Mrs. Hickson, president of the County Council, reminds us it is not only our privilege but our duty to belong to the P. T. A. and urges everyone to join, whether or not they are a parent and unite to prepare for a post war world.

Put yourself in his shoes tonight

Think how eager you'd be to talk to the folks at home if you were in the Army and away at camp.

You see, that's about the only time a soldier can get to the telephone. If the circuits are crowded, he may not be able to reach home before taps.

That's something to remember when you're thinking about making a long distance call between 7 and 10 o'clock at night.

Charlotte Maybee

11TH NEWS

Today after little deliberation the leaders came to the front. They are: President—Ray Smith; Vice President—Jack Tee; Secretary—Jack Craven; Treasurer—Ethelyn Smith.

I believe that our class has made good decision and that our class officers will fulfill their duties very conscientiously.

Barbara Strickland

10TH GRADE NEWS

The sophomores elected their class officers Monday morning. They chose the following:

President—Norman Johnson Vice President—Frank Ronk Secretary—Tommy Slick Treasurer—Herbert Rose

We have two boys playing in the dance band this year. If you attend the football game Friday you will see some of our boys playing on the football team. See you next week.

Joyce Lawson

NINTH GRADE NEWS

The first period, Monday morning was kept open for the election of the class officers. Miss Tew, who will be our sponsor, took charge of our meeting until our president was elected. The class officers are as following: Basil Ash, President; Doris Boyne, vice president; Katherine La Plante, secretary; Glenn Arthur, treasurer. We then voted on class dues and it was decided that \$1.5 a month would be suitable. It was difficult to prevent the capitalists from insisting on \$.50 per month, but the level headed majority held them down.

The next important event to take place will be the Student Council Election. We hope that all our Freshmen will vote wisely and possibly get one ninth grader on the council.

Katherine La Plante

STUDENT COUNCIL ELECTION

Monday we started campaigning for our student council officers; they are as follows: President, Business manager, Boys' Commission of Building and Grounds, Girls' Commission of Building and Grounds, Boys' Commission of Activities, and Girls' Commission of Activities.

The boys and girls who vote for these offices or carry a petition around for candidates, should know something about their duty. Do not vote for a person because they are nice looking or are your boy or girl friend. Know something about them so we can have some activities such as assemblies and pep meetings.

All petitions must be turned in no later than Tuesday, September 28th at four o'clock in Miss Bull's office. The three petitions with the most names for each office will be put on the ballot. The person taking out a petition for a candidate will be responsible for his respective candidate's campaign until eighth period, Thursday, September 30th. Voting will take place Tuesday, October 5, from 12 noon to 4 p. m.

CLARKSTON CHEERLEADERS

We have seven cheerleaders this year, they are: Mary Lee Volberding, Mary Porritt 7th, Doris Boynes, Ida Beattie 9th, Ethlyn Smith, Barbara Strickland, and Barbara Gunter 11th. Little Roy Wegman 8th is also going out, but as yet he hasn't appeared. The girls were very nervous during their first appearance, but now with a little confidence we can do better. Norma Davison came up several noons and showed us several old cheers.

We had our first pep meeting last Friday the 24th, we had another short one Wednesday for the scrimmage game with St. Mike's and we will have another one this Friday for the game with Goodrich. Good Luck Clarkston!

Barbara Gunter

FOOTBALL APPROACHES!

The football season gets under way this week with a scrimmage game on Wednesday with St. Michael's of Pontiac. Incidentally this game is on the home field of Clarkston High. Friday the team journeys to Goodrich to meet their team in our first regular game of the season. Two of the teams Clarkston played last year have discontinued football so our season may be somewhat shorter this year. However we're still playing. Everyone should turn out even for scrimmage games as we have few home games.

Walt LaPlante

PEP MEETING

Last Friday afternoon we all met our new cheerleaders, Barbara Strickland, Ethelyn Smith, Barbara Gunter, Ida Mae Beattie, Doris Boyne, Mary Lee Volberding, and Mary Porritt.

