Trunklines in County Being Improved

The State Highway Department will spend \$194,726.00 during the present fiscal year ending June 30, 1944, on maintenance of state trunkline highways in Oakland county, an increase of \$33,813.00 over the \$160,913.00 spent for the same purpose during the 1942-43 fiscal year. Highway Commissioner Charles M. Ziegler reports.

The increased expenditure of state funds in Oakland county this year for state trunkline maintenance is in line with Commissioner Ziegler's policy of an intensive program designed to bring the trunkline system up to satisfactory standards. Trunkline maintenance has been allowed to lag in recent years and many miles of trunklines were in poor condition a year ago. This condition and the necessity for keeping roads in good condition to protect the peoples' heavy investment in these roads, to reduce tire wear and to speed wartime traffic prompted the Commissioner to adopt a maintenance program calling for an increase of 40 per cent in expenditures over the entire state as compared to any previous year.

Gravel placed on state trunklines in the last year doubles that of any previous year. A similar program is necessary for this year to build up these highways. Good progress is being made in this work which is resulting in a general improvement in the state highway system, Commissioner Ziegler said.

Clarkston Locals

The Rev. Walter C. B. Saxman went to Saginaw on Wednesday to attend the Methodist Conference. He expects to return home on Sunday.

Right now many men and wives celebrate their wedding anniversaries far apart. Mr. and Mrs. Hawley Skarritt's seventh wedding anniversary occurred this week and much to the surprise of Mrs. Skarritt she received a dozen and a half American Beauty roses from her husband who is in New Guinea. Needless to say the surprise was a pleasant one.

Mr. and Mrs. William Hungerford, who have been visiting her mother, Mrs. Minnie Davies, for the past week returned to Chicago on Sunday. They were accompanied by her sister, Nancy Davies. She returned home on Thursday night. While Mr. and Mrs. Hungerford were here, a family dinner was served at her mother's. Guests were from Lansing, Detroit, Pontiac and Clarkston.

Our Boys and Girls In The Service

Stanley Ash left on Tuesday to start his training in the U. S. Navy. Ensign Edwin J. Beattie of the Air Division of the U. S. Naval Reserve is enjoying a few days furlough with his folks in Columbiaville and relatives in Clarkston and Waterford. Edwin has completed his training. He looks well and says he feels fit and ready to start for Tokyo or Berlin.

Dear Mr. Stamp:

Before I go into this letter I want to apologize for not writing more often. There is no excuse for it so I'll not try to give you one. I've been receiving the papers regularly, much to my delight, and have enjoyed them very much. I look for the paper almost as I look for payday. I have covered a lot of miles since my last address as you can see. I can tell you I'm somewhere in England but that is all. England is a very beautiful country considering what she has been through; but still there is no place to compare with the old U.S. I'm not hearing from anyone so if anyone wishes to write they are sure of an answer. Writing is just about all I can do now so I'll have to make the best of it. I hardly know what to write, Mr. Stamp, so I guess I'll just close, thanking you ever so much for your generosity.

I remain

Aboard a U.S. Naval Vessel in the Southwest Pacific—Edward G. Judd, pharmacist's mate second class, U.S.N.R., son of Mr. and Mrs. Cramer Judd of Pontiac, now serving in a sub chaser (SC boat) in the southwest Pacific area, recently was commended by his commanding officer after participating in seven landing operations in the past 14 months.

The commendations, signed by Lieut. Robert H. Blake, U.S.N.R., stated: "Upon the very satisfactory completion of our largest operation against the enemy, I commend you for your especially efficient execution of your duties both under fire and during the long periods under adverse conditions while serving in the extremely forward areas."

Judd reported aboard the sub chaser in June 1943. Since that time he has participated in the following operations: Lae, Finschafen, Arawe, Cape Gloucester, Saidor, Aitape-Humboldt bay, Tanah Merah bay, and Tulele Island.

Until the Club has permanent quarters the meetings will be held at Cap's restaurant every Tuesday at noon instead of on Thursday.

The entertainment at last week's meeting was in charge of George Kimball. He asked each member to mention briefly a part of Judge Webster's Charter Night speech. This worked out very well and many of the memorable parts of the talk were reviewed.

Some of the members offered to be bond salesmen for the fifth war loan drive.

Robert C. Beattie, president of the Clarkston Club, was present.

Service Mother's Club Gets American Flag

Gift Is Presented by Mr. and Mrs. Roy Spencer

The regular monthly meeting of the Service Mother's Club was held last Thursday afternoon at the Masonic Temple. A summary of the first year's work was given by Mrs. Lee Clark. Mrs. Clifford Bennett reported on cards sent to the boys and the letters received since the last meeting. Mrs. Roy Spencer presented the Club with a large American flag as a gift from her and Mr. Spencer in honor of their sons and all of the other boys in the service of their country. Mrs. C. H. Souby accepted the flag in behalf of the Club and a rising vote of thanks was tendered by the members.

