Plans Completed For "Book Tea"

Willoughby Boughton of Detroit to Be Guest Artist

One of the most delightful occasions of the season in Clarkston will take place at the school on May 16th from 2:30 until 4:30 in the afternoon. This will be a "Book Tea". During the afternoon you will have the privilege of visiting the library.

Those in charge of the Tea are happy to announce that they were able to get Mr. Willoughby Boughton, president of the Detroit Institute of Musical Art, a noted and talented pianist, to be the guest artist. He will play informally during the afternoon.

If you would care to have a book in the library marked with an attractive book plate bearing your name enclose \$1.50 and your name, written clearly, in an envelope and take it with you to the Tea or if you are unable to attend send it with a friend. A dollar and a half will buy a two dollar book. You can donate as many as you wish. Also if you have any children's books that are in good condition and will meet the approval of the library board they would be greatly appreciated.

Mrs. Carl Mayer is suffering from injuries she received in a car accident a week ago Monday. She sprained her ankle and also broke a bone in it. She is managing to get around the house on crutches.

May 9th—Wednesday afternoon at one o'clock the Baptist Ladies' Auxiliary will meet at the home of Mrs. Weber Ware.

This Time I'll Wait

It was many years ago that news was passed around.
That Germany had ceased to fight;
The German flag was down.
The headlines in the papers told
The Kaiser's sad defeat;
While city bells and whistles blew
To fan the Victory heat.
A country boy while at a show
Saw flashed before his eyes
A message that the war was won
And peace was in the skies.
He thrilled to hear the whistles
Blow and bells in steeples peal,
It built within his youthful chest
An overdose of zeal.
Myra arriving at the farm
He couldn't go to bed;
His thoughts were not upon his rest
But on the peace instead.
He thought of all the farmer folks
Who hadn't heard the news;
So changed his clothes to overalls
And donned his working shoes.
He climbed atop a mule's back
And dug him with his heels,
And started out to tell the world
Of news hot off the reels.
But folks did not respond to call
At such ungodly hour,
And after three or four attempts
His plan was going sour.
Still at full speed and straight
Ahead the mule and rider rushed,
When all at once the mule tripped
And both fell in the dust.
The mule jumped up and ran for home,
Head up and loudly braying—
While sick and sore I raised myself
From where he left me laying.
Next day I found it all a lie,
The battle still was raging;
That all my efforts were for naught,
My ride and neighbor paging.
So this time I'm content to wait,
With ringing bells and tootin';
Until I'm sure of Hitler's fate,
And there's an end of shootin'.

Our Boys and Girls In The Service

Clark Souby has been promoted to Chief Store Keeper. He is on a carrier somewhere in the Pacific. Paul Shaughnessy has also been promoted. He has been made Ground Man First Class.

Coffeyville, Kans., Apr. 30—Flight Officer Richard A. Lawson, 19-year-old son of Mr. and Mrs. Albert Lawson of 6025 Orion Road, Clarkston, Mich., has completed 10 weeks of photo-reconnaissance pilot training at the Coffeyville Army Air Field and has been sent on to a Third Air Force staging area.

Flight Officer Lawson, who was a student before entering the service, received his wings at the Douglas, Ariz., army air field, Nov. 20, 1944.

April 20-45

Dear Mr. and Mrs. Stamp:
I have been going to write you folks for many weeks and have now finally gotten around to it.

I have moved from England now and am in Germany east of the Rhine. Can't say just where I am or what I am doing as yet. May be later on I will. But for now the only thing I can say is General Hodges is a nice looking man and is hell for the Germans.

We left England on Wednesday morning and arrived here late Wednesday afternoon. It was a well trip and I saw a lot of interesting places, things and people. Germany, in general, is somewhat similar to the States. It doesn't look too good now as it has taken a lot of beating.

