CLARKSTON, MICHIGAN, FRIDAY, AUGUST 11, 1944

NUMBER 50

Farewell Sermon Last Sunday

Reverend Walter Ballagh of the Clarkston Baptist Church gave his farewell sermon Sunday afternoon at a special service, which included special music by Mr. and Mrs. Dexter Rohm of Pontiac. A short talk was presented by Mr. Rohm who has been our choir director for nearly a year, and who expects to leave for The Moody Bible Inst. in the near future. Several candidates for church membership entered the baptismal waters, and were received into church membership.

During the months of August and September the church will have candidates for each Sunday. Coming this week will be Rev. O. A. Johnson of Kewanee, Ill., who is pastor of the Covenant Tabernacle there; on the 20th Albert E. Hesketh of Elkhart, Ind., who has spent several years in the Evangelistic field; on the 27th Rev. Dale E. Oliver of Evanston, Ill., who is pastor of the Scripture League Church in Evanston. To date Sept. 3 has not been filled, but will be announced later. On the 10th of September Rev. Clyde Weigle of Williamsport, Pa., who comes from the Anthony Baptist Church of that city, will be here. Don't miss hearing any of these men, that you might select a pastor for our church.

Clarkston Locals

William Simpson has returned to his home here after spending several weeks with his son in Quebec.

Mrs. Harold Kennedy of Flint called on friends in Clarkston last Sunday.

More Gasoline Allowed Boys on Furlough

Members of the armed services will get a gallon of gasoline for each day of their leave or furlough up to 30 gallons, according to a new Office of Price Administration policy. No ration will be granted for passes, for liberties or for leaves or furloughs of less than three days, at the suggestion of the army and navy. The member of the armed services should apply for gasoline rations to the war price and rationing board having jurisdiction over the automobile he is to drive and he should present proper leave or furlough papers.

Memories

So many things can come to man. Both good and bad, in one life's span. That oft times in our life's review, We'd like to take with us a few Of pleasant things, that we've enjoyed Forgetting those that have annoyed.

Take from our memory, selfish deeds, Our blinded trust in hateful creeds; Take from us mean things we have said.

And propaganda we have read, Obliterate from memory All differences 'tween you and me.

Let us a few grand thoughts retain, Like gentle breeze and springtime rain;

Like gracious things we've said and done, And time we've taken off for fun.

Let us remember parts we've played While strolling in our life's parade.

If we'll keep locked within our breasts, The beauty in the moon's caress

Upon the waves, that dance with glee, A shimmering ecstasy, We'll hold a treasure far more rare Than costly gems found anywhere.

Our Boys and Girls In The Service

Cpl Marian Yost of the Wacs has returned to her duties in Washington, D. C. after enjoying a short furlough at her home here.

Pvt Robert C. Johnson is spending a short furlough from Camp Barkeley, Texas, with his parents, Mr. and Mrs. Clarence Johnson.

Stanley L. Ash, S2/c, has completed his boot training at Great Lakes and is enjoying a furlough with his wife and son, Gary Lee, his parents, Mr. and Mrs. Walter Ash and other relatives.

Pfc Richard (Dick) E. Masters left today for his station at the Kingman Air Field, Kingman, Ariz., where he is an instructor of physical training after enjoying a furlough with his parents, Mr. and Mrs. Leland E. Masters, and his brother and sister. Dick has been in service for over a year. His sister, Lieut. Ruth Masters, is a nurse on duty in Normandy and he has a brother serving with the Marines.

Pvt Beryl Baumgartner, a former Clarkston High School teacher, is in training with the Wacs in Georgia. She has just completed her basic training. She would appreciate hearing from some of her Clarkston friends. Her address is:

Pvt. Beryl E. Baumgartner
A608510 W.A.C., Co. 7, 20th Regt.
Ft. Oglethorpe, Ga.

Fort Knox, Ky.—(Special)—Intent upon mastering the mysteries of operating a radio set from rumbling, rolling tanks and half-tracks, a new class of enlisted men had reported today to the Armored School Communication Department.

Among the soldier students was Private Gordon A. Kelley, husband of Mrs. Margaret Kelley, 9875 Ortonville Road, Clarkston, Mich.

The School trains annually thousands of officers and enlisted technicians for the nation's mobile, powerful armored divisions and separate tank battalions. Commandant of the school is Brig. Gen. P. M. Robinett. The Communication Department is one of eight in the school.

