## Scout to Receive Eagle Award At Banquet

William Ludwig of Troop 49, will receive his Eagle Badge at the Father and Son Banquet next Monday, February 5th, at the Methodist Church. He is the second Clarkston Scout to receive this award. He is 14 years old, and became a Scout in January 1943. He progressed rapidly through the various ranks until he has attained the highest honor which can be awarded to any Scout, the rank of Eagle Scout. Bill is now a Senior Patrol Leader in the Troop. He is the son of Mr. and Mrs. Austin Ludwig of 8522 Ortonville Road.

Our other Eagle Scout, Henry Huber, Jr. will receive the Eagle Gold Palm for meeting the requirements for ten merit badges in addition to the twenty-one required for the Eagle Rank. He also has a Bronze Palm.

Troop 49 and Cub Pack 49 will celebrate the opening of Boy Scout Anniversary Week with a Father and Son Banquet. The program for that event is as follows:

Opening Ceremony—Troop 49  
Invocation—Rev. Saxman  
Dinner—served by the ladies of the church

Introductions  
Cubmaster's Minute—Alfred Lee  
Award to the Cub Pack  
Magician—John Atkins  
Scoutmaster's Minute—Otto Ivenon  
Awards to Scouts  
Presentation of Eagle Badge—C. Brabec  
Closing Remarks—Willard H. Wells  
Closing Ceremony—Pack 49

The magician, John Atkins, is a former scout of Troop 49 who now lives in Flint. He has very kindly consented to give a performance of magic for our banquet.

We are looking forward to having a very enjoyable and successful banquet and hope to make it an annual affair.

## Our Boys and Girls In The Service

Mrs. Lloyd Gudgell (Ruth Walter) received a telegram on Tuesday saying that her husband, PFC Lloyd Gudgell, was missing in action in France January 5th.

Dale Schmidt, son of Mr. and Mrs. Carl Schmidt of route 1, Clarkston, left this morning to start his training in the service for the country.

First Lieutenant Lawrence McKay wishes to thank all of the folks in this district who were responsible for the grand Christmas package which he received in fine shape. He received it at a time when he was very busy getting ready for duty out of the country thus his delay in saying "thank you". However every article in the package was appreciated.

Sgt. Marian Yost, who is on duty in Washington, D. C., was home on a six days leave to attend the funeral of her grandfather, Mr. Butler Holcomb, last Saturday afternoon. She returned to Washington on Tuesday.

**Dear Mr. & Mrs. Stamp:**  
Thank you very much for sending me the Clarkston News. I really enjoy receiving it because I like to keep up with the others in the service.

Today Washington reminds me so much of Michigan. We have had our first snow that has lasted more than a day without turning to slush. We have an awful lot of rain too.

I am really enjoying my life in the Marine Corps. It certainly is different from any experience that I have ever had, and one that I will never forget. Of course, I think the Marine Corps is the best branch of the service, but I may be a little prejudiced. I also realize that I am quite fortunate in being stationed in the nation's capital, and hope that I can take in all of the interesting and educational sights before I leave Washington. No, I am not being transferred; but like all the rest of the girls I am looking forward to the end of the war.

I also want to take this opportunity to thank the folks in Clarkston for the lovely box which I received at Christmas time.

Thank you again for sending the News.

Sincerely  
PFC Jeanette Vliet  
Jan. 8-45

**Dear Folks of Clarkston and Independence Township:**  
I got your parcel on New Year's Day. Thanks very much. I enjoyed everything that was in it. When you sent me the package last year I did not think I would still be over on this side of the Atlantic to get another one this Christmas. I spent this Christmas in Paris, but I would much rather have spent it in Clarkston. I have done a lot of traveling and seen a lot of country since last Christmas.

Mr. Beattie mentioned in one of his lines—"That marvelous land—when you are away from home for a long time you realize how marvelous that land is."

We cannot write anything about our work so that is all for now.

