More Land Added to Lakeview Cemetery

On August 20, 1850 the Clarkston Union Cemetery Association was organized. Three acres of land at the north of the present cemetery was purchased from George VanSycle for \$15. This plot of ground was divided into lots which sold for from \$3 to \$5. Three lots were set aside for the clergy.

In 1890 the name was changed to Lakeview cemetery and six acres were added. In 1914 two more acres were purchased. Just recently, through the efforts of the Village President, Howard Huttenlocher, and the Township Supervisor, Floyd Andrews, a purchase of 12.1 acres was made from the Deer Lake Development Co.

The plans of this new part of the cemetery, which will be strictly modern, show 1800 lots and toward the east end there will be a natural amphitheatre for memorial services. The main entrance, which will be constructed of stone with large iron gates, will be at the corner of the Dixie Highway and White Lake Road and will be about 75 feet from both highways. According to the plans the landscaping will be beautiful. The work will be started as early in the spring as possible.

Obituary

Mrs. Jessie R. Walter
Mrs. Jessie R. Walter, 79, of Clarkston, passed away at the home of her son, Ray Walter, in Pontiac on Monday.

The following letter was sent to Mr. Robert C. Beattie:
Dec. 30-44

Dear Bob:
I wish you would convey my deepest appreciation and thanks to the folks of Clarkston and Independence Township for the thoughtful Christmas package which they sent to me. It is truly good to realize that the folks back home remember their neighbors. The contributions of the civilians back home is well known to me.

Let us hope and pray that the all-out effort of the people back home and the men in the armed forces the New Year sees complete victory and the return of our loved ones.

Sincerely yours

Clarkston Service Mothers' Club and the people of the Township
Dear Folks:

Christmas has gone past and still I haven't thanked you for your swell Christmas gift. It sure was a surprise to me to receive such a fine remembrance from folks who hardly know me. Having entered the Army immediately upon moving to Clarkston I had very little time to become acquainted with the town and its people, but I feel certain that if and when I do return home I'll be able to enjoy all of the pleasant things that a community such as yours has to offer.

I may get home in a month or two and if it is at all possible I'll thank each and every person, whom I know, personally. Until then, thanks a whole lot, folks.

Dear Friends:

Once again I am spending a Christmas on this South Pacific Base and once again I received a very swell gift from the Service Mothers' Club and the folks in Clarkston and Independence Township.

I found everything in the best of condition and very useful; also the poem by Mr. Beattie was very nice as always.

It is remarkable the way you people back home keep remembering us every year and I want to take this opportunity to thank you once again and above all, I want to thank you for being a typical American Home Town, to me, Clarkston is America at its best.

Respectfully
Roy Spencer, Jr.

Dear Mr. & Mrs. Stamp:
I'm sorry that I haven't written to you before, but there is so little that I am allowed to write, and my time is very limited, so I don't get to write as often as I should.

I have been getting the Clarkston News quite regular and really do appreciate it even though it is a month or two old when it reaches me.

I received a lovely Christmas package from the "folks at home" and want to take this opportunity to thank each and everyone for their kindness and thoughtfulness for all of us out here. There wasn't a single item that could not be used.

I will close for this time with my sincerest thanks for the News and the Christmas box.

Sincerely

New Year's Eve, 1944
Hello Mr. & Mrs. Stamp:

Well it is New Year's Eve so I thought I'd better get you off a few lines. First I'd like to thank the home town for the very nice Christmas box and the beautiful card—also I received many very nice cards from my friends and I'd like to thank all of you for your thoughtfulness. Many of our boxes haven't got through to us as yet, but I'm sure they will in the

D. M. Winns Honored At Large Gathering

Last Sunday afternoon about 70 o. 75 townfolk gathered at the Clarkston Rotary rooms to honor Mr. and Mrs. D. M. Winn who will leave soon to make their home in Midland.

At about two o'clock the group enjoyed a lovely dinner and an hour or more of visiting. After the dinner Mr. R. C. Beattie spoke briefly and read a very appropriate poem he had written and then presented Mr. and Mrs. Winn with a lovely gift. Mr. Winn responded in a fitting manner and in a few remarks he told how he was enjoying his work as a chemist at the Dow Chemical Co., in Midland. He said that about the middle of February or a little earlier they hoped to be occupying the home they recently purchased in that town. He said that he and Mrs. Winn were sorry to leave their friends in Clarkston but that they extended to all of them an invitation to visit them.

