Clarkston to Make Clothing Collection

The Community of Clarkston will participate in the Oakland County collection of old clothing to be sent overseas to countries liberated by Allied advances. Word from those countries now under Axis domination tells only a small part of the suffering which families there are enduring. America is undertaking a national campaign from November 22nd through December 4th to provide a generous supply of clothing which will be delivered to liberated peoples.

Housewives are asked to go through the attic and storage closets and sort out any worn, outmoded clothing for which their families have no use. No clothing which can be used here should be turned in, for it is important to conserve our own supply, as well.

The School, churches and the organizations of Clarkston should participate in the drive. Mr. W. Harold Pailthorp is the local chairman of the "Clothing Collection." We believe that there are plenty of serviceable garments packed away here, and we want to bring them to light.

The weather is very hot here, but we get a little breeze from the ocean. I have stood up good under everything so far. After we left the States we didn't fool around long before we were into it. I suppose everything around Clarkston has changed a lot, I hope the people haven't.

It is urgent that clothing in the home be checked as rapidly as possible. The individual homemaker is asked to take those garments which she wants to contribute to the TOWN HALL from 9 to 4 o'clock from November 22nd to December 4th. If the Town Hall is closed, clothing will be received at all hours at the Methodist Church basement, the first floor.

Annual Senior Play Presented December 3

The Seniors of the Clarkston High School are working hard to give folks in the district an evening of good entertainment. On the evening of December 3rd they will present "The Whole Town's Talking".

A small sleepy little town of Sandusky, Ohio finds itself suddenly ablaze with talk of the affairs of one Chet Binney, the supposedly serious book-keeper of its manufacturing plant. Like Sinclair Lewis' "Main Street" the people are quite proud of the new publicity particularly when the Chamber of Commerce brings the supposed sweetheart of Chet to Sandusky on a tour. The movie star enters into the plot for her own personal reasons and the result is a natural mixup of fun and laughter.

How the zestful and bubbling father Simmons leads the poor puzzled Chet in and out of this predicament will amaze you. Where the man gets his vitality even Mrs. Simmons cannot find out. Chester comes into his power however and does a bit of startling on his own when he gets started. How he wins the daughter of his Senior partner even surprises him. We want you to know that the foreign nobleman chafes the feminine population and stirs up "too much" competition for Chester.

Come and see the lispng girls, the giggling girls, the plotting fathers, the poor backward Chet all found almost in your own town.

Our Boys and Girls In The Service

Seabee Hawley Skarritt is enjoying a short furlough at his home here. Pte Ralph W. Brandt and Mrs. Brandt are enjoying a visit with relatives and friends in this community while Pte Brandt is on an 8 day furlough from Ft. Leonard Wood, Mo.

The following letter was sent to Mr. and Mrs. Thomas Waid of Holcomb St.:

Nov. 3-43
Hello Mr. and Mrs. Thos. Waid:
I received your Christmas card today. We are always glad to hear from folks around home, it helps to make us feel better. I guess we won't have a very good Christmas. I hope some day things will change. I can't tell you where I am but we can tell that we have seen Jap planes fall and the bombs sure do give you a funny feeling for a while, but we sort of get used to them although I never want to get too friendly with them. We have done a lot of fring. I can't tell you much more now. I hope some day I can.

The weather is very hot here, but we get a little breeze from the ocean. I have stood up good under everything so far. After we left the States we didn't fool around long before we were into it. I suppose everything around Clarkston has changed a lot, I hope the people haven't.

Well I must close and thanks a lot for your Christmas card.

Good bye for now.

Nov. 9-43

I wish to thank you for sending me the Clarkston paper. I am very happy when I receive it and see what is going on at home. I suppose it is quite quiet with all of the Clarkston boys gone. I enjoy reading letters in the paper from boys I know and from the ones with which I went to school. I guess they are strewn to all parts of the earth. I hope we are all together soon so we can carry on a happy normal life such as we enjoyed before the war. I am sure almost everyone in the service will be glad to get home again. It snowed down here last night so there was quite an amount of snow on the ground this morning. Well I am doing C.Q. tonight so I thought perhaps I had better write or you would think I didn't appreciate the Clarkston News which I do very much.

