## Clarkston Scouts Present Program

On Wednesday night the Clarkston P.T.A. held the regular monthly meeting in the school auditorium. At the short business meeting reports were read and the treasurer's report showed a balance on hand of \$284.13. At the election of officers the nominating committee's report was accepted and the following were elected: president, Mrs. Leslie Shanks; vice president, Mrs. Russell Colton; teacher vice president, Mrs. Ray Clark; father vice president, Alfred Lee; secretary, Mrs. Keith Leak; corresponding secretary, Mrs. Paul Henry; treasurer, Mrs. Kenneth Johnson.

Following the business meeting a very fine program was presented. Miss Lois June Raese sang two very pretty numbers, "Alone" and "Summertime". Miss Mary Weymouth played the piano accompaniment. The Girl Scout troop was then introduced by the leader, Mrs. W. S. Barrows. The girls carefully outlined the scout work in the following manner: Carolyn Waterbury told what you must do to become a girl scout; Norma Terry explained how to become a second class scout; Mary Lee Volberding told about the requirements to become a first class scout and Pat Watson outlined what you must do after you are a first class scout to obtain the curved bar. Betty Stauffer then gave a word picture of the week spent at camp last summer at the Ortonville State Park.

Ivan Rouse, Jr., opened the boy scout portion of the program by playing a piano selection "Concerto in B Flat Minor" by Tschalkowsky. His rendition of this favorite tune was exceptional and he received a hearty round of applause. The troop then presented a short and humorous playlet. Ivan then played "My Hero" from "The Chocolate Soldier".

To close the program Ralph Thayer and four students, Frank Ronk, Basil Ash, Bill Sharp and John Ronk, gave an exhibition of some of the gym work that helps to develop the body.

Miss Lottie Maleski and her Home Ec. I group had charge of the refreshment table which was centered with the large crystal punch bowl flanked with large bowls of sweet-peas. The girls are to be complimented. They made all the dainty sandwiches, the cookies and the punch.

## Boy Scout News

Eleven Boy Scouts endured the hardships of our pioneer fathers last Saturday night by going on an overnight camp trip to Camp Agawam. Anderson, Towers, Huber, Johnson, Adams, Norton, Longair, Rouse, Bruske, Ludwig and Barnes survived the trip after trying to sleep on hard beds, eating overdone pancakes and walking home. The rain on Saturday did not dampen the scouts' spirit for going even if they were to hike out. Mr. S. H. Longair came to the rescue and offered his services by taking seven scouts out to the camp. The other four followed later in the afternoon.

Last Monday night there were sixteen scouts present. Baseball was enjoyed during the play period and a lecture on organization by Scoutmaster, Mr. Wells, and practice for the P.T.A. play consumed the rest of the evening.

## Our Boys and Girls In The Service

Pvt Henry F. Hoyt has been enjoying a furlough at his home here. He was a guest of the Clarkston Rotary Club last Monday night.

A name that should have appeared in the service column last week was that of Marjorie Lindsey who is taking the cadet nurse's course in Chicago. Marjorie spent Easter with her parents, Mr. and Mrs. George Lindsey.

Pvt Herbert W. Gador arrived at his home at Watkins Lake last Saturday, April 15th after spending the past 7 months in the Caribbean area. He is with a medical detachment and enjoys his work very much. Last Sunday he was a guest of honor at a family dinner at the home of his parents, Mr. and Mrs. H. J. Gador, at Clarkston Station. Besides Private and Mrs. H. W. Gador the guests included Mr. and Mrs. Ross Terry of Pontiac and Mr. and Mrs. Harold Weston and family of Clarkston. Pvt Gador will report at Camp Claiborne on May 8th.

Keesler Field, Biloxi, Miss., Apr. 13—Pvt. Howard Harold Richards, son of Mr. and Mrs. C. O. Richards, 9725 Crosby Lake Rd., Clarkston, Mich., R.F.D. 1, has reported here and is now undergoing Army processing to determine his qualifications as a pre-aviation cadet.

While at Keesler Field, a station of the Army Air Forces Training Command, he will be given training, classification, and medical and psychological tests. If he successfully completes this phase he will be sent to a college or university for five months further study, or depending upon his academic background, directly to a pre-flight center for cadet training.

