**Waterford**

Jack McCaffrey, son of Mrs. Leona McCaffrey, left on Thurs-

day for Great Lakes where he will receive Navy "boot" training. On Friday the pupils in Mrs. Gladys Watchpocket's room at the school gave her a surprise birthday party. Games were played and refreshments were served. Other guests were John Miller and Arthur Johnson. Mrs. Fred Mitchell has been ill at her home for the past week. Mr. and Mrs. George Attwater attended a party in Detroit on Saturday night. Mr. and Mrs. Deo Blade have

returned to their home after spending the winter in Missouri. Mr. and Mrs. William Poland and daughter of Detroit spent the weekend with her parents, Mr. and Mrs. Henri F. Buck. Fire Controlman I. C. Delmont Walter is spending a 10 day leave with his father, Arthur Walter and sister, Glenna. The Moms Club will meet next Wednesday at the home of Mrs. Agnes Fleckinger. There will be election of officers. All members are urged to be present. At the Mother's Day service in

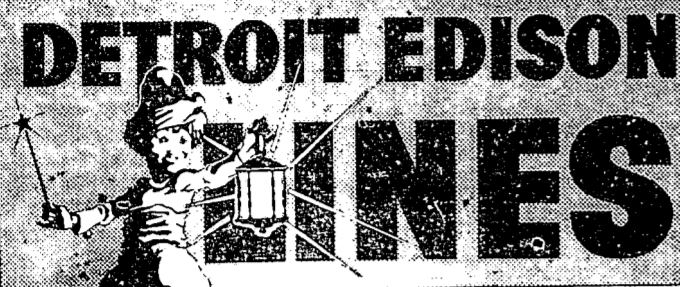

the Community Church gifts were awarded Mrs. Ida Hayden, the oldest mother present; Mrs. Joseph Gidley, the youngest mother present; Mrs. Lawrence Gidley, the mother with the most children present; Mrs. William Banghart, the mother with the most sons in the service and Mrs. John Miller, the mother who invited the most people to the morning service. Flowers for the service were donated by the Adult Bible Class.

Mrs. Sara Combs of Spring Arbor spent Friday with her sister, Mrs. Lyman Galt. On Saturday they visited their mother, Mrs. Daniel Combs, in Fenton. Second Lieut. Lyle E. Walker, B-17 Flying Fortress co-pilot, son of Mr. and Mrs. Clyde M. Walker, has been awarded the Air Medal. Gerald Brown, S2/c, has completed his "boot" training at

Great Lakes, Ill., and has been visiting his grandparents, Mr. and Mrs. Walter Hood. Guests of Mrs. Emaline Hurd over the weekend were Mrs. Ed. Hutchinson of Flint and Mr. and Mrs. Lovell Hurd of Highland Park. A number of piano students of Waterford were presented in a recital recently at the Baldwin Evangelical Church. Among them were Russell Attwater, Vivian Galley, Edwin Lamberton, Lloyd Gilley, Jeanne McCaffrey, Harvey Craft, Judith Guttith, Helen Lambly, Marjorie Lambly, Lynn Wyckoff, Barbara Jean Summons, Donna Kay Lamberton and Martha Davidson. Mr. and Mrs. Ray Portt have purchased a home on Andersonville Road. Her father, Chester Skerritt who formerly lived on Highland Road, will make his home with them. Mrs. Portt is

teacher in the village school. The last meeting for the year for the P. T. A. will be held on Thursday evening at the school. There will be an installation of officers with Mrs. B. N. Hickson conducting a Spring display of Art will be under the direction of Mrs. Fred Knoll. Trees will be a part of the program. On Wednesday the Junior Club met at the home of Mrs. James Paul with Mrs. Paul as guest. Photos were made for a Tea to be held in the Community Center on Monday night. Mrs. Agnes Fleckinger and Mrs. Lyle Biddle of Oxford, a former Waterford resident, is a patient in the University Hospital at Ann Arbor.

