Organization service of the Lutheran Church was attended by 140 persons on Sunday morning in the Community Activities building. Student pastor Marvin Palmquist, who worked in this field during the Summer months and is now attending Augustana Seminary in Rock Island, Ill., conducted the liturgy. Rev. Milton Lindahl baptized eleven people who have been attending instruction classes. They were Donald and Barbara Beedle and Mrs. Emery Beedle, Dale and Kitty Lou McLaughlin, Ruth and Harold Wood, Marjory and Donald Anderson, Glenn Terry and Lillian McMurray.

Confirmation services were held for this group and Martha Davison, Helmut Engler, Emery Beedle, Mrs. Glenn Terry, Audrey Wood, Clifford Wood, Mr. and Mrs. Lloyd Gidley, Mr. and Mrs. James Lambertson, Mrs. P. L. McLaughlin and Mrs. Earl Schwalm. Those joining by letter from other Lutheran churches included Mr. and Mrs. August Jacober, Mr. and Mrs. Joseph Helman, Mrs. Leona McCaffrey, JoAnn and Jack McCaffrey, Kenneth Craft, Mr. and Mrs. Carl Zander, Ann Zander, Mr. and Mrs. Leonard Roebke, Mr. and Mrs. Frank Schlutow, Mrs. Clifford Wood, Mr. and Mrs. Walter Roesel, Mr. and Mrs. James Meyer, Mr. and Mrs. Arthur Schott and Mr. and Mrs. Sanford Weyer.

Regional home mission director, Rev. Theodore Matson had charge of the morning service.

The first congregational meeting of this group was held in the Waterford village school on Monday evening with twenty-seven members present. "Christ Lutheran Church" was the name chosen. The officers elected were Audrey Wood, secretary; James Lambertson, superintendent of the Sunday school; board of deacons: Joseph Helman, 3 year term; Glenn Terry, 2 year term; James Lambertson, 1 year term; board of trustees: Frank Schlutow, 3 years; Arthur Schott, 2 years; Clifford Wood, 1 year.

The nominating committee for the next annual meeting is Mrs. Leona McCaffrey, Mrs. Lillian McMurray and Walter Roesel.

James Weyer was elected as a delegate to the annual church conference meeting and Mrs. Lloyd Gidley to attend the annual district meeting. Rev. Lindahl who has been pastor, was asked to act as vice-pastor until a permanent pastor is sent by the Home Mission Board.

It was voted to begin the fiscal year Oct. 1st and the annual meeting to be held the second Tuesday in October. The by-laws and constitution for this synod was read and explained by Rev. Lindahl and Rev. Matson, and were accepted. The first holy communion will be held Sunday morning.

A party for the young people group of the Community Church was held on Monday evening in the church parlors with Ethel Day and Mrs. Stephen Photoplace in charge.

A party for the younger children will be held Friday evening in the church parlors with Mrs. Wright Van Plew and Betty Jenks in charge.

The Ladies' Auxiliary of the Community Church will meet on Thursday at the home of Mrs. Jack Hall for a social at 8:00 p. m. Mrs. H. B. Mehlberg will be in charge of the meeting.

Mr. and Mrs. H. B. Mehlberg and Mrs. Fred Tuck and daughter, Barbara were weekend guests of Mr. and Mrs. Clifford McMacken of Toledo.

The Birthday Club met at the home of Mrs. John Myers on Tuesday for a pot-luck luncheon.

Robert Mehlberg, S. C. has been transferred from Norfolk, Va. to Alameda, Calif.

Jack Saylor, ARMC, has been transferred from Norfolk, Va. to Purock, Okla. He spent the weekend with his mother, Mrs. James Saylor, enroute.

The officers and teachers of the Community Sunday School will meet on Thursday evening at 8:00 at the H. B. Mehlberg home.

Mrs. Don Veckerman, who has been a guest at the home of Mrs. James Doyle for several days, returned to her home in Ionia on Sunday.

There will be a Cub Scout pack

meeting at the school on Friday evening at 8:00 p. m. All parents are urged to attend.

Rev. and Mrs. Wright Van Plew are attending a meeting of the Independent Fundamental Churches of America at Cicero, Ill., this week.

The O.D.O. Club met at the Community Activities building on Thursday with Mrs. Ed. Reiner as hostess.

