Few Attend Annual Meeting

The annual meeting of the School district of Clarkston did not attract much attention and few attended. The annual secretary's report was given as well as the annual report of the Treasurer. The amount now owed on building and grounds is \$98,000.00. The Clarkston State Bank was chosen as depository for the general accounts, while the Community Bank of Pontiac was chosen to handle the bond account. The Board was authorized to give a gift to William J. Radoye in appreciation of his work with the music department the past year. A letter was to be sent to Miss Balls and Miss Tew for their supervision of the music department.

Vacation Bible School Opened Monday At Methodist Church

The Daily Vacation Bible School started Monday at the Clarkston Methodist Church with a fairly good attendance. There are three groups this year—the beginners taught by Mrs. Walter C. B. Saxman; the primary with Mrs. William Mansfield as teacher; the juniors taught by Mrs. E. B. Campbell and the intermediate group in charge of the Reverend Saxman. Adele Thomas is in charge of music and hymnology. The juniors are studying "The Community in which we live—the relation of home institutions to the Church". The intermediates are studying "Christian Symbolism" and this week they are greatly interested in stained glass windows in famous churches.

Obituary

Mrs. Jennie M. Walter
Funeral service for Mrs. Jennie Mae Walter who passed away in Miami, Fla., on July 4th was held at the Clarkston Methodist Church in charge of the Ogden-Kennedy Company Funeral Home on Sunday, July 9th, at 3 p.m. The Reverend Ira Cargio of Fowlerville officiated and he was assisted by the Reverend Walter C. B. Saxman. Two of Mrs. Walter's granddaughters from New York sang: a solo "The Lord's Prayer" and a duet, "Beautiful Isle of Somewhere". Interment was in Lakeview cemetery. Mrs. Walter was born Jennie Mae Plumer in Warren, Mich., on April 15, 1867. On Dec. 12, 1888 she married Loan J. Walter in Pontiac. They lived in Selby, N.D., until 1915 when they came to Clarkston and made their home in Miami, Fla. Besides her husband she is survived by four daughters, Mrs. Mae Kerr of Miami; Mrs. Florence Nicholson and Mrs. Anna Clift of Detroit and Staff Sergeant Clara Walter of San Angelo, Texas; three sons, Clark of Peekskill, N.Y.; Lorne of Warnsburg, N.Y.; and First Sergeant Vernon Walter of Camp Maxey, Texas.

A division of the General Motors Truck of Pontiac held a picnic at Cranberry Lake on Sunday. Baseball and many other games furnished a good time for everyone.

Attention Housewives!

Several weeks ago the Junior-Senior banquet was held at the Clarkston school. In straightening up the kitchen afterwards someone, by mistake, took home the wrong aluminum pan. This pan is a large one about 2 or 3 inches high and has a handle on each end. It fits in a canning roaster and is needed by its owner. You can get your own pan by returning this one to Mrs. Emery Tee, 5395 Dixie Highway or calling Pontiac 31610 and Mrs. Tee will gladly call for it.

Mrs. N. Howard Boyns was Miss Carmen J. Clark before her marriage to Staff Sergeant Boyns on June 23rd. She is the daughter of Mr. and Mrs. Ray C. Clark of Roselawn Ave., Clarkston.

Mary Circle Met Tuesday

The Mary Circle of the Methodist W.S.C.S. met at the August Doebler home on Pine Knob Road on Tuesday afternoon. At noon a lovely pot-luck luncheon was enjoyed. On account of the wet weather the picnic had to be held in-doors. At the business meeting it was unanimously voted to turn over to the general W.S.C.S. the \$100 needed to complete the Circle budget for the year and to donate to the general treasury as a sort of bonus the Mary Circle's share of the money taken in at the Mother and Daughter banquet held in May.

