CLARKSTON, MICHIGAN, FRIDAY, FEBRUARY 18, 1944

NUMBER 25

Bond Sales Over \$101,000

In Independence Township the bond sales totaled over \$101,000 with the Women's Volunteer Corps selling \$41,350.00 of mostly "E" bonds. The Township was not given any quota, consequently every worker made an effort up until the last minute to increase the total sales in order to help the county quota.

The women will continue to sell stamps and bonds at the booth in the drugstore.

This week a certificate of award to build 2 Jeeps was given to the Clarkston school for selling over \$2500.00 worth of defense stamps in a period of 5 weeks. A certificate to build 1 jeep was given to the 24 students in a classroom at the Bailey Lake school for their defense stamp sales.

Boy Scout News

The Scouts in our Troop are eagerly looking forward to February 26th, the date planned for their overnight hike to Camp Agawam. This hike was originally planned for Feb. 5th but had to be postponed due to illness in the Scout Master's family.

Feb. 28th will see the end of the patrol unit contests. Each scout in each patrol is eager and is doing what he can so his patrol will receive the highest honors. The award to the winning patrol will be a patrol flag with a ribbon of merit; also each scout in the patrol will receive a metal bar to wear above his left shirt pocket.

Many scouts are working for first class and merit badges. William Ludwig and Burton Barnes just passed the tests for requirements to Pathfinding merit badge. This merit badge is one that is required before a scout can become an Eagle. These two scouts are progressing very rapidly and it will not be long before they become Eagle scouts if they continue as they have been. They are now acting as scout reporters for the News.

Plans are being made for subscriptions to "Boys Life", the magazine for scouts and are paid for with money collected by the troop for dues.

The storm last Monday night cut down our attendance considerably; there were only twelve scouts present. Lloyd Anderson, assistant scout master, was in charge.

Andersonville News

The P.T.A. will meet on Friday night. The public is invited to attend. J. C. Covert, superintendent of Waterford Township schools will be the speaker. The school children will present a short program. Refreshments will be served. Admission will be by War Stamps sold at the door. You are urged to attend and bring along waste paper and tin cans.

Honor Students Announced Friday

At the assembly held in the school auditorium last Friday it was announced that Wilbur Adams is Valedictorian and Anne Zander is Salutatorian of the 1944 graduating class.

Farmers may continue the sale of pork from home-slaughtered hogs without a license or permit and may deliver any quantity of pork to persons not living on the farm, until March 17, the War Food Administration has ruled. However, farmers are required to collect ration stamps for pork so delivered.

Our Boys and Girls In The Service

Donald Steiner, S1c, is spending a few days at his home here. Don is feeling fine and says he enjoys his work. He wishes to thank the Home Front Committee for the Christmas package. It was greatly appreciated.

Another of our boys who made a short visit in Clarkston for a few days last weekend was Howard Kitchener (Red Smith). Howard has been in the South West Pacific for the past fifteen months and was very glad to get his feet back on home soil.

Jack Cubley, who has been in the Pacific area for many months, enjoyed a furlough at his home here and returned to California this week. Jack wishes to thank the Home Front Committee for the very useful Christmas package. He says when he opened the box and saw the towels and wash cloth he was delighted. They were badly needed.

Ration Tokens To Be Used Soon

On February 27, 1944 ration tokens will be introduced in the Processed Foods and Meat rationing program. Merchants are obtaining their supply of tokens from their banks beginning February 17.

All tokens will have a value of one point and will be colored red for meat and fats and blue for Processed foods.

Each stamp becoming valid after February 26 will have a value of ten points. The necessary difference in value of sale and stamp will be given in tokens. It is estimated that the use of tokens will result in the elimination of 60% of the food ration stamps now flowing from consumers to banks.

Sharlene Miller Is Three Years Old

Sharlene Miller, daughter of Mr. and Mrs. Sam Miller, celebrated her third birthday last Saturday at a St. Valentine's Party at her home.

There were thirteen little guests and they had a grand time. They enjoyed movies, even a Mickey Mouse. The refreshment table was centered with a large birthday cake flanked by candles in crystal holders. Each child received a Valentine when they left for home.

Sharlene was a very happy little girl at her first party. She received many pretty gifts and the best wishes of all of her little friends.

The guests included Judy, Joann and Carl Carpenter, Betty Jane Fenton, Freddie Robinson, Norman Rader, Kay and Gary Echenbrecht, Gary and Janet Stallard, John Holser, David Miller and Darlene Zeeman.

Employed Church Women Organize

At the Methodist Church last Thursday night, beginning with a dinner served by the Women's Society of the Methodist Church, the business and professional women organized a Wesleyan Service Guild of over 30 members. The Guild is an integral part of the national Methodist Women's organization, but with a distinct organization and projects.

The local unit of the Guild has for its President, Mrs. Martha White; Vice-President, Miss Louise Gulick, who is also the Program Chairman; Treasurer, Mrs. William Vliet; Corresponding Secretary, Miss Phyllis Walter; Recording Secretary, Miss Ethel Balls.

All of the four Circles of the Women's Society assisted in organizational work. Mrs. Virgil E. Campbell of the Mary Circle sent the invitations, Mrs. Ronald A. Walter of the Martha Circle, presented the structure of the Guild, its purpose and the extent of its world work; Mrs. William H. Mansfield of the Priscilla Circle was in charge of decorations and the program of music; Mrs. Ray Ainsley of the Priscilla Circle had charge of games and other entertainment; Mrs. Orlo J. Willoughby of the Dorcas Circle was in charge of the serving of the dinner.

Clarkston Locals

Feb. 23rd—Wednesday evening—the Farm Bureau will meet with Mr. and Mrs. William Edgar.

The Legion Auxiliary met at the home of the president, Mrs. R. C. Ainsley on Tuesday night. After the regular business meeting a short program was enjoyed. The next meeting, March 21, will be held in the Rotary rooms.

Father and Sons To Banquet Tuesday

The Clarkston Baptist Church will hold a Father-Son Banquet Tuesday, February 22, 1944, at 6:30, in the church basement. An interesting program has been arranged by the committee in charge.

The program:
Toastmaster.....Rev. Walter Ballagh
Invocation.....Rev. John Alfman, Ortonville
Group Singing.....led by Dexter Rohm of Pontiac
Toast to Fathers.....Raymond Garrison
Special Music.....Cox'n Donald Steiner
Toast to Sons.....Rev. Robert Ibach, Waterford

Speaker.....Rev. O. Ferriss Scott, Rochester Baptist Church

No admission will be charged, a free will offering will be taken to defray expense. Those desiring to make reservations please call Clarkston 4741 or 4201 or secure reservation cards at the church on Sunday.

CHRISTIAN SCIENCE CHURCHES

"Mind" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, February 20.

The Golden Text (Job 36:5) is: "Behold, God is mighty, and despiseth not any; he is mighty in strength and wisdom."

Among the Bible citations is this passage (James 1:15): "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

Service Mothers' Club Met Last Week

The Service Mothers' Club met at the Masonic Temple on Thursday afternoon, February 10th, with Mrs. C. H. Soulbey, vice president, in charge. A very interesting report was given by Mrs. Clifford Bennett, corresponding secretary, of cards and letters sent to the boys in service and letters were read from Leslie Dwyer, Edward Ross, Bartlett Mann, Robert Henry, Bettieann Speegle (Comstock) and a letter written by Mrs. F. Powell for her brother Hugh Cheeseman.

Plans were made for a Bake Sale to be held March 3rd at 2 o'clock at Terry's Market under the direction of Mrs. Henry and Mrs. Barnes.

It was voted to hold meetings once a month for a while. The next meeting will be a pot-luck dinner on March 9th at 12 noon at the Masonic Temple.

Brownie News

The Brownies met at the school on Wednesday afternoon. After taking care of the regular business we enjoyed a short program. The rest of the time was spent planning our Penny Carnival which we will have at the school, Feb. 25. Everyone is invited.
Sally Stageman, Scribe.

Clarkston Locals

The friends of Mrs. Arthur Beardsley will be sorry to learn that she is ill and confined to her bed at her home on East Church Street.

Mr. and Mrs. F. E. Davies have received word of the death of Dr. E. G. Barnett, aged 81 years, of Arichat, Nova Scotia, formerly of Walters Lake and Clarkston on February 7th. Many in this district will remember Dr. Barnett as he lived in Oakland County for many years. Mrs. Barnett died in 1938.

The Hilltopper

KEEGO OUTLASTS CLARKSTON
Last Friday Clarkston was again beaten by Keego Harbor 34-23. Clarkston led at the end of the first half 14-11 and had the Keego Presidents pretty well bottled up. The second half was a different story however and Keego forged ahead mainly on long shots from the middle of the floor. Clarkston's defense was very strong through the whole game but the long shots of Keego and Clarkston's missed full throws is what beat them. Rouse was high point man with eleven points and Simpson of Keego had nine. The Keego reserves walked Clarkston 52-10. The next game is with Walled Lake on Tuesday and there is one at home with Holly on Friday.

10TH GRADE NEWS
The Sophomores are really out there selling tickets for the "Cherry Tree Shake" which will be sponsored by the Juniors the 25th of February. There is a contest between the grades and the grade who sells the most tickets will get the \$5.00 prize to go into their treasury.

A certain per cent of the money taken in for the future dances will go towards providing more recreation in Clarkston. So if a student calls on you, do your part by purchasing some tickets and you will not only be helping we students but the community as a whole.

Joyce Lawson
C2 OS NEWS
We have sent our money in to the Science Club of America and we are now one of them.

We decided to refill all the fire-extinguishers in the school building. Some of the members are going to keep the chemicals in order, for one of their projects. Two of us have decided to make an aquarium for the lab room (in which unusual animals will be kept).

SENIOR NEWS

Last Friday at the assembly the names of the honor students of the Senior Class were announced. They were Wilbur Adams, Anne Zander and Corinne Stites. Wilbur is the first boy in two years to receive the honor of Valedictorian. The Seniors are proud of these outstanding students and wish them great success in the future.
Charlotte Maybee

11TH NEWS

The tickets are on sale for the dance sponsored by the Juniors, it is "The Cherry Tree Shake". You can get your tickets from any high school student. The dance will take place February 25, 1944. We would like to have a big crowd. I am sure you will have a good time if you come.