As yet we haven't done too much but I imagine it will be soon. I want to take this opportunity now to thank you lots for sending me "News". It really is swell to read letters from the other fellows and keep up on the hometown news. I also want to tell you that since you have been sending it in an envelope why it has been coming through much quicker.

I also want to take the opportunity to thank the Service Mothers for my birthday card and "Christmas" box. I only hope that we will all be home by next Christmas.

Well, Mr. Stamp, enough for now. Thanks again for the paper and say "hello" to all the folks at home.

As ever
King McIntyre

The following letter was received by Mr. and Mrs. Charles Rockwell from his brother, Merritt, who is serving in the Pacific.

Okinawa, April 23

Dear Chuck and Grace:
I received your V-mail a short time ago but this is the first chance that I have had to answer. I am getting the Clarkston News pretty often now. The last one was the 6th of April so that is getting news pretty soon from home. I wish that you would thank Mr. and Mrs. Stamp for sending it to me. I like to get it very much because I like to hear from the boys and girls in the service and to know how they are getting along and where they are.

I was on Leyte but now I am on Okinawa Island. I like the scenery here better than at Leyte but I will be glad when the fighting is over. They do a lot of farming here and the land seems to be pretty good.

Well I guess that this will be all for now. I am o.k. and I hope that all of you are the same.

With Love
Merritt

WITH THE 30TH INFANTRY DIVISION IN GERMANY—I think you are the best fighting battalion in this Army and I'm proud of you.

Lieutenant Colonel Robert Ernest Frankland of Jackson, Tennessee, commander of the First Battalion, 117th Infantry, was addressing his men after the battalion had received formal presentation of the Distinguished Unit, at an impressive ceremony with a color guard and a military band.

Col. Frankland's pride in the battalion is justified. It was being honored at this ceremony for "outstanding performance of duty in action against the enemy during the battle of Mortain, in the vicinity of St. Barthelmy, France," but it had also distinguished itself in the cracking of the Siegfried Line north of Aachen and the sensational Stavelot defense—the "little Verdun"—in the battle of the Belgian bulge.

The Distinguished Unit Citation was awarded for the battalion's heroic stand against Germany's finest panzer divisions attempting to drive to the sea at Avranches to split the American First and Third armies.

"The brunt of the assault," the citation points out, "was borne by

80 Year Old Pianist Soloist At Concert

Mr. and Mrs. William Watson were guests on Sunday night of the Clarkston Methodist Church. Charles H. Bonbright of Flint, Mrs. Bonbright, who is eighty years of age and a great grand-mother, was soloist at the Spring concert of the Flint Symphony Orchestra on Sunday, giving an incredibly lovely performance of the Miller Fourth Piano Concerto.

After the concert the out-of-town guests and conductor were invited to the home of her son, Carl Bonbright, where a delicious buffet supper was served. After supper Mrs. Bonbright entertained her guests with pictures and stories of Europe as it was when she studied music there as a girl. All present deemed it a most delightful afternoon and evening.

Wedding Anniversary Celebrated Last Week

On Thursday of last week twenty-five friends helped Mr. and Mrs. William Pelton of 5012 Waterford Rd., Waterford, celebrate their twenty-fifth wedding anniversary. The afternoon and evening were enjoyed singing and popular in 1920, and visiting and reminiscing. Later in the evening refreshments were served from a long table in the dining room. In the living room a beautiful, lace-trimmed tablecloth and center with pink chrysanthemums, yellow daisies and pink snapdragons artistically arranged in a low bowl. The hundred couple received many love gifts and the best wishes of their many friends.

Guests included Mr. and Mrs. J. R. Berryman and daughter, Danah; Mr. and Mrs. W. S. Olmstead; Mr. and Mrs. Russell Mabee; Mr. and Mrs. H. J. Patterson; Mrs. Kate Mitchell; Mr. and Mrs. W. S. Dawe; Mr. and Mrs. A. Gish; Mr. and Mrs. H. H. Patterson; Mr. and Mrs. F. M. Johnston; Dr. and Mrs. L. G. Kowley and Mrs. Anna Brown.

