#### **Clarkston Teacher Speaks Marriage Vows**

Before a background of palms and gladioli, lighted by seven branch candelabra, Doris Jean Van Hoven, daughter of Mr. and Mrs. G. J. Van-Hoven of Zeeland, Mich., became the bride of Pyt John H. Kleinheksel, son of Mr. and Mrs. Frank D. Kleinheksel of Flint, on Saturday afternoon, October 16th, in the Second Reform Church in Zeeland. Rev. William J. Hilmert read the service before a hundred guests.

Miss Cathryn Janssen sang "Because" and "Promise Me" accompanied by Miss Anthoinette VanKoevering on the organ and Miss VanKoevering played Lohengrins Wedding March as the processional of the wedding party.

The bride, given in marriage by her father, was gowned in ivory moire with molded bodice and sweetheart white bridal illusion held by a Juliet Girl Scout News cap of ivory satin and orange blossoms. She wore a necklace of pearls, a gift of the groom, and carried a colonial bouquet of white roses and

#### Hallowe'en Party Will Attract Many

Young and Old Are Invited

Starting at 7:00, Friday evening, there will be a bonfire, a Snake Dance, and following refreshments, a masquerade dance at the Clarkston High School.

The Bonfire will be held on the soft pall diamond. The Snake Dance will parade through town. Refreshments will be served at the school and the Dance will be held in the school Gym. Bill Radoye will lead the school's 12 piece orchestra so the music will

be of the best. All should show their interest in having the younger generation have good time on Hallowe'en without loing a lot of mischief and should attend the party. A small charge to defray expenses is the only cost.

The Girl Scouts held a Hallowe'en Dear Mr. Stampbirthday party, Thursday evening. Games were played and refreshments were served. A good time was had.

#### Our Boys and Girls In The Service

Sept. 26th-43 Dear Mr. & Mrs. Stamp-

Received my Clarkston News today and felt it was time again to tell you how much I enjoy and appreciate your sending me the Clarkston News.

I think it is safe now to tell you that I spent 10 months in Iceland and truly can say I enjoyed the sub-arctic weather more than I do the damp weather in England.

I have spent two leaves in London and can truthfully say I was not disappointed in the least in the historical city. Looks like I will spend my second birthday in foreign duty also. I have received so many nice letters and cards from my friends in

world.

Sincerely, Mary Gassick

Oct. 18-43

I wish to take this means of thanking the Service Mothers' Club for the dren". birthday card they sent me. I appreciated it very much, and it gives me a nice feeling to know there are people back home who remembered it was my birthday.

Thanking you very kindly, I remain Respectfully yours, Cpl Norman Deverage

Paradoxically, under cover of the greatest war the world has ever groom's mother, Mrs. William A. known, the greatest salvage attempts are being made, unitedly, by many forces for good, organized into the National War Fund. And if we are to win the peace, it is essential that we continue this salvage of the victims of war, starvation, dispossession, ill-

ess, confusion. This is the task of the National War Fund, born of war and related to the peace by effective association with local home agencies for health, welfare and recreation: to stimulate the raising of adequate funds to serve the needs on three fronts, the Military, the United Nations, and the

May Be Sent up to Dec. 10 By Observing Regulations

Christmas parcels for soldiers who have left home stations en route overseas after September 30 may be mailed as late as December 10, it was announced today by Colonel S. D. Ringsdorf, District Commander District No. 1. Sixth Service Command, Detroit.

The new deadline has been set for the benefit of persons who receive official change of address notification subsequent to September 30. The reason for the separate provision, it was explained by Colonel Ringsdorf, is that relatives and friends of soldiers being shipped now would have expected the soldiers still to be in this country at Christmas time and would not have sent parcels in time for the regular October 15 deadline for over-

eas mailing. The change of address notification must be presented by the sender when the package is mailed, Colonel Ringsdorf said. The same limitations on veight and size placed on packages mailed before October 15 will hold for those mailed before the December 10 deadline. Packages may not be more than 15 inches in length or 36 inches in length and girth combined, and they may not weigh more than

five rounds. One other restriction on the delayed mailing is that only one parcel can be sent from one person to any one individual with an overseas A.P.O.

# THIS WINTER WILL BE TOUGH ON CARS WE DON'T GET SET FOR IT NOW;

Winter's toll gets heavier as cars grow older. Worn engines are harder to start. Radiators that have become partially clogged are more apt to boil off anti-freeze. Scratched and weathered paint leaves the metal more vulnerable to rust. That's why the coming cold weather will be harder than ever on America's irreplaceable automobiles UNLESS they get pre-winter protection now. Before it's too late, before Old Man Winter has sabotaged your transportation, have your car prepared for winter. Check the list of important pre-winter services at the right... "Just dropped by to tell you, Frank, I had a fine letter from your son, Joe, this morning.
Mighty nice of him to take the time to write me...I know how busy they keep the boys. That's a fine camp he's been transferred to up in New England."

"Yes, Catherine and I had a letter this morning, too. Said he was writing you... he's very fond of you, Judge. Catherine is certainly proud of Joe and proud of the great

Army he's a part of."
"She has good reason to be, Frank.

Joe is one fine fellow and the Army he's in is the best disciplined, best behaved in our history. Just last night I was reading an article that quoted a report signed by five chaplains in the very camp where Joe is now training. I remember their exact words which were "there is no liquor problem at this Post." And I understand that's true in camp after camp all over the country. And if Catherine would like to see that report, I'll drop it off at the house tomorrow."

# This electric light **BURNS COAL!**

Every time you snap the switch of your kitchen light — or any other electric light in your home — that light actually BURNS COAL. Thousands of tons of coal per day are required to manufacture electricity for Detroit Edison customers - besides manpower, transportation and other critical materials. When you save electricity you save coal, and that is vitally important today.

Our government asks your help and the help of every person in America to make this nationwide conservation program a success. The program is voluntary, but your loyal, wholehearted cooperation is a MUST. Anything you can do to save electricity is a direct contribution toward winning the war. The Detroit Edison Company.