Birthday Surprise Held in Waterford Last Sunday

Last Sunday Mrs. William Thomas of Hayden Ct., Waterford, entertained about sixty guests honoring her husband and also Miss June Harris, daughter of Mrs. Henri Buck, who were celebrating their birthdays. As a special feature the American Legion band of Pontiac attended and played many stirring selections. Also helping with the entertainment was Miss Mary Louise Buck, vocalist, daughter of Mr. and Mrs. Henri Buck of Waterford. Miss Buck sang several very pretty numbers over the public address system that had been installed for the occasion. To add to the gaiety of the lovely affair an outdoor dinner was served at tables on the beautiful lawn overlooking the water. Colored movies were taken by Mrs. Thomas so that the honorees will be able to look in on their party and realize what a grand celebration they had on Sunday, July 9th, 1944.

Among the guests were Mr. and Mrs. Henri Buck and Billy Wagner, son of Mr. and Mrs. William Wagner of Windiate Park. Bill is enjoying a short furlough from the Army Air Corps. Other guests were from Grosse Pointe, Flint, Monroe, Pontiac and Waterford.

Clarkston Locals

The Clarkston 4H Canning Club met at the home of Tommy Slick on North Main Street on Wednesday afternoon of last week with a good attendance. The demonstration was on the canning of cherries and rhubarb. Refreshments were served. The next meeting will be on Thursday afternoon, July 20th at 2 o'clock, at the home of Mary Alice Carr on Foster Road. Although the final figures regarding the amount taken in on "Poppy Day" by the local American Legion Post have not been ascertained yet a partial report is available and might prove interesting to those who helped with the sales and those who purchased poppies. The total amount so far is \$209.34 which includes \$143.37 from Clarkston and Waterford and \$65.97 from Ortonville. The Clarkston Girl Scouts did the selling in Clarkston and they certainly did a splendid job.

Our Boys and Girls In The Service

Pvt Merritt W. Rockwell returned to his station at Sacramento, Calif., last week after enjoying a ten day furlough with relatives and friends in Clarkston and Pontiac. Staff Sergeant N. H. Boyns has been transferred from Texas to Selfridge Field, Mich. He and Mrs. Boyns arrived in Clarkston on Sunday night and Howard went to his station on Tuesday. He expects to be at Selfridge Field for a few weeks and during that time Mrs. Boyns expects to spend part of her time in Clarkston and part in Mt. Clemens with him.

As most of you know several of our high school graduates in June left for military service a few days after the commencement exercises. One of these boys was James Burns, son of Mr. and Mrs. Raymond Burns. Jim graduated on Thursday night and left for San Diego the following Monday. He is at present doing post office work and although the hours are long he enjoys his work. However the boys are not allowed to leave the camp until after their 8 weeks basic training and during that time they get a longing for mail and more mail from the home town. Jim would appreciate hearing from his friends. His address is:

Pvt James R. Burns,
Pit 707, RDM., C.B.
San Diego, 41, Calif.

HEADQUARTERS, EUROPEAN THEATER OF OPERATIONS—One hundred and two members of the Ordnance Section of an infantry unit, now undergoing training in Northern Ireland, were recently awarded the Good Conduct Medal.

The award is made only to soldiers whose conduct and ability has been exemplary for a period of one year or more previous to the issuance of the medal.

Among those receiving the award was S Sgt. Leon O. MacDiarmid.

FORT WORTH, Tex., July 4—2nd Lt. William C. Cobb, 27, son of Mr. and Mrs. Burt F. Cobb, of 44 E. Church, Clarkston, Mich., graduated this week as a B-24 bomber pilot at Fort Worth Army Air Field.

Lt. Cobb received previous flight training at Independence, Kansas, and Waco, Texas. This week's special class of Liberator bomber pilots will either receive assignment as flight instructors on the giant aircraft, or be sent to AAF tactical schools for final phases of pre-combat training.

To wage war on a modern scale, the Army foresaw the need of base shops to operate overseas. They had to be prepared to repair vehicles, artillery, and heavy equipment of the armies in the field. Early in 1942 top-flight civilian specialists from all over the country were recruited for the job. Today, as officers and enlisted men, they are proving the wisdom of the Army's foresight by the quality and quantity of the work they have been turning out.