Well I guess this is all. Thanks again for the paper.
Sincerely yours
Pfc Lyle F. Wiechert

November 10
Wednesday

I've meant to write to you for the past two months to thank you for sending me the Clarkston News. I never knew until I was home on leave last August that you were the one to thank. I really appreciate it as it is very seldom that I meet anyone from our neck of the woods. I read it all too because I often find news of people I know that otherwise I wouldn't hear.

I'm at an advanced flying field now and it's really a nice field. We fly two engine training planes and these are the last training planes we fly before we start on tactical planes. The school here is rated one of the best in the country and as far as I am concerned it is.

Again I want to thank you for sending me the News. I sure appreciate every copy of it.

Sincerely yours
Jack Jacober

Nov. 5-43

Received my first copy of the Clarkston News and sure was glad, as all the boys over here look for news from home. I haven't much to say except I am feeling fine and having a good time, but give me the States any day. There isn't much to do nights maybe go to a Pub or take in a show. The Yanks do not have any trouble finding girl friends as there are about ten girls to every soldier. I haven't been to London yet but I hope to before long. I received a Christmas box from the Independence Township Home Front Committee and I want to thank all the home folks for the swell Christmas present.

Well I'll close for now and try to write a longer letter next time.

Sincerely,
Frank Lovejoy

Literary Club Met Tuesday

The Clarkston Literary Club met on Tuesday afternoon, at the home of Mrs. Ray Clark. Plans were made for the annual Christmas Party which will be held at the home of Mrs. Carl Irish on Tuesday, December 14th. The committee in charge of the party will be Mrs. C. H. Souby, Mrs. Carrie Walter, Mrs. O. C. Adams and Mrs. Carl Irish.

"Cubbing" Explained At P.T.A. Meeting

At the regular meeting of the Clarkston P.T.A. on Wednesday night Mr. Schingek, representative from the Clinton Valley Council of Boy Scouts, explained what "Cubbing" is and what it means to boys 9, 10 and 11 years of age. He hopes to meet soon with officers and parents of Cub scouts in Clarkston.

A special feature of the evening was two beautiful musical numbers played by Mrs. Virgil Campbell on the violin and Mrs. William Watson on the piano.

At the regular business meeting reports of committees were heard and the membership chairman announced that there were 131 memberships so far with other districts to be heard from. On account of illness the librarian from Pontiac could not be present but she sent out a book display and a list of recommended books for children. Also on display were many of the new books that have been added to the school library.

The next meeting will be held on January 19th. Professor John H. Muiskens of the University of Michigan will be the guest speaker. His subject will be "Changing Viewpoints". Everyone should plan to attend this worthwhile meeting.

School Children War Conscious

The school children throughout the nation are helping in many ways to help bring peace to a troubled world. In our own district this fact is evidenced by the large sales of war stamps in the schools. The boys and girls of the Bailey Lake School are working hard to do their share. One room of 27 students decided to sell war bonds and stamps to buy a jeep. They had to raise \$1165 and since school started in September they have raised over half of the amount. The captains are Edward Bailey and Thelma Fancher and the teacher in this class room is Miss Thelma Clayton.

The younger children in the other class room are going to buy a cannon. Their teacher is Miss Catherine McDonald.

Our Hat: Off to the boys and girls of the Bailey Lake school.

Girl Scout News

On Tuesday night, November 16th, the Girl Scouts of Clarkston held their meeting at the Township Hall. Mary Lou Gunter took charge while our leader, Mrs. W. S. Barrows, interviewed the girls, one by one, to see if they had accomplished any badges and to talk over any other business that might be of merit value. Mary Lou handled the meeting very well.

After the meeting Mrs. Barrows had a lovely surprise. First the girls went over to Patricia Watson's house and gathered in the living-room awaiting Mrs. Barrows' arrival. When she opened the door the girls shouted "Surprise!" We had a lovely dinner served by Mrs. Watson after which the piano was played, a few songs were sung and games were played. I'm sure we all had a marvelous time and we thank Mrs. Watson very much for organizing this party honoring our leader who has been such a wonderful one. Also we thank her for the lovely dinner and the use of her home for the party.

