If you had to put a shovelful of coal in the furnace every time you turned on a light or used an electric appliance, you would realize more clearly why electricity is a war material. Actually, that is what happens when you turn on an electric switch: Coal is burned to produce your electricity.

Thousands of tons a day are consumed in the large Detroit Edison power plants—and this coal is brought in by rail and boat. Every carload and every boatload that can be saved means that much more transportation space to carry war materials for our fighting men. And it means precious manhours, as well as coal, oil, and other critical items.

So remember—when you turn on your lights or your radio or your range—that electricity should not be wasted. Today more than ever, its careful, reasonable use is a patriotic contribution toward winning the war. The Detroit Edison Company.

**"Sis asked me to tell you!"**

"My kid sister's a long distance telephone operator. She says there are so many calls these days that lots of the lines are 'overloaded.'  
 "At the base I just left down in the South Pacific, we knew about 'overloads.' We had a lot of doctors and nurses and beds, but sometimes after a big scrap, there'd be so many to take care of at one time that some of those boys would just have to wait their turn.  
 "Sis says the telephone's like that, too; that your long distance call today may delay another call that is even more urgent than your own."

Long distance lines to war-busy centers are particularly congested. Therefore, please . . .  
 1. Make only the most necessary calls to war-activity areas.  
 2. If the operator asks you to limit your call to 5 minutes, please co-operate . . . her request means others are waiting.

**Methodist W.S.C.S. Met Wednesday**

The Woman's Society for Christian Service of the Clarkston Methodist Church met at the Church on Wednesday afternoon with the Dorcas Circle acting as host.

At noon a pot-luck luncheon was served and this was followed by the business meeting and a short program. The Dorcas Circle realized \$11.15 from the sale of a homemade cake. Mrs. Harold Pailthorp had charge of the devotions. Mrs. George Puss sang a very lovely solo and Mrs. Robert Althouse gave some interesting and amusing readings.

At the business meeting the president, Mrs. George Perry, appointed the following as the nominating com-

mittee: Mrs. Ray Clark, Mrs. George Puss, Mrs. George Slayton and Mrs. Gerald O'Dell. Plans were started for a Penny Supper in about three weeks. One member from each Circle will plan the menu.

**Help Stop Telephone Nuisance**

For quite sometime you have been asked to be careful of your telephone calls. Use your phone when necessary but use discretion in the length of time you talk. Although these requests have been made innumerable times and the lack of material has forced the phone company to refuse the installation of new phones yet there are those folks who use their phones or allow them to be used as a nuisance. Several in Clarkston have been called in from Victory garden work or have been summoned up or down stairs by the ringing of their phone, only to find out that the call was made by a prankster who doesn't understand just what telephones are for.

Parents are asked to investigate and see if their children are responsible for these nuisance calls. Do not lose your telephone service because your phone is being used for these foolish calls.

The Dorcas Circle of the W.S.C.S. of the Methodist Church had great success last week collecting and selling waste paper. The sale brought them \$33.75.

Mr. and Mrs. Grant Cooper and family left on Thursday for Ft. Worth, Texas, to make their home while Mr. Cooper is employed there.

**Apron Sale Saturday, Sept. 11**

The Martha Circle of the Methodist W. S. C. S. will hold a sale of aprons at the L. F. Walter Store on Saturday, September 11th, starting at 9 a. m.

There will be kitchen aprons, fancy aprons, children's pinafores, tailored and dainty half aprons. So be there early while the selection is good. If you have any housewives on your Christmas list, this would be a good time to start purchasing your gifts.

**Births**

Born to Lieutenant and Mrs. Wilbur Walton a 9 lb 1 oz. son, William Woodrow, on Friday, August 27th, at the Pontiac General Hospital. Lieut. Walton is now stationed somewhere in India.

Born to Mr. and Mrs. Edmund Gunter (Eleanor Baynes) a 7 lb 7 oz. son, James Garritt, on Monday, August 30th, at the Pontiac General Hospital.

Mr. and Mrs. Edward Weber are receiving congratulations on the birth of their second child, a 9 1/2 lb son, Collin Lee, on Monday, August 30th at the Pontiac General Hospital.

**Many Fine Gardens In This District**

The 1943 Victory Garden Contest is drawing to a close. The judging for the State prize is yet to be completed and it is expected that this will be done during the next two weeks. There has been a keen interest in this contest and the result has been some very fine gardens.

In Clarkston and the rural district there were 31 gardens entered and it was a real undertaking for the judges to make decisions. Although no prizes were given in the local area yet all who entered the contest worked for a top place which automatically put them in the County contest.

The report of the judging in this district was as follows: rural group—1st place, Mrs. Otto Ionen, route 2, garden on M15 about 4 miles north of Clarkston; 2nd, T. F. Boothby, 7081 US 10, garden at same location; 3rd, Mrs. Albert Petersen, 9263 Dixie Highway, garden at same location; urban group—1st, James G. Bennett, 6109 Overlook Rd.; 2nd, Richard Bullen and Charles Robinson, 50 Robertson Ct., Clarkston, garden on Clarkston-Orion Rd.; 3rd, Frank Atkins, 65 Washington St., Clarkston; home grounds group, 1st, Ralph Secord, 6701 Northview, Clarkston; 2nd, P. B. Lowery, 6337 Maybee Rd., Clarkston.

In the County Contest Mrs. Otto Ionen won second prize, \$10 worth of defense stamps.

The judges in the Clarkston district deserve mention for their fairness. It was an honor to be selected as a judge but along with the honor was a great deal of work. The judges here were: F. E. Davies, A. B. Wompole, Jos. Seterlin and Frank Leonard.

How we spend our lives playing dangerous games, reading about murders, watching daredevil entertainment in an effort to still the voice telling us that the grim reaper will catch up with us some day, yet forget about him under fire if we're busy and angry enough, is described in this Sunday's (Sept. 5) issue of The Detroit Sunday Times. Get The Detroit Sunday Times!

**Guessing**

There's nothing sure in life of man As thru the sea it deftly sails, Uncharted; and without a plan To brave the ocean's wintry gales, We have no way to count our years Or pick the place in life we'll fill, And most folk just accept careers That seem to please the Master's will.

I do believe that such a plan Is best, and He is just and wise, To not depend on mortal man To pick the job to match his size, For we might over estimate Abilities of craft and skill, Which might in turn necessitate Depression of our soul and will.

So as we sail uncharted seas, As far as eye of man can see, We live in hope that we will please The forces of eternity.

There's things we think and hope we know And on the world we would impress, The things we think we know are so, But Ah alas! we only guess.

Robert C. Beattie.