Several others were called upon for a few words and the rest of the afternoon was spent visiting.

David Mehlberg Weds Washington Girl

A very pretty ceremony was solemnized in the St. Paul Episcopal Church in Gainesville, Texas, at 7:30 o'clock last Friday evening when Isabella Elliott, daughter of Mr. and Mrs. D. W. Elliott of Seattle, Wash., and Technician Fifth Grade David H. Mehlberg, son of Mr. and Mrs. H. B. Mehlberg of Waterford, Mich., spoke their marriage vows. The Reverend A. A. Tocher performed the double ring ceremony. He read the rites from a white prayer book, a gift of the Reverend R. D. Holmes, pastor of the bride's church in Seattle, who was unable to be present.

The bride was smart in a light green gabardine suit with white accessories and an orchid corsage. She was given in marriage by Chaplain Arthur C. Reddie, who formerly was stationed in the Aleutians with Tech. Corp. Mehlberg and now is stationed at Camp Howze, Texas with him. Her only attendant was Mrs. Denver Piggs.

The bridegroom was assisted by Staff Sergeant Earl Bell as best man.

For the present Tech. Corp. and Mrs. Mehlberg will reside in Gainesville, Texas.

very near future as soon as the rush is over.

I'm in the "Third Army" and where we're at we've got lots of snow and it's very, very cold—sure reminds me of the winters we have back home. I sure will enjoy them when I get back there and that day can't come too soon to suit me and I'm ready to head back just as soon as we end this mess over here.

I haven't received a paper in a long time (in fact since landing here). Our A.P.O. changes so often that it's hard for our mail to catch up with us. Well here is a new one to send them to—sure will be glad when they start coming in again. My wife and folks keep me well informed on the local news. If it wasn't for them I don't know what I'd do—they sure keep me going just like every soldier's loved ones back home do. Well I'd better be closing.

As ever

Dear Mr. & Mrs. Stamp
and all the folks of Independence Township:

I think it is about time I dropped you a few lines again to say thanks for the paper and to tell you I really do appreciate it, even though I haven't written for quite some time.

I have moved around a lot the past six months and I haven't been doing a very good job of keeping up my correspondence.

I also want to take this opportunity to thank all of the folks of Independence Township for the Christmas package. Everything was swell and each and every article very useful.

Although I have been lots of places the past six months, including two foreign countries, I haven't found any place that compares with the old home town. It sure will be swell to come back and see all my friends again; but of course more than anything else to be back with my darling wife and daughters whom I miss very much.

Well folks, will say so-long for now and will try to write oftener in the future.

Sincerely
Joe D. Powell.

Many Parents Enjoy School's Open House

On Wednesday night there was a good attendance at the Clarkston P.T.A. meeting. At the business meeting it was voted to give \$100 towards the school playground and equipment, an equal sum to be given by the school board. Some pictures were purchased and some were framed for the kindergarten and 1st grade rooms.

After the business meeting Mr. Carl Brablec gave an interesting talk and the school band played many fine selections. The group was then invited to visit the classrooms. In several of the rooms, students were at work and in all of the rooms the students had their work on display. The teachers were very cordial and enjoyed visiting with the parents.

Before the close of the evening Mr. Thayer and several boys gave a real tumbling exhibition. The 1st grade mothers served dainty refreshments.

Community Activities

The eighth grade pupils of the Waterford school will be hosts to the eighth grade pupils, their parents, and teachers of the Waterford townships schools, Clarkston school, and the Webster school at the Community Activities building this evening (Friday) at 8:00. Each school will contribute a skit or some other thing for the program. A party will follow and each family attending is asked to bring enough sandwiches for that family. There will be pop, coffee, and potato chips there which may be purchased.

A communion service will be included this Sunday in the service of the Christ Evangelical Lutheran Church which is held at the Community Activities Building each Sunday at 9:00 with Sunday School following at 10:15. The Rev. Milton Lundahl has charge of the church services and James Lambertson is the Sunday School Superintendent. There are classes for all ages and everyone is invited to the worship hour.