The speaker of the afternoon was Miss Martha Johnson, chairman of the U.S. Cadet Nurses Recruitment Committee of Pontiac. She stressed the need for cadet nursing recruits now if Oakland County is to meet its present quota for registered nurses. Tea was served following the meeting with the Navy mothers in charge. The July meeting is to be a picnic held at 12:30, July 13th, at the home of Mrs. G. E. Poulton.

A.A.C. Recruiting Is Resumed

Recruiting of 17 year old youths for the Army Air Corps has been resumed in Pontiac at the United States Armed Forces Recruiting Information Center in the lobby of the Peoples State Building.

Major Harry C. Olson will be there Wednesday, June 28, at 12:30 p.m., to give the mental aptitude test for the Air Corps. All youths 17 years of age and who have not reached their 18th birthday may take this test. Candidates who pass will be furnished free transportation to Detroit to take the physical examination. Taking these tests does not obligate the candidate in any way to go further.

Accepted candidates will be sworn into the Air Corps Enlisted Reserve and called to active duty shortly after their 18th birthday. High School graduates also may qualify for college training in the Army Specialized Training Reserve Program if they are not more than 17 years, 9 months old when accepted, Major Olson said.

Mr. and Mrs. Frank Strother had as their guests last week his mother and sister of Charleston, W. Va. His sister has returned to her home.

Mrs. Zay A. Ross of 8294 Rattalee Lake Road entertained at a family dinner recently honoring Mrs. Grace O'Keefe of Hornell, N.Y., who was enjoying a few weeks with friends in Michigan.

Large Crowd Enjoys Piano Recital

Last Thursday night the piano students of Mrs. Charles Matthews closed the season by being presented in a recital at the F. E. Davies' home on Holcomb Street. There were seventy-five parents and friends enjoyed the real musical treat. The older girls were pretty in their white and pastel colored formals. The smaller girls were sweet as they calmly seated themselves at the large, parlor grand piano and their little nimble fingers ran up and down the keyboard. The boys deserve mention too. Everyone enjoys seeing and hearing a boy play the piano and these boys certainly played well. A guest artist was Phyllis Mansfield, vocalist. She sang several pretty numbers and as always was well received.

After the program Adele Thomas played an extra number, a pretty little Oriental number which told the story of a street scene in China.

To close a very lovely evening ice-cream and cookies were served.

Why Are Street Lights On in the Daytime?

Mr. H. J. Keith, Detroit Edison representative, made the following statement:

"You may occasionally notice street lights burning in the daytime. This occurs whenever a performance test is made of the street lighting system. 'In order to insure that street lamps are on as nearly 100 per cent of the dark hours as is possible, the testing is done in the daytime. These testing periods are as infrequent and of as short duration as is practical. The community does not pay for the electricity used in the tests.'"

Mr. Keith added, "During the winter months at our own expense we burn street lights an extra half hour longer than our contract requires. Since the change to wartime, this is done for the protection of children going to school."

Among the college students who have returned home for the summer are Helen Hodges and Mary Edgar. Jeannette Vliet is expected home today and Mazy Wompole will be home in another week.

The pupils of Mrs. Carl D. Ganther will present a piano recital at the Andersonville Presbyterian Church on Thursday, June 22nd, at 10:30 a.m. They will be assisted by Mrs. Orlo Willoughby, vocalist, of Clarkston. The public is invited.

Help The Other Fellow

St. Joseph Hospital Tag Day Will Be Saturday, June 24

Although we are being called upon again and again to help the war effort we must remember to be charitable at home. Here in Oakland County we have needy families who need hospital care and you never know the day that you or yours might need help too, so it behooves all of us to be as generous as possible when such an institution asks for your cooperation. This year the St. Joseph's Mercy Hospital Clinic will have their annual Tag Day on Saturday, June 24th.

In Clarkston the tag sale is in charge of Misses Nell and Mae Barry and Mrs. Milan Vliet. The workers will meet at the Caribou Inn at ten o'clock. Those assisting with the work this year are: Mrs. Edward Seeterlin, Mrs. Arthur Schurz, Mrs. Gray Robertson, Mrs. Roy Addis, Mrs. Joseph Seeterlin, Mrs. Jerry Dark, Mrs. L. I. Coon, Mrs. William Johnston, Mrs. David Stewart, Mrs. Harry Fuller, Mrs. Russell Colton, Mrs. Howard Johnson, Miss Theonia Alger, Mrs. Durand Ogden, Mrs. Richard Watson, Mrs. C. W. Russell and Mrs. Wm. H. Stamp.

