Far Eastern Policy Discussed By Speaker

Clarkston Rotarians and several guests heard an informative talk on the contrast between American and Japanese colonial policy at the meeting of the Rotary Club on Monday night. Mr. Rudolph Herman, Czech consul to Manchuria (1933-1938) described the Japanese policy as one of misrepresentation, exploitation, coercion and aggrandisement. The Japs allowed universities, on paper only, to their Chinese subjects of Manchuria; courts were dominated by the Japanese military and industrial gains made exclusively in the direction of the Nipponese. Still, the Japanese called these methods and actions an "Asiatic Co-prosperity". Naturally, this policy induced no loyalty within the Chinese.

By contrast, Mr. Herman pointed to the United States policy of commonwealth as one in which democracy prevailed. There were several universities and technical schools in Manila; the Filipinos worked side by side with whites; their courts had jurisdiction similar to like courts in the U.S.A. Their army was an independent unit; parliamentary government was in effect and the president was elected under a constitution. America's reward was the loyalty of the Philippine people. The speaker's MacArthur mightily thwarted the Japs in every possible instance.

It was Mr. Herman's view that our policy might be a suitable one to serve as a basis for the San Francisco conference.

Paul H. Jones To Talk Monday, April 30

Paul H. Jones from the Garden Educational Service of the Ford Motor Company will be guest speaker at the Clarkston Rotary Club on Monday evening, April 30th. In the afternoon Mr. Jones will show colored slides and give a talk at a special assembly to be held in the auditorium of the Clarkston School at 3 o'clock. Parents are especially invited to attend the meeting at the school in the afternoon and it is hoped that many will avail themselves of the opportunity to enjoy this interesting and instructive program. These programs are under the auspices of the local Victory Garden Committee and by courtesy of the Ford Motor Company.

Evening Of Fun Enjoyed By Youth

The Clarkston Youth Center under the patronage of Mr. and Mrs. Earl Terry and Mr. and Mrs. Glenn Howland at the Masonic Temple was well attended again this Wednesday evening. A large number of Clarkston High School and Junior High School students make this their weekly night of fun and frolic. Ping-pong and other games are the big attractions for many of the youth.

The youth committee sponsoring the Youth Center includes Adriaan Volberding, John Ronk, William Sharp and Frank Ronk. Those in charge of refreshments are Ruth Davies, Tommy Slick and Barbara Steward.

Coming Events

Oakland County Association, O. E. S., will meet Wednesday, May 2nd, guests of Royal Oak Chapter No. 392 at the Masonic Temple, 412 Main Street, Royal Oak. The meeting will be called for the morning session at 10:00 Eastern War Time, and the afternoon session at 1:30, with past presidents of the Oakland County Association exemplifying the degrees.

Our Boys and Girls In The Service

Ralph York is expected home from Percy Jones Hospital for the weekend.

Stan Radeyev has been promoted to Corporal. He is with the 194th Field Artillery in France.

Pvt. Herbert W. Gador is home on leave from Camp Robinson, Ark. On Sunday a family dinner was served at the home of his parents, Mr. and Mrs. H. J. Gador of Clarkston Station, in his honor.

Stanley J. Spencer, H.A.1.c. and Mrs. Spencer spent the weekend in Clarkston with his parents, Mr. and Mrs. Roy Spencer. Stanley is stationed in Sampson, N. Y. and Mrs. Spencer is living in the east while he is there.

PFC Edward H. Simerson returned to Fort Story, Va., on April 20th after spending a ten day furlough with his parents, Mr. and Mrs. Charles Simerson of Andersonville.

Ross Kerton, son of Mr. and Mrs. Glenn Kerton, has been accepted in the Merchant Marine. When he will be called for duty is indefinite.

Clarkston Woman Fatally Injured

As the result of an automobile accident on the Dixie Highway last Friday night Mrs. Eugene Hubbard passed away in the Pontiac General Hospital on Monday afternoon. The car in which she and her husband and six weeks old son, Michael, were riding north on U.S. 10 was sideswiped by a car going south, according to deputies. The occupants of both cars were taken to the hospital but the driver of the car going south was released after his injuries had been treated. However, the Hubbards suffered severe injuries and had to remain in the hospital.