The 500 Club will again meet at the Club House this Monday evening with an invitation extended to all wishing to attend. There are prizes and each one attending is asked to bring just enough sandwiches for himself and coffee will be served.

There is a meeting called for eight o'clock Tuesday evening at the Community Activities Building of all members of Christ Evangelical Lutheran Church for the purpose of considering the calling of a full time pastor for this church. The Rev. Milton Lundahl who is serving as vice-pastor is the pastor of St. John's Church in Pontiac.

All the youth of the township are urged to gather at the Club house at 8:00 Wednesday evenings for an evening of fun. The Ladies Auxiliary of Community Activities is sponsoring a Youth Banquet next Wednesday evening, January 21, at the Club House for all youth of the community and surrounding area. Mrs. Harry Ashbaugh is program chairman, assisted by several young people; Mrs. A. L. Patterson is general chairman; and Mrs. Agnes Flickinger is ticket chairman and will be assisted by several young people in selling the three hundred tickets. All young folks twelve years old and more are invited to attend the banquet.

The "Hi, Neighbor" dance was attended by nearly one hundred persons last Saturday evening, with everyone reporting having had a grand time. The Auxiliary is sponsoring another dance next Saturday, January 27, with the C.A.I. Melodeers playing. There will be free refreshments and a door prize.

The Women's Club served a penny supper at the Club House last Thursday evening and cleared a good amount. Various committee meetings followed as well as the Ladies Auxiliary meeting. At 8:30 George Kimball called a general membership meeting at which time the program voted to accept the Suggested Group Plan which had been submitted to the group at the December meeting. It was announced that we now have 310 family memberships and that 11,594 persons have enjoyed gatherings at the Club House between the time that the Club House was first opened in March until January first, through about twenty groups.

It is the aim of the group to pay up the outstanding bills amounting to \$3000 within the next sixty days. This will be arrived by new memberships, renewals of old memberships, and activities.

CLARKSTON VS. HOLLY
The Clarkston High basketball team won its second league game in four starts. It was the roughest game Clarkston has witnessed in quite a while. The boys played a whale of a game defensively as well as offensively. Coach Thayer left his starting team in until the fourth quarter, when the rest of the team came in. They also played an excellent game. Kratt was high man with 11 points; Addis for Holly, with 3 points.

Next home game is with Auburn Heights on January 19.

Save Paper Now For Pick-up Dec. 31

The paper situation is really serious and waste paper salvage efforts will have to be increased greatly if we are to avoid a shortage. Paper Companies are being forced to close their plants because of the lack of waste paper. Everyone in this community is asked to help by saving every scrap of waste paper.

Get your bundles and boxes ready for the paper pick-up in this district on Wednesday, December 31st. Have them at the curb by 3 o'clock in the afternoon. Make this collection one work while.

Waterford-Drayton

The members of the Waterford-Drayton Rotary club were guests Monday evening of the Lake Orion Club. E. Roy Shaw, Past District Governor, principal speaker, outlined the functions and magnitude of Rotary International's world wide organization, now consisting of over 5,000 clubs. The ideal Rotary service, he explained, is one that will benefit everyone in the community; in other words, it is the Golden Rule in use. He also spoke of the outstanding work being done by Dick Norton and this Work Pile Committee in the Detroit Rotary Club. This committee in 262 surveys made of its own members has produced post war work projects amounting to nearly two million dollars. It is things of this kind that will provide jobs for returning service men. Mr. Shaw assured his listeners. In addition to an outstanding speaker, the Orion club produced a local bright light in the person of Capt. Ernest Fiebelkorn. As one member explained it, this lad, not so many years ago, was buying bubble gum and all-day suckers and now at the 320 hours of combat flying over the U. S. A. 8th Air Force with nine age of 21 he is a captain in every territory and 10 and 1/2 German planes shot down to his credit.

SEMESTER TESTS

The semester examinations will be held in the regular classrooms on Wednesday and Thursday, January 24 and 25.

All pupils must remain in the examination room at least one hour. One hour and a half is allowed for the examinations.

Pupils who have been on the honor roll all semester (those who have had all B's or over) will be excused from all but one test.

Those who have perfect attendance will be excused from two examinations.

In either case see Mr. Ridgley January 23.

Students are excused from school on Friday. Cards will be given out Monday.