**Dear brother, Basil:**  
I received your letter today and was very glad to hear from you. You know I told you we were going on a wild boar hunt. Well we finally got around to go, at last, and boy did we ever have fun. We took a small outboard motor boat and went up a river that wound through the jungles. It was the most beautiful sight I have ever seen in my life. The river had banana and coconut trees all along the banks, with vines going across the river, just like you have seen them in the movies. If I had had a camera I could have gotten some real nice pictures. We saw lots of parrots but did not shoot at them. We saw one pure white one, that I would like to have brought back alive.

We only saw one wild boar. He was standing on the bank of the river, but by the time we got the boat into shore he had run back into the thick jungle. We shot at him but don't think we hit him at all. We walked back into the jungle for a little way but it was so hot that we had to go back to the boat.

When we were almost to the end of our trip up the river we came upon a native hut. There seemed

to be only three men living there. We tried to make them understand that we were hunting wild boar and I guess they knew what we meant as they just said "Ug bad". Then we asked them if there were any pigs around there and they nodded their heads "yes". We asked if they would get us one and they said "ten bob", whatever that means. We put all of our money together and showed them but they said "no me eat". Then we started back into the jungle hunting again. We didn't see anything and I guess it is a good thing we didn't. Because when we got back to the hut we discovered that one of the men had been following us all of the time. I am afraid if we had seen one and shot it that our heads would probably be hanging in their hut right now.

When we got back into the boat one of the fellows dropped the starter rope over the side. So there we were ten miles or so back in the jungle and no rope to start the motor. We tried using vines but with no luck. I could just picture us rowing all the way back to the ship. And to top it all off we had run out of water. We had only taken two canteens full to start out with. Then someone thought of using our shoestrings. So we fastened four of them together and finally got the motor started. Then just as we were coming out into the bay we saw a big crocodile splashing around in the water, but didn't get a good shot at it either. We are going to go again some day and hope we have better luck. All in all we had a very good time.

Well that is all of the news, so I'll sign off hoping to hear from you real soon.

With love  
Stanley

## Girl Scouts Have Ceremony

When the Girl Scouts met last Tuesday afternoon we had a rather short meeting. The subject we talked on most was the Investiture ceremony which took place on Wednesday.

The ceremony started at 4:30 in the Home Ec. room at the school. Our mothers, Mrs. W. S. Barrows, our former scout leader and the Brownies and their leader were our guests. Badges were given to the girls who had worked for them. Six new scouts said their promise and laws. These girls are: Pollyana Powers, Delores Paer, Marilyn Hodge, Patricia Holebeck, Sally Stageman, and Maxine Sage.

After the ceremony there was an informal tea.

## W.S.C.S. Circles Meet Next Week

The Mary Circle will meet at the home of Mrs. Alfred C. Lee, 26 Orion Road, on Tuesday afternoon, February 6th, at two o'clock.

The Martha Circle will meet with Mrs. A. E. Butters, 63 W. Washington, at one o'clock on Wednesday, February 7th. Mrs. Carl Brabec and Mrs. Henry Woolfenden will assist Mrs. Butters.

The Dorcas Circle will meet at the home of Mrs. Agnes Beardsey on Wednesday afternoon, Feb. 7th, at 2 o'clock.

## Navy Needs Radar Technicians

Of 5,256 lower Michigan men who applied during 1944 for Navy Radar training, many are now playing a vital part in helping maintain the Navy's offensive throughout the world.

This was announced today by Lieut.-Comdr. Byron E. Flechtner, Officer in Charge of Navy recruiting and induction in this area. He revealed that more than one-third of lower Michigan's 1944 Navy Radar applicants were 17-year-olds.

The Navy needs thousands more Radar technicians, Commander Flechtner said. Men interested may qualify by passing the Eddy Radar Test, given at all Navy Recruiting Stations. Age limits are 17 through 50 years old with younger men particularly desired.

Applicants should be acquainted with the fundamentals of mathematics, algebra, physics, electricity, radio and shop practice. Men passing the Radar Test are eligible for 10 months of valuable training in radio and electronics. Further information may be obtained at any Navy Recruiting Station.

