On Wednesday there will be a series of Thanksgiving services in the church for school children.

On Thanksgiving morning at 10:00 o'clock there will be services to which everyone is invited.

Following the evening church service the group has been invited to the Arthur Davis home for a sing-spiration.

Edwin Lamberton, MM3c, who is home on leave and Mrs. Lamberton and children spent Thursday at Columbiaville.

Mrs. Etta Campbell is spending some time at the home of her daughter, Mrs. Carlton Annis, in Grand Rapids.

Miss Jane Shouldice and Mrs. Charles Callahan are in charge of plans for a Mother's Helper Agency through which girls may get part-time work in the care of children.

The Waterford School will be hosts at the February meeting of the County Council of P.T.A. at an evening meeting.

A Thanksgiving co-operative supper is to be held by the 3rd grade Room Mothers for the mothers, teacher, Mrs. Hungerford, and pupils, on Tuesday afternoon.

Ruth Fuller, daughter of Mr. and Mrs. Edward Fuller, entered St. Joseph Mercy Hospital on Wednesday for an appendectomy.

On Thursday, Dec. 2, the Ladies' Auxiliary will meet at the home of Mrs. E. D. Spooner for a co-operative luncheon at 1 o'clock.

Those attending the County Council P.T.A. meeting recently, from the Waterford School included: Mrs. James Ames, Mrs. Charles Callahan.

The Good Will Club was entertained on Thursday with a co-operative luncheon at the home of Mrs. Oscar Virgin.

The Moms Club Unit 36 met recently at the home of Mrs. J. H. Ettinger at Williams Lake with ten members present.

The money the dance band received from the last dance is going to be used for music and needed equipment.

The six piece dance band has played several times for the dancing club. The members of the six piece dance band are:

Ruth Davies, Adrienne Volberding, Walt La Plante, Frank Ronk, Bill Radoye.

The entire dance band appreciates a large turn out so it can get new music for the dances.

Let's have a big turn out for the next dance and show our school spirit.

TURKEY TROT Tomorrow we are having another dance for the public.

It will be about the same as the other dances but we hope it will be a greater success and it will be much better if all of you people who read this come and bring all your friends.

Come to the dance Wed. Night and work up an enormous appetite for the turkey you intend to eat Thursday.

We also hope the people from Waterford, Drayton, and Pontiac come to this dance. We notice you here and all hope to see you more often.

Do not forget the Turkey Trot to trot an empty place in your stomach for your turkey.

SENIOR NEWS Wilbur Adams is a typical father. He is a good sport, a quick and ready liar in his part, and always oozing with humor.

Can Jack Baughman play the part of Chet Binney? A man with utterly no charm or manners, always thinking of business and nothing of the opposite sex.

From lollipops to the world's biggest hunk of sugar. The Cinderella romance of the French candy girl who married the fabulously rich Aga Khan, is over at last.

The Hilltopper

CHEERLEADERS The cheerleaders got their sweaters last week (very surprisingly) we didn't expect them for another month or so.

Well, the basketball games don't start until December 10 so we won't be doing much more than practice for the next few weeks.

JUNIOR HIGH NEWS The Junior High grades are slowly but surely making themselves known.

Mrs. Royal is now our permanent teacher in History. We are all happy that we have a teacher who expects to stay, and we like her very much.

Next week maybe I shall have some news.

11TH NEWS The Juniors are sponsoring the "Turkey Trot", to take place Wednesday night, November 24.

Radoye and his "Dirty Dozen" will provide good music.

The dance will begin at 9 and end at 12. If you want to have fun be sure to come.

9TH GRADE NEWS We are coming along pretty well with the Magazine Sale Contest.

I'm afraid we didn't do as well as we expected in selling tickets for the last dance we had here at school.

MUSIC NEWS There is going to be another dance Nov. 24th which will be sponsored by the Junior class.

The money the dance band received from the last dance is going to be used for music and needed equipment.

The entire dance band appreciates a large turn out so it can get new music for the dances.

Frenchman. He is gallant with the ladies and makes no deep impression on the minds of Simmons and Binney—especially that language and those manners!

Orville DeVaney, a taxi-driver! Yes, he makes an excellent one as he has plenty of practice transporting a goodly number of the kindergarten to school.

Ethel, who is played by Anne Zander is a typical small town girl, disagreeing with her parents on ideas of youth.

Lila and Sally, played by Shirley Bunyan and Lorraine Wegman, are giddy and foolish but possess a superior social sense and are both "just crazy" about boys.

What happens to Letty Lytne, played by Corrine Stites, when she finds herself to be in love with Chester Binney whom she has never seen?

Annie, played by Charlotte Maybee, still has some of the girliness of youth. Being like most colored maids who have been in the family for quite a few years, she has a great devotion for Miss Ethel and Simmons.

**Proclamation by the President**

"God's help to us has been great in this year of march toward world-wide liberty. In brotherhood with warriors of other United Nations, our gallant men have won victories, have freed our homes from fear, have made tyranny tremble, and have laid the foundation for freedom of life in a world which will be free.