Howard Dean of Orion Road is quite ill and is in the University Hospital in Ann Arbor.

The 1st Battalion, 117th Infantry, the powerful enemy force followed closely behind intense artillery and mortar fire, and struck violently, causing many casualties among 1st Battalion front line troops. In the face of numerically superior numbers, all available troops of the 1st Battalion, including clerks, messengers, and truck drivers were committed to action to fill gaps in the line. When the command post was overrun, the command group personally fought their way out. Throughout the entire battalion, rifleman fought and outwitted hostile troops in fierce hand-to-hand fighting. Anti-tank gunners and rocket launcher teams, in the face of intense small arms fire, combined their attacks to annihilate numerous enemy tanks. In the midst of incessant and withering fire, personnel of the 1st Battalion remained at their posts unhesitatingly and performed magnificently.

"Through the courageous performance of the men in the battalion the attack launched by the enemy's finest troops was successfully repulsed, and the brilliant victory attained was eliminated by a general withdrawal of the enemy from the entire sector."

"The outstanding courage, unflinching devotion to duty, and marked perseverance demonstrated by members of the 1st Battalion, reflected the highest traditions of the Armed Forces and are worthy of high praise."

Individual certificates and ribbons were given the members of the battalion by Major General L. S. Hobbs, commanding general of the 30th Infantry Division.

"You have just received the highest unit honor given by the U. S. Army." General Hobbs told the men. "It compares with the individual award of a Distinguished Service Cross."

Among the members of the battalion receiving the award was PFC Russell G. See of route 2, Clarkston.

To The Boys And Girls In Service:

Sooner or later you will be getting discharged from service. There is a tendency to get that discharge and get home. Please check your discharge papers and see that all dates are correct—as to date you entered the service and the date discharged—date on overseas service—if you have been hospitalized—country where you rendered service.

This may be very valuable to you in the years to come.

Ray Ainsley, chairman
Herbert Baynes, counselor and service officer

Library Board Elects Officers

At a meeting of the Elementary Library Board on Monday night the following officers were elected: chairman, Mrs. Leslie Shanks; secretary, Mrs. H. W. Huttenlocher; treasurer, Rev. Walter C. B. Saxman.

Every home in this community can help a little with the school library if they save their waste paper and have it ready for the pickup at the end of this month. Watch for the date and have a bundle or two ready.

W.S.C.S. Have May Meetings

The Mary Circle of the Methodist W.S.C.S. held the May meeting at the home of Mrs. Gray Robertson on Tuesday. Two guests at the potluck luncheon were Mrs. W. C. J. Saxman and Mrs. Spohn a prospective member. Three members who seldom attend the meetings, Mrs. Bullen, Mrs. Waters and Mrs. Laura Walter, were able to join the group for luncheon. Mr. Saxman attended the business meeting when the importance of having the church for the coming year was stressed. The July meeting will be a picnic at the home of Mrs. Charles Robinson, 40 Robertson Ct.

The Martha Circle gathered at the home of Mrs. Garnet Poulton on Wednesday. On Wednesday for May breakfast and the regular business meeting. About 35 enjoyed the dainty breakfast served at twelve o'clock at small tables attractive with centerpieces of sweet peas. Each place was marked with a small corsage of sweet peas. After the regular business meeting the group folded table napkins and made favors for the Mother and Daughter Banquet. The July meeting will be a picnic at the home of Mrs. Pearl Cuff. Mrs. Glenn Boner and Mrs. Ward Johnson assisted Mrs. Poulton.

The Dorcas Circle met on Wednesday afternoon at the home of Mrs. LeRoy Addis. Mrs. Addis had charge of the devotions and Mrs. William Johnston presented the missionary program. There were thirteen present. The group discussed their part in the Mother and Daughter Banquet. At the close of the meeting dainty refreshments were served. Mrs. Myra Wehler and Mrs. William Danston assisted Mrs. Addis.

