## Solemnity Reigned In Clarkston on D-Day

With the announcing in Clarkston on Tuesday morning that D-Day had arrived and that our gallant youth were taking the step that the whole world has been waiting for, the church bells and air raid sirens sounded and people stayed close to their radios. The churches were opened to all those who wished to assemble there in prayers for strength and victory.

The fifth war loan started and many were anxious to buy their bonds and feel that they were among the first to help provide more for our fighting men.

## Waterford

A delightful Arbor Day program was held recently at the school when Miss Mona Hungerford and her 3rd grade pupils entertained their mothers. A program pertaining to trees and birds was presented with each of the 43 children having a part. Miss Hungerford presented an original paper on "The Robin". On display about the room were bird books, designed and colored by the children. The group was then taken out of doors to plant a silver maple tree. Each child dropped a handful of soil from his own yard with his name on a slip of paper. Then each of the 27 mothers present placed a shovelful of soil. The tree was dedicated to the memory of two pioneer Michigan families. Mr. and Mrs. Henry Ford and Mr. and Mrs. Jayno Adams. Mr. Adams is a senior member of the Waterford school board.

ENSIGN RUSSELL I. MORGAN

Corpus Christi, Texas, May 17.—Russell Ivan Morgan, formerly of 7400 Holcomb Rd., Clarkston, Mich., graduated today from the Naval Air Training Center, Corpus Christi, and was commissioned an ensign in the U. S. Naval Reserve.

He received preliminary flight instruction at the Memphis, Tenn., naval reserve air base.

Each Naval Aviator is an expert flyer, navigator, aerologist, gunner and radio operator.

Naval Aviators fly carrier-based or land-based planes in combat zones, or at Naval Air Stations at home and abroad.

Types of planes in Naval Aviation include fighters, dive bombers, scout and observation, multi-engine bombers, patrol planes and air transports. Whether in the Marine Corps or in the Navy, Naval Aviators wear the famous "Wings of Gold".

Pvt Paul Steele who is stationed at Ft. Knox, Ky., has been in the hospital for several weeks suffering from a strep infection. He would appreciate hearing from his friends in this vicinity—girls and boys. His address is:

Pvt Paul Steele  
115th A.A.P., Base Unit (SEC.G)  
Box 629, Godman Field,  
Ft. Knox, Ky.

Two Clarkston, Michigan men are receiving their initial naval indoctrination at the U. S. Naval Training Center, Great Lakes, Ill.

Their "boot" training consists of instruction in seamanship, military drill and general naval procedure. During this period a series of aptitude tests will be taken by the recruits to determine whether they will be assigned to a Naval Service School or to immediate active duty at sea.

Their recruit training completed, these men will spend a period of leave at home. They are: Earnest Leodor Betts, 24, husband of Mrs. Margaret Marie Betts, Route 1, Walden Road; and Charles Clayton Perry, 24, son of Mr. and Mrs. George Allen Perry, 6950 Dixie Highway.

Camp Lee, Va.,  
6-4-44

Dear Mr. Stamp:  
I hope you haven't gotten too disappointed because I haven't written sooner but they really keep us busy around here. Don't think that I do not appreciate the Clarkston News because I really do look forward to reading it each week and I'll bet all the other boys do the same.

They have me in trucker school and it is quite interesting to me because I like truck driving. Of course we are learning it the army way and it is different than we drive back home.

Well, today is Sunday and I am a very busy man. I have been on guard duty for the last twenty-four hours and I am getting kinda leg weary.

Well, here's a little bit about Camp Lee. We have dances twice a week and for those who can't dance and would like to learn they have a dancing class every Wednesday night. We have theaters with all of the latest pictures, libraries, telephone exchanges, telegraph offices and in fact we have everything in the way of entertainment that you can think of.

Well, it's about time for me to go on duty again so will close thanking you again for the paper.

