VOLUME FIFTEEN

CLARKSTON, MICHIGAN, FRIDAY, MARCH 24, 1944

Have YOU Given To The Red Cross?

Only with your help is the RED CROSS able to do the vast amount of good that is being done all over the world. There is more to be done this year so more money is needed. So far in Independence Township the cash collected amounts to \$2,090.00. The quota is \$2,400.00. There is one more week before the drive ends. If you haven't made a contribution or if you would like to increase your donation now would be a good time to do it. Let's put the Township away over the top. Thirteen reasons why the American Red Cross is asking for \$200,000,000 in the March War Fund drive are:

- Red Cross service in Army and Navy hospitals at home and abroad, \$26,200,000.
Service in Army and Navy camps and stations in combat zones, \$36,000,000.
Assistance to chapters in Home Service work, \$5,850,000.
Blood donor service, \$4,000,000.
Emergency financial assistance to service men, \$2,500,000.
Chapter production of surgical dressings, garments and other articles, \$2,100,100.
Emergency morale supplies for men in combat zones and hospitals, \$2,850,000.
Service men's clubs overseas, \$27,000,000.
Service to U. S. prisoners of war, \$1,500,000.
Disaster relief and civilian war aid, \$3,850,000.
Foreign war relief, \$2,200,000.
Health, education and safety services, \$4,900,000.
General service and assistance to Red Cross chapters, \$5,100,000.

Girl Scout News

The Clarkston Girl Scouts attended a shorter meeting than usual last Tuesday. Our leader, Mrs. Barrows, was out of town so Mrs. L. A. Volberding was requested to take charge. There were 20 girls present and 3 absent. Our party at Pontiac is to be held the 25th of this month and we are all very anxious to attend. Mary Lee Volberding, Scribe

4H Meeting In Clarkston Tuesday

On Tuesday night, March 28th at 8 o'clock there will be a meeting at the Township Hall in Clarkston for parents and youth who are interested in 4H Club work. Mary J. E. Woodward, County Home Extension Agent and R. Teschler, 4H County Club Agent will be present to help plan the programs for the 4H Livestock, Garden and Canning Clubs. Anyone interested in the work of the 4H Clubs is urged to attend this meeting.

Clarkston Locals

Mrs. Ralph Brandt left here last Saturday for Louisiana to be with her husband, Pvt. Ralph Brandt who is stationed at Camp Claiborne.

Fred Chase who has been spending the winter with his son-in-law and daughter, Mr. and Mrs. Glenn Howland of Clarkston and his son and daughter-in-law, Mr. and Mrs. William Chase of Waterford, returned to his home in Cheboygan last Friday.

Dinner guests at the home of Mr. and Mrs. Lee Kittredge on South Main Street last Friday evening were Lieutenant Arthur Betts of Lubbock, Texas, and Mrs. Myrtle Betts of Pontiac and L.A.C. Stephen Cook of the R.A.F. from Goderich, Ontario.

Our Boys and Girls In The Service

There were several service men at the Senior Prom last Friday night. Among them were King McIntyre and Jack Skarritt. Pvt. Kenneth McCrum who has been on an eleven day furlough from Camp Barkley, Texas, returned to his station last Thursday after enjoying a visit with his wife on Teggerdine Road and his parents, Mr. and Mrs. Rial McCrum of Andersonville Road. Mr. and Mrs. Albert Lawson have received word that their son, Earl, who was inducted into the Navy last October and has been a patient in the U.S. Naval Hospital at San Diego, Calif., for the past 4 months, has received an honorable medical discharge and has returned to his home in Gatlinburg, Tenn.

Dear Friends:
Just a few lines before the lights go out to let you know my new address. I know you must get tired of changing my address all of the time but I just cannot tell the army I don't want to move when they say so. I sure wouldn't mind staying here for a while if I was just coming to the service but I've been in quite a while and now have the fever to get across and to help end this mess. This is a very nice camp and has all modern barracks, many theatres and a very nice Service Club and above all the people here treat you swell, just like home.