Mrs. John Shaughnessy and daughter, Mrs. Lyle Rexford left on Monday for Tampa, Fla., where they will enjoy a few weeks of Florida sunshine.

The next dance will be sponsored by the Seniors. It will be held February 9th after the basketball game. The title is the "Sweetheart Bawl", and the decorations will follow the motif of St. Valentine's Day.

The date has been definitely set for the Senior Prom, which is held annually in the early spring. This year it will fall on March 16. Our troubles have been started, because of the fact that we must locate a good band or orchestra. If anyone has any suggestions as to any music, will you please notify any Senior.

10TH GRADE NEWS  
The Sophomores welcome a new member into their homeroom, Lenore Shaw. Lenore comes from Texas and we hope she will like going to school at Clarkston.

This is a very good time to give "Honorable Mention" to some of the Sophomore boys on the basketball teams. On the first team we have Glenn Davison. He's a regular player and a very good one at that. Also on the first team is Basil Ash. On the second team we have Harold Smith and Albert Cattell. We're all proud of you boys. Keep up the good work!

Students saw the film "The Plainsman" starring Gary Cooper and produced by Cecil B. De Mille. The money netted by the picture was given to the Warm Springs Foundation.

Several other historical films are now on order, at the suggestion of the Student Council, and will be shown about once each month.

Admission charge is 10c and, of course, attendance is not required. Mr. Thayer runs the projector and Mr. Ridgley and Mr. Lamb select the pictures.

## Farmers Ask For Conservation District

The first step in setting up a Soil Conservation district in Oakland County is rapidly drawing to a close according to Fred J. Beckman, Chairman of the County Land Use Planning Committee. Over 300 signatures have been sent to the County Agricultural Agent's office on petitions.

As soon as the district is formed, assistance in the form of materials, equipment such as plows, ditching equipment, and services will be available to farmers. Many farmers are now farming "the conservation way", but it is expected that good farming practice can be more widely adopted with the formation of the district.

A soil conservation district is an organization of land owners and operators to combat soil erosion and to encourage the best use of land.

Local people who are assisting with the organization are:

Independence: Floyd Andrews, H. T. Baynes, Harold Doebler, Joseph Hubbard, George Miller, Mrs. M. N. Stickney.

Waterford: Clark Hess, Percy King, M. H. Benson, Carlos Richardson, Birge Leggett.

## The Hilltopper

CLARKSTON WINS 36-28  
Clarkston High turned out a brilliant performance on the Basketball court Friday night by taking charge of the Milford team for the second time this season by the score of 36-28. Again as last week Kratt, Ronk and Davison were high point makers for Clarkston with 14, 10 and 9 respectively. Wee for Milford, with 7.

The second team lost by the score of 17-26. Morrow was high point man for the losers with 13. Sherwood for Milford, with 10.

Next game will be at Keego Harbor tonight, while the next home game will be Feb. 9, with Walled Lake.

Lineup:  
LF Kratt  
RF Ronk  
C Davison  
LG La Plante  
RG Sharp  
Subs: Ash, Waid and Garneau.

**SENIOR NEWS**  
The Senior Minstrel Show is being worked up into fine shape under the direction of Mrs. Holling of Ortonville and our Student Director, Rose Mary DiPiazza. Several guest soloists are cooperating with the Seniors to help make the show a great success. Tickets are now on sale and may be purchased from any Senior. Curtain will rise at 8 o'clock on Friday, February 16.

Senior Class pictures arrived and you may have seen several sad looking faces around the 12th Grade Homeroom, this week. However, many compliments were passed around, and they were all very good.

The next dance will be sponsored by the Seniors. It will be held February 9th after the basketball game. The title is the "Sweetheart Bawl", and the decorations will follow the motif of St. Valentine's Day.

## Death Claims Native of Clarkston

Funeral was Held Saturday Afternoon  
Death claimed one of Clarkston's oldest citizens on Wednesday of last week when Butler J. Holcomb, aged 88 years, passed away at his home on Holcomb Street after an illness of about five months.