10TH GRADE NEWS

The Sophomores' Sadie Hawkins dance was a huge success. All the girls brought a fellow which helped a lot to make the crowd more evenly divided. The gym was decorated in blue and white. The refreshment stand was in one corner and the band in the opposite corner. This was a new place to have the band and we found that it worked out all right. Some of the patrons at the dance were: Mrs. Davidson, Mr. and Mrs. O'Dell and Mr. and Mrs. Oswald. The Sophomores wish to extend their thanks to these people for helping to make our dance a success.

Calf Club Girl Honored by National Association

Having proved herself capable of doing satisfactory Holstein Calf Club work, Mary Elizabeth Edgar, Clarkston, has just been awarded a Certificate of Merit and junior membership in The Holstein-Friesian Association of America, Brattleboro, Vermont.

All privileges of the Association except voting have been given to her until she is twenty-one years old. She was recommended by the State Club Leader and she is the 7078th Holstein Calf Club member to achieve this national recognition.

The Freshmen of the Clarkston High School will sponsor a dance at the school on Friday night, Jan. 26th, after the basketball game. On account of the coal situation it is necessary to conserve coal and in order to do this these two events must occur on the same night. Everyone in the community is asked to cooperate with the Freshmen in making the dance a success.

Mary Circle

The January meeting of the Mary Circle was held last week at the home of Mrs. Paul Henry on Orion Road. There was a splendid attendance and the group enjoyed a pot-luck luncheon at noon.

Mrs. Margaret Poss took charge of the business meeting until the Reverend Saxman installed the new officers at a simple but impressive ceremony. The officers installed were: chairman, Mrs. Paul Henry; vice chairman, Mrs. Margaret Poss; secretary, Mrs. Arthur Tondou; treasurer, Mrs. Ralph Secord.

It was decided to serve a Father and Son Banquet for the Boy Scouts early in February; to cooperate with the other Circles in serving the dinner to the Rotary Club each Monday night and also to work with the other Circles in planning and holding a Fall Bazaar. Mrs. Henry reported on the meeting held by the Circle chairman the previous week. The group decided to leave the serving of the pot-luck luncheons at the Circle's regular monthly meetings to the discretion of the hostess for the day.

The February meeting will be held at the home of Mrs. C. H. Soulbey.

The Oak Hill Farmer's Club will meet with Mr. and Mrs. Fred Beckman on Thursday night, Jan. 25th. There will be a potluck dinner at seven o'clock.

The friends of Mrs. George Harris will be pleased to learn that she was brought to her home from the Henry Ford Hospital last Saturday. She is feeling much better.

The Treasure

If you would give what he would treasure,
Something to give him future pleasure;
Something that countless time can't sever;
Something to stay with him forever—
Just grab his hand

If you would raise his spirit high-er,
If you would set his soul on fire,
If you would let his heart be bright,
If you would show him how you're feeling,
Don't keep your inner thoughts concealing;
Don't let him question how you're dealing.

Praise his virtues to the ceiling—
And back your stand.
Tr. his friend he don't need riches,
Just pat his back when e'er he nitches;
Just help him left himself from ditches,
And boost him in the life he wishes—
Just say he's grand.

HAULING FUEL for FIGHTERS

U. S. ARMY SIGNAL CORPS PHOTO

2 MILLION GALLONS A DAY FOR EUROPEAN ARMIES ALONE

YOU ARE NEEDED AT GMC TRUCK & COACH TO HELP BUILD THE ARMY'S NO. 1 TRANSPORT TRUCK

One of the biggest jobs at fighting fronts is shown in the photo above. This "bucket brigade" of soldiers is unloading five gallon "Jerry cans" of fuel which GMC military trucks have delivered at an Army air base. In addition to planes, there are tanks, half tracks and other vehicles which consume gigantic quantities of gas and oil. On the Western Front alone, more than 2,000,000 gallons are required every day. The responsibility for moving much of this fuel from distribution points to front line forces rests upon thousands of 2 1/2-ton, "six-by-six" military trucks. Because the fight is far from finished, GMC must build more and more of these vital vehicles. Make it your responsibility to apply today for one of the war's most important home front jobs at GMC and help make it a fight to the finish.