On Monday night the Light Bearers and Senior Young People of the Community Church enjoyed a "Progressive" supper at the homes of Mr. and Mrs. Albert Kray, Mr. and Mrs. Wallace Brown, Mr. and Mrs. Loyal Lumby and the Rev. and Mrs. VanPlew. After the supper a social evening followed at the parsonage.

**DETROIT EDISON LINES**

Timely items of interest and value. Helpful suggestions about cooking, lighting and appliance use.

**FOUR BILLION DOLLARS** . . . Since Thomas Edison's first lamp bulb, with its crude carbon filament and inefficiency, the progress in "squeezing more light" from lamps has been spectacular. Langmuir's development of a process for making tungsten filaments brought triple efficiency to electric lamps. That efficiency was in turn doubled by filling the bulbs with an inert gas—making a six-fold increase over the yellowish light of Edison's first lamp. Other less spectacular improvements have also added to the efficiency of electric lamps, so that to lay, measured in terms of money, the cost of the light used annually in the United States in our homes would be four billion dollars more if it were furnished by the old carbon lamp.

Wasting electricity wastes badly needed coal

**TROUT AND TOMATOES** . . . Here is a delicious point-free meal recommended by our Home Service Department:

Baked Trout with Tomato Sauce

- 2 lbs. trout
- 2 cups tomatoes
- 1 cup water
- 1 slice onion
- 3 cloves
- 1/2 tsp. sugar
- 3 tbsps. butter or margarine
- 3 tbsps. flour
- 1/4 tsp. salt
- 1/2 tsp. pepper

Cook tomatoes, water, onion, cloves and sugar in a saucepan 20 minutes. Melt 1/2 butter, add flour and stir into the hot mixture. Add salt and pepper, cook ten minutes and strain. Clean fish, put in shallow baking pan, pour half the sauce over the fish and bake 35 minutes, basting once. Remove to hot platter, pour remaining sauce over fish and garnish with parsley.

**COAL FOR NEXT WINTER** . . . The Government's program to save coal by conserving electricity has achieved worthwhile results—but we cannot relax our efforts. Every ton of coal saved now will be needed to tide us over next winter. To give you an idea of how much coal is burned in making electricity, consider this fact: The coal needed to supply just one Edison power plant for a year would fill a train 99 miles long! Save electricity wherever you can, as much as you can.

**HOUSEHOLD HINTS** . . . To hide bad scratches on dark furniture having a high polish, rub the meat of a pecan nut into the scratch, then rub with furniture polish. The scratch will be hardly noticeable.

**"GMC Army Trucks Are The Life Line of Our Supply Lines"**

ACTUAL NEWS PHOTO FROM THE EUROPEAN FRONT SHOWS HOW GMC TRUCKS KEPT THE SUPPLIES MOVING THROUGH MUD, MIRE AND SHELLFIRE.

**Nothing is More Important Than Building More Trucks. Won't You Help Us?**

From overseas comes a letter written by a GMC employee in the Service. He states that the "six-by-sixes" built here in Pontiac are the life line of their supply lines . . . that trucks are on the go 24 hours a day. It's rough going, too, judging by the mud-rutted road in the war photo above. But the powerful GMCs roll right on through, delivering the goods that make the difference between defeat or Victory for the Allies. On Western Front truck lines, like the famous

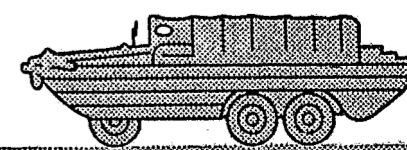

Red Ball Express, trucks moved more than 1,500,000 tons of supplies in nine months. Over the Burma Road, they haul an estimated 100,000 tons of war material to China every month. On Army supply lines everywhere they are handling the bulk of the transport job.

GMC Truck & Coach—a leading producer of military trucks—wants you to help build more of these vehicles. Apply for a job, today, regardless of previous factory experience.

