Annual Party Held Christmas Eve

The annual Christmas party for the children of the community sponsored by the Clarkston Rotary Club was held in the gymnasium at the school last Friday night. Robert L. Jones acted as master of ceremonies. William H. Stamp gave the Invocation. The group enjoyed singing Christmas carols and then were delighted with two short movies which pleased even the smallest child.

The last part of the program was what the children waited all evening for. Santa and four of his brownies appeared in his workshop. The brownies were busy packing bags of candy in a huge sack. When the sack was filled Santa came down from the platform to the auditorium and in front of a large, beautifully lighted Christmas tree he distributed the bags of candy to the children and then to all who were present.

Marriage Vows Spoken Saturday, December 18

The First Baptist Church of Pontiac was the scene of a very pretty wedding on Saturday, December 18th, when Miss Ruth Newcombe, daughter of Mr. and Mrs. Thomas A. Newcombe of Pontiac and Staff Sergeant August H. Jacober, son of Mr. and Mrs. August H. Jacober of Waterford, spoke their vows before two hundred guests.

The evening, candlelight ceremony took place at 7:30 with the Rev. Frederick A. Burnett of Holly officiating. White tapers and flowers were used in the church sanctuary.

The bride, who was given in marriage by her father, was lovely in white brocaded satin fashioned with a fitted bodice, long sleeves and a full skirt with a long train. She wore a finger-tip veil and carried a white prayer book covered with white orchids.

The bride's sister, Arlene M. Newcombe, as maid of honor, wore a blue velvet and tulle gown and a small blue Juliet cap and carried a tiny satin muff covered with roses and carnations. Frances Phillips and Mrs. Pauline M. McCormick were bridesmaids. They wore gold and cerise respectively. Their gowns were fashioned similar to the maid of honor's gown. They carried muffs and nosegays and all wore matching lockets and earrings, gifts of the bride.

The bridegroom was assisted by his brother, Harold F. Jacober, as best man and Joseph Helman of Waterford, Maurice Montgomery of Davisburg and William Nesbitt of Pontiac seated the guests.

Following the ceremony a reception was held in the church parlors. The members of the Loyal Philathea class served the guests.

The newlyweds left for Chicago to spend a few days. For traveling the bride wore a brown ensemble with brown accessories. The bridegroom, who is in the engineering department of the army air corps at Valdosta, Ga., left for his station after the honeymoon. Mrs. Jacober will join her husband in January.

Mrs. Newcombe chose for her daughter's wedding a blue crepe dress with black accessories and Mr. Jacober wore black crepe with black accessories. Both mothers wore gaudies.

The bride and bridegroom are graduates of the Pontiac High School. Staff Sergeant Jacober attended Michigan State College.

Jan. 12th—Wednesday, the Clarkston Royal Neighbors will meet at the home of Mrs. Howard Sage.

GET GOING

Our Boys and Girls In The Service

Some of our boys and girls in the service were fortunate enough to get home for Christmas. Some had several days and others only a few hours but it was a real treat to have Christmas dinner with the home folks. Robert Johnson, who is studying at Harvard, was home for the day. The Johnsons had a family dinner and all were home except one son-in-law, Pvt. Ralph Brandt. Miss Betty Slating of Romeo was also a Christmas dinner guest at the Johnson home.

Ensign Arthur Clark spent about eight days at home and enjoyed Christmas dinner with his folks, Mr. and Mrs. Lee M. Clark. Others who enjoyed Christmas at Clark's and a visit with Arthur were Mrs. Edwin Clark and Dr. and Mrs. Hamilton of Detroit. Mr. and Mrs. Edward Owen and children of Auburn Heights and Dr. Arthur Hadley of Battle Creek. Ensign Clark left on Saturday night for Eagle Mt. Lake, Texas.

Ensign Clinton Russell, who has been in the Pacific area for the past nine months spent two or three days at his home here the week before Christmas. However he had to report for duty and could not stay to have Christmas with his folks.

Pvt. Lee Kittredge surprised his parents and sister on Christmas morning by arriving home from Scott Field, Ill. It was a very pleasant surprise. He had to return to his station on Sunday.

