CLARKSTON, MICHIGAN, FRIDAY, MARCH 30, 1945

NUMBER 31

## Consider Giving Just A Little More

With only today and Saturday left the Red Cross quota for Independence Township is still lacking \$425. A dollar from you—and you—and you perhaps would never be missed but oh! how much the Red Cross could do with those dollars. Please contact any Red Cross worker, stop in at the Clarkston State Bank or call Charles Robinson, chairman in this township.

## Good Friday Service At Methodist Church

The Good Friday Service which will be held this afternoon at the Methodist Church will begin at one o'clock. It will be one hour in length enabling those who must be back to work later in the afternoon to have ample time. The Reverend Mr. William H. Collycott of Rochester will be the guest speaker.

## Townships To Vote On Soil Conservation

At a meeting of the County Land Use Planning Committee held Friday, March 16th, in the County Office Building, and attended by leaders of the Farm Bureau, the Grange, and a dozen rural supervisors, a decision was reached to hold a special election in each township of the County on April 16th.

The purpose of the election is for the establishment of a Soil Conservation District in Oakland County. The hours for the election are from 7:00 P.M. to 10:00 P.M. on that date.

Perry Vaughn, Supervisor of Bloomfield Township, was selected as the County polling superintendent. The election is conducted on the order of the State Soil Conservation Committee of Lansing.

Selection of township polling committees of three officials was also made:

HEADQUARTERS, 13TH AAF, SOUTHWEST PACIFIC—On foreign duty for twenty-five months, Staff Sergeant Joseph G. Starkovich, son of Mr. Stanley Starkovich, 51 Third Street, Roslyn, Washington, and whose wife, Mrs. Alice P. Starkovich, lives at 5795 Pine Knob Road, Clarkston, Michigan, has been assigned to a supply and maintenance company of the 13th AAF Service Command in the Southwest Pacific.

Sergeant Starkovich was inducted into the Army in March, 1941, at Fort Lewis, Washington. He served at Selfridge Field, Michigan, before departing overseas.

SOMEWHERE ON LUZON—2nd Lt. Stephen P. Siddall, son of Paul Siddall, Teagerdine Road, Clarkston, Mich., has been awarded the Purple Heart for wounds received during the 38th (Cyclone) Division's drive across northern Bataan.

Lt. Siddall, a platoon leader of Company D, 152nd Infantry, has recovered from his wounds and has returned to command of his platoon.

He has been overseas for 14 months, and before seeing action in the Luzon campaign, he served in Hawaii, New Guinea, Samar and Leyte.

Two Chicago ordinance district employes have been awarded \$250 each for suggestions which brought annual savings of \$160,000 to the government. Col. John Slezak, chief of the district's employe suggestion committee, announced. The men are Richard J. Seeterlin of Clarkston, a resident ordinance inspector for the Studerker Corp., of South Bend, Ind., and Clark W. Sims, a production engineer in the small arms branch.

March 14-45  
Hello Folks:  
I received three papers yesterday so I am writing to thank you. It seems good to get a home town paper. I know I like to read them. Although most of the names are of people I don't know it is still nice to hear about the old home town. It seems like a long time ago since I was last there. I recognized some of the places where some of the fellows are over here by their APO. I haven't met anyone from home yet. I don't suppose I would recognize most of them anyhow.

I imagine Clarkston is the same as ever. I remember how we used to go to O'Dell's for cokes. I hope we can all do it again soon. I think the mothers' club and others are doing a swell job. I haven't received any of my Christmas boxes as yet but I hope to soon. I am sure all of the men and women from home enjoy the paper as much as I do. I was sorry to hear that Beattie's garage burned down.

It is pretty nice where we are now. It gets pretty hot here but it gets cool at nights so we can sleep.

I guess this is all for now. I will write again soon. Thanks again for the papers.  
Sincerely,  
Lyle Wiechert

March 17-45  
Dear Mr. Stamp:  
I want to write and thank you for your paper which I appreciate very much. I have been getting it ever since I have been overseas and that is about two and a half years, which is a long time in these old jungles. We have moved a long ways. We came up through the southern Pacific and now we are in the south western Pacific. So you see we had a long way to go. But we have done a fine job I think. Our first island was the hardest for us and that was Guadalcanal and some of those nights and days I will never forget. Well anyhow I am in pretty good health yet, although we all get downhearted at times and would like to get home, but I hope this war will be the last one.

Well I must sign off. Thanks a lot for your paper, I enjoy getting it very much.