**Drayton Plains**

The Missionary Society of the C. U. Presbyterian Church met at the home of Mrs. Grace Barnhart on Thursday night of last week. Mrs. Walter Aderholdt, president, opened the meeting. Mrs. Frank Jones had charge of the devotions. The secretary and treasurer read their reports and Mrs. C. J. Sutton offered prayer. The topic for the evening on "Open Doors", "The Guide to the Doors" and "The Opener of the Door" was discussed by Mrs. C. J. Sutton, Mrs. Anna Brown, Mrs. Maybee and Mrs. Ruy Shell. A season of prayer followed. Several songs were sung during the evening. The meeting adjourned to meet again on Thursday evening at the church at 8:45. The program will be in charge of Mrs. L. G. Rowley and Mrs. Max Fell. The hostesses will be Mrs. Elmer Broadway, Mrs. C. J. Sutton, Mrs. Grace Barnhart and Mrs. Russell Maybee. The topic will be on "Doorways to the Future Church".

Mrs. Thomas Walker of Seeley Ave., was hostess to the Drayton Plains Home Extension group last Friday. It was an all day meeting. 12 members enjoyed the lovely Mexican dinner. After the short business meeting Mary J. Woodward of the Home Extension office in Pontiac tested several pressure cookers. Mrs. Maurice Young then reviewed a book on Mexico. The next meeting on June 6th will be at the home of Mrs. Milton Reddeman at Oxbow Lake.

PFC Oliver D. Johnson of the U. S. Marine corps has arrived at his home to spend 30 days with his parents, Mr. and Mrs. Dewey Johnson. PFC Johnson was in the south Pacific for 27 months serving with a communications outfit. He was in the Bougainville, Guam and Iwo Jima campaigns.

Mrs. Edwina Detsler, director of the 17th district of the Y. T. C., attended the C. U. Presbyterian Sunday School last Sunday and gave an interesting illustrated lecture on "Alcohol, What it is and What it does".

Mrs. A. T. Stewart is recovering from a severe cold and is able to be out again.

Mrs. Martha Willinger spent Mother's Day at Elizabeth Lake with her daughter Mrs. Forrest Ogg and family.

Elizabeth and Norma Jeanne, daughters of Mr. and Mrs. Verne Terry are getting along nicely after being confined to their home with scarlet fever.

There will be a Memorial service for Myron Huttonson in the C. U. Presbyterian Church on Sunday afternoon at 3 o'clock. Rev. C. J. Sutton will officiate.

The Drayton Plains W. C. T. U. held their May breakfast in the Church at 11 o'clock last Tuesday morning. The tables were decorated with the W. C. T. U. colors, yellow and white. The places were marked with little dutch shoes and the program, 40 enjoyed the delicious breakfast. Mrs. John Watkins, devotional chairman, introduced Mrs. W. Brown Keasey, who in turn introduced Mrs. John Veneman of Pontiac who gave the devotional message. Mrs. Harold Lankey of Pontiac gave the Greetings. Mrs. B. B. Kimball and L. G. Rowley sang a very pretty duet with Mrs. Arnold Bourziel playing the piano accompaniment. Mrs. John Little gave the address. Reports were given at the short business meeting and group singing in charge of Mrs. Kirby Millour and Mrs. Cecil Morrow was enjoyed. The meeting closed with prayer by Mrs. C. J. Sutton.

Ten of the P. T. A. mother singers attended the last regular meeting of the season last Tuesday evening at the home of Mrs. Grace Barnhart at the Pontiac group will join the local group at a banquet at 6:30 on May 23rd at the Old Mill Tavern in Waterford.

**Bulletins Help**

With us at the post care item available for the most sensitive are entering about for ways of substituting and extending meat.