Others who were able to get home for Christmas were Marian Yost who is with the Waes and is stationed in Washington, D.C., and Shirley Douglas, a WAVE stationed at South Bend, Ind.

Dec. 12-13

To the Home Front Committee:
I'll never be able to express fully my appreciation for the kindness and thoughtfulness you've shown in not forgetting us service men at Christmas time. Your package was received a few weeks ago and the contents put to most profitable use.

In the two years I have spent in the service I've either been going to or teaching school. Some folks call it lucky—but it's all in their point of view. Being young and healthy it's rather irksome to have to fight a war with books. Perhaps on completion of this cadet training, of which I still have four and a half months, I may get my wish to see action.

Previously I had thought of cadets as a group of fellows who had very little to do except to put on parades, but in the three months I've been at it I've found out differently. I often wonder in the sixteen hours allotted to us, between reveille and taps, how we can study, drill and exercise so much. When I was a civilian it would have taken me at least forty-eight hours to do so much. But with all of it our spirits are high because the goal is worth while.

Although my rank is Aviation Cadet, when I graduate I will not fly. I'm training for communications officer, which is ground work.

I thought you might be interested in knowing something of this phase of the army. We're not allowed to talk too much, but the above may give you some idea.

Again I wish to express my heartfelt appreciation for your kindness, and hope that in the near future along with the rest of the boys, I can do so in person.

Sincerely
Howard Boyes

Dec. 12-13

Dear Folks:
It was certainly nice of you home folks to send me a Christmas package. I received it O.K. and while I know we aren't supposed to open them until the 25th I opened mine because we have a standing rule that anyone receiving a box must open it then and there.

Everything in the box is really useful and I want to thank everyone responsible. I know a lot of time, thought and money must have gone into making the boxes so complete.

Your friend

Nov. 29-13

Dear Folks:
I was very agreeably surprised to receive the recent package from your organization. It is one of the swiftest gestures I have had extended to me since I have been in the service. Sorry, but the label—DO NOT OPEN UNTIL XMAS—wasn't enough of a deterrent for me—so I opened it—and such a lovely selection. Your choice of articles for one in the service was excellent and all will be extremely useful. I think you people are doing a great thing and I appreciate it very much.

Sincerely Yours
William Jones

A Merry Christmas to you all.
Cpl. Leslie Dwyer

Chanute Field, Ill.: Private William E. Wilson, of Clarkston, Mich., has completed training and has been graduated from this school of the ARMY AIR FORCES TRAINING COMMAND. While attending this school he received instruction in the Special Purpose Motor Vehicle Course, and in various technical operations vital to the maintenance of the country's fighting planes.

Dec. 12-13

Dear Mr. Stamp:
I would like to say I deeply appreciate your efforts to get the Clarkston News to me. I have been shifted so much lately that it must have given you plenty of trouble to keep up to me.

I would like to also thank the people of the Township for the wonderful Christmas box which I received. I am sure that this is really felt by all of the boys. It sure shows them that the people at home are behind them.

I just hope that next Christmas all of the boys overseas are at Clarkston to spend Christmas.

Will say goodbye now and thank again for your efforts in keeping the paper coming.

Sincerely
Cpl. Ralph Kenney

Independence, Kans., Dec. 21—Aviation Cadet William C. Cobb, son of Mr. and Mrs. Burt F. Cobb, 44 E. Church Street, Clarkston, Michigan, is enrolled in the class of cadets currently taking basic flight instruction at the Independence Army Air Field here.

A member of the newly-arrived cadet class, he has successfully completed both the pre-flight and primary phases of the aviation cadet training program.

After nine weeks here, he will move on to an advanced training school. His record here will determine which of the two final stages of instruction—single engine advanced for fighter pilots or twin-engine advanced for bomber pilots—he is better adapted for.

The Independence Township Home Front Committee received a Christmas greeting card from Pfc William J. Ferguson. To it he added this note: "Received the box and thanks a million".

Pfc Lloyd Gudegg and Mrs. Gudegg arrived in Clarkston this week to spend a few days with her mother, Mrs. Carrie Walter, and her sisters. He was given a ten day furlough from his station at Anniston, Ala.