Mr. Hubbard was released from the hospital on Wednesday evening about 5 o'clock. The baby, who suffered a skull fracture, is still in a serious condition.

Mrs. Hubbard, 22 years old, was born in Pontiac the daughter of Mr. and Mrs. Arthur Legg, who survive her. She had lived her entire life in the county. She attended the Pontiac High School and the Business Institute. The funeral services were held in the St. Trinity Lutheran Church in Pontiac on Thursday afternoon with burial in Perry Mount Park cemetery.

Mothers And Daughters To Banquet May 11

The W. S. C. S. of the Clarkston Methodist Church will sponsor a Mother and Daughter Banquet on Friday, May 11th in the auditorium of the school. The affair this year is being held at the school in order to accommodate a larger crowd. The program promises to be very unique. The speaker will be Mrs. R. C. Poucher of Dundee, Mich. Mrs. Poucher and her husband have travelled a good deal and in doing so Mrs. Poucher has made quite a collection of dolls. In her talk she cleverly weaves in stories of the dolls and makes it so interesting that every mother and daughter in the community will want to hear her and see the beautiful doll display.

Tickets will be limited to 200 so make your reservations early by phoning Mrs. Glenn Boner, Clarkston 4206.

National Clothing Drive Ends This Week

Have you done your bit for those people who are suffering for want of something to wear in those lands where war has caused death and destruction? Clothing or bedding that you could spare would be greatly appreciated. Leave your contribution at either of the Clarkston Churches, the school or the Township Hall.

Church News

CLARKSTON METHODIST
Walter C. B. Saxman, Minister
9:45 (E.W.T.) Church School.

CLARKSTON BAPTIST CHURCH
10:30—Sunday School
11:30 Morning Worship
6:00—Young People will meet.
7:30 Evening Service.
A Junior Church for children up to and including 12 years of age has been organized. This children's service will be held at 11:30 every Sunday morning in the basement of the church, the same time as the regular church service. This Junior Church was organized last Sunday and is under the direction of Mrs. Joseph Jencks. There were about 75 at the service last Sunday morning. All children up to 12 years are invited and urged to attend.
The church choir will meet at 9 o'clock next Thursday night. The director will be Mrs. Walter Balogh.

Boy Scouts To Collect Waste Paper, Saturday

Get your waste paper ready for the Boy Scouts. They will make a collection on Saturday, April 28th. This is the last collection for the Eisenhower drive. Help our local scouts win the Eisenhower medal by giving them all the waste paper you can find. A bundle from every home would be appreciated.

Girl Scout News

When the Girl Scouts of Troop 17 met last week we made plans for activities for the rest of the year. Next week Norma Terry and Janet Keelean will give a first aid talk for "Health and Safety" which is one of the activity fields. Also Patricia Carpenter and Mary Jane Beattie will give skits from some good books. We received compliments on the way we did our dance "The Irish Jig" at Pontiac a couple of weeks ago. We held a short business meeting and our official circle.

Mary Jane Beattie, assistant scribe

The Hilltopper

STAMP NEWS
Last week the Juniors won the trophy. Last week we dropped below our 90%. Next week let's try to get 100% in every class. If we don't keep that 90% average up, we will not be able to fly the Minute Man Flag. This week we plan to have each salesman go around and give each class a little pep talk. Maybe it will help the students to remember their dimes and quarters.

12 GRADE NEWS
Last Monday Mr. William Stamp spoke to the Economics class on the business of editing and publishing a country newspaper.
Mr. Stamp told us that the preparation of a newspaper is largely divided into four divisions: circulation, advertising and press work.
Much of the news is secured by the editor himself, although the school, clubs and various other organizations send in news of interest.
Of the approximately 3,000 small newspapers in the country, Mr. Stamp told us that perhaps 1,000 of this number still set up their type by hand. More up to date newspapers, including the Clarkston News, use linotype machines.
Advertising can be traced back to Abraham Lincoln's Gettysburg address in which one line reads, "Little note nor long remember". Mr. Stamp pointed out that since this phrase is very true advertising is necessary and virtually keeps a paper going.
A newspaper man should be physically fit. Ordinarily, though, it's not hard work, but the only person you can rely on is yourself.
You've got to like your work, be able to feel at home anywhere and have lots of friends. He must have a good control of English, know how to spell and be somewhat of a salesman.
One of the greatest advantages of publishing a country newspaper is the service you render to the public.
Newspapers are the heart of the community and should try to maintain a high ethical standard. In regard to this last statement Mr. Stamp closed the period with this thought: "You haven't been a success at your work unless you have left it a little better than you found it."
Mary Drake

