One Friend To Another...

... as good a friend . . . as the good old city knew, or any other good old city, town or borough, in the good old world"—A Christmas Carol.

These words of Charles Dickens express exactly what this newspaper tries to be to the people of this community.

Because it is during the season of Christmas that the strength of friendships is most evident we choose now as the time to express our resolve to continue to be worthy of the friendship you have shown us.

In turn we wish for you the most Merry Christmas you have ever had. Despite the anxiety and worry which the war has brought to many of our homes in the past year, we urge you to remember that the bells of Christmas were ringing long before the warriors of wrong rose up and they will be ringing still when the scars of this generation's conflict are healed and forgotten.

Make faith in such thought your closest companion during this Christmas season.

Let friendship and faith then keynote our Christmas this year.

With such solid foundations our wish for you is certain to become reality—

A Merry Christmas

Community Party Saturday Night

The Christmas Party for the children in the community is being sponsored again this year by the Clarkston Rotary Club at the school tomorrow night beginning at 7:30. This is going to be a grand affair with surprises for the children. A fine program is being arranged with music, movies and a visit from Santa Claus. The parents are invited to attend with their children.

Record Price for Steer at 4-H Show

Establishing a new all-time price record, the grand champion steer at the 15th annual Michigan 4-H stock show, held in Detroit December 12-14, sold at auction for \$1,520, or \$1.60 a pound. The previous high bid was \$1,330, received several years ago.

The champion, a 950-pound Angus, was owned by Matthew Woods, Jr., of Marshall, and was bought by Standard Beef Co., of Detroit. The grand champion lamb, a 95-pound Southdown owned by Delmont Chapman, Jr., of South Rockwood, brought \$2.75 a pound. The animal was purchased by the Wolverine Packing Co., Detroit.

The 183 lambs and 140 steers entered in the show by 205 Michigan 4-H club boys and girls, went under the hammer for approximately \$30,000.

Reserve champion steer was a 920-pound Shorthorn, fed by George McLachlan, Jr., of Ewart, which sold for 52 cents a pound. Reserve champion lamb was entered by Duane Davis, of St. Johns, and sold for 60 cents a pound. Joyce Schlubatis, of Coldwater, had grand champion lamb pen, and Keith Shadley, St. Johns, had reserve champion pen.

There was one entry from Oakland County. Robert Hubbard of Clarkston exhibited a Hereford steer. When you consider that the champion Hereford steer sold for 25c a pound, Robert placed exceptionally high as his steer brought 20 1/2c.

The show is sponsored each year by the Detroit Junior Livestock Society, Inc., in cooperation with Michigan State College.

Response Appreciated

A few weeks ago the folks in this community were given the opportunity to pack Christmas boxes for hospitalized service men. These boxes are being distributed by the Red Cross. Charles Robinson was in charge of the boxes in Clarkston. He wishes to thank the Brownies, the Girl Scouts, the Cub Scouts, the Service Mothers and the individuals who donated boxes to help make our hospitalized service men just a little happier this Christmas time.

Bert Crosby Hurt In Car Accident

On Tuesday morning Mr. Bert Crosby was hurt and badly shaken up when an oil truck with trailer hit the George Perry truck in which he was sitting waiting for Mr. Perry who was in the home of his mother in Grand Blanc. Mr. Crosby was taken by surprise as both trucks were headed towards Flint. The Perry truck was hit in the rear with such force that it went head on into a power pole and cut it in two. The front part of the Perry truck was completely wrecked.

Mr. Crosby was rushed to Goodrich hospital where x-rays were taken. So far they claim there are no bones broken but other injuries have not been determined. The shock was severe. Mrs. Crosby is staying at the hospital with him. As we go to press we find that Mr. Crosby is feeling a little better.

Paper Pick-up Friday, Dec. 29

Among the Bible citations is this passage (John 1:18): "No man hath seen God at any time; the only begotten Son, which is in the bosom of the Father, he hath declared him."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (583): "Christ, the divine manifestation of God, which comes to the flesh to destroy incarnate error."