Many would like to know what their donation last year helped to do. The following will give you some idea of what was done that is worthy of note: 60 modern beds and 3 of the latest incubators, fully equipped to save the lives of delicate babies have been purchased; besides a modern operating table costing over \$1000 has been purchased and paid for; Three \$1000 War Bonds have been bought which will form a nucleus of a post-war fund to meet future adversities such as another depression or serious emergency cases.

Mrs. Cora Wolcott of Detroit was a guest last week at the home of Mrs. Zay A. Ross.

Good News For Local Fishermen

Hook-and-line fishermen should expect better-than-ordinary luck with the opening of the bass and bluegill season June 25, according to conservation department fish authorities.

Department spokesmen, however, are even more happy to report that recent warmer-than-normal temperatures should have advanced the hatching of bass and bluegill spawn, with consequent likelihood that spawning fish may be off the beds, except in northern lakes, by opening day of the panfish season.

Factors which should have contributed to increased panfish populations were relatively high temperature levels of the last winter and consequent reduction in "winter kill" of fish which die from lack of oxygen in water when heavy ice and snow surfaces on lakes shut off the sun's rays, the present higher lake levels, and that war's restrictions have limited fishing in recent seasons.

4-H Young People Plan Meeting

Mary J. E. Woodward, Home Extension Agent, and Ray Tescher, 4-H Club Agent have announced a joint meeting of the 4-H Club Council and Service Club to be held at the 4-H Farm 3 miles north of Pontiac at the intersection of Perry and Pontiac Lake Roads on June 21 at 7:30 p. m.

Among the nine outstanding Club members who have been chosen delegates to Club Week are Mary Lou Lahring of Holly and Robert Hubbard of Clarkston.

Everyone will participate in a recreation period. Refreshments around a fire will complete the evening.

Mrs. Bert Denham and son, Bobby, of Phoenix, Arizona, formerly of Clarkston, spent last week at the A. B. Wompole home. They enjoyed seeing all of their old friends. On Friday night Mr. and Mrs. Alfred Lee entertained in their honor.

Honor Our Flag

We place our hopes in the youth of our land,
The greatest assets in the world;
Fighting, today, with the strength they command,
Protecting our flags where unfurled,
Their courage of heart is our only guarantee,
That we will survive the great strain,
And live in a world that is always free
Of dictators' torture and pain.
Thank God for boys with the courage to fly
Or march in the enemy's fire,
Who face without fear the flak in the sky
Or stalk the grim foe in his lair.
The flag we loved and respected before
Has taken a meaning that's new,
Since the youth of our land have left for war,
Protecting the red, white and blue.
Long may it wave o'er the land that is ours,
And never subject it to shame;
Let it be known by all foreign powers
As a flag that is fair in the game.
Let it be a symbol of all that's best,
And ever uphold what is right;
For this of all flags by God has been blessed
To lead a dark world to the light.

Why Vernon J. Brown for Lieutenant Governor? His qualifications are unquestioned. The Republicans of Michigan have a right to demand such a man in this important office. Responsible Republican leadership, as well as rank and file workers throughout the State, believe that Vernon J. Brown is the one man in the Party who, as Lieutenant Governor, can function as a cooperating member of the Republican team.

Can You Picture MICHIGAN without Transportation? Illustration of a man and woman sitting in a car, with a train, bus, and airplane in the background.

Public transportation—by highway and skyway, by railway and waterway—is one of the most vital industries of this State of ours. It represents far more than a vast array of terminals, equipment, repair shops and cold statistics about moving manpower—it's the link that joins Michigan's cities and towns and rural communities to each other and to the rest of the Nation.

Michigan Public Service Commission and the O.D.T. We who keep Greyhound buses rolling across our State are conscious of the importance of our particular job—to the whole system of wartime transportation. Without the buses doing their share of the job other transportation would be burdened beyond capacity.

"We will win the European War in '44 if every man and woman will do his or her full duty."

—General Dwight D. Eisenhower at a Press Conference

THERE IS no question about our men on the fighting fronts doing their full duty. And there can be no question about those of us here at home. In this moment of invasion, the effort is ALL OUT. That means backing our armies with everything we have. ★ Ask yourself this question: If victory or defeat hinged on MY contribution, how many war bonds would I buy?

HERE'S WHY THERE AREN'T ENOUGH TELEPHONES TO GO 'ROUND

Those huge coils you see are telephone wire... hundreds of miles of it for combat communications. Perhaps it seems a far cry from a South Pacific Island to your home or office telephone. Yet it takes wire to connect your telephone to the central office. And it takes wire to enlarge switchboards for additional telephones. Wire is only one of many vital telephone materials that just can't be spared today for civilian comfort and

convenience. As a result, many applicants for telephone service have had to wait. Orders for telephones essential to the war are filled promptly. Other requests for new service are handled under a definite procedure as present users give up service. But there is a long and growing waiting list. We're sorry we can't provide service for everyone who wants it. But we feel sure you'll agree that war needs must come first.