Our play has been chosen and try-outs for the cast are now in progress. Watch this column for announcements for the date, the name, the cast. This play will be the hit of the season!
Barbara Strickland

Obituaries

Ann Janette Scrace
Mrs. Ann J. Scrace passed away at Goodrich Hospital on Tuesday morning, February 15th.

Mrs. Scrace was born Ann Janette Austin, October 12, 1855, the daughter of Hiram and Maria Pearce Austin, in Berlin Township near Lansing. Her father died in service in the Civil War and she was reared to womanhood in the home of Mr. and Mrs. William Carpenter, an uncle and aunt, at Goodrich. On December 31, 1874 she was married to Frank Scrace, a native of New York State. Mr. Scrace died in 1915. To this union were born six children, Henry T., Mary F. Hammond, William, Annie M., Olive E., and Ada. Mrs. Hammond, Annie and Olive are deceased. She is also survived by six grandchildren, eleven great grandchildren and an aged sister living in Williamston.

Mrs. Scrace was of a rather retiring nature, loved her home and her hobby was piecing quilts until her failing eyesight deprived her of this pastime. She was a member of the Seymour Lake Methodist Church. She had spent about seventy years in Oakland County, living in Clarkston since 1925.

The funeral service will be held on Friday afternoon at 2 o'clock at the Ogden-Kennedy Funeral Home with the Rev. Ira Cargo of Fowlerville officiating and the Rev. W. Harold Pailthorp of Clarkston assisting. Burial will be in Lakeview cemetery.

Mary Elizabeth Simpson

Mrs. Mary Elizabeth Simpson, aged 80 years, passed away on Tuesday afternoon at her home at 154 W. Church St., Clarkston, after an illness of two weeks following an accident in her home when she fell down some stairs.

Mrs. Simpson was born in Scotland, October 6, 1863. On July 3rd, 1885 she married William Simpson at Chicago. They came to Clarkston about three years ago from Ann Arbor. She was a member of the Rosedale Gardens Presbyterian Church in Plymouth, Mich.

Mrs. Simpson is survived by her husband; 4 sons, Peter B. Simpson of Washington, D.C., William F. Simpson of Asbestos, Quebec, Harry A. Simpson of Rosedale Gardens, Plymouth, Mich., and Captain Robert S. Simpson of the medical corps of the U.S. Navy, who is on foreign duty; one daughter, Mrs. Russell Colton of Clarkston; 13 grandchildren and 8 great grandchildren.

The funeral service will be held at the Ogden-Kennedy Funeral Home in Clarkston on Saturday afternoon at 1:30 with the Rev. John B. Forsythe of Plymouth officiating. Interment will be in Forest Hill cemetery, Ann Arbor.

The members of the family who are expected in Clarkston to attend the funeral are Mrs. Robert S. Simpson and son, John, of Philadelphia arriving this morning; Mr. and Mrs. Peter B. Simpson of Washington, D.C., who will arrive Saturday morning and Mrs. Simpson's two grandsons, William A. Raeburn of Ann Arbor and Robert J. Raeburn of Hamilton, Ohio, also arriving Saturday morning. Mr. and Mrs. Harry A. Simpson of Detroit have been in Clarkston for the last few days.

Michael A. Muma

Michael A. Muma, 64, a resident of Richmond, Mich., passed away at the St. Joseph's Hospital in Mt. Clemens last Sunday, Feb. 13.

Mr. Muma was born in Saginaw, April 5, 1879. He attended the Ferris School of Business Administration and was a Public Accountant. On June 23, 1906 he married Marie McDonald at Clare, Mich. They made their home at East Jordan and three years ago his business took him to Richmond.

He is survived by his widow; two sons, Richard A. Muma of Wichita, Kansas, and Roderick Muma of Clarkston; one daughter, Mrs. Robert E. Hardy of Dearborn and 5 grandchildren.

The body was taken from the Ogden-Kennedy Funeral Home in Clarkston on Monday to East Jordan where the funeral service was held on Wednesday. Burial was in Sunset Hill cemetery in East Jordan.

Clarkston Locals

Born to Mr. and Mrs. Carl MacArthur of Holly an 8 lb. son, James Carl, at the Perry Maternity Home in Holly on Wednesday, February 16th.

Percy Craven is in St. Joseph Mercy Hospital in Pontiac where he underwent an operation this morning.

Recently Mrs. Floyd Terry entertained at a handkerchief shower honoring Mrs. Richard Green who left for Pueblo, Colo., to be with her husband, Pfc Green, formerly of Clarkston.

Clarkston Boys Preparing For Service

A few weeks ago three Clarkston boys, members of the 1944 graduating class in the High School, went to Pontiac and tried the V-5 (naval aviation) mental tests and were successful. They were Bill Radoye, Jack Baughman and Eldon Rouse.

Last week six of the Senior Class boys went to Pontiac and took the mental test for the Army Air Corps Cadets. They were in a class of 51 and were among the 38 who were successful. The group included Bob Clark, Edward Alexander, Walter Henry, Carl Freeman, Ralph Hagen and Tom Ward.

The boys who take these tests are supposed to be students with standings in the upper two-thirds of the class and most High Schools hold fast to this rule. However Clarkston school allowed any boy who wished to try the examination to do so and all of those who tried were successful. The boys are to be congratulated.

Zoning Hearing Monday, Feb. 28

Every person interested in the proposed Zoning Ordinance for Clarkston is urged to read the text of such proposed Ordinance in this issue, then come to the public hearing prepared to ask questions relating to ordinance.

The meeting will be held in the Council Rooms at 8:00 p.m.

The Waterford Inn Getting Even

The old hotel for years had stood by the bend in the winding trail. A stately place of virgin wood with its bar and its gleaming rail. Many a yarn of olden times was spun by the pioneers. Within the room with wooden blinds. Where even the walls had ears. Many a traveler rested at night. Within these spacious walls. And many a drunk enjoyed a fight in the inn beside the falls. But scenes will change as years go by.

And horses that stood by the rail. Have passed along; so has the lie. That was told in the harmless tale. The hotel stands; with porch of wood. As it did in another day. But pavement curves where horses stood. In the world's greatest right of way. Thousands of cars each year whiz past.

The old inn of another age. And most of them have gone so fast. I'm sure it must enrage. The old hotel, to stand and see. The foolishness of modern times. Perhaps it thought what fun 'twould be.

Some day; to reach out thru the blinds. Checking the driver in his speed. By drawing him into a snare. If by no other way he'd heed. The old Inn by the thoroughfare. Alas one night at half past three. All the world was so calm and still. The old hotel chuckled in glee. For there coming down yonder hill. Was modern car, with throttle wide. The old Inn was warmed with the thrill.

Of drawing car and man aside. Diverting its course from the trail. And hitching it where horses tied. Many years at a tying rail. Things nearly worked as it had planned.

For as if by magnetic force. The old Inn took the car in hand. And dragged it away from its course. Straight as a die the driver went. Pell mell for the veranda door. Poles, trees and benches; nothing meant.

In the path he was heading for. The error made in such a snare. Caused many a grief next day. For the car was broken beyond repair.

And there was hell to pay.

A large crowd attended the meeting of the Oakland County Council of Parent-Teachers on Friday evening in the Waterford church. The group was welcomed by R. H. Gorsline, principal of the Waterford School. Mrs. R. N. Hickson, president, read the "Objects of the P.T.A." The Waterford-Drayton Plains band played several selections. Reports were read. A nominating committee for the election of officers at the March meeting was elected, composed of Mrs. Alton Hagle of Newberry School, Mrs. John Discoll of Lamberton, and Mrs. E. M. Remley of Waterford Center. Mrs.

Iva O'Dell was in charge of the election.
 A skit, "Blackout and Candlelight", was presented by the Waterford Center group and the Jacksonian chorus sang several numbers.
 James C. Covert led a panel discussion on "What Can We Do for Youth?" with Rev. James C. Mead, pastor of Pontiac Congregational Church; Mrs. Harry King of the Pontiac school board; and Mrs. Rose Hill of the Juvenile Court.

Pvt. and Mrs. Fred Tuck, nee Eleanor Mehlberg, are the parents of a 6 lb. 2 oz. daughter, Barbara Jean, born Wednesday, Feb. 16, at St. Joseph Mercy Hospital. Pvt. Tuck, until recently, has been stationed in the Hawaiian Islands.

The Mom's Club will meet on Wednesday at 2 p.m. at the home of Mrs. Fred Mitchell.

Mrs. Joseph Helman is confined to her home with influenza.

At the meeting of the Primary and Intermediate Mothers groups on Thursday at the school, J. C. Covert, superintendent of the Waterford Township schools, gave a talk on "How Schools Are Financed". A movement is under way by this group to organize a Cub Scout troop. Den mothers are needed. Anyone interested may contact Mrs. Thomas Darling, phone 31-1042. It was voted that these two groups merge with one set of officers.

Lester Patton is recovering in Goodrich Hospital from burns about the face and eyes sustained recently when an oil furnace upon which he was working exploded.

A birthday party was held recently at the home of Mrs. Thomas Tucker,

honoring Mrs. William Farnham and Mrs. Earl Parmenter.

Dr. and Mrs. Ashton Emery and family were dinner guests on Saturday of friends in Plymouth.

S2ic Robert Mehlberg, who is now stationed in Grand Haven, spent the weekend with his parents here.

Mr. and Mrs. Ernest Valentine of Detroit were guests of Mr. and Mrs. E. D. Spooner on Sunday.

Mr. and Mrs. Cedric Knowlton have sold their home on Andersonville Rd. to Robert Munro and will move to Gingelville soon.

William Jacober submitted to an appendectomy at General Hospital on Saturday.

Nearly fifty people attended the Valentine tea on Monday at the home of Mrs. P. L. McLaughlin, sponsored by the O.D.O. group of the Women's Community Club. The ladies took in over \$17.

Mr. and Mrs. George Stark of Detroit were guests of Mr. and Mrs. John Watchpocket on Sunday.

Mr. and Mrs. Earl Kniffen of Hazel Park were guests of Mr. and Mrs. H. F. Buck on Sunday.

Drayton Plains

The Men's Club is sponsoring the Boy Scouts Troop No. 52.