Our Boys and Girls In The Service

We wish to thank all of the boys and girls who have remembered us this Christmas time with beautiful cards. We have received them from all corners of the world. We will say to you just what you say to us many times during the year when you tell us about receiving The Clarkston News—"We do appreciate every one".

A couple of weeks ago Mr. and Mrs. John Beemer received word that their son, PFC Stanley J. Beemer, was missing in action November 15th. Stanley was with the 315th Infantry. He had been in training 3 years when he was sent overseas last June. The last word from him came from France.

PFC STANLEY J. BEEMER

Before entering the service he had been employed by the Pontiac Motor Co., for 4 years. Most everyone in the community knows Stanley as he was born in Clarkston and attended the local schools.

Lt. Arthur E. Clark is in Clarkston on a furlough visiting his parents, Mr. and Mrs. Lee M. Clark.

New Year Dance At School Dec. 30

On Saturday night, December 30th, the student council of the High School will sponsor a New Year Dance at the school from 9 until 12. Walt LaPlante's orchestra will furnish the music. The committee in charge is planning one of the best times you have ever had at a dance in Clarkston. There was a grand crowd at the dance last Saturday night and a much larger crowd is expected on Dec. 30.

Plan to have a good time in your own community.

Clarkston Goodfellows Get Over \$300

The Clarkston Rotarians were pleased with the result of their Good-fellow paper sale last Saturday. Ronald A. Walter was in charge and he greatly appreciates the work done by his fellow Rotarians and wishes to thank all those in the community who, by their generosity, made the sale a grand success. The amount taken in was a little over \$300. This money will pay the expense of the Christmas Party for the children and gifts for some children who are less fortunate than the majority.

Carolers To Meet At Methodist Church

The members of the Methodist Church Choir, Youth Fellowship and others who wish to go caroling this Sunday evening will meet at the church at 8 o'clock. The carolers are again under the direction of T. S. Boyns. It is the plan of the carolers to sing at the homes of the aged, sick and shut-in and the members of the church are asked to phone either Mr. Boyns or Mr. Saxman informing them of places where the carolers will be welcome.

The Peace of Love

Let the power of thought our message convey
To drive this grim hatred of men far away.

Let us build in our thinking thoughts of good will
That our very existence will respond to the thrill

Of doing for others when they are in need.
In tolerance and justice let us take the lead.

The peace of the future is builded today
In the thoughts of all, and the way that we pray,

We must think of the future when fighting will cease
And all of the world will be blessed with a peace

Not forced by the threat of the gun and the sword
But faith in the wisdom and strength of the Lord.

The story of Christmas should waken our soul
That planning for peace would be part of our goal.

In the lives of our children that we might instill
The love for all races of men of good will.

That they might help lift from the depths of despair
The ones who are calling for help everywhere.

If we would divert more wars and more sorrow
We'd weave threads of love in the peace of tomorrow,

We'd build it at Christmas when spirits are right
When worlds are o'er cast with a glorious light,

We'd all sign as friends when battles are won
And maintain it with love instead of a gun.

HOLLY THEATRE

With a generous sprinkling of drama, comedy and romance, Paramount's "I Love a Soldier" seems likely to fill any entertainment bill perfectly. This Mark Sandrich production arrives Sunday at the Holly Theatre.

Sandrich directs two of his "So Proudly We Hail" stars in this one, Paulette Goddard and Sonny Tufts. Previewers say this pair turn in swell performances which keep the action moving at a lively pace throughout the film. A sure-fire bet to draw audience acclaim is the veteran actor, Barry Fitzgerald, who scored the most notable triumph of his career in "Going My Way", the Bing Crosby picture. Also on hand is Beulah Bondi in an emotional role which is destined to capture the audience's fancy.