April 4-44  
Somewhere in New Guinea

Dear Mr. and Mrs. Stamp:  
I received my first Clarkston News since being over on the other side of the world. I certainly want to thank you both for sending it. Seemed good to sit down at night and read all about the folks back home. I am o.k. and working hard. We are in the jungles of New Guinea—lots of coconut trees and banana trees. After being over here, one can see what a job it is to drive the Japs back to Tokio. Not much I can tell about this place but will have plenty to tell when I come home. We are getting good eats. I miss my little wife more than anything but maybe it won't be so long before we can all come home. So tell everybody in the hometown "Hello" for me and keep the good Clarkston News coming cause we all enjoy it.

I'll be seeing you.  
Hawley Skarritt

Mr. William Stamp, Clarkston, Michigan.  
Dear Bill:  
After much procrastination I have at last found a few moments in which to thank you for the consideration shown me in sending your good paper, The Clarkston News, so regularly. Each and every issue has been thoroughly enjoyed, as any news from the home town is greatly appreciated by one so far from Clarkston and many good friends.

We have been stationed in England since early last summer. It is a most interesting country with its many customs, habits and traditions, so different from our own. However one gets to accept them with their peculiarities in a short length of time. I suppose you would like to know just what we are doing and how long the job will take. My prediction would probably be as far wrong as many others have been. What we are doing of course cannot be revealed for military reasons, and the only thing we are certain of is the right to fight for what has been traditional—Liberty, Security, and the pursuit of happiness. We have enjoyed it in the past and we want to keep them and are willing to make any sacrifice necessary to keep them.

Today we are looking forward to a complete victory for so many reasons. Personal joys that once seemed trivial and matter of course, we now realize were most important. We are no longer living in a world of make believe, a place where we day dream, build castles in the air, follow a dog over Oakland County hills or flip a dry fly on one of her crystal lakes and rushing streams. For we are now living in a world of reality, of bitterness and hatred, and where only time will tell right or wrong.

These boys with me in England, and I can speak for about sixty of them in my company as they are Michigan men, just want to see the lights shine again in Detroit, Pontiac, Flint or Woodward Avenue, and his Buddy wants that little farm he has always dreamed of. All of them want to get back home, to sit in that easy chair once again before a crackling fireplace, and, well, you know the familiar picture.

One of the most important things

## Letter Received From Former Resident

The following letter and poem was received from Edwin F. Steet and will likely be interesting to many of our readers who remember Mr. Steet when he owned and operated the drugstore where the O'Dell Drugstore now is.

Whittier, California,  
April 10, 1944.  
426 North Haviland Avenue.  
Mr. William H. Stamp  
Clarkston, Michigan.

Dear Sir: Mr. and Mrs. Fisk have given me some copies of the Clarkston News and I hasten to congratulate you on its general set-up and newsy items.

In our travels around Arizona, New Mexico and California I have sometimes found certain phases of terrain which gave me the urge to write a few poems and short stories. Am enclosing one on the old town I still call home and one or two pertaining to the West; these poems are free to you Mr. Stamp and if you think them fit for publication O.K. Am enclosing one dollar; sub to the Clarkston paper for one year. With all good wishes for the continued success of your most excellent effort,  
I remain,  
Yours very truly,  
Edwin F. Steet.

Memories of Clarkston

Soft and tender is the May morn  
Breaking in pageant of rose  
Over waters veiled in elusive mist  
And brooding in quiet repose.  
Who can forget the mystic light  
As it creeps in on pinions of grey  
Before morn's footsteps clear and bright  
Surge in with quivering ray?

Oh Clarkston; for us, thy lakes still gleam  
Like white birch shining thru pines  
dark green.

We see the waves come dancing home  
Each tipped with crest of whitest foam.  
High on a hill a paint light is falling  
For angels of dawn are tinting the sky  
While below, the lark's lyric flute is calling  
From rugged old elm nearby.

A web of beauty spreads over the land  
Along the edge of the vale violets grow  
Magic splendor rises on every hand  
For Spring has come and soft winds blow.

In shady nook the ruffed grouse hide  
While Bob-White whistles on every side  
In the field pheasants roam far and wide  
And woodcock whirs at even-tide.  
Twilight falls in colorful hue  
In footlights of glory and curtain of blue  
Little threads of dusk in silken sheen  
Brood over waters that murmur and dream.

Oh Clarkston! Thy woods; thy cedars green  
Where trilliums bloom like chalice of white  
Thy trailing vines, thy twisting streams  
Bring back to our memory days of delight.

Edwin Steet.

Mrs. Mabel Larion is quite ill in the Pontiac General Hospital. As we go to press we find that she felt a little better on Wednesday night and was resting comfortably.

Mrs. George A. Perry announces the birth of a palomina (cream color) colt to her Kentucky saddle mare, Molly, last Friday, April 14th. Mrs. Perry was undecided as to a name for the colt but she has about decided to call it Freckles.

is the tremendous job that has to be done and one advance step towards that goal is to do the job better today than we did yesterday.