The weather here is just about the same as good old Michigan has. The outfit is giving out furloughs now so I am sweating out the chance that they don't stop them before they get to me. Well the Charge of quarters just came in and said it was time for the lights to go out, so for now I'll say goodbye and good luck. Your friend
Pvt Henry Hoyt
P.S. Thanks many times for the paper each week and also for being kind enough to keep changing my address.

Great Lakes, Ill., March 15—Howard L. Kitchener, 20, son of Mrs. Marjorie W. Smith, 4384 Mt. Vernon Rd., Rochester, Michigan, has just enrolled in the Navy V-12 Unit at Alma College, Alma, Mich. Entrance into the special training unit enables the student seaman to take a series of approved university courses. The regular academic curriculum is supplemented with military drill, physical education and Naval Organization. The young Bluejacket will also have the opportunity to participate in competitive sports and campus activities.

Satisfactorily completing the V-12 program the seaman will be sent to one of the many Midshipman Schools established for the training of Naval Reserve Officers. After successful completion of the midshipman course, seaman Kitchener then may be commissioned as an Ensign in the U. S. Naval Reserve.

Heat Regulation Is Important Point

Wise regulation of temperatures in the chick brooder pays dividends to the experienced poultryman. A simple precaution can be used in starting out baby chicks, explains Karl D. Bailey, county agricultural agent. When chicks first go into a brooder they need warmth. At the edge of the hover the temperature should be about 90 degrees. After two or three days, however, the regulator should be turned slightly, to reduce the temperature one degree a day. When the chicks are three weeks old, the hover temperature will be running about 70 degrees.

The entire brooder house need not be heated to this temperature. A curtain can be hung around the outer edge of the hover so the chicks can get away from the heat. Too much heat produces anemic chicks, lacking vitality and suffering from faulty elimination. In suitable weather the chicks can run outdoors by the time they are two weeks old. Hatcherymen, county agricultural agents, feed dealers and veterinarians can guide inexperienced poultrymen.

Clarkston Locals

George Lawson underwent a major operation at the St. Joseph Mercy Hospital in Pontiac last Monday. The last report was that he was getting along as well as could be expected.

On Tuesday night the local Legion Post and Ladies' Auxiliary held their regular monthly meetings in the Rotary Club rooms. Frank Powell, a world-war II veteran became a member.

Large Crowd Attends Annual Senior Prom

A large crowd attended the Senior Prom at the Clarkston High School last Friday night and needless to say everyone had a grand time. The auditorium was beautifully arranged like a Chinese garden. The false ceiling of pastel colors with revolving colored lights glimmering through on the dancers was exceptionally pretty. Here and there about the garden were huge dragons, works of art by some of the students. Lighted Chinese lanterns made the setting even more colorful. The students were pleased with the success of the affair and are very happy about the cooperation they received.

Musical Program At St. Patrick's Tea

A fairly good crowd attended the St. Patrick's Tea at the Methodist Church last Friday afternoon. This lovely affair was sponsored by the Dorcas Circle of the Women's Society of Christian Service. The Tea table was covered with a lace cloth and was centered with an arrangement of forsythia and pussy-willows flanked by lighted green candles in crystal holders. A continuous musical program was presented during the afternoon. Those who entertained were Ruth Ann Althouse, Joann Johnston, Adele Thomas, Mrs. Orlo Willoughby, Mrs. William Mansfield, Mrs. Virgil Campbell and Mrs. William Watson.

Homes Needed for Dependent Children

I wish to appeal to the people of Oakland County to provide foster homes for dependent children. Though the War has brought prosperity to many families, it has increased the number of children who depend on the County for care and support. We need to place these children in boarding homes because such normal home life is far superior to any institutional care and because our Juvenile Home is crowded. We furnish clothes, medical attention, school supplies and pay \$6.00 weekly board. Obviously this barely covers the cost of such care, but there are other compensations which come through unselfish service to small children. Please write me in care of the Juvenile Court if you are interested in taking a child into your home, and we will send a representative to explain the details. ARTHUR E. MOORE
Judge of Probate.