Classroom Teachers To Meet

A meeting of importance to every classroom teacher in the Clarkston district will be held by the Michigan Education Association Department of Classroom Teachers at the Pontiac High School in Pontiac on Wednesday, May 9, 1945, at 8 o'clock (E.W.T.).

Such vitally important problems as Teachers' Welfare, Certification, Youth Guidance, Group Insurance, the Fair Labor Bill and others will be openly discussed with outstanding qualified state leaders.

Reports of delegates to the State Conventions and reports of the year's achievements on legislation will be given. Group luncheons and recreation complete this important program that no teacher can afford to miss.

District Secretary

Waterford-Drayton Rotary Club News

At Tuesday's meeting of Waterford-Drayton Rotary Club Tom Ogden and his committee reported the receipt of nine truckloads of clothing to be sent overseas. Guests of the day were Pete Terry and Durand Oden, members of the Clarkston Rotary. Private Kenneth Charles Oakes, son of Mr. and Mrs. Ken Oakes, was the special guest of the day. Private Oakes stopped to see his family while enroute to Maryland for overseas duty. Ed Biddinger, program chairman, introduced Jim Covert who talked very interestingly on mining in Michigan. Having been at one time a student at the Michigan College of Mines, Houghton, Mr. Covert pointed out that this college is one of the most outstanding schools of its kind in the world and only second to the Massachusetts Institute of Technology in the technical field. While in college at Houghton, Mr. Covert visited one of the deepest mines to be found anywhere. Its depth of one and one half miles, is exceeded in depth only by the Kimberly diamond mines in So. Africa. He described how the mining engineers finally solved the problem of installing the largest piece of revolving machinery to be found anywhere and finally were able to refine copper to a 100% purity.

Banquet To Be Held At Methodist Church

The Mother and Daughter banquet on May 11th will be held at the Clarkston Methodist Church. Circumstances prevent having the banquet at the school as planned and so the tickets will be limited to 150. With every ticket sold the W.S.C.S. is asking one red token in order to purchase the food requiring the red points.

The banquet will start at 6:30. The program promises to be exceptionally interesting as the speaker, Mrs. R. C. Poucher of Dundee, Mich., will exhibit a collection of dolls; dolls from all over the world.

Make your reservations at once by phoning Mrs. Glenn Boner, Clarkston 4206.

Mothers, if you don't have a daughter—borrow one, as a good supper and program are in store.

The monthly pack meeting of the Cubs was held at the Community Activities Building last Friday evening with Cubmaster George Attwater in charge. The new Bob Cats include Max Pinkney, Ronald Kockicko, James King, Charles Maxwell, David Eaton, Ronald Holland, and Stewart Bell. Those receiving Wolf badges are John Sanderson, Dean Parmenter and David Barber; Bear Badges to James McEvers and Billy Jacober; Lion badges to Jack Emery and Richard Campbell, and the Webow to Hilding Berquist. Donald Denhoff and Rodney Attwater received Gold arrows. Richard Cook received the Den Chief Training Certificate.

The boys displayed handiwork along the theme of "Make Things Go". The theme for next month is gardening and lawn ornaments.

Den four walked away with the "Parent Attendance Plaque" for the third consecutive month with an 80% parent attendance. There were forty five parents at the Pack meeting.

Twenty persons enjoyed 600 at the Club House Monday evening.