Several British service boys who have been training in Pt. Albert, Ontario and have been spent many weekends in Clarkston during the past six months enjoyed Christmas here. These boys are all with the N.A.C. Geoffrey Yates and Donald Ward were guests at the home of Mr. and Mrs. Richard Watson; John Walton at the home of Mr. and Mrs. James Bennett and Denis Sweetman at the home of Mr. and Mrs. Norman Davidson. They returned to their training camp on Tuesday.

Dec. 12-13

Dear Mr. and Mrs. Stamp:
I received the Clarkston News the other day and I'm very grateful for it. I don't know how you found my address but I'm glad you did, because the paper really looks good after not

Jan. 1 to Be Day of Prayer

Proclamation by the President

President Roosevelt has proclaimed Jan. 1 as a national day of prayer for "strength and guidance for the problems of widening warfare and for the responsibilities of increasing victory."

"At the end of the year 1943, which has not only made manifest the devotion and courage of our nation's sons but has also crowned their efforts with brilliant success on every battlefield, it is fitting that we set aside a day of prayer to give thanks to Almighty God for His constant providence over us in every hour of national peace and national peril.

"At the beginning of the new year 1944, which now lies before us, it is fitting that we pray to be preserved from false pride of accomplishment and from willful neglect of the last measure of public and private sacrifice necessary to attain final victory and peace.

"May we humbly seek strength and guidance for the problems of widening warfare and for the responsibilities of increasing victory. May we find in the infinite mercy of the God of our fathers some measure of comfort for the personal anxieties of separation and anguish of bereavement.

"Now, therefore, I, Franklin D. Roosevelt, President of the United States of America, do hereby appoint Saturday, the first day of January, 1944, as a day of prayer for all of us, in our churches, in our homes, and in our hearts, those of us who walk in the familiar paths of home, those who fight on the wide battlefields of the world, those who go down to the sea in ships, and those who rise in the air on wings."

Red Cross Distributes Many Christmas Boxes

Independence and Brandon Townships responded generously to the call for Christmas gifts for soldiers and under the supervision of Mrs. Joseph Seeterlin and Mrs. Frank Brigham these townships collected a large number of attractively wrapped boxes which were sent to the Oakland County Red Cross Headquarters at Pontiac. They were loaded into a truck by the members of the Motor Corps and taken to Camp Custer, Battle Creek. There they will be distributed through the cooperation of Field Directors and special service officers of the United States Army. Fort Custer asked for 1,410 boxes and the over-all box will be sent to soldiers at Camp Brede, Alphen Coast Guard, Selfridge Field, and negro troops at Camp Keokuk, Okla. These boxes will go to boys who otherwise would not be remembered.

For days the gayly packaged gifts have been piling up in the Red Cross office of the Red Cross until more than 2,000 were finally collected for distribution. A maximum expenditure of \$2.00 was placed on each box and a list of contents on the inside of each box. The list was designed to make it easy for officers to give appropriate gifts to hospitalized soldiers or those on special duty. The donor placed name and address on a card inside the box.

Mrs. Joseph Seeterlin and Mrs. Frank Brigham worked under the direction of Mrs. Walter D. Appel, County Chairman of the Camp and Hospital Committee.

Past Matrons Have Christmas Party

Small Christmas trees, flanked by lighted candles were used for decorations. After the dinner the group enjoyed playing military Five Hundred.

seeing it for a long time. I would like to tell you where I am, but they say it is a military secret. Everything that concerns this place is a military secret, even how we sleep, so this won't be much of a letter. The letters I do write are very short because there isn't much to say.

I'm having a good time, but with Christmas coming soon it really makes you feel funny, not being home to enjoy it. I know all of the boys would like to be home, including me. I would like to thank you for the paper you sent me and a Merry Christmas and a Happy New Year. This may be late but I hope it serves the purpose.

Yours Truly
Edward Ross S2c

The following cablegram was received by Mr. and Mrs. Fred Steiner from Don Steiner, somewhere in Europe:

Love and Best Wishes for Christmas and the New Year to all at home. All's well. Donald E. Steiner.