A NINTH AIR FORCE SERVICE COMMAND UNIT, EUROPEAN THEATER OF OPERATIONS—The promotion of Les Vliet of Clarkston, Michigan, from the grade of corporal to that of sergeant has been announced by the headquarters of the unit to which he is attached.

Sergeant Vliet, a supply sergeant, is the son of Mr. and Mrs. R. T. Vliet of Clarkston. He was graduated from Clarkston High School with the class of 1938.

Prior to entering the service on August 25, 1942, Sergeant Vliet was employed by the Yellow Truck and Coach Company, Pontiac, Michigan.

Sergeant Vliet's unit is part of the IX Air Force Service Command now playing a vital role in the liberation of Europe.

SHEEPSHEAD BAY, N. Y.—Now in training at the U. S. Maritime Service Training Station, Sheepshead Bay, N. Y., is Norman K. Thompson, 16, of 62 S. Holcomb, Clarkston, Mich. Before enrolling he was a feed mill worker.

Apprentice Seaman Thompson will receive six weeks of basic training, including lifeboat work, fire fighting, breeches buoy, mess, sea rules and traditions, swimming, ship construction and equipment, gunnery and physical training.

After completing "boot" training he may enter deck or engine training, including three weeks of practical experience aboard a training ship at sea, or he may apply for one of the specialized schools of training.

Dear Mr. Stamp:

I think it is about time I dropped you a few lines to thank you for sending me the News. I certainly do enjoy getting the home town paper. I read every article in it, and then pass it around to the other fellows who also enjoy it very much. There are a few fellows here who used to live near Clarkston.

I finish boot training the 22nd of August. And I am going to try to find a few minutes to drop in and see you.

From all reports the boys over in Europe are doing a first rate job of licking the Germans. This mess certainly can't last much longer over there.

Well I must sign off for now Mr. Stamp. And thanks again for the paper.

Very sincerely,
J. D. Powell.
July 24-44

Dear Mr. Stamp—
I received an issue of February's paper. It seemed good to read the old hometown paper again. I guess Clarkston is still rolling along. I can hardly remember how the town was arranged. Perhaps before too long all

Service Mothers Meet Thursday, August 17

Mrs. Ellis Boice
Will Be the Hostess

The Clarkston Service Mothers will meet Thursday, August 17th, at the home of Mrs. Ellis Boice, 10465 Reese Road. There will be a pot-luck luncheon at 12:30 and members are asked to furnish their own table service and one dish to pass.

A business meeting will follow the luncheon and the newly elected officers will be in charge. Transportation may be arranged by calling Mrs. Clifford Bennett, phone Clarkston 4171.

Clarkston Locals

Mr. and Mrs. Manley Walter and daughter returned to their home in Berea, Ohio, after enjoying a vacation in Clarkston with his mother, Mrs. L. F. Walter and other relatives and friends.

Richard Huttenlocher, son of Mr. and Mrs. H. W. Huttenlocher and Billy Dunston, son of Mr. and Mrs. William Dunston, celebrated their birthdays last Friday with a number of their little friends at the Huttenlocher home.

Billy Kanold, son of Mr. and Mrs. Paul Kanold, returned to his home in Franklin Village after enjoying a visit in Clarkston at the home of Mr. and Mrs. Henry Woolfenden while his friend, Spenceley Butters, was vacationing here from Norwich, N. Y. Mrs. Butters and Spenceley left for their home in Norwich on Thursday.

the other fellows and myself can return back to our homes and the people we love. First I guess we will have to wipe out the people who disturbed us. Home seems like a dream now—something in the past. It seems funny when you stop to think how far you are actually away from it.

Well I guess this is all. Thanks for the paper.

Sincerely yours
Lyle F. Wiechert
July 28-44

Dear Mr. Stamp—

I am very sorry that I haven't written to you sooner. I wish to thank you very much for sending me the Clarkston News every week. I enjoy reading the paper very much and am always waiting for it to reach me. It takes a long time to get to class mail to get out here. I have been all over the Pacific since I have been out here and have seen quite a bit of action. The worst part of being out here is that it is very hot most of the time. When I get back to Clarkston I will think it is very cool in the hottest part of the summer.

I have a nice tan from being out in the sun so much. We have a rest period every morning and we can go top side with our swimming trunks on or you can sleep in your bunk. I haven't seen any women in seven months and I don't expect to see any for seven more.

I wish to thank you again for the paper. Will close now.