GET A WAR JOB and Stay on the Job Victory depends on everyone, every day. Lost time puts a brake on America's final drive for Victory. Whether you're working at GMC or on some other job, stay on it every minute. Under war conditions, this is tough — but war is never easy. Reduce absenteeism and make time work for us — not the Axis. EVERY MINUTE COUNTS Apply directly at the GMC Employment Office, 661 South Boulevard. Open from 8:30 A.M. to 5 P.M., Monday through Saturday

The P.T.A. Mother Singers were delightfully entertained at the home of Mrs. J. R. Berryman in Drayton Woods last Thursday evening. Nine members were present. The first part of the evening the group practiced and then a short business meeting was held. One of the members, Mrs. Alfred Hutchison, whose home was swept by fire recently, was presented with several gifts. Lovely refreshments were served.

The Drayton Plains Home Extension Group was entertained at the home of Mrs. Roy Dancy Thursday, January 11th. Twelve members were present. In the absence of the chairman, the vice chairman, Mrs. Helen Wall, opened the meeting. A short business meeting followed. At twelve o'clock a lovely pot luck dinner was served. In the afternoon the lesson on "Modern Mending" was given by the leaders, Mrs. Ethel Solomon and Mrs. Zella Appleton. The next meeting will be February 15th and will be held in the church; the lesson will be on "Cooking and Preparing Foods". Mrs. Charles Williams, Mrs. Keith Tarlton and Mrs. Grace Barnhart will be hostesses.

The Lake Orion Extension Group met with Mrs. C. M. Novess on Sashabaw Road, last Wednesday, January 10th. The meeting was opened at 9:30 a. m. by the vice chairman, Mrs. Earl Card. After the routine of business, the meeting was turned over to the leaders, Mrs. William Sutliff and Mrs. Earl Card, who presented the lesson on modern mending. The next regular meeting will be held February 14th with Mrs. Alen Cross and the lesson will be cooking and preparing foods.

Mr. and Mrs. Jack Dvorak of Owosso, Mich., spent last Saturday calling on old friends. Pfc. Russell Langdon returned last Sunday to the east coast, after spending five days with his parents, Mr. and Mrs. Lyle Langdon.

Tonight is the Adult Class Party of the United Presbyterian Church Sabbath School. Every member of the class should be present. Come and help choose your officers for the coming year. Caren Graves, daughter of Mr. and Mrs. George Graves, is confined to the Contagious Hospital with scarlet fever.

Sgt. Edmond Watkins, 23, has been reported missing in action in Germany since December 13th, according to a telegram from the War Department received by his wife Mrs. Josephine Sutton Watkins. He is the son of Mr. and Mrs. John Watkins, rt. 7, Pontiac. Sgt. Watkins has been serving with the infantry on the western front. Edmond entered the army two and a half years ago. He spent eight months in the Aleutians and on returning to the States was sent to the European Theatre. His wife and son, Larry, reside with her parents, the Rev. and Mrs. C. J. Sutton.

A Checking Account Is A Good Bookkeeper!

In addition to the safety and the convenience it affords, a Checking Account provides money-saving bookkeeping service in these days when nearly everyone pays Federal Income Tax.

Your Checking Account gives you a detailed and accurate record of income and expenses. By bringing to light some tax deduction which you might have forgotten to claim, a Checking Account may be able to save you considerably more than the nominal service charge for such an account.

WHY Michigan Bell Will Go to Court

The Michigan Bell Telephone Company plans to appeal to the Ingham Circuit Court for relief from an order of the Michigan Public Service Commission directing the company to refund \$3,500,000 to its customers. A permanent injunction will be sought to restrain the Commission from putting the order into effect.

We have no liking for litigation. It is a time-consuming process that is as distasteful to the company as it must be to the public.

An order that jeopardizes our ability to provide good service by whittling away at our already inadequate earnings, however, cannot go unchallenged. The public interest impels us to seek the protection of the courts.

The order is based upon the theory that excess profits taxes should be returned to customers rather than to the Federal Treasury as intended by the tax law. One out of every five tax dollars collected by the Treasury today comes from excess profits taxes. In this case, the Government would take a loss of \$3,000,000.

Although the Federal Treasury would bear the brunt of the loss involved in such a rebate, one-seventh of the amount would come from the company. The order for 1944, unless restrained, could be repeated for 1945 and other years. Such a whittling process takes on the aspect of a permanent rate reduction to the jeopardy of the service rendered the public.