Mr. Holcomb was born in Clarkston August 1st, 1856. He attended the Clarkston schools and in 1899 he married Ella Clark, who passed away several years ago. He lived his entire life in this community. For twenty-five years he operated the Clarkston mills and for the past twenty years he has kept busy in a cabinet shop on Holcomb Street. Mr. Holcomb enjoyed having his friends stop in for a visit and he often told many interesting stories about Clarkston in its early days. There are few in this district who own a saw and a lawn mower who haven't at some time taken them to Mr. Holcomb's shop to have them sharpened. He enjoyed doing things for folks.

He is survived by one son, Clyde, of Detroit, and a daughter, Mrs. Glenn Boner of Clarkston; one brother Fred and one sister, Miss Lillian Holcomb, both of Clarkston; four grandchildren and two great grandchildren.

The funeral service was held at the Oden-Kennedy Funeral Home last Saturday afternoon with the Reverend Walter C. B. Saxman officiating. Burial was in Lakeview cemetery.

## Local Service Man Weds in East

Last Saturday afternoon at four o'clock at the Naval Chapel at Annapolis, Md., Maryann McCarthy of West Virginia and Lieutenant B. Clare Rasmuson, son of Mrs. George Perry of Clarkston, spoke their marriage vows. Miss McCarthy was a public health nurse at Annapolis. Lt. Rasmuson is well known in Clarkston having graduated from the local high school. He is a graduate of an engineering school and prior to his enlistment in the U. S. Navy he was employed by the General Motors Corp. He served many months in the Pacific area before attending the Naval Academy at Annapolis.

Lt. and Mrs. Rasmuson will make their home just a few miles from Annapolis for the present.

## Red Cross News

C. G. Rudderham, Oakland County American Red Cross War Fund chairman, announces that the campaign for War Fund, which opens March 1, is well under way. With the assistance of Mrs. T. W. Jackson, township chairman for the drive, the county workers are being organized to raise the \$415,100 which National Red Cross is asking from Oakland county.

Township chairmen have been appointed and sectional meetings are being held to acquaint them with procedures for the drive.

Each year General Motors corporation makes a gift to the chapter. In previous years this has been allocated to the townships. The townships, basing their quotas on those of last year's, will set the amount they aim to raise.

"A definite time schedule has been set for the campaign," says Mr. Rudderham, "to speed the work so all solicitations may be completed by March 15. During the week of February 19, pre-campaign meetings will be held in various sections of the county." Every war fund worker will be expected to attend the meeting nearest his community so he may carry the latest word from American Red Cross to each contributor. Dates and places of meetings will be announced next week.

War Fund Chairman for Independence is C. W. Robinson, Clarkston; for Springfield, Rev. Ralph W. Brown, Davisburg; for Brandon, Mrs. Clare Wolfe, Ortonville.

The American National Red Cross has recently sent out an appeal for individuals who wish to go into overseas service with the Red Cross according to Judge H. Russell Holland, chapter chairman. As the battle fronts are widened the responsibilities of the Red Cross increase and a larger personnel is necessary. Women between the ages of 25 and 45, in good physical condition, and with the necessary qualifications, may be considered eligible for one of these essential positions.

Men of mature judgment and understanding, physically sound, and between the ages of 30 and 50, with the necessary background are eligible for overseas assignments.

## The Sweetheart Bawl At Clarkston School

Another evening of fine entertainment is in store for the folks in this community. On Friday night, Feb. 9th, the Seniors of the Clarkston High will sponsor "The Sweetheart Bawl" from 9:30 until 12:30.

Dancing will start after the basketball game and the music will be by Walt LaPlante and his orchestra. Refreshments will be served. If you did not attend the dance after the game last week then you have no idea what a good time you missed. Many said after the dance that they had the best time they ever had at a dance at the school. Now the seniors promise you just as much enjoyment if not more and they extend a cordial invitation to everyone in the district. They want you to attend and they ask you to bring your friends.