The last of the Family Night pot-luck dinners and Lenten services was held this past Tuesday at the Methodist Church. The dining-room was filled by the folks who came in family groups bringing their suppers. After the meal an old fashioned hymn sing was led by Orlo J. Willoughby with Miss Loisjane Raese at the piano. Reverend Walter C. B. Saxman then spoke briefly about the picture "The Angelus" by Millet. Each person present was given a copy of the picture.

Please phone Adrienne Volberding, Doris Boyns, Ruth Davies or the parsonage.

## The Hilltopper

4-H CLUBS MEET  
4-H Clubs of the Northern part of Oakland County held an achievement day in the School Gymnasium, Wednesday. An evening program followed the day-long exhibits.

Our school assumed the part of host very willingly and we were glad to have so much company.

We'll look for this fine group again next year.

PENNY MILK SALES GROW  
More milk is being bought by students each month. In October and September 2190 half-pint cans were sold. November, 1898; December, 1710; January, 2265; February, 2159 half-pints. On days that chocolate milk is sold the demand is strongest.

The War Food Administration pays for half the cost of the milk and the students pay the other half. Tickets for the month can be bought in advance from Miss Kloock of the Home Economics Department.

MOVIE SHOWN TO ECONOMICS CLASS  
Monday, March 27th a representative from Bell Telephone came to Clarkston High and showed movies to the Economics class.

These illustrated how the telephone system works and showed very clearly how important the telephone is to the war effort.

TENNIS COURTS CLEANED UP  
Much work is being done on tennis courts at Clarkston High School. Many of the students are sorting painful blisters acquired from hoeing and pulling weeds.

They seem to be following Mr. Riddley's example, he has spent many long, hard hours out there working. Have you got a back ache, Mr. Riddley?

10TH GRADE NEWS  
The 10th grade geometry class has now taken over the sale of defense stamps and bonds every Wednesday under the supervision of Miss Tolman. We are trying very hard to win a Minute Man Flag for the school. To do this we must have 90% or more of the school buying for at least 5 cents a week. Come on kids let's get it there and pitch.

We have several Sophomores going out for baseball this season. They are as follows:

Glenn Arthur  
Basil Ash  
Glenn Davison  
Harold Smith  
Albert Cattel  
Darrell Harber  
Kenneth Hempstead

Katherine LaPlante  
CLARKSTON'S BASEBALL SEASON OPENS SOON  
Doc Thayer and his baseball boys have been taking advantage of the nice weather, and have been doing a lot of practicing.

Looks like you have the makings of a pretty good team doesn't it Doc?

Clarkston's first game of the season is with Lake Orion on April 17th. The next game will be with Kego on April 20.

It will be played here in Clarkston so let's hear rooting for your team.

Patricia Stites  
11TH GRADE NEWS  
The Junior play, "That Crazy Smith Family," is coming along very well. We are now practicing the third act, and with about three or four more practices it should be ready for the public. Those on the make-up are Shirley Terry, Marjorie Vliet, and Barbara Lindahl have been experimenting with the cast, and at this point they're doing a fine job, in making the characters fit their parts. The setting and properties for the play are well under way. Tickets are available to the public and may be purchased from any Junior.

Marjorie Vliet  
"THAT CRAZY SMITH FAMILY"  
Characters: Tony: played by Bill Sharp.

Tony is around eighteen, a nice looking husky youngster, clean cut, natural and boyish. He is utterly unsophisticated, but that is what you like about him. Being like all teen-age boys he wears sport clothes a lot.

He shares an important part in (Continued on page 6)

## Home Extension Club Met Tuesday

On Tuesday afternoon the Clarkston Home Extension Club met at the home of Mrs. George Perry on the Highway. Mrs. Glenn Howard and Mrs. James Bennett were the leaders. The lesson was on "Family Recreation is a War Time Necessity". Home Extension Achievement Day will be on April 15th at the Congregational church in Pontiac. The guest speaker will talk on "Geography in the News". There will be a luncheon served at the church at a nominal cost. Tickets must be secured by April 6th.

There will be a special Home Extension meeting at 15½ W. Huron in Pontiac on April 6th the subject for discussion will be "Gardening". All those interested in gardens are invited to attend. This will be an all day meeting. At the close of the afternoon party refreshments were served.

## Memorial Service Sunday Morning

At the eleven o'clock worship service at the Methodist Church a memorial service will be held for two members and friends of the church and members of families connected with the church who have passed away. Folks are asked to bring their Easter plants on Sunday to the church for altar decoration. Each plant is to be marked identifying the owner and the person in whose memory the plant is dedicated.

## Suggestions for Starting Plants

To Victory gardeners equipped with a few plants indoors for setting in the garden, County Agricultural Agent K. R. D. Bailey offers the following suggestions:

Start all vegetable seeds with the soil treated with material, following the directions of the manufacturer.