"Our forges and hearths and mills have wrought well; and our weapons have not failed. Our farmers, Victory gardeners, and crop volunteers have gathered and stored a heavy harvest in the barns and bins and cellars. Our total food production for the year is the greatest in the annals of our country.

"For all these things we are devoutly thankful, knowing also that so great mercies exact from us the greatest measure of sacrifice and service.

"Now, therefore I, Franklin D. Roosevelt, President of the United States of America, do hereby designate Thursday, Nov. 25, 1943, as a day for expressing our thanks to God for His blessings. November having been set aside as 'Food Fights for Freedom' month, it is fitting that Thanksgiving Day be made the culmination of the observance of the month by a high resolve on the part of all to produce and save food and to 'share and play square' with food.

"May we on Thanksgiving Day and on every day express our gratitude

and zealously devote ourselves to our duties as individuals and as a nation. May each of us dedicate his utmost efforts to speeding the victory which will bring new opportunities for peace and brotherhood among men.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

"Done at the city of Washington this eleventh day of November, in the year of our Lord nineteen hundred and forty-three, and of the independence of the United States of America the one hundred and sixty-eighth.

Franklin D. Roosevelt.

Mr. Dave Plank Sr. is seriously ill at his daughter's, Mrs. Frank Farmer. The Blue Star Mothers held their regular monthly meeting in the school auditorium last Thursday night.

Miss David Walker visited his aunt, Mrs. Frank Pearsall, on Warren Dr. last Thursday.

Floyd Wilson returned home last Wednesday night after a few days deer hunting.

Larry, small son of Mr. and Mrs. Basil Thompson, is confined to his home by illness.

Miss Esther McCoy will spend Thanksgiving with her parents in Ohio.

Marydean Solomon, daughter of Mr. and Mrs. A. A. Solomon, Seeley Ave., is still confined to her home by illness.

George Coleman of Seeley Ave. had the misfortune to fall from a ladder last Thursday, hurting himself quite badly.

Cpt. Melvin Spicer has returned to Campus, Ill., after spending a few days on furlough with his parents, Mr. and Mrs. Charles Spicer, on Seeley Ave.

Mrs. Anna Losche and John Smith of Drayton Plains and Mrs. Roy Cole of Bonton Harbor left last Thursday for Lima, Ohio, to spend a few days with relatives.

Technician fifth grade Richard Suttell has returned to Camp Beale, Cal.

fornia, after spending a fifteen day furlough with his parents, Mr. and Mrs. William Suttell of Oakland Lake.

Mr. and Mrs. Hubert Brown returned the middle of the week, each proudly showing a fine buck. This is the first time Mrs. Brown has ever gone hunting. They camped at Mid-forest Lodge near Houghton Lake.

Harold Hughes, Cliff Schoenhals, Earl Card, Mr. and Mrs. Mike Wall, Earl Springer, Kenneth See, Dick Ballek, Mr. and Mrs. Louie Thrasher, Mr. and Mrs. Hubert Brown and Mr. J. R. Berryman have all enjoyed a few days hunting in the north woods.

David Plank, Drayton Plains, passed away at the home of his daughter, Mrs. Eveline D. Farmer of Holly, at noon last Thursday after an illness of several days.

Mr. Plank was 90 years old, being born in Wales, October 30, 1853. He came to Drayton Plains in 1913 from England. He lived on South Drive. He is survived by six children, Mrs. Alice Thomas of Berwick, Pa.; David of Drayton Plains; Mrs. Beatrice Bailey of Dearborn; Mrs. Edith Scargill and Mrs. Maude Weston of England, and Mrs. Eveline D. Farmer of Holly.

The funeral service was held at 2:30 p.m. Monday at the Huntton Funeral Home, with the Rev. B. G. Burt of All Saints Episcopal Church officiating. Burial was in Drayton Plains cemetery.

Consumers will be able to buy more canned luncheon meat during the coming year, according to the War Food Administration. Canning of this product is encouraged because it prevents waste of good bits and trimmings of meat at packing plants.

The American people have been asked by the Office of War Utilities to confine Christmas lighting decorations to Christmas trees inside private homes. Saving electricity will mean direct savings of fuel, manpower, transportation, and materials.

Peanut shells, ground corncobs, and similar waste agricultural materials have been found useful for cleaning engines, bearings, valves, pumps, and many other machinery and metal parts, the Department of Agriculture has announced. The new use has been found by scientists at The Northern Regional Research Laboratory at Peoria, Ill. Several hundred tons of ground corncobs now are being used each month for burnishing metals and cleaning war machinery.

"In 'The Stars and Stripes'... the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"  
"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?"  
"Glad to, Bill. It says, 'We can remember the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and feel those at home should wait until we return before initiating further legislation on liquor control.'"  
"Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

## World War II BLACK DIAMOND:

### Help to save coal by conserving electricity

Long ago, coal acquired the title "BLACK DIAMOND." Coal is precious today because it is a critical war material, because it is needed to run steel mills and railroads and power plants as well as to heat our homes.