Major H. Walker Hunsaker of San Francisco, California, the executive officer of the battalion, says, "All the men in the battalion are volunteers. They came in the Army to do a specific job and they have done it admirably." He continued, "In this battalion, the men are hand-picked to do the job and taught the needs of the Army in specialists' schools. They know their jobs, want nothing more than to do them;—The results you can see on the fighting fronts."

A member of this battalion is Sgt. Clayton A. Curran, son of Edward Curran of 4727 Dixie Highway. Pvt Paul Steele, son of Mrs. William Thomas of Waterford, has been enjoying a fifteen day furlough at Ft. Knox, Ky., he has been ill and confined to the hospital. However he is feeling much better and this short rest at home will get him ready for his further training. On the 4th of July Mr. and Mrs. Thomas honored Paul at a gathering of twenty young folks at their home. They relished an outdoor dinner and had a general good time. Guests were from Minneapolis, Minn.; Yorktown, Pa.; Grosse Pointe, Mich., and Pontiac.

Dear Mr. & Mrs. Stamp:
Just a few lines to let you know I am receiving the Clarkston News. I want to thank you for it. It sure seems swell to be able to know what goes on in the old home town. One of my buddies knows some people there in Clarkston and he also gets a kick out of reading it. All the other fellows want to look at it and by the time they have finished there isn't much left of it. I make sure I read it first. Well, that is about all for now. Thanks again for the paper.
As ever
Pvt. Wm. R. Skinner

Small Vote Cast at Primary Election

156 votes were cast in the State Primary election on Tuesday. The high points were that Brown defeated Keyes for Lieutenant-Governor; Thomas defeated Liddicoat for sheriff; and Noggle defeated Nash for Prosecuting Attorney. Spencer Howarth leads the field as Representative in the new 1st district as the News goes to press.

A guest for the past ten days of Mr. and Mrs. August Doebler and family has been Mrs. Doebler's sister, Mrs. Farnes Ullrick, of Milwaukee, Wis.

Dear Mr. Stamp:
It has been a long time since I had the opportunity to write to you, due to much travelling about and a great amount of work.

For a long time I didn't receive your paper, which you so kindly send—but it has started to catch me again now and I certainly appreciate it. However it was not unusual not to receive your paper for I received no mail at all for well over a month. We finally got to the point where we share the same island with the Japs, and I can't say that I am at all pleased with the situation. However, I think we have the bigger portion of this secluded, God forsaken island and I hope it won't be long until we are the sole proprietors.

It is claimed that my outfit has shot down twenty-one or more planes to date. I have seen a number of them fall and was thrilled to see them burst into flames and crash in the ocean or up into the hills. Contrary to the common belief that Jap pilots never leave their planes, let me assure you that they do bail out if they have the chance, which would seem to prove that they do think of self preservation. They will, however, endeavor to crash their flaming plane on a ship lying in anchor in the harbor, if they see no possible chance of escaping with their lives. But either way they lose, for if they do parachute to earth, they are, of course, quickly killed or captured.

One grows to love a foxhole here very much, and he is willing to work hard to build one as strong and as comfortable as possible. We have been forced innumerable times to sleep—as best we can—in the things, and although it is very distasteful to share the same hole with the bugs, shellbacks, lizards and occasionally rats, we don't dare crawl out, and we are thankful for the slight feeling of safety that it gives.

If I have gained nothing else from being here, I have gained one thing—I have developed an unbelievable burst of speed in running to my foxhole. Give a man the proper incentive and he will shatter all previous records in the sprints.

It is not all pleasant to lie huddled in a hole and listen to the roar of the bombers overhead, and the rapid machinegun fire of the enemy as he dives to strafe, praying that an egg won't be laid too close, or bullets penetrate the protecting earth of the foxhole. It has often been said that there are no atheists in a foxhole and I can wholeheartedly agree to that. Although it has been rather quiet lately, we are often rudely roused out of sound slumber and forced to hit the hole.