Drayton Plains Parent-Teachers Association held its regular meeting in the school auditorium last Monday afternoon. It being Founders' day a special program was prepared. The meeting was called to order by the President, Mrs. Waldron Keasey. Prayer by Mrs. Cornelius Ehey. A short business meeting followed, after which the meeting was turned over to the Historian, Mrs. Robert Morgan.

She introduced the children in Mrs. Nancy Vance's and Mrs. Leona Kutz's rooms who entertained with singing, dancing and a short skit giving a history of our flag. Mrs. Clyde Harmon reviewed a brief history of the Founders of Parent-Teachers work. Mrs. Grace Barnhart gave a history of the eighteen years of the Drayton Plains Parent-Teachers association. Three charter members were present, Mrs. A. A. Solomon, Miss Agnes Hilton and Mrs. Grace Barnhart. In the center of a long table was placed a lovely anniversary cake with the words "18th Anniversary of the Drayton Plains P.T.A." Flowers and Valentine napkins along with the silver and dishes made a very pretty setting. Mrs. Waldron Keasey and Mrs. Marion Morrow presided at the tea table. The March meeting will be held on March 13th at eight o'clock in the school auditorium. Election of officers will take place at this meeting. Hostesses at this meeting were Mrs. A. A. Solomon, Mrs. C. J. Sheldon and Mrs. Delbert Motley.

The Drayton Plains Mother singers met at the home of Mrs. Grace Barnhart last Tuesday evening, with two guests from Pontiac. A lovely cooperative supper was served at seven o'clock. A business meeting was held after which several games were played. The next meeting of the Mother singers will be held with Mrs. Emiel Koop, Sashabaw Rd., March 16th. Cooperative luncheon at 6:30.

Mrs. Earl Springer is recovering nicely from a major operation and has been moved to her home on Louella St. from the Pontiac General

Hospital.

Mrs. Frank Jankawske returned from California last Friday night after a few days visit with her son, Charles.

Mr. and Mrs. Russell Stewart and family left last Sabbath morning for their home in Walhalla, South Carolina.

The Drayton Plains Men's Club will entertain the Waterford Township Fire Dept. next Monday evening in the school auditorium.

The Lake Oakland Home Demonstration group held their regular meeting last Tuesday at the home of Mrs. George Graves, 4076 Oakhurst St. The meeting was called to order at 9:30 a.m. The lesson, "New Tricks

for Old Clothes", was given by Mrs. Graves. A luncheon was served at noon.

**Save electricity to
 SAVE COAL**

**... don't leave
 lights burning wastefully**

It's so easy to turn on a light in an occupied room or a clothes closet or the attic of your home—then forget it. And that light burning needlessly may go unnoticed for hours.

Ordinarily this wouldn't be too important... perhaps half-a-cent's worth of electricity wasted. But that light in the clothes closet burns COAL. Electricity requires coal and manpower and transportation and other critical resources for its manufacture. And today ANY waste of electricity is serious.

The Government asks everyone to conserve electricity, even though it is not rationed and there is no shortage in this area. Save VOLUNTARILY, whenever and wherever you can—in home and store and office.

Proposed Zoning Ordinance

TITLE

AN ORDINANCE regulating and restricting the height and size of buildings, the size of yards, courts, and other open spaces; the density of population; the location and use of buildings and land for trade; industry; residence and other purposes; creating districts for said purposes and establishing the boundaries thereof; providing for changes in regulations, restrictions and boundaries of such districts; defining certain terms used herein; providing for enforcement; establishing a board of appeals; and imposing penalties for the violation of this Ordinance and to provide for a building zone map.

THE VILLAGE OF CLARKSTON ORDAINS:

SHORT TITLE

The following provisions together with the Building Zone map, which is attached hereto and made a part hereof, shall constitute and be known as "The Clarkston Zoning Ordinance", and may be referred to and cited under said name.

PREAMBLE

WHEREAS, the public interest, health, comfort, convenience, preservation of the public peace, safety, morals, order and general welfare of the Village of Clarkston require the classification, into districts within some of which it shall be lawful and within other unlawful to erect, construct, alter or maintain certain buildings or uses of property or to carry on certain trades and industries.

Section 1. DEFINITIONS

For the purpose of this Ordinance certain terms and words are herewith defined.

Words used in the present tense include the future; words in the singular number include the plural number and words in the plural number include the singular number; the word "building" includes the word "structure"; and the word "shall" is always mandatory and not merely directory.

1. ALLEY. A public thoroughfare for the purpose of this Ordinance if less than thirty (30) feet wide is an alley.

2. ALTERATIONS. Any change, addition or modification in construction or grade of occupancy, any change in the structural members of a building, such as walls or partitions, columns, beams or girders are alterations.

3. APARTMENT HOUSE. An apartment house is a dwelling for three or more families, living independently of each other and doing their cooking upon the premises.

4. BASEMENT. A basement is that portion of a building partly below grade but so located that the vertical distance from the grade to the floor is greater than the vertical distance from the grade to the ceiling; provided, however, that if the vertical distance from the grade to the ceiling is five (5) feet or more, such basement shall be considered as a story.

5. BLOCK. For the purpose of this Ordinance a block shall be that property abutting on one side of a street and lying between the two nearest intersecting streets or alleys and extending back to another street or alley or to the village boundary.

6. BOARDING OR ROOMING HOUSE. A boarding or rooming house shall be construed to mean any dwelling occupied in any such manner that certain rooms in excess of those used by the members of the immediate family and occupied as a home or family unit, are leased or rented to persons outside of the family, without any attempt to provide in the excess rooms or for use therewith, cooking or kitchen accommodations for individuals leasing or renting rooms.

7. BUILDING. A structure having a roof supported by columns or walls for the shelter, support or enclosure of persons, animals or chattels is a building. When any portion thereof is completely separated from every other part thereof by division walls from the ground up, and without openings, each portion of such building shall be deemed a separate building.

8. BUILDING, ACCESSORY. A subordinate building or structure on the same lot, or a part of the main building, occupied by or devoted exclusively to an accessory use is an accessory building.

9. BUILDING LINE. The line formed by the outer surface of a building or an enclosing wall at the finish grade or surface of the ground is the building line.

10. COMMERCIAL USE. "Commercial use" when used in this Ordinance refers to the engaging in the purchase, sale, barter or display or exchange of goods, wares or merchandise; and the maintenance or operation of offices, or recreational or amusement enterprises.

11. COURT. A "court" is an open unoccupied space on the same lot with a building and bounded on two or more sides by the walls of the building. A court not extending to the street or front or rear yard is an "inner court". A court extending to the street or front or rear yard is an "outer court".

12. CURB LEVEL. The mean level of the curb is the level of the established curb in front of the building measured at the center of such front. Where no curb has been established, the Village Council shall establish such curb level or its equivalent for the purpose of these regulations.

13. DWELLING. A dwelling is any house or building or portion thereof which is occupied wholly as the home, residence or sleeping place of one or more human beings, either permanently or transiently. In case of mixed occupancy, where a building is occupied in part as a dwelling, the part so occupied shall be deemed a dwelling for the purpose of this Ordinance and shall comply with the provisions thereof relative to dwellings.

14. DWELLING, ONE-FAMILY. A building used or intended to be used as a dwelling by not more than one family is a one-family dwelling.

15. DWELLING, TWO-FAMILY. A building used or intended to be used as a dwelling by two families only is a two-family dwelling.

16. DWELLING, MULTIPLE. A building used or intended to be used as a dwelling by three or more families, or as a boarding or rooming house, apartment house or hotel is a multiple dwelling.

17. ESSENTIAL SERVICES. The phrase "essential services" means the erection, construction, alteration, or maintenance by public utilities or municipal departments or commissions, of underground or overhead gas, electrical, steam, or water transmission or distribution systems, collection, communication, supply or disposal systems, including poles, wires, mains, drains, sewers, pipes, conduits, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, towers, and other similar equipment and accessories in connection therewith, (but not including buildings) reasonably necessary for the furnishing of adequate service by such public utilities or municipal departments or commissions or for the public health or safety or general welfare.

18. FAMILY. One or more persons occupying a building and living as a single housekeeping unit, as distinguished from a group occupying a boarding house, lodging house or hotel is a family.

19. GARAGE, PRIVATE. A private garage is a space or structure suitable for the storage of motor vehicles, having no public shop or services in connection therewith, for the use solely of the owner or occupant of the principal building on a lot, or of his family or domestic employees.

20. GARAGE, PUBLIC. A space or structure, other than a private garage, for the storage, care, repair or refinishing of motor vehicles is a public garage, except that a structure or room used solely for the display and sale of such vehicles, in which they are not operated under their own power, and in connection with which there is no repair, maintenance or refinishing service or storage of vehicles other than those displayed, shall not be considered a public garage for the purpose of this ordinance.

21. GASOLINE FILLING STATION. A "gasoline filling station" is a space, structure, or building or part of a building for the retail sale or supply of motor fuels, lubricants, air, water and other customary facilities for the installation of such commodities in or on such motor vehicles, but not including special facilities for the painting, repair or similar servicing thereof.

22. HEIGHT, BUILDING. The vertical distance measured from the curb level to the highest point of the roof for flat roofs; to the deck line for mansard roofs; and to the mean height level (between eaves and ridge) for gable, hip and gambrel roofs is the height of a building. Where a building is located upon a terrace, the height may be measured from the average ground level of the terrace at the building wall.

23. HOTEL. A building occupied as a more or less temporary abiding place for individuals who are lodged with or without meals and which contains rooms to be occupied for hire, in which provision is not made for cooking on any individual plan and in which there are more than ten (10) sleeping rooms, a public dining room for the accommodation of at least twenty (20) guests, and a general kitchen is a hotel.

24. LOT. A lot is a piece or parcel of land occupied or to be occupied by a building and its accessory buildings or by any other activity permitted thereon and including the open spaces required under this Ordinance and having its frontage upon a public street or any private way used for street purposes. A lot may or may not be specifically designated as such on public records.