County Divided Into Five Districts

Supervisor C. B. Waters was in Pontiac Tuesday attending a meeting of the committee of the board of supervisors appointed to prepare a report on dividing the county into the five state representative districts in accordance with the new law giving Oakland three additional representatives. The committee prepared a tentative map which the members will study before making their report. They will meet again next Tuesday, when a final report will be prepared. The board may of course make some changes, but it is likely that it will adopt the report substantially as submitted. The several districts as outlined now are as follows:

- No. 1—Townships of Holly, Groveland, Brandon, Oxford, Addison, Rose, Springfield, Independence, Orion, Oakland, Highland, White Lake, Waterford, Pontiac and Avon. Population, 48,073.
No. 2—Pontiac City. Population, 66,626.
No. 3—Townships of Troy, Bloomfield, West Bloomfield, Commerce, Milford, Lyon, Novi, Farmington, and the cities of Birmingham, Bloomfield Hills, South Lyon and Farmington. Population, 44,815.
No. 4—Township of Southfield and the cities of Royal Oak, Clawson and Berkley. Population, 43,985.
No. 5—Royal Oak township and the cities of Hazel Park, Ferndale, Pleasant Ridge and Huntington Woods. Population, 50,571.

New Postal Rates Are Effective Monday

New postal rates have been made effective March 26 until six months after the close of the war: First class local mail, increased from two cents to three cents per ounce. First class air mail, increased from 6 cents to 8 cents per ounce. Other increases in parcel post, money orders and registered mail.

Waste Paper Collected Sunday

Last Sunday a waste paper drive sponsored by the Clarkston P.T.A. was held from 1 until 3 o'clock in the afternoon. Folks responded fairly well but in the present paper emergency everyone must strive to save all waste paper and see that it's helping the war effort, Mr. Althouse was in charge of the drive. Several business men of the town donated their trucks and the driver of the truck had the help of some of the town boys. The boys who helped were: John Adams, Roy Johnson, David Leak, Ivan Rouse Jr., Floyd Tower, Leslie Boyne, Bob Clark, David Miller and Billy Dunston. It is hoped that a waste paper drive will be sponsored every four or five weeks. The greatest invasion in all history calls for mountains of war material and waste paper makes or wraps more than 700,000 different items. Today waste paper is our No. 1 war shortage. It supplies literally millions of maps, orders and records for this huge operation... packs ammunition, food and blood plasma... makes helmet linings, camouflage nets, bomb and plane parts. Don't throw it away. Don't burn it. Pack your waste paper and send it off to war. You'll bring our boys home sooner, because waste paper will help speed the invasion.

The Hilltopper

SENIOR NEWS
The Senior Prom was a great success. On behalf of the Seniors I wish to thank everyone who attended and helped make our Prom the success it was. We would like to thank our patrons Mr. and Mrs. Squier, Mr. and Mrs. Mansfield, Mr. and Mrs. Henry, Mr. and Mrs. Ainsley, Mr. and Mrs. Stites; also the mothers who helped in serving refreshments, Mrs. Hagen, Mrs. Rouse, Mrs. Smith, and Mrs. Hopkins. A new marking period started Monday so we are getting back into the harness once again. Charlotte Maybee
9TH GRADE NEWS
Report cards come out this week and probably a lot of us will be thankful that the Prom was last Friday instead of this Friday or we would have to stay at home. Last Wednesday was the last time we had to get at least 90% of the total student body to buy war stamps or bonds in order to obtain the Minute Man Flag. The ninth grade has filled its quota during the entire four weeks and we hope to keep it up throughout the year. Katherine La Plante
JUNIOR PLAY IN REHEARSAL
Here's a list of characters for our play "Your're Telling Me", in the order in which they appear: George Carstairs Jack McCaffrey Mrs. Carstairs Pat Stites Loyd Hamilton Tom Waid Kit Carstairs Adrienne Volberding Pamela Snowden Pat Flinn Ward Wanger Ross Kerton Mrs. Regan Helen Denton Theoda Regan Dorothy Edwards Marleen Regan Ethelyn Smith Edward LaRue Earl Carneau You will hear more about the play later. Keep your eye on the "Hilltopper". Barbara Strickland
10TH GRADE NEWS
The sophomores will be sponsoring the next high school dance. No date has been set as yet. There will not be many more dances so we hope to see a large crowd at our dance. We promise a good time for everyone young or old. Easter seals are now on sale in the home rooms. By the way, we are looking forward to receiving our "Minute Man" flag for the sales of war stamps soon. Joyce Lawson
C20S NEWS
The C20S held a special meeting Thursday, March 9, from 12:30 until 1:00. It was decided at this time to start working on a chemistry show to be presented for an assembly program. Several experiments have already been tried and proved successful. On Friday we held our regular meeting. Carl Freeman gave a report to the club on the materials which arrived recently from the Science Club of America. Samples of plastics, booklets on rayons, and a packet of indications for testing other substances were received under guidance of our sponsor Miss Baumgartner. We plan to work out some very interesting experiments and club projects. These new materials will aid us greatly. Last Friday evening Patricia Watson entertained at a St. Patrick party at her home on East Washington Street. Dinner was served at six o'clock and the evening was spent playing appropriate games.