Waterford-Drayton Rotary To Send Boy Scouts To Camp

The Waterford-Drayton Rotary club will pay the expenses for four Boy Scouts from this area, two to be chosen from the Drayton Plains group and two from the Waterford group. They are to be selected by their Scout masters according to merit. Arnold Hardley from William Lake was a guest. Tom Corn, Capt. Stoll, and Ed. Fuller reported that huge piles of clothing have come in for destitute Europeans. President Bill Cohoon was program chairman for the day. Following the regular meeting the following officers for the coming year: President, Norman Roth; Vice-President, James Covert; Treasurer, Cliff Schoenals; Secretary, H. J. Van Vleet; Sergeant-at-Arms, Art Johnson. These officers together with Bill Cohoon, past president and James den Herder, constitute the board of directors for the following year.

Clarkston Locals

A guest this week at the home of Mr. and Mrs. Joseph Hubbard is her sister, Mrs. James Crum, of Stanton, Mich.

Efficient Use Of Labor Needed

If the labor supply available to Oakland county farmers is to go around this spring and summer, wholehearted cooperation is needed from all farm operators, emphasizes Karl D. Bailey, county agricultural agent.

Most important of all is the need for full use of local labor before tapping the supply available from outside the county. Keeping local workers busy throughout the growing and harvesting season will make the foreign labor supply stretch farther.

Exchange of work and machinery among neighbors is another way to get more done with less outside hiring.

Then, too, there is the possibility of increasing the efficiency of the employees. Farmers need to give more adequate training to inexperienced help. A 10-percent loss in efficiency would lower the horsepower needs 10 percent.

Farmers wishing information either on adult or teen-age workers that are available for hire should call at the county agricultural agent's office.

Salvaged Fat Is Agricultural Need

Farmers and their families have a direct interest in the fat salvage program being conducted with renewed vigor in rural areas of Oakland county, says Karl D. Bailey, county agricultural agent.

Fats collected under this program help to make many items used on the farm. These include insecticides, fungicides, synthetic rubber for truck and tractor tires, protective coatings for farm implements, veterinary preparations for treatment of livestock, preparations for processing and tanning of leather, leather dressing, fertilizers, lubricants, treatment of canvas textiles, explosives for blasting purposes, animal feeds and many others.

These are in addition to numerous important war and industrial uses.

Rural women have an especially good opportunity to salvage large quantities of fat since they generally have more home-produced meats, and a much wider use of poultry. Rendering of waste fat at butchering time is very important. Housewives will be paid two red points and up to 4 cents a pound for used household fats turned in to the butcher or grocer.

Holly Theatre

"The Friendly Playhouse"
Friday-Saturday, April 27-28—
Big Features—Wally Brown, Alan Carney in "SEVEN DAYS ASHORE"; Tom Neal, Ann Savage in "THE UNWRITTEN CODE".

Sunday-Monday, April 29-30—
George Murphy, Frank Sinatra, Gloria DeHaven, Adolphe Menjou in "STEP LIVELY".

Tues.-Wed.-Thurs., May 1-3—
Big Days—Bud Abbott and Lou Costello in "LOST IN A HARBOR".

Community Activities

At the Club House
Cub Pack meeting at 7:30 on Friday.
Modern and Old time dancing on Saturday from 8:30 until midnight.
Father O'Reilly's instruction class at 10:00 Saturday morning.
Lutheran services at 9:00 and Sunday School at 10:15 on Sunday.
5:00 at 8:00 on Monday.
Rotary Club at noon on Tuesday.
Youth meeting for all youth of this area, at 7:00 until 10:00 on Wednesday.
Lutheran Guild for 1:00 pot luck luncheon on Wednesday.
Ladies Auxiliary at 8:00 Thursday evening.

Over one hundred youth gathered at the Club House last Wednesday evening and enjoyed dancing, ping pong, and checkers. A group of the young people played for dancing.