There is more that I would like to tell but of course Army regulations forbid. I think I have rambled on for this time, so thanking you for kindly sending the paper, I shall close and remain,

Respectfully yours
Cpl Norman Derevage

NEW CALEDONIA, SOUTH PACIFIC—Two of the three service sons of Mr. and Mrs. Roy Spencer, 49 North Main street, Clarkston, Mich., were reunited here recently with the arrival overseas of Pvt. Lester Spencer, 24. On hand to greet him was Pvt. Roy Spencer, jr., 22, who has been a battalion clerk at a depot on this South Pacific island for more than a year. They hadn't seen each other in nearly two years.

Inducted in September, 1943, and trained at Camp Grant, Ill., Lester arrived overseas one year to the day after his brother. He has been assigned as a pharmacist to a station hospital on this island, having completed a course in pharmacy last June at Ferris Institute, Grand Rapids, Mich.

Both Roy and Lester were graduated from Clarkston High school. From Clarkston, Roy went to work for the Michigan Bell Telephone company in Pontiac, and in October, 1942, went into the Army. After taking 18 weeks' basic training in the Infantry at Camp Wolters, Texas, he came overseas in April, 1943.

The third brother, Stanley, 25, is a Navy pharmacist and is stationed at Great Lakes, Ill.

Clarkston Girl Scouts Get Ready for Camp

The Clarkston Girl Scouts are looking forward to a wonderful time at Camp. They will camp this year at the Ortonville State Park from July 21st to July 28th. They will arrive there in the afternoon and their first meal, dinner, will be served that night. Mrs. W. S. Barrows, scout leader, will be in charge and she will be assisted by Mrs. Gaber, a registered nurse from Detroit who will administer to any ills, bumps, bruises, etc.

Each scout will provide her own cot, bedding, towels and silverware. She will pay a camp fee of \$5 and she will be allowed a dollar for spending money. She must wear clothes suitable for sports and for hiking and must see that her scout uniform is in order to wear to church service. She must also present to the scout leader a letter from her mother, father or guardian saying that they have given their consent to her attending scout camp. Then too, each scout must take along her ration book.

Since attending camp last year the girl scouts have earned enough money to have a treasury and this year they will enjoy using their own dishes. They have purchased a set to take care of twenty people. The Clarkston Girl Scout troop is one of three self-supporting troops in the county.

The day before they close Camp they are going to celebrate by having as their guests the Brownie troop and their parents. The Brownies will go to the Camp in the afternoon of the 27th for a good time and about six o'clock the parents will arrive in time for a pot-luck dinner. The girl scouts will provide the meat for the dinner. In the evening there will be a program at which time merit badges will be presented.

County Agr. Agent In New Quarters

Action by the County Board of Auditors and the Agricultural Extension Committee of the Board of Supervisors resulted in providing more suitable quarters for the County Agricultural agent, the 4-H Club leader, the Home Extension agent as well as the Emergency Farm Labor and the War Food Administration.

Effective Friday, July 7, the offices are located at 18 West Huron Street at the corner of Wayne and Huron Streets. The phone number for the County Agent and Farm Labor is Pontiac 42564 and for the 4-H Club Agent, Home Extension Agent and War Food is Pontiac 43911.

The office was first established in 1919 on the second floor of the post office building.

No Room for Complaint

He had had his troubles and his luck was bad,
His mind was dark and gloomy; his heart was sad.
He had lost some money in a deal he'd made;
Always was the loser when he made a trade.
Felt so awful sorry for his dismal plight,
As nothing ever seemed to click just right.
Just everything that happened annoyed him;
Life at best was pictured very sober, grim.
Yet, the things that most upset him were just trash
That could be bought tomorrow with only cash.
He thought that he had trouble; pity his soul,
For he'd never seen the reaper take his toll.
He never had grave sickness stalking his door;
Or ever faced the hardships that go with war.
So we shouldn't be complaining about our lot,
'Less we've lost our breeches and our health is shot.