As ever
Alvin A. Beardslee, Plc
The following letter was received from Clifford Bennett by his mother after not hearing from him for many months.

July 17, 1944.
Saipan.

Dearest Mother—

2 letters from home today (July 3 & 7) that's real mail service is it not? I guess you got my V mail and I do realize how relieved you were, after not hearing from me for so long a time. You ask if when I do not write, do I get your letters? Yes! I do get the mail just the same, and I look each day for a letter from home. I am not able to tell you very much except that I am O.K. and it's war and that tells you a lot.

You wonder if it's as hot here, as there. Yes; I do think it is very much. I haven't seen a climate on any of these islands so far that satisfies me and my desire for good old Michigan.

I received the pictures you sent of Carmen and Jean Louise in their wedding gowns. It sure will be swell when I can come home again and see all those nice things on that side of life, now that I have seen and been on this side. I will have to learn how to really live again.

We are having our rainy season now, and last night we had our hardest rain so far.

There isn't much more that I can tell you. I hope you are well and keep well and keep writing often. When you write to the boys give them all my very best wishes. I keep in touch with all of them through you. Thanks to you Mom.

So until another time,
Love,
Cliff.

Waterford Community Activities News

The Community Activities Incorporated really was born in the minds of the group of Waterford women known as the Women's Community Club, when they realized that a Community center was badly needed for all groups and ages. This group discussed locations, transportation, and means at several of their meetings which were being held in the homes each month. Finally, the group decided that there were many possibilities in the building and grounds which was known as the McCorney Horse Market located at 5660 Williams Lake Road. Several men also looked the place over and could also see the same dream which the ladies had seen. On Monday, February 28, a general meeting was called at the village school for the purpose of organizing and electing officers. It was also seen by the ladies that it was necessary to enlist the help of the men of the community, so, at this first meeting a new Club was organized which included both men and women who were interested in such a project. They also discussed and explained the possibilities of the building on the Williams Lake Road and voted to undertake buying it. The Women's Club and the O.D.O. Club, which is a small club in conjunction with the Women's Club, had \$1,000, which they could place as a down payment on the original price of \$8,500. The down payment was earned by the ladies having penny suppers, ice cream socials, contests, luncheons, etc. The officers elected were George Kimball Jr., president; Helen Sanford, secretary; Mrs. Ernest Stevens, vice president, and William Jacober, treasurer. The Board of directors includes Mrs. Stevens, Mrs. Sanford, and Mr. Jacober for a term of three years; Lloyd Gidley, Mr. Kimball, and Mrs. Earl Schwalm for a term of two years; and Mrs. P. L. McLaughlin, Al Kray, and James Sutton Sr. for a term of one year. A constitution and a set of by-laws were drawn up and adopted by the group.

Several committees were named and include a membership committee with Al Kray as chairman. All members are invited to bring in new members. The membership fee is \$5.00 a year per family. The financial committee includes John Myers, Harry Harrup, P. L. McLaughlin, Jack Hall, Al Kray, Henri Puck, William Jacober, Lloyd Gidley, E. W. Riddinger, James Sutton, Clifford Wood, Earl West, Thomas Corbin, Claude Hoedley, Andy Adams, J. C. Covert, Dr. M. Jones, George W. King, O. L. Seigman, and George Kimball. This committee really set out for big things, and gained them, when they pledged themselves to get one hundred persons to loan, without interest, seventy five dollars each, to be used to pay off the \$7,500, owing on the property after the down payment was made. The one hundred loaners will be paid off as their names are drawn at meetings of the same group which is known as the Century Club. At one meeting of the Community Activities Incorporated it was voted to leave a sinking fund of \$375 at all times in case any of the Century Club needed his loan immediately for an emergency.

The Building-Planning committee includes Eugene Cleland, Lyman Grist Sr., Cleve Chamberlain, James Stites, Lloyd Gidley, George Delap, George Carter, George Hill, A. T. Williams, Earl Wilcox, A. L. Adams, and George Brinker.

The Men's Clean-up committee includes Earl Wilcox, James Lamberston, Harry Harrup, James Simmons, James Stites, Lloyd Gidley, George Attwater, Joseph Helman and W. K. Ryan.

The House Committee includes Mrs. Earl Schwalm, Mrs. P. L. McLaughlin, Mrs. Ernest Stevens, Mrs. Marvin O'Neil and Mrs. Harry Harrup.

