## Sadness Visits Craven Home

### Funeral Service for Percy Craven Was Held on Wednesday Afternoon

Last Saturday night death claimed Percy Craven of 119 North Holcomb St., Clarkston. He passed away at St. Joseph Mercy Hospital in Pontiac after an illness of about four weeks.

Mr. Craven was born in Sanilac March 4, 1893. In December, 1919, he married Vera McMullen at Pontiac and that year he moved to Clarkston from Rochester. He had served as the village clerk for the past 15 years. He served in the First World War and was a Past Commander of the Campbell-Richmond Post of the American Legion. He was a member of the Clarkston Methodist Church and Cedar Lodge No. 60 F. & A. M. and was a past patron of the Joseph C. Bird Chapter O.E.S. For the past while he was employed as plant protection police at the Ford Motor in Clarkston.

Besides his widow he is survived by four sons, Richard L., radioman second class in the U.S. Navy at Jupiter, Fla., Robert H., of Clarkston and John R., and Gary at home; two daughters, Mrs. Ronald Stocker of Clarkston and Barbara at home; five sisters, Mrs. Samuel Hayes of Sandusky, Mrs. John Robinson and Mrs. Fred Miller of Armada, Mrs. Fannie Warren of Memphis and Mrs. Peter Brailwood of Romeo.

The funeral service was held at the Orden-Kennedy Funeral Home on Wednesday afternoon at two o'clock with the Rev. W. Harold Pailthorp officiating. The Campbell-Richmond Post assisted by Dr. M. E. Siple of Pontiac had charge of the grave service. Burial was in Lakeview cemetery. Frank Ronk sounded "Taps".

The very large funeral, the vast array of floral tributes and the many expressions of sympathy that were sent to the Craven home were significant of the high esteem with which Mr. Craven was held in the community. He served the public in the G. A. Walter store in Clarkston for many years and regardless of the condition of his health he was always ready to serve his customers with a smile. His principles were of the highest and although at times he was seemingly stern and determined, the folks, from association, knew that nothing but kindness reigned in his heart. He especially loved little children and was always happy and contented to spend the evenings at home with his family.

Among the relatives who attended the funeral were Mr. and Mrs. Samuel Hayes of Sandusky, Mr. and Mrs. Fred Miller of Armada, Mr. and Mrs. Fannie Warren of Memphis, Mr. and Mrs. Peter Brailwood of Romeo, Mrs. Charles Taylor of Lapeer; Mr. and Mrs. Roderick Burch, Mr. and Mrs. Roy McMullen and family and Mrs. Edward Wilson, all of Flint, Mr. and Mrs. Michael Zzarrick of Lansing, Mrs. William Craven and two daughters of Detroit, Mrs. Roy Craven and family of Rochester, Mrs. Pearl Craven and Mr. and Mrs. Russell Craven of Armada, Mr. and Mrs. James Smith, Mr. and Mrs. Al Bodenmiller and Mrs. Florence Tibbingsham and son, Harold, all of Detroit, Mrs. Kenneth Harvey of Lum, Mr. and Mrs. Otto Alder of Pontiac and Mrs. Ray Turner of Lapeer.

## Our Boys and Girls In The Service

Among the service boys who are spending furloughs at their homes here are Jack Skarritt and Andy Anderson.

Robert Johnson has returned to Ft. Devens, Mass., after enjoying a couple of days at his home here.

Feb. 20-44

Dear Mr. and Mrs. Stamp,  
I want to thank you so very much for sending the Clarkston paper to me each week. It helps lots when a fellow is such a long way from home.

I have just been receiving the paper for the past six months because I have been moving around so much for the last year that my mail is just now catching up with me. I have received a lot of nice things from my friends and neighbors back home.

Mr. Stamp, do you remember what a little devil I used to be, and in fact all the rest of the boys that used to hang around town? Well all I can say is that we were not as bad as we are going to be when they turn us all loose and we get back there and I bet that sure will be a happy day for most of the people who live there. I have received so many letters saying that they wish that we could all come back and tear up the little town once more because it is so dead, and it isn't like Clarkston to be dead. Well we all hope that we can get home soon.

I started this letter to you about a week ago but there was something came up while I was writing and I had to do that first.