Thirty three members and friends of the Women's Club met at the Club House Thursday evening for the regular monthly meeting and annual election of officers. Mrs. Frank Kinkle conducted the election at which time Mrs. Agnes Flickinger was named president; Mrs. Clifford Wood, first vice president; Mrs. Ernest Stevens, second vice president; Mrs. Gordon Bryce, secretary; Mrs. George Kimball, corresponding secretary; Mrs. Lester Patton, treasurer; and Mrs. P. L. McLaughlin, assistant treasurer who will have charge of Good Will.

The group voted to turn \$150 over to Community Activities and to sponsor dances at the Club House every other Saturday evening alternating those being sponsored by the Ladies Auxiliary.

The hostesses for the May 17 meeting will be Mrs. Minnie Caruthers, Mrs. James Amos, Mrs. George Kimball, and Mrs. Ida Beattie.

Several ladies received gifts from Sunshine Sisters. Refreshments were served by Mrs. Earl Wilcox, Mrs. Jack Hall, Mrs. Leona McCaffrey, and Mrs. Joseph Helman. Mrs. Edward Reiner had the pleasure of cutting a birthday cake given her.

The Cub Pack meeting will be held at the Club House Friday evening, April 27, and all parents are urged to attend. Each pack is anxious to hold the "Parent Attendance Plaque" for the coming month. The pack having the largest percentage of parents present receives the plaque. The Cub's theme for this month is "Make Things Go".

The Women's Club is sponsoring a benefit dance at the Club House between 8:30 and midnight Saturday evening with music for modern and old time dancing. Families are invited to attend. The public is invited.

500 will be played at 8:00 Monday evening with an invitation extended to all interested. There are prizes.

The Guild of Christ Lutheran Church will meet at the Club House for a 1:00 pot luck luncheon on Wednesday with Mrs. Arthur Schott and Mrs. Emery Beadle as hostesses. All lady members and friends of the church are invited to attend.

The Ladies' Auxiliary will meet on Thursday evening at 8 o'clock. An interesting program and social hour will follow the business meeting. All members will be notified as to the nature of the program as soon as plans are completed.

Junior Literary Club Met Wednesday

On Wednesday night the Junior Literary Club met at the home of Mrs. Frederick Colwell in Pontiac. The Roll Call was answered by six members and the sponsor. Plans were made for a Mother's Day Party. After the short business meeting an interesting paper was given by Mrs. Harold Weston on "Greer Gardner, The Glorified Mrs." by Mona Gardner.

At the close of the evening the hostess served dainty refreshments.

DETROIT EDISON LINES

... Timely items of interest and value ... helpful suggestions about cooking, lighting and appliance use.

INVISIBLE SABOTAGE ... Production of highly sensitive instruments for war can be halted by air-borne particles 100 times smaller than the naked eye can see. Some products are ruined by only a slight contamination of the atmosphere. Air that is fit to breathe may not be clean enough for certain manufacturing processes. These tiny particles cannot be removed by ordinary mechanical filters. But cleaning the air by electronic precipitation traps particles as small as one 250,000th of an inch ... and even removes tobacco smoke and oil mist. The process is now limited to use in vital war installations, but will be available after the war to hospitals, radio stations, offices, stores, restaurants, and in homes as well.

SPRING TASTE-TEMPTER ... A delicious dessert from our Home Service Department:

Rhubarb Cobbler
1/2 cup sugar or 1/4 cup sugar and 1/4 cup honey
1 lb. rhubarb (3 cups) cut in 1-inch pieces

Combine rhubarb, sugar and water. Bring to a boil and pour into greased 7-10 inch utility dish or into individual casseroles. Place biscuits on rhubarb and bake for 20 minutes in a preheated 400° F. oven.

Biscuit Topping
2 cups sifted all-purpose enriched flour
4 tps. baking powder
1/4 tsp. salt

2 tpsps. sugar
1/2 cup shortening
1 egg
1/2 cup milk

Sift flour, baking powder, salt and sugar together. Cut in shortening. Add milk to beaten egg, and add to flour mixture to make a soft dough. Turn out on floured board and roll. Cut in desired shape and place over rhubarb sauce. Serves eight.

Don't waste electricity during the coal shortage

CLEANING CRAFT ... If furniture to be polished is first wiped with a cloth dipped in vinegar, it will polish easier and show no finger marks.