Get the soil to a temperature of 70 to 80 degrees Fahrenheit in time to permit germination of 6 to 8 weeks. Allow time for the time for germination. Celery and onions require 19 weeks, while melons, pumpkins and summer squash require only 12 to 14 weeks.

Planting should be loose and easy. Use a wooden frame or a similar material with a nutrient solution applied as the plants begin to give good results.

Keep the proper temperatures, 60 to 70 degrees for the plants being grown. Tomato and pepper plants need 70 to 80 degrees; head lettuce, celery, cabbage, onion, broccoli, cauliflower, and brussels sprouts require 55 to 70 F; while beans, cucumbers and squash need 70 to 80 F. For most vegetables the temperature during the night should be from 5 to 10 degrees cooler than during the day.

Thoroughly soak the soil when starting the plants. Frequency of watering depends upon the rate of growth, temperature and humidity.

Soil for date, pots, and hands should be moderately fertile, so that excessive applications of fertilizers are not necessary. Too much fertilizer produces a soil condition that results in slow growth.

Mrs. Grace DeMond of Pontiac spent a couple of days with Mr. and Mrs. Glenn Kerton.

Mrs. Erwin Baker has returned to her home after enjoying a week in Cass City with her sisters.

## W.S.C.S. Circles Meet Next Week

On Tuesday the Mary Circle of the W.S.C.S. will meet at the home of Mrs. Robert Jones, 57 Robertson Ct. There will be a pot-luck luncheon at 12:30. Each person asked to furnish her own table service and a dish to pass. Please note that the place of meeting has been changed. Several dishes have been left at the church since the night of the Boy Scout banquet. Check your dishes and see if some of these unclaimed ones might be yours.

The Dorcas Circle of the Methodist W.S.C.S. will meet at the home of Mrs. John Alander next Wednesday afternoon, April 4th, at 2 o'clock.

The Martha Circle will meet at the home of Mrs. Ward Robbins on Wednesday, April 4 at 2 o'clock. Members are asked to take along any needlework that they are working on for the bazaar in the fall.

The Priscilla Circle will meet at the home of Mrs. T. S. Boyns on Thursday afternoon, April 5th at 2 o'clock. Mrs. W. R. Boyns and Mrs. Howard Stewart will be co-hostesses.

Community Activities  
Several persons will be members of Christ Lutheran Church through Confirmation or letter at the nine o'clock service at the Community Activities Building this Sunday morning. The public is invited. Sunday School will follow at 10:15. There will be Holy Communion next Sunday morning.

500 will be played at the Club House Monday evening. All interested are invited. There will be prizes and each person attending is asked to bring own sandwiches. Coffee will be served.

The meeting of the Community Youth Club is opened at 7:30 by Delwin Richardson on Tuesday evening. All youth members of Community Activities who are in or above the ninth grade of school are invited to attend.

The weekly youth meeting at the Club House is open from seven until ten on Wednesday. This is open to all the youth of this area.

The Ladies' Auxiliary of Community Activities will have its regular monthly meeting, with Mrs. Ralph Vogel in charge, at 8:00 Thursday evening. The Auxiliary is sponsoring its regular "Hi, Neighbor" Benefit dances in April on the seventh and twenty-first. The orchestra is one to be very proud of and is composed of musicians who are members of C.A.I. and the music is exceptionally good. The caller is also a member of the C.A.I. These are public dances with music for men and old time dancing and are enjoyed by family groups. The newly organized Youth Club is sponsoring the sale of refreshments with Delwin Richardson and Patricia Stites in charge of arrangements and assisted by several other members. The Youth Club uses its proceeds for buying equipment used by the youth at their regular Tuesday night meetings.

The Auxiliary now has \$130 to turn over to the treasurer of Community Activities which represents the proceeds from the March "Hi, Neighbor" dances.

Mrs. Erwin Baker has returned to her home after enjoying a week in Cass City with her sisters.

## Shower Honors Recent Bride

On Wednesday evening of last week Mrs. Lloyd Gudgell and Mrs. Maxine Porritt entertained at a miscellaneous shower at the home of Mrs. Guigell honoring Mrs. Walter K. Skelton (Phyllis Walter) a recent bride. The evening was spent playing Bag and the girls enjoyed reminiscing. Mrs. Skelton received many lovely gifts. Refreshments were served. Guests were from Pontiac and Clarkston.

## Clarkston Rotary Elects Officers

At the meeting of the Clarkston Rotary Club last Monday night the following officers were elected: president, Earl Terry; vice president, Ralph Marshall; secretary, Arthur Schurz; treasurer, William Burns; directors, Everett Butters, Earl Hoyt and William Vliet.