Free people who live and think and feel as we do can never be conquered, for the mind and thought of a free people are indestructible and cannot be suppressed or victimized to a new way of thinking. Freedom is rooted and cemented in our hearts and souls and there is nothing in the world that can penetrate or destroy it.

After this is all over, happiness will be multiplied and we will be living in a world richer than ever before—richer in freedom, love, liberty and pursuit of happiness. We have something big to fight for, something so immense that only we as individuals can feel but find difficult in even attempting to explain it.

But, to make it simple, lets say it this way: you're fighting for something you love, and so am I. Together we are fighting to preserve it.

There are millions of us all over the world.  
Thanking you again for your past favors and with best regards to my friends back there in Clarkston, I remain  
Very truly yours,  
Edward D. Whipple,  
1st Sgt., 186th Ordnance  
Depot Company.

## Clarkston School Accredited

A few days ago a committee of two men representing the State Department of Public Instruction and the Bureau of Co-operation of the University of Michigan visited the Clarkston School for the purpose of considering the accrediting of the school. After a study of a detailed report submitted to them at an earlier date and a study of the operation of the school on the day of their visit they made recommendations to the Committee on Relations with Secondary Schools. This committee makes a study of all available facts gathered about a given school and then decides on the period of accrediting as explained in the following letter received by Superintendent D. M. Winn on April 3, 1944:

Dear Mr. Winn:  
The University Committee on Relations with Secondary Schools, at a recent meeting, gave careful consideration to reports and to other cooperative activities established between your school and the University of Michigan.

The secretary was asked to inform you that the committee considers accreditation a continuous arrangement, one which does not need to be reopened with schools as well organized as is your school. In order to provide continued contact with schools, however, provision is made for a periodical visit by a University representative after a period of one, two, or three years, and schools are classified accordingly. Your school has been designated, by vote of the committee, as a three-year school, with the expiration of this period effective June 30, 1947.

Very truly yours,  
Committee on Relations with Secondary Schools  
Secretary, University

## Red Cross News

Quarterly meeting, Oakland County chapter American Red Cross will be held at the Community House, Birmingham, Monday, April 24th, at 7:30 in the evening. A returned serviceman who has been a patient at Percy Jones hospital will be the principal speaker at the meeting. His remarks will be based on his personal experiences with Red Cross in a war zone.

Final reports of March War Fund activity will be made and war fund chairmen and all volunteer war fund workers are requested to attend. The meeting as usual will be open to all Red Cross volunteer workers. Byron Webb, Oakland county chairman, will preside and reports will be made by chairmen of the various services.

At the close of the meeting canteen will serve refreshments.

## Rotary Club News

Pvt. Henry F. Hoyt was a guest of the Rotary Club last Monday.

M. T. Scott, former sales manager of the Consumers Power Co., and now Secretary of the Pontiac Chamber of Commerce gave a very instructive talk on post war planning.

## 4-H Club News

Howard Lahring of Holly has been busy culling chickens for his neighbors since taking a special Poultry Culling Course under the direction of Mr. O. E. Shear, Poultry Extension Specialist from Michigan State College. Howard has handled 569 hens out of this number, 148 were culled out as non-layers. The cost is approximately one cent per day to feed a hen. This means that Howard has saved poultrymen \$1.48 a day or \$44.40 per month, already.

Robert Hubbard of Clarkston was also among the boys that took this special Poultry Culling Course. He has been busy in the area around Clarkston.

According to the Agricultural Extension Department, feed is to become increasingly scarce and all farmers are asked to have the non-laying hens culled out and marketed.

For further information, farmers in the Clarkston area should write or call Robert Hubbard of Clarkston or Ray Teschler, 4-H Club Agent.

Remember the O.E.S. Dance at the Masonic Temple on Saturday night. You are invited to attend. There will be good music.

Muriel Boyns, who has been in the Pontiac General Hospital since last Sunday morning is feeling much better and hopes to be home soon.

Mrs. George Swain was taken to Pontiac General Hospital the first of the week and underwent an operation on Thursday morning.

At the Legion and Auxiliary meetings on Tuesday night arrangements were started for a Decoration Day program. The group enjoyed a short program and refreshments.

Mr. and Mrs. Edward Larion and family of Midland were called to Clarkston the first of the week on account of the illness of his mother. He returned to his business in Midland on Thursday morning and Mrs. Larion and the children expect to remain here for a few more days.