The Program Activities Promotion Committee includes Mr. and Mrs. O. L. Seigman, Mr. and Mrs. Henri Buck, Mr. and Mrs. Kenneth McVittie, Mr. and Mrs. Eugene Cleland, Mr. and Mrs. Clifford Wood, Mr. and Mrs. P. L. McLaughlin, Mr. and Mrs. James Sutton, Mr. and Mrs. Ralph Vogel, Mary Buck, Marjorie Anderson, Grace Stevens, James Sutton Jr., Audrey Wood, and Buddy Kratt.

Ralph Vogel is chairman of the grounds committee and Mrs. J. H. Helman is publicity chairman.

The first regular monthly meeting of the Community Activities was held on April 13 at 5660 Williams Lake Road in the room which had been used as an office by the previous firms. A group of ladies had worked diligently to make the room presentable and had set Wednesdays aside as a Work Day each week to get as much done as possible. There was a great deal of hard work to be done and in many instances the men had to come to the rescue. The men also have set aside at least one evening a

4H Clubs Prepare For County Fair

Event to Take Place
Next Thursday and Friday

4-H Club members will exhibit the result of their summer project work in livestock, gardens, crops, flowers, food preservation, and food preparation on August 17 and 18 at the 4-H Farm.

Miss Beatrice Boyle, Assistant State Club Leader, M. S. C., will judge the food preparation and preservation exhibits, conduct the judging schools and demonstrations.

Mr. Vern Freeman, Assistant State Club Leader, M. S. C., will judge the livestock. Mr. Earl Bjornseth, Assistant Co. Ag. Agent, at the Western Market, Detroit, will judge garden exhibits. Mr. Frank Williamson, Pontiac, will judge the poultry exhibits.

Those in charge are—Dairy, Bob Porritt; beef, colt and swine, Dick Fuller; sheep, Robert Hubbard; poultry and rabbits, Betty Siebelkorn; garden, Harry Jones; food preservation, Mary Edgar; food preparation, Lucille McDaniel; refreshment stand, Bill Porritt.

Club members will bring in exhibits Thursday morning, Aug. 17. All exhibits should be in place by 11:00 a. m. Judging will start at 2:00 p. m., except for the food exhibits which will be judged at 11:00 a. m. Livestock members will show their own animals.

Two demonstrations will be given on canning, by Mary Jo Pettengill and Marian Emery, of Clarkston, and by Mary Lou Lahring and Marjorie Johnson, of Holly. A Drayton Plains Club team, Mary Jane Lewis and Lucille Hangee, will demonstrate "Ways to Use Eggs."

Among the prizes this year will be special prizes from the Jersey and Guernsey Association and the Holstein-Friesian Association for showmanship and from the Pontiac Kiwanis Club for demonstration.

The local 4H Club will have exhibits in every group except the colt and swine.

Friday, August 18, is the big day when parents and friends, 4-H members and leaders are urged to spend the day. There is plenty of space at the farm for picnics. Everyone must bring their own lunches.

The afternoon program at 2:00, closes the Exposition. It will open with the flag being raised on the flag pole, which will be dedicated to 4-H members in the Armed Forces and a Service Flag put up.

Sears Roebuck Garden and Canning awards will be made and the livestock parade complete the program.

CHRISTIAN SCIENCE CHURCHES

"Soul" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 13.

The Golden Text (Psalms 62:5) is: "My soul, wait thou only upon God; for my expectation is from him."

Among the Bible citations is this passage (Psalms 143:8): "Cause me to hear thy loving-kindness in the morning; for in thee do I trust; cause me to know the way wherein I should walk; for I lift up my soul unto thee."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (808): "The Soul-inspired patriarchs heard the voice of Truth, and talked with God as consciously as man talks with a man."

How to Send Mail To Boys in Service

P. O. Department Issues
Instructions in Time to
Facilitate Holiday Deliveries

"Save strong string and box material and start to plan shopping," Postmaster General Frank C. Walker advises Americans in announcing the rules for mailing of Christmas gifts for Army and Navy personnel overseas.

This year the Christmas mailing period for both Army and Navy overseas forces is the same—September 15 to October 15. After October 15 no gift parcel may be mailed to a soldier without the presentation of a written request from him.

The great demands upon shipping and the need for giving preference to arms, munitions, medicine and food is the prime reason for the early mailing date. Moreover, gift parcels must travel great distances to reach Army and Navy personnel who are located at remote points, and frequently the transfer of large numbers to new stations necessitates forwarding of the packages and additional time is required.