Two bulletins published at Michigan State college should be of

considerable help. One is a folder "The Meat Ration Plus". The other is "Fashions in Food Rations". The latter was prepared especially to fit meat rationing. All of the recipes for meat either use low point cuts or are recipes for meat extenders. The folder contains recipes for the variety meats—liver, brains, kidney, and others.

Copies of these publications can be obtained at the office of Karl D. Bailey, county agricultural agent.

**ESTES & COONEY, Attorneys, 812-13 Peoples State Bldg., Pontiac, Mich.**

STATE OF MICHIGAN—The Probate Court for the County of Oakland.

At a session of said court, held at the Probate Office, in the City of Pontiac, in said County, on the 7th day of May, A. D. 1945.

Present: Honorable Arthur E. Moore, Judge of Probate.

In the Matter of the Estate of Shirley Freedman, Minor.

Edna Curtis, guardian of said estate having filed in said court a petition, praying for license to sell at private sale the interest of said estate in

certain real estate therein described. It is Ordered, That the 4th day of June, 1945, at eight o'clock in the forenoon, Central War Time, at said Probate Office, be and is hereby appointed for the presentation of said estate and that all persons interested in said estate appear before said court, at said time and place, to show cause why a license to sell the interest of said estate in said real estate should not be granted.

It is Further Ordered, That public notice thereof be given by publication of this order, once in each week for three weeks consecutively, previous to said day of hearing, in the Clarkston News, a newspaper printed and circulated in said County.

ARTHUR E. MOORE, Judge of Probate

ESTES & COONEY, Attorneys, 812-13 Peoples State Bldg., Pontiac, Michigan M 11-18-25; JI

William W. Donaldson, administrator of said estate, having filed in said court a petition praying that the time for the presentation of claims against said estate be limited and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said court.

It is Ordered, that two months from this date be allowed for creditors to present claims against said estate.

It is Further Ordered, that the 10th day of July, 1945, at eight o'clock in the forenoon, Central War Time, at said probate office, be and is hereby appointed for the examination and adjustment of all claims against said deceased.

ARTHUR E. MOORE, Judge of Probate

RONALD A. WALTER, Attorney, Clarkston, Mich. A 27; M 4-11-18

**American Prisoners say:**

**"WE WANT TO GET BACK AT THE JAPS!"**

**MATCH THEIR SPIRIT in the MIGHTY 7th WAR LOAN DRIVE**

YES, despite their long months and years of privation and suffering, those gallant men, just released from filthy Jap Prison Camps, still have their good old fighting spirit. They're itching to get back into the fight and give the Nips a taste of their own medicine.

Let's show them that we're not quitting either! Let's match their spirit with our dollars! Let's make this MIGHTY 7th War Loan the mightiest of them all!

But to come even close to matching their sacrifices, everyone here at home must buy War Bonds until it hurts. Buy double or treble the extra War Bonds you've bought in any previous drive. Remember, this is really two drives in one. In the same period last year, you were asked to subscribe to two War Loans.

So let's go, Americans. Our hard-fighting Soldiers, Sailors and Marines are giving their ALL. The least we can do is to lend our dollars.

**THE OLD JUDGE SAYS...**

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people... that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so

much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard of on the subject."

**12TH GRADE NEWS**  
Last Friday, Mr. Carl Brablec talked to the Economics class about the Teaching Profession.

There are about 35,000 teachers of all types in Michigan at the present time. So you can see that this occupation is comparatively restricted. Right now however, teachers are in demand.

The teaching profession offers pretty fair security. Usually a teacher doesn't stay in one community very long though.

Qualifications one must have to be a teacher are: Willingness to accept something as a reward other than big money; have reasonably good nerves, patience and an interest in people; must be industrious, honest and trustworthy. Of course, a neat appearance and good health are also necessary, as well as technical skills and ability.