Mrs. Irving Brown returned on Tuesday from Grayling where she spent a few days with relatives.

Mr. and Mrs. W. R. King celebrated their 48th wedding anniversary on Saturday, Oct. 21, by holding open house both afternoon and evening. Many friends called to congratulate them. They received many useful and beautiful gifts. They also received many cards from out-of-town friends who were unable to attend.

OAKLAND COUNTY IS Michigans 2nd Largest County And Republicans and Democrats Agree We Are Entitled To Our WELL KNOWN Clark J. ADAMS For AUDITOR GENERAL (DEMOCRATIC TICKET)

(1) Clark Adams as a Representative in the State Legislature proved his worth. Now Oakland County needs him in state government as Auditor General. Republicans and Democrats alike urge his election. He puts service to the people above politics.

(2) An Auditor General he would give Oakland County representation on Michigan's 8 man Administrative Board which decides vital state financial and other governmental policies. Oakland County needs Adams in Lansing.

(3) His real record of accomplishments in public service—his experience in government—his sincerity of purpose—his sane sound judgment and sheer straight thinking merits the united support of every voter in Oakland County.

... Timely items of interest and value... helpful suggestions about cooking, lighting and appliances.

COAL BY WATER... During June, July and August, Detroit Edison burned 715,000 tons of coal in making electricity and brought in 845,000 tons from Toledo BY BOAT. Taking advantage of water transportation during the summer months means more dependable electric service the year 'round, and relieves strain on war-burdened railroads. (We saved the railroads 210,000 car-days in 1943.) Reserve coal stocks must be maintained to insure continuous electricity supply in the face of possible emergencies. Ordering coal in summer for winter use is our long-standing practice.

You save coal, transportation and manpower when you save electricity

WHY GIVE?... "If the war will soon be over, why give to the War Chest?" many people ask. The answer is simple: The war will not soon be over. AND if it ended today, the need of the War Chest would be greater than ever. New areas formerly occupied by the enemy would be open for relief work. And war is not shut off like a faucet; long after the fighting stops, war's wounds need treatment. Our job is only half done. There's desperate need for relief in devastated countries... urgent morale problems among our men who will not return home for many months... still a war to be won against Japan. Give generously to the War Fund drive in your community.

VERSATILE PEANUTS... Our Home Service Department offers you a new taste thrill:

Peanut Butter Pie

1/2 cup peanut butter	1/2 cup sugar
1 cup boiling water	4 tablespoons flour
1 cup hot milk	3 egg yolks
	1/4 teaspoon salt

Mix the peanut butter with boiling water until smooth. Thoroughly mix sugar, flour, egg yolks and salt. To this add the hot milk. Combine with peanut butter mixture and cook on "low" heat until thickened. Cool and pour into baked pastry shell. Cover with meringue made with the egg whites. Bake for 30 minutes in a 325° F. oven.

ASHES TO CONCRETE... Nothing is wasted in the process of making electricity—not even the coal ashes. One of the uses for this ash is making a dense, strong concrete.

WHY

Thoughtful Voters of Michigan Who are Interested in Good Government and Responsible Home Rule Will Vote "NO" on Proposal No. 4 on Nov. 7.

BECAUSE

1. This Amendment DOES concern the whole state, not Wayne alone, as its sponsors contend. It is aimed at BREAKING DOWN local government. Attempts to pass a similar amendment applying to all counties were heavily defeated in 1934 and 1936. Then, two years ago the effort to take one county at a time began. Again they failed, but the defenders of local government must now rally to decisively reject this proposal for all time.

2. Proposal No. 4 would destroy the two-party system of government, as American as the Liberty Bell, by substituting "nonpartisan" candidates for county offices, all of whom would be elected AT LARGE and responsible to no group!

3. Detroit's present city and legislative officials, now elected AT LARGE, have been notoriously inefficient and corrupt. In grand jury actions one-third of the city council, the MAYOR and a host of police officers were indicted and convicted! The majority of Detroit state legislators in 1944 were indicted and convicted of graft!

4. By giving two-thirds control to Detroit, Proposal No. 4 would destroy home rule for 11 cities and 18 townships in Wayne county. Detroit's debt has soared over 1,000 per cent since 1919; Wayne county's debt, due to thrifty government, has decreased 18 per cent!