Yours Truly  
Pvt. Frank Green

## CARD OF THANKS

I wish to thank all of my friends and especially the sophomore class for the lovely cards, flowers and other gifts that I received while I was at the hospital and while I have been convalescing at home.

Those who contributed to the P.T.A. waste paper and rag drive two weeks ago will be interested in knowing that the paper collection amounting to 7595 lbs and the rags weighed 735 lbs. The P.T.A. realized about \$49.00.

Word has been received in Clarkston of the death of LeRoy Davis, a former resident, who passed away at his home in Boise, Idaho, on May 20th. He is survived by two sons and two daughters. Mrs. Davis died ten months ago.

## Waterford-Drayton Rotary News

The Club was pleased to have as speaker at last Thursday's meeting, Joe Haas, feature editor of the Pontiac Daily Press. Mr. Haas in his jovial manner gave a wonderful description of Oakland County.

## The Hilltopper

SENIOR NEWS  
The Seniors would like to thank the Juniors for the super banquet you gave us last Friday night.

A long waited moment has at last arrived. Monday the Senior caps and gowns came. Now the halls on the Hilltop look much different with bright blue going from class to class. Baccalaureate will be held Sunday, June 11th at the Methodist Church. Rev. Ballagh will be the speaker.

Skip day is today and we are taking a boat trip to Put-In-Bay. We hope the boat doesn't get out of control and side-swipe the freighter as it did Monday. However, we do like excitement and you will almost always find us where excitement is but we hope that kind of excitement doesn't happen.

The composites have come so if you would like to get a shock to cause your hiccoughs to cease, step into the commercial room and it is very apt to happen.

JUNIOR AND SENIOR BANQUET  
The annual Junior and Senior Banquet was held last Friday evening. The gym was decorated in South American style—bright colored crepe paper streamers all along the wall and the ceiling was draped with blue.

A large map of South America was hung on the curtains with a senorita on either side.

The tables were decorated with place cards in the form of sombreros in different colors. The programs and the napkins were styled with the theme "Memories" with a Senior and senorita on the front.

After a super meal of pork chops, escalloped potatoes, peas, fruit salad, and ice cream and cake, Ray Smith presented the other participants on the program. Bill Radoye gave the Senior response to the fine speech of welcome by Ray Smith.

Barbara Fosdick gave two piano selections.

Then four "Mighty Seniors", Jean Girst, Corinne Sites, Jack Baughman and Eldon Rouse presented the Senior Class gittatory which provided the audience with many laughs.

The next item on the program was quite different—Adrienne Volberding gave a ballet dance.

Mr. Thayer, alias "Doc", presented the athletic award to Eldon Rouse and Miss Bells presented the Valedictorian medal to Wilbur Adams and the Salutatorian medal to Ann Zander. The music medal was awarded to our capable band master, Bill Radoye.

Jack Craven then kept the ball rolling with some very witty remarks.

Sarah Collins, Adrienne Volberding and Tom Waid presented the class prophecy. Charles Jacobson helped compose the prophecy but was unable to attend because of illness.

Linda Jane Myers then presented the farewell to the Seniors.

A dance followed with music by the Oxford High School Dance Band.

Thus ended another high spot in the high school careers of the Juniors and Seniors.

## Interesting Talk On China Heard By Group Wednesday

On Wednesday afternoon a large group attended the quarterly meeting of the W.S.C.S. at the Methodist Church. Many enjoyed a pot-luck luncheon at 12:30.

At two o'clock the regular business meeting was held and reports were read. Mrs. George Perry, president, introduced Mrs. E. Kyle Simpson of Pontiac who told of her experiences in China. Mrs. Simpson spent thirteen years in Free China. She went there as a teacher before she was married and while there she married Dr. Simpson who was serving in the hospital there. Their two daughters were born in China. Mrs. Simpson talked the Chinese language quite fluently and she quoted verses of Scripture, first in English and then in Chinese. Along with her she had a Chinese Bible and a hymnbook; also many pictures of missionaries and letters they had written. Her talk was very interesting.