So now I am starting this letter again. Hope I can finish it. I am feeling pretty good and hope everyone back home is feeling the same way.

Say Mr. Stamp if you talk with any of the boys that I used to run around with (that are not in the service) will you please ask them to write to me. I sure would appreciate it very much. Here is one of the boys I would like to hear from—Ralph Hagen. I think you know where he lives because he used to be one of your paper boys.

Well Mr. Stamp I guess this is about all I can think of for this time. Will close for now.

With all best wishes  
Sincerely  
Pvt. Charles A. Rose

Lido Beach, L.I.

Dear Mr. & Mrs. Stamp:  
I thought that it was about time that I got around to writing to you and thanking you for the wonderful paper that you have been so kind and thoughtful to send to me each week.

Although I am just "one of the boys" I really appreciate what you and the rest of the Clarkston townspeople are doing for us fellows in the Service from Clarkston and vicinity and I am sure that the rest of the fellows and the girls feel the same way that I do.

I have been transferred to a "Rest Camp". I am working in a library checking in and out books. I don't know when I am going to get shipped out but I hope it is soon as I want to get back out to sea and do my bit for "Uncle Sam".

I would appreciate hearing from anyone in Clarkston that can find a few spare moments to write. Thanks again for the Clarkston News.

I remain, as ever  
Don Steiner  
(Don's new address shows that he has been made a coxswain.)

## Japanese Missionary Speaks in Methodist Church

For fifteen years Dr. T. T. Brumbaugh served in Japan as a missionary of the Methodist Church. Sunday night, March 19th at eight o'clock he will be the Lenten speaker in the Lenten Sunday Night series on "Christ's Mission to the World".

At the present time Dr. Brumbaugh is the Executive Secretary of the Detroit Council of Churches. He may be heard every day over WWJ in the Lenten Broadcast from Detroit as the announcer.

Dr. Brumbaugh is a well known writer for a number of the outstanding church publications. He is achieving a real reputation in Detroit as an executive in the Detroit Council of Churches. Clarkston is fortunate in having him as a speaker in this series at the Methodist Church. Every one is welcome to this coming Sunday night meeting.

Last Friday evening Mrs. Charles Matthews presented her piano students in a recital at the home of Mr. and Mrs. H. W. Huttenlocher. Parents and friends were delighted with the program.

## More Cash Needed For Red Cross Fund

The report from the Red Cross War Fund Chairman in Independence Township on Wednesday night showed that \$1807.80 had been collected towards the township quota of \$2400. Many have not been contacted yet on account of sickness and inclement weather. However if you think you have been overlooked, because remember this is a big job, just call Mrs. Howard Lord at the Clarkston State Bank or the Charles Robinson home and someone will manage to get your donation. Every dollar is needed. The boys need the Red Cross and the Red Cross is YOU, so make sure that you are helping.

Independence township will be credited with \$600, Springfield township \$200, Brandon township \$350 of the \$75,000 gift from General Motors corporation to the Oakland County Chapter of American Red Cross.

Each year General Motors makes a contribution to Oakland County War Fund and the amount is allocated by the county planning committee so each township may have a portion of the amount credited to its War Fund contributions.

War Fund planning committee met this week with C. G. Rudderham, War Fund chairman, carefully surveyed the township quotas and potentials and set amounts to be credited each township.

This gift is entirely independent from money contributed by General Motors employees. It represents a gift from the corporation.

## Dr. Katherine Greene Speaks In Clarkston

## Waterford Girl Speaks Marriage Vows In Clarkston Church

Last Saturday night at eight o'clock a very pretty wedding took place at the Clarkston Methodist Church when Joyce Nadeane Steele, daughter of Mr. and Mrs. William W. Thomas of Waterford and William G. Davidson, son of Mr. Arthur Davidson and the late Mrs. Davidson of Waterford, spoke their marriage vows in the presence of two hundred and fifty guests. The rites were read by the Rev. W. Harold Pailthorp in front of beautiful white bouquets of roses, carnations and snapdragons in tall white standards flanked by lighted candelabra and palms. The only other lighting was from the lighted candles on the altar and the lighted cross high above the altar. Mr. and Mrs. Orlo Willoughby of Clarkston sang "I Love You Truly" and "Because". Mrs. W. Harold Pailthorp presided at the organ.