This message from Don made Christmas just a little happier at the Steiner home. We're all hoping that Don will be home long before next Christmas.

Getting Ready for Victory Gardens

National Meeting to Be Held
In Detroit in February

Every state in the union will be asked to send representatives to Detroit for the National Victory Garden Institute meeting in February, 1944. Mayor Edward J. Jeffries Jr. announced Wednesday.

"Special emphasis in the Victory Garden program this coming spring will be placed on industrial gardens in addition to home gardens and those on public property," Mayor Jeffries said. "This will include efforts to have industry provide supervision and assistance to workers who will have their own gardens, either on plant property or on their own property."

In announcing the February meeting of the National Victory Garden Institute, the Mayor paid tribute to the contribution made during the past year to the city's Victory Garden program by Detroit area newspapers and radio stations.

"Without them, it would have been impossible to carry on an effective Victory Garden program. In view of the need for Victory Gardens, which we feel will be even greater next year, I know we can count on the continued cooperation of these organizations," he said.

If you lose your ration book and it does not have your address on the cover, you will have little chance of getting it back, the OPA warned today.

Through the cooperation of the post office, lost ration books deposited in the mail are forwarded directly to the owners whenever they can be located. A recent check showed that 93% of War Ration Book Three received by the post office were unable to be returned to the original owner because they lacked an address. Be sure and write your address on all ration books.

Better Sour Milk
Than Spilled

Milk that turns sour offers less excuse for dismay than milk that gets spilled, say MSC home economics specialists, since the sour milk lends itself to many forms of cookery.

Sour milk may replace sweet in baking, and give lightness, tenderness, and flavor to any hot bread except popovers, as well as gingerbread and spice cake. As for sour cream, a mere spoonful or two makes a gravy, sauce, or soup "special." Sour milk or cream has all the food values of milk or cream when fresh, and that alone is good reason for not wasting any.

To use sour milk successfully in baking, a few general rules are useful.

Rule One: In substituting sour milk for sweet, use an equal quantity of the sour milk. Add just enough soda to neutralize the acid. One-half level teaspoon soda is enough for each cup of really sour milk, or one-quarter teaspoon if the milk is just turning. Too much soda gives bad flavor and odor and produces dark flecks in the baked product.

Rule Two: Mix soda with dry ingredients. Don't add it directly to the milk, or the gas needed for leavening will begin to escape as soon as soda and sour milk combine.

For thin batters, the soda and sour milk furnish enough leavening, but thicker batters and doughs usually need some added baking powder. Count on ¼ teaspoon of soda, used with 1 cup sour milk, as equal to 2 teaspoons of baking powder in a recipe. If more leavening powder is needed, make it up with baking powder.

Waste Paper Used to Save Lives

Millions of surgical dressings for battlefronts all over the world are packed in bags and boxes made from salvaged waste paper. Above Red Cross workers are preparing this vital weapon of war for shipment overseas. Not only does waste paper help save lives—it helps kill Nazis and Japs. Waste paper goes to war as bomb bands, shell protectors, parachute flares and other forms of military equipment. You can do your share by saving every scrap of waste paper!

Happy New Year

[From one Bob to another Bob]

Once in the life of each man comes a time
When the urge comes on him to save up a dime,
Then dimes grow to quarters and quarters to bills,
When stacked up in piles make pretty green hills.
With all of this money he's never content,
To have it lay idle not earning a cent,
So he hunts for a bird who has an ambition,
To shingle his house or move a partition.
He loans him the cash and smiles in his glee,
As he thinks of amounts he'll collect as a fee,
But first he will mortgage all the guy owns,
As parcel and part to six percent Jones.

Dear Committee:

I wish to thank you for the lovely box you sent to me. I am sorry I had to open it before Christmas but I had to move to another camp and couldn't take the box.

I sincerely wish each of you a Merry Christmas and a Happy New Year. Hoping we can all be home soon.

To Members of the
Home Front Committee:

I wish to extend my thanks to the committee for the fine Christmas box I received recently. All of the items in it are highly useful, and a more appropriate selection could not be chosen.