That's why the Michigan Institute for Local Government and the Committee for Representative Government join in urging you to

Vote "NO" Proposal No. 4

chicken dinner at Walt Henry's Friday, October 20th. The table extended from one end of the dining room through the living room. Mrs. Henry had a very attractive center piece which contained flowers and represented fall. Candles were evenly spaced on the table and were lighted while the dinner was served. The place cards were very appropriate for the occasion, also they had a picture of the instrument which the member played. Also present were Mr. and Mrs. Brablee and Mr. and Mrs. Thayer, served by Miss Klook and Miss Campbell. After this marvelous dinner the members of the dance band went to play for the dance.

The next dance is the "Halloween Dance" sponsored by the Sophomores. This will be a regular annual dance held on Oct. 31.

Bill Rad-ye, former leader of the dance band, was present at the dance Friday. The band was very glad to see Bill. He sat in for a few minutes

and it seemed good to have the old band together before Walt Henry left for the service.

Walt Henry left Monday, Oct. 23 for the service. Walt had been with the band since it first started and gradually worked up to first sax position. He has helped in many ways and I'm sure the band will miss Walt a lot. Walt also played in the seventh piece band, and the concert band. He has taken part in musical activities in high school and I hope he continues to do good work in the service.

That will be all, but don't forget the Hall-wen Dance and be sure to attend. Everyone is invited.

THE SUPPLY LINES**

APRIL NEWS PHOTO

**THAT'S WHY GMC NEEDS MORE MEN
TO BUILD MORE ARMY TRUCKS**

As Allied armies move closer and closer to Berlin and Tokyo, supply lines are often lengthened miles in minutes. To keep pace with the advance, food, fuel, fire-power and 699,997 other items of supply must move from beachheads to battle lines in a hurry. This tremendous task is almost entirely dependent upon hundreds of thousands of military trucks for completion. And the GMC "six-by-six"—the Army's most numerous transport truck—is doing a major part of the job. The job of building these famous trucks at GMC is a tremendous task, too! We need more men now for operating machines, assembling, material handling and many other types of work, whether or not they have had previous factory experience. Apply today at GMC Truck & Coach and help build the vehicles that deliver the goods to the Allies.

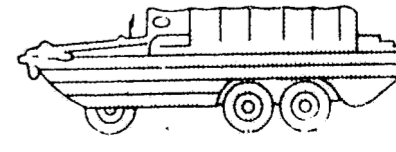

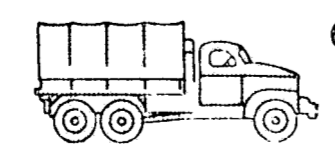

GET A WAR JOB and Stay on the Job

Victory depends on everyone, every day. Lost time puts a brake on America's final drive for Victory. Whether you're working at GMC or on some other war job, stay on it every minute. Under war conditions, this is tough—but war is never easy. Reduce absenteeism and make time work for us—not the Axis.

Community Activities

The Women's Club met at the Club house last Thursday evening with Mrs. Eugene Cleland in charge. The group voted to turn \$100 over to the Comm. Activities for immediate use. They voted to continue serving dinners to the Waterford-Drayton Rotary Club each Tuesday noon. Plans

were made to compile a recipe book with recipes from residents of Waterford township and to sell at a very reasonable price.

The group revealed their Sunshine Sisters for the past year through a general exchange of gifts. New Sunshine Sisters were drawn for the coming year.

Refreshments were served by Mrs. Lillian Wilcox, Mrs. W. K. Ryan, Mrs.

Clare Hillman, and Mrs. Silas Wells. Hostesses for the November meeting will be Mrs. Earl Schwalm, Mrs. P. L. McLaughlin, and Mrs. Marvin O'Neil.

The Women's Club is sponsoring a Halloween Party at the Club House Saturday evening for children through the sixth grade from seven o'clock until nine. This group will enjoy games and a grand march at which time there will be prizes for costumes. The Waterford school orchestra will furnish the music.

From nine until midnight will be dancing for everyone over the sixth grade and this includes adults. The Clarkston school orchestra will furnish the music. There will be a jitter bug contest as well as a grand march at which time prizes will be given for costumes.