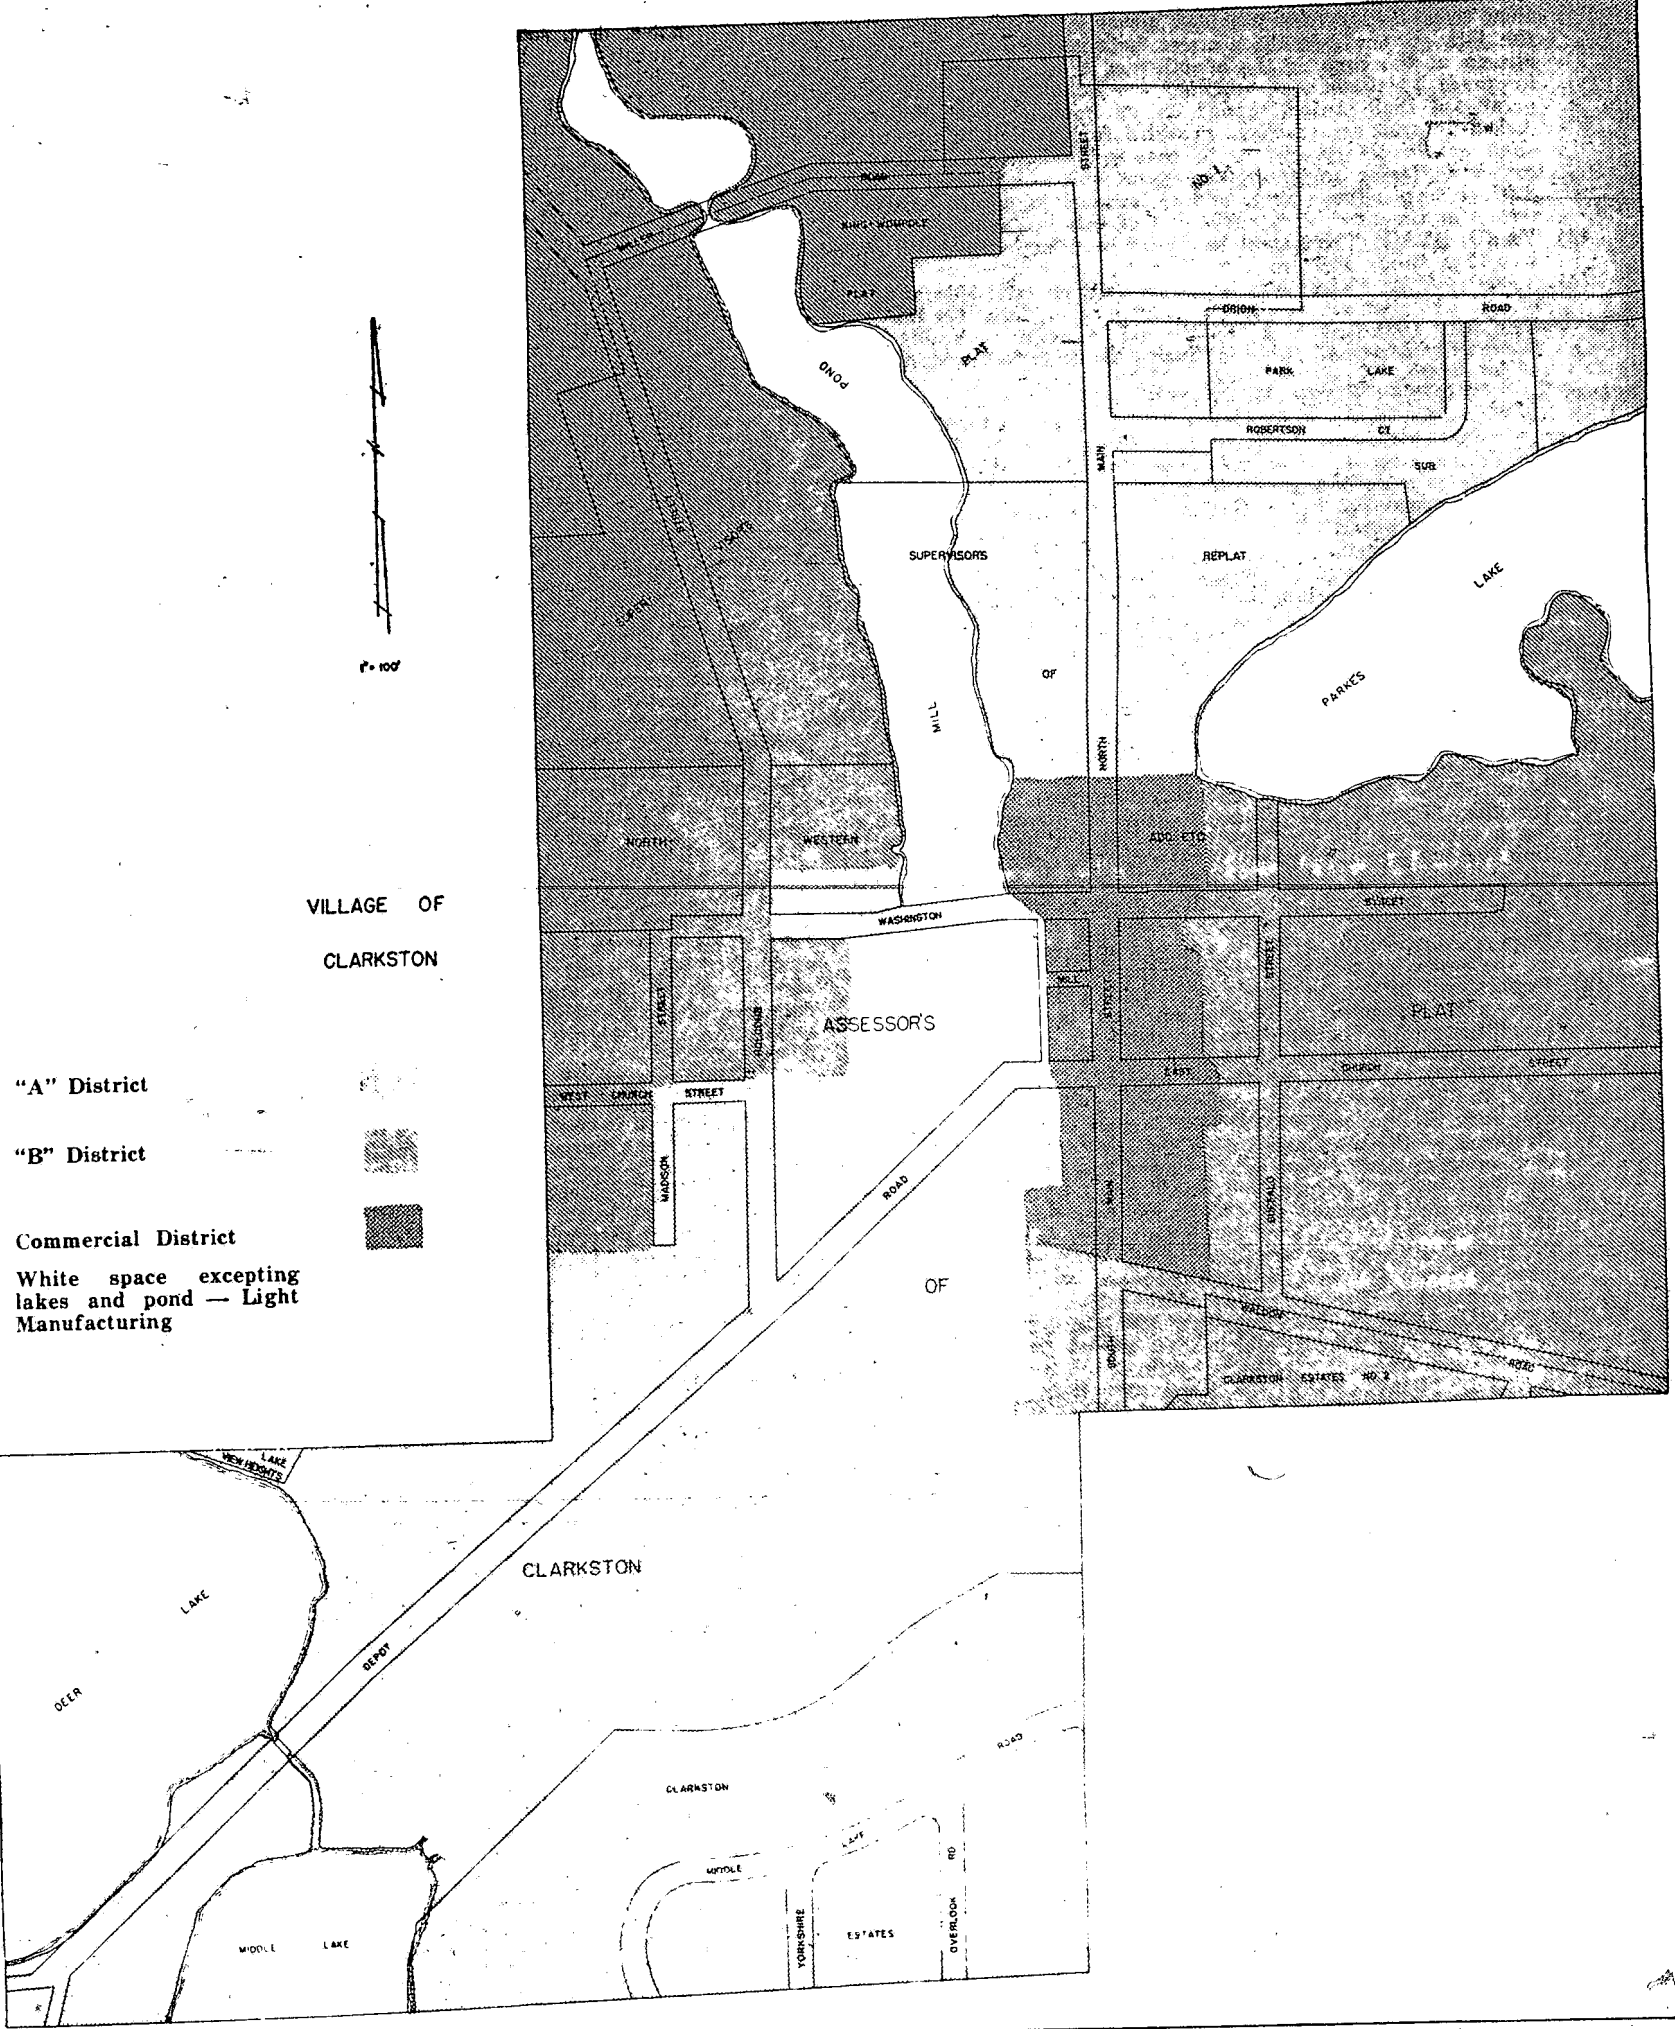

25. LOT CORNER AND DEPTH. A lot situated at the junction of two or more streets is a corner lot. In the case of a corner lot the owner may elect by statement on his plans, either street boundary as the front. The depth of a lot is the mean distance from the center of the front to the center of the rear boundary of an irregular four-sided lot.