The bride, who was given in marriage by her father, Mr. Thomas, was lovely in white slipper satin fashioned with a fitted bodice buttoned down the back with white satin covered buttons. The old style Victorian sleeves were fitted at the wrists with points of the material falling over the hand. The square yoke was of old lace bordered with a row of braided pearl leading. The fingertip veil was of sheer silk net and was held in place by a Juliet cap of twisted bands of white slipper satin. She carried American Beauty roses tied with white tulle and two small white anchors made of white buds falling over her arm. In the center of the bouquet was a white orchid for the bride to wear on the lapel of her travel suit.

The maid of honor was Miss Susanne Doris Ina Leng, cousin of the bride, from Frederic, Michigan. She was gowned in jonquil yellow organza with full skirt, a fitted waist buttoned in the back the same as the bride's gown and three-quarter sleeves. She carried yellow jonquils and blue iris and the same blue iris shade was carried out in a head piece with natural flowers like those of the bouquet in the back of her hair. The first bridesmaid, Miss Priscilla Davidson, sister of the groom, wore cameo pink with a full skirt, a fitted waist with shirring in the front and long full flowing sleeves tied close at the wrists. On her head she wore a Juliet cap finished with a bustle ruffle just above the curls and just in back and on each side of the head were wine colored carnations with white ruffled edgings and inside of each carnation was a grape hyacinth of deepest blue. She also carried a ruffled style muffle made of pale cameo pink material the same as her headpiece. On the muffle were American Beauty rosebuds, vine carnations and more blue grape hyacinth. The second bridesmaid, Miss Vivian Wormnest of Waterford, was gowned in heaven blue fashioned the same as the first bridesmaid's gown. Her headpiece, muffle and flowers were similar to those worn by Miss Davidson.

The groom was assisted by John M. Clappison of Farmington as best man. Other members of the bridal party were Harold Steele, brother of the bride and William Wyckoff, both of Waterford. Fred Locker of Waterford and Jack Davidson, youngest brother of the groom, seated the guests. All of the groom's attendants wore white carnations.

The bride's mother, Mrs. Thomas, chose for her daughter's wedding a floor length gown white a jade green silk jersey top and a full skirt of black silk net with a green bow of the same material as the top, half way down on the front of the skirt. She wore a small black evening hat, long black gloves and yellow orchids.

Following the ceremony a reception was held in the parlors of the church. A five tiered bride's cake centered the table and this was flanked by bouquets of white roses and carnations and lighted white candles in crystal holders.

The bride graduated from the Clarkston High School in the class of '43. The groom has been in Uncle Sam's service for the past four and a half years. He is with the Coast Guard and his rating is B.M.1.c. He is stationed in Miami, Fla., where they will make their home.

## New Pictures To Be Unveiled

This coming Sunday morning at the Methodist Church, four new pictures will be unveiled in the morning session of the Church School, at 9:45 o'clock. These pictures have been purchased in Chicago and Detroit with funds saved from the Birthday offerings of the School.

Parents and adults are cordially invited to see these religious pictures. Two of the group are definitely depicting universal brotherhood in a world of racial antagonism. One is a reproduction of Jesus knocking at the door, the other is a crayon sketch of the famous modern head of Christ by Sallmann.

## Proclamation

Michigan Victory Gardeners in 1943 produced a half million tons of food valued at \$20,000,000.

The 1944 Victory Garden goal is a 10 per cent increase in the number of gardens and a 25 per cent increase in production. This means that in Michigan there must be 792,000 gardens in which will be grown 25,000,000 bushels of food.

Remembering the great contribution made to the 1943 Victory Garden program by the people of Clarkston, and realizing their common and ardent desire to do all that they can to help win the war, I do now call upon each and everyone to observe Victory Garden Week beginning March 19th by making plans and preparations to plant a garden in 1944, to the end that we shall do our part in achieving the State's new goal and prudently guard against a lack of food affecting the war effort on both the battle front and the home front.

Given under my hand and the seal of the Village of Clarkston this 16th day of March in the year 1944.  
H. W. Huttenlocher,  
President

## Not Misled

One Irvin Cobb's uncensored wit  
For many years had spiced the day.