Have a good time with the young folks of your community on Friday night, Feb. 9th.

## Boy Scout News

**BOY SCOUTS GET LIBRARY**  
The Boy Scouts of Troop No. 49, Clarkston, have now a Merit Badge Library, thanks to Mr. Herbert Ponting of Detroit, who made it possible through a generous Christmas gift. The library will contain all the books of the Merit Badge series that any Scout may wish to study, plus an extra copy of those subjects required for Life and Eagle ranks. This will be a real convenience to the Scouts and will encourage advancement. Up to now it has been necessary for the Scouts to go to Pontiac Library for these books. Roy Johnson has been appointed Librarian.

Mr. Ponting is a frequent visitor to Clarkston, and has become acquainted with several of the Scouts and Scouters who are truly appreciative of this useful gift.

The Scribe.

## SCOUTS SEE HOCKEY GAME

Henry Huber Jr., William Ludwig, Roy Johnson, David Leuk and Dale Sutphen were all guests of Mr. Ponting at Olympia in Detroit to see the Detroit Red Wings beat the Chicago Black Hawks at hockey, last Saturday. This was the first big league game for most of the Scouts. They were accompanied by Mr. Leuk, Mr. Anderson, Mr. Ivenon and Mr. Wells.

## Garden Need Is Greater in 1945

The need for victory gardens this spring and summer will be as great, if not greater, than in 1944, states County Agricultural Agent Karl D. Bailey who urges Oakland county folk to start making plans now for gardens that will accurately fit the family needs.

Gardeners should profit from last year's experiences, and avoid growing crops that did not measure up to the family tastes. It is good gardening either to omit them entirely in this year's plans or cut them down to what the family will use.

But more vegetables are necessary, especially for canning, if nutritional balance is to be maintained. Paul R. Krone, Michigan State college extension specialist, reports that a Michigan State Victory Garden program survey revealed less than 40 percent of the families in the state canned more than 25 quarts of fruits and vegetables per person the past season. This is not a sufficient supplement, under present rationing restrictions, to make up the 85 to 115 quarts each person needs.

Positions which are open for applications are Field Directors and Assistant Field Directors; Recreation Workers; Case Workers and Social Service Staff; Staff Aides (women); stenographers (women); Club personnel.

Age requirements must be strictly adhered to and it is useless for anyone to apply who is not within the age brackets. Also no commitment can be made as to the theater of war into which an overseas employee may be sent, but applicants must be willing to go anywhere. Married women with children under 18 cannot be considered for overseas positions nor will these with husbands serving overseas be sent into the same zone of operations. All applicants will be required to pass careful physical examinations and no exceptions can be made for those failing to pass them. A statement of availability must be presented by the applicant before an employment commitment can be made.

Applications may be made to the American Red Cross, Midwestern Area, 1709 Washington Ave., St. Louis 8, Mo.

## "Chick" Gaffney Will Be Speaker

The presence of every parent in the locality will be a "must" at the next P.T.A. meeting on Wednesday, Feb. 21st. The guest speaker will be "Chick" Gaffney organizer of the Pontiac Boys' Club. Mr. Gaffney is interested in the welfare of young people and he has grand recreational ideas. You are interested in your young people and you are anxious to see that they have good, wholesome entertainment. It would be a splendid idea for you to plan now to attend the P.T.A. meeting on Feb. 21st and hear what the speaker has to offer.

## Clarkston Girl Weds In Arkansas

On Tuesday, January 23rd, at 8:30 in the evening Phyllis E. Walter, daughter of Mrs. Carrie Walter of Clarkston and Technical Sergeant W. Kenneth Skelton of Pontiac spoke their marriage vows at a double ring ceremony in the Methodist parsonage at Blytheville, Ark., with the Reverend F. W. Nash officiating.

The bride was smart in a winter white wool dress with brown accessories and an orchid corsage.