The Garnet Poultons have started to remodel the front of their home on Holcomb Street. They are tearing down the porch that has been there for some time and are erecting a modern entrance.

The Past Matrons of the Joseph C. Bird Chapter O.E.S. met at the Masonic Temple on Wednesday evening. Mrs. Earl Terry, Mrs. George Perry and Mrs. Bert Beebe were hostesses at a dinner at seven o'clock and this was followed by a few hours of games and a general good time.

In spite of the inclement weather a fine crowd attended the Spring Tea sponsored by the Martha Circle of the W.S.C.S. at the home of Mrs. L. F. Walter last Friday afternoon. The refreshment table was arranged with a lovely centerpiece of Spring flowers flanked by lighted yellow tapers in crystal holders. Mrs. Walter Saxman, Mrs. George Perry, Mrs. Ronald Walter and Mrs. Earl Hoyt poured. During the afternoon Mrs. Virgil Campbell and Mrs. William Watson furnished music.

scn last Friday at home with a win over Brighton 6-5. The game was played under bad conditions, one of the coldest games on record. Bud Kratt starred for Clarkston and went the route allowing 4 hits. Two of the five runs were unearned so Kratt allowed 3 earned runs. The next game is with Keego Harbor on the Presidents' home field this Friday.

## Obituary

Mrs. Olive Boardman  
Mrs. Olive R. Boardman passed away at the Oakland Hospital on Tuesday morning, April 18th, after a short illness due to heart trouble.

Mrs. Boardman was the oldest daughter of Mary Ellen Osmun and George Richmond, and was born January 8th, 1871, near Drayton Plains. She attended school in Drayton Plains and Pontiac. On March 7th, 1892, Mrs. Boardman was united in marriage to Joseph Boardman of near Clarkston and they made their home on the O.H.P. Osmun farm. After three years they moved to Detroit where they resided for thirty-nine years. After the death of Mr. Boardman in May 1933, she moved to Drayton Plains to make her home with her sister, Mrs. Grace Barnhart. She was a member of the Community United Presbyterian Church in Drayton Plains. Surviving is one sister, Mrs. Grace Barnhart; one niece, Mrs. Ernestine Williams, and two nephews, Osmun Barnhart of Lansing, and Ollie Barnhart of Lapeer.

The funeral will be held Friday afternoon at 2:00 o'clock in the Drayton Plains Community United Presbyterian Church with the Rev. C. J. Sdton officiating. Interment was in the Drayton Plains cemetery.

## Officers Chosen For New Club

A Rotary Club has been organized in Waterford and will meet each Thursday at Cap. Stoll's restaurant. The club will be called the Waterford-Drayton Plains Rotary Club.

Officers are: President, Dr. W. A. Cohoon; Vice-president, Dr. A. W. Emery; Secretary, Herbert J. Van Wert; Treasurer, Cliff Schoenhals, and directors, William Jacober, Edw. Bidlinger and Tom Corbin.

Charter night will be held May 25th at the Waterford School at which time the speaker will be James Dixon, Jr., Governor of this District of Rotary.

This club was sponsored by the Clarkston Rotary Club and will be the only club organized in this district during the Rotary year.

Word has been received that Mrs. Doris Batten Minton of Pontiac, formerly of Clarkston, is the mother of a daughter, Glenna Sue, born at Pontiac General Hospital on Wednesday, April 5th. Mrs. Minton's husband was killed in an airplane crash early in the winter.

Everyone will be pleased to know that H. W. Huttenlocher is getting along nicely after undergoing an operation at St. Joseph Mercy Hospital on Tuesday morning.

Mrs. Seymour Miller and daughter, Inez, left last week to visit Byron Miller who is stationed at Fairmont, Nebraska. Byron is now acting as a sports editor on the camp paper and is enjoying his work a great deal. Mrs. Miller and Inez expect to be home next week.

Intelligence  
A man by sheer determination Displays some thought in his creation,  
Of things unheard of heretofore. He shows some signs of his progression,  
By things that come in his possession,  
And by his great desire for more. Yes; man is forced to make inventions,  
That never were of his intentions,  
Because he finds himself in need. To satisfy his great ambition,  
He's called upon for intuition  
To fill the hand that grasps in greed.

But animals divinely guided Whose trust in God has been confided,  
Need not worry about their lot. Instinct they say guides their direction,  
And ministers divine protection Eternally and leaves them not.

At birth most helpless of all creatures Must earn each step from patient teachers,  
A man don't look for help from Him. Yet; lesser life is kept from sinking,  
Uncapable we say of thinking And know at birth to walk and swim.