Allan Scott's screenplay deals with a returned Army hero from the South Pacific, Tufts, who meets shipyard worker Paulette, with both falling for each other at first sight. Thereafter, it becomes a duel to see whose logic is best as far as marriage is concerned. Sonny wants no waiting period while Paulette thinks it wise to hold off the wedding until the end of the war. There's a load of fun during the period Paulette ponders over her decision. She tries dating other men, one of whom is Frank Albertson, but a date with the latter convinces her even more strongly that only one man's on her mind. Sonny, incidentally, trails along on this date with some uproarious incidents taking place in an amusement park, so say the previewers.

The serious vein of the picture brings out some fine dramatic emotion by Ann Doran, young mother whose husband has gone to war. The lighter side is capably handled by Mary Treen and Walter Sande. This pair meets much in the same fashion as Paulette and Fred, but Mary and Walter get married in short order. From then on, it's a case of the tough Army sergeant becoming a hen-pecked husband.

The Oakland County Farm Bureau is making an intensive drive for new members in a campaign that was begun December 16 and will be continued up to the middle of January. It is planned to contact every farmer in the 25 townships of the county, and that means a big job for the number approximates 4,000. The work is in charge of Mr. and Mrs. James S. Mitchell Jr., and these energetic and capable young people can be relied upon to carry it to a successful conclusion.

Star Recipes From Santa Claus

By BETTY BARCLAY

Here are some special recipes from the gift bag of Santa Claus. Try them during the holiday season and you'll have delightful surprises.

Out West Fruit Plate

On a bed of salad greens alternate:
 2 cups orange sections
 1 cup unpeeled apple slices
 Around them group:
 1 cup raisins
 1 cup dates
 1 cup prunes

The prunes and dates may be stuffed with nuts or cheese. Arrange on large plate for buffet or on individual plates. Serve with preferred dressing. (Serves 5.)

Grape-Nuts Wheat-Meal Stuffing

1 1/2 cups 1/4-inch bread cubes
 4 tablespoons butter
 4 tablespoons minced onion
 1 tablespoon finely chopped celery leaves
 3 tablespoons chopped parsley
 1/2 teaspoon salt
 1/2 teaspoon sage
 1/2 teaspoon pepper
 1 cup thinly sliced celery
 1 cup wheat-meal
 1 egg, well beaten
 1/2 cup hot water

Toast bread cubes in slow oven until lightly browned and crisp. Melt butter in saucepan. Add onion, celery leaves, parsley, sage, salt, pepper, and celery; mix well. Combine with bread cubes and cereal. Add egg and water and toss together lightly with fork until thoroughly mixed. Makes enough stuffing for a 5-pound fowl.

Note: If a more moist stuffing is desired, add more water.
 To stuff a 14-pound turkey, increase recipe to 1 1/2 times, using 2 eggs.

Holiday Pie

1 box (16-oz.) quick frozen cooked squash, thawed
 1/2 cup light brown sugar, firmly packed
 1/2 cup granulated sugar
 1 teaspoon cinnamon
 1/4 teaspoon ginger
 1/2 teaspoon nutmeg
 1/2 teaspoon salt
 2 eggs, slightly beaten
 1 1/2 cups milk
 2 tablespoons melted butter
 1/2 recipe pie crust

Combine squash with remaining ingredients in order given; strain. Line 9-inch pie plate with pastry rolled 1/4 inch thick, allowing pastry to extend 1 inch beyond edge. Fold edge back to form standing rim and flute with fingers. Fill with squash mixture. Bake in hot oven (450° F.) 20 minutes; then decrease heat to moderate (350° F.) and bake 20 minutes longer. Quick-frozen squash is cooked and puréed before quick-freezing so in its farm-fresh flavor. It is delicious not only as a deluxe "pumpkin" pie filling, but also heated, seasoned with salt and pepper, and served as a vegetable.

Santa's Surprise (Cherry Ice Cream)

Dissolve 1 unmet tablet by crushing in 1/2 cup cherry juice. Add 1/2 cup sugar and 1/2 cup water and 1/2 cup (if desired) to 2 cups milk cream. Warm slowly, stirring constantly. Add a drop on inside of wrist to test. When it feels slightly warm (110° F.) not hot, remove at once from heat. Add dissolved unmet tablet and stir quickly for a few seconds only. Pour at once, while still liquid, into refrigerator tray. Let stand at room temperature until set about 10 minutes. Place in freezer compartment and freeze until firm. Remove from tray to a bowl, break up with a fork and beat with an electric or rotary beater until free from hard lumps but still a thick mush. Add 1/2 cup chopped maraschino cherries, beat quickly into the mixture. Finish freezing.