CHRISTIAN SCIENCE CHURCHES
"Reality" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, March 26. The Golden Text (Psalms 33:11): "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations." Among the Bible citations in this passage (Psalms 145: 5,13): "I will speak of the glorious honour of thy majesty and of thy wonderful works. Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations." Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p.207): "The spiritual reality is the scientific fact in all things. The spiritual fact, repeated in the action of man and the whole universe, is harmonious and is the ideal of Truth."

Clarkston Rotary Club Host To Bond Sellers

On Monday night the Clarkston Rotary Club entertained the Clarkston Women's Volunteer Corps. Dinner was served by the local O.E.S. Chapter at 6:30. Mrs. William Watson presided at the piano for the singing during the evening and also accompanied Mrs. Virgil Campbell who played two lovely violin numbers. Robert L. Jones led the group singing. Gerald O'Dell presented the group of guests and then Mrs. N.E. Maytag, chairman of the organization, introduced each member. She presented five bronze pins and five silver pins in recognition of hours spent selling bonds. Mrs. Arnold Mann is the only member of the local group who has earned a gold pin. Robert C. Beattie, president of the Rotary Club, introduced the guest speaker, Edgar F. Downs, Past District Governor of Ferndale. He gave a very interesting talk and made each person realize more than ever the necessity for buying and selling more and more bonds.

Boy Scout News

The Scouts are waiting patiently for next Saturday when they will go on their hike into the woods and play "Capture the Flag". Any scouts desiring to pass the test for 2nd or 1st class scouts can be accommodated. Mr. Wells, Scoutmaster, will be in charge. Our meeting last Monday night had 22 scouts present. Two new scouts, John Adams and David Leak, were welcomed into our troop. Burton Barnes and William Ludwig, our two very ambitious scouts, passed the Merit Badge test for mechanical drawing. Clarkston Boy Scout Troop No. 49 has the honor to announce another merit badge councillor, John Edstam, 110 N. Main St., who is an expert in skiing. We are somewhat late this season but all scouts BE PREPARED next winter. The scribe
Mr. and Mrs. Ira Jones arrived at their home in Clarkston after enjoying the winter at their winter home in St. Cloud, Fla.

Bond Salesladies

It's easy to sell when the bidding is keen. When there isn't that lull that comes in between. The orders for bonds or for stamps thru the day. It causes the time to pass quickly away. Then all could be salesmen if this was the case. And things would move off at a furious pace. Those in the selling would find it a thrill. To sell a few bonds for the government till. But markets controlled by supply and demand. Are glutted with bonds that are always on hand. The customer's cash must be rationed around. Though he'd gladly buy an investment so sound, He must pay his tax and buy food if he live. And generously to each charity give. So only a few who have plenty of hay. Can hope to buy bonds or stamps every day. A sluggish bond market for months you've defied. And each passing human you've wishfully eyed, In high hopes he'd break down and just buy a stamp. To relieve for a moment the bond seller's cramp. You've done a swell job and stuck by your guns, A glorious credit to our fighting sons, And the hours you've stuck by your posts every day. Will buy us our freedom and hasten the day. Robert C. Beattie

Clarkston High School

Rev. Howard Jewell who has spent the past several months visiting places of interest in the south and east has returned home.

Mr. Guy Disbrow is spending some time at the home of his daughter, Mrs. Henri Buck.