Can You Picture  
**MICHIGAN**  
 without its Fire Fighters?

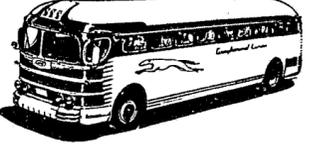

Maybe you've never had to call the fire department — maybe you never will. But it's a mighty comforting thought to know that it's there, ready night and day to save you and yours from one of man's most treacherous and terrifying enemies.

The heroic work done by fire fighters in so many of the towns and cities of our Allies, which have been showered with incendiaries and explosives, is drama itself. The job of our own firemen right here at home in Michigan may be less spectacular but it's no less important—particularly to us. Yet most of us give little thought to this vital safeguard of our everyday life — until an emergency comes along.

but there are thousands more who are ready to do their share at a moment's notice, the volunteer firemen.

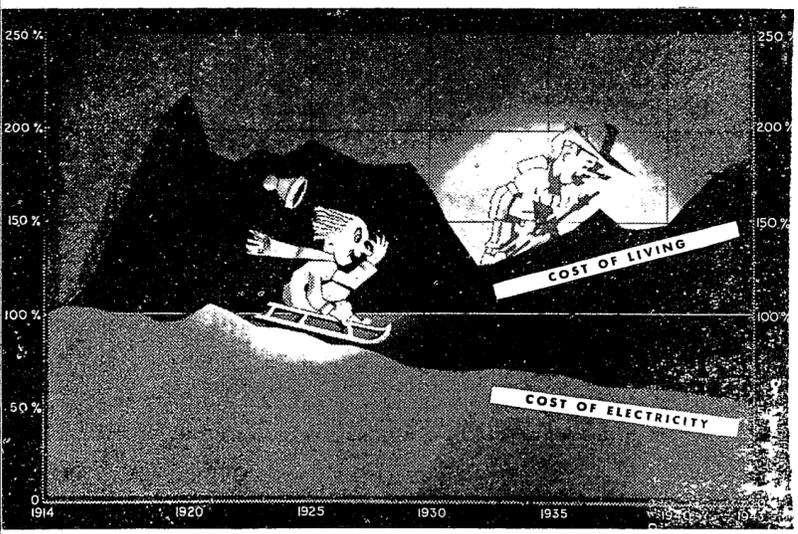

To all of these valiant men, we of the Greyhound Lines pay sincere tribute. We're proud of these fellow-citizens—thankful for them, too. And we feel we have at least one thing in common with them. They're fighting hard to improve the safety record of our State and so are we. In these tense and busy days, we feel that Greyhound, in providing safe, convenient transportation between this community and its good neighbors, is also playing its part in making Michigan a safer, happier place to live.

There are 3,438 men in Michigan whose full-time job is the protection of lives and property of the citizens of this State. These are the regular firemen—

**YOUR "HIGH COST OF LIVING" WOULD BE LOW**  
 if all prices were as low as **ELECTRICITY!**

"You take the high road and I'll take the low road" might well apply to the picture above. The rough and rocky mountain path shows living costs during two World Wars, including such items as food, clothing, rent, household furnishings, etc.

The downhill road is the average price of household electricity.

The price of electricity has gone down. Because of many rate reductions and greater use, its cost to you has dropped—steadily. The trend is still downward. Electricity is cheap. Today in the face of rising living costs, electricity is one of the smallest items in your family budget. It costs half as much as in the last war.

**THE OLD JUDGE SAYS...**

"The war stories I like best, Judge, are the ones by the special writers overseas who live right with our troops. They give us a better idea of how our men react to things going on over there and back here at home."

"I agree with you, Sam. I never miss one of those stories in the papers or magazines. And there's no matter those writers seem to agree on no matter where they are stationed with our men...and that is that the men who have left their homes and families to go away and fight this war don't want to come back and find that prohibition has been put over on them while they were away...either nationally or locally. They have heard about the attempts being made and they resent it bitterly."

"I agree with them, Judge, even though I don't happen to drink myself. Furthermore, I don't think it's fair for us at home to be making any major changes while 10,000,000 of our fighting men are away and have no chance to express their opinions."

## MY CALL WENT RIGHT THROUGH!

Yes, most Long Distance calls are handled as quickly as ever — while you hold the line.

But many others — especially those to war-busy centers and to far-away points outside Michigan — meet delay. They must pass over lines crowded with war calls and through switchboards loaded to the limit.

The tip-off that lines are extra busy is the operator's "Please limit your call to 5 minutes." This request means that others are waiting a turn to talk.

By being brief on your call, you will help other important calls get through.