Refreshments will be sold during the evening.

The Ladies' Auxiliary of the Community Activities, Inc. will serve refreshments at the parties held at the Club House by the Waterford Township Fire Department; the first being on November 1st.

The Ladies' Auxiliary will sponsor a dance at the Club House, Saturday, November 4th. The Community Activities Orchestra will furnish the music.

The 500 club will meet at 8:00 Monday evening at the Club house. Those interested in joining may contact Mrs. Agnes Flickinger. The Pinchle Club meets the following Monday and couples interested in joining may call Mrs. James Flickinger.

The Board of Directors of the Community Activities, Inc. will meet at the home of George Kimball November first.

The membership meeting of the Community Activities will be on Nov. 9 with a housewarming, this being the first meeting since the new rooms in the west wing have been completed. The carpenters will be out of the building this week. The furnace will be ready to operate in a very few days.

The Ladies' Auxiliary will meet at 8:00 o'clock next Thursday evening with Mrs. Ralph Vogel in charge. Last week's notice of this meeting was in error.

The Country Fair sponsored by the Waterford Center P.T.A. was well attended last Saturday evening.

It is hoped that someone has a piano available that could be used at the Club House to eliminate moving the one in the building from the East Hall to the front Reception room and back for the various gatherings.

The paper demonstration sponsored by the Women's Club last Friday afternoon at the Club House was well attended. Mrs. Marvin O'Neil gave the demonstration.

The Mothers Club met at the Club House last Thursday for a twelve o'clock co-operative luncheon. The school teachers were guests. A short business meeting was held at which time Mrs. William Stockford was elected general chairman for the year. Mrs. A. L. Adams was elected program chairman to be assisted by Mrs. Thomas Darling and Mrs. Ralph Eaton. Mrs. Harvey will be secretary and Mrs. Clarence Donhoff, treasurer. The afternoon was spent playing lunco.

Having operated his own small business and having worked his way through school, he knows the problems of the average American from personal experience. He believes in a square deal for the common people because he is one of them.

Congressman Dondero's background of legal training and years of active practice well fit him for the careful scrutiny of pending legislation and for effective work in committees.

While sometimes assailed by radical labor leaders, his record on labor legislation has been just and fair to the worker, whether organized or unorganized, and his constant objective has been to advance the worthy aims of labor to the end that all legislative gains may be truly beneficial and of a lasting character.

In Congressman Dondero the people of the 17th district have an experienced and fair-minded Representative who definitely deserves reelection on Tuesday, November 7th.

pointed out in information sent to the county agricultural agent's office. It is recognized that dairymen, if they are to continue on a more profitable basis, must be in position to meet market demands. This calls for stabilized, year-around production.

The new program will place stress on boosting production during October and November, the low producing months. One means of attaining this goal is by weeding out the old cows, and by reference to production and inheritance records culling the short-lived and unprofitable cows from the herds.

The eight points of the new program, which serve to reiterate many of the improved practices which have been encouraged in the past by Mich-

igan State college, include:

1. Grow an abundance of high-quality roughage.
2. Balance your herd with your feed supply.
3. Keep production records on each cow in your herd.
4. Practice disease-control methods.
5. Produce milk and cream of the highest quality.
6. Adopt labor saving methods.
7. Take care of your land.
8. Develop a sound breeding program.

RAY GARD PRESSURE TESTER AND INSPECTOR, METER IS SHOWN AT HIS LEFT HAND (Photo courtesy of the Hudson Motor Car Company, Detroit, Michigan)

Ordinary Gas Meter Takes the Place of \$6,000 Test Machine

When the production of pressurized cabins for the B-29 Superfortress, the Army Air Forces biggest and newest air craft, was threatened recently at the Hudson Motor Car Company, Detroit, because they were unable to obtain immediate delivery of a \$6,000 testing apparatus, an engineer with the company solved the problem by employing an ordinary gas meter. A meter similar to many in use throughout our gas properties was obtained and when it was hooked up with hose connections and recording devices, it proved so accurate that no further efforts are being made by the company to obtain the special \$6,000 machines formerly used.

Here is an excellent example of how ingenuity is saving time and money and speeding production of war materials for the Army, Navy and Air Forces.