Soil Conservation District Approved By State Committee

The Soil Conservation Committee consisting of Charles Fygi, P. J. Hoffmaster, Dean E. L. Anthony, Everett Sackrider, and Russell Hill, at their meeting in Lansing Friday, approved the selection of two farmers from this county, who will make up the five man board of directors. They are William Edgar of Clarkston, who will serve as a director for two years, and Cyril Oliver of Pontiac, who will serve one year. Nominating petitions for three other directors will be presented to the State Committee by June 1st. The additional directors will be selected by farmers in Oakland County, according to Fred J. Beckman, Chairman of the Land Use Planning Committee, which organization has been one of the several sponsoring the movement. Others include the Oakland County Farm Bureau, of which Howard Wilson of Rochester is the President, the Oakland County Pomona Grange, of which William Sutton, Ortonville, is the Master. Over 600 farmers signed petitions for the establishment of the district, and the movement was endorsed by virtually every active farm organization in the county.

Mr. Beckman points out that the district, which will be the 26th in the state, is not a Federal district, nor will it be under any Federal control. The directors establish the general policy for the district, but do not participate in farm planning. The farm plans are made only where farmers request the assistance. Some 50 soil conservation and erosion control practices make up the "stock and trade" of a district, which has for its major purpose the controlling of erosion and the improvement of crop yields.

By The Way

Many of the folks who have spent the winter in Florida are disappointed when they arrive home and wake up in the morning to find a heavy frost on the ground. The latest to get back to Clarkston are D. C. Miller and Mrs. M. N. Stickney and daughters . . . Muriel Boyna, daughter of Mr. and Mrs. T. S. Boyns, was brought home from the Alexander Blaine Hospital in Detroit last Friday night after being there about ten days and undergoing an operation. She is recovering slowly and will be confined to her bed at her home for a while . . . Something is missing between the Ogden and the Hutchinson homes. Yes, you guessed it, that big hedge that has been there for many years has been removed . . . Have you noticed that the Danes made reservations for the banquet next Friday night? Better call Mrs. Glenn Boner right away as the tickets are limited to 150 . . . The Earl Hoyts were happy to bring their daughter, Sharon, home from Pontiac General Hospital on Wednesday afternoon. She had been confined there for a week with pneumonia and was a very sick, little girl. However, she is making a rapid recovery . . . Another change has been made on North Main Street. The big trees to the south of the Lambert home have all been cut down . . . After the M & D banquet at the Methodist Church next Friday evening you will have plenty time to attend the dance at the school . . . Carl Irish is on the sick list. He is confined to his bed at his home . . . The Fords have torn down the house and barn on what used to be the Clarence Smith property on Miller Road . . . The women in the community had better get out the date book and put a ring around May 16th. That is the afternoon of the "Book Tea" at the school. Something you don't want to miss . . . The choir of the Methodist Church is planning a musical treat for the night of May 17th. Watch for further announcements . . . We think Clarkston is a mighty fine little town and we are quite sure of it when folks like the Walter Ballaghs, who have the opportunity to live in a much larger place, are willing to return here after an absence of many months. Mrs. Ballagh and the children and the household goods have arrived and the Reverend Ballagh will follow in a short time.

Obituary

Mrs. Margaret Emden
Mrs. Margaret Emden, 67, passed away on Sunday at the home of her daughter, Mrs. Ray Clark, 6624 Roselawn Ave. She was born in Sweden July 20, 1877. On July 27, 1895 she married Hogan L. Emden at Dollar Bay and three years ago she came to Oakland County from Mohawk.

She is survived by two sons, L. Rudolph of Pontiac and PFC Carl Emden of Camp McDowell, Calif.; four daughters, Mrs. Ray Clark and Mrs. Ami Althouse of Clarkston, Mrs. Pearl McManus of Mt. Clemens and Mrs. Albert Hicks of Calumet; two sisters and one brother; 15 grandchildren and one great grandchild.

The funeral service was held at the Ogden-Kennedy Funeral Home on Monday night at 8 o'clock with the Rev. Walter C. B. Saxman officiating. Burial was in Lakeview cemetery at Calumet, Mich.

May 9th—Wednesday afternoon the Clarkston Royal Neighbors will meet at the home of Mrs. Howard Sage. There will be a pot-luck luncheon at 12:30.

