WORK AT GMC
 Builder Of The Famous "Duck"

GMC Truck & Coach needs more manpower—especially on the afternoon shift—to help power the push in the Pacific! The Armed Forces have called for an increase in "Duck" production and GMC, in turn, is calling on Oakland County workers to lend a hand. Previous experience is not necessary . . . there's a job for which you are especially suited.

Every person who has a part in GMC "Duck" production is helping to speed the supplies to our fast-moving, hard-hitting fighters. With dock and harbor facilities lacking at many of the islands in the Pacific, the "Duck" is vitally important because it can haul huge loads of fighting equipment from ship to inland supply depot without stopping at the shore. You can keep the "Duck" in there "pitching" by working at GMC.

Get a War Job at GMC, Builder of the Famous "Duck." Employment Office at 661 South Boulevard, Pontiac, is open from 8:15 A. M. to 5:30 P. M. Monday through Saturday

"WE'LL BE DOING A LOT MORE OF THIS AFTER THE WAR"

THERE has been some rural telephone construction during these war years, but nothing compared to what we had hoped for. Long before the war, Michigan Bell began an extensive program of rural service expansion and improvement. Then, in 1940, we adopted a rural construction plan recommended by the Michigan Rural Communications Committee, a group of agricultural leaders. It included a liberal free line-construction allowance, and small monthly payments where construction costs were necessary. Under the rural construction program, there was a sizable increase in the number of rural telephones. Then came war, and telephone factories went to work for the armed forces. Nearly all new wire, cable, instruments and other equipment "have gone to war." After final Victory, Michigan Bell expects to launch a 5-year \$120,000,000 program of expansion and improvement, a goodly portion of which will be used to resume our rural work. Today, 2 of every 3 of our rural telephones are dial operated. We intend to increase that number. Telephone service will be made available to more rural subscribers through the use of important new devices and methods. We want to reduce the number of families per rural line. We are studying special features to make telephone service more valuable. Thus Michigan Bell will proceed with its plan to furnish the best possible service to the largest possible number of people at the lowest possible cost.

Swell on the diamond - diamonds in the street
I have considerable respect for a man who can throw a diamond in the street, too—and that's where the lights come in.
Don't fight with a street light with a ball or stone. A lamp smashed by day may mean an eye smashed by night—on a professional—someone who will never run for a high or a low office in the stands. Safety and the war are at stake in a fight.
Street lights protect the movement of vehicles and supplies.
REPORT REPAIR STREET LIGHTS to any Edison office or to the police.

Clarkston Locals

Several of the Clarkston girl scouts and boy scouts are having the opportunity of attending the scout camps this year. Perhaps when these girls and boys return home and give a report of their experiences more parents will make an effort to let their children take advantage of these camps next summer. The programs at these camps are character builders. They teach the child to live and share with other young people and they build self-reliance.

A family gathering was held at the home of Mrs. Bertha Jones honoring two grandsons, Kermit Jones, Jr., of Flint who left on Monday morning to start his training in the Navy, and Glen Jones, Jr., of Clarkston who will leave for army training the end of this month. A lovely dinner was enjoyed by 30 guests at a table graced with 2 large cakes bearing the names of the honorees. The group presented each boy with a gift. Presentations were made by Ralph Jones and Edward L. Porritt.

Drayton Plains

Pvt. Ralph Shell is home on a few days furlough with his wife, daughter and parents.

Mrs. J. B. Ruelle of Sashabaw Rd., reported that 60 baby chicks were stolen from a coop last week.

Mr. and Mrs. Dewey Johnson of Dixie Highway are moving to their new home on Old Lane Road.

Mrs. Lucille Greene and family spent last Sunday with relatives in Detroit.

Mrs. Iva Kinter was moved to her home last Saturday from St. Joseph Mercy hospital.

Mr. and Mrs. Delamarer received word last Saturday that their son, Ralph, had died in a hospital in Austria after being seriously wounded.

Miss Charlotte Ann Maybee was a weekend guest of Miss Anna Brown of Meinrad Drive.

Miss Barbara Keasey of Lansing is a guest of Mr. and Mrs. Waldron Keasey.

Mrs. L. G. Rowley and daughter, Myra, spent the weekend in Chicago.

Major Joseph W. Christie of 5601 Hatchery Road has been temporarily assigned to the Billings General Hospital, Ft. Benjamin Harrison, Ind. Major Christie wears the Asiatic-Pacific campaign ribbon with 1 battle star and the Philippine Liberation campaign ribbon. Before entering the service he was a Pontiac doctor. He joined the armed forces in June, 1942.

Mrs. Katherine Cable, Mrs. L. G. Rowley, Mrs. John Watkins and Mrs. Max Fell attended the W. C. T. U. Federation meeting at the home of Mrs. O. R. Briney in Pontiac last Tuesday. A lovely cooperative dinner was served and the meeting was in the form of a garden party.

Mr. and Mrs. Waldron Keasey were hosts to the Women's Missionary society last Thursday evening. A pot-luck supper was served at 6:30 to the members and their families. The members of the Anderson Circle were special guests. Mrs. Floyd Wilson and Mrs. Anna Brown had charge of the program. The W. C. T. U. meeting will be held on July 17th and the place will be announced later.

PFC Quinton Mitchell, son of Mr. and Mrs. Lawrence Mitchell of Farmer St., has arrived home to spend 2 weeks with his parents. Recently he has been stationed with the marine air corps at Cherry Point, N. C., where he is attached to the tactical planning division of rader. PFC Mitchell previously served for 18 months at Kodiak, Alaska, with a guard battalion. Upon returning to the States in 1944 he was transferred to the radio and radar division of the aviation branch of the marine corps.

Green and Yellow Vegetables Needed

When canning vegetables this summer it is well for the homemaker to keep in mind that a green or yellow vegetable should be in every person's diet each day, says Mary J. E. Woodward, home extension agent.

To meet this need plenty of carrots may be stored, and spinach and beet greens canned in large quantities. Peas will be short in most larders next winter, but plenty of string beans, corn and lima will fill the gap.

Looking ahead to the meat situation of next winter, there'll be need for stretchers of all kinds for meat dishes. What could be better than jars of canned sweet green peppers and a quantity of "end-of-the-garden" mixtures? These are just right as sauces for Spanish omelettes, spaghetti dishes, meat pies, and fish casseroles. In processing such mixtures of vegetables, it is recommended that the length of time required for the vegetable requiring the most cooking be used.

With many items of fruit scarce this year, homemakers should place extra emphasis on canning more vegetables.

As soon as peas have stopped producing, the vines should be pulled up. They can then be used to mulch the tomato plants.

CARD OF THANKS

I wish to thank all those that so kindly remembered me with cards, letters, flowers and fruit during my illness.

Mrs. Alice Gulick