William Davidson, BM1c, and wife, the former Joyce Steele, have gone to Miami, Fla., where BM Davidson is stationed with the Coast Guard.

Sic Robert Mehlberg of Grand Haven spent the weekend with his parents here.

A Donation Tea is planned for Friday from 1:00 to 3:00 p.m. at the Community Activities Clubhouse with Mrs. George DeLap, Mrs. Isabelle Dryden, Mrs. Clifford Wood and Mrs. Ernest Stevens as hostesses.

Mrs. William DeLoy has received word her grandson, Pvt. Jack Clayton, has arrived safely in England.

Billy Barron, son of Mr. and Mrs. William Barron of Townsend St., is confined to his home with a severe case of poison ivy.

Alice Fuller, daughter of Mr. and Mrs. Edward Fuller, underwent an emergency appendectomy in St. Joseph Mercy Hospital on Tuesday.

Mrs. Henri Buck and daughter, Mary, Mrs. James Sutton and Mrs. George Carter attended an organ recital at Cranbrook on Sunday afternoon.

The Birthday Club met at the home of Mrs. P. L. McLaughlin on Monday for a co-operative luncheon.

Mr. and Mrs. E. D. Spooner were guests on Tuesday at the home of Mr. and Mrs. Alfred Austin at Silver Lake.

Mrs. Agnes Flickinger spent a few days the first of the week with friends in Bay City returning on Wednesday.

Pvt. Lorne Stickler left Friday for Camp McClellan, Ala., having spent the past ten days at the home of Mr. and Mrs. Vernon Price. His brother, S/Sgt. Robert Stickler, is stationed at Camp Maxey, Texas.

At a recent meeting of the Women's Community Club committees were named to take care of clubhouse matters. For kitchen stoves, Mrs. Louis Hillman, Mrs. James Amos and Mrs. James Sutton; for painting, Mrs. Harry Harrup, Mrs. Albert Kray; drapes, Mrs. Jack Hall, Mrs. Earl Wilcox, and Mrs. Emery Beedle; and for dishes, Mrs. Earl Schwalm and Mrs. P. L. McLaughlin.

At a meeting of the board of directors of the Community Activities, Inc., the second Thursday of each month was set for their regular monthly meeting.

On Monday evening, March 20, at 6:30 a pot-luck supper will be served at the school for fathers and mothers and their sons 9, 10 and 11 years of age. Mr. Archie Schingek will talk on organizing a Cub Scout troop. A demonstration will be given by a Den of Cub Scouts. Mrs. George Wood and her fourth grade pupils are in charge of arrangements.

The tenth grade graduating class will present a 3-act play, "I'm in the Army Now" at the Donelson school gymnasium on Friday, March 17, and

at the Drayton Plains school on Saturday, March 18, at 8 p.m. Tickets can be obtained from the members of the tenth grade. Music will be furnished by the Waterford-Drayton Plains band under the direction of James Vandorsol. Miss Catherine Savage is directing the play, and arrangements are managed by Walter Gorsline. The cast includes Ralph Eaton, Kenneth Kraft, Ruth Wood, Don Smith, Evelyn Sanford, Nick Seaman, James Fosdick, Donna Lynch, Sarah Vliet, Joyce McCann, Marie Allen, Dorothy Bunker and Helen McEvers.

J. C. Covert announces that at a recent meeting of the Waterford township school board it was voted to have Fred Madison, an architect of Royal Oak, draw sketches for a proposed high school building on the corner of M-59 and Crescent Lake Rd. near the Waterford Township Hall. This is post-war planning. This 30 acre plot will be surveyed in the near future for landscaping, which will begin in the Spring.

Those from Waterford attending the Oakland County Council of P.T. A.'s at Walled Lake last Friday were Mrs. James Amos, Mrs. Al Kray, Mrs. Tom Darling, Mrs. P. L. McLaughlin, Mrs. Louis Hillman, Mrs. William Gerber, Mrs. Clifford Wood, Mrs. John Sanderson, Mrs. David Robertson and Mrs. James Sutton.