"I know that our people will observe the overseas mailing schedule once more this year," Mr. Walker said, "but I do wish to stress this fact: More care must be taken in wrapping and packing parcels securely and addressing them clearly and correctly."

"It is not a pleasant thing to visit a postal concentration center and see the numbers of Christmas parcels which will never reach servicemen and servicewomen. Post office personnel have orders to do everything they can to effect delivery of such gifts, because we know how important they are for the happiness of the armed forces. Too frequently, nothing can be done."

"I am sorry that anyone ever mentioned that the size of a shoe box is the approximate limit for packages intended for gift mailings overseas. Unhappily many people became convinced that a shoe box is the best possible container. We must be mindful that these gifts must travel far, with shipping space crowded. If the gifts are to be protected in transit they must be packed in boxes made of metal, wood, solid fiberboard, or strong double-faced corrugated fiberboard, reinforced with strong gummed paper tape or tied with strong twine. If both tape and strong twine are used, so much the better. If the outer wrapper is crushed—and this is likely to happen—the loss of contents may be prevented if fiberboard boxes are wrapped in heavy paper."

"We were unable to deliver many parcels which families and friends sent to men and women overseas last year because they were crushed in transit and the gift and the outside wrapper became separated. We would have been able to make delivery if the address had been shown on the inside wrapper. We advise that everyone write the address of the sender and addressee inside the package as well as outside.

"Christmas gifts mean much to our people overseas. Because strong twine, heavy paper and boxes and fiberboard will prove of real help in making delivery of gifts possible I urge those at home to begin saving these materials now. As time goes on they are going to become even more scarce than they are now."

Among the more important rules for Christmas mailings to the armed forces overseas are the following:

The parcel must not exceed five pounds, and must not be more than 15 inches in length or 36 inches in length and girth combined. It should be marked "Christmas parcel" so that it may be given special attention to assure its arrival before December 25.

Not more than one parcel may be mailed in any one week to the same member of the armed forces by or in behalf of the same mailer.

When combination packages are made up of such items as miscellaneous toilet articles, hard candies, soaps, etc., the contents should be

means committee of the Women's
Community Club with a luncheon at 1
o'clock on Monday at her home.

There will be a dancing party for
the older folks of the community at
the Community Activities Clubhouse
on Saturday night from 9 to 12.

Pattie Maxwell and Noreen Goll
have returned home from the Mara-
natha Bible school near Muskegon.

At the meeting of officers and
teachers of the Community Sunday
School on Thursday evening, plans
were made for a teachers' training
class.

Fifteen members of the Ladies'
Auxiliary met at the home of Mrs.
William Hunt on Thursday of last
week for a pot luck luncheon. Mrs.
James Saylor and Mrs. Louis Dorman
assisted Mrs. Hunt. The September
meeting will be held at the home of
Mrs. John Miller. Each member is
asked to bring a guest.

Twenty-two members of the Adult
Bible Class met on Tuesday evening
at the Community Church with Mr.
and Mrs. Charles Maxwell as hosts.
Mrs. Frank Schultz was named chair-
man of arrangements for the next
three months. A sum of money was
voted to be used at the Patterson St.
Mission in Pontiac. The September
meeting will be at the home of Mr.
and Mrs. Arthur Davis with Mrs.
John Watchpocket assisting.

THE CLUE OF THE TALKING DOG
Set upon in the lonely woods, the
wonder dog who could talk was un-
able to save his crippled master. But
10 years later his surprise court-
room testimony helped convict the
killers. Read about this unique case
in The American Weekly with this

vice of our country a year's member-
ship free when he or she returns
home.

Many different kinds of activities
have taken place at the Club house
since the first meeting there. The
Women's Club holds its regular
monthly meetings there, the O.D.O.
(don't ask us what those letters
mean) Club also meets there regular-
ly. On Sunday morning the front
room is converted into a church where
Lutheran Services are held and are
open to anyone wishing to attend at
9:00 and for Sunday School at 10:00.
There have been birthday parties,
farewell parties for boys going into
service, stork showers, Bingo parties,
dances, all games nights, Teas, Com-
munity Sings, co-operative suppers,
and penny suppers, dance recital, and
a Pet and Doll Parade held at the
Club house. There is also to be an
Auxiliary of the Community Activities
and a Junior division.