The Detroit Edison Co.
Serving more than half the people of Michigan

How And When To Get Canning Sugar

Following are a list of ten questions and answers regarding the method of applying for home canning sugar for 1945 as issued by the Detroit District OPA office.

1. Q. When can I get canning sugar?
A. The War Price and Rationing Board here in the Detroit OPA District will begin issuing sugar for canning on May 1.

2. Q. Will stamps in my ration book be made good for canning sugar this year?
A. No.

3. Q. How do I get canning sugar?
A. By filling out an application blank, which you can get at your local War Price and Rationing Board, and attaching a "Spare Stamp 13" from War Ration Book Four for each member of your family covered by the application.

4. Q. What do I do with the completed application?
A. Return it to your Board either in person or by mail. (Mailing is better. Since the Board will not be able to act on applications immediately, it will save your time as well as that of the Board members if you mail your home canning sugar application.)

5. Q. What does the Board do with the application?
A. The Board will go over your

application and, based on your actual needs and on the regulation, issue five pound and one pound sugar coupons. The Board will mail your coupons to you.

6. Q. What do I do with the sugar coupons?
A. You sign your name and write the number of your War Ration Book Four on each of the five pound coupons. The coupons then can be used in any grocery store for buying canning sugar. Be sure to take War Ration Book Four as well as the coupons when you go to the store to buy your sugar for canning.

7. Q. How much sugar will be issued this year per person and per family?
A. As much as the Board determines you actually need—up to 20 pounds per person, or 160 pounds to a single family. For canning fruits or fruit juices, the allowance will be on the basis of sugar for each four quarts to be canned.

8. Q. Will any sugar be issued for making jellies, jams, relishes, catsup, etc?
A. Within the maximum allowance—up to five pounds of sugar for each person named in the family application will be allowed for these items.

9. Q. How many applications for canning sugar may I make this year?
A. Two applications may be made, and they must be made by Oct. 31.

10. Q. Will I get more sugar if I make two applications than if I make just one?
A. No. The purpose of the two applications is to help those people who wish to preserve some early fruits and also some of the fall varieties, but cannot estimate the amount of sugar they will need for the fall canning until later in the season.

the worms a favor, but it isn't an easy nor economical method of setting a good table for the family. Cheating the worms out of their charity meals is a rather simple procedure. Use four ounces of white arsenic, 1 pint of molasses, and one finely chopped lemon or orange, mixed with 5 pounds of bran and enough water to make the mixture stick together when squeezed. Scatter the bait over the garden plot in the late afternoon or early evening. To protect the newly-set plants, bait the garden two or three days before planting.

Another convenient bait mixture is made by using 2 pounds of chopped greens, such as dandelions, and an ounce of sodium fluosilicate, paris green, or white arsenic. Any one of the three poisons also can be used in the bran mixture with equal success.

The cutworms that do the most damage to early spring crops are those that over-winter in the half-grown stage. They become active as warm weather arrives and feed on anything available. If the soil is infested, the damage can be spectacular. Since the worms do not eat fresh vegetation, they cut the plants each night that they wish to eat the following night. One worm often harvests as many as a dozen transplants at a time.

NOTICE
If the party that took my lawn-mower from my premises will return it no questions will be asked; but if it is not returned within a week the law will take care of it, as the party is known.

CLARKSTON

"Boy, how we miss a telephone!"

"We've just moved into a new home, and have no telephones. We asked for one, but they say it may take a long time to fill our order."
"Of course, we know why we can't have one. The boys overseas need nearly every bit of telephone equipment that can be made, and they're mighty welcome to ours."
We in Michigan Bell can add that we're installing some telephones every day as present users give them up. These are few, indeed. But telephones alone wouldn't solve this problem. To give everyone service who wants it would mean erecting more build-

ings, making more switchboards, stringing more wire, and so on. And that's impossible now.
As soon as war permits, we plan to launch an expansion program costing \$120,000,000 in the first five years, so we can fill waiting and new orders ... extend rural service ... and adopt wartime improvements developed by Bell Laboratories. But even with that big program, it may take two years or longer before service can be installed generally without delay.
We appreciate the patience of the 100,000 Michigan families that are waiting for telephones.