## Girl Scout News

When the Girl Scouts met last Tuesday we had our usual business meeting and roll call after which the girls went on a hike.

The ceremony presented at the P.T.A. on Wednesday of last week was a success. Each girl lit two candles and gave a law or a field of activity. Four girls read what each law or activity meant. The law readers were Betty Stauter, Patricia Carpenter, Norma Terry and Carolyn Waterbury. All of the girls did nicely.

Mrs. Pearl Cree, who slipped on a step about three weeks ago and broke a broken arm, is spending her weeks with her uncle in Waterford.

Little Rose Marie Jones of Redford is spending a week with her grandparents, Mr. and Mrs. Forrest Jones. She has just recovered from pneumonia.

Last Sunday dinner guests at the Robert C. Beattie home were Mrs. Edna Lambertson and two children of Waterford. The occasion was to celebrate Bobby Jim Beattie's birthday which occurred Saturday.

"Tessie"  
(Mrs. Esther Newlands)  
(Hostess at Delray Beach, Florida)

A home away from home I've read, describing the life at U.S.O. And it upholds all that is said about this place, where soldiers find a home.

A welcome hand, a cheery smile, A snack bar too with things to eat, With chairs arranged in homelike style.

To boys in camp is quite a treat, The food is good, the music fine, The atmosphere is just the best, While young men stand in patient line.

To have a word, with hostess Tess, While Tessie never was her name, They have to think of her as such, As years of love have brought her fame.

Then boys, who need a mother's touch, She laughs, then laughs, she lives in their joy.

She listens to their tales of woe, She talks of home with all the boys, And of their problems comes to know.

She dread the coming of the day, When they must leave for parts unknown, Her thoughts go with them on their way, As if they were sons of her own.

He who returns from overseas, Must show his stars and stripes of gold, For she's as proud as he of these; When he comes back into her fold.

Buy your commercial fertilizer this week so you'll have it on hand to apply just before plowing or working your garden. You'll need three pounds per 100 square feet. Don't get overly enthusiastic and spade or plow clay soils when the're too wet. If you do, you'll have hard clots to fight all summer.

Next Sunday, April 1, is Easter... one of the year's outstanding religious festivals.

On Easter, let's each of us go to the church of our faith and offer a prayer for the rebirth of Peace... for the safe and early return of our loved ones serving in the armed forces overseas or here at home.

Do this in the name of Him whose resurrection gave hope to the world.

Those things are PEACE Bonds, too!

BEFORE you cash a War Bond—wait. Spend a minute thinking of the days when there'll no longer be a War. Chances are you've saved more in those bonds than you've ever saved in your life. And if you keep them till maturity, they'll be worth four dollars for every three you put in! What you're holding there can be a home of your own, some day. Or a start in your own business. College for your kids...

no better feeling than knowing the money's there if you need it. But that's not all. Those bonds help guard this country against inflation. The money you spend unnecessarily helps bring on inflation. And that means—well, another depression. Bad times after the war instead of good ones. Bread lines instead of jobs. So take it easy. That's your future you're holding. Hang on to your bonds!

Coventry, England

Dear Mr. & Mrs. Davison:

Hope you don't think I have forgotten you, or got the "chop". You've heard all my excuses before so I won't bother writing any more down.

Yes folks, I have finished bombing Germany, for a while at least. We went out on our last operation two days before Christmas when I was enabled to enjoy Christmas in peace. We had a simply wizard time in the mess; we had a few of your air men with us, their kits having landed the day before and I'm very pleased to say that they too had a wizard time. My pilot, Jock, and myself have now 50 trips to Germany to our credit, 13 of those have been to Berlin. I think I've paid off quite a chunk of the debt they left when they pounced upon Coventry one night.

Now all of the excitement has gone and I realize now just how thrilling it has been. Waiting by the aircraft as the sun goes down beyond the edge of the drapery, the strange silence of the night, the Merlins roar to life, flying through the clouds on a final dash to something so beautiful, it is difficult to reproduce in words when below appear as masses of cotton wool of delicate pines and above to sky is always blue.

Before I use all of the paper I better tell you that my Christmas has come through OK. You wouldn't recognize the box, but it's flat cap. I see that Part A is a closer now. Well, I'll be back. I must finish my letter now. Give my regards to the folks. Isn't the war getting a bit boring?

AP (Aunt)

Dear Mr. Stamp:  
 I just received a wonderful package from the people of Clarkston and I want to take this opportunity to thank you and all the folks that helped with this gift, although it was a little late I appreciate it and every item is proving to be very useful. Well, hope everything in Clarkston is going day by day. Boy it will be a good day.