Two sergeants, M Sgt Morrison and S Sgt Hall, friends of the bridegroom, were their only attendants. After the ceremony the young couple left for Memphis, Tenn., where they spent a few days. Mrs. Skelton plans to stay in Blytheville as long as he is stationed there.

Mrs. Skelton graduated from the Clarkston High School in the class of '43. Prior to her marriage she was employed at the General Motors Truck and Coach in Pontiac.

## Farm Bureau Gains Memberships

The Farm Bureau drive for memberships was successful. At the present time we have over 500 paid memberships in Oakland County and several townships have not yet reported. The returns are not complete but this is the record so far: Avon, 51; Highland, 49; Holly, 45; Groveland, 38; Milford, 27; White Lake, 34; Novi, 26; Rose, 23.

Next week we expect to have more returns. 150 people attended the instruction meeting.

James Mitchell, Chairman

## Perhaps

Suspenders red and yellow tie;  
I wonder now one time did I  
Adorn myself in gaudy hues  
With pant-rolled high above my  
shoes.  
Stopped down, spread out across  
the chairs;  
To heck if anybody cares.  
I look back years, if I can see  
If things like these were done by  
me.  
A shrugging shoulder takes away  
All thoughts that may have caused  
dismay.  
Years back, at trouble could I scoff,  
And shake my head and laugh it  
off?  
The changes made since I was  
young,  
In serious times as well as fun  
Are due in part to lives we lead  
And changes made to meet the  
need.  
Perhaps these kids have watched  
us fret  
'Bout things that haven't happened  
yet.  
Have watched us plan for years  
to come,  
And grow too old to have our fun.  
Perhaps this carefree way of  
theirs  
Will somehow alter world affairs?  
Will make this life a bit more free,  
Than it has been for you and me.

 GMC TRUCK & COACH TO  
 HELP BUILD THE ARMY'S  
 NO. 1 TRANSPORT TRUCK**

The truck loads of shells in the photo above won't last many minutes at the rate that American fighters are firing them! The guns of the Artillery, the tanks and planes that carry cannon, use up so many rounds of ammunition that huge stockpiles are depleted almost overnight. The GMC "six-by-six" military truck, the most numerous transport vehicle at the fighting fronts, plays an important part in "passing the ammunition" to the firing line. Because truck lines are more flexible than any other form of transportation, the GMC can quickly move the ammunition from docks to dumps and on to wherever it is needed on the field of battle. GMC has built nearly half a million military trucks but the stockpiles of these vehicles have been depleted, too. It's up to the men in the Pontiac area to pitch in and help replenish them by getting a job at GMC Truck & Coach today!

Victory depends on everyone, every day. Last time puts a brake on America's final drive for Victory. Whether you're working at GMC or on some other war job, stay on it every minute. Under war conditions, this is tough—but war is never easy. Reduce absenteeism and make time work for us—not the Axis.

### Hearts Both Young and Gay

By BARBARA B. BROOKS

When February 14th rolls around Cupid sets the theme, the poet writes the sonnet, the artist paints the Valentine. But you can out-manuever them all if you personify the occasion in the form of a delicious dessert!

Serve these gay Valentine Apple Stacks to your bridge crowd, buffet supper gathering, or for the children's party. And if you'd like to add a personal touch, write the name of each guest on top of the frosting with the aid of a pastry tube!

#### Apple Butter Stacks

- 1 recipe bran pastry
- 1 cup apple butter
- 1 4-ounce package cream cheese
- 1 teaspoon lemon juice

Roll bran pastry on floured board to 1/8 inch thickness. Cut with large cutter into heart-shaped pieces. Prick and bake in hot oven (450° F.) about 10 minutes or until light brown. Cool. Put hearts together with apple butter between, using a stack of three for each serving. Spread cream cheese softened with lemon juice on top of stack. Serve at once.

- #### Bran Pastry
- 1/4 cup bran
  - 1 1/2 cups flour
  - 1/2 teaspoon salt
  - 1/2 cup shortening
  - 4 tablespoons cold water, more or less

Roll bran until fine; combine with flour and salt. Cut in shortening. Add water, a little at a time, until dough is moist enough to hold together.