The last regular meeting of the
Club was held last night (Thursday)
at which time the plans were to make
the final payment on the property in
exchange for the deed. Final plans
were also to be made for a financial
campaign to be adopted. Money is to
be raised to pay back the seventy-
five dollar loans which the Century
Club so generously loaned.

THINK

For A Moment

Just as night follows the day, so un-
employment and hard times will come
when this war is over. What can you
do to lessen the shock?

Avoid unnecessary spending. Begin
immediately to build up a reserve in
savings and get the members of your
family to do likewise.

By strengthening personal defenses we
can buttress our nation against the ad-
justment that has never failed to come
after war. You and your family are
cordially invited to use the friendly
help of

Clarkston State Bank
Clarkston, Mich.Member Federal Deposit
Insurance CorporationMember Federal Reserve
System

Timely items concerning your electric
service, suggestions about cooking,
lighting and appliances, and many other
things of interest and value will appear
from time to time in "Edison Lines."
Make "Edison Lines" a reading habit!

HEATING INSIDE OUT . . . To most of us, heat is heat
— but not to the scientist. To him, heat has a wave
length—either "short" or "long." And, like a tailor
measuring a pair of pants, the scientist can choose the
wave length best suited for a certain job. For example,
by using the proper wave length, the scientist can
heat things from the inside out. Some startling war
production jobs have been done in this way. Making
heat do new jobs is only one of many important proj-
ects under way in our research laboratory.

TASTY SUMMER TREAT . . . Here's a nourishing salad
the whole family will like.

Macaroni Salad
1/4 cup French dressing 1 onion, minced
1/4 pound elbow macaroni, cooked 1/4 cup pickle relish or sweet
1 cup diced celery pickles
1 green pepper, chopped 3 hard-cooked eggs
Salt and pepper Mayonnaise

Add French dressing to macaroni while still slightly warm.
Let stand until cool. Add celery, green pepper, onion,
relish, and two of the eggs, sliced. Mix lightly with mayon-
naise enough to moisten (1/4-1/2 cup). Season with salt and
pepper. Pack in paper container, garnish with sliced hard-
cooked egg, and chill. Serves from five to six.

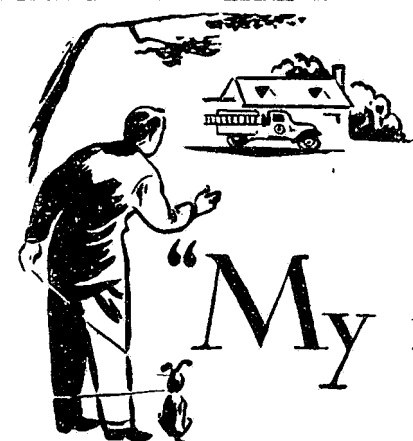

NEWCOMERS TO MICHIGAN . . . If you have re-
cently moved into this area, you may not know about
the special services we provide for our residence cus-
tomers—especially our lamp bulb replacement service.
You simply exchange your burned-out lamps for new
ones—larger or smaller—at any Detroit Edison office,
without added charge. We will repair your electric
toaster, iron and other small appliances with no extra
charge except for necessary parts.

BUY 'EM AND HOLD 'EM . . . A War Bond is like
captured territory—it's not much good unless you
keep it! Although we are a whole year nearer victory
than we were in 1943, we dare not slacken our pace on
the fighting front or the home front. Our men across
the seas are doing their job; we at home must do ours.
Buy War Bonds . . . and keep them!

—The Detroit Edison Co.

“My neighbor on the
next street had a telephone
installed. Why did he
get one before me?”

Possibly your neighbor is a person to
whom a telephone is essential in perform-
ance of important war duties, or for public
health, welfare or security. Such orders
come first today, and are filled promptly.

Or he may have moved from elsewhere
in the same exchange or an adjacent one
where he already had service. Or, it may
be that your neighbor ordered a telephone
before you did, in which case it's only right
that he should have the preference. Such
orders can be installed only as present

users give up service. In handling them,
we follow a uniform and fair procedure
provided for in orders of the War Pro-
duction Board and in tariffs filed with the
proper regulatory bodies.

Problems like this are unavoidable in
wartime, when the armed forces need al-
most all the telephone and other com-
munications equipment that can be
manufactured. We, too, will be glad when
we again can supply all the service every-
body needs—immediately.