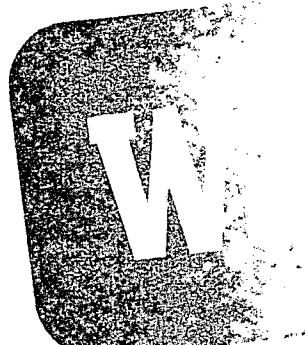

Dear Mr. Stamp:  
 Well, so glad to hear from you for Christmas. I was sure you'd write. Tell you I see you're still in the ton. News pretty good. I'm acquainted there. I hope you'll write for the paper. I'll be glad to read the letters. I'll be glad to thank all of the service boys for the very nice packages. I'll be every year at Christmas. I'll be now do know the best of the mess over home. I'll be glad where a fellow can get a lot of much. Everyone was a lot of

you can bet. Only hope I will be back to Clarkston before too long now. Has been 3 1/2 years since I last saw the little town. Must be a lot of changes made in that time, with all the things going on all over the country.  
 Well it's lights out here folks. So long to all  
 Yours truly

Your Cheerful Cooperation Makes the "Brown-out" a Success

2500 Tons of Coal Saved Each Winter Month

In southeastern Michigan alone—in the area served by Detroit Edison—the "brown-out" will save 2500 tons of coal each winter month by reducing the use of electricity.

Three "Brown-out" Suggestions

Businessmen sacrifice a good lighting tool when they turn off their window and outside lighting. But they are helping for the "brown-out."

- 1. Don't assume that dark windows and unlighted signs mean that your merchant's store is closed. 2. Seek out your merchant even though his darkened store front is harder to locate. 3. Don't alter your shopping habits because of the "brown-out."

Your merchants are doing their share. You can help them and yourself by cooperating.

Know the Difference

Diagram comparing BLACK-OUT (complete elimination of outdoor lighting), DIM-OUT (dimming and shielding all outdoor lighting), BROWN-OUT (elimination of unessential lighting), and WHITE-OUT (rendering an army practically invisible).

 12TH GRADE NEWS  
 Miss McDonald, head of Civil Service for the Pontiac area spoke to the Economics class on Friday. She told how Civil Service originated, its purpose and how it now operates.  
 In 1820 a Tenure of Office Law was passed which restricted office holders to 4 years terms. From that time until 1841 the Spoils System was in effect.  
 This evil was brought to the attention of the whole country when our president was assassinated and in 1883 a civil service law was enacted. In that year the government employed 11,000 people who had to pass Civil Service exams. In 1936 the number had increased to 5,000,000. Now there are many more since some of the regulations have been somewhat relaxed during war time, since so many workers are needed.

To be eligible for a Civil Service job, you must pass a medical exam, be a citizen of the U.S., owe no allegiance to the U.S., be fingerprinted, and pass the written examination for the particular job. Then when the time comes you will be placed in a job for which you are qualified.

Karl Bailey, county agricultural agent, has been issued a type of seeds which he said will produce a very hardy corn. It is the Chewing Fodder and Domestic Hy-Grass.  
 Also he recommended that in the

spring a commercial fertilizer with a high nitrogen content be applied to the ground at the rate of 20 lbs. per 1000 square feet.  
 Then seed the ground thoroughly. A second seeding is advisable to insure a thorough covering of the ground.  
 In the fall commercial fertilizer of a high potash content should be applied.  
 This advice has been followed in the reseeding of the school lawns.  
 The first seeding took place on Monday, March 12.

**A TELEPHONE CAN'T WORK BY ITSELF**

Like others, the Bell System will have to convert its telephone factories to civilian production after the war. But when post-war automobiles, refrigerators and washing machines leave the manufacturers, they'll be ready to use. With telephones, it's different.  
 After we get new instruments and equipment, there is the long, painstaking job of installing and joining them to the present system.  
 Many new buildings must be erected; others enlarged. Billions of hand-soldered switchboard connections will have to be made. It's time-consuming—even a small section of central office equipment contains thousands of those connections, and space allows only

a few men to work on it at one time. Then, too, thousands of miles of wire and cable must be constructed to connect telephones to central offices.  
 So that we can provide service for the 100,000 orders on our growing waiting list and again install telephones promptly wherever wanted, Michigan Bell plans a five-year post-war construction program costing \$120,000,000. But even working at that rapid rate, it will take at least two years before telephones generally can be installed without delay.  
 If you are waiting, we appreciate your patience and understanding. We will supply you with service just as quickly as we possibly can.