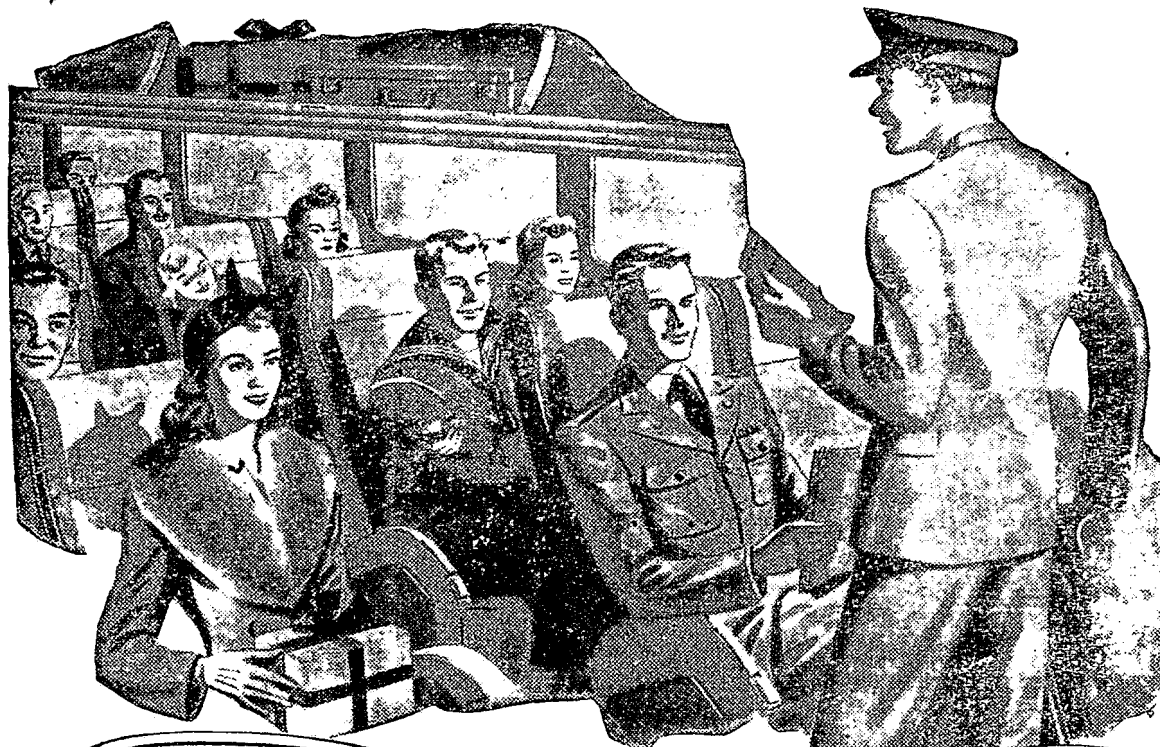

ture until set about 10 minutes. Place in freezer compartment and freeze until firm. Remove from tray to a bowl, break up with a fork and beat with an electric or rotary beater until free from hard lumps but still a thick mush. Add 1/2 cup chopped maraschino cherries, beat quickly into the mixture. Finish freezing.

Mince-meat Flakes Pudding

1 package (9 ounces) mince-meat
 1/2 cup water
 1/2 cup brown sugar, firmly packed
 2 tablespoons flour
 1/2 teaspoon cinnamon
 3 tablespoons butter
 1 1/2 cups Grape-Nuts Flakes
 Break mince-meat with fork; add water and bring to a boil, stirring well. Turn into greased pan, 8 X 8 X 2 inches. Cook, stirring, flour, and cinnamon. Cream butter, add sugar mixture, and beat. Mix with flakes. Crumble over top of mince-meat. Bake in moderate oven (350° F.) 20 minutes. Serve warm with plain or whipped cream. Serves 6 to 8.