Knowing that the folks at home are thinking of those in the service at home and abroad makes one feel that the home ties get even stronger when he is not in Clarkston.

Happy New Year to all of you, and thanks again for the package.

Sincerely

Dear Friends:

This is just a note to inform you that I received your Christmas box. The package arrived in good shape.

I want to thank everyone. I certainly appreciate it more than words can say. It sure means a lot to all of us who are far from home. I sure hope that all of the boys received their package in as good shape as mine was. Everything in the box was something we all need or can use. The box of V-mail stationery came in very handy for me as we haven't been issued any just recently.

I enjoyed the poem by Mr. Beattie very much. Once again I say thanks a million and I'll be seeing you all before long.

Sincerely

Pfc Stan Radoye

Dear Friends:

It was very thoughtful to be remembered at this time of year. The time goes much faster when one knows that the folks at home are thinking of you.

I enjoy my work in the army very much. Atlanta is a very nice city although you yankees have been sending us some cold weather the past few days. In fact, it even snowed for a few minutes. However, one does miss the lakes on which you can go skating. The southern boys say it's going to take five years to win the war—two years to beat Japan and three to drive us yankees back north. But I'm sure if they would give us the opportunity we would be back soon even if we had to walk.

I'm sorry I can't wish each of you

By BETTY BARCLAY

There was a time when new dishes appeared only on the tables of wise wives and hostesses, who were constantly trying out new recipes — because they enjoyed doing it.

Today, new dishes appear on tables because wives have to serve them. Ration points do not allow them to serve the old menu regularly. We are at war.

Do you want some novelties for the New Year? Try the following and prove that rationing is often a blessing in disguise:

Double-Feature Salad
1 box (14 oz.) quick-frozen spinach, thawed
2 tablespoons chopped pickles
1½ teaspoons minced onion
¾ cup broken macaroni, cooked
¾ cup thinly sliced celery
½ cup tart French dressing
1 teaspoon prepared mustard
4 tablespoons mayonnaise

Drain thawed spinach and chop coarsely. Add remaining ingredients, except mayonnaise, and mix lightly but thoroughly. Let stand in refrigerator about 20 minutes to marinate. Add mayonnaise. Serve on crisp lettuce. Garnish with raw carrot sticks. Or heat mixture and serve as a vegetable. Makes 6 servings.

Note: Mayonnaise may be omitted from mixture and served as a garnish, if desired.

You can count on the farm-fresh flavor of quick-frozen vegetables to add distinction to your holiday meals, and they give first aid to hurry up cooks, as all jobs of preparation are done before quick-freezing seals in their full quota of flavor and vitamins. By using "stretchers" recipes, you can easily expand your ration point investment in quick-frozen delicacies into extra servings.

Party Punch

2 cups canned apricots or cooked dried apricots
Juice 2 oranges
Juice 1 lemon
1 cup sweet cider

Measure apricots, adding apricot juice to fill cavities in measuring cup. Then pass through a ricer. Add orange juice, lemon juice and cider and stir. Strain. Allow to stand until chilled and dilute with ice water. Chopped candied cherries or mint leaves make an attractive garnish for this drink. Makes 3 pints.

Mincemeat Rennet-Custard

1 rennet tablet
1 tablespoon cold water
1 pint milk, not canned
2 tablespoons sugar
¾ cup mincemeat

Make rennet-custard according to directions in package, adding sugar and mincemeat to the milk. Chill, then serve.

a pleasant Christmas, personally, but the army will not permit me to leave at this time. Let us hope that by this time next year all the fellows of Clarkston may be sitting around their own tables at home on Christmas Day.

Thank you again.