Drayton Plains

Frederick F. Marvin
Frederick F. Marvin of 4186 Dixie Highway, Drayton Plains, passed away in Goodrich Hospital last Saturday night after a week's illness. Mr. Marvin was the son of Mr. and Mrs. John H. Marvin of Bird Road and was born at Oil Springs, Ont., July 31, 1895. He was married in 1925 to Grace Reese in Pontiac, Mich. For the past twenty-five years he has been inspector at the GMC, Pontiac Motor division. Surviving are his widow; a daughter, Loraine Marvin, at home; a stepson, William Jones of Clarkston; his parents, of Clarkston, and four sisters, Mrs. John A. Morley and Mrs. Ralph McCann, both of Clarkston, Mrs. Edwin Kaiser of Detroit and Mrs. John Wotling of Carleton. Funeral was held at 2:30 last Tuesday afternoon at the Ogden-Kennedy Funeral home with burial in the Lakeview cemetery, Clarkston.

Mrs. William (Martha) Collins, of Minnesota, surprised her brother, Adam Solomon, last week with a visit. They had not seen each other for twenty-five years. On Wednesday Mr. Solomon and Mrs. Collins went to Toledo, Ohio, to see another brother, Joseph Solomon, who came back with them and stayed the rest of the week. His daughter, Mary, also came back and will stay several weeks.

Fifteen Girl Scouts and their leader, Mrs. Kenneth See, left last Monday morning for a week's camping at Ortonville State Park.

Mrs. Elsie Thrasher was called to St. Johns last week by the illness of her aunt.

Miss Mary Solomon is visiting Miss Marjorie Thrasher this week while her cousin, MaryDean Solomon, is away at the Girl Scout Camp.

Mr. and Mrs. Louis Stein of Norfolk, Va., are guests of Mr. and Mrs. Edward Meldrum this week.

Mr. and Mrs. Forest Gordon of Mt.

Brydges, Ont., spent the weekend with Mr. and Mrs. Ransom Robb and Mrs. Lois Barnard and family on Seeley Ave.

Miss Beverly Shea, of Toronto, Ontario, and Miss Betty Snowden, of Bowmanville, Ontario, were guests of Mr. and Mrs. Wesley Graham of Williams Lake.

Mrs. J. R. Berryman and daughter left last Wednesday for R. I. where they will visit friends and relatives.

Mrs. A. T. Stewart was a guest of Misses Ada and Jessie Roe at Northville, Mich., and Mrs. Charles Williams and daughter, Carolyn, and Mrs. Grace Barnhart were guests of Mr. and Mrs. Dean Griswold at Northville last Thursday.

Mrs. Oscar Ream and daughters, Ruth and Kathleen, and Mrs. Elmer Bowdway and daughter, Barbara, have returned from a week spent at Traverse City.

The P. T. A. Mother Singers will hold a cooperative dinner and picnic at the home of Mrs. Frank (Ruby) Walters at Lake Orion on Wednesday, August 16th. Please bring table service, sandwiches and one other dish.

Miss Shirley Bautin returned last Monday from Saginaw after spending the week with friends.

Mr. and Mrs. Harry Richardson and family have returned from a trip to Windsor, Ont.

Mrs. Mertie Strong and Mrs. Grace Barnhart spent last Sunday in Detroit and attended the services at the Ethel Willetts Tabernacle.

Mr. and Mrs. Roy Tewilliger of Birmingham were guests of Mrs. Martha Tewilliger on Dixie Highway, Monday evening.

Mrs. Clyde Harmon is recovering from a recent major operation.

Born to Mr. and Mrs. Theron Stickle, Sashabaw Rd., a daughter, Sharon Lee, July 20, in a hospital in Almont, Mich.

Mrs. Gordon Smith left last Saturday noon for Chicago where she spent thirty-two hours leave with her husband F. C. Gordon N. V. Smith, who is stationed at an engineering service school at Great Lakes, Ill.

Miss Katherine Jones and Richard Smith left last Thursday evening for the New Wilmington Missionary Conference being held at Wilmington, Penn. They will return on Sunday.

Misses Ma Mae Bailey and Marjorie Thrasher entertained last Tuesday evening at the Bailey home in honor of Miss Josephine Prunty's sixteenth birthday. Fourteen guests were present and a good time was had. Josephine received some lovely gifts. Games were played during the evening. Refreshments were served.

LEGAL NOTICES

ESTES & COONEY, Attorneys, 812 Peoples State Bldg., Pontiac, Mich.

STATE OF MICHIGAN—The Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County on the 2nd day of August, A. D. 1944.