SOME SWELL BUNCH!!!

We all stood up and sang while the "dance band" played the school song. The cheerleaders now demonstrated their skill.

NICE GOING GIRLS!!!

"Doc" was there, asked to take the floor, and introduce our new football team. A nice gang of fellas!! We're sure to win.

Bill Radoye, who was in charge, told us about the Student Council and Class Elections, mostly for the bene-

fit of all the new students. We want a very good Student Council this year so come on gang let's get out those petitions and "Let the best man win".

After a few more cheers we filed out to the tune of "Johnny Zero".

A LETTER that speaks for itself

OFFICE OF WAR UTILITIES WAR PRODUCTION BOARD

TO ELECTRIC UTILITIES AND THEIR CUSTOMERS:

"The War Production Board has proclaimed that maximum war production requires the greatest possible conservation of manpower, transportation, fuel, equipment, and critical material such as copper, steel, tungsten and many others—much greater than has been heretofore accomplished. It believes that this greater conservation can be accomplished by the voluntary cooperation of all citizens of our country in the effort.

"Each principal industry and agency is organizing to carry the objective of the War Production Board to its members and they, in turn, to their customers so that the fullest conservation may be obtained.

"In the electric utility industry, the installed generating capacity, together with capacity now under construction, is ample to meet all foreseeable electric needs. But it is essential TO SAVE THE USE OF ELECTRICITY WHEREVER POSSIBLE so as to reduce, directly or indirectly, the demands for materials, fuel, transportation, and manpower.

"The desired result will be obtained through the full cooperation of millions of people in the conservation program. With everyone contributing, the effect will be tremendous in hastening the day of Victory."

J. A. KRUG, Director Office of War Utilities

All public utilities are included in this nationwide program of voluntary conservation—gas, telephone, water, transportation—as well as electricity. We know that our customers will cooperate loyally and wholeheartedly, to help speed the day of Victory.

The new shoe stamp, No. 1, on the "Airplane" sheet in War Ration Book Three, which becomes valid November 1, probably will have to last six months, OPA has announced. At the same time OPA said that stamp 18, originally scheduled to expire Oct. 31, is extended indefinitely and will overlap the next stamp. OPA's present plan is to eliminate expiration dates on shoe stamps and to make new stamps valid as soon as supplies warrant. This enables a person to save shoe stamps until shoes are needed.

The War Production Board has acted to increase production of certain types of men's and boys' heavy knit underwear in which a shortage loomed.

Prices for glass cloth, used as a substitute for glass in hot houses or chicken houses, will be higher to consumers since a recent OPA amendment.

Add 50% Water to OPAL-TONE and You Have a Bucket Full of the Finest Wall and Ceiling Paint You Ever put a Brush Into

Quick-drying. Very economical, because two gallons makes three of wall paint—you thin with hydrant water. Opal-tone is as modern as the four-motored bomber. There are eight lovely pastel tints and a real, PURE WHITE. One coat of OPAL-TONE covers most surfaces. Use it right over wall paper—over wall board, rough or smooth plaster, brick, concrete, or over painted surfaces. Dries in half to one hour—paint a room after breakfast—move in before lunch. OPAL-TONE has a clean, pure, healthful odor—no "paint odor".

THANK YOU 6,020,974 TIMES

...for accepting with good nature the unusual travel conditions of this past summer

Between July 1st and Labor Day, Great Lakes Greyhound buses carried 6,020,974 wartime travelers. For their good-natured acceptance of unusual present-day travel conditions, we sincerely thank these travelers—as well as all those people who postponed taking trips until the greatest rush was over.

Such cooperation made it possible for us to serve more soldiers and sailors on leave than ever before, more war workers, more essential travelers of every type. In addition, 15,000 selectees and enlisted reservists were transported and 22,000 children taken to summer camps—a job designated as essential by government agencies.

Your continued cooperation will do much to ease wartime bus travel in the months to come.