26. LOT LINES. Lines bounding a lot are lot lines.

27. NON-CONFORMING USE. The use of a building or of land that does not conform to the regulations of this ordinance for the district in which it is located is a non-conforming use.

28. PLACE. An open unoccupied space dedicated or used for the purpose of access to abutting property, which for the purpose of this ordinance is thirty (30) feet or more in width is a place.

29. SETBACK. The minimum horizontal distance between the front line of the building, excluding steps and unenclosed porches, and the street line is the setback.

30. PUBLIC UTILITY. Any person, firm, corporation, municipal department or board duly authorized to furnish or which furnishes under municipal, public or statutory regulations to the public, electricity, gas, steam, telephone, telegraph, transportation or water is a public utility.
31. STORY. That portion of a building included between the surface of any floor and the ceiling next above is a story. A basement shall be considered a story if its ceiling is over five (5) feet above the average established grade or if it is used for business purposes.
32. STORY, HALF. That portion of a building between the eaves and ridge lines of a pitched roof is a half story.
33. STREET. A public thoroughfare for the purpose of this ordinance which is thirty (30) feet or more in width is a street.
34. SIGN BOARD. Any structure or part thereof on which there is lettered, pictured or displayed matter, the chief purpose of which is for advertising or publicity is a sign board.
35. TOWER. A subordinate enclosed structure projecting above the roof line of a main building and having a roof supported by columns or walls is a tower.
36. USE. The purpose for which land or buildings thereon are designed, arranged, or intended to be occupied or used, or for which they are occupied or maintained is hereby termed the use.
37. USE, ACCESSORY. A use naturally and normally incidental to, subordinate to, and devoted exclusively to the main use of the premises is termed an accessory use.
38. YARD. An open space on the same lot with a building, which open space lies between the building and the nearest lot lines and is unoccupied and unobstructed from the ground upward to the sky, except for the certain architectural features is a yard. Yard measurements shall be the minimum horizontal distance between a lot line and the nearest line of the main building if a yard is uniform, otherwise, the distance shall be the average depth between the nearest line of the main building and the lot line.
39. YARD, FRONT. A yard extending across the full width of the lot between the front lot line and the nearest line of the main building is the front yard.
40. YARD, REAR. A yard extending across the full width of the lot between the rear lot line and the nearest line of the main building is the rear yard.
41. YARD, SIDE. A yard extending from the front yard to the rear yard between the side lot line and the nearest line of the main building or of accessory building attached thereto is the side yard.

Section 2. DISTRICT REGULATIONS

In order to regulate the use of land; to regulate and restrict the location of trades and industries and the location of buildings or structures erected or altered for specified uses; to regulate and limit the height and bulk of buildings hereafter erected or altered; to regulate and determine the area of yards, courts and other open spaces surrounding buildings hereafter placed or altered; and to regulate the density of population, the Village of Clarkston is hereby divided into the following "districts" of which there shall be four (4) known as:

1. Residence "A" District.
2. Residence "B" District.
3. Local Business and Commercial District.
4. Light Manufacturing District.

The areas comprising these districts and the boundaries of such districts are shown upon the map attached hereto and incorporated as the Zoning Map of the Village of Clarkston, and said map and all the notations, references and other information shown thereon shall be as much a part of this ordinance as if the matters and information set forth by said map were all fully described hereinafter. Provided, however, where uncertainty exists with respect to the boundaries, the rules as set forth in Section 13 of this Ordinance shall apply.

Section 3. GENERAL PROVISIONS

1. Except as hereinafter provided, no building, structure, premises, lot, block or space or part thereof, shall be used, altered, constructed or reconstructed except in conformity with the provisions of this ordinance which apply to the district in which it is located.
2. The lawful use of premises existing at the time of the adoption of this ordinance may be continued, although such use does not conform with the provisions hereof, and such use may be extended throughout the building, provided no structural alterations or changes are made therein, except those required by law or ordinance or such as may be required for safety, or such as may be necessary to secure or insure the continued advantageous use of the building during its natural life, or the erection of its full height as originally planned of a building with foundations

3. Wherever a non-conforming use of a building has been changed to a more restricted use or to a conforming use, thereafter no use shall be permitted except a conforming use.
4. When a non-conforming use of property is discontinued through vacancy, lack of operations or otherwise for a continuous period of six months, thereafter, no right shall exist to maintain on said property a non-conforming use unless the Board of Appeals grants such privilege within an additional six months period.
5. Except as hereafter provided, no building shall be erected or altered to exceed the limitations and restrictions herein established for the district in which such building is located. Provided further that no building shall be erected, nor shall an existing building be altered, enlarged or rebuilt nor shall any open spaces surrounding any building be encroached upon or reduced in any manner, except in conformity with the regulations hereby established for the district in which such building is located.
6. No portion of a lot used in complying with the provisions of this ordinance for yards, courts, lot area per family or percentage of lot occupancy, in connection with an existing or projected building or structure, shall again be used to qualify or justify any other building or structure existing or intended to exist at the same time.
7. OCCUPIED SPACES. Outside stairways, fire escapes, fire towers, porches, platforms, balconies, boiler flues and other projections shall be considered as part of the building and not as part of the yards or courts or unoccupied spaces. This provision shall not apply to one (1) fireplace or one (1) chimney projecting not more than twenty-four (24) inches into side yard space and not more than eight (8) feet in height nor to unenclosed outside porches not exceeding one (1) story in height which do not extend into the front yard or rear yard a greater distance than ten (10) feet from the front or rear walls of the building, nor to one (1) such porch which does not extend into the side-yard a greater distance than six (6) feet from the side wall of the building or exceed ten (10) feet in its other horizontal dimension, or to cornices not exceeding sixteen (16) inches in width including the gutter.
8. Essential services shall be permitted as authorized and regulated by law and other ordinances of the Village of Clarkston, it being the intention hereof to exempt such essential services from the application of this ordinance.

Section 4. RESIDENCE "A" DISTRICT

1. USE REGULATIONS. In a Residence "A" District no building, structure, or premises shall be used and no building or structure shall be hereafter erected or altered, unless otherwise provided in this ordinance, except for one or more of the following uses:
 - (1) One-family dwellings.
 - (2) Churches and temples.
 - (3) Public and parochial schools and colleges.
 - (4) Libraries.
 - (5) Farming and truck gardening.
 - (6) Accessory buildings or structures incidental to the above uses and located on the same lot and separate from the main structure may be permitted, including one private garage when located not less than fifty (50) feet from the front lot line on an interior lot and on a corner lot not less than fifty (50) feet from the front lot line and not less than twenty (20) feet from the line on the lot and not less than twenty (20) feet from the line on the lot as side street. When said accessory building or structure is built as a part of the main building, it shall conform to all the requirements for residence area regulations.
 - (7) One sign not to exceed six (6) square feet for the sale or lease of a single lot or block of contiguous lots may be displayed on the premises to be sold or leased for a continuous period of not more than one (1) year, provided however, the Board of Appeals may grant a further extension of time.
 - (8) In any one-family dwelling not more than one room may be rented for use by not more than two persons unless permission is granted by the Board of Appeals to rent two rooms for use by not more than two persons for each room.
2. HEIGHT REGULATIONS. In a Residence "A" District no building shall hereafter be erected or altered so as to exceed thirty-five (35) feet in height, nor to be more than two and one-half (2½) stories.
3. AREA REGULATIONS. In a Residence "A" District the minimum dimensions of yards, and courts, and the minimum lot area per family shall be as follows:
 - (1) LOT AREA PER FAMILY. Every one-family dwelling hereafter erected or altered in the Residence "A" District shall provide a lot area of not less than five thousand (5000) square feet and said lot shall have a front width of not less than fifty (50) feet and depth of not less than one hundred (100) feet.

- (2) **SETBACK.** There shall be a Building setback line of not less than twenty (20) feet, provided however, when the majority of the lots on one side of a street between two (2) intersecting streets at the time of the adoption of this ordinance have been improved by permanent buildings, no building hereafter erected or altered shall project beyond the minimum setback line established by prior construction; provided further that this regulation shall not be interpreted as to reduce the buildable width of a corner lot facing an intersecting street and which is separate and distinct from adjacent lots and is included in a plat or deed of record at the time of the adoption of this ordinance.
- (3) **YARD, REAR.** There shall be a rear yard having a depth of not less than thirty (30) feet.
- (4) **YARD, SIDE.** There shall be a side yard on each side of the lot of not less than six (6) feet in width on all lots. On lots more than fifty (50) feet in width, the side yard on each side of the lot shall be increased three (3) inches for each foot over fifty feet of lot width.