The Hilltopper

SENIOR NEWS

The Seniors are going to observe Thanksgiving by giving thanks that the play is beginning to take shape and hope for "good luck" in the future.

We also received some good news. Our Junior play "Footloose" was written up in the Lagniappe, a Thespian periodical. It spoke of our successful play and mentioned that we had a record attendance for our school and auditorium. We certainly hope we can beat the record this year. Several Senior boys played their last game of football last week and the victory proved how hard they worked. The Seniors would like to thank all of the people who patronized our dance last week and helped make it a success.

MAGAZINE CAMPAIGN

Once again the time has come for the Annual Magazine Campaign in Clarkston and surrounding territories. As you know, this campaign is for the benefit of the school, and through this campaign we can buy many things we would not be able to have otherwise.

The Crowell Publishing Company helps us in the campaign and gives us almost a 50% profit on all Crowell Magazines which are Colliers, American and Woman's Home Companion. From most of the other magazines we get about a 30% profit.

Last year the money we made was spent on gym mats which both boys and girls gym classes have used. This year there is other new equipment we need, and if you would like to aid the young people of your town, buy magazines from the students—let us know you are behind us.

In the past years so many points were given for every subscription made and prizes were awarded. This year the prizes will be in war stamps which will make our campaign help in the fight for freedom.

The contest closes the twenty-second, so if you haven't subscribed or been asked and want to aid the young people of Clarkston, contact a Junior high or high school student and they will be glad to aid you in subscribing.

MUSIC NEWS

The Dance Band played for the Football Dance last Friday evening. A large number attended.

The Gym was decorated especially for the occasion. We are looking forward to another dance soon.

Following the football game last Friday the entire squad with the manager and coach were invited to the home of Mr. and Mrs. Paul Henry for a chicken dinner. This invitation may have had something to do with the outcome of the game as Walt Henry told the team just prior to the game that if they won they got chicken and if they lost they got beans and apparently the team didn't care much for beans. Mrs. Henry and her helpers, Mrs. Hagen and Mrs. Rouse, had the tables nicely decorated when the team arrived and shortly thereafter they brought on plenty of chicken and all the trimmings.

We feel that this was a very fine gesture on the part of Mr. and Mrs. Henry for which the team is very thankful.

Davisburg Fire Was Big Threat

A blaze which threatened for a time to destroy the entire business section of Davisburg occurred about 8:30 a.m. Sunday. The fire early aroused such fears that an alarm was sent in for the Holly rural fire department. Quick response was made and the truck made the five miles in five minutes. Later the village fire department and the Clarkston department were summoned. By vigorous work, with a favorable wind assisting, the blaze was kept confined to the A. C. Wagner grocery store, recently purchased by Walter Samuel. There was no stock there as the building was being remodeled, so the loss was confined to the building, pretty badly burned, and to the household goods of Mr. and Mrs. Russell Losch, who lived up stairs. They lost practically everything but had nearly full coverage insurance.

The hardware store adjoining, owned and occupied by Clyde A. Nelsey, suffered damage from smoke and water, and fire in the store room above. The postoffice, also in the Nelsey building, Mrs. Nelsey being postmaster, suffered no damage to speak of.

The fire is thought to have originated from an explosion in the furnace, fed by a stoker. The loss is estimated at \$4,000.

Service Mothers' Club Met Last Week

Last Thursday afternoon the Service Mothers' Club of Clarkston and vicinity met at the Masonic Temple. The tickets for the Poppy quilt are now on sale and may be obtained from any member of the Club. The next meeting will be at the Masonic Temple on December 9th and all mothers of boys and girls in the service are urged to be present.

At the close of the meeting Mrs. Clarence Smith and Mrs. Edward O'Rourke, as hostesses, served dainty refreshments.

Priscilla Circle Elects Officers

The November meeting of the Priscilla Circle of the Methodist W.S.C.S. was held at the home of Mrs. George Perry. Mrs. Russell Colton had charge of the devotionals and Mrs. W. S. Barrows, chairman, presided at the business meeting. During the meeting the women busied themselves by working on Red Cross hibs. The following officers were elected to take office in January: chairman, Mrs. William Mansfield; secretary, Mrs. Ray Ainsley; treasurer, Mrs. Arthur Rose.