Recipe for Snowy Christmas Table

Glazing white table linen is a must for Christmas feasts. You can get your table-cloths and napkins into "snowy" holiday trim if you follow this technique. Remove spots. Fresh coffee, fruit juice and cream usually come out with hot water. If they need further treatment apply hydrogen peroxide. Then hold up two to three inch suds with your hands. A mild soap flakes, adding little suds to insure gleaming color with no danger of streaks. The addition of lemon flakes with the soap is the best technique, too, because it dissolves away with a separate rinsing job after washing. Rinse in two clear waters. Dry and sprinkle with salt or fold smoothly. Iron first on wrong side, then on right, until thoroughly dry.

MERRY CHRISTMAS, FOLKS!

You've been grand passengers on this eventful trip through 1944

Next stop, 1945! But just before we arrive, let me say to every one of you — "Thanks for being good sports and good Americans — thanks for using buses with careful regard to war needs — thanks for being good natured about occasional discomfort and crowding."

The fact that you can take travel at its worst, and still smile with us, has helped us do a far more efficient wartime job. It has made us even more determined to give you highway travel such as this nation has never known — come Victory! Right now, new

Super-Coaches with amazing comfort features are shaping up — innovations of convenience and sightseeing are on their way.

The months just ahead will be decisive ones for all the world. We know you'll keep right on with that patriotic cooperation that has helped transportation do its tremendous job all through the war years.

Paper Salvage Is Urgent Measure
 Michigan residents are urged by Kenneth M. Burns, Chairman of the

State Salvage Committee of the Michigan Office of Civilian Defense, to save every piece of Christmas wrapping for paper salvage and dispose of it through Paper Troopers and other collection agencies.

By placing the festive wrappings which customarily go into the fireplace at Christmas time into waste paper salvage collections, Americans will be making an immense contribution to the war effort, Burns said.

"Paper is too precious this year to be burned," he stated. "Paper is a weapon without which we cannot successfully wage a war. Paper is more valuable, in some respects, than money, because money alone cannot purchase the paper that is needed for many military and life-saving purposes."

All types of waste paper are desperately needed by Michigan paper mills, Burns said. Heavy paper, corrugated cartons and paperboard are especially important, and fancy inner wrappings, tissue paper and Christmas cards and envelopes represent valuable salvage material. Place a box in a convenient place to catch all the bits.

 100 pounds of waste paper will make 50 75-mm. shell containers. Start saving!

Season's Greetings to Our Many Friends

One of the real joys of Yuletide is the opportunity to put aside the routine and customs of every day business and in real sincerity extend to you our Christmas Greetings.

May our hearts be thankful for the blessings which are ours and may we as neighbors and friends look forward, in a world torn with strife, to a Brighter and a Happier New Year.

SCIENCE NOW KNOWS WHY LADIES MUST CRY

Is the "weaker sex" merely a tradition, or do women actually feel pain more than men? Cleverly devised "culture tests," described in The American Weekly with this Sunday's (Dec. 21) issue of The Detroit Sunday Times, reveal new facts about sensitivity to suffering which will settle a lot of old arguments. Gunning for the Axis

Rolling along the roads leading to Berlin and Tokyo, through mud, mire and shellfire, are the endless columns of Allied military trucks that bring up the fuel, food and fire-power to our front line forces. Many are equipped with machine gun turrets, as in the picture above, to fight off enemy assaults while hauling the huge loads that speed our assault against the Axis. A big percentage are GMC "six-by-sixes" because more of these have been built than any other make—a total of over 400,000. But, the Army is urgently calling for even more of these vital vehicles

GET A WAR JOB and Stay on the Job Victory depends on everyone, every day. Last time puts a brake on America's final drive for Victory. Whether you're working at GMC or on some other war job, stay on it every minute. Under your conditions, this is the most important work you can do. Get a war job at GMC. EVERY MINUTE COUNTS

to strengthen their ever-lengthening supply lines. You may not be able to take the place of the gunner atop the GMC, but you can help build the truck in which he rides by getting a job at GMC Truck & Coach today.