If we are to take our place in the expanding national economy anticipated after the war, and once again provide service on a basis of "when and where wanted", the Michigan Bell must undertake a postwar construction program requiring the expenditure of \$120,000,000 in 5 years. That program will provide jobs not only for its 3,000 men and women returning from the armed forces, but for many others as well.

The telephone industry has no royal road to money to finance its postwar program. It must compete with other industries in the open market for capital. To attract the investor's dollar, our earnings must be comparable with the average for other industries—not at a rate one-third lower, as is the case today.

The Michigan Bell has no desire to profit at the expense of war. It hasn't. The company's wartime earnings today are a quarter lower than in the pre-war period, 1936-39.

The price of telephone service is one of the few things that has not undergone a sharp wartime rise. On the contrary, rate reductions since 1939 are resulting in current savings of nearly \$4,350,000 a year to our customers.

There is one thing our customers want, and that is good service. The telephone bill for the best of service is so small a part of the customer's budget that he does not want anything less than the best even though he might get it at a lower cost.

For these reasons, we believe we're under the strongest obligation to seek our day in court. We believe our cause to be a just one in the interest of those served by the company, those who own it, and those who depend upon it for their living.

We hear that Art Kelly who recently left for the Army is now in the Cavalry and stationed at Fort Riley, Kansas.
If you've been around school you've probably heard a lot of girls talking about wanting a workshop for their husbands to work in or a nursery off the master bedroom and other rather surprising remarks.
However the mystery has finally been cleared up. It seems that Miss Kloock's Home Economics girls are designing floor plans and drawing detailed sketches of furnishings

for their homes. It sounds very interesting doesn't it?
I don't like to think about it, but next week we have our semester tests. So if Junior hasn't helped much around the house lately it might possibly be that he is devoting more time to study.
With that debatable subject I will close for this week.

WORKING 'EM "HOT." To give you uninterrupted electric service, our linemen often work on "hot" high-voltage lines—lines with electricity flowing through the wires. Specially insulated tools and rubber protective equipment have been designed for this work. No precaution or safeguard is overlooked.

LAMP BULBS EXCHANGED. Don't rob one lamp socket to fill another. There's no good reason for being short of lamp bulbs in your home. Gather up your burned-out lamps and exchange them for new lamps at any Edison office. There is no charge. You may exchange smaller sizes for larger—or larger for smaller—whichever you need. (Please bring your latest electric bill for identification when exchanging lamps.)

SURPRISE! Here is another oven treat from our Home Service Department:

Cranberry Surprise Muffins
2 cups flour 3 tps. baking powder
1/2 tsp. salt 1 egg, well beaten
2 tbsps. sugar 1 cup milk
2 tbsps. melted butter Cranberry sauce

Combine dry ingredients. Combine liquid ingredients and add to dry ingredients as quickly as possible, mixing only enough to dampen the flour. Place a spoonful of batter in each muffin tin. Place a cube of cranberry sauce in the center of each muffin, and cover with more batter. Bake 25 minutes in a 400° F. oven.

TRUTH ABOUT "TAXLESS TOWNS." Some people mistakenly believe that all a town needs to do to be rid of taxes is to put in a municipal lighting plant and pay the cost of government out of plant profits. Actually, a private company—operating at a small profit—can usually furnish cheaper electricity than the city can make for itself! The private company serves a wide area and has the advantage of volume mass-production of power. It pays large taxes to the city—exceeding the "contributions" made to the city by a municipally owned plant. The fairy tale of "taxless towns" in many cases is inspired by people who have engine equipment and services to sell—and want to make a profit.

FARM BUREAU FIGHTS FOR FAIR FARM PRICES

The Farm Bureau is fighting the farmers' battle for fair prices today, and for the post-war years. Much depends upon our ability to present our case to Congress and to the public. *How much can you do alone?*

In the years to come, farmers must maintain a full parity price relationship with other groups. Our prices and city prices and wages must go up and down the ladder together. It is our job to show that agricultural prosperity is the foundation for a lasting national prosperity.

YOU CAN HELP YOURSELF by joining the Farm Bureau, or by continuing your membership. 700,000 families in 46 states are members. Family membership is \$5 per year.