Mrs. C. A. Rydmark of Flint, president of the W.S.C.S. of the Flint District, was then introduced. She explained the aims of the organization and asked the full cooperation of everyone in the district. She answered any questions that were asked and told the group that she would consider it a great privilege to be called upon any time the officers or any of the members had any questions about the work that was assigned to them.

The Mary Circle was the host for the day and they had a very fine display of aprons, bibs and children's garments for sale.

At the close of the afternoon the members of the Dorcas Circle were each presented with a small potted begonia because they had the largest number present.

June 14th—Wednesday—the Clarkston Royal Neighbors will meet at the home of Mrs. Tom Corbin in Waterford. A pot-luck luncheon will be served at noon. All quilt tickets are to be turned in at this meeting.

## Beach Brigade Doing Good Job

Several civic minded men and boys gathered at the "Ole Swimm' Hole" on Wednesday evening and made a fine start towards cleaning up the beach and making a safer place for the children. Weeds and shrubs were removed and scrap and glass left there by thoughtless persons was cleaned out. Carl Mayer and Bob Beattie were on the job with their trucks and were a real help. ALL enjoyed the wienie roast that followed.

## Clarkston Girl Scouts Have Last Meeting

On Tuesday, June 6th, the Clarkston Girl Scouts held their last meeting for the year. We enjoyed talking about our Camp at Ortonville State Park and what a wonderful time we are planning to have there. We will have many enjoyable activities for the girls to participate in, including softball, butterfly catching, painting, drawing, coloring &c. The girls may bring any other games they think we would enjoy playing. This year we are going to be equipped with steel cots and many new eating utensils which will be a great improvement for last year we had wooden cots which squeaked and tore and we didn't have enough dishes to go around. We are hoping that this year we will be much more comfortable and much more fully equipped. The date set for leaving for Camp is Friday, July 21st.

The Roll Call showed that there were 19 present and 4 absent; a total of 25 girls enrolled for this year.

Mary Lee Volberding, Scribe

Mrs. Minnie Ronk of Milwaukee, Wisc., has been a visitor at the home of Mrs. Elizabeth Ronk.

About four weeks ago Mrs. Fael Steele was granted a divorce from Pvt. Paul Steele in Reno, Nevada.

Mr. and Mrs. Ivan Rouse were called to Lexington, Ill., last week on account of the death of his nephew by drowning. The funeral was held Saturday. Mr. and Mrs. Rouse returned home Sunday night.

Narrow Minded  
The time's arrived when it's a joke To tell a girl she shouldn't smoke, And it's old fashioned one should think That she should shy away from drink. It seems we had a lot of nerve To hope that women might reserve Some traits to gain a child's respect For mothers, whom they can't select. We dared to hope that wives could find Some tasks at home to fill their time, And prayed that mother-in-law and aunts Would never wear the boss's pants. We hoped the females of our race Would keep their dignity and grace. That men might do the worldly things And feel that they pulled all the strings. These hopes outdated by a war Have slipped away for evermore. So it is worthy here to note That more females will have a vote, At next election than will men Permitting them to score again. So who are we to think it rude To smoke and drink and wear a snood.

**4 GOOD REASONS**

FOR THE TELEPHONE SHORTAGE

THIS is the inside of a Navy Patrol Bomber. All four men are using telephone equipment. Consider that this country is building over 100,000 planes of all types every year, and you get some idea of wartime telephone needs in the air alone. Land and sea forces use far greater quantities of communications equipment... must have more and more as time goes on. Naturally, it has become increasingly difficult to fill telephone service requests here at home. In supplying a quarter of a million more telephones since the beginning of the Defense program, our reserve

facilities have been about used up. Orders for telephones essential to the war effort are filled promptly. Other requests for new service are handled under a definite procedure as present users give up service. But there is a long and growing waiting list. We are confident you want war needs to be met ahead of all else. If you are inconvenienced, we trust you will understand.