Section 5. RESIDENCE "B" DISTRICT

1. **USE REGULATIONS.** In a Residence "B" District no building, structure or premises shall be used and no building or structure shall be hereafter erected or altered unless otherwise provided in this ordinance, except for one or more of the following uses:

- (1) Any use permitted in the Residence "A" District.
- (2) Apartment Houses.
- (3) Multiple Dwellings.
- (4) Boarding and Rooming Houses.
- (5) Hospitals and sanitariums, educational, philanthropic and religious institutions, except penal and correctional institutions, or those for the care of the insane or feeble-minded, or criminal hospitals, or for liquor or drug addicts, or animal hospitals, provided there is not in connection therewith any activity which is noxious or offensive by reason of the emission of odor, fumes, dust, smoke, vibration or noise.
- (6) Accessory buildings or structures incidental to the above uses and located on the same lot and separate from the main structure may be permitted, including one (1) private garage, when located not less than fifty (50) feet from the front lot on an interior lot and on a corner lot not less than fifty (50) feet from the front lot line and not less than twenty (20) feet from the line of the side street. When said accessory building or structure is built as a part of the main building, it shall conform to all the requirements for residence area regulations.
- (7) Uses customarily incidental to any of the above uses when located on the same lot and not involving the conduct of a business.
- (8) Professional offices or studios of a doctor, dentist, teacher, masseur, artist, architect, engineer, musician, lawyer, magistrate or practitioner of a similar character or rooms used for home occupations including dressmaking, millinery or similar handicrafts, PROVIDED the office, studio or occupational rooms are located in a dwelling in which the practitioner resides or in a building accessory thereto, and PROVIDED further, no goods are publicly displayed on the premises and no sign or advertisement is shown thereon other than a sign not to exceed two (2) square feet bearing the name and occupation (words only) of the practitioner.
- (9) One sign not to exceed six (6) square feet for the sale or lease of a single lot or block of contiguous lots may be displayed on the premises to be sold or leased for a continuous period of not more than one (1) year, provided however, the Board of Appeals may grant a further extension of time.

2. **HEIGHT REGULATIONS.** In a Residence "B" District no building shall hereafter be erected or altered which shall exceed forty-five (45) feet nor be in excess of four (4) stories in height.

3. **AREA REGULATIONS.** In a Residence "B" District the minimum dimensions of yards, and courts, and the minimum lot area per family shall be as follows:

- (1) **LOT AREA PER FAMILY.** Every building hereafter erected or altered shall provide a lot area of not less than twelve hundred and fifty (1250) square feet per family.
- (2) **COURT, INNER.** The least dimension of an inner court shall never be less than twice the minimum width prescribed by this section for an outer court. The length of a court shall never be greater than five times its width.
- (3) **COURT, OUTER.** The minimum width of an outer court shall be for a one-story building, five (5) feet; for a two or two and one-half story building, six (6) feet; for a three-story building, seven (7) feet; for a four-story building, eight (8) feet.
- (4) **SETBACK.** There shall be a Building setback line of not less than twenty (20) feet, provided however that, when the majority of the lots on one side of a street between two intersecting streets at the time of the adoption of this ordinance have been improved by permanent buildings, no building hereafter erected or altered shall project beyond the minimum setback line established by prior construction; PROVIDED that this regulation shall not be interpreted as to reduce the buildable width of a corner lot facing an intersecting street and which is separate and distinct from adjacent lots and is included in a plat or deed of record at the time of the adoption of this ordinance.
- (5) **YARD, REAR.** There shall be a rear yard having a depth of not less than thirty (30) feet for a dwelling not over two stories in height, thirty-five (35) feet for a dwelling three stories in height and an additional depth of five (5) feet for each story above three stories, except that on corner lots the depth of a rear yard may be six (6) feet less than the above requirements, provided that in no case shall the depth be less than twenty-four (24) feet.
- (6) **YARD, SIDE.** There shall be a side yard on each side of the lot of not less than six (6) feet for a dwelling not over two stories in height and the width of the side yard shall be increased two (2) feet for each story above two stories.

Section 6. LOCAL BUSINESS AND COMMERCIAL DISTRICT

1. **USE REGULATIONS.** In a Local Business and Commercial District, unless otherwise provided in this ordinance all buildings and premises may be used as authorized for Residence "A" District in Section 4, and for Residence "B" District in Section 5 or for any other use except the following:

- (1) Building material or contractor's storage yard.
- (2) Coal, coke, lumber or wood yard.
- (3) Dry cleaning establishment, employing more than five (5) persons.
- (4) Ice plant or storage house for more than five (5) tons capacity.
- (5) Laundry employing more than five (5) persons.
- (6) Machine shop employing more than five (5) persons.
- (7) Storage or hauling of scrap paper, iron, bottles, rags or junk as a business.
- (8) Public garages and gasoline filling stations unless permitted subject to the provisions and requirements of Section 9 (Board of Appeals—Par. 10.)
- (9) Signs may be displayed advertising the sale of goods or the sale or lease of any one property provided that such sign does not exceed eight (8) square feet.
- (10) Bakery employing more than five (5) persons.
- (11) Bottling works.
- (12) Junk yard, vehicle or machinery disassembling yard.
- (13) Lumber yard.
- (14) Storage warehouse.
- (15) Abattoirs.
- (16) Acetylene gas manufacture.
- (17) Asphalt manufacture or refining.
- (18) Acid manufacture.
- (19) Blast furnace.
- (20) Brick, tile or terra cotta manufacture.
- (21) Coke ovens.
- (22) Crematory.
- (23) Fish smoking and curing.
- (24) Fireworks or explosive manufacture or storage.
- (25) Incineration or reduction of garbage, dead animals, offal or refuse.
- (26) Oiled, rubber or leather goods manufacture, or tanning, curing or storage of leather, raw hides or skins.
- (27) Paint, oil, shellac, turpentine or varnish manufacture.
- (28) Petroleum (or petroleum products) refining or storage above ground.
- (29) Soap manufacture.
- (30) Stock yards.
- (31) Tar roofing or waterproofing manufacture.
- (32) Any other use comparable in character to the above, or which by reason of the emission of odor, fumes, dust, smoke, vibration or noise, or the disposal of wastes if deleterious to other industrial or mercantile activities lawfully conducted within the district, or if noxious or offensive to uses permitted and conducted in neighboring residence districts.

2. **HEIGHT REGULATIONS.** In the local Business and Commercial District no building shall exceed a height of forty (40) feet nor be in excess of two and one-half (2½) stories except as provided in Section 7, Height and Area Exceptions.

3. **AREA REGULATIONS.** For property occupied for residential use in the local Business and Commercial District the area regulations shall be the same as the appropriate requirements set forth in Section 5 for Residence "B" Districts.

(1) Any business enterprise located in a block in which 50% of the ground area is used for residential purposes shall observe the same setback and side yard requirements as the ordinance provides for residential districts.

Section 7. LIGHT MANUFACTURING DISTRICTS

1. **USE REGULATIONS.** In a light manufacturing district, no building, structure or premises shall be used, nor shall any building or structure be hereafter erected, altered or used for any purpose except for the following uses:

- (1) Use permitted by this Ordinance for Residence "A" Districts and Residence "B" Districts, and Local Business and Commercial Districts.

(2) Light manufacturing uses that by their nature do not through noise, dirt, soot, appearance, odor or because of unsanitary or unhealthy conditions or by any other means constitute either a public or private nuisance.

Section 8. HEIGHT AND AREA EXCEPTIONS

The foregoing requirements in the various districts shall be subject to the following exceptions and regulations:

1. AREA EXCEPTIONS

- (1) In computing the depth of a rear yard or the width of a side yard or open court for any building, where such yard or court opens onto an alley, one-half of such alley must be assumed to be a portion of the yard or court.
- (2) In determining the side yard, measurements shall be made from the foundation walls.
- (3) Every part of a required yard or court shall be open from its lowest point to the sky unobstructed, except for the ordinary projections of the skylight above the bottom of such yard or court, and except for the projecting of sills, belt-courses, cornices and ornamental features not to exceed six (6) inches; provided, that cornices of dwellings may project not to exceed twenty-four (24) inches.

2. HEIGHT EXCEPTIONS

- (1) That in Residence "A" and "B" Districts and Local Business and Commercial Districts, public or semi-public buildings, churches, cathedrals, temples, hospitals, sanitariums, or schools may be erected to a height not exceeding fifty-five (55) feet, when set back from all lot lines not less than one foot for each foot such buildings exceed the height allowed in the respective districts.
- (2) Chimneys, elevator bulkheads, penthouses, radio towers, monuments, cupolas, and mechanical appurtenances pertaining to and necessary to the permitted use of the district in which they are located shall not be included in calculating the height of the structure.

Section 9. BOARD OF APPEALS. CREATION AND MEMBERSHIP

There shall be a Board of Appeals on Zoning consisting of five (5) members (persons not holding any elective office) appointed by the Village Council to serve without pay, and in accordance with Section 5 of Act 207 of the Public Acts of Michigan for 1921 as amended. Two members of the Board of Appeals shall be appointed for a term of three (3) years, two (2) members for a two (2) year term and one (1) member for a term of one (1) year. Upon the expiration of each member's term, the Village Council shall appoint members to serve for terms of three (3) years, each member to serve until his successor has been duly appointed. The Village Council shall annually at the time appointments to the Board of Appeals is made, designate one of the members to act as chairman and shall fill any vacancy by making an appointment for the unexpired term of the person whose office is vacant.

1. Within one month after the first Board of Appeals is appointed and within a month after the annual appointment to the Board of Appeals membership is made, the Board shall convene at the call of its chairman for the purpose of organization and to perform such duties as may then be necessary.
2. **MEETINGS.** Meetings of the board shall be held in the Council Chamber at least once each month and at such other times as the Board may determine or when called by the Chairman. Said meetings shall be open to the public. The Board shall adopt its own rules of procedure and keep a record of its proceedings, showing the action of the Board and the vote of each member upon each question considered. The presence of three (3) members shall be necessary to constitute a quorum. The concurring vote of four (4) members of the Board shall be necessary to reverse any order, requirement, decision or determination of any administrative official or to decide in favor of the applicant any matter upon which they are required to pass under this ordinance or to effect any variation in this ordinance.
3. **APPEAL.** Appeal from the ruling of the building inspector concerning the enforcement of the provisions of this ordinance may be made to the Board of Appeals within such time as shall be prescribed by the Board by a general rule. Such appeal may be taken by any person aggrieved or by any officer, department, board or bureau of the Village. The appellant shall file with the officer or Board from whom the appeal is taken and with the Board of Appeals on blanks to be furnished by the building inspector, a notice of appeal specifying the grounds thereof. The officer or Board from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken. The final decision of such appeal shall be in the form of a resolution either reversing, modifying or affirming, wholly or partly, the decision or determination appealed from.
4. **STAY.** An appeal stays all proceedings in furtherance of the action appealed from unless the officer or board from whom the appeal is taken certifies to the Board of Appeals, after the notice of appeal shall have been filed with him, that by reason of facts stated in the certificate, a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order, which may be granted by the Board of Appeals or by the Circuit Court, on application, on notice to the officer from whom the appeal is taken and on due cause shown.
5. **JURISDICTION.** The Board of Appeals, may, in specific cases, after due notice and hearing and subject to appropriate conditions and safeguards, reverse or affirm wholly or partly or may modify the order, requirement, decision or determination appealed from and shall make such order, requirement, decision or determination as in its opinion ought to be made in the premises and to that end shall have all the powers of the officer from whom the appeal was taken and determine and vary the application of the use of property and the height and area district regulations herein established, in harmony with their general purpose and intent, as follows:

- (1) Grant a temporary permit in a residence district for a temporary building for commerce or industry incidental to the residential development, such permit to be issued in the first instance for a period of not more than one (1) year.
- (2) Where a building located in a district restricted against its use has been damaged by fire, act of God or other calamity to the extent of not more than seventy-five (75) per cent of its assessed value, a permit may be granted by the Board of Appeals for its reconstruction, within a period of not to exceed six (6) months from the date of such fire or other calamity.
3. Grant a permit for the enlargement of existing building or buildings, or erection on the same lot or plot of ground, of additional buildings for a trade, business or industry located in a district restricted against its use, where such enlargement or expansion of such trade, business or industry will not be detrimental to or tend to alter the character of the neighborhood.
- (4) Interpret the provisions of this ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the map fixing the several districts accompanying and made a part of this ordinance and where the street layout actually on the ground varies from the street layout as shown on the map aforesaid.
- (5) The Board shall have the power to call on any of the other village departments for assistance in the performance of its duties, and it shall be the duty of such other departments to render such assistance as may be reasonably required.
- (6) Where a district boundary line divides a lot of record at the time of passage of this ordinance, permit the extension of a use permitted on the less restricted portion of such lot to the portion lying in the more restricted district, but not for a distance of more than fifty (50) feet beyond the district boundary line in any case.
- (7) In a Residence District on a lot which adjoins a Business and Commercial District, without an intervening street, and which is occupied or to be occupied by a dwelling, permit within such dwelling a profession office or home occupation of larger size than that specified in Section 5, and also permit the uses authorized in Local Business and Commercial District, provided: That such use shall be conducted entirely within the dwelling and occupy not more than fifty (50) per cent of the ground floor area thereof, and not any of the floor area above the ground floor. That there shall be no display or advertising or other outward indication of such special use, other than the announcement signs normally permitted, and that all entrance thereto, if separate from the dwelling entrance, shall be in that half of the dwelling nearest to the Business District boundary line. That in other respects the buildings and premises shall be so treated, and the permitted activity so conducted, that the use of such lot will be in harmony with the character of the district in which it is located.
- (8) Grant a permit for the erection of a one or two family dwelling on a lot held under a separate and distinct ownership from the adjacent lots and of record at the time of the passage of this ordinance which has less area than the lot area per family requirements of this ordinance for the district in which such lot is located.
- (9) Permit the erection and use of a building or the use of premises in any location for a public service corporation or for public utility purposes, and make exceptions therefor to the height and bulk district requirements herein established, which the board considers reasonably necessary for the public convenience or welfare.
- (10) Grant a permit for a public garage or a gasoline filling station in a district permitting such use provided that before the Building Inspector issues a permit there is on file with the Board of Appeals the written consent of the owners of sixty per cent (60%) of the frontage of all the property within three hundred (300) feet of any part of the premises whereon such public garage or gasoline filling station is to be estab-

lished, erected or enlarged, and not separated therefrom by more than one street or alley, all lots of which less than one-half (½) lie within the specified distance of three hundred (300) feet from any portion of the premises shall not be included; and the written consent of eighty per cent (80%) of all the frontage of the property immediately abutting or opposite any part of the premises whereon such public garage or gasoline filling station is to be established, erected, or enlarged, and not separated therefrom by more than one street or alley.

- (11) Where there are practical difficulties or unnecessary hardships in complying strictly with the provisions of this ordinance, the Board of Appeals may, in specific cases, adjust any such condition in harmony with the general purpose and intent of this ordinance so that the public health, safety and general welfare may be secured and substantial justice done.

Section 10. BUILDING PERMITS. PLATS

No building or structure within the limits of the Village of Clarkston shall hereafter be erected, moved, repaired, altered, or razed, nor shall any work be started on said building to be erected, moved, repaired, altered or razed until a building permit shall have been obtained by the owner of said building from the building inspector (UNLESS such repairs or alterations are of a minor nature and shall not exceed a total cost in material and labor in the amount of one hundred (\$100) dollars and does not change the appearance of such building in any way as to violate the provisions set forth in this ordinance for the district in which the building is situated,) nor shall any change be made in the use of a building without a permit having been obtained from the building inspector. No such permit shall be issued to erect a building or structure, or make any changes of use unless they are in conformity with the provisions of this ordinance and amendments hereto hereafter duly enacted. Permits shall be issued for a period of six (6) months.

All applications for permits shall be accompanied by Plans and Specifications in duplicate, drawn to scale and filed with the building inspector, showing the actual dimensions of the lot to be built upon, the size of the building to be erected and such other information as may be necessary to provide for the enforcement of these regulations. Satisfactory evidence of ownership of the entire lot shall accompany all applications for permits under the provisions of this ordinance. A careful record of such applications and plats shall be kept in the office of the building inspector. No yard, court or other open space provided about any building for the purpose of complying with the provisions of those regulations shall again be used as a yard, court or other open space to qualify or justify another building.

Section 11. CERTIFICATE OF OCCUPANCY AND COMPLIANCE

No building hereafter erected or altered shall be occupied, used or changed in use until a certificate of occupancy and compliance shall have been issued by the building inspector, stating that the building or proposed use of a building, or premises, complies with all the building and health laws and ordinances and with the provisions of these regulations.

Certificates of occupancy and compliance shall be applied for coincident with the application for a building permit and shall be issued within ten (10) days after the erection or alteration of such building shall have been completed in conformity with the provisions of these regulations. A record of all certificates shall be kept on file in the office of the building inspector and copies shall be furnished on request to any person having a proprietary or tenancy interest in the building affected. No fee shall be charged for an original certificate applied for coincident with the application for a building permit; for all other certificates, or for copies of any original certificate there shall be a charge of one dollar (\$1.00) each.

No permit for excavation for, or the alteration or the erection of any building, shall be issued before application has been made for certificate of occupancy and compliance.

Section 12. INTERPRETATION AND PURPOSE.

In interpreting and applying the provisions of this ordinance, they shall be held to be the minimum requirements for the promotion of the public safety, health, convenience, comfort, prosperity and general welfare. Where, however, the provisions of the state housing code impose requirements for lower heights of buildings or less percentage of lot that may be occupied, or require wider or larger courts or deeper yards than are required by this ordinance, the provisions of the State Housing Code shall govern.

Section 13. BOUNDARIES OF DISTRICTS

Where uncertainty exists with respect to the boundaries of the various districts as shown on the map accompanying and made a part of this ordinance, the following rules shall apply:

- (1) The district boundaries, unless otherwise shown, are lot lines of record running approximately parallel with the nearest street.
- (2) Where the designation of the map accompanying and made a part of this ordinance indicates the various districts approximately bounded by a street or alley line, said street or alley shall be construed to be the boundary of such district.
- (3) In un subdivided property, or where the district boundaries are not shown as being either lot lines, streets or alleys or the extension thereof, the district boundary lines shall be construed as being located one hundred (100) feet from the nearest street, except that in the event of the boundary passing between two (2) streets running approximately parallel and less than two hundred (200) feet apart, the boundary is located midway between the two (2) streets.

Section 14. CHANGES AND AMENDMENTS.

The Board of Appeals may, of its own motion or upon petition signed by the owners of a majority of the property according to frontage in any district, or portion thereof, prepare an ordinance amending, supplementing or changing the district boundaries, or the regulations herein established. The Board shall cause to be prepared a notice according to Sec. 4 of Act 207—Public Acts for Michigan 1921 indicating the proposed change in the regulations or in the district boundary lines and describing the boundaries of the territory to be affected, which notice shall set a date for a public hearing for consideration of such proposed amendment, supplement or change. After due publication or posting and public hearing of such proposed amendment, supplement or change, as required by law, the Board of Appeals may cause such ordinance to be introduced in the Village Council of the Village of Clarkston. Whenever a written protest against such proposed amendment, supplement or change be presented, duly signed by the owners of twenty (20) per centum or more of the frontage proposed to be altered, or by the owners of twenty (20) per centum or more of the frontage immediately in the rear thereof, or by the owners of twenty (20) per centum of the frontage directly opposite the frontage proposed to be altered, such amendment shall not be passed except by the favorable vote of five sixths (5/6) of the entire Village Council.

Section 15. VALIDITY

Should any section, clause or provision of this ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

Section 16. VIOLATION. PENALTY. ENFORCEMENT

Any person, firm or corporation who violates, disobeys, omits, neglects or refuses to comply with, or who resists enforcement of any of the provisions of this ordinance, shall be fined not less than twenty-five (\$25) dollars or more than one-hundred (\$100) dollars for each offense. Each day that a violation is permitted to exist shall constitute a separate offense. The building inspector shall determine any violation or refusal to comply with or who resist enforcement of any provision of this ordinance and shall report such violation to the Village Council for enforcement as provided in Section 16 of this ordinance.

It shall be the duty of all architects, contractors, sub-contractors, builders and other persons having charge of the erecting, altering, changing or remodeling of any building or structure to obtain a permit from the building inspector before beginning or undertaking any such work, even though such contemplated work does not conflict with and is not in violation of the terms of this ordinance; and any such architect, builder, contractor or other person doing or performing any such work of erecting, repairing, altering, changing or remodeling without such a permit having been issued or in violation of, or in conflict with the terms of this ordinance, shall be deemed guilty of a violation hereof in the same manner and to the same extent as the owner of the premises or the persons or person for whom such buildings are so erected, repaired, altered, changed or remodeled in violation hereof and shall be subject to the penalties herein prescribed for such violation. See Section 10 for exceptions on repairs and alterations.

In case any building or structure is erected or is being erected, constructed or reconstructed, altered, repaired, converted, or maintained, or any building, structure or land is used in violation of this ordinance or other regulation made under authority conferred thereby, the Council for the Village of Clarkston in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use, correct or abate such violation, to prevent any illegal act, conduct, business or use in or about such premises.