Plants of early cabbage, head lettuce, onions, broccoli and cauliflower can be set out this week. These plants will all stand some frost, but if a hard freeze threatens, better be sure that they're covered with plant protectors such as hot caps or row covers.

"THE 2 1/2-TON TRUCK IS OUR MOST VALUABLE WEAPON" Says Lt. General George S. Patton

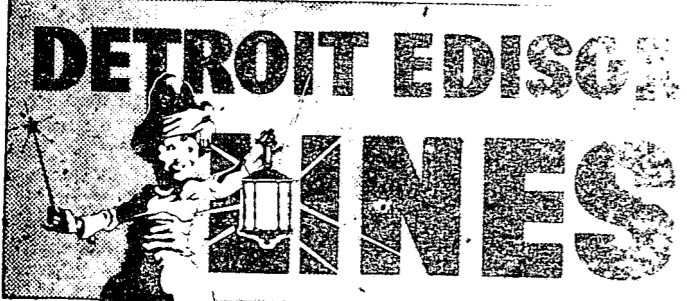

YOU ARE NEEDED AT GMC TRUCK & COACH TO HELP BUILD THE ARMY'S NO. 1 TRANSPORT TRUCK

Behind the hard-hitting, fast-moving armored spearheads of General Patton's Third Army are thousands of 2 1/2-ton, "six-by-six" military trucks. Without these vital transport vehicles, his tanks and troops would lack the food, fuel and fire power needed to keep the offensive rolling. In just one day of fighting, a single heavy tank consumes around 500 gallons of gasoline and one Armored Division requires about 600 tons of ammunition and 40 tons of food. Yes, it's a big job of supply in anyone's language and trucks are rolling day and night to see that it's done. It's a big job to build these trucks too, and GMC Truck & Coach is the nation's largest producer. To see that it's done, GMC needs more workmen now. Whether you have had previous factory experience or not, stop by today and apply for a home front job that will help speed Victory on the fighting front.

GET A WAR JOB and Stay on the Job Victory depends on everyone, every day. Lost time puts a brake on America's final drive for Victory. Whether you're working at GMC or on some other job, stay on it every minute. Under war conditions, this is tough—but war is never easy. Reduce absenteeism and make time work for us — not the Axis. EDISON POWER is produced by the burning of coal—thousands of tons every week to supply customers' requirements of electricity. The WPB "brown-out" order is designed to save coal. Do your part in your home to conserve electricity and help your merchant cooperate with the "brown-out" by continuing your present shopping habits.

ELECTRONICS SPEEDS PLASTICS... A big step in the plastics industry, surpassing... in the past quarter of a century, is the use of electronic heating. The task of molding a test block six inches square by 2 1/2 inches thick, which formerly required two hours. With electronic heating, it takes five minutes!

Don't waste electricity! Conserve it to save coal.

SURE FAVORITE Our Home Service Department predicts quick popularity for this new cake.

- Foamy Chocolate Cake
2 9-inch square cake pans
2nd set of glides
1 cup butter or shortening
2 cups sugar
3 eggs
3 squares bitter chocolate, melted
1 cup milk
1 1/2 cup lukewarm water

Grease the cake pans thoroughly and brush with flour. Sift flour once before measuring then sift again with salt. Cream the butter, add sugar and cream together until light and fluffy. Add the egg yolks. Beat well. Add the melted chocolate and the milk. Add the yeast which has been mixed with the lukewarm water. Add the flour and salt which have been sifted together. Blend ingredients thoroughly. Fold in stiffly beaten egg whites. Place in refrigerator overnight. The next morning, add the soda dissolved in the three tablespoons of hot water. Add vanilla. Pour into cake pans. This is a delicious and different cake.

Last week four of the upper six grades had 100%. They were 7th, 9th, 11th and 12th. The Juniors won with an average of 41c per person. The 7th grade came in close with an average of 36c per person. The school averaged 93% which means that we can fly the Minute Man Flag for another week. Let's keep up this goal

work kids and try to get 100% in every grade next Wednesday!