Conserve Our Food

We Americans were led To underrate a loaf of bread, And being choosy in our fare Not knowing what it means, To be denied a plate of beans With plenty waiting everywhere.

If victuals didn't suit our taste We gladly let them go to waste, And ever sought some new taste thrill A picky palate to delight, Demanding changes every night As long as money'd pay the bill.

But that was in the time of peace When we knew nothing much of Greece,

When tariffs prohibited sales Of food, to folks across the sea, Whose suffering meant naught to me, I couldn't hear their starving wails. Now the world becomes so small We must share food with one and all. Let not one morsel go to waste Lest hunger stalks some helpless soul,

Eventually exacting toll On he who had no food to taste. Robert C. Beattie

 Michigan's silver hordes of lake herring, also known as elscos, blueback greenback or just plain herring, get a patriotic boost towards popularity in a new leaflet of "Lake Herring Recipes" prepared by the Michigan State College agricultural experiment station in cooperation with the Michigan Department of Conservation.
 Herring become most prevalent in November. Commercial fishermen begin to watch their nets in late October for the first herring to appear. They know that in two or three weeks the small cousins of the whitefish will be swarming into their nets.
 Reasonable price, excellent flavor and ease of preparation are reasons for utilizing the herring, the leaflet points out. When purchased "in the round" or before cleaning, freshness of the fish is easy to detect. A bright full eye and red gills indicate the fish is fresh, while a dull, sunken eye and

Grahl, former Scoutmaster of Troop 52, will act as Cub Master and will be assisted by Earl Springer and Frank Sutherland as associates, and Harry Richardson, James Boaz and Kirby Milleur as committeemen. At a recent survey over forty boys expressed a desire to participate in this program. Its purpose is to establish and maintain a closer association between father and son in a common cause. A special meeting for all parents of boys in this age group was set for last Wednesday night, November 17th, at 8:00 o'clock. Cub Master Earl Grahl and a special representative of Boy Scouts of America was present to discuss their program.

This troop is now being sponsored by the Drayton Men's Club. A program has been approved which will permit Scouts to participate in Scouting, Hiking, Camping and community activities. Membership to this troop is open to all boys of Sector 32 of Waterford Township, O.C.D., who are willing to subscribe to the Scout Oath and Law. The Drayton Men's Club is also completing plans to assist in a recreation program for the older boys and girls in Drayton Community.

Secretary's and Treasurer's reports were read and accepted. Mr. James Reishaw accompanied by Miss Esther McCory at the piano played several violin selections, which were greatly enjoyed. Mrs. A. T. Stewart gave a report on Christian Citizenship. Mrs. Esther McCory had charge of the devotional period and read from the 121st Psalm. This was followed by a prayer and a song. Mrs. C. J. Sutton gave an interesting talk on "Your Home and Mine". Mrs. Anna Brown read a poem "Your Boy and My Boy". Closing the meeting Mrs. L. G. Rowley and Miss Esther McCory played two piano selections.  9 LIVES OF WORLD'S MOST DOUBLE-DEALING SPY

 Greetings!

WE JUST bet you do, Tojo. Nothing would please you more than to see long distance circuits in this country cluttered with social calls. For the telephone system already is loaded with vital war calls that—one by one—are helping build the "road to Tokyo" and Victory.

TO OUR CUSTOMERS:
 We well know the fun of telephone reunions with friends and family at holiday time. But please don't do it this year. War needs the wires as never before... and you know that WAR KNOWS NO HOLIDAYS.

FOOTBALL DANCE!!
 The Football Dance last Friday night was a big success, thanks to the Seniors and their expert management. Our High School Dance Band played, led by Bill Radoye, and they certainly turned out some swell music. There was a large turn out which included a good many from neighboring towns. We plan to have another in the near future; let's make it an even bigger and better one.