And brightened up our world a bit  
With humor, in his special way.

Most colorful was his career,  
In criticism of the great,  
A man who had no place for fear  
In speaking on affairs of State.

Only in death, did he dare tell  
All of the things in life he knew.  
To be unfounded tales of hell  
That reasoning had found untrue.

He would retain the best from all  
And cast the false of each aside,  
Begging that none at death appall  
Because one man of earth had died.

Asking for monument, a tree  
His ashes strewn to fertilize,  
That stone from field his marker be  
With simple words to memorize.

What lesson found in his request  
For simplicity without pretext,  
From such a man with wisdom blessed  
Who knew the world he'd enter next.

*Can You Picture*  
**MICHIGAN**  
*without Doctors?*

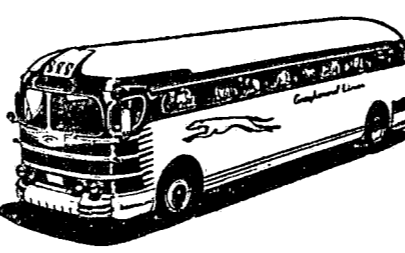

Today, Michigan's doctors and nurses by the hundreds are serving with our Army and Navy from Alaska to Iran, from Australia to Italy—bringing back to health the men who are helping win Victory for the United Nations. But on the home front, other thousands of doctors and nurses are fighting doubly hard to keep their fellow-citizens of Michigan in good health — doing everything in their power to prevent or minimize interruptions in our State's war effort.

In a very real sense the well-being of all of us in Michigan is in the capable hands of approximately 6,000 physicians and surgeons and about 14,000 nurses. At their disposal are the facilities of 252 hospitals which have beds for nearly 60,000 patients at one time. In an average year more than 525,000 patients are admitted to these institutions. To the Michigan Department of Health

goes well-deserved credit for the high standards of medical care prevailing in our State.

We of the Greyhound Lines pay tribute to these fellow-citizens of ours who are doing so much to make our State a finer place to live in. They're doing a big job—a vital one. Greyhound's job is quite different—but vital, too! Providing safe, convenient transportation service is particularly important now. By making near neighbors and good neighbors of all the communities we serve in Michigan, we are helping unify the war efforts of this State — keeping them rolling toward Victory!

**"THE RED CROSS IS TOPS!"**

—plain talk from the fighting man who knows

Wherever the going is toughest—in desert and jungle and alien land—there you will find the Red Cross, side-by-side with our eleven million fighting men and women.

Coffee and doughnuts and companionship—is this all the Red Cross offers? Let's see:

- if a soldier at camp must be found quickly, perhaps notified of trouble at home, who helps him obtain leave, and advances railroad fare and money if necessary? **THE RED CROSS.**
- if it is humanly possible, who gets your letters in to the boy prisoner of war—and who gets his letters out? **THE RED CROSS.**
- wherever possible, who sends every week through the barbed wire of the prison camp **ELEVEN POUNDS** of American food for your boy—meat, cheese, sugar, chocolate bars—and real American cigarettes? **THE RED CROSS.**
- if a soldier is wounded, who provides him the blood **YOU** gave, who cares for him in his convalescence, who provides sympathy and comfort and understanding? **THE RED CROSS.**

These are just a few of the services our men and women are grateful for. There are many others. When you dig into your pocket this year for your annual Red Cross contribution, dig deeper than ever before. Can your money be spent for any worthier cause?

THE OLD JUDGE SAYS...

"Sorry Judge, my shipment of suspenders still hasn't come in. Some articles are mighty scarce these days. I don't get anywhere near as much as I could sell."  
"With the war going on, Frank, we've got to expect those things. It's true of luxuries just as it is of necessities. Take whiskey, for example. There's a real shortage in that. It's to be expected when you realize there hasn't been a drop of it distilled in this country since way back in October, 1942.

"The only thing distillers have been making during that time is war-alcohol for the Government. So I wasn't surprised a bit to read how bootlegging and black markets have sprung up around the country as a result of the dwindling supply. Our 13 years of prohibition proved that if folks can't get legal whiskey, they'll get illicit whiskey. Sure hope the shortage doesn't last too long. I'd hate to see this country turned over to the bootleggers again."