- #### Bran Honey Wafers
- 1/4 cup butter or margarine
  - 1/2 cup brown sugar
  - 1/2 cup bran
  - 2 cups flour
  - 1 teaspoon soda
  - 1/2 teaspoon cinnamon
  - 1/2 teaspoon cloves
  - 1/2 teaspoon allspice

Cream shortening and sugar together for one minute; cool. Crush bran slightly. Sift flour with soda and spices and add to first mixture with the bran; mix thoroughly; chill.

Roll dough on floured board to about 1/16 inch thickness. Cut with floured cookie cutter and bake on greased baking sheet in moderate oven (350° F.) about ten minutes. Yield: 5 dozen cookies (3 1/4 inches in diameter.)

Note: Dough is excellent for cutting fancy shaped cookies because it holds its shape.

Pontiac Lake spent last Sunday with Mr. and Mrs. Fred Williams and family at Howell. Mr. and Mrs. M. M. Stein of Seeley Ave., are spending several weeks in Chicago and will attend their daughter's graduation on Feb. 7th at the Temple Judea.

T/5 Pat Wall was home on a 3 day pass from Gardner Hospital in Chicago, last weekend. He was 35 months in New Guinea.

Last Tuesday evening the Mother singers of Drayton Plains and Pontiac met at the home of Mrs. Edna Terry on Warren Drive. They rehearsed the songs that they were to sing at the Pontiac Eastern High School.

#### LAWS TO ASSURE DOG HEROES' WELFARE

Stirred by revelations of useless cruelty, dog lovers are urging Congress to protect K-9 veterans, America's valiant canine soldiers, from vivisection. Get this Sunday's (Feb. 4) issue of The Detroit Sunday Times, bringing you The American Weekly, with an article on these dog heroes and many more exclusive features.

Michigan's 83,554 sportsmen who bought federal duck stamps last season earned third place rating among the states. In all, nearly 1,170,000 stamps were sold.

Minnesota is in first place, with sales of 95,446 stamps; California second, Texas and Illinois fourth and fifth. Issued first in August, 1934, the stamps cost \$1.00 each.

Ninety per cent of the money realized from sales of stamps is used for purchase and maintenance of waterfowl refuges throughout the country.

**Two Flower Winners**

By BETTY BARCLAY

Each year flower lovers eagerly watch for announcements of new prize-winning novelties. To them, it is extremely important that such flowers bloom in their own gardens, before, or at least as soon as they bloom anywhere in the community. Old flower friends are still cultivated, but these new flowers are a "MUST."

So, flower lovers, here are "Real Gold," Burpee's New Giant Carnation Flowered Marigold, the All-America bronze medal winner for 1945, and "Flash," a new French Marigold, the All-America silver medal winner — also a Burpee product.

"Real Gold" is the largest of the carnation-flowered marigolds; flowers grow 4 1/2 inches and more across and are very deep headed. The color is quite distinct — that nice "in between" tone of golden orange shaded yellow. Some call it mid-orange; others, glowing gold, but I like to think of the color as real gold. Flower form is rather interesting because the petals are of different lengths and shapes and being placed irregularly give an informal and pleasing appearance to the immense bushy. Plants are compact and bushy, 20 to 25 inches tall. Ideal for beds and borders, cut-flowers and exhibition.

"Flash" Marigold plants begin to flower in 8 weeks from seed and continue to bloom and bloom until frost. Flowers are single, 1 1/2 inches and more across, and come in a bright combination of colors which range from vivid red through bronze with a few yellow flowers to give a harmonious contrast. In most of the flowers a base color of tangerine is overlaid or marked with rich marigold-red. In cool weather, this velvety-red predominates in the youngest flowers, while in hot weather the tangerine predominates. Strong, medium-length stems recommend the flowers for cutting. Valuable for edgings, borders, beds and pot plants. Uniform, compact, mound-like plants 18 inches high.