11TH NEWS

I am sure I am speaking for all the Juniors as well as myself, when I say we are proud of the swell game our boys played last Friday.
 There are other boys from other grades, but we'll leave them and take care of our own boys. Tom Waid made a touchdown. I can't remember what each boy did, so I can only say that they did well.
 Of course we can't leave out Fred Hemmingway; he is essential to our team (he is the water-boy). Keep 'em drinking, Fred.
 Here is a list of names of Juniors on the team:
 1. Tom Waid—Backfield
 2. Bud Kratt—End
 3. Melvin Inglehart—Backfield
 4. John Ronk—Guard
 5. Jack Tee—Center
 6. Bill Porritt—Guard
 7. Bill Howland—Guard
 8. Chuck Jacobson—Halfback
 9. Fred Hemmingway—Water-boy
 I am sure now about the Juniors sponsoring a dance; when we do, let's have a big turn out for it.
 That's all for this week.
 Barbara Strickland

9TH GRADE NEWS
 The magazine sale has started, and

this year we are taking our prizes in War Stamps. There will also be a War Bond given to the lucky person whose name is drawn. Everyone who sells subscriptions gets a chance for that prize if he sells only one. Come on, you Freshmen, and keep up your good record of having won for 2 years.
 We did pretty well in giving to the Junior Red Cross; we came out on top (again, as always.)

Can You Picture MICHIGAN without Newspapers?

Every hour of the day headline news of overwhelming interest to every person in Michigan is being made all over the world. But without our modern communication systems and particularly our newspapers it would be next to impossible to find out what's going on.
 Getting even closer to home, we wouldn't know what local boys are back on furlough—who's getting married and when—what's happening in the comic-strip world—what events are taking place all over town.
 All of us should feel proud of the fine job newspapers are doing to keep Michigan in touch with the times. It's a strong and free press, serving free people—one of the first things the dictators would suppress if they had the chance! And it would be hard to over-estimate the part

played by Michigan's 56 daily newspapers and 366 weekly newspapers in furthering the war effort. More than two and a half million people buy these papers—far greater numbers read them—the whole State relies upon them for information and inspiration.
 For this reason Greyhound depends upon such newspapers as this one to carry its information on bus service to those in Michigan who travel. Greyhound, in turn, carries many newspapers to rural areas not served by any other transportation system.
 As fellow citizens of this State, the Greyhound Lines take much pleasure in helping to make near neighbors and good neighbors of all the communities we serve in Michigan—linking them to each other and to the rest of the country, as newspapers do.

ELECTRICITY

is NOT rationed—
Let's keep it that way by

VOLUNTARY CONSERVATION!

Electricity is cheap and unrationed and there is no shortage of electricity in this area. But because there is an urgent need to save coal and manpower and transportation for war, the Government is asking for VOLUNTARY conservation. This means turning off all lights not actually in use. It means remembering to turn off the cellar light and the porch light and lamps in unoccupied rooms. It means the careful use of electric appliances. It means keeping lamp bulbs and reflectors dust-free, and "sharing the light" wherever possible by making one reading lamp serve two people.

If you and every other American will do these things, thousands of tons of coal will be saved every day—coal critically needed NOW. No one wants electricity added to the list of things rationed. All of us would rather save VOLUNTARILY. Here is a chance to prove that voluntary, self-imposed rationing will work. The Detroit Edison Company.

CARD OF THANKS

We wish to thank the Holly and Clarkston Fire Departments for their willing and prompt response to our call for help when fire broke out in Davisburg Sunday morning.

Only the splendid cooperation and hard work of these two units extinguished a fire that looked completely hopeless at the beginning. These men deserve a great deal of credit for their successful effort, and we certainly appreciate what they did for us.

May we also thank the ladies who served the much needed hot coffee; Mr. and Mrs. A. E. McNamara who opened their home to us for the storage of our belongings; and Mr. Killian of the Bell Telephone Co. who stood by and kept outside communications intact in case more help was needed. We are very grateful to all the friends and neighbors who worked so hard and helped so much.

To the Patrons of the Davisburg Post Office may we say that every possible precaution was taken to safeguard your mail and everything was removed to a place of safety, from the Post Office. This was done under the instruction of the Postal Inspector or who arrived at the scene a short while after being notified. The contents of the Post Office suffered no loss what so ever, and the delivery and dispatch of the mail was not hindered in any way.

Mr. and Mrs. Clyde Nelsey.