Present: Hon. ARTHUR E. MOORE Judge of Probate.

In the Matter of the Estate of Mary Loge, Deceased.

Edna Curtis having filed in said court a petition praying that the administration of said estate be granted to Roy A. Pammenter or to some other suitable person.

It is Ordered, That the 11th day of September, A. D. 1944, at nine o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Clarkston News, a newspaper, printed and circulated in said County.

THE OLD JUDGE SAYS...

"Good morning, Doc. Your good wife tells me you're working night and day now that so many of the younger doctors are in the army."

"That's right, Judge, and I'm glad I'm still able to do it. Had a long letter from Harry... that bright young fellow I was breakin' in to take over my practice. He said the boys in the service are getting the best medical care of any armed force in our history. They really should with all those brilliant doctors and plenty of supplies to work with."

"Speaking of supplies, Doc, not many

people realize that a large part of the alcohol required to make the medical supplies that are being used right this minute to alleviate pain, combat infection and save human lives, is produced by the beverage distilling industry. For nearly two years this entire industry has been working night and day producing nothing but alcohol for the government's program."

"Nobody knows better than I, Judge, what an important contribution to our war effort that has been."

SERVICEMEN'S MAIL

(Continued from page one)
tightly packed so that they will not become loosened in transit and damage the contents or the cover. Hard candies, nuts, caramels (including those covered with chocolate), cookies, fruit cake, and chocolate bars individually wrapped in waxed paper should be enclosed in inner boxes of wood, metal, or cardboard.
Perishable goods, such as fruits and vegetables that may spoil, are prohibited. Intoxicants, inflammable materials such as matches or lighter fluids, poisons, and anything that may damage other mail also are prohibited. Gifts enclosed in glass should be substantially packed to avoid breakage. Sharp instruments, such as razors and knives, must have their edges and points protected so that they cannot cut through the coverings and injure postal personnel or damage other packages.
Relatives and friends who know that the personnel in the armed ser-

vices to whom they plan to send gifts are at far distant points should begin to mail their packages on the opening day—September 15—of the mailing period. Last year late mailings, causing concentration of great numbers of packages in the final days of the mailing period, threatened to defeat the program. It is stressed that success can be assured, with the limited personnel and facilities available, only if the public gives full cooperation through prompt mailings of the overseas gift parcels from the opening of the mailing period.

Prentiss M. Brown Makes Statement

Prentiss M. Brown, Chairman of the Board of Detroit Edison, made the following statement regarding the Edison rate case:

"The temporary earnings of corporations due to war activity which the Congress takes to feed, equip and supply weapons to our soldiers and sailors, have long been a temptation to our local taxing authorities.

Two attempts have been made by the City to capture these so-called excess profits taxes from The Detroit Edison Company. One is by a rate reduction, the other by a tax known as an excise tax, designed to take these profits (85 1/2% of which go to the Federal Government). Heretofore the Michigan Public Service Commission allowed taxes as an expense of doing business.

Neither the ratepayers nor the City can get this federal money without taking from Edison a part of the funds we desire to retain to carry us over the postwar period of adjustment. This is a serious concern to our Company, our employees and our customers.

As it now stands by reason of the Commission's decision, the City and the ratepayers both take the money, some ten million dollars each unless the City tax is declared invalid. The Commission must have assumed the tax was invalid. We do not know what the Courts will do with it.

Simply stated, we have this: one million dollars and there are three claimants for it—the ratepayers, the City and the Federal Government. If the ratepayers get it or the City gets it, the Federal Government will not. But although there is only one ten million dollars as it now stands, the ratepayers get it as a refund and the City demands it by an excise tax. This is an intolerable situation and Detroit Edison will use every means to prevent this injury to its property and consequent damage to its service to customers.

The authorities speak of this Federal tax as an available tax. We do not think that sound logic. We need and need badly the 1-7 of our profits—we are permitted to keep. We know of no way to get the money necessary to run our business and pay our investors by avoiding Federal taxes. In the first place somebody has to pay for the war and, second, neither the City, the Commission, nor the Courts can take the 6-7 of these profits that go to the Federal Government without taking the 1-7 that was to be left to us and which Congress decided we were entitled to keep and use for the uncertain postwar period.

We are confident that the Commission (which originally held our rates to be fair and all taxes a proper deduction as an expense), our customers and the general public will eventually see the justice of our position and enable us to continue the service we have always rendered."