Thousands of tons of coal are required every day in Edison power plants to make the electricity used by war plants and homes and business places in this area. If you use less electricity, less coal will be burned: The problem is as simple as that. Anything you can do to save electricity also saves coal.

That is why the Government asks for the utmost conservation in your use of electric power. Be careful in your use of electric appliances and equipment—turn off immediately when the task is completed. In home or office or factory, turn off lights not in use. Clean lamp bulbs and reflectors regularly. Don't leave the radio turned on when not listening to it. "Share the light" so that one lamp can serve two or more people.

These things are small in themselves. But this conservation program, which includes ALL utility services, will save thousands of tons of coal vitally needed for war. The Detroit Edison Company.

#### CONSERVE ELECTRICITY

Even a 5% saving in the monthly use of electricity by Detroit Edison customers will save about

190 CARLOADS OF COAL PER MONTH

### Coming Events

Dec. 9th—Thursday afternoon the Service Mothers' Club will meet at the Masonic Temple. All mothers of boys and girls in service are urged to attend.

Dec. 14th—Tuesday afternoon the Clarkston Literary Club will have their annual Christmas Party at the home of Mrs. Carl Irish.

Dec. 14th — Tuesday evening the local Legion Post and Auxiliary will meet at the Rotary rooms for a co-operative dinner at 6:30. This will take the place of the regular meeting on Dec. 21st.

### Wild Rabbits May Be Diseased

Warning to hunters to watch for signs of tularemia in wild rabbits is given by the state health department. Tularemia is an acute communicable disease which is transmitted to humans by contact with infected animals or by eating undercooked infected meat. In humans, the disease may produce local lesions, high sustained fever and prostration, and even death.

Tularemia has been recognized in rabbits, ground squirrels and other small rodents. Wild rabbits, however, are the animals that are most often infected. The disease is spread among animals through the bite of the rabbit tick, the wood tick and certain species of biting flies and can be transmitted to humans by infected insects.

The following precautions are advised: Always wear rubber gloves when dressing wild rabbits, do not handle rabbits that are found dead, always shoot rabbits on the run—slow or sluggish rabbits are likely to be infected, cook rabbits thoroughly so that no red meat or red blood remains, and destroy all rabbits whose internal organs are studded with small white spots.

### Junior Livestock Show In Detroit Dec. 7-9

I-H Club Boys and Girls Will Enter Competition

Exceeding the record show of last year, the 14th annual Junior Livestock show scheduled at the Detroit Stockyards Dec. 7, 8, 9 will place 437 fat lambs and steers before the judges.

Thirty counties are represented in the entries of I-H club boys and girls who have entered 76 pens of lambs, of three each, and 209 fat steers. The record last year involved 318 animals competing for the thousand dollars in state premium money plus the traditional championship rosettes and other trophies.

Livestock will be assembled at the yards by 2 o'clock, Tuesday, Dec. 7, according to I-H headquarters at Michigan State College, who are sponsors of the show along with the Detroit Junior Livestock Society, Inc., the Michigan State Department of Agriculture and the Michigan Livestock Exchange, Bishop, Hammond and Company, Detroit Stock Yards Company and Ridley and Marshall.

Exhibitors, 10 but not more than 20 years of age, must be amateur showmen living on farms in Michi-

gan and members of community 4-H clubs. They feed and train their own animals, keeping feed and other cost records. Boys or girls can show either lambs or fat steers, but not both the same year, although the 1943 show will see 26 exhibiting two steers each instead of one.

Judging begins Wednesday morning with champions picked in late afternoon. The annual banquet will be held that evening and auction of all the animals entered cried on Thursday.

### Farming Prospects For Next Year

#### M.S.C. Survey Is Not Exactly Encouraging

The average Michigan farmer—186,000 of them in all, is 52 years old and works 82 hours a week, according to a survey by K. T. Wright of the Michigan State College farm management department.

"As the war continues, this age factor in farm war production increases," comments Prof. Wright. "These farmers certainly have the experience but their ability in handling machinery, livestock and chores diminishes. A year ago, one farmer in four was 60 years or older."

County agricultural agents in 18 leading counties in the Lower Peninsula have added to the college information some of the estimates on what farmers will do in 1944.

Reports indicate Michigan farmers will milk 99 per cent as many cows as they are milking in 1943. Until pastures get green, milk production from now until next June will drop 10 to 15 per cent under similar months in late 1942 and early 1943. Feed except hay is scarce.

Cattle and calves on feed will be but 79 per cent of those in 1943, sheep and lambs, 98 per cent. Hens and pullets for egg-laying purposes will increase to 111 per cent, but only 90 per cent baby chicks will be raised, meaning less poultry for meat. Only 73 per cent as many sows will farrow young pigs next spring.

Another phase of the college indicates some of the apparent bottlenecks to increased farm production. One county received 50 tractors in 1943 to replace some of the 2,000 tractors known to be in use in the county. Tractors won't last 10 years, farmers commented.

Other bottlenecks range from lack of feed, need for less red tape and more machinery and labor to specific suggestions that it is trained farm labor, combines, corn pickers and profitable farm prices that are needed for full force production in Michigan in 1944.