Grade children contributed many hundreds of pounds of clothing in the April drive. A census of the rooms indicated that seventy children participated.
Jim Hack, Tim Slick, Bill Barker, Craig Smith, and Robert Rose, are entering airplane models in the school contest on May 16th.

The class has a room prayer: "Our Father, we pray that war will soon end, and that little children everywhere will know freedom from fear and suffering. Bring our loved ones safely home. Help the victors to make a peace that will give all people a better world in which to live and serve thee. Amen."
FRESHMAN NEWS
Last Saturday night the Freshman class held a party at the school, with Miss Patricia Niblack as our class sponsor.
A baseball game was played during the first part of the evening. Then we all came in and played some games which were: Chamber of Horrors, Spin the bottle, and a Fortune telling game.
During the last part we ate refreshments and danced.
The committees for the party were: Games—Shirley Powell, Mary Keelan, Mary Jo Pettingill. Refreshments—Joan Johnston, Barbara Stewart, Donna Beals, Wayne Longair, Wanda Miller, Dale Sutphen, Bill Ludwig.

12TH GRADE NEWS
Last Thursday morning Mr. Robert Jones talked to the Economics class on banking as a vocation.
There are three types of banks. The Clarkston State Bank has checking accounts, loans money, changes money, cashes checks and handles government business such as selling bonds, cashing them and so on. In other words it is a Commercial Bank.
Mr. Jones explained to us that working in a bank is much like working on a factory assembly line. Each employee has a certain job to do, with no one person having the whole business to tend to himself.
The bank is owned by stockholders. Since all the stockholders can't have a hand in running the bank, they elect a Board of Directors which consists of five of the stockholders. The Board of Directors in turn elect a President, who has the direct management of the bank, a Vice President who takes over in the absence of the president, and a Cashier to carry out the policies of the directors. Then there are Assistant Cashiers, Tellers, Bookkeepers, and a Janitor, who, it seems is a very important psychological factor.
To work in a bank you must have good eyesight and general good health. You must have at least a high school education and a college education is desirable.
Mr. Jones gave us his philosophy of life which briefly stated is this: What other people think of you, how well you are liked in a community, and the service you can give, is all that one lives for. This philosophy is worth remembering no matter what type of work you go into or where you

live.
Mr. Jones finished the period by showing us some federal reserve bank notes, and explained briefly the procedure followed in making cut bonds, loans, and mortgages.

Consumers Power Makes Announcement

David L. Brown, division manager of the Pontiac Division of Consumers Power Company, announces the appointment of Edward L. Karkau to be his assistant. He replaces William B. Tippy who recently accepted a position with Commonwealth and Southern Corporation, in the New York office of J. A. Brown, vice-president.
Mr. Karkau was graduated from the Michigan State College in 1920, after having served as a sergeant in the engineering corps in Russia in 1918 and 1919. He served a short time with associated power companies and in 1925 entered the Jackson office of Consumers, coming to the Pontiac Division in 1929 as Power Engineer.
He is a member of the Pontiac Rotary Club, past president of Oakland County Engineering Society, and vice-president of Oakland County Michigan State College Alumni Association.

Garden Hints

The cool weather of the last of April has slowed down gardening activities to a more normal pace. Those who were tempted by unreasonably warm temperatures to set out tender vegetable plants have learned their lesson the hard way and will be content to leave the tomato plants in the growers' cold frames at least until the middle of May before transplanting them to the open ground.
The average date of the last killing frost in South Oakland County is May 5; in the northern part of the county, May 10. With the prevailing weather, no tender vegetable plants or seeds of tender plants, such as corn or beans, should be put out until warm weather has given the ground a chance to warm up.

To add to the attractions of your garden, paint your garden labels. Lath or lattice wood properly painted will last many years.