The production methods devised by Hudson Motor Car Company engineers in building three important fuselage sections which comprise nearly half of the 98-foot length of the new Boeing B-29 Superfortresses, are being studied by Army Air Forces to speed production and reduce costs in other plants.

Dondero's Work On Committees Is Outstanding

Congressman George A. Dondero, with 12 eventful years of experience on the highly important Committee on Rivers and Harbors and the highest ranking Republican membership in the Committee on Education, again seeks reelection on the Republican ticket as Representative in Congress for the 17th Michigan District. In the event of a Republican majority in the next U. S. House of Representatives, Congressman Dondero, because of his continuous service, would be in line for a committee chairmanship.

Having been born and raised on a farm, Congressman Dondero has a knowledge of the farmers' problems. With the background of teaching in a rural school and 18 years as a member of the Royal Oak Board of Education, he is thoroughly familiar with school problems and this has contributed greatly to his fine work in the Committee on Education.

Motorists Asked To Present Record

All applicants for supplemental gasoline rations must present their mileage rationing record to their local war price and rationing board, W. E. Fitzgerald, OPA Director, reminded motorists today.

"It is apparent that many motorists have misunderstood the regulation and have applied for their 'B' and 'C' supplemental gasoline rations without a mileage rationing record. This record has been given to every 'A' book holder and must be kept for any applications for future rations," said Fitzgerald. "Boards throughout the district have had their work complicated because many applications are received without the certificate. Boards have no authority to issue supplemental gasoline rations under these circumstances, and not only is the workload at the board increased but applicants are without gasoline for a week or so until they re-apply for gasoline."

Fitzgerald pointed out that these people who had inadvertently destroyed their mileage rationing record, or who had lost them, must go to their local war price and rationing board and make application for a new record before receiving additional gasoline.

Launch a New Dairy Program

Oakland county dairy farmers will join in a state and nation-wide 8-point dairy program being launched this fall under the sponsorship of Michigan State college and the United States Department of Agriculture, according to announcement today by Karl D. Bailey, county agricultural agent.

R. E. White, of Flint, Mich., president of the Michigan Association of Ice Cream Manufacturers, will represent the dairy processing groups in the state, and A. C. Baltzer, extension dairyman, will represent Michigan State college in the work of developing the program in Michigan.

Special emphasis is to be placed on the economical production of milk during the coming years, Baltzer

Democratic Rally In Pontiac Tonight

The Honorable Henry Wallace, Vice President of the United States, will be the distinguished speaker at the Oakland County Democratic Rally in the Pontiac High School tonight, Oct. 27th, at 7 o'clock.

Candidates on the Democratic State ticket and the County candidates will be with the Vice President. Judge Patrick O'Brien of Detroit will speak on Amendment "4" which deals with the home rule for Wayne County, and how it affects the entire State.

The hostesses escorting the Vice President will be Mrs. Clark Adams and Mary Lou Berwer Miller.

A torch light parade will precede the rally.

No Gasoline For Deer Hunters

There will be no gasoline for car owners for hunting deer, officials of the O.P.A. Regional Office in Cleveland announced today.

"Patriotism should cause hunters to be more than willing to pass up hunting trips this year," said Birkett L. Williams, Regional OPA Administrator. OPA is just as anxious to do away with rationing as anyone but, first, war demands must be met. If motorists will not be co-operative voluntarily in helping to meet the war demands, OPA Enforcement officials will step in and take such actions as may be necessary to see that those demands are met.

"The National OPA Office," said Williams, "is constantly under pressure from first one section of the country and then another to make special concessions on gas rations. No one will quarrel with a man's desire to go deer hunting, but it is everyone's responsibility to recognize that the gasoline situation is still a serious problem."

The OPA pointed out that stepped-up bombing activities in both Europe and the Far East are making huge demands on our limited petroleum supplies, and if would-be hunters would bear in mind that a single aircraft carrier burns 15,000 gallons of fuel oil an hour and that a superfortress consumes as much gas in an hour as an "A" book holder gets in five years they will recognize that it is their duty not to use gasoline unnecessarily.

THE OLD JUDGE SAYS... "We can't argue with the Judge on that point, can we Mabel? It's not fair to penalize the many for the actions of the few." "That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally... 95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we? "The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do." "If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."