You should have had at least four years of college training, receiving either a Bachelor of Arts or a Bachelor of Science degree at

the end of the time. If you go five years you get a Master's Degree. Then within five years after college, you must have at least six months of study to keep your teacher's certificate.  
Usually a teacher is well received in any community, this is a mark of respect they have earned. Mr. Brablec pointed out that to be a success in any job, whether it be teaching, business or what not, one must have a good moral character.

**Mary Drake WALLEE LAKE DOWNS' CLARKSTON**  
In their 4th league game Walle Lake gave Clarkston a .500 average at the lone end of a 4 to 0 score, the Clarkston boys only getting two hits, singles by La Plante and Jennings.

Walle Lake pounded Kratt for 4 runs and 4 hits, but errors were the big cause of the runs. Big Al Rierson's double with bases loaded drove in 2 runs.

RH

**WHERE AN INCH MEANS TROUBLE!**  
Are your brakes safe? If you're not sure, make this test: depress the brake pedal of your Ford car as far as you can without undue strain and measure the distance from the bottom of the pedal to the floorboard.  
**DANGER ZONE**  
If the distance is one inch or less, your brakes are inefficient... maybe dangerous.  
**NEW BRAKES**  
Our expert mechanics can restore new car braking efficiency to your Ford... enable you to come to a complete stop within 30 feet or less when traveling at 20 miles per hour.  
**SERVICE PREFERENCE**  
We give brake service jobs preference and arrange a time most convenient for you. Call us today!

**Waterford-Drayton Rotary Club**  
At Tuesday's meeting of the Waterford-Drayton Rotary Club President Bill Cohoon and Secretary H. J. Van Welt conducted a quiz program. Among the guests were Joe Seeterlin of Clarkston Rotary, Harry Whitfield of Pontiac Rotary and Bob Zimmerman of Pontiac.

**Need Plenty of Canned Tomatoes**  
The tomato, especially the home-grown tomato, is the basis for many of our best-liked dishes—

tomato soup, Italian spaghetti and sauces to stretch the meat. Without tomatoes, many good cooks are at a loss.  
Even the earliest fresh tomatoes can't be picked until August so the plans this year for canning ought to include enough quarts to last from October to August, says Mary J. E. Woodward, Oakland County Home Extension Agent. If 20 quarts are canned per person, that is only two quarts a month or 1 pint a week—enough (if it is tomato juice) for two glasses or (if it is stewed tomatoes) for several servings.  
Children in the northern states do not get enough vitamin C in the winter because they eat fewer greens and raw vegetables and may not have oranges often enough. This can be remedied easily by an abundance of canned tomatoes and tomato juice, according to Mary Woodward.  
But vitamin C will not stay in the tomatoes unless care is taken to keep it there: tomatoes canned by the open kettle method lose much of their C and so does tomato juice which must be subjected to cooking in a kettle, straining, cooking again and then bottling—all operations which allow air to reach it. According to Mrs. Vivian P. MacFawn, extension nutritionist of Michigan State College, the smart woman cans all her tomatoes in the water bath and when tomato juice is needed, opens a jar, strains off the juice and uses the solid pulp for cooking.  
One eight-ounce glass (half a cup) of orange juice will furnish a grown person with enough vitamin C for the day, but it takes about one and one-fourth cups of tomato juice to provide a sufficient amount.  
Rows of canned tomatoes on the cellar shelves will give the whole family an inexpensive source of good food and health.

**VETERANS!**  
This Community will be Glad when YOU are Home!  
It has set up a Counseling Center for YOUR use.  
The purpose of the center is to Counsel and Advise you about such problems as:  
Conversion of Insurance? Registration of Discharge Certificate?  
An Emergency Loan? Registration as a Voter?  
Vocational Training? Advice on your Education?  
Pension Claim? Help on Legal Problems?  
Further Medical Treatment? A New Job?  
Or... maybe you just want to talk about personal problems. Your Counselor's job is to serve you and your family. Your questions may be answered more easily if you bring your discharge Certificate with you.  
**NO CHARGE TO YOU FOR THIS SERVICE.**