Section 17. ADMINISTRATION

The Village Council is hereby authorized and directed to enforce all the provisions of this Ordinance. They may delegate the enforcement of this Ordinance to any administrative official of the Village. The administrative official shall be directly under the control of the Village Council and shall for the purpose of the Ordinance have the power of a Police Officer.

Section 18. CONFLICTING PROVISIONS REPEALED

All ordinances or parts of ordinances in conflict with any of the provisions of this ordinance are hereby repealed.

Section 19. WHEN EFFECTIVE

The provisions of this ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final passage.

REGISTRATION NOTICE For VILLAGE ELECTION MONDAY, MARCH 13, 1944 To the Qualified Electors of the Village of Clarkston, Oakland County, Michigan.
Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in

said Village not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election. The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. Notice is hereby given that I will be at my home at 119 N. Holcomb St., Clarkston, Mich., up to and including MONDAY, FEBRUARY 21, 1944. The 20th Day Preceding Said Election Last Day for General Registration by Personal Application for said Election During normal business hours on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Village as shall Properly Apply therefor. The name of no person but an Actual resident of the Village at the time of said registration, and entered under the Correct vote at the next election, shall be entered substitution, if remaining such resident, to in the registration book.
Registration of Absentee by Oath
If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state and swear that he is a resident of such precinct and has resided in the TOWNSHIP or CITY TWENTY DAYS next preceding such election or primary election, designating election and that he or she possesses the other qualifications of an elector under the constitution, and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP or CITY on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election or primary election, then the name

of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election, if such applicant shall in such matter will fully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.
Dated this 7th day of February, 1944.

EDWARD J. FALLON, Attorney, 806 Riker Bldg., Pontiac, Mich. STATE OF MICHIGAN—In the Circuit Court for the County of Oakland, in Chancery.
No. D-12094
GENEVIEVE B. LUTZ, By Her Next Friend, Plaintiff vs FRANK LUTZ, Defendant.
ORDER OF PUBLICATION
At a session of said Court held in the City of Pontiac, this 18th day of January, A. D. 1944.
PRESENT: Honorable Frank L. Doty, Circuit Judge, presiding.

Upon reading the attached affidavit of facts, the Court being satisfied that it cannot be ascertained with certainty in what State or Country the defendant resides and the Court being satisfied that the last known address of the defendant is U. S. N. C. Building 93, Navy Yard, Portsmouth, Rhode Island.
IT IS ORDERED that the defendant cause his appearance to be entered in the above entitled cause within three months from the date hereto and that in default thereof that the bill of complaint filed by the plaintiff be taken as confessed by him. IT IS FURTHER ORDERED that a true copy of this order be served or published according to law.

Can You Picture MICHIGAN without Schools

Michigan's youngest generation is hard at its wartime job of learning to be good and useful citizens. We've all come to think of a good education for our children as the natural birthright of young Americans—but building up and administering a school system as fine as Michigan's is a gigantic task.

Well over a million students are enrolled each year in Michigan's schools and colleges. There are 8,226 primary schools, 1,002 secondary schools and 70 colleges and universities. The range of studies runs from kindergarten games through the three "R's" to the most advanced scientific and sociological research. Thousands of teachers are devoting their lives to this work—and to them goes much of the credit for its success, as well as to the administrators of each institution, to local and county school boards, and to the Michigan Department of Public Instruction.

We of the Greyhound Lines take the same pride as all others in Michigan in our State's educational achievements. We know that our own organization is aiding the school system both with tax support and transportation service. Those of us whose children are benefiting directly from the splendid schooling afforded them feel doubly proud.

In wartime even more than in peacetime, the things that draw us all together, that unify our efforts, that make us good neighbors in every sense, are the things that count most heavily. Both good education and good transportation have decisive parts to play in shaping the present as well as the future of Michigan in the post-war world.

The W.C.T.U. met with Mrs. C. J. Sutton at the parsonage last Tuesday afternoon. The meeting was called to order with the singing of "Pure White Ribbon". Prayer by the president, Mrs. Katherine Cable. Secretary's and treasurer's reports were read and approved. Several committees gave their reports. The devotions were given by Mrs. Cornelius Ebey. Miss Esther McCarty followed in prayer. Mrs. C. J. Sutton and Mrs. Marion Morrow gave a prelude on the Personal Recollections of Frances Willard, which was most interesting. A quiz followed with questions by Mrs. Cable taken from the January Michigan Union. Roll call from items on liquor. In closing lovely refreshments were served. Mrs. Marion Morrow and Miss Esther McCarty were the hostesses with Mrs. Sutton. The March meeting will be held with Mrs. Grace Barnhart, 4210 Dixie Highway, on 21st of March.

Consumers Power Solves Gas Problem

Because the Consumers Power Company's supply of natural gas comes from two sources, many industrial and commercial users of gas in the Clarkston-Waterford Area have been saved the necessity of converting to coal or oil, according to David L. Brown, division manager of Consumers Power Company.

A WPB directive forbidding 66 midwestern public utility companies and municipal plants to supply natural gas to industrial and commercial customers who can convert to other fuel went into effect Thursday in a large midwestern area, including Detroit and several other Michigan cities. Natural gas for the restricted area comes through the Panhandle Eastern Pipeline Company pipelines, and the purpose of the directive is to permit the diversion of natural gas into the Appalachian region, which also is served by Panhandle.

"If the Consumers Power Company received all of its natural gas from Panhandle, no doubt we also would have been ordered to cut off industrial and commercial customers who could convert to other fuel," Mr. Brown said. "But we have another source of supply—the Michigan natural gas fields."

"When the crisis in the Appalachian region developed, Consumers volunteered to assist by using a larger amount of Michigan gas and a smaller amount of Panhandle gas during the critical period. Thus we accomplished the same sort of a saving of

Panhandle gas as the companies involved in the directive will have to make by cutting off industrial and commercial customers who can use other fuel. The WPB accepted the Company's offer.

"The situation offers a striking demonstration of the advantage of having two distinct sources of natural gas supply. Many industrial and commercial customers in Pontiac, Jackson, Flint, Kalamazoo, Owosso, Marshall and other communities will be saved a great deal of expense and much inconvenience."

Seek 10% Increase In Victory Gardens

Mobilization toward a 10 per cent increase in Michigan's Victory Gardens in 1944 has been started in the state through a training program that will contact leaders in each of the state's 83 counties.

Joint efforts of the Michigan State College extension service and the Victory Garden section of the state Civilian War Defense division will provide county and community garden leaders with practical information through discussion, charts, bulletins and leaflets on vegetable gardening.

Best estimates of Victory Gardening in Michigan in 1943 indicate the 720,000 gardens produced enough fresh produce to partially ease the wartime food situation. More than 150,000 farm gardens were included. The goal for 1944 is a 10 per cent increase, or a total of 792,000 gardens.

Lessons learned from gardening in 1943 should be used by every gardener, says Paul Krone, chief of the state Victory Garden section of the Civilian War Service. Some gardens may have been too small, some gardens too large for adequate care. The canning of more garden produce is to be stressed in the statewide educational campaign. A statewide contest is not planned, although county or local groups will be encouraged and given guidance if they desire to operate contests.

Because of an increased demand for electric fence controllers, a substantially greater amount of these devices will be produced in the year ending June 30, 1944, than in any previous year, WPB said. Manufacture of packing trunks, with iron and steel frames is permitted for civilian use, WPB announced. This year civilians in the United States will get about 53 out of every 100 pounds of evaporated milk, 158 million pounds of dried skim milk, and 19 million pounds of dried whole milk, WPA announced. Broom production is seriously curtailed because of acute shortages of broom corn and handles, WPB reports, and broom handle production may even continue to decline. OPA has reduced the ceiling prices of fresh sliced codfish four to four and one-half cents per pound in winter and three cents per pound in summer. A shortage of large tires may delay putting into use some of the newly completed farm tractors, according to the tractor advisory committee of WPB.

Largely as a result of the cooperation of farmers and truck operators with the Transportation Conservation Plan, about 1,600,000 motor trucks, mostly farmer owned, moved 98 per cent of last year's huge farm crop at some stage of the journey from farm to market, the Office of Defense Transportation says. Other farm transportation programs now operating include the movement of livestock, cotton, fresh fruits and vegetables, citrus fruits and poultry.

Production of pre-war models of all-metal domestic ice refrigerators will not be resumed in the near future, the War Production Board said, mainly because reversion would involve a long change-over period. The hardboard and wood war-model is now being produced at almost four times the pre-war rate.

Civilians in the United States will have more frozen vegetables during the next five months as a result of an expected all-time record high production, WPA has announced. Usually available in frozen form are snap beans, corn kernels, peas, spinach, asparagus, broccoli, Brussels sprouts, cauliflower, and corn on the cob. They will have slightly less rice in 1944 than during recent years and less canned milk than during 1943, although the amount of canned milk available will be in approximate proportion to civilian purchases under rationing which began in June, 1943.

One of the heroes of present-day liberated Stalingrad is a 15-year-old Russian girl bricklayer, who each day doubles her quota—laying 2,520 bricks each shift.

Brown stamps V, W and X are good through February 26.

Fewer package wrappings will be available for retail shoppers this year, according to WPB. Shortage of wood pulp for paper-making will not permit a normal supply. There will be enough bags for assorted groceries, WPB said, if housewives save these bags and take them back to stores for their own re-use. WPB also advised that the shopping bag with handles must be used many times to substitute for individual package wrappings.

A QUIZ: HOW GOOD A PARENT ARE YOU?

If you are a mother or a father and you don't want your offspring to be a problem child, it is wise to guard against being a problem parent. A Judith Chase Quiz . . . in The American Weekly with this Sunday's (Feb. 20) issue of The Detroit Sunday Times . . . reveals how much of a risk you're running. Get Sunday's Detroit Times!

Village Caucus

Notice is hereby given that a Citizen's Caucus will be held at the Village of Clarkston Council room, on the 21st day of February, 1944 at 8:30 p.m. for the purpose of placing in nomination for Village offices for the ensuing term and for the transaction of such other business as may properly come before it. By order of the Village Council.