Walter Gorsline, principal of the village school, announces that the school has received a citation from Secretary of the Treasury Henry Morgenthau Jr. for purchase of war stamps and bonds by students amounting to \$4,700 since Oct. 12.

Drayton Plains

The W.C.T.U. met in the church parlors last Tuesday afternoon for their regular monthly meeting. Thirty

members were present. Mrs. Katherine Cable, president, opened the meeting with the group singing, "Pure White Ribbons" and "The Crusade Song". Mrs. Cable followed with prayer. Secretary's and treasurer's reports were read and accepted as read. Mrs. Gladys Fell was appointed Sunshine Chairman. Mrs. A. T. Stewart gave a report on Christian Citizenship. Mrs. Mariom Morrow, devotional chairman, took "Easter" as her topic and read from Acts ch. 12:1-4v. Four White Ribbon Babies joined at this meeting, Larry Watkins, little son of Sgt. and Mrs. Edward Watkins; Gerald Pelkey, son of Mrs. Earl Pelkey; Carolyn Juaneta Williams, daughter of Mr. and Mrs. Charles Williams, and Judith Morris, daughter of Mr. and Mrs. Burl Morris. The babies were each presented with a band of white ribbon tied on each of their little arms and a white carnation. Seven ladies also joined at this meeting. A playette "Information Plus" was given by Mrs. Frank Jeffery, Mrs. Gladys Fell, Mrs. Grace Barnhart, Mrs. Peder Neilson, Mrs. Walter Aderholdt, Mrs. Howard Voelker, Mrs. Katherine Cable and Miss Esther McCory. Mrs. Marion Morrow sang a solo, "Subscribe to the Union Signal", accompanied at the piano by Mrs. Kirby Millour.

Mrs. Etta Sherman of Pontiac has returned to her home in Pontiac after a few days visit with her son, Kenneth, and family.

Mrs. Milton Reddeman spent last Wednesday in Clarkston, as guest of Mrs. Norman Davison.

Our Congregational supper and business meeting will be held on Friday evening, March 31st, in the church.

Pfc. James Donley, after spending the past ten days with his wife and family, returned to Farragut, Idaho, last Wednesday.

When the War Is Over

That much yearned for, almost legendary, day will mark a new era for transportation, as it will for everything else.

And our railroads will be ready.

We have plans for that day—plans that are realistic, forward looking, surprisingly progressive.

Michigan's railroads will join in the great change ahead.

They are picturing a future of improved plants, changed equipment, faster schedules, more efficient operation of both freight and passenger services.

The railroads have learned many things during this war period. America will benefit from this new "know how" in the days to come.

"When the war is over" America will move at an increased tempo. But no matter how much faster life will be, or how much greater will be the demands upon transportation, the railroads will be in the forefront, carrying the bulk of America's increased and accelerated passenger and freight traffic, and doing it with smoothness and efficiency.

"BETTER CARE—LESS REPAIR"

because repairmen and materials
HAVE GONE TO WAR!

What are your electric appliances made of? Copper, steel, brass, zinc, aluminum, nickel, rubber . . . materials vital to war production, needed to make weapons for our fighting men. These materials have gone to war. That is why repair parts for many home appliances are not now available.

The man who used to fix your washer or refrigerator may now be repairing tanks on the battlefield. The man who serviced your radio may be repairing a "walkie-talkie" under fire. Your neighborhood "handyman" may be working on airplane engines in Britain or the South Seas.

So take good care of your household electric appliances. They must last until Victory. You may not be able to get them repaired. Today your ELECTRIC servants are often the only kind available: Treat them considerately!

THE DETROIT EDISON COMPANY

Drayton Plains

Mrs. Edward Krem underwent a major operation at General Hospital the first of last week.

The P.T.A. Mothers Chorus met at the home of Mrs. Emiel Koop on Sashabaw Road last Thursday night. Sixteen members were present. A co-operative dinner was served at 6:30 in the dining room where the table was spread with a beautiful lace tablecloth and was decorated with green candles and green and white napkins, St. Patrick's colors. After the main part of the meal was finished, the lights were turned out and

the candles were lit and a lovely birthday cake, with the singing of "Happy Birthday", was placed in front of one of the members. A short business meeting was held. Another rummage sale will be held April 15th with the place being announced later. Several members are planning to go to the Convention to be held at Grand Rapids May 9-10-11.