CALLING FOLKS WHO ARE WAITING FOR TELEPHONES

Yes, even the rugged jeep is "wired for sound." Not all, but a good many of them are equipped with 2-way radio-telephone apparatus.
 In fact, there is scarcely a vehicle used by our armed forces that doesn't require some form of telephone equipment. Warships, merchant ships, submarines, tanks, planes, landing barges, reconnaissance cars — just to mention a few — place a staggering load on telephone manufacturing facilities. As a result, many requests for telephone service cannot be met without long delays. There is a large and growing waiting list.
 Orders are filled promptly for telephones essential to the war or necessary to public health, welfare or security. Other orders can be filled only as present users give up service. A uniform and fair procedure, approved by the Michigan Public Service Commission, applies to the handling of all orders.
 No one will be more pleased than we when conditions again permit us to meet every request for service, whenever and wherever wanted.
 *Upon request, we shall be glad to mail you a folder which answers questions about wartime telephone restrictions and tells how the procedure applies in different cases.

Don't keep a "snow-man" in your refrigerator—

IT COSTS YOU MONEY!

Warm weather means an added burden on your refrigerator. The hotter the weather, the harder it works to keep things cool. If you notice a "snow-man" forming inside—heavy frost on the cooling coils—it's time to get busy and defrost the refrigerator. That layer of frost is costing you money: It means that the refrigerator must work overtime to absorb heat through a blanket of frost around the cooling coils. And for economical operation, the motor should run as little as possible.

It's only human to keep "putting-off" the chore of defrosting—especially in summer, when ice cubes are in big demand and you hesitate to have your refrigerator out of commission even for a few hours. But see that it is done regularly. Do not use an ice pick or a sharp instrument to remove ice; this sometimes punctures the refrigerating coils. After defrosting, wash the whole interior (coils, shelves, trays, etc.) with lukewarm water and mild soap. Unless the motor of your refrigerator is hermetically sealed, have it oiled and inspected periodically. Remember that your refrigerator must last for the duration. Treat it accordingly! **The Detroit Edison Company.**

THE OLD JUDGE SAYS...

"Judge, I've had a lot of calls for that book you took out last week. 'Tell the Boys Back Home'. How did you like it?"

"Fine, Sarah, fine. It's just the kind of book I like to get hold of. I enjoyed every word of it. Wish I could have been along with the author myself. . . actually living with the men right on the fighting fronts. He got mighty close to them and they certainly opened up their minds and their hearts to him."

"There were lots of new things in the book I hadn't seen in any other reports from front-line writers. But there was one question the men asked the author that I have seen time and time again in these stories. That was 'Are you going to put prohibition over on our soldiers again. . . and without getting our vote?'"

"I noticed that, too, Judge, and I think the least we can do for those fighting men who are doing so much for us is to respect their wishes on that subject."

Many will be interested in knowing that on "Tag Day" for the St. Joseph's Mercy Hospital \$130.06 was the amount collected here. The committee in charge, composed of Misses Mac and Nell Barry and Mrs. Milen Vliet, wishes to thank all the workers and all the contributors. They feel that the amount was gratifying at a time when folks are called upon for so many cash contributions.

CHRISTIAN SCIENCE CHURCHES
"Life" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, July 16.
The Golden Text (I John 5:12) is: "He that hath the Son hath life; and he that hath not the Son hath not life."
Among the Bible citations is this passage (Prov. 3:12): "My son, forget not my law; but let thine heart keep my commandments: For length of days, and long life, and peace, shall they add to thee."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (246): "Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal."

WOMEN EARN WHILE THEY LEARN

a GMC War Job

The women in the picture above are learning how to rivet in a GMC war work training class. The woman on the left is finding out how easy it is to operate a rivet gun while the second woman steadies the bucking bar. This work, like the many other jobs that women can do at GMC, is very vital to the war effort, yet pleasant, clear and well-paid. Capable, courteous instructors have trained hundreds of women to do practically every factory job at GMC—assembly, arc welding, machine operating, material handling, boxing, wiring and inspecting are but a few of them. Moreover, at GMC working conditions are safe and healthful, equipment is modern and you receive hospitalization benefits plus a group insurance plan.