Sincerely

Sgt Melvin Fischer

Dear Mr. Stamp:

Here goes for a much thought of but a very long delayed letter to you. Perhaps this word from me will come as a surprise to you and to your many readers also. Mr. Stamp at this time I wish to thank you from the bottom of my heart for the home town paper that you have continued mailing to me since I entered the service. My mother is keeping me posted on news that she hears but there is still plenty that I get and really enjoy from The News. Like many others it is the service column that interests me most. I'll feel like a stranger with all of the changes and strange faces in the old town when I return. Still as everyone probably knows, we "Yanks" have a reputation for making friends quickly and so I shouldn't be troubled for long, should I? In almost 22 months overseas I've been in Australia, New Guinea, and at present in the vast southwest Pacific area. Of course Australia was the best for it is very much like the States. New Guinea and my present location is tropical country and everything that goes with it. This leaves me well and hope it finds you and the whole town well also. My best wishes for a Merry Christmas and a Happy New Year to all. Please keep the paper coming.

Yours Sincerely

Dear Mr. Stamp:

I wish to thank you for sending my copy of the paper and also give you my new address. I just arrived here yesterday from the East Coast. It is Christmas morning here and I feel sure that all of us can come home for the next Christmas celebration. I hope all of you had a pleasant and joyous holiday. Thanking you once more for the paper which is really appreciated I remain

State's Top 4-H Dairy Foods Demonstrators Win War Bonds

TWO of Michigan's rural girls have been awarded state Class B team honors in the 1943 national 4-H dairy foods demonstrations. Each receives a \$50 War Bond from the Kraft Cheese Company. The winning team is composed of Evelyn Rohlf, 16, and Dorothy Brinkman, 15, of Akron. . . . The purpose of the demonstrations is to show rural residents how to make the best possible use of dairy products in preparing nutritious dishes for the family diet to "Keep America Strong."

THE LIGHT IN THE FRUIT CELLAR

Someone, perhaps Mrs. Jones, went down to get a jar of victory garden tomatoes last evening and forgot to turn off the light. It wasn't discovered until next morning—washday, luckily—when Mrs. Jones started working in the basement.

Ordinarily a small light left burning all night wouldn't be too important. But today ANY waste of electricity is serious because it wastes coal—as well as transportation, manpower, and other critical resources. That is why the Government requests you to conserve electric power—voluntarily—in home and store and office.

Even though electricity is not rationed and there is no shortage in this area, conserve whenever you can, as much as you can. The Detroit Edison Company.

THE OLD JUDGE SAYS...

"The men overseas don't mince any words about the way they want to find this country when they come marching home... do they, Judge?"

"They certainly don't, Herb...and they shouldn't. They're doing a masterful job fighting over there to protect our rights and they have good license to expect us to protect theirs back here at home. One thing they're mighty clear on is their stand on prohibition."

"I saw in the paper just the other day the results of a poll taken among American

service men in England by the British Institute of Public Opinion. They asked hundreds of men point blank how they would vote on prohibition. 85% of them stated, in unmistakable terms, that they would vote against it. There's no doubt about it, Herb...the men overseas don't want any action taken on that subject while they're away."

"And they're 100% right, Judge, because I know how I felt when I came home after the last war—only to learn that we had been over there fighting for so impractical a thing as Prohibition."

CARD OF THANKS

I wish to express my sincere thanks to my friends and neighbors and the lodges and organizations that remembered me with cards, fruit, flowers and other gifts while I was

MAKE MEAT POINTS GO FURTHER!

3 lbs. 4 oz. Lost in Cooking at High Temperature

Only 1 lb. 7 oz. Lost in Cooking at Low Temperature

With wartime restrictions limiting the amount of meat available to the family table, low temperature meat cookery of beef, pork, lamb, or veal, which yields 15 per cent more servings on the average, is valuable in helping the American Housewife get the maximum from her meat allowance. These two roasts weighed exactly the same before cooking and were cooked to the same degree of doneness. The roast cooked at the high temperature (above) lost three pounds four ounces in cooking. The roast cooked at low temperature (below) lost only one pound seven ounces and provided six to eight more servings than the roast cooked at high temperature.

Whether roasting, broiling, panbroiling, braising, or cooking in water, it pays to cook all meat slowly at low temperatures. The advantages are: 1. Less shrinkage—more servings; 2. Less fuel used; 3. Meat more uniformly cooked; 4. Meat more tender and better flavored; 5. Constant watching unnecessary; 6. Spattering and burning eliminated; 7. Easier to carve.