Mr. and Mrs. Dewey Johnson entertained at a farewell dinner last Sunday honoring Pfc. James Donley and his wife and children of Pontiac. Mr. and Mrs. Robert Jones and family of Clarkston and Mr. and Mrs. Nathan Coleman and family of Drayton Plains were among the guests.

Don Coleman spent a few days last week with his sister, Mrs. James Donley, in Pontiac.

The St. Patrick's Day Banquet was given by the young people of the church last Friday night. At 6:30 one hundred and fifty people, young and old, sat down to a lovely dinner. The tables were attractive in the St. Patrick colors and white carnations. The program started promptly at 8 o'clock. Invocation by Mrs. C. J. Sutton; toastmaster, Miss Myra Katherine Rowley; violin solo, Donald Daney, accompanied by Mrs. Kirby Milleur; welcome, Richard Smith; response, Mrs. Walter Aderholdt; trumpet duet, Keith and Bob Morgan; group singing led by Dr. L. G. Rowley; vocal solo, Miss Leeta Wilson; address by Mrs. Julia Lake Kellersberger, missionary from Africa; benediction, Rev. C. J. Sutton.

The Blue Star Mothers held their bake sale last Saturday. It was a success.

The Lake Oakland Extension Group held its last meeting of the year at the home of Mrs. William Sutliff, 3963 Oakhurst St., last Tuesday. The lesson was on "Time saved is money saved".

Miss Marjorie Voelker entertained her Sabbath School class last Thursday evening at her home on Dixie Highway in the form of a St. Patrick's party. Their teacher, Mrs. Russell Maybee, was present. Games were played and refreshments were served.

The P.T.A. held their annual meeting in the school auditorium last Monday evening. The meeting was opened by the president, Mrs. Waldron Keasey. Invocation was given by Mr. Roy Daney. Secretary's and treasurer's reports were given and placed on file. Mrs. Lavern Terry gave a brief outline of the meeting of the County Council held recently at Walled Lake. Mr. Harry Richardson gave a brief account of the Cubs organization and as the P.T.A. is sponsoring the Cubs he gave a special invitation to the members of the P.T.A. to attend their meetings which come on the fourth Monday evening at 7:30 p.m. A motion was made and seconded that the P.T.A. sponsor a ten weeks course of dancing in the school for grades from the eighth to twelfth grades. Carried. Mr. James Vandersoll played two numbers on his violin with Mrs. Vandersoll accompanying him at the piano. Mr. W. Walter Smith of Pontiac kept the crowd's attention when he showed moving pictures and gave a talk of his travels in Africa. The annual election also took place at this meeting as follows: President, Mrs. James Boaz; vice-pres., Mrs. Vern Terry; teacher vice-pres., Mrs. Elsie Gsch; father vice-pres., Roy Daney; secretary, Miss Lois Mills; cor. sec., Mrs. Daril O'Dea; treasurer, Mrs. Robert Morgan; historian, Mrs. Nolan Brown; County Council delegates, Mrs. Frank Sutherland, Mrs. Frank Duncan; alternate County Council delegates, Mrs. Peder Neilson, Mrs. Marion Morrow.

Circuit Judge, presiding.

Upon reading the attached affidavit of facts, the Court being satisfied that it cannot be ascertained with certainty in what State or County the defendant resides and the Court being satisfied that the last known address of the defendant is U. S. N. C. Building 93, Navy Yard, Portsmouth, Rhode Island.

IT IS ORDERED that the defendant cause his appearance to be entered in the above entitled cause within three months from the date hereto and that in default thereof that the bill of complaint filed by the plaintiff be taken as confessed by him.

IT IS FURTHER ORDERED that a true copy of this order be served or published according to law.

STATE OF MICHIGAN—In the Circuit Court for the County of Oakland, in Chancery

No. D-12094
GENEVIEVE B. LUTZ, By Her Next Friend, Plaintiff vs. FRANK LUTZ, Defendant.