Timely items of interest and value - helpful suggestions about cooking, lighting and appliance use.

NO LAYAWAYS. No product is more "perishable" than electricity; for most ordinary purposes, it must be used the instant it is made. The instant you touch a light switch in your home you must produce the electricity you need without previous notice... in whatever quantity you want... at any hour of the day or night. That is why we must operate continuously; that is why we must keep our power plants and our "delivery system" in top-notch working order "on the job" 24 hours a day.

CHRISTMAS FEAST In place of the traditional turkey during the holidays, our Home Service Department unveils a roast duck that's different:

Roast Duck with Orange Stuffing

- 3 cups dry bread crumbs
- 1 cup dried apple
- 1/2 cup seedless raisins
- 4 tbsps. sugar
- 2 1/2 cup orange juice
- 1/4 cup melted butter or substitute
- Salt and pepper

Mix ingredients in order given and season to taste with salt and pepper. Add more or less liquid as may be needed, depending on dryness of crumbs.

Duck with orange stuffing may be garnished with water-cress or parsley and with sections of orange dipped in thick sugar syrup. Serve duck with an orange sauce made by adding one-half cup strained orange juice to two cups gravy.

LONGER NIGHTS - LONGER LIGHTS. Wondering why you use more electricity these days? Probably it's the season: In December, January and February dusk falls early and nights are long and the days are often dark and gloomy. All this adds up to longer use of lighting. But there's a bright side to the picture: In June, July and August the sun works overtime, and your electric bills are usually much lower. Compare them and see!

BLACK DIAMOND. Coal is precious today because it is a critical war material, needed to run steel mills and railroads and factories as well as to heat our homes. Coal is also burned in Edison power plants to make electricity. If you use less electricity, less coal will be burned. The problem is as simple as that. That is why the Government asks you to do everything you can to save electricity. Help save urgently needed fuel.

In view of the national fuel shortage which has limited Michigan to 90 per cent of its normal requirements of bituminous coal for household heating, Capt. Donald S. Leonard, State Fuel Conservation Director and Director of the Michigan Office of Civilian Defense, urges that coal deal-

ers be consulted on the most efficient practices in firing furnaces. "Fuel engineers report," Leonard said, "that the careless firing of a domestic coal furnace often wastes as much as 20 per cent of the fuel. One sure indication of inefficient combustion is the presence of black smoke which shows that the gases are not being burned. These gases may contain as much as 80 or 40 per cent of the heating value of the fuel."

"There are great differences in the ways in which various coals should be burned. The type of burning equipment also must be taken into consideration."

"Coal dealers, in advising their customers, not only speak from many years' experience, but they have the benefit of advice from the producers of the fuel they handle."

Leonard also pointed out that fuel conservation can be patriotic in more

ways than one, for the money saved on coal bills can be profitably invested in war bonds.

Leonard was notified last week by Solid Fuels Administration in Washington that there had been no improvement in mine output and that the shortage of fuel forecast last fall is still continuing.

Notice

There will be a special meeting of the W.S.C.S. of the Clarkston Methodist Church on Thursday afternoon, Dec. 28th at 2:30 at the church. This is a very important meeting and every member is urged to be present. At this meeting it will be decided whether to change the memberships of the four Circles or leave them as they have been for the past two years.

Back tags issued with Michigan hunting licenses must be worn whenever their possessors are in the field. The warning is issued by the conservation department because some rabbit hunters have said that they thought that wearing of back tags was required only during the pheasant season. Only hunters who are not required to possess licenses and back tags are persons who hunt on lands where they live the year 'round.

NOTICE

Due to our serious accident and Mr. Crosby being in the hospital we have been badly handicapped this week. However we will make an effort to handle all livestock after Christmas, with hired trucks until I can get new equipment.