ORDER OF PUBLICATION

At a session of said Court held in the City of Pontiac, this 18th day of January, A. D. 1944

PRESENT, Honorable Frank L. Doty,

THE OLD JUDGE SAYS...

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?"

"In 'The Stars and Stripes'...the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"

"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?"

"Glad to, Bill. It says, 'We can remember the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and feel those at home should wait until it was clear before initiating further legislation on liquor control.'"

"Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

Clarkston Locals

Mr. and Mrs. D. C. Miller have returned from their winter home at Bradencastle, Fla. They arrived in Clarkston on Saturday.

Folks here will be sorry to hear of the death of Mr. Birt Baker in Kenton, Ohio, on Tuesday. For several

years he spent his summers in Clarkston at the home of his nephew, George Lindsey. While here he made many friends. Mr. and Mrs. Lindsey went to Ohio for the funeral Friday (today).

At the April meeting of the Clarkston P.T.A. an unusual program will be presented. The Girl Scouts and the Boy Scouts will be in charge. They are planning something very interesting and something that everyone in the community will want to hear and see. Be sure to keep the night of April 19th for the P.T.A. meeting. Election of officers will also take place at that meeting. The nominating committee is composed of Mrs. H. W. Huttenlocher, Paul Henry and Miss Ethel Ball.

**Town and Farm
In Wartime**

Under the ration token plan, three red (meats-fats) 10-point stamps become good every two weeks, on Sundays, and five blue (processed fruits-vegetables) 10-point stamps become good on the first day of each month. To reduce last minute rush buying just before stamps run out, the Office of Price Administration increased the period for which stamps may be used. Thus, the 60 red points and 50 blue points which become good each month may be used at any time during a period of from 10 to 12 weeks.

The civilian food supply for the next few months appears to be more abundant than for the same period last year, the Department of Agriculture reports. Potatoes and cabbage head the list of really abundant foods over most of the country. Other products include carrots, shell eggs, grapefruit, peanut butter, shell eggs, grapefruit, small oranges, frozen baked beans, citrus marmalade, lard, canned green and waxed beans, frozen vegetables, and canned peas and tomatoes.

Town and city groups — victory garden clubs, farm labor committees, schools, and other groups—desiring farm or garden speakers at their meetings should give their requests to the county agricultural agent. The best time for such meetings is during "Grow More in '44" week, scheduled in most sections for April 2-8, before farmers get busy with the start of planting season, the War Food Administration advises.

Salad oil spread on the surface of farm-cured ham will delay development of surface mold for several weeks, the Department of Agriculture says. WFA has requisitioned 6½ million pounds of black pepper from importers and holders to supply U. S. requirements and commitments until about 1946. The War Manpower Commission predicts that before the end of the summer, 700,000 men and women will need to be recruited to work in canneries and food processing plants. Only when present rear-wheel tractor tires are worn, beyond recapping stage may ration certificates be obtained for new replacement OPA says. WPB says that barbed wire and woven wire fencing may now be made in heavier gauges such as are needed to confine hogs and cattle, and standard weights of zinc coating will be permitted. Production of home canning jars and closures has tripled in the past three years and is now keeping pace with increased demand. Permission has been granted to manufacturers to make more and better quality bedsprings and box springs.

**G. I. Johnny
does some Post-War Planning**

G. I. Johnny does a bit of post-war cogitating as he sloshes through a regiment of dirty dishes. The best part of it is that his dreams are going to come true in *The Home of Tomorrow* where GAS, the magic blue flame of modern living, sets up new peak-high standards of convenience.

In Johnny's *Home of Tomorrow*, hot-water will flow automatically—flow without stint—flow at the turn of the faucet. Heater-tending labor will disappear; there'll be no need for even the slightest thought or action. Dishwashing and all other cleaning jobs become miraculously easy. And furnishing you with this important home service will be the new post-war automatic gas water heater. It will have a sturdy rust-proof tank of long-lived material. It's worth waiting for!

Today... Gas is firing the huge gas furnaces that are providing an endless stream of vital war materials. Your water heater manufacturers, too, are busy making implements of war. But just as soon as this war is over, you'll find them back in your service working to bring you the comfort and convenience of perfect hot-water service, instant, constant and low in cost.
